HEAD COACH BOBBY CHAMPAGNE

In five seasons as head men's basketball coach at the University of North Alabama, Bobby Champagne has returned the Lion program to a position of national prominence.

After leading the Lions to four straight Gulf South Conference tournament appearances and its first NCAA tournament in 10 years during his first four seasons at the school, Champagne led his 2007-08 squad all the way to a Division II South Regional Championship and to a spot in the Elite Eight in Springfield, Mass.

The Lions finished the season at 27-8 against one of the toughest schedules in school history and re-wrote much of the school's record book in the process. The Lions were 9-5 at the season's midpoint and then went 18-4 down the stretch and won nine straight.

Champagne was honored by the NABC as South Region Coach of the Year.

The 40-year-old Champagne, who has been affiliated with 11 postseason tournament teams (nine NCAA, two NIT) during his 20-year collegiate coaching career, came to UNA after one season as an assistant coach at the University of Texas-El Paso.

In his first season at UNA, Champagne led the Lions to a 12-16 record that also included a berth in the 2004 GSC tournament. The following season, the Lions improved to 14-14, and again were participants in the conference tourney.

During the 2004-05 campaign, UNA knocked off several ranked teams in the regular season, including No. 1 Southern Indiana on Nov. 20 at Flowers Hall. The Lions finished the year with a 14-14 mark.

In 2005-06, UNA was 18-11, played in the GSC Tournament and received an NCAA South Regional bid. The NCAA postseason nod was the first for the Lions since 1996 and the eighth for Champagne.

The Lions had their second consecutive winning season in 2006-07, going 15-14.

Champagne was a member of the coaching staff at Georgia State University in 2001-02, working under legendary coach Lefty Driesell. The Panthers registered a 20-11 record, reached the postseason NIT and defeated two Top 25 teams (No. 23 Georgia, No. 15 Saint Joseph's). Georgia State was 14-6 in the Atlantic Sun Conference, tying for first place with Troy State.

He previously was an assistant coach at Louisiana-Lafayette (1997-2001), Oklahoma (1994-97) and Washington State (1991-94). Three of the players he assisted in recruiting to Louisiana-Lafayette (Brad Boyd, Blane Harmon, Robert Jupiter) were three-time All-State selections as preps.

He started his coaching career as a graduate assistant at South Alabama. In 1990, he coached the Louisiana Stars, an AAU squad in his hometown of Lafayette, La. The Stars won the state championship, finished 10th in the nation and competed in international tournaments.

Champagne has worked with some of the nation's best basketball coaches in Kelvin Sampson at Washington State University and the University of Oklahoma and Charles "Lefty" Driesell at Georgia State University. He has coached teams that have six NCAA Division I tournament appearances, two NIT appearances and four conference

LION COACHING STAFF

CORD WRIGHT
Assistant Coach

Cord Wright is entering his sixth season as a member of the University of North Alabama coaching staff and his fourth year as the Lions' assistant coach.

Wright, who served two seasons as the team's graduate assistant coach from 2003-05, graduated from Limestone College in 2002 with a B.S. degree in physical education and a minor in biology.

During his tenure at UNA, Wright has played a key role in the program through intense work on the practice court and the recruiting trail, as well as many hours of planning and preparation in the office. The student-athletes recruited by Wright have also been successful in the classroom with 15 graduations during the previous five seasons.

Last year, Wright helped guide the Lions to a 27-9 record and a berth in the NCAA Division II Elite Eight in Springfield, Mass. Along the way, UNA won its seventh regional title and advanced to the Gulf South Conference tournament.

The Lions posted a 15-14 season during the 2006-07 campaign, and went 18-11 the previous year which included the school's first trip to the NCAA tournament in 10 years. The Lions had a 14-14 record in 2005 and also advanced to the conference tourney. UNA has advanced to the GSC tournament all five years Wright has been on the coaching staff.

As a player at Limestone College in Gaffney, S.C., he was an all-conference selection in 2000 and was academic all-conference in 2001. He led the team in scoring and rebounding in his last two years.

Wright began his coaching career as assistant coach at Spartanburg Methodist

College. He also served as a student assistant coach at Limestone College for the 2001-2002 season. His duties for the Saints included running skill development sessions, weight training sessions, recruiting and creating scouting reports.

Wright has also worked on staff for various basketball camps around the country including at Louisiana State University, the University of Alabama, the University of Georgia and the University of Oklahoma.

Wright also directed his own basketball camp known as "Yours in Hoops".

A native of Lafayette, La., Wright was a prep and Carolina Virginia Athletic Conference standout. At St. Thomas More High School, he was all-district, all-Parish and all-Acadiana.

KYLE MORRIS
Graduate Assistant Coach

Kyle Morris is entering his first season on the North Alabama basketball coaching staff.

Morris comes to UNA from NAIA Pikeville College in Pikeville, Kent., where he played for coach Kelly Wells. Originally from Dayton, Ohio, Morris earned his Bachelor's degree in business management from Pikeville.

As a prep player, he won three state AAU championships with the Dayton Salvation Army. At Pikeville, he had three injury-plagued seasons that eventually ended his playing career and opened the door for the role of student assistant as a senior.

The three-year letterman made the Dean's list all three seasons while playing for the Bears.

2008-09 PREVIEW

LIONS LOOKING TO BUILD ON REGIONAL TITLE, ELITE EIGHT RUN

With nine lettermen, including three starters returning from last year's 27-9 team that advanced to the NCAA Division II Elite Eight, excitement surrounds the upcoming season for the University of North Alabama men's basketball team. Coming off their best season in 12 years, the Lions will enter the 2008-09 campaign with high expectations, but must replace the loss of three players, including the team's top two scorers.

UNA is hoping that the addition of several transfers and incoming freshmen will help the team keep up its offensive attack that led the Gulf South Conference and was fourth in the nation at 87 points per game. The Lions lost Casey Holt (17.8 ppg, GSC East Player of the Year) and Quinn Beckwith (16.1 ppg) to graduation, but added seven newcomers, including four seniors. UNA's roster will feature a total of 10 seniors this year.

"Depth and experience are going to be strengths for us this season," said UNA head coach Bobby Champagne. We should have depth at every position, which should translate well on both ends of the court. The key will be how much team chemistry we will be able to develop. That will play a major role in how good this team will be."

One of the main returning players in charge of helping the team develop chemistry is point guard Kenny Johnson. The senior from Plaquemine, La., averaged 13.8 points and led the GSC with 5.4 assists per game last year. He will be expected to fill a leadership role again this season.

"Kenny started every game for us and played almost every minute of the season last year," Champagne said. "He always

does what we ask him to do to help us win games. He can score or get others a shot."

Champagne added that Thomas Fraise will also be expected to pick up more of a leadership role. The senior from New Orleans was a first team All-GSC selection after averaging 15.4 points and 7.2 rebounds last season. He was also named the South Region Tournament Most Outstanding Player after the Lions defeated Benedict to advance to the school's eighth Elite Eight.

"Thomas probably had a little better season than the coaching staff was expecting but we believe he can be even better this season," said Champagne. He has come into the pre-season in much better shape which I think will allow him to be a better defender and rebounder. If he improves in those two areas, he should live up to the pre-season attention that he is receiving."

Fraise has received a pre-season All-America honorable mention by the Division II Bulletin and is a pre-season All-GSC selection.

Rounding out the returning starters is Isaac Gay. The senior from Baton Rouge, La., also averaged double figures in scoring, netting 10.3 points per game, but was also regarded as one of the team's top defenders.

We relied on Isaac to defend the other team's best player on most nights and I think that took away from his own offense," Champagne said. "We will definitely look for him to be more of a scorer this year."

The Lions will also depend on other returning players to make key contributions this season. Andrew Chesney scored 8.7 points and pulled down 3.1 rebounds per game last year. He proved to be a scoring threat from three-point range or in the paint. Phil Collins, Trent McCants, Doug Hunter, Dusko Stojnic and Joe Deegan round out the returnees.

"Andrew was a complimentary player, but proved he could be a difference maker in close games," said Champagne. We hope that he will continue to improve and be a major key to our success this season.

"We have several players who experience the excitement of playing in the Elite Eight. Everyone played a part in that run and we are hoping will help this team again."

The Lions have added seven newcomers to the roster, including five players already familiar with play at the collegiate level. True freshmen Marquel Darrington and Horace Warren will be joined by transfers Jacobe Shannon (Antelope Valley CC), Edvaldo Lima (Cal. State Fullerton), Jarelle Redden (Ball State), David Ricks (Motlow State CC) and Corey Speight (Texas-El Paso).

Champagne said several of the newcomers will have the opportunity to have an

Kenny Johnson

immediate impact on the floor for the Lions. "Eddie (Lima) should give us some size and another scoring and rebounding option in the paint. Jarelle is a guard who can defend, rebound and get to the basket. Corey has the ability to be a strong shooter for us. Jacobe and Marquel will also give us more depth on the perimeter and quickness on both ends of the floor."

The Lions' schedule will once again be one of the toughest in the nation. UNA will have 13 home dates on the year, along with road trips to Las Vegas and two Division I Southeastern Conference schools.

The team's non-conference slate features Shaw, Palm Beach Atlantic, Christian Brothers, Campbellsville, Harding, Blue Mountain, Southern Arkansas, Seattle Pacific, Rollins and Arkansas Tech. The Lions will play two exhibition games against Division I Mississippi (Oct. 31) and Middle Tennessee (Nov. 6). A Nov. 20th meeting at Mississippi State will also count as an official game.

"The schedule is designed to send a message to our players that we have confidence in them to play against the best in the country," Champagne said. "We have a lot of tough road games early in the year that will hopefully prepare the team for play in the GSC. By the time conference play begins, we want everyone to have found and accepted their role on this team."

UNA will open the season on Nov. 15 at the Montevallo Tip-Off Classic. The Lions will play Shaw at 3 p.m. before facing Palm Beach Atlantic at the same time on the next day. The team's home opener will be on Nov. 24 against Blue Mountain. Tip-off is set for 8 p.m. at Flowers Hall.

LION ALL-AMERICANS

**ALL-AMERICAN
DOYLE "DABBS" EARNEST**
1961-62

UNA's first All-American, Dabbs scored a career total 1,840 points for a 17.6 point per game average. He ranks second on UNA's career scoring list and still holds the highest single-season point total in UNA history with 625 points in 1962. He is the only UNA player to ever score over 600 points in a season. Dabbs was the scoring leader in 1960, 1961 and 1962, averaging 17.5, 18.1 and 24 points respectively. He led the Lions to the NAIA National Tournament in Kansas City, Mo., in 1960 and 1962, but they lost opening round games to Hamline and St. Cloud State. He holds the UNA single-game record for most field goals made (20), single-season marks for highest scoring average (24.03), most rebounds (363), most field goal attempts (497), most field goals made (243), most free throws attempted (202) and most free throws made (150), and career marks for most free throws attempted (625), most free throws made (496) and most times to score in double figures (91). He scored 46 points against Troy State in 1962 to rank second for most points in a single game. He scored 30 or more points in a game eight times during his career. Earnest was also among the four initial inductees into the UNA Athletic Hall of Fame, along with Hal Self, Eddie Flowers and Harlon Hill. Dabbs was a native of Winfield, Alabama.

**ALL-AMERICAN
OTIS BODDIE**
1979-80

Otis Boddie is one of the most outstanding players ever to play on the NCAA Division II level. During his four years at UNA, the Lions made three trips to the NCAA Final Four and claimed the national championship in 1979. The team's record during Boddie's four years at UNA was an impressive 84-35. Boddie is UNA's all-time leading scorer with 1,963 career points and an average of 16.8 points per game. He led UNA in scoring four straight years with single-season totals of 485, 382, 597 and 499. He was Gulf South Conference Player of the Year in 1980 and was an all-conference pick in 1978, 1979 and 1980. He holds four GSC records, including marks for free throws attempted in a game (23) and free throws made in a game (19). Otis scored a career high 38 points against Nicholls State in the 1979 NCAA quarterfinals. Although injured during the 1980 NCAA tournament, Boddie came off the bench to score 31 points in the Lions' come-from-behind win over Central Missouri State in the NCAA South Central Regional. Boddie scored 30 or more points in a single game eight times in his career. He made the Final Four All-Tournament Team in 1977 and was an Associated Press Honorable Mention All-America choice in 1979 before taking first-team honors in 1980. He was inducted into the UNA Athletic Hall of Fame in October of 1992.

UNIVERSITY OF NORTH ALABAMA

The University of North Alabama, established in 1830 as LaGrange College, became, in 1872, the first state-supported teachers college south of the Ohio River and one of the first co-ed colleges in the nation. UNA has developed into a regional university providing quality educational opportunities for students from the three-state region of Alabama, Mississippi and Tennessee.

North Alabama's academic role has expanded through the years. Bachelor's degrees are offered in majors in the colleges of arts and sciences, business, education and nursing and allied health. Pre-Professional preparation for medicine, dentistry, optometry, podiatry, pharmacy, law, agriculture and forestry, engineering, veterinary medicine, medical technology and other allied health professions is offered. Various master's degrees are offered in the arts and sciences, education and business fields.

North Alabama was the first major university to offer a four-year degree program in commercial music. Majors have interned in record industry offices in Nashville, New York, Los Angeles, London, Stockholm, and nearby Muscle Shoals. That program has since been expanded with the development of the UNA Entertainment Industry Center and the addition of an entertainment industry management major. UNA is one of 11 schools nationwide offering an undergraduate degree in industrial hygiene. Foreign language, nursing, business, and science students also have opportunities to study abroad.

Numerous faculty and staff members hold positions of distinction in various national, regional and state professional organizations. Many have written books and/or published articles in newspaper, magazines and professional journals. The **Journal of Legal Economics** is published at UNA.

Various centers have been established at North Alabama to serve its constituency. Operated by faculty and staff, they give undergraduate and graduate students opportunities for research and public services.

These centers include the Occupational and Environmental Health Laboratory. Its scientific research has attracted national and international attention in the health field. The Geographic Research Center, in cooperation with the National Geographic Society, has increased the profile of geography in the state and has opened

doors for students to have hands-on participation in mapping and demographics research for various governmental agencies. Science faculty and students teach and study marine biology-related courses at Dauphin Island Sealab near Mobile, Alabama.

North Alabama also houses the Northwest Alabama Education Research and Inservice Center, which provides inservice training for elementary and secondary educators in a six-county region. UNA has the only state university-operated kindergarten and grammar school, which affords education students a professional development laboratory experience in teaching.

Serving a nine-County region, the Small Business Development Center provides information, counseling and assistance to small businesses or to people planning to start small businesses. The Rare and Endangered Species Research Center personnel are conducting research on several endangered species in the region. The Wellness Research and Service Center studies and develops wellness, exercise, nutrition, stress management, health education counseling and environmental support programs.

The University of North Alabama works closely with various southern universities and many local, state and federal agencies on a myriad of projects and activities.

Supporting the faculty are the extensive resources of the Collier Library system, which is also a federal records depository. It is computerized and linked into various library loan research networks. Collier Library also houses several collections, including the television and film scripts and other works of actors Dr. George Lindsey and Dr. Ernest Borgnine.

UNA has developed a national following in recent years with the development of the George Lindsey/UNA Television and Film Festival, which attracts several industry luminaries to campus.

UNA students excel in academics, student activities and athletics. Often they are recognized nationally for their achievements in specific areas. In recent years, football and basketball teams have won national championships.

UNA is accredited by the Southern Association of Colleges and Schools. The colleges of business, education and nursing are nationally accredited, while several departments in the College of Arts and Sciences are nationally accredited.

The University of North Alabama's alumni are equally successful. Among them are a Pulitzer Prize winner for literature and one for editorial cartooning, two Alabama governors, a Texas governor, numerous members of the U.S. Congress, thousands of educators, national business and industry CEOs and internationally-renowned sculptor, a *National Geographic* photographer and special assistant to the President of the United States.

UNIVERSITY PRESIDENT AND BOARD

PRESIDENT WILLIAM G. CALE, JR.

Dr. William G. Cale, Jr., became the President of the University of North Alabama on January 15, 2005, four days after the marking of the 175th anniversary of the school's founding.

A native of Philadelphia, Pennsylvania, he came to UNA from Penn State-Altoona, where he was the Chief Executive Officer and Dean.

Previously, Dr. Cale was the Executive Vice President for Academic Affairs at Lamar University in Beaumont, Texas. He has also served in administrative roles such as dean and department head. His academic specialty is ecology, which he has used extensively in research projects.

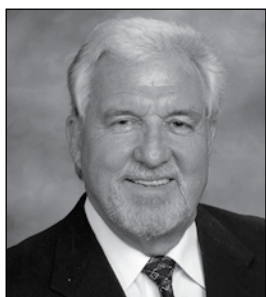

In Altoona, Dr. Cale served on the Board of the Altoona-Blair County Chamber of Commerce and the Altoona-Blair County Development Corporation. He served on the Board of the Texas Energy Museum and several other boards. He has been an active member of numerous academic and civic organizations.

Dr. Cale is widely published in professional journals. He co-authored the book, *Ivy images: A Photographic History of Penn State Altoona*.

Dr. Cale and his wife Betty Jean live in the President's Home on campus.

FLOWERS HALL

Over the last 36 seasons, the University of North Alabama basketball program has reached heights that seemed impossible in the early years of the program.

Winning the NCAA Division II National championships in 1979 and 1991 and reaching the Final Four on three other occasions, Lion basketball teams have made an impact on a regional and national level.

One key factor in that success has been Flowers Hall, a modern facility opened in 1972 that has been the scene of 382 UNA wins and only 117 defeats over that 30-plus year period.

That 76.4 winning percentage at home helped bring the UNA program from the middle of the pack in the Gulf South Conference to an annual role as a contender for league honors and the NCAA tournament.

The basketball banner that hangs above the court gives testimony to the success that has come to the UNA program.

The Lions were able to add their most recent notation after the 2007-08 season by winning the NCAA Division II South Central Regional tournament and advancing to the Elite Eight.

The first basketball game played in Flowers Hall was on Oct. 5, 1972, when the Boston Celtics and the Atlanta Hawks battled in an exhibition game before a crowd that overflowed the 4,000-seat capacity of the new facility.

UNA's initial game against St. Bernard College ended in defeat on Nov. 18, but few opposing teams since have left Flowers Hall triumphant.

In 1977 UNA posted a perfect 16-0 record at home and the 1984 Lions went 19-1 in Flowers Hall en route to a third place national finish.

On six occasions UNA has been chosen as the host for NCAA regional and quarterfinal tournaments in men's basketball and the Lions have responded with a perfect 9-0 home court mark in NCAA play.

Flowers Hall has also hosted the Alabama/Mississippi High School All-Star Basketball Game on odd numbered years since 1991.

In 1985 the original synthetic floor was relaced with a new synthetic floor. Also, in that same year a new four-sided scoreboard was added to enhance the Lion's home court. In 1989 new theater seating was installed on the home side for season-ticket holders. In 1994 a new maple wood floor was installed into the "Big Yellow Ice Box." In 2004 that floor was replaced, as were the scoreboards and scorers tables that had been used in Flowers Hall for years. This year will feature the new three-point line that was moved back for men's play.

THE GULF SOUTH CONFERENCE

Academic excellence, 43 National Championships and a leadership role in the NCAA's Division II make the Gulf South Conference (GSC) something special. As a charter member of D-II, the league's 15 universities in six southeastern states enters its 39th year of setting the standards nationally, always breaking new ground.

In the summer of 1970, six college presidents met to talk about athletics; when the meeting ended, a new league emerged-the Mid-South Conference-started by, and to this day run by, the CEOs, the first in NCAA history. It is that CEO-control and involvement that makes the league work.

From that point forward, the GSC has been giant steps ahead of the D-II pack. Dating back to 1997, the league has found neutral sites paying sizeable guarantees for most of its team championships. NCAA Conventions regularly feature GSC-proposed or -inspired legislation. No one wins more regionals or earns more NCAA post-season bids. In 2004, the league purchased its own new construction office space. But the crowning moment came in 2005-06, when the GSC debuted its highly successful "GSC-TV Live" package which included nine football games (now 10) and its men's & women's basketball tournament finals. Add to

that its web-TV show, "GSC Sports Weekly," and the broadbanding of most of its championships and you can see why the GSC is a Conference paving the way into the 21st century.

We take pride in our 43 National Team Championships in 12 sports and more than 100 regional titles, especially because there is no sacrifice on the academic side, where GSC student-athletes regularly earn Academic All-America. The Conference added two more Titles in 2007-08 with Valdosta State claiming the Football crown and West Florida winning the Men's Golf trophy in a playoff versus fellow league member North Alabama.

Delta State, Florence State (now North Alabama), Jacksonville State, Livingston (now West Alabama), Tennessee-Martin and Troy State were the charter members. In 1971, the addition of Southeast Louisiana (SELA) and Nichols State increased the membership to eight. The league opened an office in Hammond, LA, changed its name to the Gulf South Conference and began championships in nine men's sports. Mississippi College and Northwestern Louisiana (NWLA, now Northwestern State) joined in 1972 and two years later, NELA left for Division I with SELA and Nicholls State following in 1979.

The conference continued with seven teams until 1981, when the CEOs admitted Valdosta State, followed by West Georgia (1983). In 1991, Tennessee-Martin and Troy State went Division I, briefly dropping the GSC back to seven members. An aggressive expansion under the guidance of new Commissioner Nate Salant resulted in 10 new members: Lincoln Memorial; Alabama-Huntsville, Henderson State, Central Arkansas and Mississippi University for Women; West Florida; and Arkansas-Monticello, Arkansas Tech, Montevallo and Southern Arkansas. Jacksonville State went Division I at the end of 1992-93. Mississippi College dropped to Division III at the end of 1995-96, and was replaced by Christian Brothers to keep the Conference at 16 schools. In July 2000, the GSC welcomed Harding University and Ouachita Baptist University, making it the largest NCAA conference at any level with 18 schools. MUW dropped its athletics program at the end of the 2002-03 season, decreasing the membership to 17. The Conference decreased to 15 teams in 2006-07 when Central Arkansas moved to Division I and Lincoln Memorial moved to the South Atlantic Conference.

Current Commissioner, Nate Salant began his tenure in October, 1992.
