## ON THE COVER:

The University of North Alabama Lions football has an "All-American Tradition," with 20 first or second team All-Americans since Harlon Hill's selection as the school's first All-American in 1953. On the cover, UNA's 1991 All-Americans, punter John Crittenden and safety Harvey Summerhill, are the latest to follow in that tradition and both return to lead the Lions in 1992. Crittenden was a first-team Football Gazette and second team Associated Press pick, while Summerhill was a second-team Football Gazette selection. The two stand in front of historic Wesleyan Hall, built in 1855 and believed to be the sole surviving public building of the Gothic Revival style in the Tennessee Valley. Listed on the National Register of Historic Places, Wesleyan Hall provided a back-drop for Lion football teams as far back as 1913.

## UNA TODAY

The University of North Alabama, since its inception as the first state-supported teachers college south of the Ohio River, has been a leader in education. With that tradition as a foundation, UNA sets the pace for the tri-state region of Alabama, Mississippi and Tennessee. UNA is meeting the challenge of the Nineties by developing a solid transition to the approaching twenty-first century. While attaining national recognition in academics, athletics and student activities, UNA has become known as one of the nation's finest regional universities. For example, the nationally-recognized Gourman Report ranks UNA second only in Alabama to the state's five doctoral degree-granting universities.

While the university's academic officials, administration and trustees are mindful of the technological demands of the Eighties, which UNA addresses, they remain steadfast in their adherence to the traditional role of a university that distinguishes it from a technological or vocational school. Therefore, a primary emphasis is placed on the arts, letters, humanities and sciences.

The University of North Alabama maintains a high-level core program in the liberal arts, a high quality teacher-training program to supply expert teachers for the state's elementary and secondary schools. Its strong preprofessional programs continue to feed quality students into professional programs at larger schools. UNA's students are motivated to continue their formal education and process the basic tools of learning necessary to perform well in professional and graduate college-level work.

The university shares the broad purpose of all institutions of higher learning and seeks to provide for the general, professional, preprofessional and technical preparation of students. Academic programs are organized under schools: Arts and sciences, business, education and nursing. Some 5,600 students are enrolled and the university employs a faculty and staff of more than 450 persons.

In the Nineties and beyond, providing degree programs based on the concept of the totally educated person is the primary goal of the University of North Alabama.

## UNA HISTORY AND TRADITIONS

Since the University of North Alabama began its modern day intercollegiate football program in 1949, the school has gone by four different names — Florence State Teachers College, Florence State College, Florence State University and UNA.

But UNA traces its origins much futher back, all the way to 1830 when LaGrange College became the first college chartered in Alabama.

In 1872, the school was established as a state normal school, the first of its kind in the south. Two years later it became one of the first coeducational colleges in the nation.

In 1929, the institution became a state teachers college with a four-year curriculum in elementary education and was renamed Florence State Teachers College.

In 1957 the name changed to Florence State College and in 1967 the school was removed from the jurisdiction of the state Board of Trustees. One of their first acts was to recommend that the college be given university status and in 1968 the name was changed to Florence State University.

In 1974, another significant change occurred when FSU became the University of North Alabama, reflecting the institution's continued growth.

And as the university has developed, so has the school's athletic program, which traces its origins to the turn of the century.

No doubt the school had some type of athletic competition years before, but the first recorded score of an organized event available reveals that Florence State Normal School fielded a football team 77 years ago. It challenged only one school in that 1912 season and lost that contest 101-0 to Sewanee.

Over the next 16 years, Florence State Normal suffered similar fates and dropped its football program after losing twice to Marion Institute 86-0 and 85-0 in 1928.

For the next 20 years football was a game Florence State followers had to go elsewhere to see. But on March 30, 1949, Dr. E.B. Norton called for a student assembly to announce that football would be renewed and that the Lions would jump headlong into collegiate competition that fall.

Since that day in 1949, UNA football teams have posted a combined 238-182-15 record.

## UNIVERSITY PRESIDENT ROBERT L. POTTS

Robert L. Potts was named president of the University of North Alabama on August 13, 1990, after serving as Interim President for seven months. He had previously served for six years as General Counsel for the University of Alabama System.

During the Potts presidency, the University of North Alabama has made significant progress. Under his leadership, the administrative structure of the University has been streamlined, admissions standards have been adopted, a University development and advancement office has been established which has resulted in the University's first million-dollar endowed chair, an innovative day care center has been created at Kilby Laboratory School, an annual fall convocation for new students is now held, and the University has enhanced its presence in the state capital through a cooperative effort with other state universities.

Potts previously served on the boards of trustees of Alabama State University and Oakwood College. He has taught at Boston University, the University of Alabama and at UNA.

Presently, he is President of the Alabama Higher Education Loan Corporation and a member of the Board of Trustees of the National Conference of Bar Examiners, where he serves as Chairman of the Character and Fitness Committee. He is a former Chairman of the Alabama Board of Bar Examiners. He also serves on the Board of Directors of the Alabama Motorists Association.

Potts attended Newbold College in England and received a B.A. degree cum laude from Southern College in Tennessee.

He obtained a Juris Doctor degree from the University of Alabama School of Law, where he served as Alabama Editor of the Alabama Law Review. After clerking for the U.S. District Court Chief Judge for the Northern District of Alabama, Potts received a Master of Laws degree from Harvard University in 1971.

Before entering higher education on a full-time basis in January 1984, Potts practiced law in Florence, Alabama, where education issues were a significant part of his practice. He has lectured widely on legal and education topics and is the author of several articles which have been published in professional journals.

## LEO AND LEO II - A LIVING TRADITION AT NORTH ALABAMA

The Lion has been the official mascot of athletic teams fielded by the University of North Alabama for more than 40 years. And beginning in 1974, then UNA President Dr. Robert M. Guillot established a new tradition by making the school the only one in the country to have a live lion mascot living on campus.

Leo, a 35-pound cub at the time, was acquired by Dr. Guillot on July 22 of that year and spent the next 14 years "roaring" UNA on to victory.

Growing to a 540-pound supporter of the university, Leo lived in the center of the UNA campus as a majestic symbol of a proud university.

But on January 20, 1988, Leo died, leaving a void at the school.

In memory of the impact Leo had at UNA and on the community as a whole, a bronze monument was placed near the compound that served as his home for 14 years.

A great out-pouring of support from businesses and individuals in the Shoals area followed and resulted in Leo II being brought to UNA to take his place as "King of Lion Country."

Leo II, an orphaned lion cub, came to UNA in July of 1988 from a Texas ranch after his mother died giving birth.

Now living in the renovated compound that once housed Leo, Leo II has been hand-raised from birth and has grown to a weight of 600-pounds by his fourth birthday.

Leo II celebrates his birthday in April with a party that became an area-wide tradition with the original Leo and is now being carried on by the new "King of Lion Country."

UNA's other mascot, a student who dons a lion costume to cheer the Lions and entertain the crowd, also represents the school at athletic games and other university functions. Tryouts are held each year and the identity of the student is kept secret for as long as possible.

# Head Coach Bobby Wallace

In his four seasons at the University of North Alabama, Bobby Wallace has taken the Lions' football program through a major rebuilding program and placed it back on the national level it enjoyed during the early 1980's.

Having lost more than 50 players from the program prior to beginning the 1988 season, Wallace and the Lions fought to a 2-8 finish. The majority of that squad returned in 1989 to go 6-5, losing two games in the final seconds, then took the next step in 1990 with an 8-3 finish that tied UNA for second place in the Gulf South Conference and earned an NCAA playoff bid.

Last season the Lions suffered through a disappointing 3-7 campaign but are set to bounce back in 1992.

With an outstanding coaching staff that is one of the youngest in college football and five strong recruiting campaigns in place, Wallace has the Lion program on course to maintain that level of national prestige.

Wallace became the fifth head football coach in school history on December 15, 1987, at the conclusion of a nationwide search. A five-member search committee reviewed more than 60 applications and former university President Dr. Robert M. Guillot made the announcement that Wallace was UNA's choice.

Although the move to North Alabama presented Wallace with his first head coaching position, he brought impressive credentials from 12 years as an assistant coach on the collegiate level in some of the nation's premier programs.

A native of Jackson, Miss., Wallace was a multi-sport athlete at Callaway High School, lettering three years each in football, basketball, baseball and track. He also earned prep All-America honors before enrolling at Mississippi State University.

After lettering three years in football at MSU under Bob Tyler, Wallace earned his Bachelor of Science degree in Physical Education in 1976 and stayed the following year to serve the Bulldogs as a graduate assistant coach.

In July of 1977, Wallace joined the staff of Pat Dye at East Carolina University and would coach under Dye for the next eight years.

Wallace coached defensive backs at East Carolina from 1977-79, helping lead the team to an Independence Bowl championship in 1978.

In January of 1980, Wallace went to the University of Wyoming to serve on Dye's staff there and again coached the defensive secondary.

In 1981, Wallace went to Auburn University and coached defensive backs there until 1985. During that time the Tigers won the Southeastern Conference championship in 1983 and won bowl championships in 1982 (Tangerine), 1983 (Sugar) and 1984 (Liberty). Wallace also recruited eventual Heisman Trophy winner Bo Jackson to

Auburn.

In 1986, Wallace returned to his alma mater to serve as defensive coordinator under Rocky Felker at Mississippi State and then moved to the University of Illinois in 1987 to coach the defensive secondary under Mike White.

Wallace then joined the head coaching ranks when he accepted the position at North Alabama.

## Defensive Coordinator

**Coaching Experience:** Bill Hyde rejoins the UNA staff as defensive coordinator after spending the last three years as defensive coordinator at Valdosta State College.

Hyde was the architect of some of the premier defensive units in UNA and Gulf South Conference history in his first stint with the Lions from 1977-87. His units led the GSC in scoring defense for five consecutive seasons from 1981-85 and led the league in all four defensive categories in 1985 as the Lions advanced to the NCAA Division II National Championship Game. In 11 years at UNA, Hyde's defensive units finished first in the GSC in total defense five times.

He began his coaching career at Samford University, his alma mater, in 1962. He worked with receivers, defensive ends and linebackers and directed the defense which helped the Bulldogs win the Division III National Championship in 1971.

After Samford dropped football in 1973, he went to Delta State as defensive coordinator for four seasons before coming to UNA in 1976.

Following his departure from UNA in 1987, Hyde became head coach at Red Bay High School and led the Tigers to a 7-4 record and a state playoff appearance for the first time in 12 years. He was named Alabama's AAA Coach of the Year.

While at Valdosta State as defensive coordinator from 1989-91, his units set school records for fewest passing yards allowed and fewest total yards allowed.

**Playing Experience:** An outstanding quarterback during his playing days at Haleyville High School, he played two years of college football at Itawamba Junior College in Fulton, Miss.

**Education:** Received his B.S. and M.S. degrees in Education from Samford University.

# 1992 Lion Preview

The University of North Alabama will take a mix of experienced starters and untested youth into the 1992 football season in hopes of putting the program back on course as both a Gulf South Conference and national contender.

"The biggest thing we're looking for is to try and re-establish the intangibles and characteristics in this program that we saw in 1990 but seemed to have gotten away from last season," said UNA head coach Bobby Wallace, who saw his squad fall to 3-7 last season after going 8-3 in 1990 and reaching the NCAA Division II playoffs.

"We have some talented individual players, but our concentration will be on improving our overall team concept.

"I can't predict how we'll do as far as our overall record, but I know we'll be a much improved team over last season. If we play hard and execute like we're capable, we'll be a respected team that can make some things happen."

UNA returns 34 lettermen from last season but has lost 36.

The Lions will have 12 lettermen, including six starters back on offense, and 18 lettermen and six starters on defense. UNA also returns four kickers.

"This is an unusual team, with a lot of experienced starters and virtually no experienced back-ups at all," said Wallace, who has more than 30 red-shirt freshmen dotting the Lions roster entering the spring.

Much of UNA's hopes for a successful 1992 season will fall on a defense that finished last in the league against the run a year ago, allowing 210.9 yards per game.

The front line returns experience in Antonio Holley (6-0, 245), O.J. Patrick (6-2, 260) and Printess Orr (6-0, 273), all of whom have starting experience.

The secondary is solid as well with All-American safety Harvey Summerhill (6-1, 193) leading the way.

Summerhill is a two-time All-GSC defensive back and could become just the second Lion football player ever to be named first-team All-GSC three times. He made 107 tackles last season and had five interceptions. He has 241 career stops and 10 interceptions.

Summerhill is joined by returning starters Walter Tipton (5-9, 177) and Tony Foster (6-1, 188) and senior Lawrence Green (5-10, 187).

Foster made 58 tackles last season to finish eight on the squad.

"We're very experienced up front and have some guys who have played a lot of football," said Wallace, "and we have four experienced seniors starting in the secondary. We look for a great deal of leadership from those guys."

But the question mark comes at linebacker. Jeff Redcross (6-3, 234) and Marcus Hunter (6-3, 232) have experience at the outside slots but there are no experienced back-ups. Hunter was named the Gulf South Conference Freshman of the Year after his impressive switch from tight end to linebacker midway through last season.

The UNA defense gave up 325 yards per game, but surrendered just 115 through the air per outing, to top the GSC rankings.

Inside, Brian Long (6-1, 215) is joined by a trio of freshman hoping to gain playing time.

"The inside linebacker is the quarterback of your defense and have a lot of inexperience there," said Wallace. "That will be a real key to our season is how rapidly we have some people step up and fill the role at linebacker."

Offensively, UNA will have a new look with a Slot-I attack that will put the Lions in an option attack.

Sophomore Eric Groom (5-6, 148) of Cordova, who played as a wide-out last season, took the starting quarterback job in the spring and is expected to be challenged by red-shirt freshman Cale Manley (6-0, 165) of Russellville for the starting job.

Whoever wins the quarterbacking job will be backed-up by one of the finest running back tandems in Division II football in tailback Tyrone Rush (5-10, 191) and fullback

# 1992 Lion Preview

Brian Satterfield (6-0, 204).

In two seasons at UNA Rush, a junior from Philadelphia, Miss., has gained 1,601 yards and already ranks ninth on UNA's career rushing list. He is well ahead of the career pace set by UNA's all-time leading rusher Clarence Johnson.

Last season Rush picked up more than 100 yards in a school-record five games, including 164 against national runner-up Jacksonville State, 156 against Newberry and 128 against Troy State.

Satterfield, a junior from Epworth, Ga., started for the Lions in 1990 but was out of school last season. He gained 764 yards in his previous two seasons at UNA and scored 10 touchdowns.

Junior Quintin Woods (5-6, 154) and converted kicker Brad Stepp (5-10, 167) will battle for the starting nod at the slot back position and seniors Steve Stamba (5-10, 190) and Lawrence Haynes (6-2, 155) should anchor the receiver slot. Sophomore Bryan Walters (6-1, 230), who started last season as a freshman, should start again at tight end.

"We're excited about the change in our offense because it suits the talents of our players and it gives them a chance to be successful," said Wallace. "It will isolate the good individual talents of some of our players into a lot of one-on-one situations. The biggest problem we have going into the fall is learning to execute it properly, and that just takes time.

"If we can keep from turning the ball over, we will have the chance to score some points."

After having one of the best turnover ratios in America in 1990, UNA made 27 turnovers, while getting just 23 takeaways last season and those miscues helped lead directly to the Lions downfall.

The UNA kicking game appears solid, with senior All-American punter John Crittenden (6-1, 205) returning after finishing second in the NCAA Division II last season with a 43.2 average per kick.

Crittenden broke UNA records for longest punt, punting average in a game and punting average in a season a year ago.

**Running back Tyrone Rush**

Junior transfer Greg Scoggins (5-11, 195) is the frontrunner to handle the placekicking duties after an impressive spring.

"Our kicking game will give us a chance to win ballgames on the ability of our kickers," said Wallace. "We have a chance to have the best kicking game we've had here in a long time, with the kickers and experienced coverage people we have back. That's a big plus."

The 1992 schedule is certainly in the Lions favor, with one of the most exciting home schedules in school history. UNA has six home dates, including the first three games of the season against Central Missouri State on Sept. 5, Mississippi College on Sept. 12 and Alabama A&M on Sept. 19. The Lions will also host Jacksonville State on Oct. 17, Troy State on Oct. 24 and West Georgia College on Nov. 7

UNA's road dates are at Delta State on Sept. 26, Fort Valley State on Oct. 10, Livingston on Oct. 31 and Valdosta State on Nov. 14.

All 10 of the Lions games this season will be at night.

**CHAMPIONSHIP**

Braly Municipal Stadium is recognized across the nation as one of the top college football facilities in the NCAA Division II.

The 13,000 seat stadium has been the site of numerous University of North Alabama football victories and has served as host for six NCAA playoff games. In all but two of the NCAA playoff games that UNA has participated in, the Lions, and Braly Municipal Stadium, have been chosen as the host. One of those was at a predetermined site — the 1985 Division II Championship Game in McAllen, Tex.

But six years ago, Braly Municipal Stadium began hosting the NCAA Division II Championship Game as well, and will host it for a record seventh consecutive year this December.

Since the Division II title game was created in 1972, no city has served as the host for more than five years until the Shoals area and Braly Stadium did it last year.

Renovated in 1980, the stadium now seats 13,000 and has a playing surface to rival any in the country. It's foundation is comprised of sand which enables the field to withstand six inches of rain at one time without altering the footing.

In addition, Braly Municipal Stadium features two ultra-modern dressing rooms, concession stands, restrooms and a three-level press box. The first level can hold up to 30 sports writers in the press room, and there is a VIP Suite. The second level houses coaching staffs from both schools, the public address announcer, the clock operator and both home and visiting radio crews. The third floor is used by television and film crews.

Another of the UNA football facilities is the Flowers Hall Annex, which provides almost 18,000 square feet of space for the Lions' football program, with coaches' offices, equipment rooms, film rooms and indoor practice facility, a modern weight room and more.

Spacious dressing rooms, a sauna, walk-in whirlpool and an expanded training room and other extras give UNA plenty of room to supervise the care of its student athletes.

The UNA athletic facilities have kept pace with the Lions' athletic program as UNA continues to prove it has one of the premier programs in the country.

## INJURIES TAKE THEIR TOLL . . . LIONS STUMBLE IN 1991

Entering the 1991 season, the University of North Alabama was expected to be a national championship contender.

After all, the Lions returned more than 40 players from a squad that had gone 8-3 in 1990 and reached the NCAA Division II playoffs.

UNA was ranked in the top 10 nationally in Division II in every national publication.

The stage was set for the Lions to take the next step in re-establishing themselves as a national power.

But those high expectations dwindled week by week, even prior to the opening game against Central Missouri State, as a rash of unexpected events and injuries began to take their toll on the UNA Lions.

At one-point in the season more than 20 regulars in the UNA lineup were either sidelined with injuries or playing with injuries.

The result was a 3-7 finish and a 1-5 conference records that left UNA tied for sixth in the Gulf South Conference standings.

Craig Bryant, who had started for two seasons at quarterback, signed to play professional baseball with the Seattle Mariners organization. Then, Clay Hair, who had started at quarterback in Bryant's place in the spring, was ruled ineligible due to a transfer rule. Senior transfer Stacey Stewart then assumed the starters role but had his collar bone broken on the first series of the first scrimmage.

By the time UNA rolled into Central Missouri for the season-opener, senior transfer Ray Boudreaux was at quarterback, having taken only three snaps as a collegiate quarterback.

UNA's defense broke open a 7-7 game in the fourth quarter behind the play of Walter Tipton and went on to a 28-7 win. Ricky Gandy and Tyrone Rush combined for 241 yards rushing and Tipton was named GSC Defensive Player of the Week.

But the Lion offense could generate little the following week at Mississippi College and defense was worn down in the second half as a 7-0 Choctaw halftime lead grew to a 31-3 Mississippi College win.

Back at home at Braly Stadium for the third week of the season, UNA was dominated by Delta State, 31-6, and suffered its first home loss to the Statesmen since the 1960s. Freshman Alan Pate started at quarterback but was intercepted four times.

Stewart returned in week four and UNA picked up a 21-7 win over Newberry College behind 156 yards from Tyrone Rush and was hoping to build some mid-season momentum. That momentum was intercepted the following week by Fort Valley State, however, and the Lions downward spiral continued.

The Lions blew a 34-23 contest to the Wildcats, having three interceptions returned for touchdowns in the second half after leading 17-6 at intermission. The three returns for TDs tied an NCAA Division II record and overshadowed Stewart's three TD passes for the Lions and 113 yards rushing by Tyrone Rush.

Jacksonville State rolled to a 48-13 win over the Lions the following week, despite another 164 yards from Rush and a 21-tackle performance by Harvey Summerhill that netted him GSC Defensive Player of the Week honors.

Troy State's 31-9 win dropped UNA to 2-5 with three games to play and the Lion hopes turned to having a .500 season.

In the best overall performance of the season, UNA shutout a vastly improved Livingston team 14-0 as Marcus Hunter, who had switched from receiver to the defensive line, was named GSC Defensive Player of the Week.

A 28-26 loss at West Georgia and a 34-17 loss at home to Valdosta State dropped UNA to a 3-7 finish.

The highlights for the Lions came from Rush, who was a first-team All-GSC pick, gained 982 yards and rushed for more than 100 yards in five games.

Junior punter John Crittenden boomed a school-record 80-yard punt on his first kick as a UNA Lion and went on to lead the GSC and finish second in the NCAA Division II with a 43.2 average for the season. He broke school punting records for a single game, a game and a season was selected All-GSC and All-American by the Associated Press and the Football Gazette.

Junior safety Harvey Summerhill made 107 tackles and was an All-GSC and All-America pick as well, being named to the second-team All-America suad by Football Gazette.

Senior Troy Nelson closed his career as UNA's all-time, all-purpose yardage leader with 4,056 yards. He also finished fourth in career catches and receiving yards and second in career touchdown catches.

### LEADING THE GROUND ATTACK

In the 43 years that the Lions have competed in intercollegiate football, 45 different players have rushed for more than 100 yards in a single game. Of that number, 18 duplicated that effort in more than one game.

Clarence Johnson of Huntsville leads the Lions' 100-yard parade with 16 games in which he gained more than 100 yards rushing. He is followed by Marvin Marsh of Gadsden with nine and Tyrone Rush, Lawson Fletcher, Wendell Taylor and Marc Merritt with seven each.

Following that group are Curtis Sirmones with six, Tommy Compton and Jack Redwine with four each and Joe Elmore and Ricky Gandy with three.

# Other Lion Football Honors

## ALABAMA SPORTS HALL OF FAME

Harlon Hill

Perhaps the two most prominent figures to ever play football for the Lions also hold membership in the Alabama Sports Hall of Fame. Harlon Hill, a letterman from 1950-53 who was an NAIA All-American and was later named Rookie of the Year and Most Valuable Player in the National Football League while playing with the Chicago Bears, was the school's first inductee when he was chosen for membership in 1976. Then, in 1983, George "Goober" Lindsey, a football letterman in 1950 and 1951 who went on to television fame on the **Andy Griffith** and **Hee Haw** shows, was selected for membership. Another Lion, former basketball standout Winfrey "Wimp" Sanderson, was inducted this past spring.

George Lindsey

## ASWA SMALL COLLEGE ATHLETE OF THE YEAR

Daryl Smith

University of North Alabama defensive back **Daryl Smith** was named Alabama Small College Athlete of the Year in 1984 by the Alabama Sportswriters Association, and linebacker **James Davis** received the award for 1990.

Smith was named to the Kodak, Associated Press and Football News All-America teams and was also the first athlete in school history to play in the Blue-Gray Classic and Senior Bowl All-Star games.

Davis was a first-team Kodak, Associated Press and Football Gazette All-American and finished his career as the leading tackler in UNA and Gulf South Conference history. He was a two-time All-GSC pick and was the league's Defensive Player of the Year in 1990.

James Davis

## POST-SEASON ALL-STAR GAMES

Defensive back **Daryl Smith** was a consensus All-America pick in 1984 and became the first athlete in school history to play in post-season all-star competition at the Blue-Gray Classic in Montgomery, Ala., and the Senior Bowl in Mobile, Ala.

Another UNA defensive back, **Lewis Billups** of Ft. Walton Beach, Fla., was selected for post-season competition in 1985. Billups was selected for the Blue-Gray Classic and the Senior Bowl and was a starter in the secondary for the South squad in both games.

In 1990, senior offensive tackle **Mike Nord** of Louisville, Ky., played in the Senior Bowl to become the third Lion to participate in the game and the first to play in the East-West Shrine Game.

## CHEVROLET SCHOLARSHIPS

Excellence on the football field has benefited UNA off the field as well as quarterbacks **Rusty Towery** and **Bobby Duncan** each had $1,000 scholarships donated in their names to the university by Chevrolet. Towery was selected Most Valuable Player by Chevrolet in UNA's 42-21 win over Troy State in 1983 in a game that was televised by CBS. Duncan was named MVP in UNA's 27-24 loss to Central State of Ohio in the NCAA playoffs later that season in a game televised by ABC. In 1980 and 1981, UNA also received $1,000 scholarships in the name of quarterback **Fred Riley** who earned MVP acclaim in televised games against Eastern Illinois and Troy State.

### KNOWLES SET SCORING RECORD

Former UNA place-kicker James Knowles held the all-time NCAA Division II record for points scored by kicking with 263 from 1982-85. The record was broken in 1988 by California-Davis kicker Eddie Loretto, who finished with 266 points. Knowles made 45 field goals and 128 extra-points during regular season competition to place his name in the record book. Knowles also ranks 8th in Division II history in career field goals made entering 1991, hitting 45 of 77 for 58.4 percent during his career.

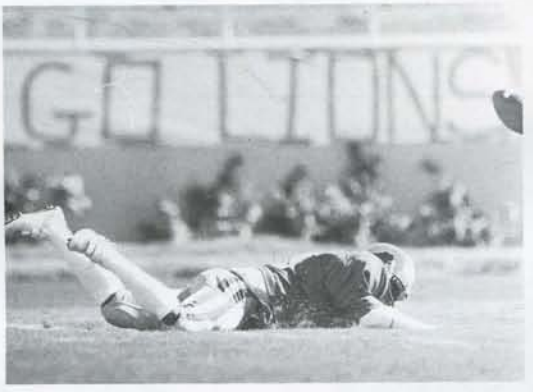
The 1985 UNA Lions went all the way to the Division II Championship Game, then played in McAllen, Tex., as the Palm Bowl. UNA arrived via a chartered flight (above) to take on the North Dakota State Bison (top right). The Lions were treated to plenty of south Texas hospitality (right).



The Division II championship would prove to be out of reach for the Lions (top left), despite the running effort of fullback Glenn Ivy (above) and a defensive unit that led the Gulf South Conference in every defensive category and ranked among the top units in the nationb.

# The Gulf South Conference

The Gulf South Conference is recognized as one of the premier Division II conferences in the nation, boasting 26 national champions in eight sports since 1970; winning 13 national crowns during the 1980s and five already in the 1990s.

In addition, the GSC annually places its squad in the championship tournaments of virtually every sport in NCAA competition.

The GSC was born in the summer of 1970 when representatives from six institutions - Delta State University, Florence State University (now North Alabama), Jacksonville State University, Livingston University, the University of Tennessee at Martin and Troy State University - convened in Birmingham, Ala., to form the Mid-South Conference, the forerunner of today's GSC.

Scheduling problems in the first year permitted competition only in football with Jacksonville State winning the league's first championship.

In 1971, Southeastern Louisiana and Nicholls State joined the conference, bringing the membership to eight. The league also changed its name to the Gulf South Conference.

The following year, Mississippi College and Northwestern Louisiana were admitted to the conference. Northwestern withdrew two years later, followed by Southeastern Louisiana and Nicholls State in 1979.

The conference continued with seven teams until 1981 when the league's presidents voted to admit Valdosta State College. The ninth member, West Georgia College, joined in June of 1983.

But with the move to Division I by Tennessee-Martin and Troy State in 1991, the GSC returned to seven institutions.

The league has already accepted Henderson State University and the University of Central Arkansas for membership in 1993-94 and non-football playing member Lincoln Memorial University for 1992-93, pushing the league back to 10 schools and nine for football.

The GSC's first commissioner, Stan Galloway, retired in 1979 and, with the naming of Jim McCullough as commissioner, the league office was moved from Hammond, La., to its present location in Birmingham, Ala. The league named its third commissioner, Hayden Riley, in 1982 and he served two years before retiring at the end of the 1983-84 school term. Ralph McFillen, now the commissioner of the Metro Conference, served as the GSC commissioner until 1987, and G.E "Sonny" Moran now serves as the league's fifth commissioner.

The GSC sponsors championships in football, basketball, baseball, golf, and tennis. In addition, women's teams compete in basketball volleyball, softball and tennis. Banner seasons have become common for the GSC. Numerous student athletes continue to be honored on All-America and Academic All-America teams.

Several former GSC athletes are on rosters with professional football teams and others have participated on the United States team in the Olympics.

Football gained the majority of the attention for the Gulf South Conference in its early years, but the league has excelled in other sports as well.

# Lion Football Glossary

**The ACC**

No it's not the Atlantic Coast Conference. At least not for this reference. It was the Alabama Collegiate Conference, which the Lions competed in during the 1960s. The four state-supported colleges - Florence State (now UNA), Troy State, Jacksonville State and Livingston - formed the ACC in 1960. The Lions won the conference football crown in 1960 and 1961 and shared the title in 1962 and 1963 with Jacksonville State. The Lions produced numerous All-ACC players throughout the 1960s but records are incomplete.

**All-Americans**

The Lions have had numerous All-Americans, including two picks last season in punter John Crittenden and defensive back Harvey Summerhill. The school's first football All-American was end Harlon Hill in 1953. In all UNA has had 20 players chosen first or second team All-American, with linebacker James Davis the only player to have been named first-team All-Americans in two different seasons. But in 1992 Crittenden will have the chance to try and join him.

**All-Star Games**

Three Lion players have participated in post-season all-star games. Defensive back Darryl Smith played in both the Blue-Gray Classic and the Senior Bowl in 1984 and defensive back Lewis Billups followed in 1985, also playing in both games. In 1990, offensive tackle Mike Nord was selected for the Senior Bowl and the East-West Shrine game.

**Board of Trustees**

UNA Board of Trutee members Phil Logan, Billy Don Anderson and Gene Sanderson are all former Lion football players. Logan was a quarterback and lettered from 1967-69. Anderson was a lineman and earned three letters from 1959-61. Sanderson was a back and lettered from 1955-57.

**The Catch**

The single most recounted play in UNA football history. On Nov. 27, 1980, UNA and Jacksonville State were tied 28-28 with the Gulf South Conference championship on the line. UNA faced a third-and-13 situation with just 36 seconds remaining from its own 17 yard line. Quarterback Fred Riley dropped back, faked once and lofted a pass down the right sideline. Jerry Hill ran under the pass and raced to the end zone for a dramatic 83-yard score that gave UNA a 35-28 win and its first GSC football championship. As a result of the win, the Lions also received their first NCAA playoff bid in 1980 and advanced to the semifinals.

**Championship Game**

UNA is the host for the NCAA Division II Football Championship Game and has been since 1986. The 1992 game will mark the seventh time the game has been played at Braly Municipal Stadium - the most at any one site since the game was created in 1973. UNA and the Shoals area's quest for the game began in 1985 when the Lions advanced to the title game which was then played in McAllen, Tex., as the Palm Bowl. Following the game, the Shoals National Championship Committee was formed to try and bring the game to Florence and was successful in doing so. The current contract with the NCAA calls for the game to be played in Florence in 1992 and 1993. The 1992 game is scheduled for 1 p.m. on Saturday, December 12.

**Coaches**

The University of North Alabama has produced hundreds of coaches on both the high school and collegiate level and has had numerous coaches pass through the Lion program on the way to jobs at other collegiate and professional programs. Two former Lion assistant coaches who have moved on to become head coaches at Division I schools are Sparky Woods and Jack Crowe, who will lead their respective schools into the Southeastern Conference in 1992. Woods, now head coach at the University of South Carolina, was an assistant at UNA in 1978 under Wayne Grubb. Crowe, now head coach at the University of Arkansas, was also an assistant under Grubb from 1979-80.

**James Davis**

A four-year letterman at linebacker for UNA from 1987-90, Davis became the most honored football player and athlete in school history. In addition to holding the school records for tackles in a game, season and career, the native of Clanton, Ala., closed his career as the leading tackler in Gulf South Conference history with 528 stops. He was selected All-GSC, Academic All-GSC and first-team All-American by Kodak, the Associated Press and the Football Gazette. He was a three time GSC Defensive Player of the Week pick in 1990 and was twice National Defensive Player of the Week by Football Gazette and USA Today. He was chosen state Small College Athlete of the Year by the Alabama Sports Writers Association. He was named permanent team captain, Most Valuable Player on the football team and the school's Male Athlete of the Year for 1990-91.

**Defensive Backs**

It has become the most renowned position at North Alabama over the years with a spectacular tradition. Since the GSC was formed in 1971, UNA defensive backs have been first-team All-GSC picks 14 times. Former UNA defensive backs Darryl Smith and Lewis Billups played in both the Blue-Gray Classic and the Senior Bowl and later played in Super Bowl XXIV as members of the Cincinnati Bengals. Smith, Bruce Jones, Wendell Phillips, Sedric Barnett and Harvey Summerhill all received All-America acclaim as DBs at UNA and nine Lion defensive backs have been drafted or signed by professional football teams. On the GSC Team of the Decade for the 1980s, three of the four defensive backs selected for first-team honors were from UNA (Smith, Billups and Jones). Currently following in that tradition, Summerhill could become just the second Lion player to be a three-time All-GSC selection after being picked as both a sophomore and junior.

**Goober and Wimp**

Their nicknames may not show it, but Goober and Wimp are two of the most highly regarded graduates of the University of North Alabama. George "Goober" Lindsey, star of television's "Andy Griffith Show," "Mayberry R.F.D." and "Hee Haw," is a former Lion football player. Lindsey was quarterback and a two-year letterman for the Lions in 1950-51. He is one of three former Lion athletes enshrined in the Alabama Sports Hall of Fame. Another is former Lion basketball standout Winfrey "Wimp" Sanderson. A three-year letterman for the Lions from 1957-59, Sanderson scored 1,076 points and averaged 14.9 points for his career. After 20 years as an assistant basketball coach at the University of Alabama, Sanderson became head coach for the Crimson Tide in 1981. In 12 seasons, he has directed Alabama to 10 NCAA events. He is also a member of the Alabama Sports Hall of Fame.

**The Gulf South Conference**

North Alabama is a charter member of the Gulf South Conference and was one of six schools to help create the league in 1970. UNA, Delta State, Jacksonville State and Livingston are the only four charter memebrs still in the league. UNA has won three GSC football crowns, in addition to titles in basketball, women's basketball, baseball, tennis, volleyball, softball and women's cross country. The GSC is regarded as the toughest NCAA Division II conference in the nation and has produced 26 national champions.

The league has added Lincoln Memorial in all sports except football for 1992-93 and will add Central Arkansas and Henderson State in 1993-94.

**Hall of Fame**

UNA created a Hall of Fame in 1990, with former football coach Hal Self, former basketball coach and athletic director Eddie Flowers, All-America end Harlon Hill and All-America basketball player Dabbs Earnest the four initial inductees. They were followed by Otis Boddie, John Bostick, Max Burleson and Wimp Sanderson last year. Four former Lions will be inducted each fall at Homecoming and the Athletic Hall of Fame is on permanent display in Flowers Hall.

**Harlon Hill Trophy**

The NCAA Division II College Football Player of the Year award is named for former Lion end Harlon Hill and presented every December in the Shoals. UNA sports inormation director Jeff Hodges serves as chairman of the National Harlon Hill Award Committee. Hill was an All-American end for the Lions in 1953 and was later Rookie of the Year and Most Valuable Player in the National Football League with the Chicago Bears. The award was created in 1986, with North Dakota State quarterback Jeff Bentrim as its first recipient. The 1992 award will be presented on December 11 at the seventh annual Harlon Hill Awards Banquet.

**Leo II**

UNA boats the only live Lion mascot in the country living on campus. On July 22, 1974, former UNA president Dr. Robert M. Guillot brought a 35-pound lion cub to the campus and Leo spent the next 14 years "roaring" the school to victory. The original Leo died on Jan. 20, 1968, and a great outpouring of support from the Shoals community resulted in Leo II being brought to UNA in July of 1988. Leo II lives in the compound that once housed the original Leo and he has grown to a weight of more than 600 pounds at four years of age.

# Lion Football Glossary

**National Championships**

The Lion football program has had the chance to play for four in the NCAA playoffs but is still looking for its first crown. The UNA basketball program has won two Division II titles, in 1979 and 1991. Those two are a part of 26 national titles won by Gulf South Conference schools.

**Off the Sidelines**

That's where two Livingston players came from to tackle L.L. Whitten in 1952. Whitten had broken away and was running for an apparent touchdown when two Livingston players jumped off the sidelines and tackled him. The Lions led 27-6 at the time and went on to a 34-6 win when Whitten was awarded a touchdown, despite being tackled at the Tigers' 28 yard line. Walter Henders, the current head coach at Chipley High School in Florida, was the 13th man who finally brought Whitten down. The play was even more significant because it happened two years before Alabama's Tommy Lewis made the well known off the sidelines tackle of Dicky Moegle of Rice in the Cotton Bowl.

**Playoffs**

The Lions have been to four NCAA football playoffs (1980, 1983, 1985, 1990) and have a 4-4 record in post-season action. UNA advanced all the way to the Division II Championship Game at the Palm Bowl in McAllen, Tex., in 1985. Should the Lions go that far again, they could play in the title game on their own field at Braly Municipal Stadium. UNA has hosted six of the eight playoff games it has been in and has an all-time 4-4 record in post-season play.

**Professional Football**

The Lions have had numerous players drafted and signed by professional teams in the National Football League, the World Football League, the United States Football League and the Canadian Football League. The most prominent have been Harlon Hill, who was Rookie of the Year and Most Valuable Player in the NFL with the Chicago Bears, and Lewis Billups and Darryl Smith who played for the Cincinnati Bengals in Super Bowl XXIV. William Bowens also earned a Super Bowl ring with the Oakland Raiders. Last season receiver and special teams standout Stevie Hobbs was a game captain for the Washington Redskins in Super Bowl XXVI.

**Publications**

The University of North Alabama's athletic publications have won numerous national awards, including more than 30 since 1984. Among those, the Lions football media guide has been judged among the top four in the nation in seven of the last eight years. In judging by the College Sports Information Directors of America, the UNA football guide was third in the nation in 1984, fourth in 1986, third in 1987 and second in 1988, 1989, 1990 and 1991. The awards were presented for Division B, which includes all NCAA Division II and NAIA Division I schools.

**Press Day**

UNA's annual Press Day and Fish Fry for area and state-wide media is one of the best around. Every summer, members of the media gather at Joe Wheeler Resort to east catfish prepared by Robert Muse, meet the Lion coaching staff and players and play a round of golf.

**Hal Self**

Henry "Hal" Self served as the Lions first head football coach of the modern era when the sport was revived at UNA in 1949. Over the next 21 seasons he posted a 109-81-8 record, compiling 13 winning seasons against a rugged schedule that included numerous Division I schools and with a staff that, for the majority of that time, consisted only of Self and George Weeks. From 1952-63 Self led UNA to a combined 31-0-2 record against state rivals Livingston, Troy State and Jacksonville State. Self served 33 years at UNA as a coach, athletic director and member of the Health, Physical Education and Recreation faculty.

**Statistical Champions**

The UNA Lions football teams have had two NCAA Division II national statistical champions. place-kicker Nelson McMurrain led the nation in field goals in 1980 with 1.40 made per game. He connected on 14 of 22 attempts. Running back Clarence Johnson was the division's top scorer in 1983 with 9.6 points per game or 16 touchdowns in 10 regular-season games.

**Team of the Decade**

The UNA Lions dominated the Gulf South Conference Team of the Decade for the 1980s with seven first-team selections. UNA had four players selected to the defensive squad, including three of the four defensive backs. Bruce Jones, Darryl Smith and Lews Billups were chosen in the secondary, while James Davis was selected at linebacker. Chosen for the offensive unit were lineman Don Smith, running back Clarence Johnson and place-kicker James Knowles.

**Television**

The Lions have played before network television cameras on five occasions and have a 2-3 record on television. The first televised game was the 1980 NCAA semifinal against Eastern Illinois, carried by ABC. In 1981, UNA played on ABC again in a regular-season game with Troy State and played the Trojans on CBS television in 1983. ABC carried the UNA-Central State of Ohio semifinal game in 1983 as well and, in the 1985 Division II title game, the Lions played North Dakota State on ESPN.

**1912**

That's the year of the first recorded score of a Lion football game, and it wasn't pretty. Florence State Normal School, as UNA was then known, played only one football game that season, and lost 101-0 to Sewanee. The Lions continued to play for 16 more seasons before dropping the sport in 1928 after losing twice to Marion Institute, 86-0 and 85-0.

**March 30, 1949**

Florence State Teachers College President Dr. E.B. Norton called a student assembly to announce that football would be renewed and that the Lions would jump headlong into collegiate competition that fall.

**1980s**

It was a fantastic decade for North Alabama football. UNA had the best record of any Gulf South Conference school and the 12th best record nationally among NCAA Division II schools. The Lions won three GSC titles and made three NCAA playoff appearances in 1980, 1983 and 1985.

**1983-84 & 1990-91**

They were the years for playoffs for the University of North Alabama. In 1984 and 1991 UNA placed four teams in the NCAA playoffs. In 1991 the UNA football squad went 8-3 and played in the NCAA Division II football playoffs. The Lions basketball team followed with a 29-4 record and won the Division II National Championship. The Lady Lions went 20-9 in basketball and played in the NCAA South Regional and the UNA baseball squad closed the year with a 30-17 record and was the runnerup in the NCAA South Atlantic Regional. It was the second time four UNA squads have gone to post-season play in the same year, with the same four sports having accomplished that feat in 1983-84.

# Harlon Hill

A native of Killen, Ala., Harlon Hill is a prime example of the unknown small college player with tremendous talents who went on to prove his greatness in the National Football League — competing with the top players in the game.

A small college All-American receiver at Florence State Teachers College (now the University of North Alabama), Hill was drafted in the 15th round of the NFL draft by the Chicago Bears — a team willing to take a chance on a player that scout Clark Shaughnessy only heard about from a man in the press box at the annual Blue-Gray Classic in Montgomery.

The Bears didn't have to wait long for thr skinny boy from Florence State to make their gamble pay off, however.

In 1954, Hill caught 45 passes for 1,124 yards and 12 touchdowns and was named National Football League Rookie of the Year. The following year he caught 42 passes for 789 yards and nine touchdowns and was the recipient of the Jim Thorpe Trophy as the NFL Most Valuable Player.

In nine years in the NFL, Hill caught 233 passes for 4,717 yards and 40 touchdowns and is still regarded as one of the greatest receivers to ever play the game.

He played in the Pro Bowl in 1955, 1956 and 1957 and was an All-Pro selection in 1954, 1955 and 1956.

He spent his first eight seasons, from 1954-61, with the Bears and split his final seasons between the Pittsburgh Steelers and the Detroit Lions.

Hill played in relative obscurity for the Lions as an end in a powerful single-wing offense.

He caught only 54 passes in four years with the Lions but they went for 1,020 yards and a school record 19 touchdowns. He averaged 18.8 yards per catch.

Hill was inducted into the Helms Athletic Foundation Hall of Fame in 1958, into the Alabama Sports Hall of Fame in 1976 and into the UNA Athletic Hall of Fame in the initial class in 1990.

Hill, who turned 60 on May 4, now serves as principal at Brooks High School in Killen, only a few miles from Florence.

**Harlon Hill began his football career as an end at Florence State (UNA) and went to fame in the National Football League with the Chicago Bears. Today the NCAA Division II College Football Player of the Year award is named in his honor.**

# The Harlon Hill Trophy

**Creation of the Hill Trophy:**

The top player in college football each season has long been honored with the presentation of the Heisman Trophy.

An award symbolic of the best.

But while that award may have recognized the top player in NCAA football, no one playing at a school below the Division I level had ever received recognition for their accomplishments in the voting.

Players like Walter Payton, Neil Lomax, Ken O'Brien, John Stallworth and others played in the NCAA Division II, and would have never achieved recognition, had they not gone on to outstanding careers in professional football.

That began to change in 1986, however, when a group of Shoals area residents, with the sponsorship of Coca-Cola and Herff-Jones, Inc., worked to establish the Harlon Hill Trophy — to be presented each year to the top player in the NCAA Division II.

The originators of the award didn't feel that accomplishments in professional football should have to be the measuring stick for talent in Division II. So the award was created to honor players whose achievements have placed them among the top players to ever play the game.

The Harlon Hill Trophy is an award that is given annually to the player selected as the "best" in Division II by the sports information directors at the 100-plus Division II schools which play football, and is presented during the week of the NCAA Division II Football Championship Game in the Shoals.

This year, the seventh annual Harlon Hill Trophy will be presented to the Division II Player of the Year at the Listerhill Credit Union Banquet Hall

**How the Winner is Selected:**

Nominations for the Hill Trophy are accepted from sports infomation directors at NCAA Division II football-playing institutions. The criteria stipulates that the player must have distinguished himself nationally as being among the top players in the game. A total of 20 players were nominated for the 1991 award.

Then there are two actual votes for the Hill Trophy.

The players nominated are first voted on by the sports information directors within their respective NCAA region. There are four regions (East, South, Midwest, West) with approximately the same number of schools in each region. The top two vote-getters from each of the four regions then advance to the national ballot where they are voted on by all 127 Division II SIDs. On both the regional and national ballots, the SIDs vote for a first, second and third basis.

The top three finishers from the national voting are then invited to the Shoals for the championship week activities and the Hill Banquet.

**The Trophy:**

The Harlon Hill Trophy, created by Herff Jones, Inc., is 30 inches tall and weighs 63 pounds. The football is a life-size replica of a real football and sits on a solid walnut base.

**Past Winners:**

North Dakota State quarterback Jeff Bentrim was the first recipient of the Harlon Hill trophy in 1986, receiving 133 total points and 32-first-place votes in the balloting by sports information directors.

A senior from Andover, Minn., Bentrim quarterbacked the Bison of NDSU to a 39-4 record as a starter and three national championships. The Bison also played in a fourth national title game but lost on the game's final play.

Bentrim broke Walter Payton's Division II career touchdown mark with 64, led Division II in scoring three consecutive years, finished as the school's all-time leading rusher and scorer and led the Bison into the Division II title game four consecutive years.

The man who finished second to Bentrim in the initial Hill balloting in 1986 came back to claim the award three straight times in 1987, 1988 and 1989.

Texas A&I runningback Johnny Bailey easily led the voting after leading the nation in rushing as a sophomore and junior and finished his career as not only the career rushing leader in Division II but the all-time rushing leader in collegiate football history. He also established a new record for all-purpose yardage and finished as the fourth all-time leading scorer in the game.

The sensation from Houston, Tex., set over 200 Division II, Lone Star Conference and school records and averaged seven yards per carry over his four year career.

In 1990, the trophy went to another North Dakota State quarterback who would also lead his Bison squad to a national championship the following day.

Chris Simdorn, a senior from Minneapolis, Minn., outdistanced Edinboro receiver Ernest Priester and Mississippi College running back Fred McAfee for the award while taking NDSU to its second national crown in three years.

Simdorn became the first quarterback in Division II history to rush for 3,000 career yards and was just the third in NCAA history to do it on any level. He was also the only NDSU player to rush for more than 1,000 yards in two seasons and led the Bison to a 32-3 record as a starting quarterback, including national championships in 1988 and 1990.

In 1991, it was Pittsburg State University receiver Ronnie West who walked away with the sixth Hill Trophy and led his team to the Division II title as well.

West caught 50 passes for 1,044 yards and 12 TDs in 1991 and was also among the nation's best kick returners.

# Division II Championship

## NCAA Division II Football Championship
## (Braly Municipal Stadium)
## December 12, 1992

For the seventh consecutive year, the Shoals area will host the NCAA Division II National Championship Football Game at Braly Municipal Stadium in Florence, with the University of North Alabama serving as the host institution.

It is the longest period that the game has remained at one site since its inception in 1973.

Last year a crowd of almost 12,000 watched as Pittsburg State won its first Division II national championship, defeating Jacksonville State for the title.

An additional audience watched on ESPN as the game was carried on nationwide television by the sports network.

The championship game moved to the Shoals in 1986 after five years in McAllen, Tex., where it was known as the Palm Bowl.

With the move to the Shoals, the game was renamed simply the NCAA Division II National Championship Game, emphasizing that the game is more than a bowl game — it is a national championship contest.

The NCAA has had 19 Division II football championships, beginning with the Camelia Bowl in Sacramento, Ca., in 1973. Since then, the game has been played in six locations under five different names.

Previous national championships include Louisiana Tech in 1973, Central Michigan in 1974, Northern Michigan in 1975, Montana State in 1976, Lehigh in 1977, Eastern Illinois in 1978, Delaware in 1979, California Polytechnic at San Luis Obispo in 1980, Southwest Texas State in 1981 and 1982, North Dakota State in 1983, Troy State in 1984 and North Dakota State again in 1985 and 1986, Troy State in 1987, North Dakota State in 1988, Mississippi College in 1989, North Dakota State in 1990 and Pittsburg State in 1991.
