LION ATHLETIC TRADITION

HEAD COACH TONY PUJOL

Tony Pujol enters his fifth season as men's basketball head coach at North Alabama. The former assistant coach at the University of Wyoming was hired at UNA on April 2, 2018, and has more than 16 years of collegiate coaching experience.

Pujol has led North Alabama through its transition to NCAA Division I basketball. Since making the move, which included membership in the ASUN Conference at the start of the 2018-19 season, UNA has improved its record each year. The Lions posted a 10-22 record during their first Division I season, earning a No. 6 seed in the ASUN Tournament with a 7-9 league record after being picked to finish last in the preseason coaches' poll. Pujol followed with a three-win improvement in the second year and a No. 5 seed in the conference tourney. Mervin James was also named to the ASUN All-Freshman Team.

In the 2020-21 campaign, North Alabama secured its first winning record at the Division I level, posting a 13-10 mark that included a postseason run. After earning a No. 5 seed, UNA won consecutive ASUN tournament games, knocking off North Florida 68-60 and FGCU 96-81 to earn a spot in the championship against top-seeded Liberty. The Lions held a late lead before falling 79-75.

Payton Youngblood and James earned all-tournament honors. Youngblood later added ASUN All-Academic and CoSIDA Academic All-District honors to his resume while James was a second team all-conference pick. Detalian Brown was also named to the league's All-Freshman Team.

UNA had several standout performances during its inaugural Division I season, including Jamari Blackmon being named the ASUN Freshman of the Year and Christian Agnew also being named to the league's All-Freshman team.

Under Pujol, UNA secured the program's first-ever Division I victory with a 72-59 home win over Blue Mountain on Nov. 10. On Jan. 8, FGCU became the first Division I opponent to fall. The 61-56 home victory also represented the Lions' first-ever win in ASUN play.

Pujol also served as an assistant basketball coach at Appalachian State, Virginia Commonwealth and Alabama before taking a position at Wyoming in 2016. He became just the seventh head coach in the 88-year history of the UNA's men's basketball program.

Pujol helped lead Wyoming to a 20-13 record in 2017-18. In 2016-17, he helped lead the Cowboys to the CBI Championship. The Cowboys finished the season 23-15 overall with a 19-3 home record. Pujol helped mentor Mountain West Sixth Man Justin James, as he also was named the Most Valuable Player of the CBI. Junior Forward Hayden Dalton also received honorable-mention All-Mountain West honors. The Cowboys set a school and MW record with 369 three-pointers last season.

HEAD COACH TONY PUJOL

Pujol coached at Alabama for five seasons from 2010-2014 under head coach Anthony Grant. Pujol helped the Crimson Tide compile a 99-71 record during his time on the staff, including three-straight 20-win seasons for the first time since 1990-92. Alabama earned two NIT bids and one NCAA bid and finished runner-up in the NIT in 2011. That 2010-11 Crimson Tide team featured one of the toughest defenses in the nation, as Alabama surrendered only 59.4 points per game, the eighth-lowest average in the nation. Alabama's tenacious defense helped it go 19-0 at home during that season.

On the recruiting trail, he helped the Tide land a 2011 recruiting class that Rivals.com ranked as the fifth best in the nation with four prospects ranked in the top 100 nationally. After the 2013-14 season, Pujol stepped away from collegiate coaching to dedicated more time to his family and coached in the AAU ranks in New Jersey.

Previously, Pujol served under Grant at VCU from 2006-09 with Edwards. The staff guided the Rams to a 76-25 record in those 3 seasons, including 45-9 in the Colonial Athletic Association. VCU won three conference regular-season titles and two tournament titles in that span to play in the NCAA tournament twice and NIT once. Eric Maynor and Larry Sanders, would go on to be selected in the NBA draft.

Pujol joined Grant's staff after two seasons at Appalachian State from 2004-06, where he helped the Mountaineers win the Southern Conference North Division in

LEO III

UNA once again boasts the only live Lion mascot in the country living on campus.

On July 22, 1974, former UNA president Dr. Robert M. Guillot brought a 35-pound lion cub to the campus and Leo spent the next 14 years “roaring” the school to victory. The original Leo died on Jan. 20, 1988, and a great outpouring of support from the Shoals community resulted in Leo II being brought to UNA in July of 1988.

Leo II lived in the compound that once housed the original Leo and grew to a weight of more than 600 pounds at eleven years of age. In 1997, Leo II was selected as the nation’s “Second Best Mascot” by Sports Illustrated. He died in February of 2000.

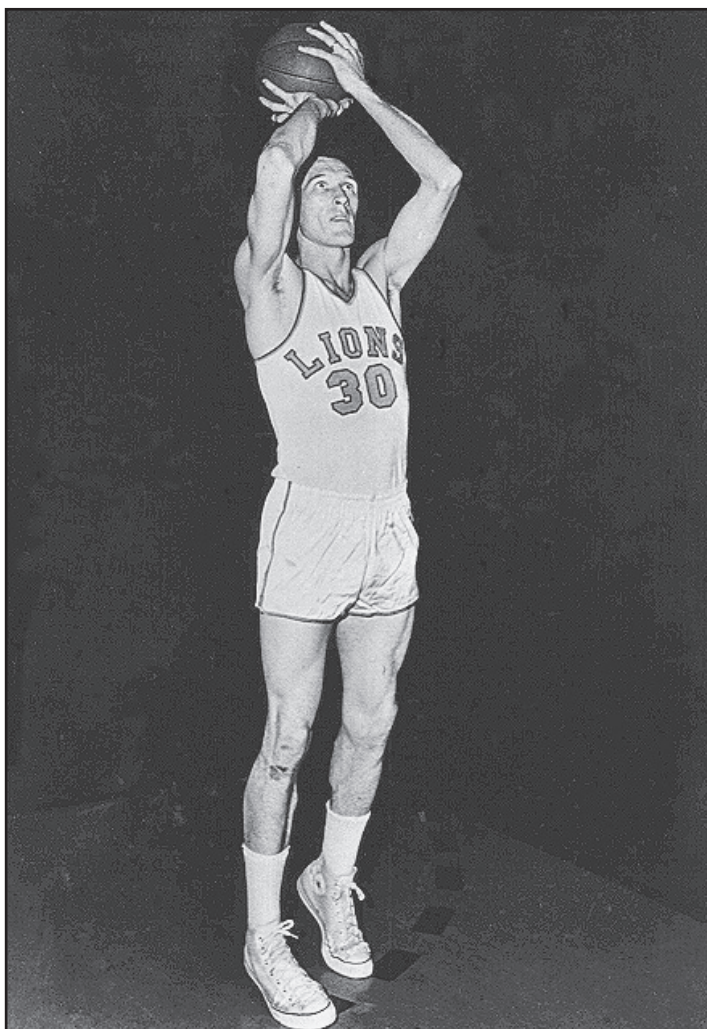

Leo III and Una, born on November 18, 2002, and resided on the campus in the 12,764 square-foot George H. Carroll Lion Habitat. Una passed away in June of 2020 after a brief illness.

Approaching his 10th birthday, Leo III is exhibited seven days a week from approximately 8 a.m. until 5 p.m. (weather conditions permitting), unless they are appearing in local venues.

All funds associated with the care and feeding of Leo III, the operation of his habitat, and the conduct of a related educational program are funded exclusively by charitable contributions.

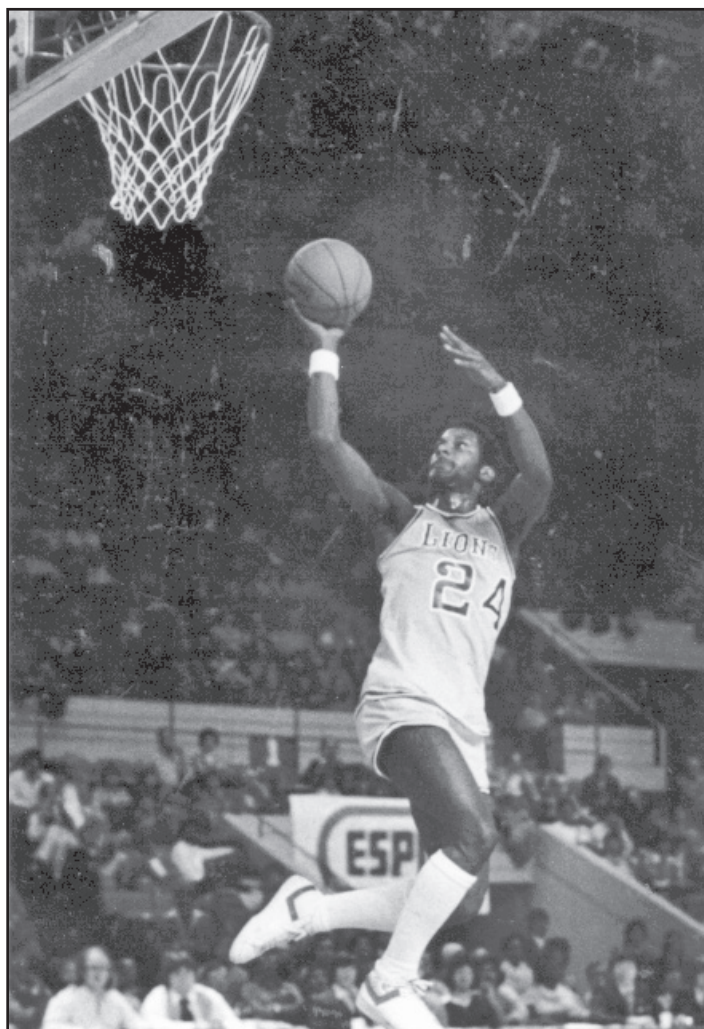

LION ALL-AMERICANS

**ALL-AMERICAN
DOYLE "DABBS" EARNEST
1961-62**

UNA's first All-American, Dabbs scored a career total 1,840 points for a 17.6 point per game average. He ranks second on UNA's career scoring list and still holds the highest single-season point total in UNA history with 625 points in 1962. He is the only UNA player to ever score over 600 points in a season. Dabbs was the scoring leader in 1960, 1961 and 1962, averaging 17.5, 18.1 and 24 points respectively. He led the Lions to the NAIA National Tournament in Kansas City, Mo., in 1960 and 1962, but they lost opening round games to Hamline and St. Cloud State. He holds the UNA single-game record for most field goals made (20), single-season marks for highest scoring average (24.03), most rebounds (363), most field goal attempts (497), most field goals made (243), most free throws attempted (202) and most free throws made (150), and career marks for most free throws attempted (625), most free throws made (496) and most times to score in double figures (91). He scored 46 points against Troy State in 1962 to rank second for most points in a single game. He scored 30 or more points in a game eight times during his career. Earnest was also among the four initial inductees into the UNA Athletic Hall of Fame, along with Hal Self, Eddie Flowers and Harlon Hill. Dabbs was a native of Winfield, Alabama.

**ALL-AMERICAN
OTIS BODDIE
1979-80**

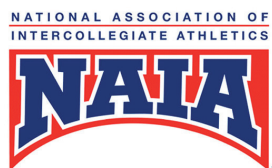

Otis Boddie is one of the most outstanding players ever to play on the NCAA Division II level. During his four years at UNA, the Lions made three trips to the NCAA Final Four and claimed the national championship in 1979. The team's record during Boddie's four years at UNA was an impressive 84-35. Boddie is UNA's all-time leading scorer with 1,963 career points and an average of 16.8 points per game. He led UNA in scoring four straight years with single-season totals of 485, 382, 597 and 499. He was Gulf South Conference Player of the Year in 1980 and was an all-conference pick in 1978, 1979 and 1980. He holds four GSC records, including marks for free throws attempted in a game (23) and free throws made in a game (19). Otis scored a career high 38 points against Nicholls State in the 1979 NCAA quarterfinals. Although injured during the 1980 NCAA tournament, Boddie came off the bench to score 31 points in the Lions' come-from-behind win over Central Missouri State in the NCAA South Central Regional. Boddie scored 30 or more points in a single game eight times in his career. He made the Final Four All-Tournament Team in 1977 and was an Associated Press Honorable Mention All-America choice in 1979 before taking first-team honors in 1980. He was inducted into the UNA Athletic Hall of Fame in October of 1992.

UNIVERSITY OF NORTH ALABAMA

The University of North Alabama, established in 1830 as LaGrange College, became, in 1872, the first state-supported teachers college south of the Ohio River and one of the first co-ed colleges in the nation. UNA has developed into a regional university providing quality educational opportunities for students from the three-state region of Alabama, Mississippi and Tennessee.

North Alabama's academic role has expanded through the years. Bachelor's degrees are offered in majors in the colleges of arts and sciences, business, education and nursing and allied health. Pre-Professional preparation for medicine, dentistry, optometry, podiatry, pharmacy, law, agriculture and forestry, engineering, veterinary medicine, medical technology and other allied health professions is offered. Various master's degrees are offered in the arts and sciences, education and business fields.

North Alabama was the first major university to offer a four-year degree program in commercial music. Majors have interned in record industry offices in Nashville, New York, Los Angeles, London, Stockholm, and nearby Muscle Shoals. That program has since been expanded with the development of the UNA Entertainment Industry Center and the addition of an entertainment industry management major. UNA is one of 11 schools nationwide offering an undergraduate degree in industrial hygiene. Foreign language, nursing, business, and science students also have opportunities to study abroad.

Numerous faculty and staff members hold positions of distinction in various national, regional and state professional organizations. Many have written books and/or published articles in newspaper, magazines and professional journals. The Journal of Legal Economics is published at UNA.

Various centers have been established at North Alabama to serve its constituency. Operated by faculty and staff, they give undergraduate and graduate students opportunities for research and public services.

These centers include the Occupational and Environmental Health Laboratory. Its scientific research has attracted national and international attention in the health field. The Geographic Research Center, in cooperation with the National Geographic Society, has increased the profile of geography in the state and has opened doors for students to have hands-on participation

in mapping and demographics research for various governmental agencies. Science faculty and students teach and study marine biology-related courses at Dauphin Island Sealab near Mobile, Alabama.

North Alabama also houses the Northwest Alabama Education Research and Inservice Center, which provides inservice training for elementary and secondary educators in a six-county region. UNA has the only state university-operated kindergarten and grammar school, which affords education students a professional development laboratory experience in teaching.

Serving a nine-County region, the Small Business Development Center provides information, counseling and assistance to small businesses or to people planning to start small businesses. The Rare and Endangered Species Research Center personnel are conducting research on several endangered species in the region. The Wellness Research and Service Center studies and develops wellness, exercise, nutrition, stress management, health education counseling and environmental support programs.

The University of North Alabama works closely with various southern universities and many local, state and federal agencies on a myriad of projects and activities.

Supporting the faculty are the extensive resources of the Collier Library system, which is also a federal records depository.

It is computerized and linked into various library loan research networks. Collier Library also houses several collections, including the television and film scripts and other works of actors Dr. George Lindsey and Dr. Ernest Borgnine.

UNA has developed a national following in recent years with the development of the George Lindsey/UNA Television and Film Festival, which attracts several industry luminaries to campus.

UNA students excel in academics, student activities and athletics. Often they are recognized nationally for their achievements in specific areas. In recent years, football and basketball teams have won national championships.

UNA is accredited by the Southern Association of Colleges and Schools. The colleges of business, education and nursing are nationally accredited, while several departments in the College of Arts and Sciences are nationally accredited.

The University of North Alabama's alumni are equally successful. Among them are a Pulitzer Prize winner for literature and one for editorial cartooning, two Alabama governors, a Texas governor, numerous members of the U.S. Congress, thousands of educators, national business and industry CEOs and internationally-renowned sculptor, a National Geographic photographer and special assistant to the President of the United States.

UNIVERSITY PRESIDENT AND BOARD

President Dr. Kenneth D. Kitts

Dr. Ken Kitts became president of the University of North Alabama on March 30, 2015. As chief executive officer of UNA, he is responsible for all operations and activities on a beautiful and historic campus that serves more than 8,000 students. Dr. Kitts interacts routinely with community leaders and represents the university at a variety of regional, state and national events.

Prior to joining UNA, Dr. Kitts worked at both Francis Marion University in South Carolina (1987-2011) and at the University of North Carolina at Pembroke (2011-2015).

At native of Waynesville, N.C., Dr. Kitts holds a Bachelor of Arts and Master of Arts degrees from Appalachian State University, and a Ph.D. in political science from the University of South Carolina. He also holds a post-graduate certificate from Harvard University's Institute of Educational Management. Dr. Kitts' academic interest include the American presidency and national security policy.

He is the author of an award-winning book on presidential commissions as well as numerous articles, book chapters and commentaries.

Dr. Kitts and his wife, Dena, are the proud

parents of two boys, Colin and Corbin. The family lives in the President's Home on the UNA campus and are next door neighbors to Leo and Una, the two African lions that serve as the university's mascots.

FLOWERS HALL

Over the last 51 seasons, the University of North Alabama basketball program has reached heights that seemed impossible in the early years of the program.

Winning the NCAA Division II National championships in 1979 and 1991 and reaching the Final Four on three other occasions, Lion basketball teams have made an impact on a regional and national level.

One key factor in that success has been Flowers Hall, a modern facility opened in 1972 that has been the

scene of 509 UNA wins and only 171 defeats over five decades.

That 74.6 winning percentage at home helped bring the UNA program from the middle of the pack in Division II to an annual role as a contender for league honors and the NCAA tournament. It then carried over to the Division I level.

The basketball banner that hangs above the court gives testimony to the success that has come to the UNA program. The Lions were able to add their most recent notation after

the 2013-14 season by winning the Gulf South Conference tournament and advancing to the NCAA South Regional.

The first basketball game in Flowers Hall was on Oct. 5, 1972, when the Boston Celtics and the Atlanta Hawks battled in an exhibition game before a crowd that overflowed the 4,000-seat capacity of the new facility.

UNA's initial game against St. Bernard College ended in defeat on Nov. 18, but few opposing teams since have left Flowers Hall triumphant. In 1977 UNA posted a perfect 16-0 record at home and the 1984 Lions went 19-1 in Flowers Hall en route to a third place national finish.

On six occasions UNA has been chosen as the host for NCAA regional and quarterfinal tournaments in men's basketball and the Lions have responded with a perfect 9-0 home court mark in NCAA play. Flowers Hall has also hosted the Alabama/Mississippi High School All-Star Basketball Game on odd numbered years since 1991.

In 1985 the original synthetic floor was relaced with a new synthetic floor. Also, in that same year a new four-sided scoreboard was added to enhance the Lion's home court. In 1989 new theater seating was installed on the home side for season-ticket holders.

In 1994 a new maple wood floor was installed into the "Big Yellow Ice Box." In 2004 that floor was replaced, as were the scoreboards and scorers tables that had been used in Flowers Hall for years. This year will feature the new three-point line that was moved back for men's play. The most noticable renovation came in the summer of 2004 when a new maple wood floor was installed, along with

FLOWERS HALL RECORDS

new scoreboards. More recently, the flooring was altered in the summer of 2008 to adjust the three-point lines to meet new NCAA rules. The men's line was pushed back, but the women shot from the same three-point arc. In 2009, new additions to the scoreboards allowed fans to keep track of individual points, assists, steals and blocks.

The flooring was sanded and repainted in 2013, adding the new UNA athletic logo at center court. The old three-point line used for women's games (prior to 2011) and high school games was also removed.

The transition into NCAA Division I and the ASUN Conference prior to the 2018-19 season saw Flowers Hall get a complete \$2.2 million makeover. The wood flooring was completely replaced. All seating was also removed. Wooden bleachers were replaced with plastic purple seating on the North, South and West upstairs areas. All lower-area seating was replaced with purple chairbacks. New video scoring tables were added, along with a pair of 18'x10' video boards as the arena was updated to host future ESPN broadcasts. Upstairs seating on the East side was also removed to make room for the Steve and Sheila Pierce Hospitality Suite, which features a 2,400 sq. ft. common area that overlooks the court and two rows of box seats for donors, special guests and VIPs.
