Nike Supports UNC Athletics

The University of North Carolina at Chapel Hill and Nike Inc. signed an additional 10-year contract for Nike to be the exclusive supplier of athletic footwear, apparel, and accessory products to the Tar Heels effective July 1, 2018. Nike provides the athletic department with shoes, uniforms, coaching gear, balls and other equipment. In addition to the apparel and equipment, which constitutes the majority of the value of the contract, Nike gives the University \$2 million for the Chancellor's Academic Enhancement Fund. Nike also provides support for team tours, travel and the hosting of regular-season tournaments in several sports. The athletic department also received \$1 million for signing the contract, with those funds having been used to overhaul lighting and sound at the Dean E. Smith Center.
