After tremendous success in the Atlantic 10 Conference, Charlotte's readjustment back into Conference USA has been both challenging and rewarding. The 49ers enter their third season in C-USA and the squads have increased their level of competition, going against talented and deep squads such as UTEP, Rice, Middle Tennessee, and Western Kentucky. The men and women both finished 6th at the indoor conference championships. The women were 4th in outdoor while the men finished 8th at the 2015 championships.

The Niners return a trio of All-Americans in seniors **Anthony Campbell, Trey McRae, and K'Vonte Scott** to anchor the men's fleet. Campbell garnered second team honors at the NCAA Championships in the triple jump with a 15th-place finish. McRae earned second team status in both the long and high jump placing 10th and 12th. Scott took second team honors after finishing 11th in the decathlon.

On the distance events, indoor school record holder (600m, 1,000m, and 4x800m relay) **Michael Tamayo** returns for his final season (outdoor), after a stellar cross country campaign where he and teammate, **Daniel Beamer**, each earned All-Conference USA Third Team honors with their performances at the C-USA Championships in late October.

The 49ers expect big things in the jumping events from redshirt junior **Jaylon Holt**, a transfer from South Alabama who sat out last year. In his few Charlotte meets thus far, Holt has already recorded three Top-10 performances in jumping events.

The men's team sports a roster of 49 athletes, with 18 newcomers, including **James Myers**, who transfers in

from Mars Hill after earning USTFCCCA All-Region honors in the 100m last season.

The women will look to veterans **Lauren Gulley, Alvonna Blakney, and Marissa Pinckney** among others to lead the squad. Gulley will only have indoor eligibility remaining, but is coming off a third place finish in the high jump at the outdoor C-USA Championships, and ranks second in 49ers history in the event. Blakney claimed the C-USA title in the 100m hurdles during the 2015 outdoor season, and advanced to the NCAA East Preliminaries in the event for the second straight year. Pinckney, a junior specializing in sprints, competes in multiple events, but has become a staple in the women's 4x400m relay.

Victoria Merriweather will be relied on in the throwing events after competing in the NCAA East Preliminaries in the hammer throw last spring. She finished third in the event at the C-USA Outdoor Championships, and also placed third in the weight throw at the 2015 C-USA Championships last season. Merriweather has already broken the school record this season in the weight throw. Senior **Taylor Carcella** has delivered stellar performances in the distance events during her four years. Carcella broke the school record in the 1,000m earlier this season.

The women's roster supports 43 athletes, with 17 newcomers.

Senior K'Vonte Scott

Junior Marissa Pinckney

2015-16 SCHEDULE

The Charlotte men's and women's track and field programs face challenging schedules for the 2015-16 indoor and outdoor seasons.

"I'm excited about this year's schedule," Director of Track and Field and Cross Country Robert Olesen said. "It features meets that provide opportunities for everyone on the roster. There are competitions that will see us traveling seventy or more men and women, as well as ones that will focus on smaller groups of our more elite performers. I feel that the schedule is well suited to enable us to develop the student-athletes for the best possible conference results and to advance our best to regional and national levels."

The 49ers will begin competition with two small meets before the Virginia Tech Invitational. Charlotte has generally been very successful in Blacksburg at the Rector Field House.

Next, Charlotte will travel north for conference foe Marshall's Thundering Herd Open in the brand new indoor athletic facility in Huntington, W.Va. on Jan. 29-30. The 49ers will spend the first weekends of February southbound, competing in the Buccaneer Invitational (hosted by East Tennessee State University) in Johnson City, Tenn., on Feb. 5-6, and then the Samford Invitational in Birmingham, Ala. The Niners will return to Winston-Salem once more in the season, participating in the UCS Invitational (JDL) on Feb. 20, before returning to Birmingham for the Conference USA Championships on Feb. 24-25, and the NCAA Championships on March 11-12.

Two home meets highlight the outdoor slate for the squads, who begin the outdoor campaign with the 49er Classic on March 17-19, and will also host the Charlotte Invitational on April 15-16. Both events will be held at the Irwin Belk Track located on campus.

"Our home competitions will be similar to seasons past, with the large 49er Classic- featuring as many as 40 schools and 1500 athletes. On the other end of the spectrum we will have the Charlotte Invitational, with eight teams and a more focused conference prep approach," Olesen said.

After the 49er classic, Charlotte travels to Raleigh, N.C., for the Raleigh Relays (hosted by NC State) on March 25-26, and then will split the squad once again, traveling west for the Texas Relays in Austin, south for the Florida Relays in Gainesville, and north to the Colonial Relays (hosted by William & Mary) in Williamsburg, Va.

The Niners face a shorter trip the following weekend, heading to Greenville, N.C., for the East Carolina Invitational on April 8-9, before returning home for the Charlotte Invitational. The squads will stay in state again the following weekend, traveling to Durham for the Duke Invitational on April 22-23. A final weekend of double meet action approaches on the last weekend of April, with the Penn Relays in Philadelphia and the Appalachian State Invitational in Boone, N.C.

The 49ers will gear up for the Conference USA Outdoor Championships, held at first time hosts Middle Tennessee in Murfreesboro on May 12-15. The team will next prepare for the NCAA Championships, competing in the NCAA East Preliminaries in Jacksonville, Fla., on May 26-28, and then the NCAA Championships in Eugene, Ore.

"It's always nice to see some new places and our program will see meets for the first time ever at Middle Tennessee for the C-USA Outdoor Championship and Appalachian State's outdoor venue for their invitational," Olesen stated. "We are also revisiting some locations where no one currently on the roster would have represented us, with the Buccaneer Classic at East Tennessee and the Texas Relays at the University of Texas."

Gibby enters his second season at the helm of the men's and women's cross country program and assistant track and field coach. Gibby came to the Queen City after spending four seasons as the head men's cross country coach and men's track and field assistant coach at the University of Michigan. In his first season as the 49ers' seventh head coach, Gibby sent 15 runners to the NCAA Southeast Regional in Louisville, Ky.

Running in the competitive Big Ten Conference, the Wolverines had great success under Gibby's direction. He helped lead the men's cross country program to a pair of Big Ten Conference runner-up finishes in 2012 and 2013 as well as the 2013 NCAA Great Lakes Region team title. He was named the 2013 Great Lakes Region Coach of the Year. The Wolverines also qualified for the NCAA Cross Country Championships as a team for three straight seasons, finishing in the top 25 on all three occasions. Individually, he led ten runners to All-Big Ten accolades, including two first-team performers. Under his direction, Mason Ferlic became Michigan's first All-American in cross country since 2004.

In addition to cross country, Gibby also coached distance runners on the track. In his four seasons with the Wolverines, he helped guide 14 student-athletes to the NCAA East Preliminary Rounds, two to the NCAA Indoor Championships and five to NCAA Outdoor Championship appearances. In addition to Ferlic's achievement in cross country, a number of other Michigan runners set school records on the track, including Dan Lowry in the indoor 5000 meters (13:42.48) and Craig Forys, who set the Big Ten meet record in the 3000m steeplechase (8:28.90). Forys was the runner-up at the 2012 NCAA Outdoor Championships in the 3,000m steeplechase and Mason Ferlic placed fourth in the 3,000m steeplechase at the 2014 NCAA Outdoor Championships.

Along with the success on the track, Michigan was strong in the classroom. Twenty-one cross country student-athletes earned Academic All-Big Ten honors and one runner was named to the Capital One Academic All-District V first-team.

Prior to his arrival in Ann Arbor, Gibby spent seven years (2003-10) as the head coach of the William and Mary men's cross country and track and field programs. In his time with the Tribe, he was honored as the Southeast Region Coach of the Year three times (2005, '08 & '09) and led his team to the regional title all three seasons. Overall, he has guided a team to nationals ten of the last eleven years. The Tribe finished fifth at the 2009 NCAA Cross Country National Championships and eighth in 2006, while averaging 20th in the country over a four-year period.

Before his time at William & Mary, Gibby spent three years at Stephen F. Austin University in Texas where he helped guide the men's and women's cross country and track programs to four team titles along with 18 individual conference championships. Gibby earned his start in coaching as an assistant coach at William and Mary from 1997-99, guiding W&M to three straight top-13 NCAA finishes in cross country. Gibby earned his undergraduate degree from William and Mary in 1997. He ran track and cross country for the Tribe and earned four All-CAA honors, including a conference championship in the 5,000 meters. He was also a member of two NCAA-qualifying cross country squads in 1994 and 1995.

CONFERENCE USA

Formed: April 24, 1995

(Charter members: Charlotte, Cincinnati, DePaul, Houston, Louisville, Marquette, Memphis, Saint Louis, Southern Miss, Tulane, UAB, USF)

Commissioner: Judy MacLeod
Location: Irving, Texas

Conference USA enters its third decade in 2015-16 as it continues to compete and promote the success of its student-athletes. The league has adapted to the ever-changing landscape of collegiate athletics over its first 20 seasons, but the commitment to excellence, integrity, leadership and its student athletes in competition, academics and community is unwavering.

Debuting in 1995, Conference USA teams have combined for 88 bowl appearances in football, 102 NCAA Tournament appearances in basketball, including three Final Fours, 63 NCAA baseball appearances including six College World Series berths, 79 NCAA soccer tournament appearances including four trips to the College Cup, and 35 individual national champions in track and field and cross country.

Success is not limited to athletic achievement, however, as 198 C-USA student-athletes have garnered Academic All-America honors, 691 have achieved academic all-district laurels and thousands of student-athletes have earned a college degree.

C-USA annually awards postgraduate scholarships, along with the Sport Academic Awards, Scholar-Athletes of the Year and the Institutional Academic Excellence Award. Additionally, Conference USA presents a Spirit of Service Award three times each year, recognizing student-athletes who excel on the field, in the classroom and give back to the community through significant service efforts and participation.

DR. PHILIP DUBOIS

Chancellor

11th Year (2005-06 to Present)

A native of Oakland, Calif., Philip L. Dubois attended the University of California, Davis, where he graduated in 1972 with highest honors with an undergraduate degree in political science, including election to Phi Beta Kappa. He then earned master's (1974) and doctoral (1978) degrees in the field from the University of Wisconsin-Madison.

Dubois began his academic career in 1976 at the University of California, Davis. Over the next 15 years, he rose through the faculty and administrative ranks to full professor and held various administrative posts, including associate vice chancellor for academic affairs.

In 1991, Dubois was recruited to UNC Charlotte, where he spent the next six and a half years as provost and vice chancellor for academic affairs.

Under his leadership, UNC Charlotte opened its first classroom facility in Uptown Charlotte and launched its first doctoral programs.

In 1997, Dubois was named president of the University of Wyoming. In that role, he led the development and implementation of comprehensive academic, support services, and capital construction plans for Wyoming's only university. Private contributions to the institution more than

quadrupled during his tenure.

He was honored in 2004 by the Council for Advancement and Support of Education (CASE) with its District VI Chief Executive Leadership Award.

On March 18, 2005, Dubois was named UNC Charlotte's fourth chancellor, and he assumed that role on July 15. As the University's leader, Dubois has focused his efforts on building UNC Charlotte's visibility and support in the greater Charlotte region; has led long-range planning to accommodate expected enrollment of 35,000 students; has championed a number of key capital construction projects, including completion of EPIC

and UNC Charlotte Center City, located in the heart of the Queen City; has improved the efficiency and effectiveness of critical business processes; and has implemented an intercollegiate football program starting fall 2013.

Dr. Dubois and his wife, Lisa Lewis Dubois, have three adult children: Logan, Taylor, and Ali. They are the first family to occupy the chancellor's official campus residence, Bissell House.

JUDY ROSE

Director of Athletics
25th Year (1991-Present)

Charlotte 49ers Director of Athletics Judy Rose is one of the most successful and well-respected Athletics Directors in the nation.

At the time of her appointment in 1990, she was just the third female to be put in charge of a Division I program. In 1999-2000, she became the first female to serve on the NCAA Division I Men's Basketball Committee. She served a five-year term (2000-2004) on that committee. She also completed a term as 2003-04 President of the National Association of College Directors of Athletics (NACDA) and was one of less than 70 university presidents and athletics administrators invited to NCAA President Mark Emmert's Summer 2011 Retreat.

Chief among her accomplishments with the university is the systematic growth of the 49ers program. That growth culminated with the unveiling of the football program.

With the 49ers, she has overseen the 49ers moves from the Sun Belt Conference to the Metro Conference to Conference USA onto the Atlantic 10 and back to C-USA in 2013-14. She has overseen the 49ers growth into a program that is fully-funded at the NCAA level for athletic scholarships. She has helped develop nearly \$100 million worth of athletic facilities which have enhanced playing venues, academic services, strength and conditioning programs, training and medical support to improve the experience of each and every student-athlete.

She has been instrumental in attracting national sporting events to Charlotte such as the 1994 Men's Basketball Final Four, the 1996 Women's Basketball Final Four, the 1999 and 2000 Men's Soccer College Cups as well as a variety of NCAA Men's Basketball tournament rounds.

The 49ers have enjoyed similar success in competition and the classroom. Since Rose became A.D., 14 of the school's 16 athletic programs have either won a league title or been represented in NCAA play, or both. Prior to her stint as A.D., only two programs touted such success. Meanwhile, the athletic department now boasts a cumulative GPA of over 3.0 -- and has for seven straight years.

Along the way, Rose has reaped her share of awards, for professional success, contributions to the community and leadership. In June 2013 she earned the Business Journal's Lifetime Achievement Award at the Annual Women in Business Luncheon.
