### POSTGAME QUOTES

UNC GREENSBORO COACH MICHAEL COLL

*Opening Statement...*

"I'm proud of our team. We've won a lot of games this year, and we actually gave it a good go tonight. We scored a goal, disappointed we didn't score more than one, but best of luck to South Carolina in the next round. I wish them good luck in the next round of the NCAAs."

*On how they gained momentum going into the second half and the adjustments South Carolina made...*

"I'm not exactly sure if their adjustments were very clear to me. We didn't change much. The team that ended the first half started the second half. We had a few players that have never started, and we believed that they could make a second goal for us. It didn't go that way for us, but that's alright."

*On what this senior class has meant to his program...*

"They're just a wonderful group of student-athletes. They are elite on the field, in the classroom and in the community. They will be sorely missed, but they have really helped the younger players behind them grow."

UNC GREENSBORO DEFENDER EMILY JENSEN

*On her feelings for the season overall...*

"It's been a great season. We played well. It's a tough loss, but good job on South Carolina. They played well and were the better team in this game."

*On their improvement as a team...*

"It's very good. Cienna Rideout came on fire this year, and that was very helpful. As well as the freshmen coming in, and to be able to score goals is very important to us. It's all making it easier for us to score."

UNC GREENSBORO MIDFIELDER HEIDA RAGNEY VIDARSDOTTIR

*On her feelings for the season overall...*

"We gave it our all, and we've had a season to be proud of. That's all we can ask for."

*On their improvement as a team...*

“We’ve just come together a lot of these past 12 months. It’s all just meshing well, and it’s working for us.”
