PRESIDENT Andrew Armacost

Andrew Armacost was chosen by the State Board of Higher Education to serve as the University of North Dakota's 13th president on Dec. 3, 2019. He succeeds Mark Kennedy and Dr. Joshua Wynne, vice president for health affairs and dean of the School of Medicine & Health Sciences at UND, who has served as interim president since Kennedy's departure.

Armacost officially began his tenure as UND President on June 1, 2020.

Armacost recently completed his service as the Dean of the Faculty at the U.S. Air Force Academy. With more than 30 years on active duty and 20 years at the Academy, Armacost served in the rank of Brigadier General as the chief academic officer for this nationally ranked institution. He had direct responsibility for a faculty of 550, an academic program with 31 majors, and a student body of 4,300. He has been a champion of shared governance, academic freedom, inclusion, student growth, and applied learning and research. The Academy's sponsored research program of more than \$50 million annually made it the nation's top-funded research program among undergraduate schools.

Prior to that role, Armacost served as the head of the Academy's AACSB-accredited business management program, leading 40 faculty members and the Academy's largest academic major. As a faculty member, he attained the academic rank of Professor, while sustaining a particular focus on developing and delivering applied learning opportunities for his students. His additional service to the Air Force has included assignments as the Chief Analyst at Air Force Space Command and as a program manager for systems supporting the intelligence community and the White House.

He has been widely recognized for his disciplinary expertise, academic leadership, and commitment to interdisciplinary learning. His lifetime of work, as both scholar and leader, earned him recent recognition as a Fellow of the Institution for Operations Research and the Management Sciences and lifetime achievement awards from both the Air Force and the Military Operations Research Society. In addition, he has received numerous teaching, research, and curriculum design awards at the institutional, national, and international levels.

Armacost has been an active member of state and local non-profit boards, including an inaugural member of the Colorado Innovation Network, and a founding advisor to the QUAD Initiative, a collaboration between local colleges to craft innovative solutions for community organizations in Colorado Springs, Colo. He has been similarly active in support of academic bodies, including service on the Board of Directors of the Military Operations Research Society and key editorial roles for professional journals.

As a former student-athlete and campus leader at Northwestern University, Armacost is a strong proponent of providing curricular and extra-curricular opportunities that promote growth and development in all students and the opportunity to leverage education for a better society. His degrees include a Bachelor of Science in Industrial Engineering from Northwestern, and a Master of Science and Ph.D. in Operations Research from the Massachusetts Institute of Technology.

Kathy and Dr. Armacost are the proud parents of Ava, a 2018 graduate of Northwestern University (Cognitive Science), and Audrey, a 2020 graduate of the University of Oklahoma (Drama). A graduate of Old Dominion University with a B.A. in Speech Communications, Kathy has been a great partner in building a sense of community, wherever they have lived, to include the Air Force Academy in the City of Colorado Springs. Her volunteer service has included work on the board of directors for the Pikes Peak Performance Company and significant committee work in strategic planning for local school districts. She brings that same strong sense of service and selflessness to UND and the City of Grand Forks.

ATHI ETICS DIRECTOR

Bill Chaves was named director of athletics at the University of North Dakota on Jan. 13, 2018 and officially began his tenure at the helm of UND Athletics on March 1, 2018. A two-time recipient of national Athletic Director of the Year honors, Chaves came to Grand Forks after having spent the previous decade as director of athletics at Eastern Washington University.

Chaves was honored in 2015-16 for the second time by the National Association of Collegiate Directors of Athletics (NACDA) as one of 28 winners of the Under Armour AD of the Year Award (ADOY). One of four athletic directors in the NCAA Football Championship Subdivision to be honored, Chaves had also previously won the honor in 2012-13.

Highlighted by the installation of the first-ever red synthetic surface in America, the tenure of Chaves at EWU was punctuated by progress and innovation – but with a definite eye toward the future. He played an integral role in advancing an overall athletics facility vision for the department. His accomplishments also included several key revenue generation initiatives which played a major part in growing EWU's athletic department with an eye toward keeping pace with other NCAA Division I programs.

In 2015, Chaves was appointed to the NCAA Division I Council representing the Big Sky, and served for three years. During his time on the council, he also served on the competition oversight committee and on the women's basketball oversight committee.

Recently, Chaves was the only Division I athletic director to serve on the 2-year NCAA Governance Working Group as requested by the NCAA's Board of Directors. He also has served on a national working group that studied transfers.

In addition, Chaves served four years (2008-12) on the NCAA Administration Cabinet and in his last year served as chair. He also spent 2013-14 on the NCAA Committee on Sportsmanship and Ethical Conduct.

Chaves came to Eastern after three years as an associate athletic director for external affairs at Baylor University. He has vast experience in marketing and development at several schools, including two years at Northern Colorado (1999-2001), which became a member of the Big Sky in the 2006-07 school year.

The high point of Eastern's existence in NCAA Division I and the Big Sky Conference came under the direction of Chaves. Eastern's football program won its final 11 games of the 2010 season and captured the NCAA Division I Championship. It was Eastern's fourth national team title, but its first as a member of NCAA Division I. The football program also advanced to the semifinals in 2012, 2013 and 2016.

He provided the initial idea and was a driving force in having Eastern's football field at Roos Field (formerly Woodward Field) re-surfaced in red. The project was completed in September 2010 and the Eagles were 8-0 on the red Sprinturf surface at "The Inferno" en route to the national title.

Besides the turf project, his tenure in Cheney, Wash., included several key fund-raising initiatives to help the athletic department grow and keep pace with other NCAA Division I programs. Most recently, as part of a \$1.1 million project, EWU installed a new videoboard/scoreboard at Roos Field and a new videoboard at Reese Court. In addition, a seating project at Reese Court provided new seating options and upgrades for fans for the 2012-13 school year and beyond.

Eastern also completed a \$1.5 million locker-room project that enhanced all of Eastern's 14 athletic programs. His guidance also helped provide a new throws area for the track and field program, as well as improvements to the strength and conditioning center and a dedicated student-athlete academic facility.

Eastern's success on the field and in the classroom was also impressive. EWU's sports teams have had collective grade point averages in excess of 3.3 and have had a greater than 3.0 GPA since the Fall Quarter of 2007.

In the 2009-10 school year, Eastern won its first Big Sky Presidents' Cup Award. The winner of this award is determined by overall athletic success combined with team grade point averages, graduation rates, and all-conference performers with grade point averages of at least 3.0. The Eagles jumped to the top of the Presidents' Cup standings with a first-place finish in academics, compiling the highest overall grade point average in the league at 3.244.

Eastern added its second and third President's Cup trophies in 2014-15 and 2015-16 while finishing second in 2016-17 to North Dakota.

EWU's football program had seven playoff berths in an 11-year span (2007-17) under Chaves. The women's basketball program won the Big Sky regular-season title in the 2009-10 school year, and appeared in three NIT Tournaments (2010-2013-2015) — winning it's first-ever national postseason game in 2015.

Under Chaves' leadership, the men's basketball team made their second all-time appearance in the NCAA tournament in 2015 by virtue of winning the Big Sky Tournament in Missoula, Mont. In 2016, the men's program won its first-ever postseason game as a member of NCAA Division I with a victory over Pepperdine in the College Basketball Invitational.

His first year at the helm at EWU began with the football team finishing 9-4 and advancing to the quarterfinals of the 2007 NCAA FCSPlayoffs. Also in 2007-08, Eastern won the Big Sky title in men's tennis – Eastern's first-ever championship in that sport.

In his second year at the helm, Eastern's volleyball program won the Big Sky regular season title and host status for the 2009 league tournament.

Chaves has also served on the Big Sky Championship and Competition Committee since 2008, including as chair from 2010-12. Since 2010 he has also served on the league's Eligibility Committee.

Besides three years at Baylor, Chaves was also at the University of Massachusetts-Amherst as an assistant athletic director (2002-04) and at Northeastern University as director of external affairs for the athletic department (2001-02).

Chaves was also sports information director from 1990-95 at Quinnipiac University in Hamden, Conn. Chaves received his bachelor's degree in sports administration from Saint Thomas University in Miami Gardens, Fla., in 1988. He received the first of two master's degrees from Oklahoma State in 1991 in health, physical education and leisure. He earned a second master's degree in sport management in 1999 from Massachusetts.

Chaves was born June 2, 1966. He and his wife, Liz, have a daughter, Erin, and two sons, Derek and Kevin.

The University of North Dakota boasts a proud history of varsity athletics nicknames. UND's first official nickname was the "Flickertails," although its origin remains somewhat a mystery. The nickname made its first public appearance in a *Grand Forks Herald* account of UND's football loss to Minnesota on Oct. 8, 1904, 15 years after UND's first athletics contest was played. According to Lee Bohnet's *A Century of UND Sports*, "the author was not identified, but there is strong evidence the nickname was coined by a Minneapolis sportswriter who may have covered the game for the Herald. The writer lauded the fighting spirit of the North Dakota players."

In 1911, UND's student body officially adopted "Flickertails" as its nickname. UND would remain known as the "Flickertails" (as well, unofficially, as the "Nodaks") for a third of a century, establishing an early athletics history.

In the fall of 1930, the university adopted the nickname "Sioux" for its varsity teams following a successful renaming campaign by the *Dakota Student*, UND's student newspaper. The word "Fighting" was later added and UND would be known as the "Fighting Sioux" until the summer of 2012.

The university utilized several "Fighting Sioux" logos throughout the decades, perhaps most notably the green geometric logo introduced in 1976 and the most recent full-color logo was unveiled in 1999. The former was designed by an artist at the UND News Bureau with input from American Indian students, while the latter was created by noted Native American artist and UND alum Bennett Brien.

The University of North Dakota officially retired its longtime "Fighting Sioux" nickname and logo prior to the 2012-13 athletics season. Following the retirement of the Fighting Sioux nickname, UND's varsity athletics teams operated without an official nickname for three seasons.

On Nov. 18, 2015, UND began a new chapter in its athletics history when President Robert Kelley announced that 'Fighting Hawks' would be the University's new athletics nickname effective immediately.

With a new nickname selected, Kelley also announced that the University would begin the process of developing, selecting and implementing a visual identity to accompany the name. In June 2016, Interim President Edward T. Schafer introduced the new Fighting Hawks primary mark (top right) at a ceremony at the UND Athletics High Performance Center.

Please refer to our programs as: North Dakota, UND, Fighting Hawks, Hawks or NoDak.

Following the University's first athletic competition in 1889, UND's earliest teams were known unofficially as the "Nodaks" (pictured above is the 1896 football team). The "Flickertails" nickname made its first appearance in a 1904 Grand Forks Herald article and was officially adopted in 1911.

UND adopted its current Fighting Hawks mark in June 2016. The primary logo features a stoic hawk head icon emphasized by a resolute hawk eye to personify the persistence, hard work and determination of UND student-athletes. The icon rests within an "ND" ligature to place UND Athletics at the heart of North Dakota.

The University of North Dakota adopted the interlocking ND as its official logo during the summer of 2012 following the retirement of the Fighting Sioux nickname and logo. The interlocking ND servied as UND Athletics' primary logo until June 2016.

The geometric Fighting Sioux logo was introduced in 1976 and remained in use through the 1999-2000 season.

The current University of North Dakota logo has been in use since the close of Centennial year activities in 1984. It serves as the official logo of the University, but typically is not used for athletics purposes.

ALL-TIME ACADEMIC ALL-AMERICANS

A longtime hallmark of North Dakota Athletics has been academic excellence.

Since making the transition to Division I competition in 2008-09, UND's studentathletes have earned 30 Academic All-America honors, 14 NCAA Postgraduate Scholarships, and five prestigious NCAA academic awards.

UND established its academic reputation with 64 Academic All-Americans at the Division II level, fourth-most all-time among DII schools.

Outfielder and kinesiology major Taylor Nadler became UND's most recent CoSIDA Academic All-American when she earned first-team honors as a senior in 2018.

PAUL SATHER Head Coach

Season: 4th
Alma Mater: Northern State (1996)

University of North Dakota Director of Athletics Bill Chaves announced the hiring of Paul Sather on May 30, 2019 to fill the head men's basketball post. Sather comes to UND following a very successful stint at Northern State (Aberdeen, S.D.) where he was back-to-back conference coach of the year, leading the Wolves to the NCAA Division II championship game two seasons ago. He will be entering his fourth season at the helm for the Fighting Hawks in the 2022-23 season.

Armed with a collegiate coaching résumé that includes 23 years— including 20 at South Dakota schools— Sather has built a pair of national-contending basketball teams at his two head coaching stops. Prior to that, he was a six-year assistant at NSU, his alma mater, under legendary head coach Don Meyer before later embarking on a 15-year head coaching course that features a 297-169 (.637) record.

In the 2021-22 season, Sather helped the Fighting Hawks work through an ever-changing schedule and closed the season with a record of 6-25 overall and 2-16 in Summit League play. North Dakota battled its way back from deficits in most games and of the 25 losses, 12 of them came by 10 points or less.

Sather also coached Summit League Freshman of the Year Paul Bruns, who played a key role for the Fighting Hawks in 2021-22, leading all freshmen in the Summit League with 14.8 points per game. Bruns finished the year with honorable mention All-Summit League accolades and broke the freshman scoring record at UND with 460 points.

In a year that featured a global pandemic and new challenges across all of collegiate athletics in 2020-21, Sather navigated a tough non-conference schedule and a new-look league schedule to help guide the Fighting Hawks to their highest finish in the Summit League since joining the league in 2018-19. The 8-8 mark helped UND finish in fifth place before falling to eventual Sweet 16 participant Oral Roberts in the Summit League Tournament.

Flip Rebraca etched his name in program history by earning a spot on the All-Summit League Second Team following finishing seventh in the league in scoring at 17.3 ppg and fourth in rebounding at 8.2 rpg in league play while becoming the 39th player to score 1,000 points in his career at UND. Off the floor, Rebraca was named to the Summit League All-Academic Team and a CoSIDA Academic All-District Team selection.

Sather led a Fighting Hawks team to new heights in his first year behind the bench in 2019-20, becoming only the third coach in Summit League history to reach the tournament title game in their first year as head coach. Along the way, UND picked up a win over Big Ten foe Nebraska, the first since 1933, started 2-0 in league play for the first time since 2005, and knocked off North Dakota State in the final home game of the year.

Marlon Stewart became the 38th 1,000-point scorer in program history that season, also reaching the top-10 in the program record books for single season assists and points per game to earn the first All-Summit League First Team distinction in UND history. Filip Rebraca also broke the UND Division I single-season record for double-doubles in a season to be named to the All-Summit League Honorable Mention Team while De'Sean Allen-Eikens broke the program's scoring record by a freshman.

Off the court, the Fighting Hawks topped all of Division I in community service hours by a men's basketball program as well as set new highs in GPA marks.

In his final year at Northern State, the Wolves were the Northern Sun Intercollegiate Athletic Conference Tournament champions, finishing the league schedule with an 18-4 record, part of a 30-6 league mark in the past two seasons. Sather's team led the NSIC in scoring defense, scoring margin, 3-point field goal percentage defense, and assists. In addition, NSU sat sixth nationally in 3-point field goal percentage.

A year prior, an early 18-game winning streak propelled the Wolves to a program-record 36 wins and all the way within a missed buzzer-beater of an NCAA Division II championship. He was named both the NSIC and NABC Central Region Coach of the year. His team was again among the elite in the country in a myriad of statistical categories, finishing in the top 20 in scoring defense (66.1) and rebounding margin (+7.8), in the top 10 in scoring margin (+14.1) and in the top five schools in field goal percentage (51.2).

Sather launched his head coaching career at Black Hills State (Spearfish, S.D.) in 2005. In five years there, Sather was instrumental in turning the BHSU program around from a 10-19 season in 2006-07 to an NAIA Final Four contender in 2008-09. The Yellow Jackets also qualified for the national tournament in 2009-10 and compiled an overall conference record of 46-25 in the five years under Sather, including winning two Dakota Athletic Conference championships.

As an assistant at Northern State, his teams recorded three league titles, a pair of NCAA Tournament bids with 10-league players, two of whom would also be named All-America. He then spent a year as an assistant at the University of Colorado.

After earning his bachelor's degree in secondary education in 1996 from Northern State, he served as physical education teacher and assistant boys' basketball coach at Sidney High School in Nebraska from 1996-1997. The following year he was a graduate assistant at Wayne State College while he earned his master's degree in sports administration.

Originally from Princeton, Minn., Sather had a stellar career collegiate career as a Wolf from 1990-1994. He was team captain for NSU when it earned back-to-back NAIA national runner-up finishes in 1993 and 1994.

Sather's family includes his wife, Kelsie, and their two children, Sam and Becca.

Jamie Stevens was named an assistant coach for UND on July 2, 2019. This will be his fourth season on the staff at North Dakota.

In 2017, Green Bay accepted an invite to the 2017 College Basketball Invitational while finishing third in the Horizon League with a 12-6 record.

Herbst played a key role in recruiting during his first two seasons at Green Bay, signing JUCO transfers Charles Cooper and Jamar Hurdle. Cooper earned Horizon League All-Tournament team accolades in Detroit in 2017 and was a key part of the Phoenix's success after finishing second on the team in scoring with 13.6 points per game. Herbst also coached the 2017 Horizon League Sixth Man of the Year in Warren Jones and First-Team Horizon League selections Sandy Cohen and JayQuan McCloud.

The four years prior, Herbst served as the top assistant coach at Omaha. In 2013-14, the Maverick men made their first Division I postseason appearance after being invited to play in the College Insider.com Tournament (CIT), where they advanced to the second round.

He guided the Marauders to a 38-19 record as their head coach, including a record of 23-6 in 2010-11. During that time, the University of Mary won 16 consecutive conference games to go 18-4 and finish second in the NSIC standings. In 2010-11, the Marauders qualified for the NCAA Division II Central Regional Tournament for the first time and Herbst was named the North Dakota College Coach of the Year. He was also a finalist for the NCAA Division II Coach of the Year that season. Herbst's two most notable recruits at the University of Mary were eventual All-American Anthony Moody and First-Team All-NSIC player Eric Erdmann.

From 2007-09, Herbst served as an assistant coach and recruiting coordinator at Omaha. In his first season with the Mavericks, Herbst helped lead Omaha to a school-record 25 wins, the NCC Tournament title and a second-round appearance in the NCAA Division II Tournament. While at Omaha, he recruited and signed two-time First-Team All-Summit League and Defensive Player of the Year Tra-Deon Hollins and J.T. Gibson, who was Mr. Basketball in Minnesota in 2015.

Before his first stint at Omaha, Herbst spent the 2006-07 season as an assistant coach and recruiting coordinator at Florida Southern.

Herbst graduated from Winona State in 1993, with his first head coaching experience coming at Waldorf Junior College from 1998-2000. While at Waldorf, Herbst's team won 19 games in 1998-99, the second most in program history. Waldorf was ranked No. 1 in the country in team defense in both the 1998-99 and 1999-2000 seasons.

Before Waldorf, Coach Herbst coached at Lincoln Memorial University during the 1997-98 season, helping to lead LMU to a 19-8 record, good for the second-highest single-season win total in school history at the time.

Herbst's collegiate coaching career started at North Iowa Area Community College from 1993-97. NIACC recorded three winning seasons, two 20+ win campaigns and won the 1995 NJCAA Division II National Championship.

In 2016, Herbst was inducted into the Waldorf University Hall of Fame for his incredible contributions as both a student-athlete on the baseball and basketball teams and later as the head men's basketball coach. Herbst was a two-time All-Region XI selection and two-time NJCAA Academic All-American in basketball and baseball, the assistant coach of NIACC's 1994-95 NJCAA national championship team and the head coach of the Waldorf men's basketball team that ranked second in school history for wins in a season and first in the nation in team defense.

He was also a two-time team captain and two-time all-region honorable mention pick. He went on to play two seasons at Winona State, helping the Warriors in back-to-back winning seasons in 1991-92 and in 1992-93. HISTORY

Since its inception in 1982, The Summit League has recorded several transcendent moments that resonate on the national stage. While known as the Mid-Continent Conference, the league's first two decades produced a pair of appearances in the NCAA Men's Basketball Tournament's "Sweet 16" and the Women's College World Series as well as three individual NCAA Track and Field Champions.

Since rebranding as The Summit League, those transcendent moments have continued to increase. In March of 2022, the No. 10 seed South Dakota women's basketball team advanced to the program's first "Sweet 16", marking the second women's team from the league to achieve that feat in the NCAA Tournament. The South Dakota State women's basketball team also put together an impressive postseason run, capturing the 2022 WNIT title by winning six consecutive home games.

In March of 2021, the Oral Roberts men's basketball team captured the nation's attention by becoming just the second No. 15 seed in NCAA Tournament history to reach the "Sweet 16". Led by the nation's leading scorer, Max Abmas, the Golden Eagles knocked off No. 2 seed Ohio State and No. 7 seed Florida before coming up just two points shy from being the first league team to make the Elite 8, falling to No. 3 seed Arkansas.

Also in March of 2021, The Summit League women's basketball produced a pair of NCAA Women's Tournament qualifiers for the second time in three seasons as South Dakota won its second straight tournament title and South Dakota State earned an at-large bid.

During the pandemic-shortened 2019-20 academic year, a pair of Summit League athletes etched their names in the NCAA record books. South Dakota's Chris Nilsen, a three-time NCAA National Champion pole vaulter, set the NCAA indoor mark with a clearance of 19-05.5". On the links, Denver freshman Anna Zanusso joined four other female golfers in equaling an NCAA record with a single-round score of 61 (-11) during round two of the Westbrook Invitational, an event she would go on to win.

The South Dakota women's basketball team became just the third Summit League squad to go undefeated in league play and win the tournament title as the Coyotes finished with the league's highest-national ranking ever, finishing at No. 11 in the final USA Today Coaches' Poll. The Coyotes, who finished 17th in the Associated Press poll with a 30-2 overall record, were led by senior Ciara Duffy who became the league's first player to be named the ESPNW Mid-Major Player of the Year and Becky Hammon Mid-Major Player of the Year.

In the spring of 2019, South Dakota State became the first women's basketball member to advance to the NCAA Tournament's "Sweet 16" while Nilsen claimed his third national championship and the league's 15th overall at the NCAA Indoor Track and Field Championship.

In the fall of 2016, Denver became the first Summit League team to reach an NCAA Final Four when its men's soccer team advanced to the College Cup semifinal round. The season prior, South Dakota won The Summit League's first national postseason team tournament title by claiming the 2016 WNIT crown in women's basketball.

Oral Roberts gave The Summit League its initial NCAA Baseball regional crown and Super Regional appearance in 2006 and three years later, North Dakota State became the league's first softball team to achieve the same feat.

The 2008-09 season also saw South Dakota State's women's basketball team carry a national ranking throughout a majority of the year and cap its season with an NCAA Tournament first-round victory. In the spring of 2014, North Dakota State gained the national spotlight with a victory over Oklahoma in the NCAA Men's Basketball Tournament Round of 64. A year later, the Bison softball team finished in the Top 25, one of six league teams to achieve a national ranking in their respective sport that year.

Throughout its history, The Summit League has produced 15 individual NCAA Championships, five Olympic medalists and dozens of All-Americans in the sports of track and field and swimming

and diving. Several professional athletes and draft choices have come directly from The Summit League, including three Major League Baseball first-round picks, a pair of NBA first-round choices, and two WNBA selections. In addition, Summit Leaguers compete in the MLS and on the PGA and LPGA Tours. Former Summit Leaguer Kevin Duckworth was a two-time NBA All-Star during his professional career.

The Summit League announced the formation of its Hall of Fame during its 35th anniversary season in 2016-17. The inaugural class celebrated eight decorated individuals who combined for 17 league Player or Coach of the Year awards, eight All-America honors, an Olympic Gold medal, and a World Series title. The latest class, inducted in 2020, included former IUPUI student-athletes George Hill (Men's Basketball) and Chen NI (Women's Swimming and Diving), former North Dakota State golfer Amy Olson, former Oral Roberts track and field standout Jack Whitt and Oakland Coach Pete Hovland (Swimming and Diving).

SUMMIT LEAGUE METRO AREAS

The Summit League has schools in five of the 60 largest U.S. metro areas, based on population totals from the United States Census Bureau (2020).

DID YOU KNOW...

> The Summit League produced 19 All-America honors during 2021-22 season, while seven more student-athletes claimed CoSIDA Academic All-America honors. Those dozen Academic All-Americans were one shy of a league single-year record.

> In 2020, South Dakota's Ciara Duffy became the first Summit League player to be named the ESPNW Mid-Major Player of the Year and Becky Hammon Mid-Major Player of the Year. Duffy led the Coyotes to the league's highest national ranking ever as USD finished at No. 11 in the final USA Today Coaches' poll.

> North Dakota State's Payton Otterdahl became only the second man in NCAA history to sweep national titles when he won the 2019 NCAA Indoor Track & Field shot put and weight throw titles. His efforts helped the Bison tie for ninth on the men's side, which equals the best team finish by a league team at the national meet. In total, the Summit League sent a league-record 12 student-athletes to compete at the 2019 NCAA Indoor Track & Field Championship.

> South Dakota's Chris Nilsen (pictured left) became the first freshman in league history to win a national championship when he claimed the 2017 NCAA Indoor Track & Field pole vault title. He collected his second national pole vault title at the outdoor championship in 2018 and repeated as the outdoor champion in 2019. He is the only Summit League student-athlete with three NCAA individual championships and went on to win the silver medal at the 2020 Tokyo Olympics.

> In the fall of 2018, two Summit League volleyball teams advanced to the NCAA Tournament during the same season for the first time in league history and, in 2019, two Summit League women's basketball teams advanced to the NCAA Tournament for the first time since 1994.

> In 2016, Denver men's soccer became the first league team to reach an NCAA Final Four in any sport and achieved the highest national ranking at that time (No. 3) of any men's sport in Summit League history, The 2019 Pios' would earn the league's first No. 1 national ranking in any sport.
