MEDIA INFORMATION

The 2024-25 University of North Florida basketball media almanac is designed to aid members of the media covering Osprey basketball. As for the media, we appreciate your coverage, and if there is anything we can do to assist, please contact the North Florida Athletic Communications Office

North Florida Strategic Communications Office

The North Florida Athletic Communications Office is located on the first floor of UNF Arena in Room 1062. Entering the arena through the front entrance, the office can be accessed by walking past the main offices and through a pair of double doors. The strategic communications office is located on the left through the second double door.

Credential Requests

The North Florida Athletics Communications Office will issue credentials to WORKING press only. All passes will be left at the Will Call table in the back northwest lobby of UNF Arena.

Visiting Radio

All visiting radio crews MUST request credentials through their school's sports information director. The visiting radio line numbers are available from ACD staff. If a crew is in need of more than one phone line, please make arrangements through the North Florida Athletic Strategic Communications Office well in advance so necessary arrangements can be made.

Photographers

Only photographers shooting for accredited media outlets or for North Florida Athletic Communications will be allowed to shoot home events from courtside. Photographers are allowed to shoot from behind the baskets and along the baselines ONLY. No photographers are permitted along the team bench sideline, in the team areas or in front of the courtside press row tables. Flash photography is allowed only from the upper level of UNF Arena

Post-Game Interviews

Following a 10-minute "cooling off" period, a post-game press conference featuring North Florida's coaches and players will take place in the UNF Arena Classroom, room 1053. The North Florida Athletics Communications staff will poll the media prior to the end of the game to determine the players who will be at the press conference. Pregame interviews are NOT allowed. Separate zoom interviews postgame can be arranged upon request.

Interviews

Most practices are open to the media and public. There may be instances, however, when all or part of a practice session is closed. Please contact the Athletics Communications Office in advance if you plan on attending a practice session so an escort can be made available. Daily practices typically run from 3:30-5:30 p.m. at UNF Arena, but practice times are subject to change. Contact the Athletic Communications office for practice times and to set up any interviews with North Florida players or coaches via ZOOM.

Parking

Limited parking for the media is located in the parking lot directly behind UNF Arena. Access to the lot is gained by turning beside UNF Arena on the south end access road (past the drainage area). Please contact North Florida Athletics Communications to request inclusion on the gameday parking pass list

Gameday Notes

The North Florida Athletics Communications Office will produce a release, and "game notes" with pertinent information pertaining to the Ospreys' next opponent as well as a thorough outline of the North Florida by the end of the day prior to the playing of each game.

Head Coach Matthew Driscoll on Jasai

"Jasai Miles is one of those young players that has every single tool in the toolbox. It is truly mind-blowing to see what he does with the resources he is provided. Jasai's length and height automatically make him disruptive on the defensive end, as he integrates his offensive skillset to create an ability to play multiple positions. Jasai really understands the mentality that work brings profit, coupled with an incredible smile and an ability to encourage those around him." -- Head Coach Matthew Driscoll

Head Coach Matthew Driscoll on Nate

"Nate Lliteras has all the essentials necessary to make an immediate impact on our culture. He comes from a winning environment and has prepared his body properly, bringing in size and strength. Nate comes to us as a 40 percent-plus shooter from three-point range in conference games, making him ideal for everything UNF men's basketball represents. His ability to engage, encourage and elevate his teammates is another quality that is vastly overlooked. Once you spend time with him one on one those qualities become more and more evident. Nate's passion to become the best version of himself within the framework of our system will be exciting to watch." --

Head Coach Matthew Driscoll on Mason

"Mason Lee fits our UNF men's basketball program in every area and we truly feel that he is a 'plug and play' type of addition to our team. He is an amazing human with a servant's heart and it doesn't hurt that he has a 6'7" frame with one of the purest strokes we have ever recruited. His skill set allows him to stretch the floor and score inside, while his handles allow him to facilitate exactly like many other great Ospreys have had in the past. He is extremely competitive and he leads at such a young age, making him the teammate everyone looks to surround themselves with."

"Jaylen Smith is very dynamic and he will excite people from day one with his personality, smile and explosive athleticism. His unique ability to play at and above the rim, while having a left-handed dagger stroke from three-point range, gives him the perfect balance. There's no doubt that his skill set accentuates our offensive scheme. Jaylen humbly goes about his daily life and he is always looking to be the difference, yet steps between the lines with an edge that comes naturally."

Why UNF?

"I chose UNF because the staff treated me like family since the first day I met them. I've had a chance to build a relationship with each staff member and they all had one common goal. Coach Driscoll's transparency is another reason I chose UNF. My relationship with him is a key reason I chose to be a part of the Osprey family."

"One of the first qualities that stood out about Josh Harris was his simplified approach to the game, unique for someone with such a high level of skill and size. Josh always makes his teams better by keeping the ball hot, sharing it and scoring it from three or at the rim. What's also unique is that he rarely looks hurried. Josh has the same approach to things off the floor, while having a passion to serve and be a daily difference in someone's life."

He really has a high level of competitiveness, which really drew us to him not only on the floor, but in his quest for his academic experience as well. Kamrin has a direct understanding between work and opportunity knowing that combination influences success. He grew up fast as a youngster, which we feel aligns well with our serving and leading culture."

"Arden [Begaj] has a way bigger servant's heart than his height of 7'0". Arden grew from 6'1" as an eighth grader to his present stature and has a mature disposition about how he carries himself on a daily basis on the floor and at a high level in the classroom. He checks every single box when it comes to the qualities that he possess, including amazing touch around the rim and from deep, ball handling with passing acuity and tremendous timing to block shots with both hands. Arden's international play with two different national teams will bode well for him from a competitive physicality perspective."

"Alex [Vargo] has a multitude of talents and skills that are all overshadowed by his approach to life, more importantly his willingness to serve others. Alex has had many ebbs and flows throughout his journey, however, one factor that has stayed consistent is his work ethic and confidence. He has displayed throughout his freshmen year in NCAA Division I, plus this past season in JUCO rings loudly, the ability to score from everywhere on the floor. He had 47 points in his final game, which was his third contest with 40+ points on the season along with 30+ points six other times. PRIOR TO UNF

In 2009, Yahoo! Sports called Driscoll's hiring at UNF a "Home Run." In May of 2008, Driscoll was voted as one of the top-10 assistant coaches in the nation in a national survey of coaching professionals conducted and published by FoxSports.com.

Driscoll came to UNF after spending six seasons as the top assistant at Baylor University. Along with BU head coach Scott Drew, Driscoll helped transform the Bears into Big XII contenders, leading them to the 2008-09 NIT finals and the 2007-08 NCAA Tournament.

The NCAA Tournament appearance in 2007-08 was Baylor's first since 1988. Baylor came up one game shy of making a second-straight appearance in the NCAA Tournament after falling in the final to Missouri at the 2009 Big XII Tournament. The Bears captured a win over top-seeded Kansas in that tournament before getting an invitation to the NIT. Baylor rode its hot streak all the way to the NIT finals at Madison Square Garden in New York City. The dream run included wins against Georgetown, Virginia Tech, Auburn and San Diego State, before falling to Penn State in the championship game.

Driscoll spent seven weeks on Drew's staff at Valparaiso before making the move to Baylor. Prior to his brief stop at Valparaiso, Driscoll served as an assistant at Clemson from 1998 to 2003 under Larry Shyatt, current University of Wyoming head coach and former University of Florida assistant. He also worked as an assistant during Shyatt's first tenure at Wyoming for the 1997-98 season. Driscoll helped guide both Clemson and Wyoming to berths in the NIT, before assisting with the rebuild of the Baylor program.

While at Clemson, Driscoll helped the Tigers to the 1999 NIT championship game. During the 1998-1999 campaign, the Tigers won 20 games, including four in the NIT, before losing to California by one point in the championship on the final possession. Driscoll also played a part in Clemson's three victories over North Carolina during a five-year period, including an upset over the top-ranked Tar Heels.

At Wyoming, the Cowboys recorded a 19-9 mark and earned a berth in the NIT. Wyoming won two games against top 10 teams that year, including an upset of national finalist Utah.

His basketball coaching experience began in 1988 when he served as the head coach of his high school alma mater at Pittsburgh's Northgate High School. He served in that role from 1988-90 before stops at Butler (Pa.) County Community College (1990-91) and Seneca Valley High School (1991-93), where he served as an assistant coach at both schools. From 1993-97 Driscoll served as the head coach at LaRoche College in

BOBBY KENNEN
ASSOCIATE HEAD COACH, 16TH SEASON
PALM BEACH ATLANTIC, 1993

Bobby Kennen is a veteran voice on the UNF coaching bench owning over two decades of collegiate coaching experience including nearly 20 years at the Division I level and more than a decade and a half in the ASUN.

Kennen was elevated to Associate Head Coach for the Ospreys in August of 2012, after joining the staff as the first hire for head coach Matthew Driscoll in 2009. He is involved in every aspect of the UNF program and is the team's recruiting coordinator. He has responsibilities for on-court coaching, video breakdown, opponent scouting, team academic progress, skill development and compliance.

Prior to the start of the 2010-11 season. Kennen was rated No. 2 on a list of ASUN assistant coaches as selected by the league's head coaches.

He has plenty of familiarity with the ASUN Conference after serving as an assistant coach at both Jacksonville and former league member, Campbell.

Kennen served on Hugh Durham's coaching staff at Jacksonville for five years before making the move to Campbell as the squad's top assistant for four years. While he was with the Camels, he helped turn around a team that won only two games during the 2004-05 season to one that finished 11-9 in conference play in 2008-09 and won 14 games overall for the second year in a row.

During his time at Campbell, the Camels set or tied 33 school records, including the most points in an Atlantic Sun Conference game in school history and the largest margin of victory on the road. In 2006-07, Campbell posted the program's highest season wins total (14) since the 1995-96 club finished 17-11. The Camels also set a school single-year record with 12 victories at Carter Gym. CU fans responded by filling the 54-year-old facility to 95 percent of its capacity, including 10 sellouts over the last two seasons.

Kennen's career has also included assistant coaching stops at Wichita State (1999-2000) and Central Florida Community College (1998-99). He served as an assistant coach and head coach in the high school ranks after playing collegiately at Palm Beach Atlantic where he earned bachelor degrees in biology and physical education in 1993. He then went on to earn his master's degree in educational leadership from Florida in 1998.

Kennen has also earned the respect of fellow coaches around the country. In 2002, he was appointed to the National Association of Basketball Coaches (NABC) Assistant Coaches Committee, which serves all assistant coaches with their needs and concerns related to the profession.

At Jacksonville, Kennen was involved in all facets of the Dolphin program. In addition to working with the JU guards, he coordinated opponent scouting, monitored the team's academic progress and planned all team travel. Kennen also conducted individual player workouts in the off-season and earned a reputation as a tireless recruiter.

In his five years at Jacksonville, Kennen had the opportunity to work under one of the most successful coaches in college basketball history. Upon his retirement in March of 2005, Coach Durham ranked eighth among active Division I coaches with 633 career wins and was the 25th winningest Division I coach in the history of college basketball.

Prior to joining Durham's staff at JU, Kennen spent one season at Wichita State where he was in charge of the development of the perimeter players and served as the Shockers' recruiting coordinator. Kennen's first recruiting class at Wichita State ranked first in the MVC and 62nd nationally in 1999.

Before joining the coaching staff at Wichita State, Kennen spent 1998-99 as an assistant coach at Central Florida Community College after three seasons (1995-98) as head coach at Williston High School in Williston, Fla.

At Williston, he led the Red Devils to three straight Suwannee Conference Championships, earning Coach-of-the-Year honors each season. In 1995-96, Williston won a school-record 18 games en route to the conference title.

Kennen began his coaching career as an assistant varsity and head junior varsity coach at Santaluces High School in Lantana, Fla., where he helped lead the Chiefs to the 1993-94 sub-regional championship.

As a player, Kennen was a four-year starter at guard at Palm Beach Atlantic College from 1989-93, earning PBAC Athlete-of-the-Year honors in 1993, and was a four-time academic all-conference honoree.

The Ocala, Fla., native also served as team captain for three years and finished his career as the school's all-time single-game (20), single-season (294) and career (918) assists leader. Kennen graduated Cum Laude with B.S. degrees in biology and physical education from Palm Beach in 1993, and earned his master's degree in educational leadership from the University of Florida in 1998.
