"Ring 'Em Up" Ross

Will Ross has been a consistent starter this season for head coach Joe Mercadante and currently has the fourth lowest ERA in the ASUN conference. From February 22-April 3, Ross recorded six straight outings of at least five innings of work. He has won five games this season, including three in conference plays. Against the ASUN, Ross has won games against Jacksonville, Queens, and FGCU. The most drastic change from 2024 to 2025 has been his strikeout numbers. Ross punched out nine batters in 19 innings last year. In 44.2 innings this season, the Winter Garden, Fla. native has struckout 36.

On-Base Machine

Nick Monile continues to be one of the toughest hitters in the ASUN to keep off the bases. Since Monile arrived in Jacksonville, he has started all but one

game this season for Joe Mercadante.

The Osprey center fielder has reached base safely in 30 of 32 games played this season, recording a hit in 26 of the contests. While he has only recorded ten RBIs, Monile has been a table setter at the top of the lineup, and he leads the 'Spreys in runs (30). Against West Georgia, Monile tallied five hits and five runs scored over the three game series.

Jabin Brings The BOOM!!!

Jabin Bates played in every game this past weekend against West Georgia. It was the first time since the opening ASUN weekend against Jacksonville that Bates had played in all three games. Last weekend, Bates clubbed two home runs, his first blasts since February 22. Bates has surpassed his HR total from last season (2) and UNF has now slugged 11 home runs in ASUN play.

Conference Cade

Cade Bush has been red hot at the plate since ASUN play began! Bush is hitting .388 in ASUN play. He has hit safely in ten games and has reached in all 12 played thus far. Against Queens, Bush drove in multiple RBIs in each game of the weekend series and cracked his first ASUN home run of the season. He tallied four hits in game two against FGCU and has 19 hits against ASUN opponents.

Terrific Treichel

Bryson Treichel has been an instant impact pitcher for Joe Mercadante. While he did not start the season in the rotation, he soon found himself comfortable in the Saturday starter role. Treichel has struck out 44 batters, good for fifth in the ASUN so far. The righty has struck out at least seven batters in three of his last four starts.

**MEDIA INFORMATION**

The 2025 University of North Florida baseball game notes are designed to aid members of the media covering Osprey baseball. As for the media, we appreciate your coverage, and if there is anything we can do to assist, please contact the North Florida Strategic Communications Office.

NORTH FLORIDA ATHLETIC COMMUNICATIONS

The North Florida Strategic Communications Office is located on the first floor of UNF Arena in Room 1062. Entering the arena through the front entrance, the office can be accessed by going through the double doors past the main office. Walking down that hallway, go through the next set of double doors and go to the left.

CREDENTIAL REQUESTS

The North Florida Athletic Communications Office will issue credentials to **WORKING** press only. All passes will be left at the Will Call at the UNF Softball Press Box.

VISITING RADIO

All visiting radio crews **MUST** request credentials through their school's sports information director. Please make arrangements well in advance so necessary arrangements can be made.

PHOTOGRAPHERS

Only photographers shooting for accredited media outlets or for North Florida Athletic Communications will be allowed to shoot home events from foul territory inside the field of play. No photographers are permitted in the dugout, bullpen or in any area in the way of teams at play.

POST-GAME INTERVIEWS

Following a 10-minute "cooling off" period, a post-match press conference will take place on the field. The North Florida Athletic Communications staff will poll the media prior to the end of the match to determine which players will be made available after the match. The visiting coach and players will be made available outside their locker room. Pre-game interviews are **NOT** allowed.

INTERVIEWS

Most practices are open to the media and public. However, there may be instances when all or parts of practice are closed. Daily practices typically run 2-4:45 p.m. at Harmon Stadium, but practice times are subject to change. Contact the Athletic Communications Office for practice times and to set up any interviews with North Florida players and coaches.

PARKING

Limited parking for the media is located in the parking lot directly behind UNF Arena. Access to the lot is gained by turning beside UNF Arena on the south end access road.

MATCH NOTES

The North Florida Strategic Communications Office produces a release at least one day prior to each game. Game notes include pertinent information about the Ospreys and North Florida's opponent.
