

Men's & Women's Wrestling History

2017-2018

OUA Championships: Men - bronze, Women - bronze

U SPORTS Championships: Men - 4th, Women 7th

In wrestling, mental strength is just as important as physical strength. Gryphons' head coach Doug Cox wanted his athletes to approach their 2017-18 season as if tournaments were a reward for their hard work and not something to fear. Guelph's experienced team, led by decorated stars like Elvir Uzunovic and Gracelynn Doogan, went into the OUA schedule confident and ready to perform. The Gryphons held their spot in the national rankings throughout the year and by the time they hosted the Guelph Open, the performances were ramping up. Uzunovic (61kg), and third-year athletes Alexander Chaves (70kg) and Chelsey Sicard (55kg), each won gold on their home mat. The medals continued to pile up at the OUA Championship in St. Catharines, as Guelph took four silvers, four bronzes and two impressive golds from Doogan (82kg) and two-sport athlete Job Reinhart (100kg). Reinhart, a star linebacker on the Gryphon football team, is still relatively new to wrestling but after defeating Brock's Ignatius Pitt, he was crowned Most Outstanding Wrestler at the OUA Championship. The women's and men's teams each finished third in the overall standings. Guelph was unable to achieve the same level of success at the U SPORTS Wrestling Championship hosted by Algoma University, finishing fourth on the men's side and seventh in the women's standings, though only 10 wrestlers made the trip. Doogan and Chaves took silver medals, while Sicard and Uzunovic, wrestling in his final collegiate match, won in their finales for a pair of well-earned bronze medals.

OUA Championship Result: Women 2nd; Men 3rd

CIS Championship Result: Women 3rd; Men 4th

The Gryphons men's team returned to the podium at the OUA Championships after a one year absence by finishing 3rd in the team standings at the one-day championship event. A total of 8 medals were won by Gryphons on the men's side at the OUA Championships which was hosted by Algoma University of Sault Ste. Marie, ON. Leading the way for U of G was a pair of gold medalists in Oren Furmanov (54kg) and Tyson Frost (120kg).

Two weeks later at the CIS Championships in St. Catharines, Furmanov and Frost would strike gold once again while helping the Gryphons finish 4th in the overall team standings. A total of eight wrestlers from the Gryphons men's team competed at the CIS Championships, with Geordie Watkins narrowly missing out on the podium after being defeated by Memorial's Dennis Sutton in the Men's 100kg bronze medal match.

The women's wrestling team proved to be a threat in the conference and beyond during the 2015-16 season finishing with a team OUA silver and CIS bronze. At OU's the Gryphons were unable to secure an individual title but their second-place team finish was earned on the backs of several strong showings. The team came close to the summit in a few weight classes and in the end, finished with four silvers. Those medals went to Natassya Lu (48kg), Jade Papke (51kg), Alison Carrow (67kg) and Gracelynn Doogan (72kg). The CIS Championships were a huge success as they earned three individual medals powering them to a third place team finish. Third-year Alison Carrow capped off a terrific season, successfully defending her national title in the 67kg weight class and was named a CIS First-Team All-Canadian. Jade Papke (51kg) and Gracelynn Doogan (72kg) rounded out the team's medalists as they took home silvers and were named Second Team All-Canadians.

Championship Result: OUA – Men 3rd; Women 4th; CIS – Men 6th; Women 10th

The Gryphon men's wrestling season was highlighted by the team's third straight bronze medal finish at the OUA Championships. At the OUA's, Lakehead and Brock ended up tied for the team title with 59 points, while the Gryphons trailed by only six points with 53 points. This was the closest Guelph has come to capturing the team title in many years. The Gryphons earned a total of three gold medals. Leading the way on the men's side was fifth-year Kyle Grant (Whitby, ON) who captured gold in the 130kg weight class for the second straight season. Rookie standout Jake Jagas (Kitchener, ON) had an exceptional meet and won the 72kg weight class and was named the OUA male rookie of the year. Meanwhile Kevin Iwasa-Madge (Milton, ON) rounded out the gold medals for the Gryphons, winning the 65kg weight class. All three were named first team OUA all-stars. Other OUA medalists included Scott Wolowich (Sault Ste. Marie, ON) who won silver in the 61kg and Mike Katsilas and Mathieu DesChatelets (Sturgeon Falls, ON) finishing with bronze medals in the 76 and 82kg events. At the CIS Championships, the men's team finished sixth and earned three individual medals. Rookie Jake Jagas continued his impressive rookie campaign winning the 72kg crown and was named the CIS rookie of the year. Other medalists for the Gryphons included Kyle Grant with a silver medal in the 130kg weight class and Kevin Iwasa-Madge with a bronze in the 65kg event. Grant was also named the R.W. Pugh Fair Play Award recipient.

The women's wrestling team finished fourth at the OUA Championships for the second straight season. The Gryphons finished strong considering a number of late season injuries that crippled them and only allowed Guelph to send four wrestlers to the OUA's. Leading the way was third-year Allison Leslie (Fergus, ON) who won a silver medal in the 67kg weight class and was named a second team OUA all-star. Two other Gryphons won medals and qualified for the CIS Championships including Laura Christensen (Toronto, ON) and Hilary Rafla (Guelph, ON) who both finished third in the 55 and 63kg events. At the CIS Championships, the women's team finished tenth.

With the mixture of veterans and freshman in the line-up, the Gryphons were looking to the veterans to lead with experience. Unfortunately, late season injuries kept the Gryphon men from sending some of their strong veteran wrestlers. Leading the way was Jamie Cox who continued his OUA winning streak by capturing his second straight OUA gold medal in the 130 kg weight class. Corey Hewitt captured a bronze in the 76 kg weight class. Brandon Eyer, last year's OUA MVP and gold medallist at 54 kg, wrestled up a weight class in the 57 kg division and brought home bronze. Guelph finished a disappointing 5th in the standings, one point behind Western. The men sent 3 athletes to the CIS Championships. Jamie Cox was the top performer as he dominated his opponent and won the bronze medal bout with a spectacular throw.

The wrestling Gryphons again had another banner year as no less than four Guelph wrestlers took individual titles at the CIAU Championships. Chris Crooks won the 76 kilo event, while Doug Cox, Gavin Carrow and Mitch Mason won the 86, 95 and 95+ kilo classes. As a team, the Gryphons finished only one point behind co-champions McMaster and Concordia. While the streak of five consecutive OUAA titles came to an end, it was another highly successful season as the wrestlers won more weight classes at the national championships than they had previously.

The Gryphon wrestlers captured an unprecedented fifth consecutive OUAA Title and fell just five points shy of taking their third consecutive CIAU Title. Peter Domarchuk and Gavin Carrow both won their weight classes at the Ontario and Canadian Championships and the team turned in a strong performance in each weight class. Chris Crooks placed second in the National Finals while Ken Putt and Mitch Mason each took bronze medals. It goes without saying that it was another very successful year for Coach Londo Iacovelli and the wrestlers as they brought further distinction to the University.

1982-1983

A fourth consecutive OUAA Championship (seventh in ten years) again underlined our claim to be Canada's best wrestling program. Four individual champions anchored the Gryphons season which included impressive showings at the Michigan and Guelph Opens. Even more impressive was the fact that all four winners claimed their initial championships highlighting the depth of our program.

The Gryphons ended their season in style as Chris Crooks, Ken Bradford and Peter Domarchuk captured individual gold metals to lead Guelph to its' third consecutive National title.
