## 2018-2019

**Regular Season Record:** 18-3-3 (1<sup>st</sup> in OUA)

**OUA Playoff Record:** 5-0 (OUA Champions – defeated Toronto 4-2 in McCaw Cup)

**U SPORTS Playoff Record:** 3-0 (U SPORTS Champions – defeated McGill 1-0 in gold medal game in Charlottetown, PEI)

The Gryphons have been the class of the OUA in recent years but the 2018/19 team would make history. Guelph was motivated from the moment the puck dropped on the new season with fifth-year team pillars captain Kaitlin Lowy and goaltender Valerie Lamenta intent on ending their careers as champions. The team was simply dominant during the regular season, leading the OUA in both goals scored (79) and allowed (33) en route to a 18-3-3 record. Lowy would lead the team in goals (13) and points (25) with Lamenta posting a 1.52 goals against average and .952 save percentage. But there was much more to come for Guelph, beginning with two-game sweeps of both the Brock Badgers and the Ryerson Rams in the OUA quarters and semis. That set up a McCaw Cup matchup with the Toronto Varsity Blues at the Gryphon Centre. The hosts trailed 2-1 but scored three unanswered goals in the third period to win the trophy they call "Judy" for the third time in four years. With another OUA banner secured, the Gryphons went to Charlottetown, PEI ready to make a run at a national title. Guelph scored two quick goals and eventually hung on 3-2 to defeat the reigning U SPORTS champion Manitoba Bisons in the quarter-final. The Gryphons struck early and often in the national semi-final to eliminate the Montreal Carabins 5-0. And in the national final against the McGill Martlets, the Gryphons would realize their dream. Lowy score the lone goal of the game and Lamenta pitched her fifth shutout in eight postseason starts to lead Guelph to the first national championship in program history. Claire Merrick, who led all players in the country with seven goals in the playoffs, was named team MVP. Lowy was an OUA First-Team All-Star and Lamenta was named to the First Team, while also taking OUA Goaltender of the Year honours. Rachel Flanagan won the OUA Coach of the Year award for the fifth time in seven years.

# 2017-2018

**Season Record: 18-6-0 (2nd in the OUA)**

**Playoff Record: 2-2 (lost to Western in OUA semi-final)**

It's difficult to stay on top. But for two years, the Gryphons were the best team in the OUA, taking back-to-back McCaw Cups in 2016 and 2017. Those banner winners were different in their makeup and as the 2017-18 season got underway, reigning Coach of the Year Rachel Flanagan and her battle-tested players were searching for the defining characteristics of this season's team. It was balance. The offensively-gifted team could get goals from star captain Kaitlin Lowy, fifth-year veteran Kelly Gribbons and breakout forward Sydney Davison, while blueliners like newcomer Katie Mikkelsen and graduating defenceman Katherine Bailey, in front of OUA goals against average-leading goaltender Valérie Lamenta, kept the puck out at the other end. Guelph's title defence didn't start well as the team surprisingly won just one of its first four games. But the Gryphons showed why they were crowned champions the previous two years by winning 12 of the next 13 games.

They entered the OUA playoffs on a roll, as Lamenta earned shutouts in the last two regular season games. In the opening round, Guelph was sharp, winning two consecutive one-goal playoff contests to knock out Brock. The Gryphons met Western in the OUA semi-final and fell behind on home ice, losing 1-0 in the series opener. Fighting for their playoff lives in game 2, Guelph got two crucial equalizers from Lowy, who tied for the OUA goal-scoring lead during the season with 15. The 2-2 game ultimately went to double overtime, where Western won it on a sneaky shot from the left wing that found the back of the net. The goal brought an end to the most dominant run in OUA women's hockey since Laurier's multiple championships.

# 2016-2017

Season Record: 20-3-1 (1<sup>st</sup> in OUA)

Playoff Record: 5-3 (OUA Champions, consolation semifinalists at nationals)

For the first time in 47 years, the University of Guelph women's hockey team earned the title of back-to-back provincial champions. After finishing atop the OUA standings during the regular season with a record of 20-3-1, the Gryphons defeated the Windsor Lancers and Waterloo Warriors in best-of-three series to earn a spot in the OUA title game. In front of over 1,000 fans at the Gryphon Centre, the Gryphons would win 6-1 over Nipissing to earn their second consecutive McCaw Cup.

Despite losing several key pieces from a season ago, the Gryphons fielded a rather inexperienced team in 2016-17, with a total of 10 rookies on the roster as well as zero players in their fourth or fifth year of eligibility. Leading the way for the Gryphons was a strong core of third year players. Included in that group are goalie Valerie Lamenta and defenceman Katherine Bailey, both of whom were named U SPORTS First Team All-Canadians. Third year forward Kaitlin Lowy finished the regular season 3<sup>rd</sup> in the OUA in goals (16) and points (29). A total of four Gryphons were named OUA All-Stars while first year forward Sydney Davison was named to the OUA All-Rookie Team. Head coach Rachel Flanagan was named OUA Coach of the Year for the fourth time in the past five seasons.

After booking a spot at nationals with their win in the McCaw Cup, the Gryphos would suffer back-to-back shootout losses to Concordia and St. Mary's and were eliminated in the U SPORTS Consolation Semi-finals. Nationals were hosted by Queen's and held at the Strathcona Paper Centre in Napanee, Ontario. It marked the third year in a row that the Gryphons managed to qualify for the women's hockey national championships.

## **2015-2016**

Regular Season Record: 21-2-1 (1st in OUA)

Playoff Record: 6-3 (OUA champions, CIS – 4<sup>th</sup> Place)

It was a magical year for the women's hockey team. The Gryphons posted a 21-2-1 record during the regular season, good for top spot in the OUA standings and 12 points clear of the second place team. Their dominance earned them the No. 1 position in the CIS national rankings from Mid-November on.

In the playoffs, the Gryphons defeated Laurentian in three games of a quarter-final series before taking down Laurier in two games of the semis. In the OUA Final, they defeated the Western Mustangs 5-1 at the Gryphon Centre to secure the school's first OUA title, the McCaw Cup since 1998.

At the CIS Championships in Calgary, the Gryphons arrived as the top ranked team and opened up the tournament with a convincing 3-0 win in a quarter-final matchup over the St. Thomas Tommie's. Guelph then lost a heartbreaking 2-1 semi-final to UBC in a shootout that required eight rounds. In the bronze medal game the Gryphons fell 3-1 to the St. Mary's Huskies.

It was a historic year for the program during the 2015-16 season, and the team's individual accolades were equally impressive. Second year goalie Valerie Lamenta became the first Gryphon ever to be named the recipient of the prestigious Brodrick Trophy as the CIS Player of the Year. The mechanical engineering student finished the season first in the country in GAA (0.99), save percentage (.957) and winning percentage (.889) on her way to a 16-2 record in 18 league contests, all of them starts.

Two other Gryphons were recognized by the CIS as both Leigh Shilton and Averi Nooren were named CIS Second Team All-Canadians. Fourth year forward Nooren scored a team-high 14 goals during the regular season putting her in the top 10 in the country (T-7th) in scoring. While fifth year defenceman Shilton was a rock on the blueline for the Gryphons and was also one of the league's top point getters amongst defencemen. Shilton registered at least one point in 15 of the 23 games she played in during the regular season, finishing the year with 16 points (8 goals, 8 assists).

## 2014-2015

Regular Season Record: 18-3-3 (2<sup>nd</sup> in OUA)  
 Playoff Record: 6-3 (OUA finalists, CIS – 5<sup>th</sup> Place)

The Women's hockey team finished the regular season 18-3-3, good for 2<sup>nd</sup> in the OUA standings. Jessica Pinkerton was the team's leading scorer during the regular season with 24 points (8-16-24) in 24 games, while fifth year captain, Katie Mora was the team's leading goal scorer during the regular season with 10. With head coach Rachel Flanagan off on maternity leave interim head coach Scott McMillan, in his first year with the Gryphons, helped guide the team to the OUA finals. Guelph needed a total of three overtime periods, but was able to sweep Ryerson in two straight games to open up their OUA playoffs. In the OUA semifinals, the Gryphons won Game 1 against the Varsity Blues in double overtime. After dropping Game 2, the Gryphons won Game 3 by a score of 2-0 to book a spot in both the OUA Championship game as well as the CIS Championships. In the OUA finals, the Gryphons travelled to Western and fell just short, losing 2-0 to the eventual CIS Champion Mustangs. Jessica Pinkerton and Leigh Shilton earned OUA Second Team All-Star honours.

At the CIS Championships in Calgary, the Gryphons were on the wrong end of 4-3 score line against St. FX in a quarterfinal matchup. On the consolation side of the draw, the Gryphons bounced back with a 4-2 win over the Calgary Dinos. In the 5<sup>th</sup> Place Game, the Gryphons won 4-1 over Moncton – giving the Gryphons their first winning record at nationals in this, their third appearance at that stage.

## 2013-2014

Season Record: 21-3-0  
 Playoff Record: 3-2

The women's hockey team had an amazing season with an impressive 21-3-0 regular season record, riding a 12-game win streak into the playoffs. The team captured the division title for the first time since 2003-04. The Gryphons were also a consistent presence on the CIS national rankings all year, making it as high as the No. 2 spot before entering the playoffs as the No. 3 ranked team.

In the first round of the playoffs, Guelph dominated the Waterloo Warriors, winning the quarterfinal series 2-0 by scores of 3-1 and 1-0. The Gryphons moved on to face their perennial rival Queen's Gaels in three long, hard fought battles. The Gryphons fell to Queen's in the first game of the semifinal series with a 2-1 loss in three overtime periods. The Gryphons forced a game three after Christine Grant scored a goal in double overtime for a 1-0 final in the second game of the series. Their playoff season was cut short in game three after the Gaels were able to win 2-1 against the dominant Gryphon team.

Third-year forward Jessica Pinkerton was named a CIS second team All-Canadian and an OUA first team all-star. She was a major offensive force behind the successful Gryphon team. With 16 goals and 15 assists in 22 games, Pinkerton finished the season fourth in OUA scoring and ninth in CIS scoring. Christine Grant was named an OUA second team all-star after finishing the season second in OUA scoring with 34 points (13G, 21A). Third year netminder Stephanie Nehring was also named a second team all-star leading the league with an impressive .945 save percentage, 1.15 goals against average and an impressive total of eight shutouts. Bench boss Rachel Flanagan was named the OUA coach of the year.

## 2012-2013

Regular Season: 21-3-2

Playoff Record: 2-2

After an incredible 14-game win-streak to round out the regular season, the women's hockey team finished with a remarkable 21-3-2 record to claim the number two seed heading into the postseason. They carried their dominant play into the quarterfinals where they swept the UOIT Ridgebacks with 4-0 and 3-2 victories. However, they stalled out in the semi-finals against the Queen's Gaels and lost both games 4-2 and 3-1.

Despite a disappointing end to a fairy-tale season, the Gryphons boasted three out of the four major award winners in the OUA this year. Amanda Parkins (Kitchener, Ont.) stole the limelight in her rookie year by scoring a league high 19 goals to add to her 43 points on the season. Her impressive play earned her recognition as this year's OUA Player of the Year as well as a spot as an OUA First Team All-Star and member of the OUA All-Rookie Team. Parkins was also the only rookie voted a CIS First-Team All-Canadian. Her fellow rookie linemate, Christine Grant (Mississauga, Ont.) finished fourth in OUA scoring with 32 points (14 goals) to be named this year's OUA Rookie of the Year as well as recognition as an OUA Second Team All-Star. Her success carried her onto the national stage where she was the first Gryphon ever to be recognized as the CIS Rookie of the Year. Jessica Pinkerton (Oshawa, Ont.) joined Grant as a Second Team All-Star with 11 goals and 37 points. Behind all of their success was Head Coach, Rachel Flanagan. In her fifth year behind the Gryphon bench, Flanagan was voted this year's Coach of the Year.

Season Record: 18-6-2

Playoff Record: Lost to Windsor in OUA ¼ Finals

The Gryphon women's hockey team finished the regular season with an impressive 18-6-2 record, which secured second spot in the OUA regular season standings. Despite a successful regular season, the Windsor Lancers knocked out the Gryphons in the first round of the playoffs. The Lancers took the OUA quarterfinal best of the three series in two games; scores were 3-1 and 1-0.

Despite an early end to the post-season, the Gryphons still had great success in OUA standings and accomplishments. Jacalyn Sollis (West Vancouver, BC) was named an OUA First Team All-Star and CIS Second Team All-Canadian. Meanwhile Erin Small (Pickering, ON) and goaltender Stephanie Nehring (Oshawa, ON) were OUA Second Team All-Stars. Named to the OUA All-Rookie team was first year forward Jessica Pinkerton (Oshawa, ON).

Small put together her best statistical season as a member of the Gryphons in her final season of eligibility, tallying 34 points, good for sixth in the CIS. Not to be outdone, fifth year senior Sollis (West Vancouver, BC) had yet another impressive season and her 24 points were good for second among CIS defensemen.

## 1989-1990

Despite missing the playoffs with a 3-12 record due in part to very little practice time being available the first semester there are a core of returnees that should be able to account for a great improvement next season. Jenny Pettersen was selected as a first team OWIAA All Star.

## 1988-1989

*It is with sadness and joy that we played our last intercollegiate game in Pigmy Gardens ("University Arena"). The rink dates back to 1914. This rink stood until about 1920 when it collapsed. The rink was rebuilt using the original girders and narrowed by 10 feet/ hence the present arena. To pay for the arena, shares were sold, this was handled by the Co-op. When the rink was paid off, it was sold for \$1.00 to the Athletic Board. Artificial ice was put in around 1950 by the students. For a number of years the men's intercollegiate team played their games in this arena and then went on to play downtown. The women have played all their games in this arena. Adieu little arena, it has been fun, we won six O.W.I.A.A. Championships over the years. We look forward, as do the men, to our new twin pad arena opening December 1, 1989.*

The women's Ice hockey team qualified for the playoffs again in the OWIAA with a 6-7-3 record which garnered them third place. In a sudden death Semi Final game in Kingston, the team almost pulled off the upset of the year before losing to Queen's 2-1 in triple overtime. Kellie Sanderson and Barb Snedden were both selected to the OWIAA All Star Team.

## 1987-1988

The women's hockey team, under new coach, Wayne King, finished third in the very competitive OWIAA Hockey League. Late in the season Guelph was in a do or die situation and responded with their best game of the year blasting York 7-0 to grab the final playoff spot. In a sudden death semi-final the Gryhons dropped a heartbreaking 1-0 decision to McMaster. Another highlight of the season was a Christmas trip to Switzerland where the Gryphons participated in the Oschner Cup and finished with a 3-1 record.

## 1986-1987

In the tightest and most competitive season in the OWIAA hockey league in recent memory the Gryphons had trouble in the close games and missed a playoff spot by a narrow margin. However, a large number of returnees for next season bodes well for the future. Sandra Coulson was selected to the OWIAA All-Star team and there is no doubt that the Gryphons will improve on their 4th place finish next year.

## 1983-1984

The women's hockey team under new coach Peter Tron finished in second place in the OWIAA Hockey League with a 10-4-2 record. Despite a semi-final loss to McMaster, the season was a great success as the Gryphons were the only team to defeat eventual champion Toronto. Sue Scherer was selected to the All-Star team and the Gryphons provided their fans with entertaining hockey all season.

## 1982-1983

The women's hockey team had an excellent year, with a 15-9 record. The Gryphons lost the semi-final to York in overtime. Only two players graduate this year and coach Scherer feels they should be a good contender next year.

## 1981-1982

The women's hockey team played giant killer at times, knocking off top teams but having difficulties with lower teams. They barely missed the play-offs by virtue of a 1 - 1 tie at McMaster in the final game of the season. Their final record was 3 - 10 - 3 in fourth place.

## 1980-1981

The Women's team started the season with almost all freshmen, and by the time the season was over, they were starting to make some noise in the strong league. Next season, with many players returning and a number of new players ready to skate into the line-up, the Gryphons will be making even more noise.
