2018-2019

OUA Swimming Championships: Women 5th | Men 5th

U SPORTS Swimming Championships: Women 15th | Men 23rd

Gryphon swimmers entered the 2018/19 season with high expectations after making huge strides from the previous campaign. With former Guelph star Chantique Payne at the helm for her second year as head coach, a young, energetic group of athletes hoped to reestablish themselves as an OUA power. The positive signs were evident early on, like an excellent second-place showing at the deBray Divisional Championships in Sudbury in November. Fourth-year swimmer Veronica Dietrich was the star of that event, securing four individual first-place finishes en route to Gryphon Athlete of the week honours. As the season wore on, times continued to improve for many of Guelph's swimmers, with the goal of peaking for the OUA and U SPORTS Championships. And they did just that. The Gryphons

had some memorable performances at the conference meet in St. Catharines, including a silver medal in the 200m breaststroke from women's team MVP Samantha Anderson. The men were anchored by emerging third-year star Samuel Kuntz, who brought three medals home from the OUAs. Kuntz earned a silver in the 100m backstroke event, a bronze in the 200m backstroke, and also teamed with Lucas Liberty, Rafael Rozo, and Ahmed Elmaghawry to take the bronze medal in the 400m medley relay. Kuntz was named the team MVP on the men's side. Guelph finished fifth in both the women's and men's team standings at the OUAs and two weeks later, five swimmers made their way to nationals to represent the Gryphons.

2017-2018

OUA Championships: Men 4th, Women 5th
U SPORTS Championships: Women 15th, Men 18th

The 2017-18 OUA season marked the start of a new era for Gryphon Swimming and a program with a rich history looked to one of its best performers to lead the way. Former U of G star Chantique Payne took over the head coaching duties for a young roster of athletes hoping to grow as the meets passed and championship season approached. There were certainly some highs, like the incredible two-day stretch graduating fourth-year swimmer Phil Vranic put together back in October. Vranic dominated at the OUA Sprint Invitational, winning gold in the 50m fly, bronze in the 50m free, and another gold with his teammates Daniel Barros, Prisco Ju and Samuel Kuntz in the 4x100m medley relay. And the next day, Guelph took its team to the Badger Invitational, where Vranic won gold in the 200m free and 400m free, along with a silver in the 100m fly. That weekend earned the senior U SPORTS Athlete of the Week honours. At the OUA Championships in London, several Gryphons raised their level. Vranic took the team's lone silver with a great swim in the 200m free (and set a personal best time in the prelims), while third-year swimmer Samantha Anderson captured bronze in the 50m breaststroke. Guelph finished fifth in the women's team standings and fourth on the men's side. Nine Gryphons qualified for nationals and Payne was thrilled with her team's efforts at the U SPORTS finale. Shania Van Herk had personal bests in the 200m backstroke and 100m backstroke, as did Sasha Kennedy in the 200m backstroke and 50m butterfly. Graduating seniors Leili Tilvaldyeva and Tara Mallory finished their careers well. Tilvaldyeva had a first-place finish in 50m breaststroke C Final, while Mallory, who recovered from breaking her hand the previous season, swam a 4:19.49 in the 400m free for her fastest time in three years.

During the three day event, the Gryphons made a total of five trips to the podium on the men's side. Leading the way were a pair of veterans in Evan Van Moerkerke and Eric Trevisan who both claimed gold medals on Day 2 of the OUA Championships. 2003-2004

The 2003-2004 season will always be remembered as the final season in the storied career of beloved coach Alan Fairweather. In the dual meets, the men compiled an 8-1 record including the first victory over McMaster in more than 30 years. At the OUA Championships, the Gryphs placed 4th but that was not decided until the final relay was finished. Bryan McMillan captured a gold in the 200m Backstroke to earn OUA All-Star honours and a bronze in the 100m Backstroke and 1500m Freestyle. Dan Lindquist claimed the 100m Freestyle title and All-Star status along with Mike Mallany who claimed the silver in the 200m Backstroke. In the Relays, the Gryphs grabbed silver and 2 bronze. With only 5 swimmers competing at the CIS Championships, the Gryphons finished 10th in the nation. All three relays placed in the top 10 and McMillan earned All-Canadian status garnering silver in the 200m Backstroke.

The Gryphons were 7-2 in dual meet competitions. At the OUA Championships, the true measure of the women's squad was limited by injury but they still finished 4th overall. Angela Catford claimed silver in the 50m Backstroke and OUA All-Star recognition while the 400 and 800m Freestyle Relays grabbed silver. At CI's, the 4 x 200m Freestyle Relay team finished 12th.

2002-2003

At the OUA Championships, the Gryphon men moved up one notch to 4th place. Bryan McMillan swam for the cycle claiming a gold, silver and bronze in his Backstroke specialties, the 200m, 100m and 50m respectively and earned All-Star distinction. The 400m Medley Relay comprised of McMillan, Dan Shewfelt, John Eddolls and Dan Lindquist won silver. In addition to these four swimmers, Steven McCrea, Adam Nicholson, Peter Neily and Jeff Plumridge also qualified for the CIS Championships.

For the women, there were high hopes of the highest Gryphon finish of all time at the OUA Championships. Unfortunately, a couple of injuries and an effort by the young team to compensate resulted in a team finish below expectation in 4th place. Rookie, Amy Jacina, captured silver medals in both the 50 and 100m Backstroke events and was awarded an OUA All-Star. Seven Gryphons qualified for the national championships, the largest women's contingent ever including Amy Jacina, Ashley Aimone, Hilary Lawton, Angela Catford, Jennifer Ellison, Rhian Stephenson and Stephanie Hatt.

At the CIS Championships in Victoria, the Gryphon record book took a beating as the women recorded 7 new times and the men surpassed 10 records. Bryan McMillan had the highest finishes at the meet in a tight hunt for medals in both the 100 and 200 metre Backstroke with lifetime best times finishing in 5th and 8th place. Amy Jacina topped the women's list at her first national championship with a consolation final win in the 50 Backstroke and just missed in the 100 Back.

2001-2002

The Gryphon men's swim team, in what was supposed to be a rebuilding year, had yet another successful season. Throughout the year the Gryph's lost only once, a narrow defeat to OUA runner up McMaster. The team finished the season with a second at the OUA relays, a second at the Divisional championships, 5th the OUA championships, then at CI's avenged their narrow OUA loss to Laurentian and to second place McMaster. Five men (McMillan, Eddolls, Nicholson, Lindquist, and McCrea) qualified for the CIS Championship meet at UBC. Rookie Bryan McMillan followed up his OUA 200 Backstroke gold medal with a near medal 4th place finish at CI's. Andrew Slot, Mike Durst, and Nathan Richmire finished their OUA careers with strong placings. The basis for a great team is in place as next year we will have nobody in their graduating year.

The makeup of the women's swim team was very different at the end of the year from that expected in September. From the promise of an outstanding year it looked for a while like things might not pan out. However, when the waves had settled, the Gryphons returned after two years away to their third place OUA finish and qualified six women (Dixon, Lawton, Howard, Smith, Stephenson, and Aimone) for the National championship in Vancouver. Katie Dixon led the team with two medal performances at OU's and followed that up with a pair of team records at CI's. The 4x100 medley relay team of Dixon, Smith, Aimone, and Howard also shattered the team record.

At the OUA Championships, Sean Sepulis was named Swimmer of the Meet for an awesome display of world-class swimming. He swam the 50, 100 and 200m Backstroke events and won them all in OUA record time. The 400 Medley Relay team picked up a silver medal. Two other relay teams missed a medal by 2/100^{ths} and 25/100^{ths} respectively and thus missed the opportunity to catch Laurentian for 3rd place finishing just 10 points behind. The 2001 CIAU Championships hosted by Guelph resulted in several team records and a pool-full of lifetime best times. The most obvious highlight was the three gold medal performances of Sepulis. Lee Hart finished his career with a lifetime best swim on the Breaststroke leg of the 400 Medley Relay. Team captain, Andrew Slot, in the Butterfly and rookie Freestyle specialist, Adam Nicholson, also did best times on their legs of the relay.

The Gryphons finished in 4th place at the OUA Swimming Championships in Toronto. Jessica Smith repeated her bronze medal performance of 2000 in the 100m Breaststroke and the 400m Medley Relay also seized the bronze. At the CIAU's, the Gryphons finished on a high note with outstanding swims in the final 400 Medley Relay (Sarah Burke, Smith, Ashley Aimone and Laurie Crocker). They broke a 3-year old Guelph record by almost 3 seconds. Burke won the consolation final of the 100 Butterfly and was second in the consolation final of the 200 Butterfly. Other consolation final swims were recorded by Crocker in the 50 Freestyle (team record), Aimone in the 50 Butterfly (second on the all-time Gryphon list) and Smith in the 50 Breaststroke.

1997-1998

After hovering in and out of the CIAU Top 10 all year, the Gryphon Men's Swim Team finished with an excellent 6th place. Their 227 points were only 13 points out of 4th place. They were undefeated in league competition and captured the Ontario West Division Championships for the 4th year in a row. A very strong 3rd place finish at OUA's featured 1 ONTARIO RECORD, 1 2nd fastest OUA swim of all time, 10 Gold medals, 7 Silver and 3 Bronze. The medal haul continued at CIAU's with 1 Silver and 6 Bronze. In all, the men's team added 7 new times to the Gryphon Record Book. After graduating almost 90% of the team in the past 2 years, this was to be a rebuilding year. The Gryphon Women went undefeated in league play to win Ontario West for the 4th year in a row. They scored an impressive 3rd place finish at the OUA Championships. Trish Bellchamber looked after the butterfly medals at OU's with a silver in the 100m and a bronze in the 50 and 200m distances. At CIAU's, our 4 representatives finished just out of the Top 10. Three already tough team records were broken this season.

After spending only two weeks in the CIAU Top 10 all year, the Gryphon Men's Swim team shocked the country with an awesome 4th place finish at the CIAU's. They were undefeated in league competition and captured the Ontario West Division Championships for the 3rd year in a row. A very strong 3rd place finish at OUAA's featured 3 OUAA records, 2 OUAA records missed by 0.1 sec, 14 Gold medals, 5 Silver and 5 Bronze. The medal haul continued at CIAU's with 6 Silver and 5 Bronze. In all, the men's team rewrote the Gryphon record book with 13 new team records. After graduating half the team in 1996, this was supposed to be a rebuilding year. The Gryphon Women didn't read the script as they went undefeated in league play to win Ontario West for the 3rd year in a row. They also held on to their 3rd place finish at OWIAA's. The medal count at OW's was strong with 3 Gold, 6 Silver and 4 Bronze. At CIAU's our 4 representatives also maintained their 14th place finish of last season. The Gryphon record book looks very different from the one presented at the start of the season. Fourteen new records will present quite a challenge to Gryphon swimmers for many years to come.

The Gryphons moved up a notch from 5th to 4th spot this year in the OUAA Championships hosted by the University of Guelph. The dual meet season was very succesful with the team only recording one loss to eventual OUAA champion, McMaster. The victorious season included a first ever victory over Western. The injury bug kept the Gryphs from overtaking Western at the OUAA Championships. Look for the team to move up another notch to a 3rd place inish next year. Other team highlights included a thrilling bronze medal performance in the 200 metre Medley Relay at the OUAA's and the qualification of Paul Donald and Eric Quane to the CIAU's. Eight team records were set this season.

The Gryphon women hoped to move up a place at the OWIAA Championships from last year's 4th place finish. They were in a battle with Western for third place until the final event but fell short of their goal. However, they handily beat Western at the CIAU's. The best finish at the OWIAA's was a silver medal in the 400 metre Freestyle Relay. Hillary Stephenson, Kara Bowman, Sarah Callaghan and Sara Cond Flower broke the team record with that swim. Overall, seven team records fell at the OWIAA and CIAU Championships. Stephenson, Bowman, Cond Flower and Christine Lafontaine made up the CIAU contingent.
