

Men's Hockey History

2022-2023

Regular Season Record: 10-10-7 (8th in OUA West)

OUA Playoff Record: DNQ

Returning to a standard season length and playoff format, the 2022-23 Gryphons Men's hockey team looked to get back to their winning ways of the 2019-20 season. Unfortunately for the team, an incredibly competitive OUA West division would slow down their return to the OUA playoffs and beyond. Despite the tough division the Gryphons demonstrated a strong effort and drive with a late season playoff push that came up just short of the final postseason spot. For the second straight season the Gryphons season came down to their annual 'Aggie Night' game in front of a record crowd of 1,06 fans. The team narrowly defeated the 3rd-place Brock Badgers on a shootout to keep their season alive but a Western Mustangs loss to the Laurier Golden Hawks would eliminate the Gryphons from playoff contention. Leading the team in both total points and assists this season was rookie Anthony Tabak. In his first season of OUA competition Tabak found the back of the net eight times while helping teammates do so on 14 occasions for a total of 22 points. The teams leading goal scorer was Zachary Poirier who found the net 11 times and earned team MVP for his season-long performance. With a small graduating class this season, the Gryphons will return much of their 2022-23 roster intact.

2021-2022

Regular Season Record: 6-10-4 (5th in OUA Far West)

OUA Playoff Record: DNQ

Facing a significantly shortened season, the 2021-22 Gryphons Men's hockey team fought adversity on more than one account. From losing five players to pro contracts during the COVID break (Lucas Chiodo, Ryan Da Silva, Nick Isaacson, Aidan Brown, Giordano Finoro) to multiple injuries to their roster, the Gryphons showed tremendous character and resilience to pull together to force a final playoff push with two games left in the season. The team's playoff hopes came down to their Aggie Night showdown against the Windsor Lancers. In a hard-fought game that required extra time the Gryphons would ultimately fall short to the 1st-place Lancers, mathematically eliminating them from playoff contention. Leading the team in points and assists this season was graduating senior Connor Bramwell. At a point a game for the entirety of his career, he capped off his final season with the team with 14 assists (4th in the OUA) and 20 points. The team's leading goal scorer was Windsor, ON native Ted McGeen, who found the net 7 times throughout the season. Rounding out the impressive roster was goaltender Colton Incze, who stood strong while facing significant time in net due to an injured roster. With a small graduating class this season, the Gryphons will return to the ice next fall with a majority of their roster still intact.

2019-2020

Regular Season Record: 17-6-5 (3rd in OUA West)

OUA Playoff Record: 7-2 (OUA champions - defeated the Ottawa Gee-Gees in the 109th Queen's Cup)

U SPORTS Playoff Record: 0-1 (lost to Saskatchewan Huskies in U SPORTS quarter-final)

It was a standout season for the Gryphons Men's hockey team as they concurred the OUA playoffs and emerged victorious in a spectacular triple overtime to become the 2019-20 OUA season champions. Coming off last season's defeat in the Queen's Cup final; this year's team was filled with determination. The Gryphons opened the 2019-20 season with a four-game win streak. They reigned supreme at the Frosty Mug where they defeated the Laurier Golden Hawks and earned their revenge after last year's shootout loss. The Gryphons entered the postseason as the No. 3-seed in OUA West. They captured a 2-1 series victory in their quarter-final match against the Laurier Golden Hawks despite the loss of their captain and league-leading scorer, Mikkel Aagaard in game 2. The team took care of

the Brock Badgers in the OUA West Semi-Finals to head to the OUA West Final vs the Western Mustangs. The Gryphons advanced to the Queen's Cup final after a 4-3 victory in game three of their series. The 109th Queen's Cup was a barn burner, with the score tied 1-1 at the end of regulation the game went to an outstanding triple overtime. The Gryphons would clinch victory with a clutch goal from 2nd-year forward Ted Nichol on home ice to capture their 7th championship title (their first since the 2014-15 season). They went on to the University Cup where their gold medal season came to a close after a 5-1 loss in the U SPORTS Quarter-Final against the St. Mary's Huskies (matching their previous season's U SPORTS finish). The offence was on fire this season (4th overall in the league), with the team leading the OUA in goals, assists, and goals per game. The power play and penalty kill were firing on all cylinders, finishing 2nd and 3rd overall in the league respectively. Mikkel Aagaard had a powerhouse season, placing an incredible 1st overall in the OUA in points (46) and goals (22). Veteran Andrew Masters took home the Jack Kennedy Trophy for an outstanding player during the Queen's Cup while third-year Todd Winder earned the Gryphons only OUA First Team All-Star status this year after finishing 2nd on the team in scoring. Second-year Ryan Valentini represented the Gryphs as a Second Team All-Star with 27 assists to his name (2nd on the team), his season was highlighted by a 3-point performance on "Aggies Night". Newcomer Giordano Finoro was named to the OUA West All-Rookie Team after his impressive season, highlighted by two hat tricks (the only player in the league to do this year).

2018-2019

Regular Season Record: 13-11-0-4 (5th in OUA West)

OUA Playoff Record: 6-3 (lost to Queen's Gales in OUA Final)

U SPORTS Playoff Record: 0-1 (lost to Saskatchewan Huskies in U SPORTS quarter-final)

The Gryphons got off to an uncharacteristic slow start on home ice in 2018 but a veteran-laden team would turn it around and produce a season that will be remembered for a Queen's Cup final appearance and a trip to nationals. Guelph initially had trouble compiling wins due to a rash of injuries and a decrease in scoring despite pacing the OUA in shots on goal for much of the season. The Gryphons, led by fifth-year captain Scott Simmonds and influx of young, talented players like Connor Bramwell, Mikkel Aagaard and goaltender Andrew Masters, got their game together in the new year and ultimately secured the No. 5 seed in the OUA West playoffs after winning four of the last five games. Guelph was a new team in the postseason with second-year forward Todd Winder scoring four goals in a two-game sweep of the Windsor Lancers in the division quarter-final. Simmonds returned from a two-game suspension in the semi-final round to score twice in Guelph's game 3 win over the Ryerson Rams, which advanced the team to the OUA West Final against Western. The Gryphons overcame a game 1 loss in London to win two straight, with the series clinching-goal coming from Aagaard in double overtime.

Guelph was unable to secure another Queen's Cup after a 4-1 loss to the Queen's Gaels in Kingston and a memorable season came to an end at the U SPORTS championships in Lethbridge when the Gryphons fell 6-1 to the Saskatchewan Huskies in a tough quarter-final matchup. Simmonds earned team MVP honours by leading Guelph in points with 25 (9-16-25), while Masters posted seven wins after taking over the goaltending duties from Evan Cormier, who left the team to sign a professional contract.

2017-2018

Season Record: 21-6-1 (1st in the OUA West)

Playoff Record: 2-3 (lost to Brock in OUA West semi-final)

Fans of firewagon hockey would appreciate watching the Gryphons throughout a memorable 2017-18 season. Guelph scored in bunches, leading all OUA teams with 122 goals over the course of its campaign. Head coach Shawn Camp had a slew of talented players at his disposal, like Marc Stevens, Seth Swenson, Josh McFadden, Patrick Kudla, rookie scoring sensation Todd Winder and the anchor, two-sport athlete and captain Scott Simmonds. And his team exuded confidence, which was evident during an incredible nine-game win streak with bookend victories over the Toronto Varsity Blues. The run began with a 4-1 defeat of the Varsity Blues on Aggies Night at the Gryphon Centre on Nov. 2 and ended on the road a month later with a wild 6-4 win. Guelph seemed especially fond of the spotlight, dominating its OUA opponents in signature games like the 5-0 drubbing of Laurier in front of a record Frosty Mug crowd of 4,715 at the Sleeman Centre in January. But the Gryphons could bear down when needed and they closed the season strong taking care of York and Ryerson, the two teams behind them in the OUA West standings, both by scores of 6-2. Guelph got the jump on Windsor in the best-of-three OUA West quarter-final and despite losing game two 4-3 on the road, the top seed closed it out in style, winning 6-1 in the series finale, with Winder scoring twice. But the Gryphons' hopes of a Queen's Cup were dashed in the semi-final round. They suffered a disappointing 4-3 overtime loss on home ice to the Brock Badgers, putting them on the brink of elimination. Brock jumped out to a 4-1 lead in game two though the captain Simmonds, potentially playing in his last game as a Gryphon, spurred a comeback. Guelph courageously pumped in three straight to tie it 4-4. It wasn't enough as the Badgers again pulled it out in overtime, ending a great season for one of the best Gryphon teams in recent memory.

2016-2017

Season Record: 15-12-1 (4th in OUA West)
Playoff Record: 2-2 (L to York in OUA West Semi-finals)

Despite losing four of the team's top five leading scorers from last year's squad, the 2016-17 Gryphons men's hockey team finished the regular season as the second-highest scoring team in the 10-team OUA West, scoring 102 goals while finishing 4th in the OUA West standings. For a third consecutive season, the Gryphons were able to advance past the opening round of the OUA playoffs, sweeping Brock 2-games-to-0 in their OUA West Quarter-final best-of-three series. The Gryphons season would officially come to an end in the OUA West Semi's where they were swept by the eventual OUA champion York Lions.

Second year forward Rob Lepine was the team's leading goal scorer during 2016-17 regular season with 15 goals in 27 games played. Seth Swenson was the team's overall leading point-getter with 32 points (12 goals, 20 assists) in 28 games played, while Trevor Morbeck enjoyed a breakout season and finished with 11 goals and 15 assists during the regular season. A pair of Gryphons were named OUA West Second Team All-Stars with both Rob Lepine and Mac Nichol earning All-Star status for the first time in their careers.

2015-2016

Season Record: 16-11-1 (4th in OUA West)
Playoff Record: 5-5 (lost to Carleton in OUA Bronze medal game)

The Gryphons entered the 2015-2016 season as defending Queen's Cup champions and posted a 16-11-1 record during the regular season, good for 4th in the OUA West division standings. In the OUA playoffs, the Gryphons would defeat both Windsor and Ryerson in a best-of-three series that went the

distance to set up an OUA West Final matchup with Western. That series would also go the distance, but the Gryphons would fall 5-1 in London in Game 3 to fall just short of returning to the Queen's Cup. In the OUA Bronze medal game a short-handed Gryphons squad, missing five of the team's top forwards as well as a defenceman Thomas Kohler, traveled to Ottawa to face the Carleton Ravens with a berth to the University Cup on the line but lost 4-1.

Third year forward Rob De Fulviis and fourth year defenceman Nick Trecapelli tied for the team lead with 23 points during the regular season in what was a balanced offensive attack for the Gryphons. Of the team's top six leading point getters, three were first year players as Cody Thompson, Gregory Gilbert and Robert Lepine finished 4th, 5th and 6th on the team in scoring, respectively. Gilbert led the team with 12 goals during the regular season.

Second year goalie Andrew D'Agostini enjoyed a phenomenal season, starting 23 of the team's 28 regular games while posting the second-best goals against average in the division (2.34). His .927 save percentage ranked third in the entire conference and helped him earn the title of OUA West First Team All-Star. The lone other Gryphon to earn an OUA All-Star nod was team captain Nick Trecapelli who joined D'Agostini on the OUA West First Team.

After not being ranked nationally for most of the season, the Gryphons ended the season as the No. 9-ranked team in the country.

2014-2015

Regular Season Record: 11-13-3 (6th in OUA West)
 Playoff Record: 9-3 (OUA Champions, CIS Bronze Medalists)

In the 2014-2015 season, the Men's hockey team pulled off one of the most unlikely playoff runs in program history. After winning just three times in their first 16 games of the regular season, the Gryphons were sitting in dead last in the OUA standings at 3-10-3 heading into the Christmas break. The Gryphons looked like a completely different team during the second half of the season, as they were able to win eight of the final 11 games on their regular season schedule to sneak into the OUA playoffs, seeded sixth in the OUA West Division. Nicklas Huard was selected to the OUA West Division Second Team while net minder Andrew D'Agostini made the OUA All-Rookie Team.

In the playoffs, the underdog Gryphons upset four straight, higher ranked opponents to capture the OUA title. The Gryphons won a pair of Game 3's on the road to eliminate both Waterloo and Toronto. In the OUA West Final, they won the series in two straight games against the defending OUA champion Windsor Lancers, and in doing so, also clinched a berth into the CIS Championships. In front of a sold out crowd on home ice, the Gryphons won 4-0 over UQTR to secure the school's first OUA title since 1997.

At the CIS Championships in Halifax, the Gryphons were seeded No. 3 and opened up the tournament with a matchup against Canada West finalists, the Calgary Dinos, in a win-or-go-home CIS quarterfinal matchup. The Gryphons won that game 3-1 to advance to the CIS semifinal. Guelph lost 5-2 to UNB in the semis, putting them in the CIS bronze medal match against UQTR. Kyle Neuber scored the winner as Guelph beat UQTR 3-2 in overtime. The win gave the Gryphons the sixth CIS medal in school history, and first since 1997. First year goalie Andrew D'Agostini was named the top goalie at the CIS Tournament.

2013-2014

Season Record: 12-12-4
 Playoff Record: 1-2

The men's hockey team finished their regular season with a 12-12-4 record to earn themselves a playoff spot, facing the Western Mustangs in the OUA West quarterfinals. Guelph entered as the number eight seed while the Mustangs were the number one seed. The Gryphons started the series strong with a 5-4 win in the first game against the Mustangs, played in London. Western was unfortunately able to force a game three after a 2-1 win in double overtime played at the Gryphon Centre. The Gryphons had their playoff run cut short after a heartbreaking 6-1 loss in the third and deciding game in London.

Fourth-year defenseman Kenneth Peroff was named the OUA West top defenseman, after finishing the season second among OUA blue liners in points scoring eight goals and 21 assists. Peroff did a remarkable job quarterbacking the Guelph power play; 13 of his 21 assists came with the man advantage. By being named the top defenseman, Peroff became the first Gryphon to take home the honour. He also was named an OUA West first team all-star for the second consecutive season and CIS second team All-Canadian. Nicklas Huard was named an OUA West second team all-star, after leading the squad in points and was tied for ninth in OUA scoring and third in goals scored. The second-year forward collected 37 points on 18 goals and 19 helpers en route to his first postseason recognition.

2012-2013

Regular Season: 17-9-2
 Playoff Record: 2-3

The men's hockey team finished their regular season with a 17-9-2 record to seal a fourth place seed heading into the playoffs. After dropping their first game in the OUA West quarterfinals to the Laurier Golden Hawks 4-3 in overtime, the Gryphons bounced back to take the next two with consecutive 3-2 victories. Unfortunately, they couldn't carry their explosive tempo into the West semi-finals where they were swept by the Windsor Lancers 2-1 and 1-0.

With 32 points on the regular season (16 goals), rookie forward Andrew Bathgate (Georgetown, Ont.) led the Gryphons in scoring. He earned recognition as the OUA Rookie of the Year as well as a spot on the OUA All-Rookie Team. Ken Peroff (Chisholm, Ont.) complimented Bathgate's offensive power on defence and was named an OUA First Team All-Star. The defenceman helped his team hold opponents to only 76 goals on the season to place the team in second in the OUA West for goals against. He also added three goals and eight assists en route to his first nod as an OUA First Team All-Star.

2011-2012

Season Record: 9-14-5

Playoff Record: Lost to Lakehead in OUA West ¼ Final

The Gryphon men's hockey team finished the regular season with a 9-14-5 record, seventh in the OUA West. Guelph finished off its regular season with two straight losses; however, having won four of their last seven games the team was able to keep their playoff hopes alive.

Guelph's playoff run began with a three-game series against the Lakehead Thunderwolves who finished the regular season with a 19-9-0 record and had the second fewest goals scored against them in the West Division. Guelph was able to upset the Thunderwolves 5-4 in the first game of the series, but lost the next two games 5-1 and 3-2, putting an end to their season.

Jon-Thomas MacDonald (Niagara Falls, ON) led the Gryphons with 25 points, closely followed by Kris Belan (Florence, ON) with 24, Justin Gvora (Thunder Bay, ON) with 22 and Zach Lillie (Bracebridge, ON) with 20.

2010-2011

Season Record: 15-10-3

Playoff Record: 4-4-0

Building off a strong season in 2009-2010, the Guelph Gryphons men's hockey team continued their success in 2010-2011, claiming their third consecutive playoff berth. With the regular season coming to a close, the Gryphons sat on the brink of playoff contention and in the last three weeks the team pulled together to out-muscle their opponents in five of six games to end the season. Guelph would finish the regular season with a 15-10-3 record and jump to fourth in the OUA West. Not only was this good enough to enter the post season, but the squad sealed home-ice advantage for the first round.

Guelph's playoff run started with a three-game series against the Brock Badgers, in which the Gryphons were able to come away with two wins to move on to the next round. The Gryphons then faced the OUA West No.2 ranked Laurier Golden Hawks. All three games would be needed in this series as well, with the Gryphons stealing both wins on the road to advance to the OUA semi finals against the top-seeded Western Mustangs. Unfortunately, the Gryphons would be upset in the first two games, putting an end to their season.

Thomas Kiriakou (Richmond Hill, Ont.) and Ed Gale (Keswick, Ont.) led the Gryphons with 29 points apiece, while Gale also led the team in the post season with 11 points, including three goals and eight assists. Tim Priamo (Guelph, Ont.) led all defensemen with seven goals and 17 assists for 24 points. Priamo was named an OUA West first-team all-star, while Kiriakou was awarded second-team all-star recognition.

The Gryphons showed off another strong group of recruits in 2010-2011, with special mention going to Ken Peroff (North Bay, Ont.), James Merrett (Vernon, Ont.) and Andrew Loverock (Elmvale, Ont.). Merrett accumulated 13 points (5 goals, 8 assists) in the regular season. Loverock, who claimed the starting job for the Gryphons in the latter half of the season, became an anchor for the already solid Gryphon defensive squad. In his 16 regular season games (over 900 minutes), Loverock posted a .904 SAVE % with 2.65 GAA and eight wins. Peroff and Loverock were named to the OUA West all-rookie team.

2009-2010

Season Record: 14-10-0

Playoffs: 2-3

Guelph finished the regular season with a 14-10-0 record. The team entered the post season on a hot streak pulling off a five game win-streak to finish fifth in the OUA standings. The Gryphons opened the playoffs against the Laurier Golden Hawks in a three game OUA West quarter-final series. It took all three games, but the deciding game ended in favour of Guelph 5-3, advancing them to the OUA West semi finals. Up against the No. 7 nationally ranked Lakehead Thunderwolves, the Gryphons lost the best-of-three series in two overtime games.

Thomas Kiriakou (Richmond Hill, ON) earned OUA West top rookie honours and was named to the OUA and CIS all rookie teams. He led the Gryphons with 32 points, and was second in scoring with 14 goals. His six power play goals were also second-best on the team while his three shorthanded goals led all Gryphons. Also making the all rookie team was first-year defenceman Tim Priamo (Guelph, ON) finishing as the top scoring defenceman on the team, contributing 20 points overall including four goals and 16 assists.

In goal, Scott VanBommel played over 1,000 minutes with a goals against average of 2.55 and a save percentage of 0.893. He faced 403 shots in the regular season and another 144 in five playoff games.

2008-2009

The Men's Hockey team finished the season with a six game win-streak to capture their first post-season appearance in three years. Their 14-12-0-2 record was enough to put them in second place in the OUA Mid-West and clinch the sixth and final OUA West Division playoff spot. Despite showing incredible heart in a comeback home victory in game two of their quarter-final OUA best-of-three playoff series against Western, the Gryphons were eliminated in the deciding game in London. Michael Nelson (Stratford, ON) led the team with 26 points this season while Derek Knowles (Vanderhoof, BC) had 24 points. A number of rookies showed promise including Justin Gvora (Thunder Bay, ON) who was the team's top rookie scorer with 8 goals and 9 assists.

2007-2008

The Men's Hockey team finished the year with a 12-13-0-3 record and just missed advancing to the playoffs finishing third in the Mid West. Although the Gryphons were unable to clinch a playoff berth, the team greatly improved their record from their 7-14-3-4 record last year. The team will lose three players to graduation and with over half the team in first or second year, the future looks bright for the young squad. Second year Alex Magera (Edmonton, Alb.) made his mark in the league accumulating 24 points, 6 goals and 18 assists in 25 contests to lead the Gryphons in points. First-year Barrett Brook (Leduc, Alb.) was named to the OUA All-Rookie team. He led Guelph's defenseman with five goals and 15 assists and was a dominant presence for the Gryphons' defensive line all year.

2006-2007

The Gryphons finished the year with a 7-14-3-4 record and missed advancing to the playoffs. Thomas Laplante made his mark in the league accumulating an impressive 31 points, 21 goals and 10 assists in 24 contests. The second-year forward ranked fourth in the OUA and fifth in the CIS for goals scored this season. While the season ended disappointingly, the campaign was a great success for the Gryphons. With over half the team in first and second year, the future looks bright for the young squad.

2005-2006

With a 7-14-3 record, the Gryphons missed advancing to the playoffs. Team captain Jesse Pyatt, had a profound impact in CIS Hockey throughout the 2005-06 campaign. This West Division First Team All-Star and First Team All-Canadian was the OUA and CIS leading scorer accumulating an impressive 47 points, 26 goals and 21 assists in 24 contests. Rookie team-mate Matt Willoughby also made his mark in the league. Willoughby finished 4th in OUA scoring and 14th in the country with 34 points, 9 goals and a league-high 25 assists en route to earning West Division Rookie of the Year honours and being named to the West Division All-Rookie Team.

2004-2005

It went right down to the wire, but the 8-11-4-1 Gryphons qualified for the 6th and final playoff position in the OUA West conference and 3rd place in the Mid-West Division. This marked the Gryphs' first playoff appearance in 3 years. In the first round, #10 Lakehead swept the Gryphons in a best of three series by scores of 4-3 and 3-0. Scott Rozendal was selected as a West Division First Team All-Star. This season, he was 4th leading scorer in the league and 11th in the country with 21 goals and 14 assists for 35 points. Ken Ritson had an outstanding season between the pipes and as a result of his efforts was named to the Second Team posting a 3.85 goals against average and a .902 save percentage.

2003-2004

Despite improving on their win-loss record from the previous year, the Gryphons finished 4th in the Mid West Division with an 8-12-2-2 record that kept them from advancing to post-season play. Freshman Scott Rozendal, the Gryphons' leading scorer and 9th in the OUA with 15 goals, 23 assists for 38 points, was selected as a member of the OUA squad that competed against the Canadian team in preparation for the World Junior Championships. Rozendal was 3rd top scorer amongst rookies in the league and was selected to the West Division All-Rookie team. Jesse Pyatt was 2nd leading scorer for the Gryphons with 32 points on the season.

2002-2003

Unfortunately, a 4th place finish in the Mid West Division with a 6-17-1 record kept the Gryphs from qualifying for post-season play. One of the highlights of the season, however, was a 6-5 upset of the 5th ranked Lakehead Thunderwolves. Freshman standout forward, Jesse Pyatt and defenseman, Jamie Lovell, the team's 2001-02 Rookie of the Year, were Guelph's top scorers with 25 and 22 points respectively. (No.: indicates letters earned in that sport, G: indicates Gold G - 1st letter earned, H: indicates Honour Award - 4 or more letters earned over 4 years)

2001-2002

Guelph's record of 3-8 in the first half of the season improved dramatically in the New Year as they flipped their win-loss ratio to 8-4-1 for an overall 11-12-1-league record. They finished the season in 2nd place in the Mid West Division behind the York Yeomen, the 4th ranked team in the country. Of significant note is the fact that the Gryphs were second in the province in team penalty killing behind Western with an impressive 87.26 percentage. In the best of three Mid West Division Semi Finals, Guelph dropped the series 2-1 to Brock. At the CIS Championships in Waterloo, the Gryphs entered the tournament as the host and the 6th seed. In the opening game, they fell 8-0 to the #1 ranked Alberta Golden Bears and did not look out of place in a 5-2 setback to the 4th ranked Western Mustangs. Impact player, Jason Jackman, was awarded the Most Sportsmanlike Player in the OUA West Division and a Second Team All-Star netting 11 goals and adding 21 assists for 32 points in league play. Goaltender, Andrew Gibson, was named OLIE Player of the Month for January. During that month, Gibson played 7 games, holding a record of 5-1-1 and a goal against average of 2.28. Specifically, he held the CIS #1 ranked Western Mustangs to 2 goals in a tie on January 31.  Manager: Rob Saunders

2000-2001

The Men's Hockey Gryphs wrapped up their 2000 season in second spot in the OUA Mid West Division. The Gryphs qualified for the divisional final by winning a 3 game mini series over Brock 2-1. In the final against York, Guelph lost in two games straight. However, a berth to the University Cup as host was still possible via a 3-team mini series with Laurier and Waterloo. Despite outplaying the Hawks, the Gryphs suffered a heartbreaking 2-1 loss with a minute and a half remaining. Guelph then defeated Waterloo 3-2 but fell short as Laurier won both of their matches to qualify for the CIAU's. 1999-2000

The Men's Hockey team closed out their season with a 10-12-4 record. By virtue of a top place finish in the Mid East Division, the Gryphons earned themselves a bye from divisional semi-final action. In a "best of three" Mid East Division Final, the Gryphons suffered back to back losses to Queen's 4-3 and 3-2 (in overtime) to bring their post-season play to a halt. An individual highlight was Mike Van Volsen's selection to the OUA First All Star Team in the East Division.

1998-1999

In what was supposed to be a rebuilding year for the Gryphons, the team took the OUA Mid-East Division title for the 6th consecutive year. On a number of occasions, the young Gryphon squad defeated teams ranked in the "Top Ten" in the country. At the Queen's Cup Final Four Tournament, the Gryphs fell 3-1 to the nationally ranked #1, UQTR Patriots, in a tight contest for the East Division title. Mike Van Volsen and Paul Rosebush were selected as East Division Second Team All Stars. Ken Stark was chosen as the OUA East Division nominee for the TSN - Dr. Randy Gregg Award for exhibiting outstanding achievement in hockey, academics and community involvement.

1997-1998

The Men's Hockey Team once again won the Mid East Division in both the regular season and playoffs, but did not get the opportunity to defend their national championship as they dropped a 6-2 decision to rival, UQTR, in the OUA Semi Finals. The team finished the regular season with a 17-5-4 record and swept Toronto in the "Best of Five" Mid East Division Final 3-0. Not only was J.P. Davis a First Team OUA All Star, but also recognized as OUA and CIAU Player of the Year. Ryan Foster and Mark Gowan were selected as First and Second Team OUA All Stars respectively.

1996-1997

The Gryphon Hockey Team did it all in 1996-97 as they became CIAU Champions for the first time in the history of the school. They set a record by recording 21 victories in league play and then defeated Toronto, UQTR and York to win the OUAA Championship. After defeating York again in the CIAU semi-final 4-2 they took the championship at Maple Leaf Gardens with a 4-3 win over UNB. Matt Mullin was named the Outstanding Player in the CIAU as well as the Championship Tournament MVP. Joining Mullin on the All-Canadian team was defenceman J.P. Davis.

1995-1996

For the 3rd consecutive year, the Gryphons won the Mid East Division championship by finishing the regular season with a 16-10-0 record. They defeated the Toronto Blues 2-1 in the "Best of Three" Division Final to advance to the Queen's Cup Tournament at Waterloo. After defeating UQTR the previous two seasons in the semi final, the Gryphs finally dropped a 4-2 decision to Les Patriotes and did not return to the CIAU Championships for a 4th consecutive year. Defenceman, Dave Anderson, was selected to the OUAA East Division First Team while Chris Clancy was named to the Second Team. Goaltender, Matt Mullin, was the OUAA Rookie of the Year Award winner.

1994-1995

The Hockey Gryphons repeated as Mid East Division champions with a 16-7-3 record. They defeated the Toronto Blues two straight in the Division Final and advanced to the Queen's Cup Tournament. In the semi final, they shocked the favoured team from Trois Rivieres by a 3-1 score. They dropped the OUAA Final 5-4 to Western in double overtime. The Gryphs qualified for the CIAU University Cup Tournament for the 3rd consecutive year. They advanced to the title game of the CIAU's with a 4-1 victory over the Calgary Dinosaurs, however, dropped the gold medal game 5-1 to Moncton, winning the silver medal for the 2nd straight year. Chris Clancy and Todd Wetzel were selected to the CIAU All Tournament Team. Goaltender, George Dourian, was recipient of the Most Valuable Player Award in the semi final contest. Centre, Todd Wetzel, as named the Most Valuable Player in the East Division as well as being "selected to the OUAA First Team and CIAU All Canadian Team. Defenceman, Paul O'Hagan, was also an OUAA First Team All Star while defenceman, Dave Anderson and forward, Chris Clancy, were Second Team selections.

1993-1994

The Gryphons won their first OUAA Hockey title since 1980 as they defeated the Western Mustangs 2-1 in Guelph. Guelph, who had finished in first place in the Mid East Division with a 15-10-1 record, defeated Toronto in a best of three series 2-0 and edged UQTR 3-2 in the OUAA semi final to earn their berth in the championship. They then advanced to the CIAU Nationals in Toronto and again defeated Western 6-5 in double overtime in the semi final before running out of steam in the championship game dropping a 5-2 decision to the Lethbridge Pronghorns. Todd Wetzel was selected as the OUAA Rookie of the Year and Eric Ross, who became the leading scorer in Gryphon history, was named the Most Gentlemanly Player in the OUAA. Wetzel and defenceman, Paul O'Hagan, were selected as OUAA East Division Second Team All Stars.

1992-1993

The Men's Hockey Team advanced to the CIAU National Championships for th first time since 1980 and were the OUAA West Division winners. Steve Perkovic was selected as an All Canadian and was joined on the OUAA All Star Team by Rob Arabski and Jeff Wilson. The team had a record of 16-5-1 and won the division by defeating Windsor and Waterloo in best of three series. They dropped the OUAA final to Toronto 5-4 in double overtime and again lost 3-2 to the Blues in a CIAU semi final. The team hopes to improve on their record next year with a strong core of returnees.

1991-1992

The Men's Hockey team had their most successful year in the past decade as they finished just one game short of a trip to the national championship. The team finished in third place in the very tough West Division and set a school record with their 15-7-0 record. After defeating Laurentian in a sudden death quarter final the Gryphons downed the defending division champion, Waterloo Warriors, in a, best of three series. In the West Division final, Guelph dropped the deciding game to Laurier. Rob Arabski was selected as a CIAU All Canadian as well as the MVP of the West Division. Goaltender, Jeff Wilson, was also the Rookie of the Year in the West Division.

1990-1991

For the second year in a row, the Gryphon Hockey team eliminated the Western Mustangs in the divisional quarter finals. They then extended the eventual champion, Waterloo Warriors, to a third and deciding game in the semi finals. Dan Haylow was named CIAU Rookie of the Year and three Gryphons were among the scoring leaders.

1989-1990

The Gryphons laid the foundation for a future championship team by finishing fifth in the tough OUAA West Division with a 10-12-0 record but knocked off fourth place, Western, in the division quarter finals. The team then met eventual OUAA champion, Laurier, but dropped a two out of three semi final series. Steve Perkovic was selected as the OUAA Rookie of the Year and the opening of the new arena makes next year look even better.

1988-1989

It is with sadness and joy that we played our last intercollegiate game in Pigmy Gardens ("University Arena"). The rink dates back to 1914. This rink stood until about 1920 when it collapsed. The rink was rebuilt using the original girders and narrowed by 10 feet/ hence the present arena. To pay for the arena, shares were sold, this was handled by the Co-op. When the rink was paid off, it was sold for \$1.00 to the Athletic Board. Artificial ice was put in around 1950 by the students. For a number of years the men's intercollegiate team played their games in this arena and then went on to play downtown. The women have played all their games in this arena. Adieu little arena, it has been fun, we won six O.W.I.A.A. Championships over the years. We look forward, as do the men, to our new twin pad arena opening December 1, 1989.

Despite failing to qualify for the playoffs in the tough Central Division, new coach, Marlin Muylaert, put together a competitive team that earned the respect of the competition. Included in their regular season record of 7-15-4 were two victories in three starts against the defending CIAU Champion, York Yeomen. Todd Richardson finished among the scoring leaders with 41 points and was second to Western's Scott Tottle in the Divisional goal scoring race with 25 goals.

1987-1988

This year, under a new league alignment, found the Gryphons in the Central Division of the OUAA. This was the toughest league in Canada as two Central Division teams, York and Western ended up meeting in the CIAU Championship Game. Guelph managed a 6-18-2 record but a number of young players gained valuable experience for next season.

1986-1987

The men's hockey team made a late season surge to gain a berth into the quarter finals where they lost to pennant winning Western Mustangs 2-0 in a best-of-three-series. Rookie defenceman Tom Hogg was the team's top scorer as he compiled 11 goals and 22 assists over the course of the regular season. With only three players lost to graduation, the future looks bright for next season.

1986-1985

The Gryphons finished eighth in the thirteen team OUAA Hockey League with a 9-13-2 record. Despite some fine efforts, youth and inconsistency hurt the Gryphons in key situations. With a years experience under their belts, the team will be back in the playoffs next season. Individually John Ricketts led the team in scoring with 15 goals and 19 assists for 34 points.

1985-1984

The Gryphon hockey team had another successful season finishing 13-8-3 which was good enough for sixth place and a playoff berth in the competitive OUAA hockey league. Guelph finished only three points out of third spot and highlighted the year by taking seven out of a possible eight points from eventual league finalists York and Western. Bruce Kilgour was selected as a first team OUAA All-Star on defence for the second consecutive year and forward Ken Burton made the top ten league scorers with 20 goals and 25 assists for 45 points. The Gryphons were also York University Invitational Tournament Champions. In qualifying for the league playoffs, Coach Bud Folusewych has guided his team to post-season berths in eight of the past ten years and also recorded his 200th career coaching victory during a European tour over Christmas.

1983-1984

The Hockey Gryphons started off slowly but put together a seven-game winning streak in the new year that eventually led them to a solid fourth place finish in the thirteen team OUAA hockey league. In the playoffs, they defeated Laurentian in the quarter-final but bowed in straight games to defending champion Toronto in the semis. Bruce Kilgour was selected as a first team All-Star on defence, while the potent line of Tim Burton, Ken Burton and Roy Russell all were among the top dozen scorers in the league. With a solid nucleus returning next season, the Gryphons may be able to regain the league title.

1982-1983

The season started on a good note including a top ten rating, but injuries riddled the team from December through February. Ray Irwin became the third all time leading scorer as he captured a third straight all-star berth. The teams penalty killing unit established a league record with seventeen short handed goals.

1980-1981

There was no truth to the rumour that the Men's Hockey Gryphons were getting rebates on their OHIP this season, but the government should have thought about it. In a terrible season for injuries, the defending OUAA Champions still managed to end up fourth in the regular season. They unfortunately ran out of legs against York in the quarter final, and saw their dream of three titles in a row go out the window. Following the season, both Ray Irwin and Bruce Jackson were named to the All-Conference All-Star team.

1979- 1980

This year, hoping to improve on last seasons Ontario Championships, Coach Folusewych has focused on his recruiting system. A new format will be set up for this season. Instead of three divisions in the OUAA, all 12 teams will play in one league. Each team will play 22 games, with the top two teams receiving a bye in round one of the playoffs. The next four teams will play sudden death, with the semi-finals and finals all best of three affairs. Coach Folusewych believes this to be a giant step forwards for university hockey in Ontario.

1978- 1979

Won OUAA's West Division, and went on to defeat Windsor, Western and McMastert o capture their second OUAA championship. This was an exceptional season for the hockey Gryphons. They amassed a 23-9-4 record overall, including a 10-3-3 regular season cleip to become the first gryphon team to ever win a divional title. Unfortunately the Gryphons ran into difficulties on the CIAU championship round-robin in Montreal dropping consecutive games to Dalhousie and Chicoutimi, but many still feel that the Gryphons were the only team that could have given the Albertans a run for the national title.

1977-1978

Last place finish.

1976 – 1977

The hockey Gryphons posted another successful season, posting a nine win, seven loss, four tie record in league play for second spot before losing to York University 5-4 in the OUAA semi- finals. Over all the squad recorded seventeen wins, eleven losses, four ties.

Individually, Brad Pirie and High Mitchell tied for third spot in the OUAA scoring with Lorne Jarrett, Mark Perras and Kevin Cornforth 4th, 5th, and 6th.

Brad Pirie and Lorne Jarrett were named to the league's first all-star team with Pirie going on to become the second gryphon in history to be named All- Canadian.

The team recorded another Gryphon first with a Christmas tour of Europe including four wins in four games. The team defeated Heerenveen, Holland 6-5 to win the Thialf Cup. Their tour included stops in Holland, Belgium, Austria and Switzerland.

1970-1971

The Gryphons climbed a notch in the league standings this year with a third place finish . The highlight of the season would have to be a 6-5 victory over the Toronto Blues who went on to capture the OQAA and the CIAU Championships. The team was basically a young team with a great deal of rookie talent in the line-up. Ken Lockett enjoyed an outstanding season in the Gryphons nets and was named to the league's all-star team. Rod Hare who led the team in scoring was named to the second all-star team.
