

Men's Football History

2022-2023

Regular Season Record: 1-7 (9th in OUA)

Playoff Record: N/A

For the first time in 10 years the Guelph Gryphons missed the OUA playoffs and posted a sub .500 record for the first time in 5 seasons, going 1-7 in regular season play. The Gryphons opened the season with a matchup against the defending Vanier Cup Champions and U SPORTS No. 1-ranked Western Mustangs. After playing a close first half, the Gryphons would ultimately fall to the Mustangs 34-11. Following their week 1 loss the Gryphons would make their season debut on the U SPORTS Top 10 rankings at No. 10 but find themselves removed from the rankings following a hard-fought 28-24 loss to the Windsor Lancers in their Home Opener at Alumni Stadium. In addition to being the Gryphons first home game, the match with Windsor was also the first appearance of University of South Carolina transfer quarterback Jake Helfrich. After an 0-2 start to the season the Gryphons would head to Waterloo for a matchup with the No. 8-ranked Waterloo Warriors. The Gryphons would head home with their first win of the season, defeating the Warriors 41-35 in a high-octane affair that ended with an Isaiah Smith touchdown run with 53 seconds remaining. In week 4 the Gryphons would make the trip to Ottawa for a matchup with the No. 9-ranked Ottawa Gee-Gees. Playing their second ranked opponent in as many weeks the Gryphons fall to 1-3 after a 46-10 loss to the Gee-Gees. Their next game would come on September 24th against the No. 4-ranked Queen's Gaels who would be visiting Alumni Stadium for the Gryphons homecoming game. In what proved to be the Gryphons worst loss of the season the Gaels would leave Guelph with a 62-11 win. After a week 6 bye, Guelph would host the McMaster Marauders in the annual Highway 6 Bowl. 6 Gryphon turnovers would lead to another tough loss where the Gryphons would be held to under 20 points for the 4th time of the season, losing 41-12. After being mathematically eliminated from the playoffs the Gryphon would play out their final regular season games with back-to-back losses against the No.9-ranked Wilfrid Laurier Golden Hawks (38-25) and the the Carleton Ravens (35-24).

The Gryphons offence in 2022 was led by first year running back Isaiah Smith who took home OUA rookie of the year after rushing for 495 yards and 3 touchdowns. Smith was also named to the 2022 OUA All Rookie Team. Also aiding the offence was third year receiver Vyshonne Janusas who earned first-team OUA All-star honours after a 30 catch, 552 yards, and 2 touchdown season performance. On defence the Gryphons were led by All-Canadian talents Harrison Bagayogo and Scott Murray. Bagayogo took home first team OUA All-star and first team U SPORTS All-Canadian honours after another exception season in the Gryphon secondary. Bagayogo tallied 11 total tackles, a forced fumble, and 2 interceptions throughout the 2022 season. Rounding out the Gryphon All-Stars was linebacker Scott Murray. Murray took home first team OUA All-Star status and second team All-Canadian honour after a breakout season where he posted 19 tackles, 11 of which were for a loss, and 6 sacks which was good enough for 7th in the nation.

2021-2022

Regular Season Record: 3-3 (3rd in OUA)

Playoff Record: 1-1 (Lost to the Western Mustangs in the OUA West Division Final)

The No.7-nationally ranked Guelph Gryphons Football team capped off another successful season with five Gryphon players named U Sports All-Canadians, matching the program's single-season record for the first time in twenty-eight years. It was a hard-fought regular season as the Gryphons placed 3rd in the OUA with a 3-3 record. With four teams in OUA finishing with identical records, playoff qualification would come down to a tiebreaker that saw the Gryphons emerge as the No. 3-seed. They matched up against the No. 2-seeded Laurier Golden Hawks in the OUA West Division Semifinals for the first time in 11 years (since 2010). The Gryphons would achieve a 31-18 road victory, highlighted by a 43-yard touchdown pass from Shawn Lal to OUA Second Team All-Star Clark Barnes (who led the OUA in touchdowns). Guelph secured a spot in the OUA final four for the 4th consecutive season where they matched up against the Western Mustangs in the OUA West Division Finals. The Gryphons found themselves trailing 14-9 by the halfway mark of the match. While the Gryphon defence was able to subdue the Western rushing attack to 183 yards (72 below their season avg), their season would conclude with a 33-12 loss to the Mustangs. Clark Barnes (offence), A.J. Allen (defence) and Eric Stranz (special teams) were all named Gryphon "Players of the Game". Aiding the defence (3rd in scoring in the OUA) was linebacker A.J. Allen. The 5th-year took home the President's Award for Outstanding Stand-Up Defensive Player (only the fourth Gryphon to do so and the first since John Rush in 2015). Fourth-year Kiondre Smith became the only U SPORTS athlete to be named an All-Canadian at two different positions, at both receiver and returner. Kicker Eric Stranz led the team in scoring with 62 points (2nd in the OUA) and was named a First Team All-Canadian after his impressive 17 field goals (1st in the OUA and 2nd in U SPORTS). Third-year Harrison Bagayogo was the first Gryphon defensive back

to receive a U SPORTS First Team All-Canadian status since the 2009-10 season (James Savoie). Mike MacDonald became the second coach in the program's history to be awarded the U SPORTS Volunteer Coach of the Year (Gino Fracas Award) alongside his OUA Volunteer Coach of the Year win for outstanding career service by a volunteer coach.

2019-2020

Regular Season Record: 6-2 (3rd in OUA)

Playoff Record: 1-1 (lost to McMaster in OUA Semi-Final)

The Guelph Gryphons Football team were looking to bounce back from their Yates Cup loss to Western in 2018 season. It was another year of transition for the Gryphons team as Ryan Sheahan took over the program as head coach, and they added a new offensive, defensive, and special teams coordinator. After a home opening loss to McMaster, the Gryphons were able to string out three straight victories. In week 6, fourth-year defensive back Graham Brodie was named U SPORTS Defensive Player of the Week following a two INT performance including a pick-six to defeat Ottawa on Homecoming. After a loss in the middle of the season to Western, the Gryphons won three straight to end the season including a nail-biting 27-24 OT victory over Queens in week 8 to finish 3rd in the OUA. In the OUA quarter-final against Carleton and the Gryphons down 17-16, Siriman Harrison Bagayogo managed to block a punt and recover it in the endzone for a score with only 1:04 left to play. The Gryphons would come up short the next week in the OUA semi-final losing to McMaster 9-19, which would be the last game for fifth-year senior QB Theo Landers. First-year player Clark Barnes earned OUA First Team All-Star and U SPORTS First Team All-Canadian honours with a breakout rookie season where he led the OUA in kick return touchdowns with 3. Coach Sheahan produced 5 OUA all-stars in his first season which signifies a bright future ahead for the Gryphons.

2018-2019

Regular Season Record: 5-3 (3rd in OUA)

Playoff Record: 2-1 (lost to Western in Yates Cup)

There was a changing of the guard for Gryphon Football with Todd Galloway taking over as interim head coach in what proved to be a memorable 2018 season. Guelph had to overcome plenty of adversity in the early going after losing three of the first five games by an agonizing combined total of just four points. But the Gryphons manufactured a great turnaround that began in week 6 with a big 27-24 road win over the Laurier Golden Hawks. After a much-needed bye, fourth-year quarterback Theo Landers and breakout running back Jean-Paul Cimankinda helped Guelph orchestrate defeats of the Toronto Varsity Blues and the Waterloo Warriors to finish the season with a three-game win streak. The Gryphons pulled off an incredible 47-44 double overtime victory against Waterloo in the season finale and they repeated the feat in the OUA quarter-final, knocking off the high-octane Warriors 45-34. Guelph was on the brink of elimination on the road down 11 points late to the Ottawa Gee-Gees. But 17 unanswered fourth-quarter points, capped by an incredible 59-yard touchdown catch from Thomas Bresciani in the final minute, propelled the Gryphons to a 27-22 win and a berth in the 111th Yates Cup. The upstart Guelph team didn't have enough against the powerhouse Western Mustangs, losing the title game 63-14. The Gryphons produced seven OUA All-Stars, including fifth-year linebacker Luke Korol, who was also named an All-Canadian after leading the country with 9.3 tackles per game.

2017-2018

Season Record: 5-3 (5th in the OUA)

Playoff Record: 1-1 (lost to Western in OUA semi-final)

Expectations were high for the Gryphons football program heading into the 2017 OUA season. Two narrow overtime losses, including a heartbreaker in London against the eventual Vanier Cup Champion Western Mustangs, was a difficult way to start off the year. But Guelph would show the resolve of a great team, winning five of the six remaining games on the regular season schedule, a run that started with a record-setting 81-10 home win over Windsor on Saturday, Sept. 9. That point total marked the most ever scored by a Gryphons team in school history. Guelph had to deal with the loss of their veteran quarterback James Roberts, who was hurt in the Homecoming game against McMaster, but backup Theo Landers took the reins and helped the team to three straight wins for a 5-3 record. The Gryphons entered the OUA playoffs with momentum and produced a big 30-8 road win over the Ottawa Gee-Gees in the quarter-final. Guelph's solid season would come to an end in London when they fell to the powerful Mustangs in the semi-final.

The Gryphons had several incredible individual achievements in 2017. Fifth-year running back Johnny Augustine climbed to second all-time on the U of G rushing list, while also establishing the school record for rushing touchdowns at 19. First Team All-Canadian kicker Gabe Ferraro had a year to remember, establishing the U SPORTS single-season record with 33 field goals, eclipsing his brother Daniel's record of 26. The Mississauga, ON native also set the school record for points in a season (126) and career field goals (69).

2016-2017

Season Record: 3-5 (6th in OUA standings)

Playoff Record: 0-1 (lost at McMaster in OUA Quarterfinal)

For the first time in five years, the Gryphons posted a sub-.500 record during the regular season, finishing 3-5 and sneaking into the OUA playoffs as the No. 6-seed. The Gryphons, who entered the 2016 season as defending Yates Cup champions, officially saw their hopes of repeating as conference champs come to an end following a hard-fought 17-11 loss in Hamilton to the No. 3-seeded McMaster Marauders.

After a season opening win over U of T, the Gryphons were upset on the road in Windsor in Week 2, losing 33-29 to the Lancers. The Gryphons would bounce back the following week with a win over Queen's. Despite the fact that the Gryphons were victorious in Week 3, the team fell out of the CIS Top 10 rankings. It marked the first time since Week 6 of the 2012 season that the Gryphons were not ranked nationally, snapping an impressive streak of 37 consecutive polls in which Guelph was ranked in the Top 10.

The Gryphons would go on to lose each of their next four games, all of which came against opponents who were themselves ranked in the national Top 10 (Ottawa, Western, McMaster & Laurier). Despite the four-game skid, the Gryphons were able to finish strong with a win over York in the regular season finale to earn a playoff berth, marking the fifth straight season the Gryphs reached the postseason.

The playoff game at McMaster came down to the final play, with James Roberts being intercepted near the Marauders endzone in the dying seconds.

The 2016 season also marked the first season in charge for interim Head Coach Kevin MacNeill. MacNeill spent the previous six seasons as the team's defensive coordinator.

2015-2016

Season Record: 7-1

Playoff Record: 2-1 (beat Western in Yates Cup, lost to Montreal in Mitchell Bowl)

For a fourth consecutive year, the Gryphons posted a 7-1 record during the regular season, good for 2nd in the OUA standings. After earning a first-round bye, the Gryphons played host to the OUA's No. 5-seed in the Carleton Ravens. Thanks in large part to third year running back Johnny Augustine (35 carries, 245 yards, 2 TDs) the Gryphons won 33-21 over Carleton to book a spot in the Yates Cup for the third time in a four year stretch.

For the 108th edition of the Yates Cup, the Gryphons would travel to London to face the No. 1-ranked team in the country in the Western Mustangs. After trailing through the first three quarters, the Gryphons would outscore Western 13-0 in the 4th and hang on to win 23-17 in what was U of G's first Yates Cup title since 1996. The Gryphons would then welcome the defending Vanier Cup champion Montreal Carabins to Alumni Stadium for what was just the second bowl game to be played on the U of G campus in school history (the only other being the 1984 Central Bowl which Guelph won 12-7 over Calgary). In the Mitchell Bowl, the Gryphons lost 25-10 to Montreal, ending a remarkable 2015 campaign.

Several regular season records were set by the Gryphons during the 2015 season. Return specialist Ryan Nieuwesteeg led the country with 846 punt return yards. That total was a single-season school record and was also the second highest single-season total in CIS history next only to Laurier's Dillon Heap who had 912 punt return yards in 2009. Nieuwesteeg also became the Gryphons all-time leader for punt return yards in a career. His 1,592 career punt return yards put him No. 1 in U of G history, surpassing Michael Palmer who now sits in 2nd with 1,211 career punt return yards.

QB James Roberts set a new Gryphon record with 18 TD passes during the regular season (surpassing the previous mark of 17 set by Justin Dunk in 2007), while RB Johnny Augustine set a single-season school record with 12 rushing TDs during the regular season (surpassing Gerrit Stam's mark of 11 set in 1996). Finally, receiver Jacob Scarfone set a U of G single-season record with 940 receiving yards in 2015 (surpassing Jeff Keegan's mark of 936 set back in 2005).

The Gryphons opened the season as the No. 6-ranked team in the CIS Top 10 and remained in the Top 10 rankings every week of the season (never falling lower than No. 7 and finishing as No. 5 in the final ranking of the year).

The 2015-2016 football season also marked the final year in charge for Head Coach Stu Lang who moved into an advisory role shortly after the season. Defensive Coordinator Kevin MacNeill was named Interim Head Coach on January 11, 2016.

2014-2015

Season Record: 7-1

Playoffs: 1-1 (Lost to McMaster in the Yates Cup)

For a third straight year the Gryphons finished the regular season with a 7-1 record, earning themselves a second place finish in the conference and a first-round bye. In the OUA semi-finals, the Gryphons would play host to rival Western. After defeating the Mustangs on a last-second field goal in their regular season meeting, the Gryphons would once again come out on top, this time by the tune of a 51-26 victory. With the win, the Gryphons advanced to the 107th Yates Cup which was a re-match of the 2012 edition – Guelph versus McMaster, in Hamilton. The Gryphons would fall just short of securing their first Yates Cup title since 1996, as they would lose 20-15 to the Marauders (despite the fact that McMaster was held without an offensive touchdown in the game).

Overall, 2014 was another impressive year for the Gryphons in which numerous records were set. Kicker Daniel Ferraro set the CIS single-season record with 26 made field goals (surpassing the mark of 25 set by Laval's Christopher Milo in 2008). Quarterback Jazz Lindsey set the single-game school record for passing yards (514) and completions (34) in a 49-46 victory over Western. Alex Charette led the Gryphons in receptions (62), receiving yards (742) and receiving touchdowns (7) while running back Rob Farquharson moved up from eighth to second on the Gryphons' list of all-time leading rushers (his total of 2,675 career rushing yards are second only to Nick FitzGibbon's 3,601). The Gryphons were also well represented on defence and special teams; Curtis Newton's 49 solo tackles were tied the top spot in the OUA, Nicholas Parisotto's four interceptions were the second-highest total in the conference, and return man Ryan Nieuwesteeg led the OUA in punt return yards (739).

The Gryphons had a total of 13 players named to the OUA All-Star team, while two players were recognized nationally as linebacker Curtis Newton and return specialist Ryan Nieuwesteeg were named Second-Team All-Canadians.

The Gryphons were listed in the CIS Top 10 polls every week of the season and were ranked as high as T-4 (Oct. 21 alongside the eventual Vanier Cup champion Montreal Carabins).

2013-2014

Season Record: 7-1

Playoffs: 1-1 (Lost to Queen's in the OUA Semifinals)

The football team continued their momentum from last season and finished the 2013 season with a 7-1 regular season record, earning themselves the third place spot in the OUA standings. They were able to win their quarterfinal game against the Windsor Lancers with an exciting 31-21 win, moving on to face Queen's in the OUA semifinals. Hoping to repeat their 2012 season, the football team was looking to once again move on to the Yates Cup final, but was unfortunately knocked out of the playoffs by the Gaels with a 34-17 final in Kingston.

Although their season was cut short, the football team had a number of players receive conference all-star status. Fifth year offensive lineman Cameron Thorn was named a second team CIS All-Canadian and a first team OUA all-star. Rookie Andrew Graham was named a first-team OUA all-star after finishing with 19 special teams tackles, 2.5 sacks and one interception.

Four players were named to the OUA second team including Jakob Piotrowski, A'dre Fraser, Cam Walker and Taylor Palmer. Fraser led the team in kick return yards with a total of 205 yards and an impressive 472 yards on punt returns. Walker finished the season with 26.5 tackles and four sacks while Palmer had his best season for the Gryphons with 26 tackles, five game-changing interceptions, and two break-ups.

Running back Johnny Augustine and defensive back Orion Edwards were both named to the OUA all-rookie list. Augustine had a great first season with the Gryphons, rushing for a total of 393 yards, averaging 6.7 yards a carry. Edwards finished the season with a total of 12.5 tackles and one interception.

2012-2013

Season Record: 7-1

Playoffs: 1-1 (Lost 30-13 to McMaster in Yates Cup)

The football team had an incredible turn around year to finish the regular season with a 7-1 mark to grab the second spot in the OUA standings and earn a bye through the first round of playoffs. In the OUA semi-finals, the Gryphons squared up against the Queen's Gaels and stood tall to punch their first ticket to the Yates Cup with a 42-39 win. Unfortunately, in the Yates Cup Final in Hamilton, the Gryphons season was brought to an end at the hands of the undefeated McMaster Marauders with a 30-13 final.

In their cinderella season, the Gryphons saw quite a few players named to the OUA All-Star Teams. Rookie kick returner A'dre Fraser (Halifax, NS) and second year rush/cover Cameron Walker (London, Ont.) were both named OUA First Team All-Stars. After rushing for 936 yards and seven touchdowns, third year running back Robert Farquharson (Niagara Falls, Ont.) was named an OUA Second Team All-Star along with receiver Dillon Dimitroff (Burlington, Ont.) who racked in 330 receiving yards and two touchdowns. Offensive tackle Matt Richardson (Caledonia, Ont.) rounded out the offensive Second Team All-Stars. On the defensive side of the field, the Gryphons received three OUA Second Team All-Star nods including linebacker John Rush (Niagara Falls, Ont.), defensive end Mike Millar (Port Colborne, Ont.), and defensive halfback Bryan Dunjko (Aurora, Ont.). Rush led the Gryphon defence with 55 tackles (41 solo) and 4.5 sacks to climb to second in the OUA defensive rankings. Millar and Dunjko were both critical to the defence that carried the Gryphons into the postseason.

Fifth-year defensive back Zach Androschuk (Sarnia, Ont.) also received the prestigious Russ Jackson Award recognizing excellence in football, academics, and citizenship.

2011-2012

Season Record: 2-6

The Gryphon men's football team's season came to an early end this year with a 15-10 loss to the Laurier Golden Hawks at Alumni Stadium. With the loss, the Gryphons finished the season at 2-6, not good enough to secure a playoff spot. Receiver Jedd Gardner (Niagara Falls, ON) became the Gryphons' all-time leader in receptions with 153 during the final game of the season.

Despite not qualifying for the playoffs, the Gryphons still saw success in the OUA. Two Gryphons were named to the OUA Second Team including Sebastian Howard (Niagara Falls, ON) and Bryan Dunjko (Aurora, ON). Assistant coach Brian Cluff was awarded OUA Volunteer Coach of the Year. Sebastian Howard was steady all season and cover Bryan Dunjko was integral to the defensive unit and picked up four interceptions to finish second in the league.

While their season may have come to an early end, the future for the Guelph football team looks to be in good shape heading forward.

2010-11

Season Record: 4-4
Playoffs: 0-1

Guelph had a balanced 2010 season, which saw the Gryphons finish the regular season with a 4-4 record. In the playoffs, the Gryphons were matched up against the Laurier Golden Hawks during the quarter-finals. The game finished a disappointing 42-10, after Guelph lost both quarterbacks due to injury.

Despite the early end to the post season finals, the Gryphons still had great success in OUA standings and accomplishments. Eight Gryphons were named OUA all-stars and one was named CIS second-team All-Canadian.

Nick FitzGibbon (Puslinch, Ont.) was awarded CIS Second Team All-Canadian status. The team captain led the OUA with 804 rushing yards on 148 carries. He finished the season with two touchdowns and also had 18 receptions for 118 yards. The fifth-year senior is a four-time OUA all-star and was named the 2006 OUA Rookie of the Year. He caps off his five-year career as the all-time leading Gryphon in most yards rushing with 3603 on 601 carries. He also finishes tied for sixth on the CIS all-time list for career all-purpose touchdowns with 40.

2008-2009

After a slow start to the season, the Football Gryphons battled to win three of their last four games and finish with a regular season record of 4-4. That was good enough to earn them fourth place in the OUA and clinch a home playoff game. Unfortunately, the Gryphons lost to the Ottawa Gee-Gees in the first round of the playoffs 42-37 at Alumni Stadium. The Gryphons earned a total of seven All-Star selections. Jedd Gardner (Niagara Falls, ON) and Rob Maver (Brampton, ON) were named double All-Star recipients. Gardner was a First Team All-Star as a wide receiver and Second Team All-Star as a kick returner. He was third in CIS receiving with 812 yards and four touchdowns. He ran the ball three times for 39 yards and returned six punts for 505 yards and two kickoffs for 91 yards. Maver was a First Team All-Star place kicker and punter. He led the CIS with 3,090 punt yards and OUA with 18 field

goals. He averaged 46.12 yards on 67 punts and 55.17 yards on 35 kickoffs. At the CIS level, the Gryphon team received four All-Canadian nods. Kicker/punter Rob Maver was named both a First Team All-Canadian as one of the best special team players in the country in the punting category and a Second Team All-Canadian in the kicker category. Meanwhile, James Savoie was named a First Team All-Canadian and Jedd Gardner a Second Team All-Canadian.

2002-2003

The Gryphon Football program looks forward to next year when they strive to improve upon their 2-7 OUA record. Despite an intensive recruiting campaign by the coaching staff, this young team was lacking in a few key areas. A quarterfinal playoff match-up against the 8-0 McMaster Marauders, eventual OUA champions, saw the team's hope of advancing disappear. Mike Palmer and Mike Hradil collected OUA First Team All-Star Honours. Palmer was 4th in the OUA in receptions with 42 catches and 4th in receiving yardage with 690 yards. He was also a force on the ground returning 31 punts for 235 yards and 16 kick-offs for 192 yards. Capping off his career, team captain and line backer, Hradil, led the OUA in tackles with 58 for the second year in a row.

2001-2002

Under the new leadership of Head Coach, Tom Arnott, the Gryphons posted a 3-5 record in the 2001 campaign for a 7th place finish. With convincing victories over York and Toronto, the Gryphons got off to a 2-0 start. Week 6 saw the Gryphons put another mark in the win column with a victory over Waterloo. On an individual note, three Gryphons were selected as First Team All-Stars. Mike Palmer earned honours at both the inside receiver and special teams returner positions. Statistically, he was 2nd in the OUA and 3rd in the country in kickoff returns by average with 22.9. Jonathan Bohnert was top vote getter at wide receiver and 5th in the OUA in receiving with 42 completions for 598 yards and 6 touchdowns. Norm Nasser, 5th in the OUA punting category with 85 punts for 3172 yards was selected as place kicker. Teammates, Elvio Bomben and Mike Hradil, leader in the OUA and 3rd in Canada in unassisted tackles with 60, were selected to the Second Team. 1992-1993

The Gryphons captured the Yates Cup and the OUAA Championship for the first time since 1984 with an impressive 45-10 win over the Western Mustangs at SkyDome. The Gryphons finished the regular season with a 4-3 record which put them in fourth place, but they scored a dramatic come from behind overtime win over first place, Toronto, in the league semi finals. In the Churchill Bowl Game, the Gryphons fell just one touchdown short of the eventual Vanier Cup Champion, Queen's Golden Gaels, dropping a 23-16 decision. Linebacker, Mike O'Shea, was selected as a First Team All Canadian and the OUAA Outstanding Defensive Player. Offensive tackle, Rob Wesseling, defensive tackle, Shawn Hagarty, and wide receiver, Dave Irwin were Second Team All Canadians and were joined as OUAA All Stars by, Rob DiGravio, Jim Stewart, Steve McKee, Kevin Reid, Rob MacRae and Hugh Tharby.

1991-1992

Some early season injuries put the Gryphons in a difficult position and a pair of close losses to eventual Vanier Cup champion, Laurier and Toronto put an end to hopes of returning to the OUAA playoffs. Individually however, there were a number of outstanding accomplishments. Frank Marof returned to slot back and tied an OUAA record by catching 60 passes in the regular season. Marof was a unanimous selection to the First All Canadian team while defensive back, Bryan Maltby was a second team selection. Quarterback, Rob Kitching, filling in for the injured Wally Gabler led the OUAA in completion percentage connecting on 56.8 percent of his passes for 1219 yards. Team List:

The Gryphons extended their league record for making the playoffs to ten years as they finished the regular season with 5 wins and 2 losses. Despite a disappointing loss to Toronto in the semi finals quarterback, Mike Shoemaker highlighted the year by winning the Omega Trophy as the outstanding player in the OUAA for the second consecutive season. Dan Tocher and Bryan Maltby were first team OUAA All Star selections while Tom Newbigging, Bob McLay, Frank Marof, Paul Dragojlovich and Pat Nield made the second All Star team.

The football team had another highly successful season finishing with a 4-1-2 record before dropping a 31-24 decision to Laurier in the OUAA Semi Finals. Quarterback, Mike Shoemaker, who led the league in passing was the first Gryphon to win the Omega Trophy as the league's outstanding player. Jim Farrell was selected as a First Team All Canadian while Shoemaker and offensive linemen, Gus Alevizos and Wasyl Saluchok were all named Second Team selections. Slotback, Bob McLay, and wide receiver, Dan Tocher, joined the others on the First OUAA All Star Team while defensive back, Bryan Maltby, linebacker, Wayne England, and defensive end, Paul McDermott were second team choices. Running back, Chuck Sims, was also named OUAA Rookie of the Year and the first winner of the Norm Marshall Trophy.

1987-1988

Despite a slow start, the football team made the playoffs for the eighth consecutive season and pulled the upset of the year knocking off previously unbeaten Western in the semi-finals 22-20 in London. The Gryphons advanced to the Yates Cup Game for the third time in the past four seasons but dropped a 28-15 decision to Laurier despite a staunch effort. Jim Farrell and Rick Kohler were named to the first Ail-Star Team while Mike McLarnon, Dan Wicklum and Tom Dimitroff made second team.

Wicklum was also the second player chosen in the recent CFL Draft by the Winnipeg Blue Bombers. New coach, Dan McNally, can look forward to an even better season in 1988.

1986-1987

The football team had another successful season as they finished in second place in the regular season with a 5-2 record and made another appearance in the Yates Cup Game. This was accomplished despite having a large number of first year players especially on defence. Guard Lou Godry was named J.P. Metras Trophy winner and made the All-Canadian team for the second consecutive year, and was selected to play in the East-West Shrine Game in Palo Alto, California. Other Gryphons who were accorded All-Star honours were Al Anonech and Gus Alevizos who made the second team All-Canadian stakes. Mark Hurst was named a first team OUAA All-Stars Place Kicker. Rob Ciarafoni, Mike Knighton and Mike McLarnon were selected as second team OUAA All-Stars.

The Gryphons, while not repeating as National Champions had a successful season as they made the playoffs for a sixth straight season and had a four game winning stretch. Included in the highlights was a 24-22 victory at Western where the Gryphons won for a third straight time. Guard Lou Godry was selected to the All-Canadian team while no less than eleven Gryphons were named to league all-star teams. Guelph finished 4-3 and dropped a playoff game to eventual Vanier Cup finalist Western. Four Gryphons were also selected in the 1986 CFL draft.

1984-1985

The Gryphon football team did it all in 1984 as they brought the first ever National Championship to the campus. After winning the Yates Cup with a thrilling 31-26 victory over the Western Mustangs, the Gryphons then defeated the Calgary Dinosaurs 12-7 in the Central Bowl before more than 8,500 Alumni Stadium fans. They then proceeded to score a come-from-behind 22-13 victory over the Mount Allison Mounties in the Vanier Cup. Four Gryphons were named as OUAA first team All-Stars and wide receiver Parri Ceci, who set new Gryphon and OUAA receiving records, was named as an All-Canadian and the Ted Morris Trophy winner as MVP of the Vanier Cup. Dan Weiton won the Maury Van Vliet Trophy as MVP of the Central Bowl, while Randy Walters won the Dalt White Trophy as MVP of the Yates Cup game. The team had a 9-3 record overall and managed to do what no OUAA team had previously accomplished by taking a league title with two playoff wins on the road.

1983-1984

It was another impressive year for the football team as they finished 5-2 in the regular season and had a pair of impressive back-to-back wins over Western and Laurier. For the third year in a row, the defense led the OUAA and 1984 could even be better as fifteen lettermen return for that season. Jeff Volpe and Sam Benincasa were selected as OUAA First team All-Stars, while Louie Godry, Scott Leckie, Mimo Dimuzio and Jeff Yanchus were accorded second team All-Stars. Coach Tom Dimitroff was Coach of the Year and Benincasa added to his honours with an All-Canadian selection, a national award nomination and the Wildman Trophy. It was also an outstanding year when one considered the number of first year people who started or who made significant contributions.

1982-1983

Another outstanding year as the team posted regular season wins over Western and Toronto on consecutive weekends enroute to leading Canada in defence. Despite being ranked #3 in Canada the Gryphons were upset 26-20 by Western to fall just short of the coveted cup. A record four All-Canadian selections ended a banner year.

The football Gryphons had one of their finest seasons in recent memory, placing third with a 4 - 2 - 1 record and knocking off Toronto in the semi-final for a berth in the Yates Cup, emblematic of OUAA supremacy. Unfortunately, the Western Mustangs broke the bubble in an otherwise Cinderella like year.

1980-1981

"Close, but no cigar" is the only way to describe the football season this year, as the Gryphons almost tied the Western Mustangs in a semi-final game in London to force an overtime situation. It was an excellent year for the Gryphons, who ended the regular season 4-3, good enough for fourth place in the conference. Add to that a convincing win over the College Bowl bound Ottav/a Gee Gees and you come up with a great year. Following the season, Mike Hudson, Harry Doering, Carmen Sferrazza, Kerry Hiebert, Andy Balson, Sam Benincasa, Scott Hobson, and Mike Hughes were named All-Conference All-Stars. Hudson then went on to be named All-Canadian. At the CFL Draft, John Lowe and Jeff Inglis were both drafted by the Toronto Argonauts.

1979-1980

The Football Gryphons surprised a lot of people this season, going 3-4 and just missing the play-offs on the final day of the season. Outstanding runner John Lowe led the West Division with 625 yards on 97 carries, and along with offensive tackle Jeff Inglis was chosen to the all-star team.

1978-1979

This year's Gryphons were headed up by long time coach Dick Brown, a man known for his intense, dedicated, and industrious coaching style. Although the Gryphons' record of 2-5 left a bit to be desired there were certainly a number of areas that showed great promise for the 1979 season. All Canadian rookie-of-the-year, John Lowe, will be back for his second season with the Gryphons. This past season saw him run two straight 200-yard plus games, a feat seldom accomplished at the intercollegiate level. After dropping two one-sided saes vs. Western and Waterloo, the gryphons last back to back heart breakers against a vastly improve York squad.

Homecoming was a good day at Guelph as the home team ran up a 28-1 half-time lead and held on to win 29-22 over McMaster.

1976-1977

For the football Gryphons 1976 was a building year. Graduation losses included All Canadian Bruce Morris, Paul Whaley, John Kelley, Mike Telepchuk, Craig Holt and a host of others. Faced with this task Head Coach Dick Brown and his assistants rebuild. Despite a couple of early season losses the club began to put things together later in the year. A record of two wins and five losses included wins of 10-8 in McMaster and a very satisfying 42-7 Homecoming triumph over York Yeomen.

Offensively Craig Conklin and Mark Brown turned in outstanding performances while on defense tackle Tom Arnott enjoyed a fine season. Following the year, Arnott, the team's captain, was named as the 39th recipient of the Wildman Trophy along with Brian Anderson and Jim Cotta was selected in the Canadian Football draft of graduating collegians.

With most of this young team scheduled to return for the 1977 season there is optimism in the football future.

1975 – 1976

Gryphon Head Coach does not believe in doing anything halfway. Be it an offensive back teetering illegially into motion, a missed block or an unfair or incorrect ruling by an official, Coach Brown expects perfection or the closest possible substitute, honest effort. Bruce Morris was OUAA Rushing Champion, MVP.

1973- 1974

A revamped offensive system leads the University of Guelph Gryphons into the 1973 season. Coach Dick Brown's Gryphons will operate out of a diversified 'double slotback' line-up that provides a variety of offensive weapons.

Former All-Starr tackle and Edmonton Eskimo draft choice, Patt Lett (30) returns to the Gryphons after one year absence. A mobile 225 pounds, Pat will also run at a slotback sport where his experience and solid blocking will be key assets.

Dave Lane enjoyed a big day along the ground with 139 yards on Sept. 16th to give Guelph a 23-12 victory vs. McMaster.

1972- 1973

The Gryphons have a solid base for the running attack this season with the return of sophomore halfback Bruce Morris. Bruce, who led the team in rushing last season, will get lots of help from rookies Dave land and Phil Vandervoort. The Gryphon defensive unit, as has become traditional, will be strong again in 1972. Tackle Bill Gvoich heads the list of returnees and will once more anchor the front four. The Gryphons lost homecoming with a 23-3 debacle.

1970-1971

The Gryphon Football squad enjoyed a very successful season in 1970 and came within an eyelash of capturing the C.C.I.F.C title and advancing into post-season play. Post season honors for the Gryphons included six members of the Red and Gold names to the C.C.I.F.C all-star team. Tackle Patt Lett and guard Ted McEachern were names to the offensive team while end Bill Morrison, tackle Bill Pelton and defensive backs Roger Hunter and Dave Clarke made the offensive dream team. Morrison and Clarke were subsequently named co-winners of the Wildman Trophy.

Probably the most significant development in the University of Guelph football program this season is the appointment of Dick Brown as Head Coach. A former pro cornerback in the Canadian Football League, Dick approaches the game with the determination and toughness that made him an All-Canadian.

Football at the University of Guelph this season takes a giant step into the future with the opening of the new 4,000 seat stands in Alumni Stadium.
