2023-2024

Season Record: 5-17 (4th in OUA West)

Playoff Record: DNQ

The 2023-24 season was a tough one for the Gryphons. The team opened their season with a 4-game losing streak, however, they bounced back and they swept the Algoma Thunderbirds in back to back games in a dominating fashion. They won one and lost one against the the Laurier Golden Hawks but then the Gryphons went on a 3-game losing streak but redeemed themselves against the Windsor Lancers by winning with a large margin (104-83). The Gryphons then lost the next two games but won against the McMaster Marauders (90-84) which was their final win of the season. The Gryphons then had a 7-game losing streak and closed their season with a record of 5-17.

The 2023-24 edition of the Gryphons had a strong offensive season ranking 5th in points (1809) and points per game (82.2). The offense was led by the none other than the former OUA Rookie of the year and former member of the U SPORTS All-Rookie Team Dezayne Mingo. He led the team in points (583), assists (134) and minutes (902). He produced another triple double performance against the Western Mustangs with 18 points 11 assists and 11 rebounds. This brilliant display of his performance earned him a spot in the third team of the OUA All Stars. Adrian Morra also earned himself the Jack Tanner Rookie of the Year award for his exceptional performance, with 58 points, 6 assists and 163 minutes played.

2022-2023

Season Record: 11-11 (3rd in OUA West)

Playoff Record: 1-1 (Lost to the Windsor Lancers in OUA Quarterfinals)

The Gryphon men's basketball team experienced a strong season in 2022-23, picking up their first playoff win in over a decade. It was a season of runs for the U of G basketball team, with nearly every win and loss coming in a streak. After opening the season 0-3 the team quickly bounced back to .500 with a trio of wins. The next six games would see the team pick up six losses before going on a 5-game win streak to sit at 8-9 with 5 games to go. After a 3-2 record to close out the season the Gryphons locked up the 11 seed in the OUA playoffs, setting up a rematch with the Lakehead Thunderwolves. In their opening game of the regular season the team fell to the Thunderwolves 91-77, but the team would avenge that loss with an opening round upset of the 6-seeded team from Thunder Bay. It was rookie Dezayne Mingo who led the charge, scoring 21 points in the 67-64 postseason victory. The playoff win was the Gryphons first since the 2011-12 season where the Gryphons upset the Laurier Golden Hawks. In the quarterfinals the Gryphons took on the 3-seeded Windsor Lancers in their 3rd meeting in 5 games. Unfortunately for Guelph they were unable to recreated their 74-73 win over the Lancers in their season finale and saw their 2022-23 season come to an end in a 93-74 loss.

The 2022-23 edition of the Gryphons was one of the most explosive teams in program history, ranking 4th in total offence and defense. On offence the team was led by freshman guard and OUA Rookie of the Year Dezayne Mingo. Mingo became just the sixth player in program history to earn the conference honour after a sensational rookie season. The Hamilton native led the team in total points (282), assists (84), and minutes (588) and produced the first Gryphon triple-double performance in over 15 years, scoring 16 points, 11 rebounds, and 10 assists in a 107-89 win over the Nipissing Lakers. Mingo also became the first ever U of G men's basketball student-athlete to be named to the U SPORTS All-Rookie team.

2021-2022

Season Record: 5-9 (7th in OUA West)

Playoff Record: DNQ

The Gryphon's men's basketball team narrowly missed out on the OUA playoffs in 2021-22, finishing 7th in their division. After going undefeated in exhibition play, the Gryphons had the misfortune of playing their first 8 games against 4 future playoff teams (Windsor, McMaster, Brock, & Lakehead) in which they went 1-7. However, their record in no way reflected the strength of the team. 6 of their 7 losses were by 10 points or fewer and 3 by 3 points or fewer. Their lone win in the first 8 games came against the Windsor Lancers in which they defeated the visiting team 80-77 in their home opener. The second half of the season was a much different story. The Gryphons closed out their last 6 games of the season with 4 wins including a 2 game sweep of the Algoma Thunderbirds. With the late season push the Gryphons managed to find themselves battling for a playoff berth in a win or go home game against the Western Mustangs. After a strong opening quarter from the Gryphons the Mustangs turned it on, and slowly pulled away, subsequently ending the Gryphons 2021-22 season.

A quartet of Gryphons finished the season with doubled digit point averages with Malcolm Glanville leading the way with 22.6 PPG. Glanville was far and away the team's MVP, finishing 4th in the OUA in PPG and 7th in total points. Glanville also eclipsed the 1000 career points mark, becoming just the 10th player in program history to do so and a week later set a new Single-game scoring record with 44 points. 5th-year teammates Keenan Dowell and Rasheed Weekes were also among players to surpass 10 PPG (13.3 & 15.5, respectively). Dowell was instrumental in the Gryphon offence, making the most 3-pointers of anyone on the team and finishing 10th in the OUA in 3-point shooting percentage. 4th-year guard Khalid Ismail was another player who impressed throughout the season. Ismail finished with 14.3 PPG and the 3rd most points on the team.

2019-2020

Season Record: 10-12 (4th in OUA West)

Playoff Record: 0-1 (lost to the Ryerson Rams in the OUA Preliminary Round)

The 2019-20 Gryphons men's basketball season was filled with adversity due to injuries to key players. Yet despite these hurdles, the team fought back to earn a double-digit win record for the second consecutive season. This was the first time in a decade (since the 2007-08 and 2008-09 seasons) that the team accomplished this feat. They opened their season strong with a steady 96-71 defeat of the York Lions. After an up and down regular season, the Gryphons battled their way to their second consecutive OUA playoff appearance. They finished out the season with a series of three straight wins to capture 4th place in the OUA West and a regular-season record of 10-12. They then faced off in the preliminary round of the 2019-20 OUA playoffs against the No. 6-nationally ranked Ryerson Rams. Despite a hard-fought effort, the Gryphons trailed the Rams throughout the match, eventually falling 109-63. With this loss, the Gryphon's season came to a close. The team showed amazing reliance and fight in what was a difficult season without key veteran players Tommy Yanchus (guard) and Banky Alade. Alade returned from injury in time for the playoffs to help lead the team in both minutes and points in their match against the Rams. This season was highlighted by excellent performances by veterans and rookies who stepped up in the face of an injured roster. They propelled the team's offence and defence to a 10th place overall finish in the OUA. Stepping up, Malcolm Glanville (guard) led the team in ppg with 16.2 and provided key leadership and offensive skill. In addition, Rasheed Weekes (forward/guard) led the team in rebounds (14th in the OUA). Aiding the defence, transfer Keenan Dowell provided the team with the most blocked shots with 16.

Playoff record: 0-1 (lost to McMaster in OUA West quarter-final)

The Gryphon basketball team had an entirely new look in the 2018/19 season, one that ended with a well-deserved OUA postseason appearance. With five fifth-year seniors departed, Guelph needed different leadership on the court – and fourth-year local product Tommy Yanchus stepped up. The Guelph native was a catalyst offensively, leading the team with 17.4 ppg, including a career-high 37 points in a home win over Lakehead on January 4. There was plenty of help thanks to the addition of talented guard Malcolm Glanville, a transfer who averaged 17.3 ppg with several dynamic performances. Third-year man Banky Alade had breakout campaign and was dominant inside the paint, leading the whole country in rebounding with 11.1 rpg, while also chipping in 14.5 points a night. That trio helped a hard-working Guelph team post an 11-13 record with four of those wins coming in the final five games of the schedule. The Gryphons earned a playoff berth but one week after defeating the McMaster Marauders on the road, they would travel to Hamilton again for a tight OUA West quarter-final matchup, which they lost 78-75.

2017-2018

Season Record: 6-18 (7th in OUA West)

Playoff Results: DNQ

There aren't many nights off in the competitive OUA West division. The Gryphons entered the 2017-18 season ready to battle every game to lock up one of the available playoff positions, but they just ran into some bad luck along the way. Head coach Chris O'Rourke put out a well-balanced group, led by a quintet of fifth-year seniors in Taylor Boers, Jonathan Wallace, Andrew Grant, Drew Walford and Daniel Dooley. Those players were complemented by emerging talents like Banky Alade, local product Tommy Yanchus and a versatile class of recruits. Experience wasn't an issue, though health was. The season started promising enough as Guelph was sharp but ultimately took two narrow road losses at McMaster and Windsor, before heading to Ottawa to face the powerhouse Ravens and Gee-Gees on back-to-back nights. There was relief in the home opener at the GGAC when Walford poured in 22 points to defeat York 87-72. The Gryphons suffered a gut-wrenching loss just before the Christmas break when Queen's hit a buzzer beater to steal an 88-86 win in Guelph. A depleted team, hit by an assortment of injuries, found it hard to secure wins in the second half of the season. The Gryphons were still battling for a playoff spot when they experienced yet another heartbreaker. Yanchus was heroic at home against Algoma scoring a career-high 30 points, including two late three-pointers that gave his team leads. Unfortunately, the Thunderbirds sunk a last-second three from the corner for an improbable 84-83 win. Guelph would score a season-high point total in a 100-86 win over Waterloo 11 days later before closing out the season at home against Western on Senior Day. While the Gryphons ended the year with a loss, the day was special as O'Rourke and the fans said an emotional goodbye to Boers, Wallace, Walford, Grant and Dooley, a group that set an example of how to work hard and represent the program with class.

Season Record: 6-13 (4th in OUA Central, 13th in RPI)

Playoff Results: DNQ

The Gryphons men's basketball team narrowly missed out on qualifying for the OUA playoffs in 2016-17, finishing 13th in the RPI rankings (top 12 make the postseason) with a 6-13 record during the regular season. After playing their first two home games of the season at the 60-year-old W.F. Mitchell Centre, the Gryphons officially moved to their new home court (the newly built Guelph Gryphons Athletics Centre) on Friday, January 13, 2017 when they hosted the Laurier Golden Hawks. The Gryphs would go on to post a 3-4 record in seven games on their new home court, with their first win in the new gym coming on January 27 versus Algoma. The Gryphons also sent their old court out in style with a

A trio of Gryphons finished the season with double-digit scoring averages with Ahmed Haroon leading the way with 11.8 PPG. Fourth year guards Daniel Dooley and Taylor Boers were the other two players in double figures, finishing the season averaging 11.1 & 10.0 PPG, respectively. Last season's leading scorer, Jonathan Wallace, finished the season averaging 9.3 PPG including a 20-point performance in the win over Algoma. Several of

the team's rookies impressed during the season, with Jordan Sobot and Tommy Yanchus each logging significant playing time in their first seasons at U of G.

The Gryphons ranked 11th out of 17 teams in the OUA in scoring (72.4 PPG) while ranking 13th in points allowed (78.9 PPG) during the regular season. The Gryphs also led the OUA in free throws made per game (14.9) while ranking 4th in the conference in steals (8.8 per game).

2015-2016

Season Record: 9-10

Playoff Record: N/A

The Gryphons men's basketball team fell just short of securing a playoff spot during the 2015-2016 season, with their postseason fate coming down to the final game of the year. The Gryphons entered their regular season finale versus then No. 7-ranked Brock needing a win and a Lakehead loss to grab the final playoff spot. While Lakehead did go on to lose that night to Windsor, the Gryphons lost 65-62 to the Badgers in what was the final men's varsity basketball game ever at the W.F. Mitchell Athletics Centre.

Despite not making it to the playoffs, the Gryphons had several memorable moments during the 2015-2016 season. On January 15, 2016 the Gryphons picked up a dramatic 81-80 victory over the Windsor Lancers thanks to a buzzer-beating shot from Taylor Boers. In the team's next home game (Feb. 17) the Gryphons would take down the No. 1-ranked team in the country by defeating the eventual OUA Champion Ryerson Rams 96-92.

Third year guard Jonathan Wallace led the team in scoring with 14.2 PPG, followed a trio of teammates who also averaged in double figures in scoring in Daniel Dooley (12.7 PPG), Ahmed Haroon (11.9 PPG) and Taylor Boers (10.3 PPG). Ahmed Haroon led the team in rebounds per game (5.6 RPG) while senior Jack Beatty provided consistent play off the bench all season long (9.5 PPG, 5.3 RPG). As a team, the Gryphons ranked 9th in the OUA in scoring with 76.8 PPG.

2014-2015

Regular Season Record: 8-11 (3rd in OUA Central)

Playoff Record: 0-1 (lost to Lakehead in OUA preliminary round)

2014-2015 marked the first season in which the OUA implemented a new playoff structure for basketball. With the conference now broken up into four divisions, the top three teams in each division automatically qualify for the OUA playoffs. The Gryphons were able to secure a postseason berth after finishing third in the OUA Central Division at 8-11. The Gryphons were then re-seeded 10th out of the 12 playoff teams based on their RPI (ie – how they fared against other playoff teams during the regular season) and travelled to Thunder Bay to face seventh seeded Lakehead in the preliminary round of the OUA playoffs. The Gryphons dropped a 69-48 score line at the "Thunderdome", putting an end to their season.

The Gryphons featured two players who averaged double figures in scoring in second year point guard Daniel Dooley (12.6 PPG) and third year forward Trevor Thompson (11.6 PPG). Although the Gryphons did not have anyone named to the OUA All-Star team, they had several players put up impressive individual statistics: Daniel Dooley and Taylor Boers were the top two free throw shooters in the country at 91.5% and 90.5% respectively. Dooley also finished in the top 10 in the CIS in three-point shooting, knocking down 46.3% of his shots from beyond the arc.

Two Gryphons were awarded with OUA accolades. Senior guard Zachary Angus was named an OUA West second team all-star, leading the team in points (12.5 PPG), rebounds (4.6 RPG), assists (3.0 APG) and steals (1.6 SPG). Angus was a leader on a Gryphons team that returned to the playoffs this season after a one-year absence. Playoff Record: Lost to Lakehead in OUA ¼ Final

The Gryphon men's basketball team finished with an 8-14 regular season record, tied with the Western Mustangs for sixth in OUA West standings. The team earned a well-deserved first round playoff 61-58 victory over the CIS No. 10 ranked Laurier Golden Hawks in Waterloo. The Gryphons were eliminated from the playoffs following a 93-70 loss to the Lakehead Thunderwolves in the OUA quarterfinals in Thunder Bay. This season marks the first time the Gryphons have advanced past the first round in the OUA playoffs since the 2007-2008 season.

Fourth year guard Dan McCarthy (Guelph, ON) was named an OUA Second Team All-Star with a 17.6 points per game average, ranking fifth in the OUA with 132 rebounds. In four years with the Gryphon basketball program, McCarthy has entered the top ten all-time Gryphon leading scorers with a total of 1,129 points. Third year guard Kareem Malcolm (Brampton, ON) ranked third as an OUA leader this season with 18.4 points per game.

McCarthy was also named the CIS Ken Shields Award recipient recognizing excellence in basketball, academics and community involvement. He is the second Guelph player to receive the Ken Shields Award. He follows Christian Baldauf, who captured the inaugural trophy in 1994. In the classroom, the Bio-medical Science student has achieved Academic All-Canadian status each of his first three years at Guelph and was named the University's President's award winner last year for his outstanding excellence in his academic program.

Season Record: 6-16

The Gryphon men's basketball team finished with a 6-16 regular season record, placing eighth in the OUA West and failed to make the playoffs. Battling injury and inconsistency all season long the team suffered a total of nine losses by a total of only five points or less. Ten out of the team's 16 players are in first or second year so expect this new talent to bring improved results in the seasons to come.

Fifth year, Gryphon leader, Jay Mott (Burlington, ON) snagged eighth place as an OUA leader with an average of 18.4 points in 21 games and was named an OUA second team all-star. After a five-year career with the Gryphons, Mott totaled 1,006 career points, becoming one of six Gryphon scorers in history to score over 1,000 points. Jonathan Moscatelli (Toronto, ON) placed 18th in the OUA standings with 14.8 points per game, and Dan McCarthy (Guelph, ON) took 20th with 14.6 points per game.

In 2003-04, the Gryphons had 5 sell-out crowds and were one win away from returning to Halifax. In league play, they posted a 16-6 record, two points behind McMaster. By virtue of their 2nd place finish in the West conference, they earned a bye in the quarterfinals. Unfortunately, they suffered a disappointing loss to Brock in the semis. The season marks the end of careers of two players who made a significant impact on the Gryphon program and the CIS: Second Team All-Canadian and OUA West Division First Team All-Star Kyle Julius and Second Team All-Star Radhi Knapp. Julius was 4th leading scorer in the country with 21.23 points per game and Knapp was 7th leading rebounder with 8.45 boards per game.

The Gryphons earned a bye in the first round of the playoffs with a 15-7 league record and 2nd place finish in the West Division. With an 84-60 semi-final win over Lakehead they advanced to the title game against McMaster. During the regular season, the teams had met twice with Mac winning on both occasions, but this time, the outcome was different: Guelph downed the Marauders 77-67 to capture the West Division title and earn a berth to the CIS Final 8. Several days later, vying for the Wilson Cup and OUA supremacy, Guelph managed to keep Carleton to a low scoring game, but dropped a 64-56 result to the Ravens. In quarterfinal action at the national championships in Halifax, the 7th seeded Gryphons surprised the #2 ranked UBC Thunderbirds with a 90-76 victory. Guelph then upset 3rd seeded Alberta, defending national champions, 60-55. In the championship game before a crowd of 6,000 spectators, the Gryphons fell 3 points shy of capturing the CIS crown with a 57-54 loss to #1 ranked Carleton. OUA First

Team All-Star, Mike Ayanbadejo, was named the West Division Player of the Year and a CIS All-Canadian while 5th year veteran, Mark Halfpenny, was awarded OUA Second Team status. At the CIS Final 8 Tournament, Kyle Julius and J.S. Esposito were recognized as Tournament All-Stars.

With one of the most talented squads in the past five years, the Gryphons ended the regular season on a six game winning streak and finished 16-6 good for 2nd place in the OUA West Division behind the Western Mustangs, #3 in the country. By virtue of their placing, they received an opening round bye to the semi finals. In semi final action, the Gryphs hosted McMaster. The game was a defensive battle for the right to go on, but the Gryphons fell short 74-68 to a scrappy Marauder squad. Mike Ayanbadejo had an incredible season averaging a double double with 21 points per game and a league-leading 10.4 rebounds per game, which warranted runner up for Player of the Year in the West Division, First Team All-Star and Second Team All-Canadian honours. Mark Halfpenny had an outstanding year defensively. The Gryphs lose graduating seniors, Chris Popofski, Curtis Seeley, Toffer Treiguts and Koven Padayachee.

The Gryphons stepped up their performance in the post season as they defeated Brock 75-57 to move on to the OUA West Semi Finals. They won the Wild West Shootout Tournament at Copps Coliseum and the West Division title as they defeated McMaster 76-62 in the championship game after advancing with a 76-55 semi final win over Waterloo. Despite losing the OUAA Final to Toronto by a score of 72-58 they advanced to the CIAU National Championships in Halifax as West Division champions. Despite an outbreak of flu that affected most of the team the Gryphons put in a strong performance despite losing in the 1st round to eventual champions Alberta. They defeated #1 ranked Brandon before losing to #2 Victoria in the consolation final. With only one player graduating the team should be strong in years to come. Rob Henry, was selected as an OUAA First Team All Star while Paul Eldridge was a member of the Second Team. A young and inexperienced Gryphon team struggled early but put it all together in the later stages of the season. They defeated Windsor to secure a playoff berth and then upset number one ranked, McMaster, to finish the regular season with a 7-7 record. They shone in the playoffs, however, as they upset Waterloo 79-71 and demolished Western 93-76 at Copps Coliseum to advance to the championship game against eventual titlist, McMaster. The Marauders prevailed 88-73 but it did not diminish a great performance from fifth year guard, Chris O'Rourke, who was named a First Team West Division All Star. With virtually everyone else returning, the future looks extremely promising for the Gryphons.

1988-1989

The men's basketball team was the most improved team in the entire CIAU during the 1988-89 season. After posting a 1-11 record the previous season, the team went 12-2 during the regular season and dropped a narrow 73-68 decision to defending champion, Western, in the West Division Final. Highlights included a thirteen game winning streak during league and playoff action and a final number nine ranking in the country. Tim Mau was selected as an Honourable Mention All Canadian and the CIAU Freshman of the Year and led the league in rebounding at 10.6 per game and was fourth in the division in scoring at 20.1 ppg. Both Mau and Eric Hammond were selected to the OUAA First All Star Team, marking the first time in league history that two first year players were selected. Hammond also averaged 10.2 rpg and was second in the league in rebounding. With virtually the entire team eligible to return next year cannot come too soon.

1987-1988

The team had a rebuilding season which did not get off to a promising start as centre, Serge Bolzon, was lost for the year with a shoulder injury. Despite the 1-11 record, things look very bright for next year as several new recruits and a number of players who gained valuable experience should make up the nucleus of a contending team. Tim Sprung had a great year as he averaged 21.2 points and 9.2 rebounds per game which was third and second in the conference respectively.

1986-1987

The men's basketball team started a resurgence in 1986-87 as they improved from an 0-12 record in 1986 to a very respectable 6 and 6 mark. After dropping their first four league games, the Gryphons went on a five game winning streak and grabbed a berth in the Top Ten rankings at the number nine position. Jeff Root was selected as a first team OUAA All-Star and placed second in league scoring while Serge Bolzon was named to the second All-Star team. New coach Tim Darling hopes that this is the beginning of a strong programme in Gryphon Basketball.

1985-1986

While the win-loss record was not what the team had hoped for, there were some individual highlights to the 1985-86 season. Captain Jeff Root broke Tom Heslip's single game scoring record with a 43 point performance against the University of Windsor. Root, was also named a first team All-Star and won the CIAU scoring championship averaging 26.2 points per game. The Gryphon Invitational Tournament in November was televised nationally by the Sports Network and with many players returning in 1986-87 it looks considerably brighter.

1984-1985

The men's basketball team turned their fortunes around from the previous season by finishing league play with a 6-6 record which tied them for 3rd place. David Joseph was selected as a first team OUAA All-Star and was the league's second leading scorer. The highlight of the season came January 30th when the Gryphons upset the number-one ranked Waterloo Warriors 81-76 in the Athletics Centre. There was a large number of first year players on the team and the prospects look even brighter for the 1985-86 season.

1983-1984

With an unprecedented number of injuries to key personnel, the Gryphons struggled in a season which resulted in only one win during regular season play. Anthony Stewart, however, established himself as one of the top freshmen players in the country and the 1984-85 season looks promising. The team recorded some impressive wins over Carlton, Toronto, Regina and Laurier and the spirit displayed was admirable, considering the number of misfortunes that befell them. Both Stewart and Drew Scott were among the top ten scorers in league play and the team's defensive record ranked third overall.

The men's team played a very tough exhibition schedule in preparation for the OUAA West regular season where they went 7 - 5 for a third place finish. At the championship tournament at Brock, the Gryphons ran into a red hot Windsor team and had to settle for the Consolation Championship with a win over Waterloo. Individual highlights saw three Gryphons earn All-Star recognition.

1980-1981

The Men's Basketball Gryphons once again went to the buzzer this season before being eliminated from post-season play. This year, it was the Windsor Lancers who scored the final bucket to send the Gryphons out, and this year, it was the OUAA West Championship game. The Gryphons turned in a 10-2 record to take first place in the division, and at the end of the season saw Tom Heslip, Rick Dundas, and Mike Sesto named all-conference and Head Coach Gib Chapman named Coach-of-the-Year for the second straight season. Heslip went on to be named All-Canadian at the final banquet in Waterloo.

The Men's Team put together a good season at 8-4 and placed third in the OUAA West. At the 'shoot out' at Waterloo, the Gryphons lost to Waterloo in the semi-final on a shot at the buzzer. In the Consolation Final, the Gryphons lost to Western. A highlight of the season was the naming of Gib Chapman as Coach-of-the-Year in the division.
