The Gryphon's got off to a hot start in 2022-23, winning 6 of their first 7 games before losing back-to-back matches with TMU to enter the winter break 6-3. The second half of the season saw the Gryphons lose several key players to injury as well as a six-game losing streak that set up a pair of must-win games against the RMC Paladins in the final matches of the regular season. Despite winning both games in convincing 3-0 fashion, the Gryphons missed out on the postseason by one spot in the standings after losing a pair of tiebreakers to the TMU Bold and Western Mustangs. The 2022-23 Gryphon offence was once again led by standout hitter and OUA First Team All-Star Jonathan Pickett. Pickett finished the season ranked among the conference's best in several key statistical categories including hitting percentage (.285, 5th), service aces per set (0.39, 6th), kills per set (3.31, 7th), and points per set (4.0, 7th). Pickett also took home team MVP honours while his brother, Daniel Pickett, earned team Rookie of the Year after an impressive first season which saw him earn the starting libero job after having never played the position prior to joining the Gryphons.

The Gryphon's 2021-22 men's volleyball team narrowly missed the playoffs after a late season push. After 12 games of facing playoff caliber opponents the Gryphon's found themselves with their season in their hands in the final regular season game versus the Windsor Lancers. A win would guarantee them a spot in the 2022 OUA West Division Playoffs. After a strong first set let by Jonathan Pickett and Alexander Odle the Lancers responded well, taking the next 3 sets to end the Gryphon's 2021-22 season. The 2021-22 Gryphons offence was led by Jonathan Pickett. The former OUA West Division rookie of the year finished the season 1st in kills in the OUA with 181 and 6th in hitting percentage. Veteran Libero Ben Kissack was another crucial member of the team, finishing 2nd in the OUA in digs and digs per set (2.35 & 94). The Gryphon's also had a member on the OUA West All-Rookie team for the second consecutive season. Joshua Glasbergen led the team in blocks with 27 and accounted for 67.5 of the team's total points.

The Gryphons volleyball squad had a season to remember finishing with their best record since the 2016/2017 season and securing 2nd place in the OUA West. A five-game winning streak to start the year (15 sets won to 2 sets lost) was a sign of things to come. The year ended on a rocky note where the Gryphons would lose three of four games into the holiday break. The second half of the year saw the team go 5-3 including a thrilling five set victory over Brock on senior night. The Gryphons headed into the playoffs with same momentum and carried it over by defeating Ryerson 3-0 in the quarterfinals hosted at the GGAC. A Forsyth Cup berth awaited the team where they would go on to lose two tough matches to University of Toronto in the semifinals and McMaster in the bronze medal game.

2018-2019

Regular Season Record: 8-9 (4th in OUA West)

OUA Playoff Record: 0-1 (lost to Queen's in OUA quarter-final)

A year that began with plenty of excitement and optimism quickly turned into a massive challenge for the unlucky Gryphons. Guelph's talented roster, featuring all-star players like Kendrick Kerr and Zach Newman, was impacted by a series of significant injuries that forced head coach Cal Wigston to move pieces around and put his athletes in brand new roles. Kerr would go down for the season, as would heart-and-soul player Sam Nothnagel, among other losses. Oliver Hissink started the year as the setter but he was needed

elsewhere, so rookie Gideon Dresser took over the important role, while Newman moved from his traditional left side over to the right. There were some blips along the way but the Gryphons responded and ultimately put together a fantastic five-game win streak that included a 3-1 upset of the powerhouse Queen's Gaels at the GGAC on Jan. 18. That run was critical in securing a playoff berth as Guelph struggled down the stretch, losing its last five games. But the resilience the team demonstrated throughout the season reemerged in a thrilling OUA quarter-final matchup with the Gaels. The Gryphons went down two sets but courageously rallied to force a fifth on the Queen's home court. Guelph fought off six match points and even had a couple chances to pull off the shock upset but the Gaels scratched out a 23-21 win in the fifth to advance before ultimately claiming the OUA championship. Newman, who was playing injured, finished his final season with 144 kills. He joined emerging second-year star Zarko Ubiparip (team-high 168 kills) as a Second-Team OUA West All-Star, while Dresser was named to the OUA West All-Rookie Team.

2017-2018

Season Record: 8-9 (5th in the OUA West)

An OUA bronze medal last year gave the talented Gryphons the inspiration to reach even further in 2017-18. They began the journey with a fantastic new exhibition event, the inaugural Gryphons Men's Volleyball Invitational, which gave head coach Cal Wigston the chance to not only test his players against the best programs in the country but also an opportunity to showcase the stunning GGAC. It was a fun kickoff to the season, though Guelph immediately had to deal with a scare to the team's All-Canadian star Kendrick Kerr, who suffered a potentially serious knee injury in practice. The team won a straight-setter against Western in the OUA opener, but consistency was hard to find. Wigston took the team to Costa Rica for a successful exhibition tour in early January, though Guelph dropped three of four OUA games after that, including a difficult five-setter to Brock that was a blow to its playoff aspirations. There were certainly bright spots, like Kerr's triumphant return, the growth of fourth-year outside hitter Zach Newman, and the debut of talented first-year player Zarko Ubiparip, who made the OUA West All-Rookie Team. The Gryphons won three of their last four matches, one of which was a sharp, straight-set performance over Trent on Senior Night. Joshua Green, David Duhan and Wigston's son Kaj, three critical pieces to the program, were honoured in their final appearance on the GGAC court.

2016-2017

Season Record: 12-5 (2nd in OUA West)
Playoff Results: 2-1 (OUA bronze medalists)

One season after finishing second last in the conference, the Gryphons men's volleyball team put together a remarkable 2016-17 campaign that concluded with the team winning OUA bronze. The Gryphons finished 2nd in the OUA West with a 12-5 record and would defeat Nipissing on home court in the OUA Quarter-finals for the program's first playoff victory in six years. The team ultimately fell one win shy of qualifying for nationals for the first time in 19 years following a 3-0 loss to Waterloo in the OUA Semi's. The Gryphons would bounce back from that loss by defeating Ryerson in a thrilling five-set match to capture OUA bronze. It was the team's highest finish to a season in seven years.

Third year middle Kendrick Kerr had a phenomenal 2016-17 season, culminating with him being named a U SPORTS Second Team All-Canadian. Kerr became the first Gryphon men's volleyball player in six years to earn All-Canadian status. The 2016-17 season for the Gryphons also marked the year that the team moved into their new home court. After playing the first two home games of their season at the old W.F. Mitchell Centre, the Gryphs officially opened the doors at the new Guelph Gryphons Athletics Centre on January 7, 2017 versus Brock. Despite dropping each of their first three games on their new home court, the Gryphs would catch fire to reel off five straight victories at the Guelph Gryphons Athletics Centre, including the team's playoff win over Nipissing.

2015-2016

Season Record: 6-14 (10th in OUA)
Playoff Record: N/A

For a fourth straight season the Gryphons failed to make the playoffs after finishing 10th with a 6-14 record during the regular season.

After a 1-6 start, the Gryphons were able to build momentum heading into the exam/Christmas break thanks to a three-game win streak with victories over RMC, York & Nipissing. The second half of the season was highlighted by an impressive win over the No. 9-ranked team in the country in the Ryerson Rams. On Friday, February 12 the Gryphons pulled off the upset over the Rams by winning in four sets and keeping the Gryphon playoff hopes alive.

However, in the team's second-to-last game of the season, a shorthanded Gryphons squad traveled to North Bay to face Nipissing and suffered a hard-fought, five set loss to the Lakers which officially eliminated the team from the postseason.

Third year left side Josh Green led the team in kills (212) while second year standout Zach Newman led the team in scoring with 3.5 points per set.

Although Guelph failed to make the OUA playoffs, it was nevertheless a season in which a young Gryphons squad was able to accomplish some great things. After dropping their season opener, the Gryphons went on to an impressive six match win streak that resulted in them climbing into the national rankings. The Gryphons were ranked in the CIS Top 10 for four straight weeks in November (reaching as high as No. 8) – marking the first time in three years they had been ranked nationally (on Nov. 29th, 2011 they were ranked 10th). Fifth year middle Marc Wilson earned OUA Second Team All-Star honours after a tremendous senior season in which he finished sixth in the OUA in total blocks (66) and seventh in hitting percentage (.386) while first year standout Kendrick Kerr was named to the OUA All-Rookie team.

Regular Season: 6-12

In the last two games of their season, the men's volleyball team soared past the Windsor Lancers and Western Mustangs with consecutive 3-0 sweeps. Unfortunately, the surge came too late as the Gryphons ended their 2012-13 season with a record of 6-12 to finish eighth in the OUA, just short of the postseason.

Earning his fourth All Star nod, Winston Rosser (Whitby, Ont.) was named a OUA Second Team All-Star with a 3.46 kills per set average and 286 points to lead the Gryphons this season. Contributing 134 kills in his rookie campaign, Timothy Warnholtz (Guelph, Ont.) averaged 2.9 points per game to be announced to the CIS All-Rookie Team. He was also recognized on the OUA All-Rookie Team along with fellow rookie, Kyle Richards (London, Ont.) who tallied 6.02 assists in 41 sets of action.

Regular Season: 9-9

Playoffs: Lost to Queens in OUA ¼ Finals

The Gryphon men’s volleyball squad finished sixth in the OUA after posting a 9-9 regular season record. Advancing into the playoffs, the Gryphons travelled to Kingston to take on Queen’s in the OUA quarterfinals. The Gryphons were eliminated from the post-season after losing 3-2 to the third-seeded Gaels. Set scores were 21-25, 24-26, 25-19, 25-13, 15-8. It was a tale of two semesters for the team. After getting off to a great start, the Gryphons broke the CIS top 10 in November after a successful 6-3 start to the season. Unfortunately, the Gryphons were plagued by a number of injuries to key players in the second half of the semester, resulting in the team dropping six of seven games to close out the regular season.

Once again, Winston Rosser (Whitby, ON) was a major presence for the Gryphons racking up 202 kills, 22 service aces, and the second most total points with 250 to earn his second straight OUA First-Team All-Star nod. This marks Rosser’s fourth OUA All-Star award.

Season Record: 15-5

Playoffs: 1-1

The Gryphon men’s volleyball team placed fourth in the OUA with a 15-5 regular season record. Advancing to the playoffs, the Gryphons hosted the Windsor Lancers for the OUA quarter-finals and battled it out in five games. Taking the first game, the Gryphons were then saddled with back-to-back losses. With the season on the line, the Gryphons came up with a two-point win over the Lancers to force a fifth game, in which the Gryphons doubled their opponents score 15-7. Moving on to the Final Four Tournament at Western, the Gryphons were matched against the host team who topped the OUA in the regular season. The Gryphons battled hard, but were only able to come up with a single victory in the semi finals, resulting in the conclusion of a great season for the team. While losing 3-1 to Western, the Gryphons showed great talent staying with the top-ranked team in the OUA and showing promise for the future.

Winston Rosser (Whitby, Ont.) was a major presence for the Gryphons this season finishing second in the league with 4.4 points per game. Rosser amassed a whopping 260 kills and had 19 aces on the season, a performance good enough to earn him both OUA first team all-star honours, as well as CIS first-team All-Canadian status. James Stamler (North Bay, Ont.) was named a second-team OUA all-star after tallying 190 kills and 109 digs.

Guelph finished the season with a 6-5 record advancing to the post season in fifth place in the OUA. The Gryphons opened the playoffs with a 3-2 win in the OUA quarter-final over the Windsor Lancers, advancing to the OUA semi final against the McMaster Marauders. Up against the OUA top ranked and defending champion McMaster Marauders, the Gryphons came back from a two-set deficit to upset the Marauders 3-2.

In the OUA Championship, the Gryphons faced the defending OUA runner up Queen's Golden Gaels. Despite a valiant effort, the Gryphons dropped the final 3-2.

Individually, three Gryphons received OUA honours. Gabriel deGroot (Langley, BC) finished the campaign as the OUA Libero of the Year for the second straight season and was also named a second team all-star. He finished third in the OUA in total digs with 173 and was second in digs per set averaging 2.58. Guelph lost 28 sets all year, which was fourth-best in the league. 2003-2004

The Gryphons were one of the top contenders for the 2003-04 OUA title. They had the league's best record in the second half at 8-1 but close losses in the first half resulted in a 13-5 record overall. In playoff action, the Gryphs lost to York in the semis. Jordan Reynolds, 7th in the league in kills was selected as a First Team All-Star and a Second Team All-Canadian. Chris Simek was named to the OUA Second Team and Lance Reynolds was the OUA Libero of the Year. The Gryphons will lose 7 players to graduation this year.

2002-2003

In the 10-team OUA, the Gryphons finished with a 13-5 record for 2nd place and were ranked as high as 8th in the CIS. This marked their best finish since 1982-83 when Guelph finished 2nd in the OUA West Division. The Gryphs won their semi-final series against Western in two straight matches. Unfortunately, in the best of three championship series, the Gryphons faced the #6 ranked Toronto Blues and lost 2-0. Rookie, Chris Simek, collected 3 honours including OUA Rookie of the Year, OUA First Team All-Star and CIS Rookie of the Year. Jordan Reynolds joined him on the OUA Second Team while freshman, Matt Peters, was recognized as a CIS All-Rookie Nominee. Doug Dodd was named OUA Coach of the Year.

2001-2002

The Gryphons dealt with a number of injuries and line-up disruptions throughout the 2001-02 campaign. With only 2 players starting in every match, the Gryphs managed to post an 8-11 record to finish 4th in the OUA West Division and narrowly missed qualifying for the playoffs. In fact, many of their matches were very competitive as they lost 5 in the 5th and final set against the 1st, 3rd, 4th and 5th best teams in the province. Jordan Reynolds, a left side hitter, was selected as OUA West Division Rookie of the Year and named to the CIS All-Rookie team. Middle, Scott Wilson, made First Team All-Star and Reynolds with 157 kills was the only rookie to earn a spot as an All-Star with a Second Team selection.

With a 5-9 record in OUA league play, Guelph ended up tied for 4th with McMaster but Mac won the tie-breaker by virtue of their November 8th 3-0 win over the Gryphons by a greater points for and against margin and thus knocked Guelph out of playoff contention. Chris Geddes was selected as a First Team OUA All Star for the second consecutive year. The right side hitter has finished as the nation's leader in kills two years in a row with an average of 4.45 kills per game. Scott Wilson earned Second Team OUA All Star honours and rounded out the season in 6th place in the OUA West Division in blocks per game with 1.17. Once again, the volleyball Gryphons were among the league powers in the OUAA West Division but had to settle for third place in league play with a 5-5 record, For the third time in a row Guelph's Vilis Ozols was the leading vote-getter on the West Division All-Star Team. Guelph forced league Champion Waterloo to an exciting fifth game right in Waterloo where the Warriors have not lost in three years. With the addition of newcomers such as Dave Guest, the Gryphons should remain strong in the future.

The Men's Volleyball Gryphons turned in one of the best efforts of the year, taking first place in the OUAA West Division with a perfect 10-0 record. Unfortunately, they ran into a tough Queen's team in the OUAA Play-off Tournament and were knocked from the championship side. They did however win the consolation final, good enough for third place in the province. Following the season, Tony TenWesteneind and Vilis Ozols were named All-Conference All-Stars, and Tony was later named to the first ever All-Canadian team.
