T-PRIMARY TACKLE/AT-ASSISTED TACKLE

DEE ANDROS QUOTES:

"Turnovers were the answer to the game. They were the difference.

"I thought our defense played great. But, we made more mistakes today than we have all year. Both teams fought their guts out and they both have a lot of character. It's exactly the kind of game I thought it would be.

(On the shot-gun) "We went to the shot-gun. It's been good to us. At the end, I considered Gervais but Kyle has a better arm. We needed a big play. If we had gotten the touchdown, you can be assured we would have gone for two.

"We thought we would run better.

"The fumble at the start of the second half was a tough break against us.

"It was a game decided on breaks. The turning point was when we mishandled the punt. Big play of the game. It not only cost us the ball, it also cost us a lot of time. I don't know if he touched it.

(On coaching) "Every minute has been worth it. I have a lot of sadness. What makes it is when my old players come back and tell me how I've made men out of them.

(On Don Read) "I want to congratulate Don Read on what I thought was a great coaching job. They had a lot of adversity but they stuck with it.

(On Bob Horn) "Bobbie played great—an All-American in anybody's book. Couldn't be more proud of him and the whole defense.

"Their punting game was better than ours.

"We made adjustments in the second half and shut them off cold offensively. Their motion was hurting us. We never went away from our game plan until the end.

(On future) "I'm not sure what my immediate plans will be. I will go in and see Dr. MacVicar Sunday night. A lot will depend on what happens then. I'm not sure whether I'll coach again. If I get the AD job, I'll give it my best shot. I think I can do an outstanding job.

"This was the toughest loss of the season."
