Applewhite became the first South Alabama head coach to make and win a bowl game in his first season with the team.

Under Applewhite's leadership in 2024, the Jags produced 11 All-Sun Belt Conference performers. Wide receiver Jamaal Pritchett and safety Jaden Voisin both earned First Team All-Conference recognition, with Pritchett becoming the third, 1,000-yard receiver South Alabama has produced since Applewhite became offensive coordinator in 2021. Pritchett was also invited to play in the 2025 Reese's Senior Bowl, held at South Alabama's Hancock Whitney Stadium.

Known for orchestrating explosive offenses, Applewhite's impact as head coach was noticeable from his very first game as the Jaguars quickly started breaking records. In the 2024 season opener against North Texas, quarterback Gio Lopez set the program's single-game record for total offense with 494 total yards on 432 yards passing and 62 yards rushing. A few weeks later, the Jags put up 87 points in a victory over Northwestern State, which was the most points scored by an FBS team since the 1991 college football season, and set a new program record. The Jags ended the year with the most rushing touchdowns in the Sun Belt Conference (32), and finished second in the league in total offense per game at 441.8 yards per contest.

In year one at South, Applewhite continued the trend of providing his players with professional opportunities. Wide receiver Jamaal Pritchett, tight end DJ Thomas-Jones, defensive lineman Wy'Kevious Thomas and wide receiver Jeremiah Webb all signed free agent contracts at the conclusion of the 2025 NFL Draft.

Before earning the promotion to head coach, Applewhite spent three seasons with the Jaguars as the team's offensive coordinator. South Alabama went 22-16 during those three years, including a 10-win season in 2022 and a 2023 campaign that resulted in the first bowl championship in school history.

One of the best offensive minds in all of college football, Applewhite has elevated South's offensive attack since arriving on campus. In his role as offensive coordinator and quarterbacks coach, Applewhite's star pupil at USA has been Carter Bradley, who became the winningest quarterback in program history and broke multiple school records along the way. Bradley received All-Sun Belt honorable mention recognition in 2023, and accepted invitations to both the Hula Bowl and Senior Bowl at season's end.

Under Applewhite's leadership, the 2023 Jaguar offense set a program record for points in a single season with 430 on the year. South Alabama scored 55 points or more in three games throughout the course of the season, including 59 in the team's win over Eastern Michigan in the 68 Ventures Bowl. That number set a program record for points against an FBS opponent. The Jags also scored 55 points in back-to-back wins over ULM and Southern Miss.

Applewhite settled into his new role at South Alabama having already spent two seasons as the head coach at Houston. In two seasons at the helm, Applewhite guided the Cougars to a record of 15-11 with two bowl game appearances. In his first season leading the program, UH defeated nationally-ranked South Florida during the regular season on the way to a 7-5 finish and an appearance in the Hawai'i Bowl. The Cougars then improved to 8-5 next year while earning an invitation to the Armed Forces Bowl.

Between stops at Houston and South Alabama, Applewhite spent two seasons as an analyst on Nick Saban's staff at Alabama. In 2020, he helped guide the Crimson Tide to a perfect 13-0 season and subsequent College Football Playoff National Championship. It was Applewhite's second of two stints at Alabama, his first coming in 2007 when he served as the program's offensive coordinator and quarterbacks coach.

From 2008-2013, Applewhite coached at his alma mater, Texas, in various roles. Starting as the program's assistant head coach working with the running backs in 2008, Applewhite was eventually elevated to offensive coordinator in 2011 and served in that capacity for three seasons with the Longhorns. While working for legendary head coach Mack Brown, Applewhite helped Texas win the 2008 Fiesta Bowl and make an appearance in the 2009 BCS National Championship game.

After starting his coaching career at Texas in 2003 as a graduate assistant, Applewhite went to Syracuse in 2005 as quarterbacks coach. Following a year in New York, he returned to the state of Texas to serve as the offensive coordinator and quarterbacks coach at Rice for the 2006 season.

Before transitioning into coaching, Applewhite played quarterback at Texas for four seasons. During his playing career, Applewhite was named Big 12 Freshman of the Year and the league's co-Offensive Player of the Year in 1999. In his final appearance for the Longhorns, he was named Most Valuable Player of the Holiday Bowl after throwing for 473 yards and four touchdowns in a four-point victory over Washington.

Applewhite owns a bachelor's degree in sport management from Texas. He resides in Mobile with his wife, Julie, and children, Lila and Nash.

WINDHAM**

FIFTH YEAR

Will Windham was named defensive coordinator and safeties coach at South Alabama in Feb. 2024 after spending the previous three years coaching the team’s linebackers.

In his first season as defensive coordinator, Windham helped the Jaguars to a record of 7-6 with a victory in the IS4S Salute to Veterans Bowl. It was South’s second-straight bowl championship in as many seasons.

South Alabama finished second in the Sun Belt Conference in rushing defense under Windham’s leadership, holding opponents to 142.8 yards per game on the ground. The Jaguars’ defense also intercepted 16 passes in 2024, the second-most in the conference and the most ever in a single season in South Alabama Football history.

Windham’s star safety in 2024 was Jaden Voisin who finished the season with 83 tackles, 3.5 tackles for loss, five interceptions and five pass breakups. His five interceptions gave him 11 for his career, making him the school record holder for career interceptions. Voisin was a First Team All-Sun Belt selection at season’s end.

In the three seasons before Windham was promoted to defensive coordinator, he was part of a defense that allowed the fewest rushing and total offense yards since the program moved up to the NCAA Football Bowl Subdivision level in 2012. They also matched school season records with 15 interceptions and 25 total takeaways while recording the second-highest sack total in program history as well.

He came to South after working the last three seasons at Kent State, where he started as the program’s inside linebackers coach before shifting to safeties. His efforts helped the Golden Flashes to a five-win improvement in 2019 as they would end the campaign 7-6 after claiming the school’s first-ever postseason bowl victory with a defeat of Utah State in the Tropical Smoothie Cafe Frisco Bowl. KSU posted another winning season in 2020 after going 3-1.

Windham was a defensive quality control coach at Georgia for two years prior to his arrival in Kent, where he was part of a staff that helped lead the Bulldogs to the 2017 Southeastern Conference title and a berth in the College Football Playoff national championship game. His first season at UGA saw the Bulldogs win nine contests including the Liberty Bowl.

He began his coaching career at Saint Stanislaus Prep – where his efforts helped the Rocks win the 4A state championship in 2009 – before becoming a graduate assistant coach at Mississippi State. He has also worked as a graduate assistant coach at Penn State and was the defensive line coach at Davidson during the 2015 season.

THE LEGACY OF NO. 5

ANTHONY MOSTELLA
1988 - 2010

THE LEGACY OF NO. 5

There are many special numbers throughout college football and college athletics whether it be No. 12 for the 12th Man at Texas A&M or No. 38 at Ole Miss to remember former Rebel Chucky Mullins, but for South Alabama, the No. 5 will forever hold a significant place in the hearts of every Jaguar.

On June 13, 2010, the University of South Alabama lost a member of the football program when Anthony Mostella (1988-2010), a member on the inaugural Jaguar squad, passed away near his home of Oneonta, Ala., in a traffic accident. Mostella, who would have been a senior that fall, was loved and respected by all his teammates and coaches, someone whose contributions to the program on the field were exceeded by what he was able to accomplish away from the game.

Voted a team captain during the 2009 season, Mostella – a running back who came to South Alabama in order to continue his relationship with then head coach Joey Jones – displayed his selfless nature with his contributions on special teams and in the locker room, while fellow teammates racked up more yardage running the ball. In his one season, Mostella rushed for 180 yards and three touchdowns, and was also credited with seven tackles on special teams coverage units.

He came to USA and Mobile after playing for Jones at Birmingham-Southern in 2007, sacrificing a season of collegiate eligibility in order to help build the Jaguar program by taking part in its first-ever spring practice in March and April of 2009. During that time he established himself not only as a leader, but as an ambassador for the program as it established its roots in the community.

Beginning during the 2010 season, the Jaguars honored Mostella each fall as one member of the senior class was chosen by his teammates and coaches to wear his No. 5 jersey for their final season.

After a brief break from 2018-2020, the tradition was brought back, but with a new twist. Instead of a selected senior being able to wear the jersey for the entire season, it was awarded to a different individual each week throughout the season.

“Anthony was the epitome of a true student-athlete and a tremendous role model to his peers. His character and leadership skills will always be an example for everyone in our program to follow.”

– Former South Alabama Head Coach Joey Jones
