WHAT THEY ARE SAYING ABOUT SAM DARNOLD

Kirk Herbstreit, ESPN: **"On the football field, he is in a different galaxy."**

Chris Fowler, ESPN: **"Some people are born to do things, right? Some people are put on this earth to do one thing. Sam Darnold is a born quarterback."**

Colin Cowherd, FOX: **"I think he is the best quarterback I've ever seen at USC."**

Kyle Bonagura, ESPN.com: **"Darnold is a star, plain and simple...Darnold's poise and ability to create plays when they break down are incredible for any player, but even more so (when he did so as) a freshman...He has the ability to extend plays with his feet, both to buy time to pick out a receiver and to take off and run. He plays more on instinct because he's had less time in the program and because he's simply wired that way."**

Legendary ABC announcer Keith Jackson: **"He has some good in his gizzard. He's got some athletic ability, and those are the kind of guys who can beat you."**

Former USC and NFL quarterback Sean Salisbury, now a sports broadcaster: **"He has a chance to be the best USC has ever seen. He's that good."**

David Lombardi, ESPN.com: **"Darnold may well be the best quarterback in the Pac-12; the Trojans have much to be excited about entering 2017...He has a big arm, he's elusive and he hasn't made many mistakes so far."**

William Quimby, FanSided: **"Darnold is a cool customer, who was 10-for-10 in the fourth quarter alone (in the Rose Bowl). Let the hype begin because he is a skilled, poised, tenacious competitor who will not disappoint as his reputation grows."**

Rich Hammond, Orange County Register: **"Darnold's on-field decisions suggest intelligence but also a level of instinct that can't be taught."**

Stanford head coach David Shaw: **"I think USC has the best quarterback in the nation....He's the best college quarterback I've seen at anticipating since Andrew Luck."**

Penn State head coach James Franklin: **"In Sam Darnold, you look at the Aaron Rodgers of the world."**

Penn State defensive coordinator Brent Pry: **"We knew he was athletic, but it wasn't the same as being out there on the field with him. Rushing four is not enough for a guy like that. He just kind of jimmy-jammed through and kept the play alive and found a seam."**

Washington co-offensive coordinator Jimmy Lake: **"I really believe this young quarterback is going to be a star in this conference."**

Former UCLA head coach Jim Mora: **"I watched him on film obviously, I've seen him on TV, had a lot of respect for him coming into the (UCLA) game, but when you see him in person he's a truly special one. I'll tell you, he reminds me of a younger Tony Romo. He's bigger, but that type of ability and he's smart and he's poised and confident...He's fun to watch. He's not fun to compete against."**

Utah head coach Kyle Whittingham: **"The guy is incredible, as far as his skill set to play the position. He's got everything, the size, the arm strength, the mobility, the pocket presence. He seems to be a great decision-maker."**

USC head coach Clay Helton: **"Part of his greatness is his creativity. His ability to extend plays is part of his game."**

USC offensive coordinator Tee Martin: **"Sam, he has that quiet confidence and very stern, direct leadership quality that a lot of guys have who win a lot of games."**

Former USC wide receiver JuJu Smith-Schuster: **"If you've ever seen Aaron Rodgers throw the ball, it's a fastball. It just goes there. That's what it (Darnold's throw) is."**

Stanford defensive tackle Harrison Phillips: **"I was asked for a word to describe him and I said, 'Incredible.' His arm strength, what he can do with the ball. He's the type of guy where getting close to a sack or getting him off his line isn't going to be good enough."**

Colorado linebacker Derek McCartney: **"The thing that was interesting to me was how hard it was to get him down when you got there. Guys would get to the quarterback, and he would make them miss and extend the play. He's got great playmaking ability."**

Oregon linebacker Tony Dye: **"He's a great athlete. He's a great ballplayer. He makes things happen."**

Utah defensive tackle Filipo Mokofofi: **"He's deceptively fast and deceptively strong."**

USC safety Chris Hawkins: **"When he's playing like this, I don't think there are too many teams in the country that really want to see us."**

Former USC wide receiver Darreus Rogers: **"The kid has grown up fast, on and off the field. He has become a natural leader and his instincts on the field are amazing. What more can you ask for?"**

Former USC Heisman Trophy-winning quarterback and current NFL star Carson Palmer: **"He's a great young quarterback...He's a gamer. When you watch him play, there are so many plays that break down, and all of a sudden he fires a ball to a crossing route or finds a way to get out of a sack and keeps his eyes downfield to throw the touchdown pass. He's just a natural gamer, and guys like that only get better with repetition. Obviously, he's new on the scene and doesn't have a ton of experience, but for him to come on the scene that quickly and have the success he's had, I'm really excited to see the future he is going to have."**
