USC AT THE CONFERENCE CHAMPIONSHIPS -- The USC men's team has won 16 conference team titles and has finished second four of the last five seasons. USC's women's team has captured one team title (1996) and has finished second the last four seasons. The last USC men's team title came in 2006, but USC has scored 99 or more points in 17 of the last 21 seasons. Last year, USC's men took second by scoring 115.50 points. The USC women's team has finished fourth or higher in 26 of the 31 seasons of the women's meet and has scored 99 or more points in 18 of the last 22 meets. The USC women's team scored 135 points to place second in 2017, 111.50 for second in 2016 and scored 182 points in 2015 to take second, the most points scored ever by a team not to capture the conference crown (Oregon won 185-182).

TROJAN TIDBITS AT THE PAC-12s - Since 1960, USC's men's team has won 243 event titles, 48 more than the next team (UCLA-195). The most events won in a single meet was 11 by USC in 1961. USC's men have won the most titles in 10 of the 21 events. A USC man has won the 100m and 200m dashes 19 times, including nine of the last 13 100m titles and nine of the last 15 200m titles. USC's women's team has won the second-most individual events (107) and has the most or tied for the most wins in six of the 21 events. A USC woman has won the 100m dash 11 times and the 200m race 12 times. USC has won the women's 4x100m relay 11 times since 2000 & 14 times overall, including with a then-meet-record time of 43.10 in 2015.

LOPES & GONZALEZ PLACE 4TH AT PAC-12 MULTI-EVENTS - Both Lyndsey Lopes in the heptathlon and Michael Gonzalez in the decathlon placed fourth at the Pac-12 Multi-Events Championships at Stanford from May 5-6. Lopes won the 100m hurdles and 200m dash en route to a PR of 5,719 points, which bettered her fifth-place standing on USC's all-time list. Gonzalez, in his first-ever decathlon, won the 100m dash and scored 5,925 points.

THERE IS NO NORMAL WITH NORMAN - USC sophomore sprinter Michael Norman has run in just nine outdoor meets as a Trojan, yet each time he does it is something special. He began his outdoor college career at the 2017 USC-UCLA Dual Meet and won the 400m dash with a then-USC freshman record. He then won the 2017 Pac-12 400m title with a time of 45.15, defeating the two-time defending champion on his own track. Norman then placed fourth in the NCAA 400m final with a new freshman record-time of 44.88 and the fifth-fastest time ever by a Trojan in the NCAA final. On April 7 this season, in his second outdoor 200m race, Norman ran a PR of 20.06 (-1.4), the fourth-fastest time in school history and a time which would have brought home the bronze medal at the 2016 Olympics. He lowered his freshman 400m record to 44.60 with a third place finish at the 2017 USA T&F Championships. He opened up in the 400m at the Mt. SAC Relays and won the invitational race with a PR and NCAA-leading time of 44.53. Norman competed during the 2018 indoor season and won the NCAA 400m title while setting the world indoor record and was part of the relay which had the fastest 4x400m time in history.

USC TRACK AND FIELD HISTORY - USC is well known as one of the most successful athletic programs in the history of the NCAA, with 123 men's and women's national championships. The Trojans have won far more NCAA team and individual titles combined than any other university. However, the most dominant force in USC's slate of athletic programs is not the baseball team (12 College World Series titles) or the football squad (nine national championships) but the men's track and field program, with an unprecedented 28 NCAA titles (including nine straight, 1935-43). In fact, in the history of the NCAA, only the Oklahoma State wrestling program (31) has more national titles than USC men's outdoor track and field. Trojan athletes have dominated the track and field scene for decades. From the exploits of sprinter Charlie Paddock and thrower Clarence "Bud" Houser in the 1920s and 1930s, sprinter Mel Patton in the 1940s, thrower Parry O'Brien in the 1950s, sprinter Lennox Miller and pole vaulter Bob Seagren in the 1960s, sprinter Quincy Watts in the 1980s, to four-time NCAA hammer champion Balazs Kiss (only the fifth collegian to win four in a row) in the 1990s and World Champion hurdler Felix Sanchez in the 2000s, USC is synonymous with track and field excellence.

TROJAN PROGRAM IN GOOD HANDS WITH SMITH GILBERT - Caryl Smith Gilbert begins her fifth season as the Trojan Director of Track & Field and once again last season demonstrated that USC has one of the elite programs in the country. USC's women's team placed third at the 2017 NCAA Championships with its most points since 2002 and its highest finish since the 2006 season. The men's team placed 20th, but was just six points outside of a top seven finish. USC athletes garnered 17 All-America honors. The women's teams have scored 120 points in her first four seasons as the program leader, the most points in a four-year stretch since scoring 158 points during the 2001-04 seasons. Both the men's and women's teams placed second at the 2017 Pac-12 Championships. During the indoor season, the women's team placed fourth at the NCAA Championships and won the MPSF title, while the men's team placed 21st at the NCAA Championships and took second at the conference meet. USC set six indoor school records and two outdoor during the 2017 season and including this indoor season, she has guided the Trojans to 27 indoor school records and 11 outdoor USC records. The Trojans have also established a combined total of 23 freshman records (19 indoor and 6 outdoor) in her first five seasons. In addition 14 Trojans were named to Pac-12 All-Academic teams, bringing the total to 54 in her first four seasons leading the program. In addition she has guided the men's team to the 2016 and 2018 MPSF indoor conference title and the women's team to the team titles in 2018, 2017, 2015 and 2014. Smith Gilbert was named the 2015 Pac-12 Men's & Women's Coach of the Year, the first woman to win the Men's Coach of the Year honor. She has also been named the 2014, 2015, 2017 and 2018 MPSF Women's Coach of the Year and the 2016 and 2018 Men's Coach of the Year, the 2014 and 2015 USTFCCCA West Region Women's Indoor Coach of the Year and the 2016 USTFCCCA West Region Men's Coach of the Year and the 2014 USTFCCCA West Region Women's Outdoor Coach of the Year. She was named the USC Director of Track & Field on June 17, 2013, following the retirement of Ron Alice who guided the program for 19 seasons. Smith Gilbert was a six-time Conference USA Coach of the Year at Central Florida and guided them to a program-best fifthplace finish at the 2013 NCAA Indoor and Outdoor Championships. Also in her six seasons at UCF, her athletes were named All-Americans more than 100 times and set more than 100 school records. Her team won four-straight Conference-USA titles (2010-13), the most in conference history. UCF's fifth-place finish in 2013 was the best finish by a non-BCS school since 2000. Smith Gilbert went to UCF after five seasons (2003-07) as an assistant coach at Tennessee and three as an assistant coach at Alabama (2000-03).

TROJANS' OLYMPIC GLORY - USC athletes of the present and past won 21 medals at the 2016 Rio Olympics, 9 golds, 5 silvers and 7 bronze, after earning 25 medals at the 2012 London Olympics. The success in Rio kept USC as the leader among U.S. universities for most all-time medals and gold medals and continuing its streak of having won a gold medal at every Summer Olympics since 1912. Nine of the medals earned by Trojans at the Rio Olympics were won by USC track and field athletes, the most by Trojan tracksters in a single Olympics. USC track and field athletes have claimed 49 gold medals in Olympic competitions. Forty-four current, former and incoming USC students competed in Rio, the most of any U.S. university. It was the fifth consecutive Summer Games that USC has had at least 40 Olympians. In Rio, those Trojans competed in 9 sports and represented 21 countries. Twenty-five of USC's Rio Olympians were women, 29 were competing in their first Games and 9 were current or incoming student-athletes. In reflecting on USC's success over the years at the Olympics, it is amazing to note that a Trojan athlete has won at least one gold medal in every track and field event except the 800m, 1500m, 5000m, 10000m, steeplechase, triple jump and javelin.

ALL-STAR COACHING STAFF - Caryl Smith Gilbert has put together an impressive coaching staff that looks like an all-star roster. Well decorated throws coach Dan Lange is one of the top assistants in the country and is joined on staff by Patrick Henner (distances), Sheldon Blockburger (jumps and multis), Quincy Watts (sprints and long hurdles) and Joanna Hayes (hurdles and sprints), the 2004 Olympic 100m hurdles gold medalist. Watts was also an Olympic gold medalist in the 400m and 4x400m relay.

USC ADDS 4 TO RECRUITING CLASS - On April 17 it was announced that middle distance runners **Alyssa Brewer**, **Isaiah Jewett** and **Jemima Russell** and sprinter **Brendon Stewart** have signed to compete in track and field at USC, joining the six outstanding recruits already signed by the Trojans during the early signing period in November. Russell, from Melbourne, Australia, has PRs of 2:04.89 in the 800m and 55.36 in the 400m races. She won the 200m and 400m dashes at the 2017 Australian U20 Athletics Championships. Brewer, from San Ramon, Calif., won the CIF state 800m title as a sophomore with a PR of 2:06.86, the fastest time in the Northern Section since 1981. She also won the 2017 title and will attempt this season to become the fourth CIF athlete to win the state 800m title three seasons in a row. Jewett, from Los Angeles, Calif., will transfer to USC from UC Irvine with two years of eligibility remaining. He has a PR of 1:47.43 in the 800m and 46.82 in the 400m. Jewett won the 2017 Big West 800m title and placed 11th at the 2017 NCAA Championships with his PR of 1:47.83 coming in the semifinals. Stewart, from Laurel, Md., did not run track his first two seasons in high school, but has had a meteoric rise, finishing the 2018 indoor season ranked No. 2 in the country among high school runners in the 60m dash with a best time of 6.66. He won the 55m dash at two of the biggest track meets of the 2018 indoor season, winning at the Virginia Showcase and the Millrose games, with his PR in the 55m dash being 6.28. He also ranked No. 7 in the country among high school men in the 300m race with a time of 33.86. Stewart also ran a leg for DeMatha's 4x200m relay which posted the third-fastest high school indoor time this season of 1:27.55. USC's early signing-period recruits were: **Karlee Freeman** (throws), **Bailey Lear** (sprinter), **Lanae-Tava Thomas** (jumper/sprinter), **Breanna Bernard-Joseph** (hurdler), **Ayden Owens** (multi-events) and **Nate Patterson** (high jumper).

MEN'S 4X400M RELAY SETS WORLD RECORD...AGAIN - USC's men's 4x400m relay team of Zach Shinnick, Rai Benjamin, Ricky Morgan Jr. and Michael Norman shattered the world record and set a school, collegiate and USA record with a winning time of 3:00.77 at the NCAA Indoor Championships on March 10. USC had originally claimed the record at the Tiger Paw Invitational earlier this season with a time of 3:01.98, but a team from Poland broke it with a time of 3:01.77 on March 4.

NORMAN, SMITH GILBERT & WATTS EARN USTFCCCA REGIONAL HONORS -- Michael Norman was named men's track athlete of the year, Caryl Smith Gilbert men's and women's head coach of the year and Quincy Watts men's assistant of the year for the West Region it was announced by the United States Track & Field and Cross Country Coaches Association (USTFCCCA) on March 5. Norman scorched the track at the Tiger Paw Invitational on his way to the fifth-fastest time in collegiate indoor history in the 400m of 45.00. Later in that same meet, Norman took the baton last for the Trojans' 4x400 relay team that ran a collegiate record-setting and then world record-setting time of 3:01.98. Smith Gilbert, in her fifth year at USC, led the Trojan men's team to an MPSF Championship where her athletes won five individual titles. On the season, her athletes posted 14 school top-10 marks, as well as a world record in the 4x400m relay. Her squad currently ranks fifth nationally. Smith Gilbert also led the USC women to their fourth Mountain Pacific Sports Federation championship in five years, as well as a top-five national team ranking heading in to the NCAA Championships. Smith Gilbert was named the MPSF Women's Coach of the Year after the Trojans won four individual event crowns on their way to claiming the team trophy. Watts, in his fifth year as an assistant coach at USC, helped guide the Trojan men's team to an MPSF Championship. His athletes finished 1-2-3 in the 400m at the conference championships. On the season, Michael Norman posted the fifth-fastest 400 time in collegiate history at 45.00. The 4x400 relay team, which Watts works closely with, set a world, collegiate and school record with a time of 3:01.98 at the Tiger Paw Invitational on Feb.10.

NORMAN & WATTS EARN USTFCCCA NATIONAL HONORS - Michael Norman was named national men's track athlete of the year and Quincy Watts the national men's assistant coach of the year by the United States Track & Field and Cross Country Coaches Association (USTFCCCA) on March 13. During the regular season, Michael Norman became one of the fastest men in NCAA history. At the NCAA Indoor Championships in College Station, Texas on March 10, Norman turned his attention to a bigger stage: the world. Norman became the fastest man in world history over 400 meters indoors when he clocked a time of 44.52 to win the NCAA title, which lowered the previous record of 44.57 and also stands as the American record, collegiate record and meet record. The sophomore from Murrieta, California also anchored the Trojan 4x400m team to an all-time world best mark of 3:00.77. Norman is the first athlete from Southern California to win a national indoor award. Watts, in his fifth year as an assistant coach at USC, led USC's sprinters and 4x400m relay team to greatness this season. He oversaw an incredible performance by his runners at the NCAA Indoors, as USC athletes broke the world record in the 400m (Michael Norman, 44.52) and established an all-time world best in the 4x400m (3:00.77). All told, Watts' athletes combined for 27 of the Trojans' 37 points in College Station, Texas, which helped them to a runner-up finish. Don't forget that during the regular season, Norman clocked the then-fifth fastest time in collegiate indoor history and the 4x400m relay broke what was the collegiate indoor record at the time. He also helped guide the Trojan men's team to an MPSF Championship and his athletes finished 1-2-3 in the 400m at the conference championships.

SMITH GILBERT AND BENJAMIN EARN MPSF HONORS - USC junior Rai Benjamin was named Men's Athlete of the Meet and Caryl Smith Gilbert the Men's and Women's Coach of the Year by the Mountain Pacific Sports Federation after the Trojans swept the men's and women's team titles.

ECSTASY AND AGONY FOR CUNNINGHAM - Randall Cunningham won his second national title in the high jump, first time indoors, when he cleared 7-6.00/2.29m on March 10. That jump was an indoor PR and tied the school record set by Jesse Williams in 2006. He was the only jumper clean through that height, but on his first attempt at 7-7.25/2.32m he suffered a broken left tibia bone on his approach. The other two jumpers remaining could not clear the height and he won the NCAA high jump title, despite breaking his leg. Cunningham had surgery on March 11 and is expected to miss the 2018 outdoor season.

OTHER TROJANS ON THE SHELF FOR OUTDOORS - In addition to **Randall Cunningham** missing the outdoor season due to injury, All-American hurdler **Marquis Morris** and shot putter **Matthew Katnik** will both miss the outdoor campaign. Morris suffered a fractured right clavicle from a fall at the Trojan Invitational on March 17. He is expected to miss the season. The junior Katnik is expected to redshirt this season and have two more outdoor seasons of eligibility, while Morris and Cunningham will have one more outdoor season of eligibility. **Margaux Jones** has been battling a back injury and tried to jump at the Dual Meet on April 29 (19-4.25/5.90m), but still felt discomfort and has decided to shut it down for the season.

EXPECT ONE LAST THRILL FROM HILL - USC senior sprinter Deanna Hill ranks in USC's all-time top 10 in the 100m (T7 - 11.17) and 200m (3rd - 22.41) and ran on USC's school record women's 4x100m (42.57) and 4x400m relays (3:23.35). She is a seven-time outdoor first-team All-American, having scored in the 100m, 200m, 4x100m and 4x400m at the NCAA Championships. Hill opened up her 2018 outdoor season by running her first collegiate 400m race and won at the Trojan Invitational on March 17 with a time of 53.26, which currently ranks 45th in the country. She opened up in the 100m on March 24 and had a wind-aided PR of 10.98 (+3.5w), which is fourth among collegians so far this season.
