#### ANDY ENFIELD QUOTES:

"It was not the result we wanted. It came down to the last possession. Stanford played well. We had our chances, but couldn't get it to go down."

"The last play was not executed how we wanted. But we still had a chance."

"We have to do a better job of withstanding what the opposing players do well."

"We missed 4 layups at the start, so it was hard to get off to a good start when you do that. All those misses hurt and add up."

"I'm disappointed with our upperclassmen. We made errant passes, that was frustrating. Fourteen turnovers is too many, that's on us."

#### ISAIAH MOBLEY QUOTES:

"I tried to shoot the second free throw like the first one, but I missed it. That's on me."

"I felt like I got a good look on the last shot. I didn't see Boogie open in the corner. I had a good look, it didn't go down."

"We can't come out flat anymore."

"We need to fix what we need to fix and move forward."

#### DREW PETERSON QUOTES:

"We were trying to get a look on the backside, but I lost the ball a bit (on the final play). Isaiah got a good look. I thought it was going down."

"We need to figure out our starts, for sure."

"We were playing really well at the end of the first half. We can't take any game for granted. We have to lock into the details."

"We have a big next couple weeks. We have to lock into this important stretch coming up."

**STANFORD HEAD COACH JEROD HAASE:**

"What a college basketball game. This is the kind of game where a couple plays go your way and you talk about how tough you are and how resilient but the truth is they were too."

"It was just a matter of toughness, physicality and both teams making plays for others."

"I believe in what we're doing. We have to find a way to get over the top. We're grinding. We're competing, and I love what we're doing."
