**USC TRACK AND FIELD HISTORY** - USC track and field is well known as one of the most successful athletic programs in the history of the NCAA, with 31 men's and women's national team titles. The Trojans have won far more NCAA team and individual titles combined than any other university. However, the most dominant force in USC's slate of athletic programs is not the baseball team (12 College World Series titles) or the football squad (nine national championships) but the men's track and field program, with an unprecedented 28 NCAA titles (including nine straight, 1935-43). In fact, in the history of the NCAA, only the Oklahoma State wrestling program (34) has more national titles than USC men's outdoor track and field. Trojan athletes have dominated the track and field scene for decades. From the exploits of sprinter Charlie Paddock and thrower Clarence "Bud" Houser in the 1920s and 1930s, sprinter Mel Patton in the 1940s, thrower Parry O'Brien in the 1950s, sprinter Lennox Miller and pole vaulter Bob Seagren in the 1960s, sprinter Quincy Watts in the 1980s, to four-time NCAA hammer champion Balazs Kiss (only the fifth collegian to win four in a row) in the 1990s, World Champion hurdler Felix Sanchez early in the 2000s, and NCAA champion and Olympic medalist Andre DeGrasse, and NCAA champions and collegiate record-holders Rai Benjamin and Michael Norman, USC is synonymous with track and field excellence.

TROJAN PROGRAM REMAINS IN GOOD HANDS WITH QUINCY WATTS - Former Trojan Olympic great Quincy Watts was promoted to USC Director of Track and Field and Cross Country on June 17, 2021 after eight seasons on Caryl Smith Gilbert's staff as an assistant in charge of sprints, long hurdles and relays. "Naming Quincy Watts, a Trojan Hall of Famer and Olympic legend, as our new director of track and field and cross country is the best and right decision for us," said USC Athletic Director Mike Bohn at the time of his appointment. "His impact on both our men's and women's programs over the past eight years has been significant. Consistent with our vision to be the most student-athlete centered program in the country, engaging our student-athletes is an important part of every coaching search process, and I am so impressed with the overwhelming support Quincy has from our current team. He is also highly respected by our former student-athletes and the national track and field community. We are very excited to have a winner and decorated Trojan leading our program, and we have the utmost confidence that he will sustain and elevate the tradition of excellence the USC shield represents." Watts is in his second season in charge of the Trojans' program. In his nine seasons working with USC athletes as the Director of T&F and as an assistant coach, he has guided Trojans to 91 indoor and outdoor All-America honors in the 400 meters, 400-meter hurdles and 4x400-meter relay. His Trojan athletes also claimed 20 NCAA titles and 29 Pac-12 crowns, and they set three collegiate records and 24 school records plus all four USC freshman 400-meter records and the women's 400-meter hurdles freshman record. In his inaugural season as a head coach in 2022, Watts led USC to some pretty impressive accomplishments. His athletes posted 16 outdoor and 17 indoor all-time USC indoor marks, including setting five school records. Watts was named 2022 NCAA Indoor West Region Coach of the Year and had athletes earn 12 indoor All-America honors and 11 earned first-team outdoor All-America status. In addition, USC athletes combined to earn 23 All-Academic honor roll designations for the Winter and Spring semesters. The Trojans also swept the annual dual meet against UCLA. Watts also continues coaching USA Olympic medalists Michael Norman, Rai Benjamin and Kendall Ellis. Norman won gold medals in the 400m and with the USA 4x400m relay team and Benjamin a silver medal in the 400m hurdles at the 2022 World Athletics Championships.

**TROJANS' OLYMPIC GLORY** - USC athletes of the present and past won 21 medals at the 2020 Tokyo Olympics, 11 golds, 5 silvers and 5 bronze, and have won over 20 medals at three consecutive Olympics. The success in Tokyo kept USC as the leader among U.S. universities for most all-time medals and gold medals. USC has had 510 Olympians who have earned 326 medals, 153 gold, 96 silver and 77 bronze. Forefront in the USC success is the 151 track and field athletes who have earned 49 gold medals. Former Trojan students won a record 13 medals at the 2020 Olympics, six gold, two silver and five bronze. USC's previous record for most track and field medals won in a single Olympics was nine at the 2016 Rio Games. This was the fifth consecutive Summer Olympics in which a USC track and field athlete earned at least one gold medal and a Trojan track and field athlete has won at least one medal in every Olympics since 1912.
