He also has more than double the number of free throws as the next Trojan as he sits at 115 attempts this year. These numbers also show how efficient he is when it makes it to the free throw line. His free throw rate sits at 64.4, which is the third-best in the Big Ten according to KenPom.

**BIG TEN IN THE TOP 25 POLL**

The Big Ten is one of the most represented conferences in the AP Top 25 College Basketball poll. At the start of this week, there are six Big Ten teams in the Top 25 and one team who is receiving votes. The top-ranked team is Michigan State, coming in at No. 12. The five other teams in the Top 25 are Oregon (13th), Purdue (17th), Illinois (19th), Michigan (20th) and Wisconsin (24th), who the Trojans will play tonight. The one team that is receiving votes is Maryland.

**FAMILY TIES**

The Trojan family is more than a figure of speech on the USC men’s basketball squad as head coach Eric Musselman is the father of USC assistant coach Michael Musselman and graduate assistant Matthew Musselman. USC assistant coach Quincy Pondexter and Trojan Wesley Yates III are cousins and joined USC after time spent at Washington.

**BROTHERLY LOVE**

USC is home to Trojans Kevin Patton Jr. and Kallai Patton, brothers from Murrieta, California. Both attended Rancho Christian High School. Kevin graduated in 2023, while Kallai was a 2024 graduate. In 2023, the two teamed up to capture the DII CIF Southern Section title for Rancho Christian.

**OUT IN THE COMMUNITY**

The USC Men’s Basketball tries to be a conscientious member of the community and has routinely had youth groups or schools visit practice or venture out into the community for an event over the last several years. The Trojans recently handed out backpacks in partnership with World Vision at the Barack Obama Charter School to kick off the new year back in August.

Not only that, but the team has done what they can to give back to the Los Angeles community following the Palisades and Eaton Fires. On Thursday and Friday of this week, members of the team and coaching staff volunteered in Pasadena and at the BMO Stadium to pass out supplies to those impacted by these fires.

**IN THE NBA**

USC had 11 former players who began the 2024-25 season on NBA rosters, which ranked in the top 5 among all schools. Opening night of the 2024-25 season saw Trojan Drew Peterson receive his 2024 NBA Championship ring with the Boston Celtics and Onyeka Okongwu recorded a career-high 28 points. Recent Trojan Bronny James also made history with his father and 22-year NBA veteran Lebron James on opening night, as the pair became the first father-son duo to play together in an NBA game.

Player	Team
Isaiah Collier	Utah Jazz
DeMar DeRozan	Sacramento Kings
Taj Gibson	Charlotte Hornets
Bronny James	Los Angeles Lakers
Jordan McLaughlin	Sacramento Kings

**1,000-POINT CLUB**

When it comes to scoring, the Trojans have five players who already have 1,000 career points and two others who are within 100 of hitting that career marker. Currently, Josh Cohen has the most career points on the team with 1,765 while Bryce Pope is close behind with 1,637. Clark Slajchert also has 1,000 career points, sitting at 1,042. Chibuzo Agbo also hit this milestone earlier this season on his birthday against Saint Mary’s as he now has 1,140 points on the season. Desmond Claude is the most recent Trojan to hit this milestone as he grabbed his 1,000th point against Iowa. There are two Trojans who are closing in on this milestone, and they are Matt Knowling and Saint Thomas. Both are within 100 points of this achievement.

## **STARTING FIVE**

Head Coach Eric Musselman is starting to keep a consistent starting lineup, sticking with Saint Thomas, Desmond Claude, Wesley Yates III, Chibuzo Agbo and Josh Cohen. Saint Thomas and Josh Cohen are the only two Trojans to start in every game for USC. With this starting lineup, the Trojans are 7-2 which includes a Quad 1 win over No. 13 Illinois. They also have an offensive rating of 131.3, which is the number of points the Trojans score on 100 possessions.

## **RACKING UP THE POINTS**

Since the 2019 season, USC owns a 92-20 record when it scores 70 or more points.

## **IN THE PAINT**

The Trojans shot 51.4 percent of their shots from the paint. Of those shots, they find the most success within 4.5 feet of the rim as they make 67.5 percent of the shots they put up in that range. Overall, the Trojans are shooting at 58.4 percent from the paint.

## **NEW HEIGHTS**

USC has eight players listed on the roster who are 6-7 or taller. When looking at KenPom, the Trojans' average height based on the height of every player on the roster and the minutes they are playing is 78.6 inches, the 23rd tallest average in the country.

## **BOARDS GALORE**

One name continues to show up consistently as the leading rebounder for the Trojans, and that name is Saint Thomas. He has now had the most rebounds or was tied for the most rebounds on the team in 10 of the team's 17 games. He leads the team in this stat category with 105. Following the team's game against Iowa, Thomas got himself to 489 career rebounds, which is just 11 boards away from hitting the 500-rebound club.

Along with that, Josh Cohen has been a great rebounder throughout his career. He secured his 500th-career defensive rebound against Michigan. With those rebounds, he now sits at 789 career rebounds. His total career points and rebounds together puts him in the 1,500-point and 600-rebound club. There are just 31 active Division I players who have hit both of these markers.

## **TRANSFER TROJANS**

The Trojans are the most experienced Power 5 team in college basketball based on minutes played per game last season (327.6). The Trojan transfer class combined to average almost 150 points per game last season - the most incoming points of any transfer class in the nation. These transfers came from Michigan, Xavier, Yale, Northern Colorado, UC San Diego, Texas Tech, Washington, Bowling Green and Penn.

## **WORKING ON AND OFF THE COURT**

During this fall semester, the Trojans put in work in the classroom. The team finished with a 3.129 GPA, the third-highest cumulative GPA in program history.

Along with the work the team is doing in the classroom, the Trojans have seven of their players working towards postgraduate degrees. Chibuzo Agbo and Rashaun Agee are working towards degrees in Digital Media Management, Matt Knowling and Terrance Williams II are working towards degrees in Public Relations Innovation, Strategy and Management, Bryce Pope is working towards a degree in Entrepreneurship and Innovation, Clark Slajchert is working towards a degree in Social Entrepreneurship, and Josh Cohen is working towards a graduate certificate in Gerontology.

## **CONTROLLING THE BALL**

One Trojan ranks 11th in the Big Ten when it comes to turnover percentage, and that is Chibuzo Agbo. His turnover percentage sits at 9.9 percent, which means he only turns the ball over 9.9 percent of the time.

## **EXPERIENCE IS KEY**

When looking at the years of the members of the team along with their production when they are on the court, KenPom calculates that the average experience of USC's team is at 2.63, which ranks in the Top 40 in the NCAA.

## **THE GALEN ADVANTAGE**

USC is 220-87 at the Galen Center since it opened on Nov. 16, 2006. USC is also 111-26 in non-conference games at the Galen Center.

## **AN ELITE THREE**

The trio of Chibuzo Agbo, Desmond Claude and Wesley Yates III has been great for the Trojans. They maintain an offensive rating of 124.4 and a field goal percentage of 50.9 percent, which is 92nd percentile compared to other trios in the NCAA. These three are also good at dishing out the ball as they have a combined assist percentage of 59.7 percent.
