GAME 12

No. 19 USC (8-3 overall, 6-2 Big Ten Conference)
UCLA (3-8 overall, 3-5 Big Ten Conference)

Saturday, Nov. 29, 2025

4:30 p.m. PT • NBC

Los Angeles Memorial Coliseum

CROSSTOWN SHOWDOWN

... The nation will be watching, but this is a local feud. USC and UCLA meet this Saturday at the Los Angeles Memorial Coliseum for the 95th version of the nation's most famous crosstown rivalry. It will be shown live nationally on NBC.

... USC has won 19 of the last 26 meetings in its series with UCLA, including a 19-13 victory in the Rose Bowl last season in 2024.

... City dominance will be determined in this game as well as the Victory Bell and Crosstown Cup points.

... Sticking to tradition, both teams will wear their home jerseys.

... USC has won 11 national championships, UCLA 1.

... USC has appeared in an unprecedented 33 Rose Bowls where it has a 25-8 mark (.758) [not including 1 appearance and 1 loss later vacated due to NCAA penalty; original record: 34 Rose Bowls, 25-9, .735]. That is not only the most Rose Bowl wins of any team, but also the most wins by a school in a single bowl. UCLA has been in the Rose Bowl 11 times and is 5-6.

... Both schools have produced Heisman Trophy winners (USC has 8 [the most of any college football program], UCLA 1).

... The Trojans claim 177 All-American first teamers, while the Bruins have 101.

... USC has 890 all-time wins with a .694 winning percentage, while UCLA boasts 653 all-time wins with a .581 winning percentage. (Not including USC's 14 wins and 1 loss vacated due to NCAA penalty; original record: 904, .697)

VICTORY BELL

... The winner of the annual USC-UCLA football game gets year-long possession of the Victory Bell, a 295-pound bell off a freight locomotive. USC is currently in possession of the Victory Bell.

... Originally given to UCLA in 1939 as a gift from the UCLA Alumni Association, several USC students took the bell in 1941 and hid it in a variety of locations for more than a year.

... A controversy ensued and school administrators had to intercede.

... In 1942, the bell resurfaced and, by agreement, became the trophy given to the game's winner.

... However, tradition calls for the Victory Bell to spend most of the year in storage...or, rather appropriately, in hiding.

... Since the bell became a trophy, its carriage has been painted cardinal 46 times while in USC's possession and blue 34 times while in UCLA's custody (there were 4 ties) [not including 2 USC wins vacated]

THE LAST MEETING

November 23, 2024

USC 19, UCLA 13

Att: 59,473

USC	3	6	0	10	--	19
UCLA	3	0	10	0	--	13

It was USC's version of the Michael Jordan "flu game" as the Trojans, overcoming a program-wide flu outbreak, defeated crosstown UCLA 19-13 in the Rose Bowl to bring the Victory Bell home to Troy.

QB Jayden Maiava went 19-for-35 (.543) for 221 yards with 1 TD. **RB Woody Marks** rushed for 76 yards and **K Michael Lantz** kicked 4 FGs.

It was the fifth straight year the road team has won in the series.

After UCLA scored a FG on its opening possession, the Trojans ended up in the red zone 3 times in the first half, scoring a field goal each time.

After an on-field scuffle at the end of the first half, UCLA was charged with 3 unsportsmanlike conduct penalties giving USC an opportunity for a short field to open the second half, but the Trojans turned the ball over on downs. UCLA then scored as QB Ethan Garbers hit WR Titus Mokiao-Atimalala on a 10-yard TD pass.

USC then completely took control of the game in the fourth quarter.

P Eddie Czaplicki, the nation's best punter, put the Trojan defense in great field position with a perfect 44-yard punt downed at the UCLA 1-yard line. His other 2 punts in the game were also inside the 10, backing UCLA up to its own 7 and 9 yard lines.

After and 3-and-out by the Bruins, the Trojan offense found a spark. Maiava tossed **WR Makai Lemon** a lateral, and Lemon threw a perfect 39-yard rope to **WR Kyron Hudson** who ran out of bounds at the UCLA 4. USC scored on the next play as Maiava dodged one Bruin defender and outran another to launch a perfect throw to **WR Ja'Kobi Lane** in the back corner of the end zone for USC's only TD of the night to push USC ahead 16-13.

With 5 minutes left in the game, UCLA needed to convert a fourth-and-1 to extend its drive, and the USC front came up with a crucial stop to force a turnover on downs at the UCLA 34. USC scored a field goal on the following drive to extend its lead to 19-13.

UCLA had another opportunity with 2 minutes left and USC didn't allow the Bruins to earn a single yard which forced a turnover on downs at fourth-and-10 to seal the victory.

- ... The No. 15 Trojans fell 27-42 at No. 7 Oregon in front of a crowd of 59,588 at Autzen Stadium in Eugene, Ore. This was USC's third loss of the season.

- ... **WR Makai Lemon** scored two TDs (in addition to a passing TD) and **TE Lake McRee** also found the end zone.
- ... **LB Desman Stephens II** led the Trojans with a career-high 17 tackles.

RANKINGS

- ... USC is ranked No. 19 in the AP Poll and No. 20 in the USA Today Coaches' Poll. UCLA is not ranked in either the AP Poll or the USA Today Coaches' Poll. In last's week's College Football Playoff poll, USC was ranked No. 15. New CFP rankings come out on Tuesdays.

IN NOVEMBER

- ... USC has a 276-143-20 (.652) all-time record while playing in the month of November (not including 3 wins vacated due to NCAA penalty; original record: 279-143-20, .654).

USC VERSUS UNRANKED UCLA

- ... USC is 30-15-5 against unranked UCLA teams (not including 1 win vacated due to NCAA penalty; original record 31-15-5).

HOME JERSEYS

- ... For the first time since 1982, both USC and UCLA wore home jerseys in the 2008 crosstown rivalry game (it was UCLA's home game in the Rose Bowl). Per an NCAA football-playing rule, because the Trojans were not in their white road jerseys, they were charged with a timeout at the opening kickoff. UCLA responded by calling a timeout immediately after to even things up. The teams again both wore home jerseys in 2009 (that rule was repealed, so there was no consequence). The tradition of USC in its cardinal jerseys and UCLA in its blue jerseys, regardless of whose home game it was, went on from 1949 to 1951 and then 1957 through 1982 before an NCAA football rules change required the visiting team to wear white. That rule was no longer in effect beginning in 2009, so USC again wore its home jerseys in the 2010-12-14-16-18-20-22-24 UCLA games in the Rose Bowl.

CROSTOWN CUP

- ... The winner of the USC-UCLA football game scores 10 points toward the Crosstown Cup, a trophy awarded annually to the school with the most successful athletic year against the other.
- ... The competition was formerly known as the Crosstown Gauntlet. Points are awarded to the winner of each Trojan-Bruin head-to-head contest and the Crosstown Cup will be awarded to the school with the most points at year's end (100 points is the magic number).
- ... USC has won the Crosstown Cup 14 times in the competition's 22 years, including a span of 5 consecutive years: 2001-02, 2003-04, 2005-06, 2007-08, 2008-09, 2009-10, 2010-11, 2011-12, 2013-14, 2015-16, 2018-19, 2020-21, 2022-23 and 2024-25. (The 2019-20 competition was suspended in the spring when collegiate athletic events were cancelled due to COVID-19.)

TV OUTLETS

- ... USC has appeared live on 35 different television broadcasting outlets. The Trojans have won on the air on all but 3 of those outlets (KTLA, Innovative and a local Memphis station). USC has appeared on live national, regional or local telecasts 603 times.

for LAUSD elementary students, for a day of fun and football. LA's BEST provides students with academic support, nutritious meals and opportunities to participate in enrichment activities, all at zero cost. Beavers, an alum of LA's Best, wanted to give back to an organization that helped shape him as a child.

... As a first-generation college graduate, one of Beavers' goals with this event was to encourage the children of LA's Best to pursue higher education. This was the first time many of the children had been on a college campus and interacted with student-athletes. In his four years at USC, Beavers has earned his bachelor's degree in psychology with a minor in occupational science, a graduate certificate in gerontology and is currently pursuing his master's degree in gerontology.

... After the devastating wildfires destroyed the Pacific Palisades and Altadena in Los Angeles in January, Beavers worked at a fire relief event with USC's collective, House of Victory, in conjunction with local organizations including Impact LA, ANE Foundation, AFTP Foundation and LoveChild Hospitality. He assisted in the intake of donations, sorting, organizing and packing outgoing donations at a donation resource center.

... Beavers has also volunteered at the Los Angeles Regional Food Bank where he sorted and packaged foods that were distributed to local families in need.

... Beavers has volunteered at the Dream Center in Echo Park, Calif. The Dream Center is a resource center focused on providing support for the homeless and the hungry through residential and community outreach programs. Through its hot meal program, the Dream Center serves thousands of free meals daily. Beavers helped prepare and serve lunches during the Dream Center's meal service and assisted with the Outdoor Pantry.

... He also enjoys volunteering his time to coach youth football.

... Beavers' leadership across USC's campus is extensive. He is an ambassador for the USC Shoah Foundation Witness for the Future Student Leadership program. The Student Leadership program brings student-athletes to Washington, D.C., and Europe for a transformational travel and educational experience that encourages them to embrace and activate their own leadership platforms as they learn to recognize the components and consequences of antisemitism.

... Beavers recognized that many of his teammates did not have passports or had ever traveled out of the country, as there is little time to travel abroad while playing Division I football. In 2024, he recruited five other football players to join him to travel to Washington D.C. and Poland to learn about racism and antisemitism. They visited Auschwitz and learned about the Holocaust. The story was featured on Big Noon Kickoff.

... Beavers continues to be an ambassador for the Shoah Foundation Witness for the Future Student Leadership program. This summer, he also recruited another group of teammates to join him on another educational trip to Washington D.C. and Berlin, Germany.

... Beavers is the Co-President of USC's United Black Student-Athletes Association. The UBSAA exists to empower and protect Black student-athletes at USC by providing a community and giving them a voice to advocate for support within USC Athletics and USC. They strive to use their position of influence to improve circumstances for the Black community within USC and beyond.

... Additionally, Beavers attended the 2025 Black Student Athlete Summit in Chicago this past May. The Summit united student-athletes, athletic professionals and industry innovators for four days of programming. Participants engaged in career development sessions, financial literacy workshops and wellness activities designed to prepare them for life beyond sports. Beavers was a panelist and discussed the importance of having a village of support throughout one's collegiate career.

When asked if he's had a kicker like him, Riley said, "We've had some pretty good ones throughout my career, but his poise and presence, the confidence he has and the confidence our whole team has in him, is off the charts right now. The guy has been incredible for us all year. He doesn't miss very often, which is a pretty good quality for a kicker I was told," he said with a laugh. "He doesn't miss in practice. He doesn't miss in games. He's the same steady guy the whole way through. He's one of the biggest stories of our team right now."

- ... USC head coach **Lincoln Riley**: "The physicality was about the same [between USC and Notre Dame]. If you're giving up plays in the run game, you look to see are we getting moved backward, is the line of scrimmage getting reset or are we not doing a good enough job in gap control and assignments...and that's exactly what it was. Against a good team with two phenomenal running backs, you give them a couple of 'gimmies' on top of being a battle the entire game. That's where the run defense was and those were our biggest struggles throughout the game. It was really assignment based. We didn't play nearly as in-sync as we did the previous week. The physicality, effort and all that was about the same. It was a physical battle. They won some reps, we won some reps. There was a lot of stalemates right there at the line. When you have two good groups going at it, that's what you see. We've got to play cleaner. We were motivated and ready to play, but in those games, you have to combine that with playing really good ball and being really in-sync."

Former USC QB Cody Kessler also had 295 first-half yards against Arizona State on Sept. 26, 2015.

- ... Maiava was in complete command of the Trojan offense the entire first half. Throughout the offseason, Riley and his teammates discussed his confidence and leadership development. It was displayed on Saturday through his poise as well as his support of his teammates. Maiava was always the first person to celebrate with his teammates – offense, defense or special teams.

- ... Although he only touched the ball on six plays throughout the game, JUCO product **RB Waymond Jordan's** electric performance was enough to ignite the excitement among the Trojan faithful.

- ... On USC's first offensive series, Jordan received the hand off on second-and-4. He juke left, shimmied right and ran 26-yards down the field to get inside the 10 with an explosion from the crowd.

... The Trojan tight end game was a focal point of USC's game against Missouri State as redshirt senior **TE Lake McRee** and redshirt junior **TE Carson Tabaracci** both scored TDs for USC.

... McRee's TD in the second quarter increased USC's lead to 21-3. The Bears blitzed, McRee faked the block and then took off, nabbing a 64-yard reception from QB Maiava. The big man took off down the field, and no one was stopping him until he found the end zone.

... Fitzgerald's 39-yard INT return for a TD in the second quarter was the first Trojan pick-six since Mason Cobb picked off a 55-yard INT return versus Wisconsin on Sept. 28, 2024.

... His INT was USC's first pick-six in a season opener since USC recorded three pick-sixes versus Rice on Sept. 3, 2022.

... Fitzgerald, who transferred from NC State prior to this season, had 5 INTs in two years with the Wolfpack. Saturday's pick-six was the first of his career.

... Prior to playing in junior college, Fitzgerald was a quarterback. He credits his knowledge of the game from the offensive side of the ball to successfully get into the mind of the QB and make reads.

... Fellow safety, **Christian Pierce** was notably excited about Fitzgerald's INT. Fitzgerald credited Pierce for helping him learn the USC defense after transferring from NC State. Pierce's unselfishness showed his strong character in the transfer portal era, when many would be wary of a new player joining their position room. It speaks to the camaraderie of this Trojan team.

... Shocking Effort. Obnoxious Communication. Attack. USC **defensive coordinator D'Anton Lynn's** three defensive pillars were on full display against the Bears as the Trojan defenders continued to find their way into the backfield and log 13 TFLs for minus 47 yards, the most in the nation over the weekend.

... The Trojans also collected 5 sacks for minus 25 yards. In 2024, USC's defense, the most improved in the nation, logged 21 sacks.

... **DE Braylan Shelby** led the team with 4 tackles, including 3.5 for loss of 13 yards (with 2 sacks for minus 11 yards). He told the Los Angeles media that his goal was 10 sacks on the season, and he's certainly on his way there.

... **DT Jide Abasiri** notched the first sack of his career against the Bears.

... USC logged a second INT against the Bears. Redshirt sophomore **CB Kevin Longstreet** jumped up to tip a Mo. State pass and redshirt

junior **DE Garrett Pomerantz**, playing in his first ever game, caught the tipped pass and returned it for 37 yards.

... Many young Trojans made their Coliseum debut against the Bears.

... Freshman **QB Husan Longstreet** started the second half of the game and allowed the Trojan Family a glimpse into the future.

STANDOUT SPECIALISTS

... It will be tough to replace USC's first-ever Ray Guy Award winner in Eddie Czaplicki. However, redshirt senior **Sam Johnson**, a transfer from Valparaiso will make a valiant effort in 2025. Johnson had a spectacular redshirt junior season in 2024. He was named a 2024 Stats Perform Second Team All-American, becoming the program's first All-American

since 2003 and just one of three All-Americans from the program since 1985. He was named the Pioneer Football League Special Teams Player of the Year and received All-PFL First Team honors. THE OFFSEASON

- ... In the late-night hours on Dec. 27, 2024, the Trojans danced to the sounds of cheers and Elvis Presley music under a shower of cardinal and gold confetti.

- ... Marking the biggest comeback in USC bowl game history, the Trojans concluded the season with a dramatic 17-point comeback victory defeating Texas A&M 35-31.

- ... "In some ways it was kind of a poetic ending to the season," said USC head coach **Lincoln Riley**. "I'm incredibly proud of this group. The resiliency that they've shown. I told them there's a toughness and a hardness developing in this program right now. You can look at a lot of

different points throughout this season and certainly tonight and you see that. I have a lot of excitement about that. Our motto is 'Fight On!', and this team really embodies that."

- ... With an exclamation point to close out the season (and yes, the Trojans were 2-0 against the SEC in 2024), the USC football team and the Trojan faithful eagerly looked ahead to 2025.

- ... And sometimes in the surge forward, one must take a glance back to the past.

- ... The Trojans can look back to the 2002 team for inspiration. While most of the USC roster was not yet born, this iconic Trojan team, led by Carson Palmer and Troy Polamalu, could serve as motivation for the season ahead. USC entered a season coming off a 6-loss campaign. That Trojan squad rebounded by going 11-2, capturing the league title and winning the Orange Bowl.

- ... The 2025 USC team certainly has the elements to put together a similarly successful run.

- ... Now in those 23 years, the college football landscape has changed dramatically. From NIL to the transfer portal, college football has become increasingly more complex than ever before. Riley spent the entire offseason ensuring that the program would be taking the correct steps forward into the new age of college football.

- ... "We're not content with any part of this program being average or even being good. That's not our mentality," Riley said.

- ... The Trojans welcomed **Chad Savage** as USC's tight ends/inside receivers coach. Savage, one of the nation's top recruiters, most recently served as the wide receivers coach/recruiting coordinator at Colorado State from 2022-24. He was named the Mountain West Recruiter of the Year by 247Sports for three consecutive seasons (2022-24). Savage primarily recruited Southern California and Arizona and was instrumental in signing over 25 players from the Greater Los Angeles area to play at Colorado State.

- ... USC made another splashy hire with NFL legend **Rob Ryan** as the assistant head coach for defense/linebackers coach. With over 35 years of coaching experience and two Super Bowls rings to his name, Ryan is one of the most accomplished defensive coaches in NFL history. He has coached some of the NFL's top players, including numerous Hall of Famers and All-Pro selections, and has been an NFL defensive coordinator for 15 years.

- ... Finally, **Trovon Reed**, most recently serving as the cornerbacks coach at UCF with the reputation of an exceptional recruiter, was named USC's cornerbacks coach. A rising star in the coaching profession, Reed was the only cornerbacks coach in the nation to have two of his players compete in the 2025 Reese's Senior Bowl.

- ... USC also welcomed new Director of Football Sports Performance **Trumain Carroll** to the coaching staff. Carroll most recently served as the director of strength and conditioning at Kansas State where he helped oversee a culture change within the program. Throughout his time in Manhattan, Kan., the Wildcats recorded a combined 36-17 record, collected three bowl victories and the 2022 Big 12 Championship with a 31-28 overtime victory over No. 3 TCU. Since Carroll began working with the Wildcats prior to the 2021 season, K-State was one of only five Power 4 teams to win at least nine games in each of the last three seasons (2022-24) with at least one conference championship in that timeframe. This summer, Carroll has made developing a strong team culture within the program a priority.

- ... Additionally, USC brought on **Chad Bowden** to serve as the program's general manager. Bowden, a nationally renowned college football administrator with proven success constructing championship-caliber rosters, was recently named the 2024 FootballScoop Player Personnel Director of the Year for his outstanding roster construction and exceptional utilization of the transfer portal while the general manager for Notre Dame.

- ... USC bolstered its personnel staff and front office with new hires by Bowden as well as promotions from within. This internal reorganization has allowed everyone to utilize their specific roles and skillsets to chase

championships together.

... "Our coaches are still certainly going to have a big role in evaluating and certainly going to still have a big role in recruiting," said Riley. "But [Bowden's] department is going to spearhead scouting. It's going to have a heavy role in recruiting. It's going to have a heavy role in how we construct our roster. It's going to have a heavy role in our salary cap and how we manage that, how we strategize...there's a lot of synergy but there's also separate responsibilities, and it really is going to be kind of its own department within our program. And we wanted to build a team of people that allows us to operate at a higher level where we can evaluate more players, we can recruit more players efficiently and we can manage the roster. We can take a few things off of the coaches so the coaches can really dive heavily into coaching and developing our team and allow our people in personnel, scouting and recruiting to do their jobs at a high level."

... As USC moves into the new era of college football, Riley knows that these moves will propel the Trojans to the top.

... "I fully believe when it's all said and done -- and I don't say this lightly -- I think it's going to be the best personnel, off-the-field staff in the country," said Riley.

... Spring football has come and gone, and USC continues to make the summer headlines. Whether it's discussion about the recruiting momentum, being ahead of the curve in front office transformations or entering its sophomore season in the Big Ten, the nation awaits to see the show that the Trojans will undoubtedly put on this fall.

USC and Michigan are the only schools with an NFL draftee every year since 1939. USC has the longest active streak (24 years) with a player drafted in the Top 3 rounds. USC has the most picks in the common draft era (since 1967), with 367 (next is Ohio State's 355 and Notre Dame's 324). There have been 543 USC players who since 1920 played in the NFL (or its sister leagues, the AFL or All-America Football Conference).

Simpson in 1969, Ricky Bell in 1977, Keyshawn Johnson in 1996, Carson Palmer in 2003 and Caleb Williams in 2024). USC and Oklahoma are the only schools to have the No. 1 pick for 2 consecutive years (Yary and Simpson). USC has had three of the most highly-drafted classes in history. The 1953 class (following the 1952 season) had 15 players drafted while both the 1975 and 1977 classes had 14 players selected. USC had more players selected in the 2011 (9), 2009 (11), 2008 (10), 2006 (11) and 1990 (10) drafts than any school. USC had more players drafted than any school in the 10-year periods from 2002-11 and 2005-14 (69, 6 more than LSU) and the 5-year period from 2007-11. USC's 12 first round picks in the 1990s tied for third in the nation with Tennessee; 8 of those Trojan first rounders were selected in the Top 10. In the decade of the 1980s, Troy had more first round picks than any school (16). USC's 5 first round picks in the 1968 draft was an NFL record for 36 years.

Trojans have been selected to play in the Pro Bowl 246 times (a USC alum has appeared in every Pro Bowl [except the 2024 Pro Bowl] since the game's inception in 1951; there was no game in 2021 due to the COVID-19 pandemic but a team was chosen, however no Trojan was picked). USC HEAD COACH LINCOLN RILEY

**3 Heisman Trophy Winners Coached 3 College Football Playoff Appearances
 4 Big 12 Championships • 3 No. 1 Overall Draft Selections**

Lincoln Riley is one of the nation's most successful coaches. He's had more success by the age of 40 than any other head coach in college football history. Riley has been a head coach for 8 seasons and has developed 3 of the last 8 Heisman Trophy winners. In addition to being the only head coach to tutor three Heisman Trophy winning quarterbacks, Riley is the only coach to have 3 quarterbacks selected No. 1 overall in the NFL Draft and has the most No. 1 overall draft selections in the common draft era. Just 10 Power Four coaches currently hold a .500 or better career winning percentage against ranked teams, including Riley. From coaching 3 Heisman Trophy winners, to having a 77 percent winning record, to appearing in 3 College Football Playoffs, Lincoln Riley's coaching achievements set a standard of excellence.

GAME SUMMARIES

USC 73, Missouri State 13

Aug. 30, 2025 • Los Angeles Memorial Coliseum • Los Angeles

In USC's 2025 season opener, the Trojans defeated the Missouri State Bears 73-13 in front of a crowd of 62,841 in the Los Angeles Memorial Coliseum. The game, broadcast on Big Ten Network, was Missouri State's debut game as an FBS program as a new member of Conference USA.

USC QB Jayden Maiava accounted for over 300 yards in just one half of football. He went 15-of-18 (.833) with 2 TDs for 295 yards with a long of 73 yards. He also rushed for 9 yards and scored a TD on a 3-yard rush into the end zone. USC had its highest-scoring game since 1930. Maiava earned Big Ten Offensive Player of the Week honors. USC had 9 different players score a TD versus the Bears, the most for a Trojan team in program history. Maiava's 295 passing yards in the first half versus Missouri State were the most by a Trojan in a first half since former USC QB Kedon Slovis' 347 first-half yards versus Arizona State on Nov. 9, 2019.

Missouri State scored first on a 44-yard field goal with 10:12 left on the clock in the first quarter. From that point on, the Trojans would take over for the rest of the game.

On USC's first offensive series, Jordan received the hand off on second-and-4. He juke left, shimmed right and scattered 26-yards down the field to get inside 10 with an explosion from the crowd. On the subsequent play, Jordan got the ball again and slipped into the end zone, making it look easy, to put the first points on the board for the Trojans.

The bulldozing back, **RB Bryan Jackson**, made his presence known by scoring at the end of the first quarter to increase USC's lead to 14-3.

USC TE Lake McRee's TD in the second quarter increased USC's lead to 21-3. The Bears blitzed, McRee faked the block and then took off, nabbing a 64-yard reception from QB Maiava. The big man took off down the field, and no one was stopping him until he found the end zone. This reception was not only McRee's career-long, but it was the longest reception by USC tight end since Kori Dickerson had a 66-yard reception against UCLA on Nov. 17, 2001.

With some pressure up from the Trojan defensive line – a twist, a stunt and some epic physicality, Mo. State's QB Jacob Clark felt the heat and USC **S Bishop Fitzgerald** was reading him like a book. He locked in, snatched the INT and took it all the way to the house. Fitzgerald's 39-yard INT return for a TD in the second quarter, the first pick-six of his career, was the first Trojan pick-six since Mason Cobb picked off a 55-yard INT return versus Wisconsin on Sept. 28, 2024.

Missouri State responded with a 33-yard pass from QB Jacob Clark to WR Tristian Gardner to make the score 28-10.

Maiava then scored on a 3-yard quarterback keeper to extend USC's lead. With 25 seconds left in the first half, **RB Eli Sanders** showcased his incredible speed by galloping down the field on a 73-yard strike for a TD to make the score 42-10. USC's 42 points in the first half were the most since scoring 49 points in the first half versus Stanford on Sept. 9, 2023.

Freshman **QB Husan Longstreet** started the second half of the game and allowed the Trojan Family a glimpse into the future. His unique athleticism was on full display as he went 9-for-9 for 69 yards and 1 TD, as well as rushed for 54 yards on 8 carries and ran in 2 TDs himself.

In his first game as a Trojan, redshirt freshman **RB King Miller** scored on a 75-yard rushing play with 5:30 left in the third quarter. It was the longest rushing TD for a Trojan since former USC RB Quinton Joyner scored on a 75-yard rush versus Penn State on Oct. 12, 2024. Also notably, his twin brother, **OL Kaylon Miller** was on the field for the Trojans on the offensive line blocking for his brother.

USC **K Ryon Sayeri** was consistent and steady leading the Trojan special teams unit. Sayeri scored 11 points for the Trojans going 8-of-8 on extra point attempts and nailing a 32-yard field goal. USC was 10-of-10 on extra points in the game (with backup kicker **William Weisberg** scoring on the final two PATs), matching a program single-game record. USC also made 10 extra points in 2005 versus Arkansas and in 1921 versus Cal Tech.

To close out the game, redshirt junior **TE Carson Tabaracci** put an exclamation point on the night with a 9-yard TD reception.

Coach Lincoln Riley said...

"We were able to get a lot of different guys involved, and that was exciting to see. I anticipated that we would play something like this. It's what I've seen on the practice field. I've been telling the media that have been coming out to practice that we have not had one day where we feel like we had to beg them to practice. I've been through a lot of camps, and typically there's one or two days where you feel like you're begging these guys. It's kind of the dog days of camp, right? And it just never felt like that with this group. And so I expected that we would come out and play well on all sides and be complimentary. And we did that."

GAME SUMMARIES

USC 59, Georgia Southern 20

Sept. 6, 2025 • Los Angeles Memorial Coliseum • Los Angeles

Lincoln Riley's prolific offense struck once again as USC defeated Georgia Southern 59-20 in front of a crowd of 66,514 in the Los Angeles Memorial Coliseum. The game, broadcast on FS1, was the first-ever meeting of the two schools.

USC **QB Jayden Maiava** went 16-of-24 (.667) for 412 yards and 4 TDs with 0 INTs, with a long of 74. He also rushed for 5 yards on 2 carries. In just a little over 5 quarters of football, Maiava has put up 707 passing yards, 6 TDs. That is 100 more yards than any other Big Ten QB.

RB Waymond Jordan rushed for 167 yards and a TD, **WR Makai Lemon** scored twice and **TE Walker Lyons** also caught a TD pass, while **RB Eli Sanders** ran for two scores.

USC's 755 total yards were the most in a single game for a Trojan team dating back to at least 1961 when such records are available.

The Trojans had 446 passing yards versus the Eagles, the most for a USC team since Sept. 2, 2023 against Nevada (453 yards), and the fourth most in a game during the Lincoln Riley era.

Georgia Southern, led by former USC head coach Clay Helton, quickly struck first with a 32-yard TD pass from QB JC French IV, to WR Camden Brown. The Eagles attempted a two-point conversion, but failed, to put up just 6 points on the board.

On its first offensive series of the game, USC had a turnover by Jordan who fumbled the ball, forced by Georgia Southern DB Prince Green and recovered by Georgia Southern DL Caleb Moore. The last time USC had a turnover on its first offensive series was at Notre Dame in 2023. Former USC QB Caleb Williams threw an INT to open the first half of play against the Fighting Irish.

Jordan didn't shake -- mentally or physically -- and immediately bounced back with the full confidence of head coach Lincoln Riley who continued to give him opportunities to carry the ball.

On USC's next offensive series, with some help with Jordan, Lemon and **WR Tanook Hines**, the Trojans drove down the field 63 yards and set up what is already being considered the play of the year. As **WR Ja'Kobi Lane** leapt up to catch the ball, a Georgia Southern defender grabbed ahold of his left arm, attempting to drag him to the turf. Lane reached up with his right arm and with his size 5XL hand made a spectacular one-handed catch. The Trojans took the lead 7-6.

The Eagles punted on their next series, and the Trojans came back with full force. After the Trojan running backs were the stars of the show in Week 1, it was time for the USC wide outs to showcase their talents.

The USC offensive line kept the pocket clean for Maiava and allowed him to toss a pass to Lemon who went on a 62-yard mad dash. As he was about to be cutoff by an Eagle defender, he made a swift move to the right to find his way into the end zone and extend USC's lead 14-6.

The Trojan defense returned to the field and continued to put pressure on Georgia Southern QB French. USC **DE Anthony Lucas** made a big play charging on the inside to swallow up French and record his first-ever sack as a Trojan.

Maiava and Co. returned to the field and once again brought the heat. After just scoring on the previous series, Lemon does it again and shows why he is a serious Biletnikoff contender. Lemon scored another TD on a 74-yard reception, the longest of his career. This was Lemon's first game with multiple receiving TDs. Lemon finished the game with 158 receiving yards, his single-game career high.

To close out the first quarter, USC **CB DeCarlos Nicholson** read French's eyes and intercepted his pass, marking the third takeaway for the Trojans this season. It was Nicholson's first INT of his career.

After USC **P Sam Johnson** saw his first action this season, the Eagles' offense returned to the field and scored a 24-yard passing TD to close the point gap 21-13. Lane made another big catch, a 53-yarder (his career-long), and USC would take points on the next series with a 26-yard field goal from **K Ryon Sayeri**, his first-ever as a Trojan.

It was an afternoon of firsts for the Trojans as Lyons scored his first TD on a 26-yard reception from Maiava. Lyons went behind the line of scrimmage and Lane, once again making unselfish plays, made a big block for Lyons to trot into the end zone.

USC recorded 415 yards of total offense in the first half.

The second half was full of big plays from Lucas (a second sack), **WR Zacharyus Williams** (a career-long reception of 61 yards), big defensive stops from **LB Eric Gentry** (who led the team with 10 tackles, including 2 for loss of 5 yards, with a sack for minus 4 yards) and a quartet of TDs from the Trojan running backs: 2 from Sanders and one from Jordan and **King Miller**.

Freshman **QB Husan Longstreet** took over in the fourth quarter to get some quality snaps and the Trojans ran out the clock on the Eagles.

Coch Lincoln Riley said...

"Teams that win explosive play battles typically win games. And so, it's good. We're making some big plays on all sides, which is great. It doesn't mean it'll always be like that. That's where we're looking to also play clean and very efficiently as well. But seeing some explosive plays like that tonight, obviously it takes some of the pressure off, just the play-to-play execution. We want that to get better, too. But we're certainly not disappointed about the big plays."

GAME SUMMARIES

USC 33, Purdue 17

Sept. 13, 2025 • Ross-Ade Stadium • West Lafayette, Ind.

Amidst a chaotic start by forces out of their control, the Trojans remained steadfast and resilient to defeat Purdue 33-17 on the road in front of a crowd of 58,065 in Ross-Ade Stadium. Riley is 38-0 when keeping opponents at 20 points or less.

The Trojans had to wait out a three-hour weather delay due to lightning storms.

USC QB Jayden Maiava went 17-for-28 for 282 yards and also rushed for 10 yards and 1 TD. Even after a three-hour weather delay, Maiava never flinched and remained a steady leader for the Trojans in the face of adversity.

RB Waymond Jordan scored the only other offensive TD. The third was unexpectedly scored by DT Jamaal Jarrett.

WR Ja'Kobi Lane opened the game with a 59-yard reception, and the Trojans drove down to score the first points of the game with a field goal by K Ryon Sayeri.

Purdue was up next and made a strong drive down the field, but Trojans S Bishop Fitzgerald channeled his former quarterback instincts, read Boiler QB Ryan Browne and stepped in to intercept his pass in the end zone.

On USC's second drive, Maiava tossed a 50-50 ball to WR Tanook Hines who made the play on a 25-yard reception. Maiava then threw a beautiful ball to TE Lake McRee up the middle to set himself up to call his own number and score for the Trojans. USC led 10-0.

After a personal foul by the Trojans, Purdue extended a drive they thought was over and kicked a field goal to take the points.

Lane and McRee continued to make plays for the Trojans and Jordan scored the second TD of the night for USC.

The second half opened with another 42-yard pickup from Lane. The Trojans' drive stalled, but they were able to score three from Sayeri.

On a freak play by Purdue with two backwards passes, Gentry almost intercepted it, the ball took a bounce and Purdue QB Browne scooped it up and ran 26-yards to score.

USC's next drive utilized the Trojan tight ends McRee and Walker Lyons. They were stopped by the Boiler defense, and Sayeri took the field goal points.

As Purdue was on a successful drive to the USC 20, S Kamari Ramsey made the play to pressure Purdue QB Browne, the ball popped out and Jarrett made the grab. The 6-5, 360 pound defensive tackle ran the ball back 70 yards to score his first ever pick-six allowing USC to extend its lead to 33-10. Jarrett is the largest player in USC history to score a touchdown.

To kick off the fourth quarter, the Boilermakers made the game interesting by scoring a TD with 14:17 left on the clock.

The Trojans responded with a drive that took 5:53 off the clock, but it ended with Sayeri's first missed field goal of the season.

Purdue once again went on a long drive, and on the USC 14, Fitzgerald once again saved the day with a crucial interception. This allowed USC to score a field goal on the next drive to put the game away for the Trojans 33-17.

Coch Lincoln Riley said...

"Really proud of the win. Unique day with the delay and the time difference. I give our team a lot of credit. I thought they handled it well. Our team really stayed mentally into it the entire time. It was like, 'We don't care what time the game starts. Just let us know, and we'll be ready to go.' That was the mentality throughout the entire locker room. Road games in a conference like this are tough. They always are. You know you're going to get an opponent's best shot. It's cool to walk in here and get our first conference win and our first road win and looking forward to what's ahead."

- WR Makai Lemon recorded a career-long reception of 59-yards from Maiava against Purdue.
- DT Jamaal Jarrett is the largest player in USC history to score a touchdown.
- Jarrett reached speeds of 15.79 mph. At 360 pounds, that is a lot of momentum. By comparison, in order to reach the same momentum (which is defined as mass times velocity), NFL great Ray Lewis, who played at 240 pounds, would need to be moving at 23 mph to generate the same momentum.
- S Bishop Fitzgerald notched a career-best with 2 INTs in a single game.
- LB Eric Gentry tallied three single-game career bests: 3 TFLs, 2 sacks and 2 forced fumbles.

GAME SUMMARIES

USC 45, Michigan State 31

Sept. 20, 2025 • Los Angeles Memorial Coliseum • Los Angeles

Under the late-night lights of the Coliseum, the Trojans faced their toughest challenge yet this season and delivered a 45-31 victory over Michigan State in front of a crowd of 67,614.

The Trojans handled the game on both sides of the line of scrimmage and outperformed from a skill position perspective, even after left tackle Elijah Paige left the game and the Trojan offensive line had to reshuffle. USC recorded 523 yards of total offense, with good balance (234 passing yards, 289 rushing yards) while averaging 7.9 yards per play.

QB Jayden Maiava went 20-of-26 (.769) for 234 yards and 3 TDs, and also recorded 4 carries for 31 yards and 2 TDs.

Maiava even flashed shades of former Heisman winner Caleb Williams, using his escape maneuvers to evade the Spartan defenders' grasps.

Through four games, Maiava, who is playing like one of the nation's best, has tallied over 1,200 passing yards, 9 passing TDs, 4 rushing scores and zero turnovers. He is the only Big Ten QB and 1 of 4 FBS QBs this season with 20 or more completions of at least 20 yards.

Maiava is one of two Big Ten players over the last 20 seasons with 12 total TDs and 0 turnovers through the first four games of a season.

WR Makai Lemon caught eight passes for 127 yards and a TD and rushed for another score. **RB Waymond Jordan** rushed for 157 yards, and fellow **RB Eli Sanders** added 90 yards. **WR Tanook Hines** and **TE Walker Lyons** each scored another TD.

Defensively, **DT Devan Thompkins** and **LB Eric Gentry** led the team with 6 tackles each.

The Trojans opened the game scoring a field goal, but Michigan State responded as QB Aidan Chiles tossed a 42-yard pass to WR Chrislon McCray to score a TD.

The Trojan offense didn't skip a beat with some excellent playcalling by head coach Lincoln Riley. Maiava performed some misdirection mastery and scored a TD in less than 3 minutes to regain the lead.

The Spartans began to feel some internal struggles as Trojan **TE Lake McRee** was drilled by Michigan State LB Jordan Hall who was ejected for targeting. Hall was the Spartans' green dot wearer as the lead communicator with DC Joe Rossi.

Immediately on the next play, Maiava dropped a gorgeous 40-yard pass to Lemon to score and increase USC's lead to 17-7.

On MSU's next possession, USC **DT Jahkeem Stewart** showed Trojan Nation why he was one of the highest rated recruits in the country, even after reclassifying. The 6-5, 290-pound 18-year-old burst through the gap and almost tackled the Spartan quarterback and the running back at the same time.

Michigan State eventually scored a field goal, but Maiava threw two more TDs to freshman Hines (the first of his Trojan career) and Lyons.

Penalties slowed the Trojans throughout the night as they recorded 10 for 82 yards against the Spartans.

Momentum slipped away from the Trojans after **LB Ta'Mere Robinson** was called for roughing the punter which although not statistically, was effectively a turnover. This is allowed Michigan State to get the ball back and march down the field to score a TD.

On USC's next offensive series, **WR DJ Jordan** fumbled the ball and allowed another Spartan score to shrink the point gap to 31-24.

As the Spartans, who were already short-handed and shaken by seeing their teammate, LB Wayne Matthews, scarily injured, began to take back the energy, it was time for the Trojans to step up and reclaim the momentum.

To open the fourth quarter, QB Maiava channeled his inner-Caleb Williams and escaped for a huge momentum play for USC. It was followed up with a big effort play from McRee as he attacked the ball mid-air to make an important catch for the Trojans and secure the first down. This set up Lemon to score on the first rushing TD of his career.

Later in the quarter, USC set up the wildcat formation and RB Jordan took the snap and rushed for 5 yards with a selfless block from Maiava. This set up Maiava to score on a QB-keeper on a 1-yard rush to take a 45-24 lead.

Michigan State attempted once more to close the point gap as Spartan QB Aidan Chiles threw a 75-yard TD pass to WR Omari Kelly.

After an onside kick that was recovered by the Trojans, USC ran out the clock to secure the victory.

Coch Lincoln Riley said...

"I thought we were controlling the game. Obviously, we had a couple errors in the third quarter with penalties, especially on the punt, and then obviously the turnover that allowed them to come back and capture some momentum. I thought our team responded and separated back in a really good way. That was very positive. There's a lot to learn from and a lot that's got to continue to get better. If you're learning lessons as you win, it's hard not to be excited about what you see out of this football team. Just everything I see makes me believe that we're going to continue to grow and learn from some of the mistakes, because there are so many positive things that are happening out there...And then lastly, I know we had the late kick and all that, but our fan base, the Trojan Nation, showed up tonight. It was a really electric atmosphere in there, and I appreciate everybody that came out. That's what the damn Coliseum has got to be like, and it's got to be even freaking better when we get back here in a couple weeks. We'll see you then. Fight On!"

GAME SUMMARIES

Illinois 34, USC 32

Sept. 27, 2025 • Gies Memorial Stadium • Champaign, Ill.

The No. 21 USC Trojans fell 32-34 at No. 23 Illinois on a walk-off kick in front of a crowd of 60,670 at Gies Memorial Stadium in Champaign, Ill. The game, broadcast on FOX marked USC's first loss of the season.

The last time USC lost on a walk-off field goal in regulation was in 2010 against Stanford (Nate Whitaker 37-yard FG, 35-37 final).

USC **QB Jayden Maiava** was 30 for 43 for 364 yards and 2 TDs – both to **WR Makai Lemon**, who caught 11 passes for 151 yards, both of which were career highs. **RB Waymond Jordan** rushed for 94 yards and 2 TDs for the Trojans.

USC opened the game with the ball, and after killing almost 5 minutes on the clock on its first drive, Jordan fumbled and turned the ball over to the Illini. This turnover resulted in a TD and the first points on the board by Illinois.

USC continued to run the ball. Jordan started and finished the series with carries, ultimately finding a lane for a 1-yard score but also picking up gains of 9 and 6 yards earlier in the drive. Maiava completed a 30-yard pass to **WR Jaden Richardson** to catapult the offense before Jordan located the end zone for the first of his 2 TDs on the day.

Illinois responded with a score of their own. WR Hank Beatty found QB Luke Altmyer on a trick play that gave Illinois a 14-7 lead in the second quarter.

USC's starting center **Kilian O'Connor** was injured and had to come out of the game. An ineligible receiver downfield wiped away what would have been a 75-yard TD pass from Maiava to Lemon on a beautifully executed trick play. Instead, the five-yard penalty took a game-tying score off the board during a drive that ultimately ended with a turnover on downs.

Illinois had a chance to go up 2 TDs with about a minute left in the first half. Illinois RB Kaden Feagin thought he scored on first-and-goal, but suddenly, he was chasing after USC **DT Jahkeem Stewart**, who recovered a fumble and returned it 22 yards to the USC 26-yard line.

The Trojans made the most of it, marching downfield for a FG by **K Ryon Sayeri**, capping a potential 10-point swing that kept USC in the game.

Illinois scored again to open the second half, pushing the Illini ahead 17-10.

Driving with a chance to tie the score in the third quarter, Maiava threw an INT over the middle. It was his first turnover of the season, and Maiava's first INT in 132 passes, a streak that dated back to last season.

After a couple back-and forth three-and-outs, Illinois scored again to take a 24-10 lead.

A beautifully placed 29-yard Maiava seam throw to Lemon on third-and-16 kept USC's subsequent drive alive. And Jordan eventually punched the ball in to make it a 24-17 game.

That resumed the back-and-forth between the Illini and Trojans, who traded TDs to start the fourth quarter. Altmyer completed a 25-yard strike to WR Justin Bowick.

The Trojans answered, with Lemon scoring on a 19-yard TD on fourth-and-8. Maiava went back to Lemon for a two-point conversion. The last time USC had a successful two-point conversion was from QB Caleb Williams to WR Mario Williams versus Arizona State in 2023.

Illinois attempted to put the game away with a TD, USC **LB Eric Gentry** punched out a fumble, and **S Christian Pierce** landed on top of it.

After recovering the goal-line fumble, USC marched the length of the field and Maiava found Lemon with a rope to the corner of the end zone.

After Lemon's score, the Trojans led, 32-31, with less than two minutes to go. A pass interference call on USC CB DJ Harvey, the team's eighth penalty, put the ball near midfield for Illinois. On the next play, Altmyer moved Illinois into field-goal range on a 13-yard run. It took Illinois less than a minute to move into position to win, and they would drain the last minute before kicking a winning, 41-yard field goal.

Coch Lincoln Riley said...

"We've got to clean up some of the mistakes. We had some really huge breakdowns on both sides that directly took points off the board or put points on. You have to be better in a game like this when you have two really good football teams going at it. Disappointed with the loss, we have to bounce back here in the bye week. We're not a healthy football team, so we need to do a good job and get some of these guys' bodies back to get healthier going into this next stretch. A lot to love, a lot to correct. We own all of it, and we'll be ready to get back to work in the bye week."

GAME SUMMARIES

USC 31, Michigan 13

Oct. 11, 2025 • Los Angeles Memorial Coliseum • Los Angeles

In a clash of blue blood programs, USC defeated No. 15 Michigan in front of a sold out crowd of 71,349.

QB Jayden Maiava passed for 265 yards and two TDs, while redshirt freshman walk-on **RB King Miller** rushed for 158 yards and a TD. **WR Ja'Kobi Lane**, **WR Makai Lemon** and **RB Bryan Jackson** each scored TDs and **K Ryon Sayeri** added a field goal. USC won with hard-nosed Big Ten football that included 224 yards rushing against the nation's seventh-ranked run defense. USC's strong defensive effort was highlighted by **S Bishop Fitzgerald** who recorded 2 INTs.

USC had 489 total yards of offense, the most total yards Michigan has given up this season and the most against the Wolverines since 2022 when Ohio State recorded 492 total yards of offense.

USC averaged 7.2 yards per play. Michigan hadn't allowed more than 7 yards per play in a game since its College Football Playoff semifinal loss to Georgia in December 2021.

For Michigan, it was largest margin of defeat versus an unranked opponent since losing by 25 at unranked Illinois in 2009.

USC opened the game as Maiava connected with a wide open Lane for a 2-yard touchdown on third-and-goal, which gave the Trojans a 7-0 lead.

USC forced a three-and-out on its first defensive series, but then fumbled in the red zone after putting together another strong drive. Michigan recovered the fumble.

As Michigan marched down to the USC-32, Fitzgerald registered a third-down sack for minus 11-yards in the second quarter to knock Michigan out of field goal range and force a punt.

USC punted on its next drive, and Michigan answered with its first TD drive of the afternoon as WR Donaven McCulley scored on a pass from QB Bryce Underwood to tie the game 7-7.

USC took the lead right back on its next drive as Maiava threw a beautiful pass to a well-covered Lemon in the front left corner of the end zone. Lemon appeared to defy gravity as he leapt backwards and caught the ball behind his head, falling into the end zone securing 12-yard TD catch. The score put the Trojans ahead, 14-7, with 14 seconds left in the first half.

USC forced a Michigan three-and-out to open the second half. On the Trojans' next offensive series, USC ended up at third-and-26, but Miller blasted through the Wolverine defensive line for a 49-yard run to pick up a first down. Two plays later, Miller scored a 15-yard touchdown on the ground, which gave USC a 21-7 lead.

USC forced Michigan to punt again, but then turned the ball back over as Maiava threw his second INT of the season. Michigan once again didn't capitalize as Underwood returned the favor and threw an interception to Fitzgerald on a third-and-10 play at the USC 29-yard line on the Wolverines' next series. This was Fitzgerald's fourth INT of the season.

Sayeri booted a 54-yard field goal after the INT, which gave USC a 24-7 lead with 10:01 to play. The 54-yarder matched the second longest field goal by a Trojan in program history.

Michigan responded with a score, and attempted a two-point conversion, but failed.

USC lost its top two running backs, **Waymond Jordan** and **Eli Sanders**, to injury in the first half. Not wanting to give the entire run game load to Miller, USC consulted with its medical staff who cleared Jackson to play in the emergency situation although he was previously listed as "out". Jackson made the most of his opportunity to secure the Trojan victory with a 29-yard TD run.

Fitzgerald sealed the deal with his second INT of the night and fifth of the season to close out the game.

GAME SUMMARIES

Notre Dame 34, USC 24

Oct. 18, 2025 • Notre Dame Stadium • South Bend, Ind.

The No. 20 USC Trojans fell 24-34 at No. 13 Notre Dame in front of a crowd of 77,622 in the rain at Notre Dame Stadium in South Bend, Ind. The game, broadcast on NBC marked USC's second loss of the season.

USC QB Jayden Maiava went 22-of-42 for 328 yards (.524) with 2 TDs and 2 INTs. WR Ja'Kobi Lane and TE Lake McRee each scored TDs for the Trojans and K Ryon Sayeri tallied 3 FGs.

S Bishop Fitzgerald and LB Desman Stephens II led the team with 10 tackles each -- both career-highs.

USC made a statement entrance and scored on its opening drive with a gorgeous pass to TE McRee in the back right corner of the end zone to put the Trojans up 7 to begin the game.

The Irish immediately responded with a TD themselves sparked by a 63-yard rush from RB Jeremiah Love. Love ended up scoring on a 12-yard rush.

USC drove down the field 50 yards and K Sayeri scored on a 42-yard FG to give the Trojans a 10-7 lead.

After both teams each punted twice, Notre Dame scored a TD to open the second quarter.

After a third-and-3 and a fourth-and-3, USC couldn't convert and turned the ball over on downs at the Notre Dame 19.

The Irish took the ball down to the Trojan 2-yard line. On third-and-goal, DE Braylan Shelby intercepted Notre Dame QB CJ Carr, the first pick of his career. The Trojans maximized the INT and turned it into three points as Sayeri scored on a 24-yard FG to close the point gap to 13-14.

Each team had one more possession prior to halftime, but neither scored. Notre Dame started the third quarter with a 13-play, 75-yard touchdown drive that ended with a TD to widen the Irish's lead.

The Trojans responded with a 43-yard FG by Sayeri.

After Notre Dame went three-and-out on its next drive, the Trojans saw a golden opportunity. On second-and-4 on the Trojan 41, Maiava tossed a deep ball to WR Lane who scored on a 59-yard TD. The Trojan duo then successfully executed a two-point conversion to push USC ahead 24-23.

Notre Dame quickly took the momentum back as returner Jadarian Price returned USC's kickoff for 100 yards to score a TD. The Irish missed the PAT to make the score 24-27.

Maiava threw an INT on USC's next drive, but Notre Dame didn't score any points off of the turnover as Irish K Nolah Burnette missed the FG attempt.

The Trojans had an unfortunate turnover on a trick play where USC WR Lem-on had a chance to throw, but was stripped by S Adon Shuler and Notre Dame recovered at midfield.

The Irish used the turnover and turned it into points as Carr ran in a 1-yard TD to widen the point gap to 24-34.

Both teams turned the ball over on downs, and then at the Irish 46 on third-and-17 with 1:15 to play, Maiava threw a second pick on a deep ball attempt to Walker Lyons. The Irish then kneeled out the victory.

Coach Lincoln Riley said...

"We had our opportunities, but we didn't play well enough. We made some really good plays on all sides, but had some missed opportunities on all sides as well. Obviously, we did not stop the run well enough defensively, offensively we did not run it well enough and missed some golden opportunities. The kickoff return was obviously a huge play in the game after we had taken the lead and got the two-point conversion and had momentum. You can't do that against a good football team. We have to own it. We flat out did not play well enough tonight against a good team on the road. We'll own it and get into this bye week and jump back into the Big Ten Conference where we've worked our ass off to out ourselves into a great position that we're in now. That'll be the challenge that this team is to handle this and learn from it and we must be better. We have some really cool opportunities in front of us with the way that we've positioned ourselves in this conference."

GAME SUMMARIES

USC 21, Nebraska 17

Nov. 1, 2025 • Memorial Stadium • Lincoln, Neb.

The Cornhuskers welcomed the Trojans to a blackout in Lincoln, Neb., but it turned into a nightmare for the home team as USC defeated Nebraska 21-17 in a gritty fight in front of a sold out crowd of 86,529 at Memorial Stadium.

QB Jayden Maiava struggled through the air, going 9-of-23 (.391) for 135 yards. After throwing an INT, Maiava switched course to showcase his abilities as a dual threat. He totaled 62 rushing yards on 11 attempts (5.64 avg.) and scored a TD.

RB King Miller led the Trojans with 129 rushing yards on 18 carries (7.2 avg.), 1 TD and a successful 2-point conversion. **K Ryon Sayeri** scored 8 points for the Trojans: 2 field goals (49 and 24 yards) and 2 PATs.

USC went three-and-out on its first drive. Nebraska then took 7 minutes of the clock by continuing to hand off the ball to RB Emmett Johnson. On the 14th play of the 75-yard drive, Cornhusker QB Dylan Raiola tossed a ball to the right corner of the end zone to WR Nyziah Hunter who put the first points on the board of the game. Nebraska led 7-0.

After exchanging 3-and-outs, USC seemed to have found a bit of rhythm with first downs through the air by **WRs Ja'Kobi Lane** and **Makai Lemon**, as well as on the ground by Miller. The Trojans secured first and goal on the Nebraska 7, but couldn't find its way into the end zone. USC **DL Tobias Raymond** committed a false start on fourth-and-goal which pushed USC back 5 yards forcing the Trojans to kick a field goal. Sayeri scored and USC trailed Nebraska 3-7.

On its next offensive series, Maiava showed his legs as a dual-threat and got 14 yards back after an intentional grounding stalled the Trojans progress. This set up Sayeri for a 49-yard FG to make the score 6-7.

The Cornhuskers responded with a 10-yard rushing TD right before the end of the first half, and USC trailed 6-14. The Cornhuskers were averaging 5.8 yards per play, and the Trojans would need to make adjustments on both sides of the ball going into the second half.

The Trojans did just that, and the game became a fistfight. Only the most physical and gritty team was going to leave Memorial Stadium with the win.

The USC defense forced a 3-and-out from Nebraska to open the second half.

Maiava threw an interception immediately after, but four plays later, the Trojan defense battled back and **DE Anthony Lucas** strip-sacked Raiola who fumbled and **DE Kameryn Crawford** recovered the ball at the USC 33. Raiola was injured on the play and did not return to the game and backup QB TJ Lateef came in.

The Trojans turned the ball over on downs at the Nebraska 46-yard line after the fumble, and the Cornhuskers took over. Nebraska didn't make the most of its opportunity as K Kyle Cunanan missed a 52-yard field goal.

On the next offensive possession, Maiava beat a blitz and tossed a 29-yard ball to **WR Tanook Hines**. Maiava called his own number, rushed twice, each for 16-yards, and scored on the second one. USC executed a successful two-point conversion with Miller rushing into the end zone to tie up the game at 14-14.

Nebraska answered with a 39-yard field goal from Cunanan to take a 17-14 lead with 12:53 remaining.

With a play that sucked all of the air out of Memorial Stadium, Maiava threw a 43-yard flea flicker to **WR Jaden Richardson** to set up the score. It was the first pass completion of 40+ yard Nebraska had allowed all season. On a third-and-1 from the Nebraska 23, Maiava snuck through and kept the drive alive for USC. The Cornhuskers were called for pass interference, and then Miller exploded for a 6-yard TD to claim a 21-17 lead.

The Trojans forced the Cornhuskers to punt, and USC also ended up punting, but P Sam Johnson pinned Nebraska at its own 4-yard line with 3:27 remaining. The Cornhuskers then turned the ball over on downs with 1:26 left, and USC ran out the clock to claim the victory.

Coch Lincoln Riley said...

"Really proud of our guys. Especially in our response when we didn't play that well early in the game. We fought to keep it close throughout the half, and to come out the way we did defensively in the second half was really the story of the game, getting the key stops over and over when we were sputtering a little bit offensively. Our defense was phenomenal. We had some really big time special teams plays as well. And it was fitting that our defense closed it out at the end. Road wins are never easy. They find a way to never be easy. It's the hardest thing to do in college football. Crazy proud of this group. This was a big win for this team and for our program. You keep winning these, and you keep putting yourself in a better and better position--and this team is in a pretty good position right now."

GAME SUMMARIES

USC 38, Northwestern 17

Nov. 7, 2025 • Los Angeles Memorial Coliseum • Los Angeles

USC was coming off an emotional road win at Nebraska and a short week, while Northwestern was coming off a bye, but the Trojans successfully defeated the Wildcats on Friday 38-17 in front of a crowd of 67,179 in the Los Angeles Memorial Coliseum.

QB Jayden Maiava went 24-of-33 (.727) for 299 yards and 2 TDs.

WR Makai Lemon scored a receiving and rushing TD to go with his 161 yards while **RB King Miller** rushed for 129 yards and another score. **WR Ja'Kobi Lane** added an impressive one-handed score while Maiava also rushed for another TD.

USC scored on its opening 82-yard drive on a 7-yard reception from Biletnikoff candidate Lemon taking 7:14 off of the clock.

Northwestern responded with a long 75-yard, 7:01 drive and a score of their own to tie up the game at 7-7.

USC appeared to go three-and-out on its second drive, but in a moment of surprise (and legal football), **QB Sam Huard**, who officially changed his number to No. 80, came in on a fake punt play early in the second quarter and beautifully executed a 10-yard completion to **WR Tanook Hines** resulting in a crucial first down. This successful fake ultimately led to USC scoring on a 6-yard rush by Maiava to take a 14-7 lead.

Northwestern scored on its next drive and tied the game, 14-14, with 7:26 left in the second quarter.

An ineligible man downfield penalty negated a Hines touchdown reception on USC's next drive, and the Trojans ultimately had to punt. USC's defense then answered with a three-and-out.

At the end of the second quarter, Maiava was picked off by Northwestern DL Najee Story. Maiava didn't hesitate, took off after Story and launched his body into Story's 6-4, 300-pound frame to force a fumble on the USC 1-yard line that went through the back of the end zone to prevent a Wildcat TD. The play resulted in a touchback.

Maiava's tackle and never-give-up attitude completely changed the momentum of the game. One play after the touchback, Miller, America's best walk-on, exploded on a 55-yard run. Two plays later, Miller scored a 12-yard touchdown, which put USC ahead 21-14.

DT Jide Abasiri forced a fumble by Northwestern TE Robby Preckel to end the first half. Lynn's defense had strung together three straight stops as Northwestern gained just 27 yards on nine plays (3 yards per play) on those final three drives of the first half.

The Trojan defense forced the Wildcats to punt to open the second half.

Northwestern scored just three points in the second half and gained just 103 yards in the second half. Lynn's group matched its second-half showing at Nebraska by allowing the same three points. In the second half, USC allowed Northwestern to convert just 1-of-6 third downs (17%).

Riley is now 41-0 in his career as a head coach when his team allows 20 points or fewer in a game. Maiava tossed a beautiful 55-yard pass to Lemon to set up the next Trojan score. Maiava threw a fade to Lane who in true Ja'Kobi Lane fashion, "mossed" the Wildcat DB for a SportsCenter-worthy catch to extend USC's lead to 28-14.

Northwestern then found its way into the USC red zone, but was halted by a sack from Abasiri which forced a field goal to make the score 28-17.

The Trojans kicked off the fourth quarter with a rushing TD from Lemon (Paul Hornung Award, anyone?!).

The Trojans turned the Wildcats over on downs on Northwestern's next drive, and USC turned the possession change into a 22-yard field goal from Ryon Sayeri. The kick extended USC's lead to 38-17.

Huard entered the game on USC's last offensive drive after USC recorded yet another stop to close out the victory.

Coch Lincoln Riley said...

"Awesome, awesome win. Privately, we were excited about the challenge that this became with flipping time zones. Obviously, it was a tough battle in Lincoln just a few days ago and then having to turn over and play a really good football team coming off a bye week," said head coach Lincoln Riley on Friday. "I felt like the last few games would be a really important stretch for this season, and it's cool to see our guys respond. We had probably our most complete week, and it had to be because it was such a short week and we didn't have time to waste. I thought the guys dove into the preparation, the challenge, and met it head on. And I think you saw that tonight."

GAME SUMMARIES

USC 26, Iowa 21

Nov. 15, 2025 • Los Angeles Memorial Coliseum • Los Angeles

They said we weren't gritty enough. They said we weren't tough enough. They said we couldn't compete with real Big Ten football...did they see the final score?!

In a grimy, hard-nosed game in the pouring rain, the Trojans showcased their resilience and defeated No. 21 Iowa 26-21 in front of a national audience and a Coliseum crowd of 62,216.

"A culture win right there, man. If there ever was one, that was a culture win. Our team's resilience, their response at halftime...we just keep coming, we have all year," said head coach **Lincoln Riley**.

QB Jayden Maiava went 23-of-32 (71.9) for 254 yards and 1 TD against Iowa. **RB Bryan Jackson** scored 2 TDs for the first time in his career, **WR Makai Lemon** found the end zone and **K Ryon Sayeri** scored 2 FGs.

Iowa put the first points on the board on its opening series to take a 7-0 lead. The teams exchanged three-and-outs, and on USC's next series, the Trojans fell short on a fourth-and-1 carry by **RB King Miller** and turned the ball over on downs.

Iowa scored again to open the second quarter to jump ahead to 14-0. USC responded on its next series with a 75-yard drive that culminated with a 1-yard wildcat scoring run from Jackson.

The Hawkeyes immediately scored again on their next series on a trick play toss from WR Reece Vander Zee to QB Mark Gronowski. Iowa led 21-7.

USC's Sayeri, who has been a reliable scorer all season, booted a 40-yarder to make the score 10-21 going into halftime. This field goal would be the first 3 of 19 unanswered points by the Trojans. Prior to Saturday, the most USC had been down by at the half this season was eight points against Nebraska.

The Trojans came out of halftime ready to light up the Coliseum through the rain. Sayeri opened the second half with another field goal, this time from 28 yards.

USC's defense stopped Iowa at midfield on the Hawkeyes first possession of the second half, which set up the Trojans' second TD of the afternoon. Maiava connected with Lemon for a 35-yard gain on the second play of the ensuing USC drive and then again seven plays later for a 12-yard TD reception to make the score 19-21. The Trojans went for two, but weren't able to convert.

As Hawkeye QB Gronowski's pass bounced off the deflection from Trojan **CB Marcelles Williams** who was covering intended receiver WR Jacob Gill, Stewart had the awareness to catch the ball in a critical moment of the game and USC got the ball back at the Iowa 40-yard line.

USC turned the interception into a score on its next drive to take the lead 26-21 on Jackson's second rushing TD of the day.

The two teams then exchanged punts before **S Kennedy Urlacher** broke up a fourth down pass in the USC red zone which clinched the Trojan victory.

This win permanently cemented USC not only belonging in the Big Ten, but now setting the standard.

During the last 10 years, Iowa had an 83-5 record when leading by 8 points or more. The Trojans made it 83-6. USC is the first team since 2020 to beat Iowa when the Hawkeyes held a lead of at least 14 points.

Coach Lincoln Riley said...

"That's a culture win, right there. If there ever was one, that was a culture win. We didn't play very good football in the first half. Our team's resilience and response at halftime was impressive. We brought the guys up right away when we came in at the half, which we don't typically do. You could tell from the look in their eye that they knew we didn't play our best, and they knew we could go out and really make a run at this thing. This team's resilience – whether it's a tough stretch of plays, whether it's losing some players here and there throughout the year, and obviously happened some in this game – we just keep coming, and we have all year. That was a big, big time team win. All three sides were really good there in the second half, and to come back and get that done was a really cool feeling. Just a great moment out there in the Coliseum for our whole program."

GAME SUMMARIES

Oregon 42, USC 27

Nov. 22, 2025 • Autzen Stadium • Eugene, Ore.

The No. 15 Trojans fell 27-42 at No. 7 Oregon in front of a crowd of 59,588 at Autzen Stadium in Eugene, Ore. This was USC's third loss of the season.

USC QB Jayden Maiava went 25-of-43 (.581) for 311 yards with 3 TDs and 2 INTs. WR Tanook Hines led the Trojans with 141 receiving yards on 6 catches (23.5 avg.) with 1 TD. WR Makai Lemon scored two TDs (in addition to a passing TD) as TE Lake McRee also found the end zone. LB Desman Stephens led the Trojans with a career-high 17 tackles.

Going into Saturday, the Trojans ranked seventh nationally in red-zone defense, allowing opponents to score on just 71 percent of their red-zone trips. Without starting safeties Kamari Ramsey and Bishop Fitzgerald, who were out with injuries, the Trojans didn't have any red-zone magic defensively. USC also struggled in the run game, averaging just 1.9 yard per carry.

The Trojans scored on the opening kickoff on an 11-play 75-yard TD drive to take an early lead. Maiava hit WR Ja'Kobi Lane with a 27-yard reception before Lemon scored on an 8-yard TD. It was the first opening drive TD Oregon has allowed all season.

K Ryon Sayeri kicked out of bounds on the kickoff and Oregon started at its own 35-yard line. The Ducks responded with a TD from RB Jordon Davidson to tie up the game. USC was forced to punt on its next drive, but was called for catch interference to give Oregon a short field. TE Kenyon Sadiq scored on a 8-yard pass from QB Dante Moore to take a 14-7 lead.

The Trojans drew up a trick play as Maiava tossed a screen to Lemon who hauled a deep ball to Hines in the end zone. Hines used his athleticism to make an incredible catch and get his foot down in the end zone while the Duck DB was on top of him to tie the game at 14-14.

The two teams exchanged punts, but the Trojans outkicked their coverage on a line drive and Duck returner Malik Benson returned Johnson's punt 85-yards for a TD. The return gave Oregon a 21-14 lead.

Maiava threw a pick on the next Trojan drive and Oregon took over at the 44-yard line following a Trojan unsportsmanlike penalty on Lane. The Trojan defense held Oregon to a field goal, but LB Desman Stephens was called on a leaping foul and a 15-yard penalty (as Oregon's kicked missed the field goal). Oregon resumed the drive on first down, and LB Bryce Boettcher lined up at running back to score a TD for the Ducks.

As the Trojans got the ball back, Maiava connected with Hines on a 51-yard pass to put USC in the red zone. After not converting, USC had to settle for a field goal, but Sayeri missed the 27-yard attempt.

After halftime, the USC defense had a huge energy play and stopped the Ducks on four-and-1 to regain possession. Unfortunately, Maiava was picked off on the next series. The defense continued to perform as S Kennedy Urlacher recorded his first INT. Urlacher's pick resulted in points as Maiava connected with Lemon to score and close the point gap to 21-28.

Oregon scored once again on its next offensive drive to go up 35-21.

The Trojans continued to fight and McRee scored a TD, but USC was unable to convert a two-point play so the score remained 27-35.

Oregon scored once more to extend to 42-27, and the Trojans were unable to bounce back as the clock ran out.

Coch Lincoln Riley said...

"Great battle out there. We had two good football teams really going at it. I thought the game was really back and forth in a lot of ways. I think we'll look back on it and say the defining sequence of the game was the missed field goal, penalty, and then touchdown. We got down there and didn't score any points. That, along with the punt return. Other than that, both defenses and offenses made big plays. It was just a heavyweight battle, with two really good teams going at it. In that sequence, Oregon made more plays than us. In my opinion, that was the difference in the game. That was a hell of a battle. Our guys fought like crazy. Obviously, we did it very shorthanded. We continued to push and gave ourselves some pretty good opportunities but couldn't get over the hump. We are disappointed that we didn't play our best. We had some penalties that we haven't been having. Those definitely hurt us. We were gutsy, made a lot of plays, but in the end, we were a couple of plays short. We are disappointed in the locker room, but we have to rebound. We have a rivalry game coming up next week at our place. We will get back to preparation and get ready to play."
