2024 NCAA CHAMPION

JC STEVENSON

RANKS 3RD ON USC'S ALL-TIME OUTDOOR LJ LIST

2024 NCAA Championships

- Men 3rd, Women T-10th •

Above left, JC Stevenson holds up his first place award for winning the NCAA outdoor long jump title with a jump of 26-11.75 (8.22m). His jump moved him into a third-place tie on USC's all-time list with Larry Doubledy (1977), who was the last Trojan to win the event at the NCAA Championships, which was with that jump. Above right, Racquil Broderick celebrates after finishing second in the NCAA men's discus throw final with a mark of 202-8 (61.77m). He became the first Trojan to score in the event since Aaron Dan in 2010 (5th) and the first USC freshman to score in the event since Darrell Elder in 1975. Broderick's second-place finish in the event was the highest by a Trojan since Ralph Fruguglietti also placed second with a throw of 202-0 in 1977, which was the previous best mark by a Trojan in the final. The pair helped lead the USC men's team to a third-place finish, USC's best since also finishing third in 2003.

Above left, Jasmine Jones (L) placed fourth and Jalaysiya Smith placed eighth in the women's 100m hurdles final at the 2024 NCAA Outdoor Championships. Earlier in the day Jones also won the 400m hurdles with a school-record and NCAA meet-record time of 53.15, passing two runners in the final 80 meters. She joins Natasha Danvers (2000) and Anna Cockrell (2019 and 2021) as Trojans to bring home the NCAA title in the 400m hurdles. Jassani Carter placed fifth in the women's 200m final with a time of 22.66. Her finish was the highest in the final by a Trojan since TeeTee Terry also placed fifth in 2021. The women's team tied for 10th, its highest finish since winning the 2021 team title.

QUINCY WATTS

USC Director of Track & Field | Fourth Season/12th With Program

Former Trojan Olympic great Quincy Watts is in his fourth season in charge of the Trojans' program as he was promoted to USC Director of Track and Field and Cross Country on June 17, 2021 after eight seasons on Caryl Smith Gilbert's staff as an assistant in charge of sprints, long hurdles and relays.

In his 11 seasons working with USC athletes, he has guided Trojans to 119 indoor and outdoor All-America honors in the 400 meters, 400-meter hurdles and 4x400-meter relay.

His Trojan athletes also claimed 21 NCAA titles and 39 Pac-12 crowns, and they set three collegiate records and 29 school records plus all four USC freshman 400-meter records and the women's 400-meter hurdles freshman record.

Last season, Watts led the men's team to a third-place finish outdoors and the women's team to a 10th-place tie. During the indoor season the men tied for seventh and the women tied for eighth. USC accumulated a combined 30 outdoor and indoor All-America honors, with Jasmine Jones winning the indoor 60m hurdles title and the outdoor 400m hurdles titles, both with school records, and JC Stevenson winning the men's outdoor long jump title. Both the men's and women's teams placed second at the Pac-12 Championships, with Trojans claiming 11 total event titles. During the summer, USC once again stood out at the Olympics with USC athletes winning nine medals, including five gold. The total medals were more than any other collegiate program in track and field.

During his second season at the helm in 2023, Watts led the men's and women's team to second-place finishes at the Pac-12 Championships, with the Trojans winning nine event titles. His 400m crew was especially dominant with freshman William Jones edging teammate and two-time defending champion Johnnie Blockburger in the final with a time of 44.65, just 0.05 off the school freshman record. On the women's side, Jan'Taijah Jones won the title with the second-fastest 400m time by a USC woman of 50.44, to lead a 1-2-3-5 finish for the Trojans in the event. The women's 4x400m relay earned outdoor All-America honors and the women's and men's 4x400m relays earned indoor All-America honors. Jan'Taijah Jones also placed fifth in the 400m at the NCAA Indoor Championships. USC athletes combined to post 60 indoor and outdoor Trojan all-time top 10 results during the season. During the season Allie Jones set the USC heptathlon record, Tade Ojora the men's 60m hurdles record, Samirah Moody the women's 60m record and Summer Mosley the women's weight throw record.

In his inaugural season as a head coach in 2022, Watts led USC to some pretty impressive accomplishments. His athletes posted 16 outdoor and 17 indoor all-time USC indoor marks, including setting five school records. Trojans setting USC records were Davonte Burnett in the 60m, Summer Mosley in the women's weight throw, Alyssa Brewer the women's indoor 800m, Janiah Brown, Gigi Maccagnini, Jemima Russell and Brewer in the women's 4x800m relay and Kasaun James, Brendon Stewart, Ashton Allen and Johnnie Blockburger in the men's 4x100m relay, set in winning the NCAA title. The men's team placed 12th at the NCAA Championships, after taking third at the Pac-12 Championships, while the women were 30th at NAAs and fourth at Pac-12s.

Watts was named 2022 NCAA Indoor West Region Coach of the Year and had athletes earn 12 indoor All-America honors and earn 11 first-team outdoor All-America status. In addition, USC athletes combined to earn 23 All-Academic honor roll designations for the Winter and Spring semesters. The Trojans also swept the annual dual meet against UCLA. Watts also continues coaching USA Olympic medalists Michael Norman, Rai Benjamin and Kendall Ellis. Norman won gold medals in the 400m and with the USA 4x400m relay team and Benjamin a silver medal in the 400m hurdles at the 2022 World Athletics Championships.

He was the 2021 U.S. Track & Field and Cross Country Coaches Association National Outdoor Women's Assistant Coach of the Year as well as the West Region Indoor and Outdoor Women's Assistant Coach of the Year. At the 2021 NCAA Indoor meet, he helped Kaelin Roberts to her second 400-meter title and the women's 4x400-meter relay team to a second place finish, while at last week's NCAA Outdoor meet Anna Cockrell was the 400-meter hurdles champ, the women won the 4x100-meter relay and three

women earned All-America honors in the 400 meters (the first time by any school in the event since 2014).

In his eight years (2014-21) as a USC assistant, the Women of Troy had four Top 3 finishes at the NCAA meet, including winning it in 2018 and 2021 and placing second in 2019, and they never finished below second place at the Pac-12 meet. The Trojan men had a quartet of Top 5 NCAA finishes and Pac-12 runner-up finishes.

Watts guided Trojans to 86 indoor and outdoor All-America honors in the 400 meters, 400-meter hurdles and 4x400-meter relay. His Trojan athletes also claimed 19 NCAA titles and 26 Pac-12 crowns, and they set three collegiate records and 24 school records plus all four USC freshman 400-meter records and the women's 400-meter hurdles freshman record.

Besides Cockrell and Roberts, among the other champion Trojan athletes that Watts has coached are Michael Norman, Rai Benjamin, Ricky Morgan Jr., Cameron Samuel, Kendall Ellis, Kyra Constantine, Bailey Lear, Jaide Stepter, Amalie Iuel, Nicole Yeargin and Vanessa Jones.

The 2020 season did not finish due to COVID-19, but he guided Kyra Constantine, Bailey Lear and Kaelin Roberts to indoor 400m All-America honors and those three and Anna Cockrell to All-America honors in the indoor 4x400m relay

In 2019, Watts guided Kaelin Roberts to the NCAA Indoor 400m title and Kyra Constantine to both indoor and outdoor All-America honors in the event. In addition, the women's 4x400m relay earned All-America honors both indoors and outdoors. Watts was named the 2019 West Region Indoor Assistant Coach of the Year.

In 2018 Watts helped guide his athletes to a banner year which earned him U.S. Track & Field and Cross Country Coaches Association (USTFCCCA) Men's Assistant Coach of the Year and NCAA West Region Assistant Coach of the Year honors. Watts guided Michael Norman in the 400m dash and the men's 4x400m relay team of Ricky Morgan Jr., Rai Benjamin, Zach Shinnick and Norman to NCAA titles and collegiate records at the 2018 NCAA T&F Championships. Norman won the 400m race with a collegiate, NCAA Championships and Hayward Field record time of 43.61. The 4x400m relay won its title with an all-time NCAA, NCAA Championships and school-record time of 2:59.00. Watts also coached Norman to a Pac-12 400m title with a time

Kendall Ellis set the USC indoor and outdoor 400m records and became the third NCAA woman athlete to run sub-50 in the 400m when she won the Pac-12 title with a time of 49.99. Ellis placed second in the 400m at the NCAA Championships and then ran an epic anchor leg for USC's women's 4x400m relay which won with a time of 3:27.06 to clinch the team title. Ellis' time of 50.34 to win the NCAA indoor title set the USC, collegiate and USA 400m records. The men's team set the school indoor record and ran its fastest outdoor time since 2012. Ellis also qualified during the summer to represent the USA in the 400m at the World Championships. Watts also worked with the 400m hurdlers Anna Cockrell and Amalie Iuel, who placed second and third respectively at the NCAA Championships and Cockrell setting the Trojan freshman record with a time of 55.14 at the USA T&F Championships.

In 2016, Ricky Morgan garnered 400m All-America honors and Jaide Stepter set the then school indoor and outdoor 400m records. The USC women's relays both set school records. Stepter also was a 400m hurdles All-American, won her third consecutive conference hurdles title and tied the school record with a time of 54.95 at the USA T&F Championships. He also worked with Pac-12 heptathlon champion Amalie Iuel, guiding her to a time of 2:06.34 in the 800m race which clinched the title and was the 10th-fastest time ever run by a Trojan woman.

In 2015 he coached Vanessa Jones to the Pac-12 women's 400m title and Ellis to the USC women's freshman outdoor 400m record and Morgan to the men's freshman indoor record. All three runners advanced to the NCAA semifinals in the event. At the time, Jones ran the second-fastest 400m time ever by a USC woman of 51.50 to win the conference title. Ellis' freshman record of 52.32 was set in winning the 400m at the USATF Juniors. He also guided the talented quartet of Stepter, Amalie Iuel, Ellis and Jones which won the Pac-12 title, earned a second-place finish at the NCAA Championships and set both the USC indoor and outdoor 4x400m records. Iuel and Stepter were All-Americans in the 400m hurdles and Stepter won the Pac-12 title in the event.

In his first season back home at USC, Watts helped guide the men's and women's sprinters post some impressive marks. His best works was with the 400m runners as Akawkw Ndigagbor won the MPSF indoor 400m title and then earned indoor All-America honors and set the school indoor record. Three USC women and one male scored at the Pac-12 Championships in the 400m dash. Stepter won her first Pac-12 400m hurdles title.

Watts spent the 2012 and 2013 seasons as an assistant coach at CS Northridge, primarily working with the distance runners and cross country team. Prior to that, he was an assistant coach at Harvard-Westlake High in Los Angeles (Calif.), where he helped develop one of the strongest distance programs in the country. He began his coaching career as head coach at his prep alma mater, Taft High in Woodland Hills (Calif.).

Watts came to USC from Taft specializing in the 100- and 200-meter dashes, then turned into one of the best 400-meter runners in Trojan history. The four-year (1989-92) letterman won the 1992 NCAA 400-meter race in 44.00, a meet record that stood for 25 years. Watts also ran the anchor leg on the 4x400-meter relay team that set a school record of 3:00.58 while placing second at those NAAs. As a junior, he finished second in the 400 meters at the 1991 NCAA Championships.

Watts, who was inducted into the USC Athletic Hall of Fame in 2012, also was a wide receiver on the Trojan football team in 1990.

At the 1992 Olympic Games in Barcelona, Watts twice broke Lee Evans' Olympic record in winning the 400 meters. He ran 43.71 in the semifinal before clocking 43.50 in the final (that still stands as the USC record) to become the first 400-meter athlete to run sub-44.0 in a championship meet. He then teamed with Andrew Valmon, Michael Johnson and Steve Lewis to win the gold in the 4x400-meter relay in a then-world record time of 2:55.74 (he ran the second leg in a blistering 43.10).

He also earned a gold medal in the 4x400-meter relay at the 1993 World Championships (in a still-standing world record time of 2:54.29), and a silver medal in that relay at the 1991 World Championships.

Watts was ranked in the world Top 10 in the 400 meters for four consecutive years (1991-94), including No. 1 in 1992.

A native of Detroit, Mich., he was born on June 19, 1970. He and his wife, Kelly, have three children, daughters Talise and Kylie and son Quincy Jr.

Above, Watts is with the men's 4x400m relay team which set the NCAA record in winning the 2018 NCAA title with a collegiate record time of 2:59.00. Below, Watts set the NCAA meet record of 44.00 in the men's 400m dash, in winning the 1992 title in the event. His record stood until 2018, when his pupil Michael Norman set a new record with a time of 43.61.

Bolton helped guide Jake Jensen to the 2023 SCC 100m and 200m titles and the 4x100m and 4x400m relays also took home the gold medals. Mt. SAC also won its second consecutive men's and women's team titles at the 2023 California Community College Athletic Association state championships. Bolton coached Jacob Williams to a first-place finish and Jensen to a third-place finish in the 100m and Kerry Smith to the 200m title and Jensen to a runner-up finish in the 200m. In addition, the men's 4x100m and 4x40m relays won titles. On the women's side, he guided Amari Weatherford to the 100m and 200m titles.

Bolton spent the 2019 season as the sprints coach at Cerritos College

where he led 11 individuals and four relays to state titles and was named CCCAA Assistant Coach of the Year, before returning to Mt. SAC where he had coached the previous five seasons (2013-18) developing a powerhouse sprint corps.

During his tenure at Mt. SAC he was named South Coast Conference Assistant Coach of the Year seven times (2014, 2015, 2016, 2017, 2019, 2022, 2023) and the California Community College Athletic Association Assistant Coach of the Year in 2016. He helped lead teams he coached to 10 CCCAA state titles. He successfully placed 61 athletes into NCAA Division I & 2 programs with 52 student-athletes graduating from those programs. He also coached Mexico's national 200m champion.

During his time at Mt. SAC he helped lead 15 athletes to the U.S. Trials, coached 44 athletes to state titles, with over 50 athletes advancing to the NCAA ranks. Bolton is the winningest track and field coach in California Junior College history. He coached the likes of Kyree King, who went on to win Pac-12 100m and 200m titles at Oregon, Ilias Garcia who ran 9.97w, Gaston Brouchereau who ran 10.15w, Joey Fox who ran 10.16 and Cooper Bibb who ran 10.18. In addition to coaching 15 individual sprint champions, he also guided 12 relay teams to state titles.

Bolton served as an assistant coach at Fullerton College for two seasons and helped lead them to two Orange Empire Conference titles. Along with his sprinters, he helped guide jumpers L.V. ALL-TIME NCAA POINT SCORERS

The following athletes scored points for USC at the NCAA Indoor and Outdoor championships. The year, order of finish, class and time/mark is noted.

Scoring in the NCAA meet scored the first 5 places the first two years, then the first 6 places through 1981, then from 1982-84 the top 12 scored. Since then, the top 8 spots have been counted. The NCAA conducted its meets in yardage through 1975, except for the Olympic years 1936, 1948, 1952, 1956, 1960, 1964, 1968 and 1972.

Those Olympic years that are recorded in meters are denoted with (m) after the year.

USC REMEMBERS KATHERINE B. LOKER

Katherine Bogdanovich Loker who passed away on June 26, 2008 at the age of 92 was associated with USC for more than 60 years. A member of the Class of 1940, she was an English major and a star runner on the track team. She married stage and screen actor Donald P. Loker, whose professional name was Don Terry and who later served as an executive in the StarKist Foods Company, the firm founded by Katherine's father in 1917.

Katherine and her husband gave more than \$30 million to the university, placing them among the top individual benefactors in USC history. Together they were the principal benefactors of what is now the USC Loker Hydrocarbon Research Institute, where their support was instrumental in enabling Distinguished Professor George A. Olah to complete the research that led to his winning the 1994 Nobel Prize in Chemistry. Katherine was also a strong supporter of USC athletics, particularly track and field, which named its new stadium in her honor, and of the USC School of Theatre, where she established the Donald P. Loker Action Fellowship in memory of her beloved husband.

Katherine was elected an honorary trustee of USC in 2000. She received an honorary degree from USC in 1998 and USC's highest honor, the Presidential Medallion, in 2006. She was also the recipient of the Alumni Association's highest honor, and the Dean's Medallion for the USC College of Letters, Arts and Sciences.

She was a Presidential Associate, a member of the Board of Councilors of the USC College of Letters, Arts and Sciences, a life member of Town and Gown, and a member of the San Diego Trojan League. In 2005 she was inducted into the USC Athletic Hall of Fame and received its Spirit Award. In 2006 she received the USC Track and Field Heritage Award.

Katherine Loker's steadfast support of higher education extended beyond the University of Southern California. She served on the Committee of University Resources at Harvard and received the Harvard

Medal in 1995 and an honorary degree in 2000. She also served as a life member of the Advisory Board of California State University, Dominguez Hills, where she received an honorary degree in 1999; a trustee and foundation member of the California Science Center of Los Angeles; a foundation executive board member of the Nixon Presidential Library in Yorba Linda; and a founding member of the Los Angeles Music Center. She was an active supporter of the Donald P. Loker Cancer Treatment Center at the California Hospital Medical Center, Los Angeles.

Loker Award Established

For years the Trojans have honored the top male track and field athlete with the Cromwell Award and in 2012 the Loker Award has been established to honor USC's most outstanding female athlete. The award is being created to pay tribute to Katherine B. Loker, longtime USC track and field supporter who passed away in 2008.

Newly refurbished Cromwell Field and Loker Stadium was the site of the 2013 Pac-12 Track & Field Championships.

The USC track shown here just after the new surface was laid down. USC's Cromwell Field and Loker Stadium both underwent significant renovations over the winter break in preparation for the 2013 track and field season. Both the track and the infield were replaced and the exterior of Loker Stadium received a facelift.

USC installed a brand new Bynon BSS 2000 track, the same kind used at Hayward Field in Oregon, the site of the 2012 Olympic Trials and home to the 2014 NCAA Championships. In addition, a new all-weather Field Turf Revolution was installed in the infield of the track.

Also, the exterior of Loker Stadium, the fences and signs were repainted and the water fountains replaced. The landscaping was upgraded and new jumping pits and runways were added. In addition, new fiber was brought into the venue to provide an upgraded sight for broadcasts with the conference championships being televised by the Pac-12 Network.

The last time USC hosted the conference meet before 2013 was in 2003 and they hosted again in 2021.

USC MEN'S TOP 10 PERFORMERS

Listed below are the Top 10 USC track and field performers in each outdoor event during seasons in which they represented USC through Sept. 1 of their senior year. It does not include marks made before or after attending USC, or during seasons in which they did not compete for USC. Current Trojans are listed in **bold**. (Note: Rankings are based on the conversion of plus .24 seconds from hand timing to electronic timing in the 100 and 200 meters, plus .14 in the 400 meters, as established by the NCAA, and are marked with a "+". For races above 400 meters, the electronic time is rounded off to the nearest tenth and marked with an "e". An "n" means non-winning.)

Paths of Glory

The Story of USC's Unmatched Track & Field History

USC is well known as one of the most successful athletic programs in the history of the NCAA, with 133 men's and women's national championships. The Trojans have won far more NCAA team and individual titles combined than any other university. However, the most dominant force in USC's slate of athletic programs is not the baseball team (12 College World Series titles) or the football squad (nine national championships) but the men's track and field program, with an unprecedented 28 NCAA titles (2 indoor), including nine straight from 1935-43. The Trojan women have now joined the men's program with national titles in 2001, 2018 and 2021. Quincy Watts took over leadership of USC's program in June of 2021 and the success is expected to continue to grow.

Trojan athletes have dominated the track and field scene for decades. From the exploits of sprinter Charlie Paddock and thrower Clarence "Bud" Houser in the 1920s and 1930s, sprinter Mel Patton in the 1940s, thrower Parry O'Brien in the 1950s, sprinter Lennox Miller and pole vaulter Bob Seagren in the 1960s, sprinter Quincy Watts in the 1980s, to four-time NCAA hammer champion Balazs Kiss (only the fifth collegian to win four in a row) in the 1990s and World Champion hurdler Felix Sanchez in the 2000s, USC is synonymous with track and field excellence.

THE CROMWELL YEARS: 1909-1948

The roots of Troy's preeminence date back to 1926, when coach Dean Cromwell brought the first NCAA track and field cham-

Dean Cromwell

pionship to USC. Cromwell, who led the Trojans from 1909-48, also served as head coach of the football team for five seasons.

However, the foundation he laid was not on the gridiron but the cinderpaths. Cromwell's track squads won 12 NCAA championships and featured 34 NCAA individual champions. In addition, Cromwell was unanimously selected as headcoach of the victorious 1948 U.S. Olympic team, a group which featured five Trojans (Mel Patton, Bob Chambers, Roland Sink, Wilbur Thopson and Cliff Bourland). In fact, Patton, Thomson and Bourland brought home gold medals in their respective events from London, the Olympic site.

From 1935-43, USC experienced a streak of unequalled track and field success. No other university has come close to matching Troy's string of nine consecutive NCAA championships, all under Cromwell's watchful eye. Nicknamed the "Maker of Champions," he fashioned Trojan athletes into a powerhouse. At the 1936 Olympics in

Berlin, USC trackmen scored enough points (37 1/2) to have finished among the top five in the world. Cromwell's influence extended far beyond the USC campus to the corners of the world. He personally tutored champions in every Olympic Games from 1912 to 1948, and upon his retirement in 1949, "The Dean" remained involved as a regular figure in various Southland sporting events until his death in 1962.

TWO JESSES, NINE NATIONAL TITLES: 1949-1961

Jess Hill and Jess Mortensen, both integral parts of USC's proud athletic heritage, carried the track and field torch after Cromwell's retirement. Both men are still considered among the finest all-around athletes in USC history, and their accomplishments did not end after their playing days were over.

Hill, who lettered in three sports at USC (football, baseball and track), served as head coach of Troy's track and field program in 1949 and 1950, leading the Trojans to an undefeated season and national championship in both seasons. From 1951-56, Hill coached the football team, and in 1957, he began his tenure as USC athletic director, a position he held until 1972.

Mortensen's reign at USC also began as an undergraduate. The talented athlete lettered in track, basketball and football, winning the NCAA javelin title as a junior. After a 14-year coaching stint at Riverside Junior College, he returned to become coach of the Trojan track and field team in 1951, leading Troy to seven NCAA championships in his 11-year tenure. Mortensen's Trojan teams never lost a dual meet, going 79-0 between 1951 and 1961. He developed some of Troy's best-known trackmen, including Parry O'Brien and Max Truex. Sadly, "Mort" died suddenly at the age of 54 from complications caused by a blood clot. Hill, his longtime friend and teammate, stepped in as interim head coach for the 1962 season, and a new chapter in Trojan track and field history was about to begin.

THE WOLFE YEARS: 1963-1984

The prospect of succeeding three consecutive coaching legends would be a difficult task for anyone, but Vern Wolfe answered the challenge.

During his 22 years at the helm of the Trojan track and field program, USC captured five outdoor NCAA championships, including back-to-back titles in 1967 and 1968. A pole vaulter for Cromwell's Trojan teams, Wolfe also won indoor titles in 1967 and 1972. At the time of his retirement in 1984, he was the third-winningest coach in U.S. track history, all despite reductions in scholarships and the lack of a top-flight on-campus facility.

Wolfe, who competed in senior events as a pole vaulter, attacked all problems with a straight-ahead approach. He continued to win throughout his career and towards the end oversaw the modernization of Cromwell Field, USC's track facility which served as a training site for the 1984 Olympic Games in Los Angeles. And so, after 21 years on the job, Wolfe retired and gave way to Ernie Bullard.

Vern Wolfe

BULLARD AND BUSH: 1985-94

Another in the line of former Trojan athletes to become head coaches at USC, Ernie Bullard came to Troy from San Jose State, where he helped build the Spartans into a national contender. It didn't take long for Bullard to continue Troy's winning ways, recruiting athletes like sprinter Quincy Watts, a two-time gold medalist at the 1992 Olympic Games.

Jim Bush was the man picked to replace longtime friend Bullard in 1991. After all, who better to rebuild the USC program than the man who guided UCLA to five national championships?

Bush helped stabilize the program and recruited some of Troy's stars, like Balazs Kiss of Hungary, the 1993, 1994, 1995 and 1996 NCAA champion in the hammer throw. Consequently, he helped lay the foundation for the latest in the distinguished line of Trojan head track coaches: Ron Allice.

RON ALLICE: 1995-2013

Ron Allice, who prior to the 1995 season was named the Director of Track and Field for USC's combined men's and women's program, was no stranger to success. He distinguished himself at every level of competition, all in the Southland, and is well-known not only as a master builder, but a man who can keep a

program at the highest level year after year.

Allice came to Troy with impeccable credentials: 11 state championships in 16 years at Long Beach (Calif.) City College, where his 1980 squad was called "the best junior college team in history" by Track & Field News. During his tenure at Long Beach C.C., his teams lost just one dual meet.

He quickly went to work, guiding the USC men's team to a fourth-place finish at the 1995 NCAA Outdoor Championships. In 1996, his Women of Troy won their first-ever Pac-10 title. In 1997, he led the Trojan men's team to its first Pac-10 title since 1977 and a third-place showing at the 1997 NAAs. In 1999, the men won their second Pac-10 title in three years. At the NAAs, the women finished third and the men fifth (as a combined men's and women's program, this was the best finish in school history). In 2000, the men finished seventh--their seventh consecutive top 10 finish--while the women placed second--their highest finish ever. In 2001, Allice guided the Women of Troy to their first-ever NCAA team championship. In 2003, he led the men's team to a third-place finish, with three Trojans winning NCAA titles.

Allice's troops continued the winning ways, being the only school in the country to have both the men's and women's programs finish in the top 10 from 2005-07. In fact, four times between 2005-09 USC accomplished that feat with the only blemish being an 11th place finish by the women's team in 2008.

The Trojans also dominated at the Regional and conference level with the men's team capturing four regional titles and the women's team tying for one seven seasons, while the men earned one more Pac-10 title in 2006.

Allice retired after guiding the USC men's team to a fifth-place finish and the women's team to a 21st-place finish at the 2013 NCAA Championships. Bryshon Nellum in the 400m and Reggie Wyatt in the 400m IH both won individual titles. Allice guided the USC men's teams to a top 10 finish 14 times and the women's team to a top 10 finish 11 times.

Allice had a career dual meet record of 218-50-1 at five schools, and coached more than 286 first-team All-Americans, 32 individual NCAA champions, 54 Olympians, four world record holders and 7 American record holders.

CARYL SMITH GILBERT: 2013-2021

Caryl Smith Gilbert took over the program on June 17, 2013 and led the men's team to a fourth-place tie and the women to a 16th-place tie at the 2014 NCAA Championships in her

first season. She also guided both teams to a second-place finish at the Pac-12 Championships. Throw in the women's indoor MPSF conference title and it is easy to see that the program was in good hands for future success.

In her second season USC's men placed 5th and the women 7th at the NAAs, as well as the women capturing the MPSF indoor title again. The teams both took second one again at the conference meet. They also combined to set four USC outdoor records and set four Trojan freshman outdoor marks. Despite a slew of injuries, the USC women tied for 9th and the men were 12th at the 2016 NCAA Championships and Randall Cunningham won the NCAA high jump title. Four more USC outdoor records were established and Smith Gilbert guided the men to the MPSF indoor team title. In 2017 USC's men and women placed second at the Pac-12 Championships and the women finished third at NAAs, their highest finish since 2006 and their 43 points were the team's most since 2002. 2018 was a banner year for the Trojans as the women's team captured the NCAA title in dramatic fashion in the meet's final race - the 4x400m - edging Georgia by one point. The men's team placed fourth, but along the way set three collegiate records - Michael Norman in the 400m, Rai Benjamin in the 400m H and the pair along with Ricky Morgan Jr. and Zach Shinnick in the 4x400m relay. The women's team also captured its first conference crown since 1996. The men's and women's team won MPSF indoor conference team titles and swept the USC-UCLA Dual Meet. Indoors the men took second and the women seventh at the 2018 NCAA Indoor Championships.

In 2019 the women won their second consecutive Pac-12 title and finished runner-up at the NCAA Indoor and Outdoor Championships. Annelus in the 200m, Terry in the 200m & the 4x100m relay set school records at the NCAA Outdoor Championships. The men's team placed fifth at the Pac-12 Championships, 17th indoors and 37th outdoors. Ayden Owens set the school record in the decathlon. The 2020 season had great promise but was cancelled due to COVID-19. Before things were shutdown, the USC women's team was taking a No.2 ranking and the men a No. 11 ranking to the NCAA Indoor Championships. USC didn't let the shutdown slow the momentum as the women won its third national title in 2021, led by Anna Cockrell's hurdles double and the men placed fifth behind the first men's 800m title in school history set by Isaiah Jewett.

Longtime decorated assistant, school record-holder and Olympic hero Quincy Watts took over the reigns to the program on June 17, 2021 and began the Trojans on a new path to glory. In 2024, he led both programs to top 10 finishes at the NCAA Outdoor Championships.

Quincy Watts

Right, in the spring of 1966, USC assistant track coach Willie Wilson was found to have terminal cancer. USC's two-mile relay of John Link, Dennis Carr, Bruce Bess and Dave Buck vowed to give him something special to remember and ran 7:14.4 to set a world record at the Los Angeles Coliseum on May 13, 1966.

WOMEN OF TROY CROSS COUNTRY

THE 2024 SEASON

The USC women's cross country program had a strong season in its first year as a member of the Big Ten and its first under the guidance of new associate head coach for cross country and assistance track and field coach Milton Mallard. Four different runners led the Trojans in their five meets and three runners set their 6K personal bests.

The team began the season with a third-place finish at the Waves Invitational (4K) on Aug. 20 led by Gigi Maccagnini's seventh-place finish. She finished more than a minute faster than she did on the same course the previous season and most of the Trojan women set their 4K bests. USC had only five runners compete at the 6K Dave Murray Invitational on Sept. 28 and placed seventh, led by Helena Teixeira-Dasilva.

Jacqueline Duarte ran a personal-best 6K time to lead the Trojans at the Highlander Invitational on Oct. 19. Nearly all six Trojan runners finish among the top half of competitors. Teixeira-Dasilva again led USC at the team's first Big Ten Championships on Nov. 1. At the NCAA West Regional, Leah Disher was USC's leading runner, with two of the Trojans' five runners posting a 6K personal best.

The team also excelled in the classroom once again with the squad earning USTFCCCA All-Academic honors in the fall. Trojans which earned Fall Big Ten All-Academic Team selection were Leah Disher, Jacqueline Duarte, Gigi Maccagnini, Giovanna Pisano and Haley Spoden.

KATHERINE B. LOKER STADIUM

Home of USC Track and Field

Katherine B. Loker Stadium was made possible by a generous donation from Katherine B. Loker. The 3,000-seat stadium opened in the 2001 season and was dedicated on May 5 during that year's USC-UCLA dual meet. The track and stadium underwent renovations in 2020 prior to the Trojans hosting the 2021 Pac-12 Championships. The facility includes track offices, locker rooms, an athlete lounge and meeting rooms. Loker Stadium also hosted the 2003 Pac-10 Championships, the first time a conference meet had ever been held on the USC campus, and the 2013 Pac-10 Championships.
