# Uytengsu Aquatics Center

## Home of USC Swimming and Diving and Water Polo

Thanks to an \$8 million gift from former USC men's swimming captain Wilfred "Fred" Uytengsu as well as the generosity of a host of other donors, USC boasts a new home for its swimming and diving and water polo teams.

The \$8 million gift - the largest ever made to the Athletic Department by a former student-athlete - helped fund the Uytengsu Aquatics Center, which officially opened on Feb. 21, 2014.

At Uytengsu's request, the center's swimming pool was named for his swim coach, Peter Daland, honoring Daland's legendary contributions to USC's aquatics program. Daland guided the Trojans from 1958 to 1992, and won nine national titles and 17 conference crowns.

"The USC community takes such profound pride in its student-athletes, and Mr. Uytengsu's gift sends a strong message of support," said President C. L. Max Nikias at the time of Uytengsu's initial gift. "Thanks to his extraordinary generosity, the university will create world-class facilities for our world-class athletes."

"We are extremely grateful for this transformative gift from Fred Uytengsu and his family," said Pat Haden, inaugural holder of USC's Charles Griffin Cale Director of Athletics' Chair. "It signifies their tremendous commitment to take our aquatics facilities - in which more than 20 national championships have been won - to the next level. The gift will also greatly enhance the experience of our swimming, diving and water polo team members."

Said USC head coach Dave Salo: "Fred's gift is one purely of the heart. I have never met a man

with such humility and integrity. He epitomizes what it means to be a USC graduate, with a true Trojan spirit. This lasting gift is not only a tribute to Fred's generosity and love for his alma mater, but also a great acknowledgment of the man who made USC swimming and diving what it is today - Peter Daland."

"Fred's gift will have an impact beyond brick and mortar," Salo continued. "The design of the new facility will make the spectator experience so much more enjoyable, and USC student-athletes of today and tomorrow will have greater access to their coaches and trainers and the unique opportunity to train in a world class facility."

The Uytengsu Aquatics Center is a state-of-the-art aquatics facility, including a new diving dry-land training area, a new dive tower, new men's and women's swimming, diving and water polo locker and team rooms, new coaches offices for swimming and diving, a multi-purpose room to support activities in the facility, a new scoreboard with video capabilities with a stadium that will seat up to 2,500

that includes a shade structure and a new entry on McClintock Avenue.

"I look back at my learnings and experiences at USC with fond memories and realize how many life lessons came from my education there," said Uytengsu. "Without a doubt, swimming at USC - and for Coach Daland - was a great opportunity. And I am now pleased to be able to give back and support the university's goal of upgrading facilities.

"It is my hope that future Trojan swimmers, divers and water polo players will benefit from the new Uytengsu Aquatics Center and help keep these programs amongst the best in the U.S. I am also pleased to be able to name the pool after Peter Daland, who deserves to be recognized not just for his nine NCAA Championships, but also for the profound impact he had on all of the swimmers he coached over his 35 seasons as head coach of USC Men's Swimming. Indeed the future is bright. Fight On!"

Fred Uytengsu graduated with a Bachelor of Science degree from USC's Marshall School of Business's Entrepreneurship program in 1983. A freshman walk-on swimmer, by his senior year, Uytengsu was captain of USC's swim team. He is president and chief executive officer of Alaska Milk Corporation, the leading publicly listed consumer foods company in the Philippines. The company, which engages in the manufacture, distribution and sale of liquid, powdered and ultra-heat treated milk products in the Philippines, was founded by Uytengsu's late father, Wilfred Sr., in 1972, and is based in Makati City, Philippines.

The Uytengsu family also owns the Alaska Aces, a professional basketball team that has won 13 Philippine Basketball Association championships since joining the association in 1986. In addition, Fred Uytengsu, a triathlete, is credited with bringing the Ironman and Xterra races to the Philippines.

Uytengsu is married to fellow USC alum Kerri (Dunn) Uytengsu '84, and the couple has three children. Their daughter Ashton graduated from USC in 2009.

# Swim With Mike

Swim With Mike is an annual swim-a-thon held to raise money for the Physically Challenged Athletes Scholarship Fund. Established in 1981, the Swim was scheduled to be a one-time event organized by friends and teammates on behalf of former USC swimmer Mike Nyeholt, a three time All-American who was paralyzed from the chest down following a motorcycle accident suffered in January of 1981.

Initially called Swim For Mike, the event was first held on March 7, 1981, to raise money to purchase a specially equipped van for Nyeholt. A week prior to the first Swim, Nyeholt was still in the hospital, and his supporters planned to show him a video of the fund-raiser once it was over.

To everyone's surprise, Nyeholt traveled by ambulance to make an appearance at the first event. More than \$58,000 was raised that day, far exceeding the amount needed to purchase the van. At his suggestion, the excess funds were used to create the Physically Challenged Athletes Scholarship Fund at the University of Southern California, the only one of its kind in the country.

Inspired by the overwhelming support, Nyeholt promised to swim in the future to raise money for the other disabled athletes. He kept his promise and swam the following year, and with his participation in the pool, Swim For Mike was

appropriately renamed Swim With Mike. Nyeholt now co-chairs the organizing committee for the annual event, which has raised over \$23 million and provided over 250 scholarships to physically challenged athletes at more than 130 universities from Washington, D.C., to Honolulu.

For more information on how to participate in or support Swim With Mike, call USC at (213) 740-4155, send an email to [swimwithmike@gmail.com](mailto:swimwithmike@gmail.com) or visit the Swim With Mike web site at [www.SwimWithMike.org](http://www.SwimWithMike.org).

# USC Endowed Scholarships

In 2009, USC Athletics announced the latest swimming endowed scholarship, named after Mark A. Mader, the All-American Trojan swimmer who passed away in 2008.

A nine-time All-American who lettered from 1968-1970, Mader was a part of three NCAA champion relays, winning the 800y free relay in 1969 and 1970 and the 400y free relay in 1970.

He was also a five-time Pac-8 champion, winning four titles in 1968 (100y and 200y back and 800y free and 400y medley relays) and one in 1969 (800y free relay).

He was a member of USC swim teams that finished second at the 1969 and 1970 NCAA

meets, as well as third in 1968. The Trojans won Pac-8 crowns in 1968 and 1969, then placed second in 1970.

One of USC's tallest swimmers ever at 6-foot-9, he went to high school in Pullman, Wash., where he returned after college to become a wheat farmer.

The Mader scholarship is the third for the swim team. The other are the Kathy Mika Endowed Scholarship and the Giles Pellerin Endowed Scholarship.

## Trojans Top Pac-12 All-Century Team

USC had a conference-best 10 swimmers and divers on the Pac-12 All-Century Men's Swimming & Diving team announced in February of 2016 and the Trojans' legendary Peter Daland was tabbed as the "Coach of the Century," by a 32-person panel.

The Trojans' 10 selections were followed by Stanford (7), California (5), UCLA (4), Arizona (3.5), Arizona State (2) and Washington (0.5).

A panel of 20 coaches, swimmers, administrators and members of the media selected the team consisting of 26 swimmers and six divers, plus a Coach, Swimmer & Diver of the Century.

The top four vote-earners in each of the six disciplines made the All-Century Team, with two additional "wildcard" swimmers selected by a second vote of the remaining 5th, 6th

and 7th place finishers. The top two divers in each of the three events also made the All-Century Team. Swimmers and divers could be nominated in more than one event, with three earning roster spots in multiple events.

Longtime USC men's swimming head coach Peter Daland was voted the Men's Swimming & Diving 'Coach of the Century'. Daland led the Trojans to nine NCAA team championships during his 35-year tenure. Under Daland from 1958 through 1992, USC also placed second at the NCAA meet 11 times, won 17 league crowns and posted a 318-31-1 (.917) dual meet record. A six-time National Coach of the Year, his swimmers captured 93 NCAA and 155 Pac-10 individual and relay titles. USC went undefeated in dual meets in 20 of his seasons. His 1977 team is regarded as the finest collegiate swim team ever. Daland spent more than 45 years coaching

at the club and college levels. He coached the U.S. men in the 1972 Olympics as they won nine gold medals and the U.S. women in the 1964 Games as they captured six golds. Daland also won 17 national AAU titles (15 men's at USC and two women's at the Los Angeles Athletic Club). USC finished first or second in the AAU meet a phenomenal 20 times in Daland's 35 years.

In addition to Daland, USC's selections included Brian Earley on Platform, Steve Furniss, Erik Vendt and Dave Wharton in the IM, Bruce Furniss and Joe Bottom in Freestyle Sprints (50-200), Lenny Krayzelburg and John Naber in the Backstroke, Murray Rose in Freestyle Distance and current Trojan head diving coach Hongping Li on 1-meter.

# Mark Schubert

**Led USC to 1997 NCAA women's team title • Produced 179 All-Americans and 30 NCAA and 76 Pac-10 individual and relay titles**

Mark Schubert had the unenviable task of following the legendary Peter Daland when he took over as the head men's swimming coach at USC in 1993.

But Schubert thrived in the role and, after becoming the women's head coach in 1994, spent more than a decade guiding one of top swim programs in the country.

Under Schubert, USC won 12 men's and 18 women's NCAA individual titles and 42 men's and 34 women's Pac-10 individual titles. Schubert, who led USC to its only women's NCAA team championships in 1997, also produced 97 men's All-Americans and 82 women's All-Americans.

The USC men's team finished among the top 10 at the NCAA Championships 12 times in 14 seasons with Schubert at the helm, including 10 times in the top 7. Schubert's women's squads finished no lower than 10th at the NCAA Championships in any of his 13 years as head coach, finishing in the top 7 11 times and in the top 4 four times.

Also while with the Trojans, Schubert guided USC squads to U.S. titles at the 2001 and 2006 Spring Nationals and led Trojan Swim Club to championships at the 1999 Spring and Summer and 2003 Summer Nationals.

One of the United States' most recognizable and successful coaches of all-time, Schubert was inducted into the International Swimming Hall of Fame in Ft. Lauderdale, Fla., on Jan. 10, 1997 as "Honor Coach." The same year, he also was named Coach of the Year by five organizations: American Swimming Coaches Association, United States Olympic Committee, United States Swimming, NCAA and Pac-10. Two years later, he earned a trio of Coach of the Year awards in 1999, coming from the USOC, ASCA and USS.

Schubert's international coaching experience was highlighted by his seven consecutive coaching appearances with U.S. Olympic swim teams. He was the United States Swimming head coach in 2004, headed the men's team in 2000, was as an assistant in 1996 and was

head coach in 1992. Schubert was an assistant for the combined men's and women's teams in 1980, 1984 and 1988. He was also the head coach of the 1982 U.S. World Championship team and was an assistant on the 1978, 1982, 1986, 1991, 1994, 1998 and 2003 World Championships staffs.

With such extensive experience with America's swimming elite, he was a natural pick when U.S. Swimming was looking for a permanent head coach. He was named the national team head coach and general manager by U.S. Swimming in March of 2006. He held the position until retiring in 2010. In 2011 he returned to coaching, working with Janet Evans as she attempted an Olympic comeback.

In his 35-plus years of coaching prior to joining U.S. Swimming, Schubert placed 38 swimmers on U.S. Olympic teams; those athletes won 23 gold and 11 silver medals, plus eight world championship titles. Even more impressive, Schubert's swimmers have broken 27 world and more than 115 American records and have won more than 200 U.S. national titles.

Schubert produced success early in his career, first as head coach of the Mission Viejo Nadadores from 1972-85, where his teams won a record 44 U.S. National team titles during his tenure. He served as head coach of the Mission Bay Makos Swim Team in Boca Raton, Fla., which won nine national team titles from 1986-89. Schubert next worked as Texas's head women's coach from 1989-92, leading the Longhorns to two NCAA team titles (1990 and 1991). He was named NCAA Coach of the Year in 1990.

His swimming-related duties include serving on the American Swimming Coaches Association (ASCA) Board of Directors since 1975. He is a former vice-president and member of the Board of Directors of the College Swim Coaches Association of America.

# Peter Daland

**Led USC to 9 NCAA team and 93 individual and relay titles as coach from 1958-92.**

One of the most respected collegiate and international swim coaches in history, Peter Daland retired from coaching in April of 1992 after 35 years at USC and more than 45 years of coaching at the club and college levels.

He remained actively involved in the sport throughout this life, serving on U.S.A. Swimming's International Relations Committee as the sport's liaison for Europe and attending the annual European Championships after retirement.

He died on Oct. 20, 2014, at the age of 93. A memorial service held a month later to honor Daland's life drew hundreds of former Trojans, colleagues and friends who celebrated the legendary coach's influence on their lives, in and out of the pool.

During his tenure at USC, Daland led the Troy to nine NCAA team championships – the second most in NCAA history – and 93 NCAA individual and relay titles. He also won 17 national AAU titles (15 men's at USC and two women's at the L.A. Athletic Club). USC finished first or second in the country a phenomenal 20 times in Daland's 35 years.

Daland's teams enjoyed tremendous success at the conference level as well, winning the league title 17 of the Pac-10's 32 years. Trojan swimmers captured 155 Pac-10 individual and relay titles under Daland. His dual meet record was unparalleled: 318-31-1 (.917) in 35 seasons. USC went undefeated in dual meets in 20 seasons and his 1977 team might have been the finest collegiate swim team ever.

Among the world class swimmers he has coached are John Naber, winner of four Olympic golds and 10 NCAA titles; American record holders Dave Wharton and Mike O'Brien; Olympic stars Roy Saari, Murray Rose, Jeff Float, Joe and Mike Bottom and Bruce and Steve Furniss.

Yet just as important is the success Daland's swimmers had out of the pool. Seven Trojan swimmers went on to win NCAA Postgraduate Scholarships and three former Trojans were recipients of the NCAA's prestigious Today's Top Six Award (Steve Furniss, Wharton and Naber).

At the international level, Daland stands as one of the world's most successful coaches. He led two of the most powerful United States teams ever in Olympic competition – the 1972 men's team that won nine gold medals and the 1964 women's squad that captured six of eight golds. He also guided American teams to impressive victories in meets against East Germany and the USSR in 1971 and at the World University Games in 1973.

Administratively, Daland was the longtime swimming chairman for the World University Games (Universiade) since 1983, recently retiring from the post. He was the USA delegate to the International Swimming Federation Congress (FINA) in 1991 and 1995. Daland also served as the president of the American Swimming Coaches Association.

Daland's Trojan swimmers did exceptionally well on the international scene, highlighted by seven gold and two silver medals at the 1976 Olympics in Montreal – more medals than any country except the United States.

Daland was named Pac-10 Coach of the Year in 1989-90 and was a six-time national Coach of the Year (1971 – NCAA Coaches Association; 1962 – American Swimming Coaches; 1973 – American Swimmer; 1964-66 – Columbus Touch-down Club). He was presented the Ousely Award for Outstanding Service to ASCA in 1992).

In 1975, Daland was awarded the prestigious "national AAU Swimming Award," given to the person who has contributed the most to swimming. The College Swimming Coaches Association of America presented him with the 1976 "Collegiate and Scholastic Swimming Trophy" for his contributions to swimming as a competitive sport and a healthy recreation activity.

He is also involved in a number of swimming-related activities. Daland, who founded Swimming World and Junior Swimmer, was a member of the 1984 Olympic Organizing Committee and was the competition chairman for swimming events at the 1984 Games. Daland formerly directed two coaches' clinics in the United States and conducted overseas clinics and domestic media tours to promote swimming for the Phillips Petroleum Company. He was a member of the Speedo International Advisory Coaches Board and has organized clinics in 40 countries.

Originally from New York City, Daland is a 1948 graduate of Swarthmore College in Pennsylvania. His first coaching job was at Rose Valley (Penn.), where he took the club swim team to eight consecutive Suburban League titles (1947-55). He founded and was the first head coach of the Suburban Swimming Club in Philadelphia (1950-55) and served as an assistant swim coach at Yale University from 1950-54).
