WEEKLY TRACK AND FIELD RELEASE - May 16, 2025

THIS WEEK - The USC Track and Field team will compete at its first Big Ten Track & Field Championships to be held at Hayward Field in Eugene, Ore. from May 16-18. The men's team enters the week ranked No. 1 and the women's team No. 2. The men's team's No. 1 rankings this season are its first since the USTFCCCA started compiling rankings in 2008. The four times this season both teams have been ranked in the top two in the country are the first for USC in the rankings history.

BIG TEN CHAMPIONSHIPS HAVE A FAMILIAR FEEL: USC will be competing at the Big Ten Championships for the first time, but they will have former Pac-12 Conference foes Oregon, UCLA and Washington with them and will be competing at Hayward Field where the Trojans have competed at least once in 16 of the last 19 complete outdoor seasons, for a total of 21 meets.

CONFERENCE SUCCESS: The USC men have won five titles and have finished in the top three at the conference meet in 25 of the last 32 seasons. The women's team has won four conference titles and finished in the top three in 18 of the last 28 completed seasons. USC's men's team has 34 outdoor conference titles in school history. The USC men's and women's teams both placed second at the last two Pac-12 T&F Championships.

ROARING AROUND THE TRACK: USC's women's 4x100m relay team posted an NCAA-leading time of 42.36 to win the Mt. SAC Relays Elite competition, which is 0.38 seconds faster than the next team on the NCAA descending order list and 0.67 seconds faster than the next-fastest Big Ten relay team. USC's time of 42.36 is the second-fastest in school history and currently ranks eighth in the world. USC's relay time is the second-fastest pre-NCAA Championships 4x100m time since the beginning of the 2019 season (2023 Texas, 41.89 at the Big 12 Championships).

MEN'S 4X100M RELAY SETS SCHOOL RECORD: Travis Williams, Max Thomas, Garrett Kaalund and Edward Nketia won the men's 4x100m relay at the Texas A&M 44 Farms Team Invitational on April 12 with a school-record time of 38.41. USC set the meet and facility record and broke the previous USC record of 38.49 set in 2022. Their time is currently ranked second in the country.

KAALUND'S FOUR NOBLE TRUTHS: USC junior transfer sprinter Garrett Kaalund ranks in the NCAA's top four in four different events. He ranks fourth in the 100m (9.93w), second in the 200m (20.05), second in the 400m (44.73) and second as part of USC's 4x100m relay (38.41).

THINGS ARE BRIGHT WITH WHYTE: USC sophomore Madison Whyte won both the 200m and 400m at the Texas A&M 44 Farms Team Invitational on April 11-12. Whyte won the 200m on April 11 with a then NCAA-leading and second on the world list time of 22.32. That time set the meet and facility record, as well as moving her into a third-place tie on USC's all-time 200m list. The next day Whyte won the 400m dash and matched her PR of 50.91. She bettered her 400m time in winning at the USC-UCLA Dual Meet on May 4 with a time of 50.78, ninth on the NCAA list. Both times are Big Ten leading times. Whyte also ran on USC's 4x400m relay which won at the Dual Meet on May 4 with a time of 3:27.72, which leads the Big Ten and ranks 8th in the country.

BRACKINS JR. IS BACK: Senior hurdler Johnny Brackins Jr. did not open up his outdoor season until the USC-UCLA Dual Meet on May 4. He then won the 110m hurdles with a time of 13.53 (+1.7) and the 400m hurdles with a PR of 50.11 at the Franson Last Chance Invite on May 10. He also ran 13.48 (+2.2w) in the prelims on May 9. Brackins now ranks tied for 16th in the 110m hurdles and 14th in the 400m H among NCAA athletes and first in the 110m hurdles and second in the 400m H among Big Ten hurdlers. USC TRACK AND FIELD HISTORY - USC track and field is well known as one of the most successful athletic programs in the history of the NCAA, with 32 men's and women's national team titles. The Trojans have won far more NCAA team and individual titles combined than any other university. However, the most dominant force in USC's slate of athletic programs is not the baseball team (12 College World Series titles) or the football squad (nine national championships) but the men's track and field program, with an unprecedented 29 NCAA titles (including nine straight, 1935-43). In fact, in the history of the NCAA, only the Oklahoma State wrestling program (34) has more national titles than USC men's outdoor track and field. Trojan athletes have dominated the track and field scene for decades. From the exploits of sprinter Charlie Paddock and thrower Clarence "Bud" Houser in the 1920s and 1930s, sprinter Mel Patton in the 1940s, thrower Parry O'Brien in the 1950s, sprinter Lennox Miller and pole vaulter Bob Seagren in the 1960s, sprinter Quincy Watts in the 1980s, to four-time NCAA hammer champion Balazs Kiss (only the fifth collegian to win four in a row) in the 1990s, World Champion hurdler Felix Sanchez early in the 2000s, and NCAA champion and Olympic medalist Andre DeGrasse, and NCAA champions and collegiate record-holders Rai Benjamin and Michael Norman, USC is synonymous with track and field excellence. In 2024, Balazs Kiss was inducted into T&F Collegiate Athlete Hall of Fame and Angela Williams was inducted into the T&F Collegiate Athlete Hall of Fame.

TROJAN PROGRAM REMAINS IN GOOD HANDS WITH QUINCY WATTS - Former Trojan Olympic great Quincy Watts was promoted to USC Director of Track and Field and Cross Country on June 17, 2021 after eight seasons on Caryl Smith Gilbert's staff as an assistant in charge of sprints, long hurdles and relays. In his 11 seasons working with USC athletes, he has guided Trojans to 158 indoor and outdoor All-America honors in the 400 meters, 400-meter hurdles and 4x400-meter relay and since he has become the head coach, USC has garnered 101 first-team All-American honors. His Trojan athletes also claimed 22 NCAA titles, 39 Pac-12 crowns and 8 Big Ten individual titles. They have also set three collegiate records and 32 school records plus all four USC freshman 400-meter records and the women's 400-meter hurdles freshman record. In 2024, Watts led the men's team to a third-place finish outdoors and the women's team to a 10th-place tie. During the indoor season the men tied for seventh and the women tied for eighth. USC accumulated a combined 30 outdoor and indoor All-America honors, with Jasmine Jones winning the indoor 60m hurdles title and the outdoor 400m hurdles titles, both with school records, and JC Stevenson winning the men's outdoor long jump title. Both the men's and women's teams placed second at the Pac-12 Championships, with Trojans claiming 11 total event titles. During the summer, USC once again stood out at the Olympics with USC athletes winning nine medals, including five gold. The total medals were more than any other collegiate program in track and field. In his first four seasons leading the USC program he has led both the men's and women's teams to a top 10 outdoor finish and a top 10 finish indoors. This indoor season, the men's team won its first title since 1972 and the women's team placed third.

Watts also continues coaching USA Olympic medalists Michael Norman, Rai Benjamin and Kendall Ellis. Norman won gold medals in the 400m and with the USA 4x400m relay team and Benjamin a silver medal in the 400m hurdles at the 2022 World Athletics Championships. Benjamin then won two gold medals at the 2024 Paris Olympics (400m H and 4x400m).

TROJANS' OLYMPIC GLORY - USC athletes of the present and past won won nine medals at the 2024 Paris Olympics, five gold, one silver and three bronze. The nine track and field medals won are tied for the second-most medals won by the Trojans in a single Olympics (also nine at 2016 Rio Games), trailing only the 13 won by Trojans at the 2020 Tokyo Olympics. This was the sixth consecutive Summer Olympics in which a USC track and field athlete earned at least one gold medal and a Trojan track and field athlete has won at least one medal in every Olympics since 1912. Trojans earning medals in track and field at the 2024 Paris Olympics were: Rai Benjamin (Gold – M-400m H, Gold – M-4x400m), Aaron Brown (Gold – M-4x100m), Anna Cockrell (Silver – W-400m H), Andre De Grasse (Gold – M-4x100m), Yemi John (Bronze – W-4x400m), TeeTee Terry (Gold – W-4x100m), Nicole Yeargin (Bronze – Mixed 4x400m, Bronze – W-4x400m).

FRECH SHINES AT THE 2024 PARIS PARALYMPICS - USC freshman Erza Frech won the T63 high jump gold medal and the T63 100m dash at the 2024 Paralympics in Paris, France. Frech won the high jump gold medal on Sept. 3 with his first-attempt clearance at 6-4.25 (1.94m), which is a new Paralympics record. He then tried to better his own T63 high jump world record of 6-5.50 (1.97m) by raising the bar to 6-6.00 (1.98m), but narrowly missed keeping the bar on at that height. The T63 designation is the classification for athletes with a single-leg amputation above the knee. He won the T63 100m dash title with a time of 12.06 on Sept. 2. Earlier in the games, Frech placed fifth in the men's T63 long jump final on Aug. 31 with a best jump of 21-7.25/6.58m (+0.9). Frech is the inaugural Swim With Mike Scholarship recipient of the Amir Ekbatani Paralympic Scholarship, awarded to a Paralympian attending USC or UCLA. He is in his first semester at USC where he is seeking a bachelor's degree in Business of Cinematic Arts.

ALL-STAR COACHING STAFF - Olympic gold medalist Quincy Watts has put together an impressive coaching staff that looks like an all-star roster. two-time Olympian Martin Maric (throws), John Bolton (sprints), Karl Goodman (sprints), Jeff Petersmeyer (jumps and multi events) and added this season, Stephanie Williams (sprints/hurdles), Brenton Emanuel (sprints/hurdles) and Milton Mallard (distances).
