

Welcome to the University of South Florida and the Tampa Bay area. Our men's and women's tennis events are held on campus at our Varsity Tennis Courts.

The Athletic Training room is located on the bottom floor of the athletics building. You will have full access to the athletic training room two hours before start of the match and half an hour following the match. Athletic training room use prior to practices must be coordinated prior to arriving in Tampa.

For practices and matches, the University of South Florida will provide water, cups, ice, and emergency first aid assistance along with a AED on site at all times.

An Orthopedic and General Physician will be on call for all matches.

Teams Traveling Without A Certified Athletic Trainer

If your team is traveling without a certified athletic trainer, advanced notification is appreciated. A written prescription from a physician and/or certified athletic trainer is required for treatment other than ice and heat in such situations. Also, please call ahead in order to give any special instructions emergency information that might be needed. In addition, University of South Florida Sports Medicine personnel will be happy to assist your team with its taping and/or wrapping needs. Please contact Salvador Lopez, Resident ATC salvador1@mail.usf.edu or call at 559.408.8502 with any questions or to make special arrangements.

We hope that you enjoy your trip to Tampa and that you may have a great and healthy season.

We look forward to your visit to Tampa. Best wishes for a healthy and successful season.
