Game 7 | vs. South Carolina

The USF women's soccer team will put its three-match win streak on the line this weekend as they face two teams from Power 5 conferences. First up on this weekend's slate is the South Carolina Gamecocks, currently ranked No.11/16 in the country. South Carolina comes to Tampa boasting a 5-1-0 record, with their lone loss coming against Clemson last weekend.

The Bulls and Gamecocks met for the first time last year in Columbia, S.C., with USC walking away with the 1-0 win. Despite the loss, USF outshot USC 12-6 for the game and registered six shots on goal. The Bulls will look for revenge this weekend as they try to continue their win streak.

Game 8 | vs. Texas

Sunday's matchup features an AAC-Big 12 matchup as the Texas Longhorns come to town. Texas is currently unbeaten (4-0-2) and the Bulls will look to hand the Longhorns their first loss of the season. The Longhorns will play the Bulls rival UCF on Friday before playing USF on Sunday.

The 2013 season saw a 1-1 draw occur between the Bulls and Longhorns. Texas struck first off a free kick from the goalie from 50 yards out but senior Sarah Miller found the equalizer moments later on an assist from Demi Stokes. Former USF goalkeeper Christiane Endler made eight saves during the game, so freshman goalkeeper Thordis Aikman will have a lot to prove when the Longhorns arrive in Tampa.

Last Time Out

The Bulls put together an impressive performance on the road going 2-0 in Tennessee and coming home with a three-match win streak. Against MTSU, the Bulls produced a 3-0 shutout with Leticia Skeete, Olivia Chance and Kate Loye all recording shots.

In Sunday's match against Kennesaw State, the Bulls saw themselves entering their second overtime game. With two minutes left in the first OT period, Skeete scored the game winning goal for the third game in a row.

Looking Ahead

The Bulls are on the road for the rest of September. USF will travel to Boston College on Sept. 18 for the first meeting between the two teams as well as the Bulls final non-conference match of the season.

USF will head West for their first conference match against Tulsa on Sept. 25 before heading North to take on the Memphis Tigers on Sept. 28. The Bulls will be facing Tulsa for the first time in school history and currently hold an 8-2-0 record over Memphis.

Skeete's Scoring Power

Leticia Skeete is proving her worth this season. The Ontario native has scored three of the six goals scored by the Bulls this season and done so on only 10 shots. All three shots Skeete has scored have been game winners. The sophomore leads the team with a .300 shot percentage and six points.

Chance Creating Chances

Junior Olivia Chance is picking up right where she left off last season. The New Zealand native has already recorded 22 shots with six on goal. She is also one of just four players to record a goal this season. Through six games, Chance is only 16 shots off her total from 2013 (38). Currently, she sits tied for seventh in career goals with 14 and tied for eighth in points with 33.

Featuring Freshmen

Eight freshmen have received playing time so far this season. Kelly Harris and Ocean Parr have seen the most playing time, appearing in all six games. Parr has recorded two shots, one on goal, while Harris has recorded one shot in six games. Goalkeeper Thordis Aikman has recorded 10 saves in four games, while recording three shutouts and only allowing one goal. Kat Elliott, who saw playing time during after a mild injury to Aikman, recorded seven saves in two games.

AAC Standings

The Bulls are currently in the top five of four different areas in the AAC. USF is fourth in shots with 92, fifth in corners with 28, and tied for third in goals allowed (4) and shutouts (3).

Closing In On 100

At the start of the season, the Bulls needed seven home wins to reach home victory No. 100. After notching a win against FGCU, USF needs just six more. USF has had at least seven home wins in four different seasons, including eight during the 2013 campaign. The team has seven more home matches for a chance to reach No. 100.
