ABOUT THE COURSE:

- Designer Scott Miller's vision was a golf course offering a stimulating round of golf, immersing players in a pristine park-like environment. The result is fairways, playing from tee to green on a lush carpet of bentgrass, accented with beds of brilliant red geraniums, acres of junipers and alpine water challenges of Lake Coeur d'Alene and Fernan Creek. The course boasts views of the lake from nearly every hole and is designed around four distinct geographic features: an expansive lakeshore, a forested ridge, gently rolling woodlands and Fernan Creek.
