Series history: San José State leads the series, 20-18-1. Utah State has wins in the last eight meetings between these teams dating back to 2009. The Aggies won the most recent between these teams, 42-14, in Romney Stadium during the 2018 season.

Utah State has a four-game winning streak over the Spartans in San Jose since 2010.

San Jose State's last win over Utah State was a 30-10 triumph in 2008 and was the Spartans' third consecutive victory over the Aggies dating back to 2006.

First winning streak in 2021 ended: San Jose State's modest two-game winning streak ended on November 6 in a 27-24 loss at Nevada. Brandon Talton of the Wolf Pack kicked a 45-yard field goal with 0:03 remaining in the fourth quarter for the victory.

27 again: For the third consecutive game, the winner of San José State's football game scored 27 points. Nevada was the most recent in a 27-24 victory over the Spartans. San Jose State posted wins of 27-20 over UNLV, and 27-21, the next weekend over Wyoming.

Close calls: The Nevada game marked the sixth time this season San Jose State played a game decided by seven or fewer points. The Spartans are 4-2 in these games with victories at Hawai'i, 17-13; New Mexico State, 37-31; at UNLV, 27-20; and Wyoming, 27-21; and losses to San Diego State, 19-13 in overtime, and Nevada, 27-24, respectively.

Assuring a .500 Mountain West record: The Utah State game marks the second of three San Jose State opportunities to finish a Mountain West schedule with a .500 record or better for the fourth time since joining the conference in 2013. The Spartans are 3-3 in conference competition heading into the Utah State game and have Fresno State at home to close out the conference schedule.

Season	Conference Record	Overall Record
2020	6-0	7-1
2015	4-4	6-7
2013	5-3	6-6

Ties to both schools: San Jose State offensive coordinator and quarterbacks coach **Kevin McGiven** was Utah State's offensive coordinator in 2013 and 2014 and the Aggies assistant head coach/quarterbacks coach in 2009. During those three seasons, Utah State compiled a 23-17 win-loss record and won the 2014 New Mexico Bowl and the 2013 Poinsettia Bowl.

Ground game chugging along: In its last three games, San Jose State is averaging 205 rushing yards a game on a 6.2 yards per carry average. The Spartans added 161 yards on 28 carries to their season total in the November 6 game at Nevada. San Jose State's season-high was 238 yards on 37 carries in its 27-21 win over Wyoming on October 30.

The recent surge in the ground game is a stark contrast to early in the season when the Spartans averaged just 76.7 rushing yards per game in their first four games.

The 2021 San Jose State has two regular season games remaining to match the 2015 team with four 200-yard plus rushing games in a season.

Another three touchdowns through the air: The Nevada game marked the third time this season San Jose State passed for at least three touchdowns in a game. San Jose State opened the season throwing for four touchdowns against Southern Utah and passed for three touchdowns in the October 2 win over New Mexico State.

Pass protection improving: In the last four games, San Jose State's offense was the victim of just three quarterback sacks and none in either of its last two games. The opposition has 16 quarterback sacks through the first 10 games. San Jose State enters the Utah State games ranked 37th nationally and third in the Mountain West in sacks allowed.

Tyler Nevens, 22 carries, 115 yards, 1 TD, vs. New Mexico State, 10/2

A San Jose State first since 1975: For the first time since 1975, the San Jose State played a game in which no touchdowns were scored by either team in any of the four quarters in its recent 19-13 double-overtime loss to San Diego State. At the end of four quarters, the score was tied 6-6 with each team converting two of three field goal tries.

The game's three touchdowns were scored in the overtime periods - two by San Diego State and one by San Jose State.

In 1975, a Lou Rodriguez school record 52-yard field goal and a safety when a center snap went out of the end zone were the only points scored in a 5-0 victory over Oregon giving the Spartans a 2-0 season record en route to a 9-2 win-loss mark.

What's the point?: The 12 points scored in the first four quarters in the San Jose State-San Diego State game are the fewest points and the only Football Bowl Subdivision game without a touchdown in regulation time this season in games played through November 6.

Fewest points by two teams in four quarters of a 2021 FBS game (through 11/6)

Date	Teams	Total Points	Notes
10/15	San Jose State 6, San Diego State 6	12	SDSU 19, SJSU 13, F-2OT
11/6	Arizona 10, California 3	13	
9/4	Georgia 10, Clemson 3	13

9/11	La. Monroe 12, Jackson State 7	19	
11/6	Illinois 14, Minnesota 6	20	
11/5	Boston College 17, Virginia Tech 3	20	
9/4	Montana 13, Washington 7	20	

What are they doing?: San Jose State offensive tackles **Jack Snyder** and **Jaime Navarro** each have handled the football this season. Navarro caught a deflected pass in the Western Michigan game for minus-6 yards. Snyder handled a lateral pass in the San Diego State game and was credited with 1 rushing yard.

Quest for consecutive winning seasons: After last year's 7-1 win-loss record, San Jose State seeks back-to-back winning seasons for the first time since 1989, 1990, 1991, and 1992. In those years, the Spartans were 6-5 in 1989, 9-2-1 in 1990, 6-4-1 in 1991, and 7-4 in 1992. Between 1992 and 2020, San Jose State had three winning seasons, but found consecutive winning seasons out of its reach.

Year	Record	Following Year	Record
2000	7-5	2001	3-9
2006	9-4	2007	5-7
2012	11-2	2013	6-6
2020	7-1	2021	----

Generosity is a sticking point: This season, San Jose State opponents turned seven interceptions and nine fumble recoveries into 81 points. The Spartans have 23 points to show for their four fumble recoveries on defense and three pass interceptions this season.

Punting game a plus for San Jose State: San Jose State heads into the Utah State game ranked 30th nationally in net punting with a 41.56 average. After 10 games, Spartan opponents have 26 yards of punt returns, tied for 18th fewest in the Football Bowl Subdivision (FBS)..

San Jose State's **Will Hart** ranks 30th individually in punting with a 44.6 average.

Passing efficiency ratings: In two of San Jose State's five wins this season, the Spartans scored 35 or more points with quarterbacks achieving two of the top-10 single-game passing efficiency ratings in school history.
