DUMKE FAMILY SOFTBALL STADIUM

The University of Utah softball team will play its ninth season in the Dumke Family Softball Stadium (102 S. Wasatch Drive) in 2021.

The sparkling facility, which opened in 2013, provides an excellent environment for student-athletes, coaches and fans. Night games are now a reality, as the stadium is illuminated by six banks of permanent lights.

Dumke Family Softball Stadium also features an indoor batting area for the Utes, as well as outdoor batting and pitching cages for both teams. Dugouts are equipped with restrooms and an athletic training room is also located on the premises.

- 900 Armchair Seats
- Indoor Batting Area
- Outdoor Batting Cages
- Outdoor Pitching Bullpens
- Athletic Training Room
- Grass Berm Behind Outfield Fence
- 235' to Center, 225' Down the Lines

The dimensions of the playing field are 235' to center field and 225' down the right and left field line, with a grass berm behind the outfield fence.

The capacity at Dumke Family Softball Stadium is 1,410, with 910 permanent bleacher seats (520 armchair seats) covered by a canopy. Temporary bleacher seating in the left field berm for 500 also is an option and enables Utah to bid for and host NCAA Tournament events.

The site also includes a permanent building, housing concessions and restrooms.

The total cost of the project was \$4.3 million.

THE UTAH EXPERIENCE

Utah softball student-athletes have access to some of the finest support services and facilities in the nation.
