UTAH HISTORY

Utes Make Five Consecutive NCAA Appearances

In 2002, head coach Rich Manning's first year at helm, the University of Utah soccer team made its inaugural appearance in the NCAA Tournament. In their opening game, the Utes not only captured their first-ever tournament game, but also captured the first victory over BYU in team history. Utah won an overtime thriller, 3-2, on the Cougars' home field in Provo, Utah.

The Utes advanced through the first round for the second time in 2006, on the back of a 3-2 overtime victory against Idaho State. In both second-round appearances, the Utes' fell to Portland University.

The 2002 NCAA tournament appearance began a streak of five consecutive tournament berths for the Utes as they reached postseason play every year from 2002 to 2006. Utah also hosted first and second round action at Ute Field three times, in 2003, 2005 and 2006.

Utah made it back to the postseason in 2013, its sixth appearance. The Utes were one of six teams from the Pac-12 to earn a berth and placed third in the conference, its highest finish since joining in 2011.

Utah's Postseason Resume

- Five MWC championships (2003-'06)
 - Three regular-season titles (2003, '05, '06)
 - Two tournament crowns (2003, '04)
- One WAC regular-season championship (1999)
- Eight NCAA appearances (2002-'06, '13, '16, '19)
- Reached the NCAA second round twice (2002, '06) and third round once (2016)
- Hosted first and second rounds four times (2003, '05, '06, '16)

Utah celebrated its first-ever NCAA Tournament win in 2002. It was also the team's first-ever victory against rival BYU on the Cougars' home field.

Utah swept the Mountain West Conference championships in 2003, winning both the MWC regular-season and tournament titles.

Utah Wins Six Conference Titles

Utah captured its first conference title in 1999, the inaugural year of the Mountain West Conference. The Utes were named co-champions as they finished in a three-way tie with San Diego State and BYU.

Utah's next league title came in 2003, as the Utes swept both the MWC regular-season and tournament championships. Utah went undefeated in conference play for the first time in school history, posting a 6-0-0 record. The Utes then topped BYU by a 2-0 score in the tournament championship match, held in Salt Lake City. The successful 2003 campaign kicked off a string of four straight years in which either the regular season or conference tournament hardware would rest in the Utes' trophy case at season's end.

In 2004, Utah won its second consecutive MWC Tournament championship, advancing past San Diego State in the finals. The match was tied 1-1 following regulation and overtime play, but the Utes eventually conquered the Aztecs in penalty kicks to claim the title.

The 2005 season saw Utah finish atop the MWC standings in the regular season, posting another undefeated conference record at 6-0-1.

With another flawless year in 2006, registering a 7-0-0 record, Utah joined BYU as the only two programs in the MWC's history to post back-to-back unbeaten seasons. Utah and BYU also share the distinction of being the two most successful soccer programs in MWC history. Utah has captured either the regular-season or conference tournament championship five times, while BYU has claimed a title eight times. Both squads have also twice doubled up to sweep both titles in the same year.
