SEASON HIGHLIGHTS

- UTA earned a co-championship at the Tunica National Intercollegiate with a 1-under 863 total. UTA tied Arkansas State, but a playoff was not contested.

- In the final round of the WAC Championship, UTA posted a 12-under 276 total. The -12 was the best in a conference championship in program lore, and represented the 6th-best score to par in any tournament. All told, the Mavs tied for the 6th-best 54-hole score to par in program annals at -15.

- UTA registered the most eagles (17) in single-season program history, the 4th-lowest scoring average (292.09), the 6th-highest birdie total (464) and the 6th-most (tied) par-or-better rounds (nine).

- UTA's 4.78 par-5 scoring average was the 2nd-best in program history behind only the 2019-20 squad which averaged 4.73. The Mavs reached that mark thanks in part to 451 birdies – the most in a year since 2010-11 – and also the 7th-most in program history. Additionally, the Mavs averaged 3.19 on the par-3 holes for the season to represent the 5th-best in program history.
