CHAMBERLAIN FIELD

CHATTANOOGA'S FOOTBALL HOME FROM 1908 TO 1997

The University and the City of Chattanooga communities said a fond farewell to Historic Chamberlain Field on Oct. 4, 1997. On that day, the nation's second-oldest on-campus stadium closed its gates forever, and the University of Tennessee at Chattanooga helped send it off with a 20-17 victory over Wofford before a Homecoming crowd of 9,102.

Chamberlain Field circa 1930

Chamberlain Field served as the Mocs' home for 86 seasons. From 1908 through the final day at Chamberlain, the school's football program compiled an all-time record of 301-133-25, a winning percentage of .683.

Chamberlain Field's historic past is as storied as many of the great players that have displayed their talents at the scenic stadium. Prior to 1907, UTC was known as Grant University. However, in 1907, its name was changed to the University of Chattanooga. One of the men making up the 1907 team had some land surveyed on the campus north of Oak Street. At that time, the land was used as a pasture by the Chattanooga Transfer Company for its horses and mules. Student support rallied behind the athletes and secured the assistance of some influential trustees, and plans for a football field on campus were approved. A dressing room and showers were installed in the science building next to the field. The stadium was given the name Chamberlain Field in honor of Captain Hiram S. Chamberlain, president of the Board of Trustees.

The Stadium officially opened on Oct. 17, 1908, as Chattanooga shut out Athens School of the University 11-0. Over the years, the program posted 16 undefeated home seasons at Chamberlain.

In 1925, after the University of the South defeated the Moccasins 28-0, some of the wooden grandstands were damaged by fire. When the 1927 season opened, a brick structure seating 5,000 had been erected along Oak Street. The Moccasins lost their first game in their improved stadium, 44-18 to Vanderbilt. In 1935, the first-ever night game at Chamberlain Field was played with the Moccasins defeating Oglethorpe, 44-0.

On April 18, 2008, the University held its spring game and a football reunion at Chamberlain Field for the first time since closing the facility.

The Chamberlain Pavilion was dedicated in 2014 to commemorate Chamberlain Field.

Although evidence shows that the game of football was played in the city of Chattanooga before the turn of the 20th Century, Grant University and the University of Chattanooga did not begin intercollegiate competition in the sport until 1904. That is the first year of organized, intercollegiate football recognized by the University and the NCAA.
