*Prior to 1934, the Mocs earned All-American honors among all schools in Division I. From 1936-76, the Mocs were grouped among schools awarded "Little All-Americans." From 1977-81, UTC again earned All-American honors with other schools at the Division I-A level. Since 1982, the Mocs All-American honors have come at the Division I-AA/Football Championship Subdivision level.*

# WHAT'S A MOC?

## THE EVOLUTION OF THE MASCOT

### THE ANSWER

For more than a decade, this question has puzzled many fans and observers of Chattanooga Athletics.

The UTC Athletics Department changed logos in 1997, moving away from Native American imagery to a package of logos using railroad images, the nickname "Mocs," and the Scrappy mascot. The new package emphasized UTC's connection to Chattanooga and the city's railroad heritage and incorporated the Tennessee state bird.

Mockingbirds are fiercely territorial creatures which protect their homes with courage, determination and skill. Those attributes reflect the intellect, spirit and character of UTC student-athletes and alumni. A Moc is a champion on the playing surface, in the classroom and, most importantly, in life.

*Introduced in 2008, the new-look Scrappy has a sharper and more modern feel, mirroring the growth and image of UTC Athletics.*

### SCRAPPY

Named after legendary football coach A.C. "Scrappy" Moore, Scrappy, the Chattanooga mascot, is a fixture for the Mocs. A re-design in 2008 puts Scrappy in the image of the State Bird of Tennessee, a mockingbird. The mockingbird is known as a fierce protector of its nest and environment. It is sometimes seen swooping down on a dog, cat or predator that may be venturing too close to the bird's protected territory. Once described by "Late Night" host Jimmy Fallon as "a sledge-hammer wielding mockingbird with a heart of Blue & Gold," Scrappy symbolizes that competitive passion.

### WHY MOC'S?

Faced with politically sensitive issues and in need of a stronger core identity to help establish a strong brand as Chattanooga's Team, the athletics department embarked on a comprehensive identity program in 1996. A new direction for the athletics identity was determined, moving away from the politically incorrect Native American Indian imagery.

Several identities have been used in the past. With the old nickname "Moccasins," a snake was used in the 1920s and an Indian was used until the year of major change in 1996. A moccasin shoe was even used in the 1980s.

In 1996, it was decided to adopt the State Bird of Tennessee, the Mockingbird, as the core of the new identity, while incorporating the strong regional imagery of Chattanooga's vast railroad history.

The mascot "Scrappy" was born and a new emphasis was placed on the athletics department's role in the region. *The "Power C" logo is the primary mark of Chattanooga Mocs Athletics.*

The committee also recognized the need for the word "Chattanooga" to have a great emphasis in the logo. The nickname "Moccasins" was shortened to simply "Mocs." Thus established, Chattanooga could rebuild its athletics programs and initiatives around this new identity.

And rebuild it did. Quickly establishing the identity program in February 1997, combined with tremendous success in the NCAA Men's Basketball Tournament, UTC had positioned itself to reach for the next level.

From 1997 to 2007, the primary logo was the mascot, Scrappy, riding a train. The secondary logo featured the front of a train with the word Mocs built into the logo. This logo was affectionately called the "Cowcatcher logo," referring to the front lower grill of the train that helped push objects from the train tracks. The cowcatcher logo is no longer in use.

In August 2007, officials at Chattanooga updated the school's marks. A new C logo, the "Power C" as it has become known to fans and alums, was created as the primary mark and is emblazoned on the side of the football team's helmets. The secondary marks were updated with a more modern look, and a new font, unique to the school, is now used on the text areas of the logos and marks.

In September 2008, Scrappy was re-branded to better match the image of a mockingbird and reflect the rich tradition of our state, our city and our University. New marks of the head as well as a full body were released. The program has also been taking special efforts to stay true to its color palette—which includes navy blue and old gold.

CHAMBERLAIN FIELD

CHATTANOOGA'S FOOTBALL HOME FROM 1908 TO 1997

The University and the City of Chattanooga communities said a fond farewell to Historic Chamberlain Field on Oct. 4, 1997. On that day, the nation's second-oldest on-campus stadium closed its gates forever, and the University of Tennessee at Chattanooga helped send it off with a 20-17 victory over Wofford before a Homecoming crowd of 9,102.

Chamberlain Field served as the Mocs' home for 86 seasons. From 1908 through the final day at Chamberlain, the school's football program compiled an all-time record of 301-133-25, a winning percentage of .683.

Chamberlain Field's historic past is as storied as many of the great players that have displayed their talents at the scenic stadium. Prior to 1907, UTC was known as Grant University. However, in 1907, its name was changed to the University of Chattanooga. One of the men making up the 1907 team had some land surveyed on the campus north of Oak Street. At that time, the land was used as a pasture by the Chattanooga Transfer Company for its horses and mules. Student support rallied behind the athletes and secured the assistance of some influential trustees, and plans for a football field on campus were approved. A dressing room and showers were installed in the science building next to the field. The stadium was given the name Chamberlain Field in honor of Captain Hiram S. Chamberlain, president of the Board of Trustees.

The Stadium officially opened on Oct. 17, 1908, as Chattanooga shut out Athens School of the University 11-0. Over the years, the program posted 16 undefeated home seasons at Chamberlain.

In 1925, after the University of the South defeated the Moccasins 28-0, some of the wooden grandstands were damaged by fire. When the 1927 season opened, a brick structure seating 5,000 had been erected along Oak Street. The Moccasins lost their first game in their improved stadium, 44-18 to Vanderbilt. In 1935, the first-ever night game at Chamberlain Field was played with the Moccasins defeating Oglethorpe, 44-0.

On April 18, 2008, the University held its spring game and a football reunion at Chamberlain Field for the first time since closing the facility.

In 1997, the Mocs football program said goodbye to historic Chamberlain Field and ushered in a new era for both the University and the City of Chattanooga. On Oct. 18, 1997, Chattanooga opened its new home, Finley Stadium Davenport Field, as an overflow crowd of 22,642 watched UTC defeat Tennessee State 28-7. The 20,668-seat facility is the best of its kind among Division I-FCS Subdivision stadiums and is the crown jewel for the city's Southside revitalization project.

The \$28.5 million project needed financial support to become a reality. Donations from the private sector ranged anywhere from ten dollars to \$1 million. In fact, nearly 40 percent of the project came from private donations. The City of Chattanooga and Hamilton County contributed \$13 million, the State of Tennessee gave \$3.5 million and the University donated \$2.9 million.

Ground breaking on the site that was once the Rock Tenn plant was held March 7, 1996. Seven months later, the Stadium Corporation named the facility Finley Stadium Davenport Field.

The late W. Max Finley, former Chairman of the Rock Tenn Corporation, dedicated his life to public service and was an active supporter of the University of Tennessee system. He received both the University of Chattanooga Distinguished Alumni Award and the Outstanding Service Award of the UTC Alumni Council. He was also inducted into the University's Hall of Fame.

The playing field is named in honor of the late Gordon Lee Davenport, the President and CEO of the Krystal Company from 1975-85. Davenport served as Chairman of the Stadium Corporation and Campaign and worked tirelessly in the planning and development of the facility. Davenport, a longtime friend of UTC athletics and Mocs football, received the UTC Alumni Council Outstanding Service Award and is a member of the University's Hall of Fame.

A new artificial turf surface, a state-of-the-art plastic grass, was installed in the spring of 2015 by Astroturf.

The Stadium Corporation left nothing out of its masterpiece. The facility, designed by Derthick, Henley & Wilkerson and built by C&I Specialty, both of Chattanooga, contains 32 luxury sky boxes and 1,566 preferred seats with chairbacks. The \$600,000 video board was installed in 2018, and the Stadium Club can hold 250 for pregame or postgame functions. The press box can hold 50 media workers, has three radio booths and a television broadcast booth. Identical home and visitors locker rooms contain a separate athletic training area and coaches' locker room, as well as an extensive player locker area.

Besides serving as the home of Mocs Football, Finley Stadium Davenport Field hosted the NCAA FCS National Championship from 1997 to 2009. It is also host to international and high school soccer, including the U.S. Women's National Team, high school football, national lacrosse tournaments, concerts, the Chattanooga FC and other community festivals.

Although evidence shows that the game of football was played in the city of Chattanooga before the turn of the 20th Century, Grant University and the University of Chattanooga did not begin intercollegiate competition in the sport until 1904. That is the first year of organized, intercollegiate football recognized by the University and the NCAA.

His career totals of 35 years, 333 games and 170 victories will likely never be matched at UTC. Moore was inducted into the College Football Hall of Fame in 1980.**

**Chattanooga as a Ranked Team**

Entering the 2023 season, Chattanooga has played in 159 games while being ranked in the top 25. UTC is 78-80-1 in those games (.494).

\*Since joining the FCS/Division I-AA in 1982

From 1958 to 1974, the United Press International (UPI) conducted a small college coaches poll. The Associated Press (AP) began a similar poll in 1960. The rankings listed in the year-by-year are the higher of these two polls.

The small college polls stopped after the 1974 season, but the Division I-AA (FCS) polls did not begin until 1978. The Mocs were not eligible for I-AA rankings until the Southern Conference joined Division I-AA in 1982, which is why you don't see UTC ranked during this period.

From 1982-1992, the rankings came weekly from the NCAA Division I-AA committee. The NCAA officially recognized the Sports Network Poll beginning in 1993 and a coaches poll in 2009. Depending on the year, there were multiple polls recognized by the NCAA. The numbers listed during this time are the highest of the official polls for that week.

The Associated Press and the Coaches Poll began rankings for all college teams in 1936.

From 1958 to 1974, the United Press International (UPI) conducted a small college coaches poll. The Associated Press (AP) began a similar poll in 1960. The rankings listed in the year-by-year are the higher of these two polls.

The small college polls stopped after the 1974 season, but the Division I-AA (FCS) polls did not begin until 1978. The Mocs were not eligible for I-AA rankings until the Southern Conference joined Division I-AA in 1982, which is why you don't see UTC ranked during this period.

From 1982-1992, the rankings came weekly from the NCAA Division I-AA committee. The NCAA officially recognized the Sports Network Poll in 1993 and a coaches poll in 2009. Depending on the year, there were multiple polls recognized by the NCAA. The numbers listed during this time are the highest of the official polls for that week.

# - Opponent Rank (UTC Rank), F - Friday, N - NCAA FCS Playoff Game, T - Thursday, TG - Thanksgiving

**NON-SATURDAY GAMES**

Of the 193 games the Mocs have played on days other than Saturday, 172 took place prior to 1969. UTC has played a game on every day of the week other than Sunday in its history. The Mocs had a long tradition of playing its final game of the season on Thanksgiving, while Friday night doubleheaders with a local high school team were very popular at Chamberlain Field.
