# 2014 PRESEASON NOTES

# 2014 PRESEASON NOTES

## Getting To Know You

The Miners return six starters and 18 letterwinners from last year. There will be seven true freshmen in the mix as well, giving head coach Kevin Cross a big roster to work with. Depth can be both a blessing and a curse, depending on the chemistry of the team and an individual's willingness to sacrifice playing time.

## Preseason Premonitions

UTEP was predicted to finish fifth out of 14 squads in the regular season as voted on by the league's head coaches. Last year the Orange and Blue finished third in the league and earned a first-round bye to the league's pinnacle event.

## In Our Seniors We Trust

A piece to the puzzle in 2014 will be the leadership from the five-member senior class. GK Sarah Dilling, MF Mackenzie German and D'Taylor O'Hayre highlight the group as returning starters while D'Hannah Asuchak & F/MF Stephanie Sazo took on reserve roles a year ago.

## Close Calls

The Miners sported a record of 9-5-0 in games decided by one goal last year. By utilizing a deep bench, the Miners had fresher legs throughout the tilt while also being mentally sharper.

## Road Warriors

UTEP posted the second-most road wins in school history last year, rolling to a mark of 6-2-1 in hostile territory. It was the first winning season away from home since 2009 and fourth overall at the school. The 2005 squad (7-2-1) holds the standard while the Orange and Blue also finished above .500 on the road in 2002 (3-2-0) and 2009 (4-3-0).

## Getting To Know Coach Cross

A familiar face will be on the sideline with head coach Kevin Cross. He joined the program as an assistant coach in 1997, one year after its inception. He has served as head coach since 2001, compiling a mark of 161-89-15. Cross endured a challenging first year (3-11-2) but has not been saddled with a losing season since.

## This Is UTEP Soccer

UTEP has reached at least 10 wins in 12 straight seasons, which has allowed it to place 25th nationally in that timeframe with 158 triumphs. The Miners have tallied 574 goals in the sequence to rate 14th in the country.

## There's No Place Like Home

The Miners are 99-17-7 at home since 2002. UTEP's success has been fueled by tremendous support, with 52,396 fans packing University Field since 2005. The Orange and Blue have paced C-USA in attendance four times since joining the league.

## Miners Galore

For the second straight year, the roster will feature 26 student-athletes. That figure is the largest at the start of season at UTEP since head coach **Kevin Cross'** first team. Playing time will be a premium, which may initially be an adjustment but will ultimately result in good for the squad in the long run.

## Going Over The Schedule

Twelve home matches, including renewing the FirstLight Federal Credit Union battle of I-10 against NM State, contests against Northern Arizona, UNLV, Weber State and a 10-game Conference USA slate highlight the 2014 UTEP soccer schedule. The Miners kick off the campaign at home by playing host to Texas State (Aug. 22), with the annual Alumni Association Tailgate taking place two hours before kick-off at 5 p.m. They will also welcome NM State (Aug. 27), Incarnate Word (Aug. 29), Houston Baptist (Aug. 31), Southern Utah (Sept. 5), UNLV (Sept. 19) and Northern Arizona (Sept. 21) to the Sun City during non-conference action. The matchups the weekend of Aug. 29 will be part of the Fifth-Annual Border Bash while the 15th-Annual Border Shootout is slated for the weekend of Sept. 19. UNLV was 10-8-3 last year while NAU compiled a mark of 11-5-3.

## That's A Lot of Soccer

UTEP's four healthy seniors (**Hannah Asuchak, Sarah Dilling, Mackenzie German & Tayler O'Hayre**) have combined to play 18,431 minutes (307.2 hours) during their careers.

## Regional Recognition

UTEP's achievements have not gone unnoticed in the highly-competitive NCAA Central Region. The Miners have earned a spot in the region rankings for 10 straight seasons.

## HEAD COACH

# Kevin Cross

*Austin College, '95*

**14th Season**

Texas native Kevin Cross is synonymous with UTEP soccer. He has been involved with Miner soccer since 1997—the program's second year of existence—, serving as a top assistant before replacing former head coach Veronica O'Brien in 2001.

At 161-89-15, .636 he is 40th nationally for winningest active coaches as rated by percentage in NCAA Division I soccer. Aiding that mark have been a school-record 12 straight seasons with at least 10 victories.

UTEP has piled up 158 wins to rate 25th in country in that timeframe, with a prolific offense that has produced the 14th-most goals (574) playing an important role.

He has built the program into a perennial conference contender and a driving force in the NCAA's Central Region. The Miners are tied for the second-most wins (118) among all Conference USA programs since joining the league in 2005 while earning a regional ranking in 10 straight years.

UTEP has also boasted an impressive RPI over the years, and it was the second-highest rated program in the state of Texas in 2009.

Team success has translated into individual accolades. The Miners have been represented on the all-conference team 33 times, including three or more individuals on the all-league squads for a school-record three straight years.

Regarding all-region recognition, 18 of the 20 recipients in program history have been during his tenure as a head coach. The Miners have reaped 56 athletic weekly honors (38 league & 18 national) under his leadership.

His players have filled up the UTEP record books, with the career leaders for assists (Kelly Parker), game-winning assists (Kia Sams), game-winning goals (Jami Tullius), games played (Kristin Wernimont), games started (Ashleigh Decker), goals (Tullius), minutes played (Azia Nicholson), multi-assist games (Parker), multi-goal games

(Tameka Sumter), shots (Tullius) & shots on goal (Tullius) having been mentored by Cross.

He has impacted the game beyond the college level, with several players having achieved notoriety. Former Miner player & former assistant coach Kelly Parker has been a star in the Women's Professional Soccer league while also playing for the Canadian National Team.

Parker competed at the 2011 Women's World Cup & the 2012 Summer Olympics. Additionally, former Miner Anoop Josan competed with Team Canada at the U-20 FIFA Women's World Cup in 2008.

His enthusiasm and passion for UTEP has helped him build a loyal fan base, which has made University Field one of the toughest places to play in the country.

The Miners have forged a mark of 99-14-5 since 2002. The Orange and Blue's play has attracted El Pasoans to the venue in a big way. A C-USA best 52,396 fans have passed through the turnstiles at University Field since 2005, with UTEP pacing the league four times in that timeframe.

Overall the Miners have registered seasonal averages of better than 400 in 11 years of Cross' career, including eight with a readout surpassing 500.

The Miners have also thrived in the classroom under Cross' direction, hauling in 199 academic accolades. Among the more notable accomplishments were Holly Cohen (2002), Heather Clark (2004), Tullius (2005) and Melissa Desilets being recognized as Academic All-Americans.

From the opening whistle in August to the final signal of an overtime goal that ended UTEP's season in the quarterfinals of the Conference USA Championships, there was a noticeable sense of urgency for the Miner soccer program in 2013.

IN REVIEW

RECORDS

UTEP went 12-6-3, including 5-3-2 within C-USA play, to finish third out of 16 teams in the revamped league, while playing with a passion and purpose every time out.

UTEP's 17 points placed third out of 16 total schools in the league, earning it a first-round bye for the C-USA championship.

Four different Miners (Jade Babcock, Aleah Davis, Tori Martyn & Azia Nicholson) also earned all-league honors. It marked the third time in program history (four-1999 & five-2002) that the Miners have had at least four individuals be so honored.

It was a rollercoaster season for the UTEP soccer team in 2012. The Miners battled through the loss of five key players to injury and some tough breaks on the road to notch their 11th consecutive season with 10 or more victories.

UTEP, which finished the campaign at 10-10-0, achieved the feat just once prior to Cross' appointment as head coach.

It was a youth-laden group that featured only two seniors, Tess Hall and Brittany Kindzierski, but never let that lack of experience impact its effort on the pitch. The Miners peeled off three separate winning streaks of at least three games while also garnering placement in the NSCAA Central Region Poll for the ninth straight year.

UTEP battled through some injuries and close calls during the 2011 campaign, but it put things together when it mattered most down the stretch. The Miners earned runner-up honors at the 2011 Conference USA Championships. UTEP pushed No. 4/6 host & unbeaten Memphis to the brink before being edged out on a golden goal in the second overtime session. The Miners achieved a regional ranking for the eighth straight year.

A high-flying attack which allowed UTEP to lead the nation in scoring for most of the season set the tone for another successful season in 2010.

The Miners (11-8-0) climbed to as high as 29th nationally in the TopDrawerSoccer. Com ratings, were regionally ranked for the seventh straight year and defeated a top-25 program in the form of Memphis, 2-1, on Sept. 26.

In 2009 UTEP registered a mark of 13-6-1, which was helped by becoming the second team in school history (2006) to post two separate winning streaks of at least four contests.

Some matches stood out more than others. In the inaugural battle of I-10, UTEP downed NM State, 1-0, in front of a school-record 1,610 fans at University Field on Aug. 21. The Miners showed their prowess in league play by besting two-time defending C-USA champion Memphis, 3-2, on the road on Oct. 2. UTEP posted a convincing 2-0 triumph against long-time rival SMU on Sept. 27, and it was one of six teams to qualify for the reduced field at the C-USA Championships.

A school-record three players were named to the NSCAA All-Region Central Team. No other team in the region had more than two players on the list. League honors also poured in, with a quartet of Miners being recognized.

In 2008 UTEP showed tremendous character in overcoming an inordinate amount of injuries through the year to finish with a final mark of 13-7-1. Eighteen different players, the most since Cross' first year on the job in 2001, started at least one match. The Miners were particularly impressive down the stretch, fashion a record of 5-2-1 to close out the regular season in style.

Back-to-back wins against regionally-rated opposition (No. 13 Rice on Oct. 26 and No. 8 Colorado College on Oct. 31) were included in the stretch. Another notable triumph was the Miners downing Big 12 member Baylor, 1-0, in front of a then school-record 1,426 fans in the season opener on Aug. 22.

UTEP went on to claim the next four matches, and topped the field in both the Miner Classic and Border Shootout as result.

The Miners took care of business early throughout the 2007 season, boasting a final record of 13-7-2. UTEP advanced to the semifinals of the C-USA tournament and climbed as high as 10th in the NCAA's Central Region rankings.

Brilliant soccer attracted a then program-best 588 fans on average to home matches. UTEP rewarded the home faithful by going 8-1-2 at University Field, outscoring the opposition by a final count of 25-11.

Taking full advantage of Cross' offensive system, Tullius became the first player in school history to secure the C-USA Offensive Player of the Year. The native of El Paso led the lead in goals and points, and to this day remains the school record holder in those categories.

UTEP went 15-6 in 2006, setting school records for goals allowed (20), goals against average (0.93) and shutouts (11). Six of those blankings were consecutive, which also established a school standard.

The Orange and Blue defeated No. 17 Rice, 1-0, in front of a then school-record 1,106 fans on Oct. 8. The match was carried live nationally on College Sports Television, which was the first of its kind from the Sun City. UTEP blanked No. 25 Colorado College on Oct. 22, delivering its program-best second victory against a ranked foe on the year.

Individuals continued to be noticed for their play, as five different players combined to reel in a program-best-tying six league player of the week accolades, including sweeping the award two straight weekends. Nationally, four different Miners were placed on national teams of the week a school-record eight times.

The 2005 campaign was a season for the ages, which included the thrilling come-from-behind 3-2 overtime victory in Austin to punch a ticket into the second round of the Big Dance.

The Orange and Blue, who earned the highest national ranking (31st) of any C-USA member institution, continued to thrive in all facets of the game, ranking 10th nationally in scoring offense, while registering a then program-best tying eight shutouts.

In 2004, the Miners won 13 games - including a 3-2 triumph over 20th-ranked SMU - and finished second in the WAC at 5-2-1.

# HEAD COACH- KEVIN CROSS

UTEP also ranked 28th nationally in scoring and spent much of the campaign among the SoccerBuzz.com Central Region top 10.

In 2003, Cross' squad racked up an 11-8 record and advanced to the semifinals of the WAC Tournament. A pair of players earned All-WAC accolades. The squad was also a recipient of the NSCAA/adidas Women's College Team Academic Award.

The following spring, April 2004, Cross' team faced the Mexican national team in an exhibition match in front of 5,400 fans at Dudley Field in El Paso.

In 2002, Cross led UTEP to a magical season. His Miners finished the year 16-3. For his coaching efforts Cross was named the WAC Coach of the Year and the Central Region Coach of the Year by SoccerBuzz.com. UTEP snared runner-up honors in the WAC and ranked in the top 10 in the Central Region by SoccerBuzz.com throughout the year. Cross' unit led the NCAA in goals per match (4.42 gpm) and total goals (84), while its .842 winning percentage was eighth best in the country.

UTEP's 16-3 record was the fourth-best turnaround in NCAA soccer history. Cross mentored three of the top individual scorers in the NCAA and the top-three single-season point scorers in program history. Cohen was fourth in points per match (2.83) and sixth in goals per match (1.22). Parker led the NCAA with 1.00 assists per match and was tied for 13th in points per match (2.16). Miranda Cuthbertson was seventh in points (2.53 ppm) and eighth in goals (1.05 gpm).

Cross' team set program single-campaign records for goals (84), assists (73), points (241), fewest goals allowed (21) and lowest goals against average (1.09).

In addition to his own postseason honors, Cross coached five All-WAC selections, including first teamers Parker and Cohen. He had four players selected to the WAC All-Tournament team, with Cohen being named the MVP. Two Miners also secured All-Central Region awards.

The successful season led to several university awards as well. Parker received the UTEP Female Athlete of the Year Award, Cohen was chosen as the Golden Miner Award winner, and the team was given the Community Service Award for the 2002-03 school year.

His era as head coach began in 2001, as he tutored one of the top offensive players in the WAC in Cohen while landing two on the All-WAC squad.

Cross, the second head coach in school history, was a critical part of the program as an assistant the previous four seasons before becoming the skipper. Cross helped UTEP to the WAC Mountain Division regular season title during the 1998 campaign by recruiting seven freshmen starters dubbed the "Magnificent Seven" by The El Paso Times.

As the Miners' top assistant, Cross was in charge of handling nearly every aspect of the program. He was an integral part of the recruiting process, both nationally and internationally. He helped mold five first team All-WAC picks, five second team All-WAC selections, one conference player of the year and a freshman All-American.

Cross holds the National Soccer Coaches Association of America National Diploma, a United States Soccer Federation "B" license and was an instructor for the South Texas Youth Soccer Association "G" license.

Following his playing career, Cross worked as a member of the Texas A&M men's club staff. While at Texas A&M, he was head coach of the university's club team from 1996-97, leading the unit to the NERSA nationals.

He completed his master's degree in business administration in 1997 from Texas A&M.

Additionally, Cross was an assistant girls' soccer coach at Bryan High School in 1997. He was a staff member for the Bobby Moffat Techniques Soccer Camp and Austin College Soccer Camp.

Cross starred as a center fullback for Austin College from 1992 to 1994, playing an important role in the team's success. He helped the squad to second-place NAIA District VIII finishes in three consecutive seasons.

A three-year letterwinner for the Kangaroos, Cross was a two-time NAIA Academic All-American and received the Charles "Bo" Miller Award as the school's top student-athlete of the year in 1995. In 1995, he graduated summa cum laude with degrees in business and economics.

Cross began his collegiate career by helping Richland Junior College to an 11th-place finish in the NJCAA during the 1991 season.

A native of Richardson, Texas, Cross was a standout at Berkner High School.

Cross, 40, is married to Carrie Cross, the former girls' head soccer coach at Franklin High School in El Paso. Cross and his wife had their first son, Chase, on July 1, 2004. Their daughter, Chelsea, was born on April 19, 2006.

## ASSISTANT COACH

# Heather Clark

**UTEP, '06**

**Fifth Season**

Former UTEP soccer player and graduate assistant Heather Clark is in her fifth season as an assistant coach. Clark returned to her alma mater after being appointed to the position on Feb. 1, 2010.

She rejoined the Miners following a successful two-year stint as an assistant for the then rapidly-improving Valparaiso soccer program.

Clark, who was standout defender and four-year letterwinner under UTEP head coach Kevin Cross from 2001-04, got her start in coaching at the Sun City. She served as a program coordinator in 2006 & 2007 before being hired away as the top assistant for the Valpo program.

In 2009 Valpo registered a mark of 11-9-1, including 5-3 in the Horizon League, on the way to securing its top regular-season finish (third) since joining the conference. The squad advanced to the league tournament championship contest for the first time in school history, and ultimately finished with its sixth straight season of at least 10 triumphs.

In her first season on the Crusader bench (2008), Clark's knowledge on defense was instrumental in the squad setting school records for goals against average (0.71) and shutouts (10).

Clark's appointment to an assistant coach position with the Miners allowed her career to come full circle. She first arrived in El Paso as a freshman in 2001, and immediately became a fixture on the defense. The native of Alamogordo, N.M., played in 70 games, including 65 starts. She got in on the fun offensively, contributing 19 points on four goals and 11 assists.

A two-year captain, Clark's leadership skills are unquestioned. She personified the term student-athletic, earning first-team CoSIDA Academic All-American honors in 2004. At

the time she was just the second Miner student-athlete to be so distinguished. Clark also garnered a pair of academic all-district awards by CoSIDA.

She also picked up several UTEP team awards in her time with the Orange and Blue. She took home the "Honor Award" in 2002 and then picked up the "Iron Women Award" in 2004.

Clark joined the UTEP soccer program as a player following a record-setting career at Alamogordo HS. She set a school record for career goals (69) while also registering 54 assists under the direction of her coach and father, Larry Clark.

Clark earned her bachelor's degree in interdisciplinary studies from UTEP in 2006. She received her master's degree in education administration from the school in 2008.

She was a four-year starter for the Miners (2003-06), including captaining the 2005 squad that advanced to the second round of the NCAA Tournament

Decker started all 84 matches during her time with the Orange and Blue, which rates tied as the most in program history. She logged the second-most minutes (6,916) in school history, making a name for herself a strong, physical defender throughout her career.

She helped the Miners forge a combined record of 59-23-2 and was a key component in their rise to one of the elite teams in the NCAA's Central Region.

It was no more evident than in 2005 when UTEP rolled to a program-best mark of 20-4-1, including a 3-2 OT victory at Texas to punch its ticket to the second round of the NCAA Tournament.

Decker was a leader of the back line that forged 33 combined shutouts over her four years in uniform, including the top two single-season efforts (11, 2006; 8, 2005) in program history.

She also got involved in the offense, tallying a pair of goals to go along with 12 assists. At the time of her graduation from UTEP, the 12 helpers ranked as the ninth most in program history.

Decker was a solid student as well, earning academic honors from the conference on three occasions.
