

UTEP

THE UNIVERSITY OF TEXAS AT EL PASO

It's a great time to be a Miner! Over the last two seasons, UTEP has won 16 games and played in back-to-back bowl games for the first time in over 50 years.

The Miners have earned rankings in the top-25 polls in the month of November each of the last two years as well. But we're just getting started! Our goal is to end the season in the top-25 year in and year out, while continuing to contend for Conference USA championships.

I invite you to be a part of an up-and-coming program and attend a first-class university in a city that I have really fallen in love with.

El Paso offers the best of both worlds for a prospective student-athlete – a big city with a small-town feel. The people here are warm, friendly and caring, and they love their Miners! UTEP Football is the only show in town, and you will benefit from tremendous fan support and daily media attention. Last year UTEP set a school record by averaging nearly 48,000 fans per home game.

You won't find better weather anywhere. It's sunny 320 days a year and the winters are absolutely wonderful, with temperatures in the 60's and 70's! But if you have a craving for snow, skiing is available just a couple of hours away in beautiful Ruidoso.

I can't say enough about our fine university. We have an exceptional president, Dr. Diana Natalicio, and director of athletics, Bob Stull, who have given us everything we need to win and win big. Our facilities are state-of-the-art. The Sun Bowl is a spectacular stadium, nestled in the Franklin Mountains, and on game day the atmosphere is as electric as any school in the country. Our new Larry K. Durham Sports Center provides student-athletes an expansive weight room, training room and locker room.

First and foremost, though, if you decide to come to UTEP you are here to get your degree. Our staff will work tirelessly to help you reach your full potential academically. Our recently expanded Miner Athlete Academic Center (MAAC) will also prepare you for a future away from football.

I invite you to visit this special place. Discover for yourself the many reasons why UTEP is the best spot for you to grow as a student-athlete and as a person!

Warmest Regards,

EL PASO, TEXAS

THIS IS THE UNIVERSITY OF TEXAS AT EL PASO

More than 90 years ago, TNT blasts in the surrounding hills were part of everyday studies at the Texas State School of Mines and Metallurgy.

At the University of Texas at El Paso, as we are known today, it's the range of academic and research opportunities that's exploding like a supernova.

We're putting the stars within our students' reach.

Just ask UTEP alumnus John "Danny" Olivas.

Olivas, a 1989 mechanical engineering grad, is now a NASA astronaut who is scheduled to make his first-ever flight into space in February 2007. He will be part of the shuttle mission STS-117 crew and will work on the International Space Station.

In many ways, Olivas embodies UTEP's mission of providing access and excellence in higher education. He's among the 76,500 students who have graduated from UTEP over the past 92 years.

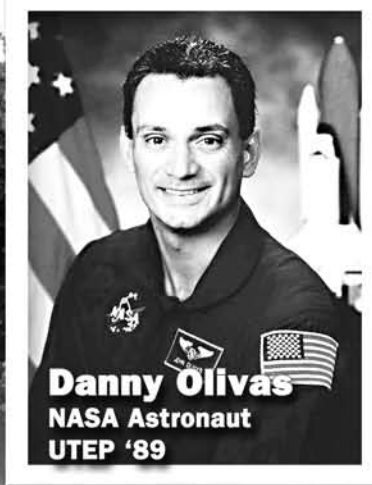

And like many of our students today, Olivas was a first-generation Hispanic college student, an underrepresented minority pursuing a dream.

UTEP was the launching pad for his successful career.

"I got to explore a lot of job opportunities at UTEP and my professors encouraged me to take on big responsibilities," Olivas says. "They helped me realize that I had control over my own destiny."

Today, UTEP is helping shape the destinies of nearly 20,000 students – the majority of them Mexican-Americans from the El Paso region. But our reach extends beyond this metropolis.

Our location on the U.S.-Mexico border in the heart of the Chihuahuan desert makes UTEP an attractive choice for students and faculty from across the world looking for unique academic and research

opportunities.

These opportunities have sent students on journeys they never imagined.

Under the leadership of our top-notch faculty researchers, our students are working on new methods for refining oil using nanotechnology; creating sustainable water supplies and new desalination technologies; and studying air quality along the border.

We're working with rapid-prototyping technology to create surgical models. We're excavating prehistoric villages for clues about ancient indigenous cultures. We're studying a person's memory of a crime to improve eyewitness identification techniques, and we're using biomechanical engineering to improve footwear design.

And if like Olivas our students dream of traveling the universe, they can start at our aerospace systems center where they're developing methods to help spacecraft fly safer.

With these and hundreds of other projects, studies and programs under our wing, we're making significant strides toward becoming the next top-tier research institution in Texas.

We rank third in federal research spending among all UT System academic institutions, with about \$36 million a year. And we are the country's only doctoral research-intensive university with a student body that's predominantly Mexican-American.

For these accomplishments, UTEP is nationally recognized as a model institution of higher learning. Our reputation for achieving excellence is skyrocketing.

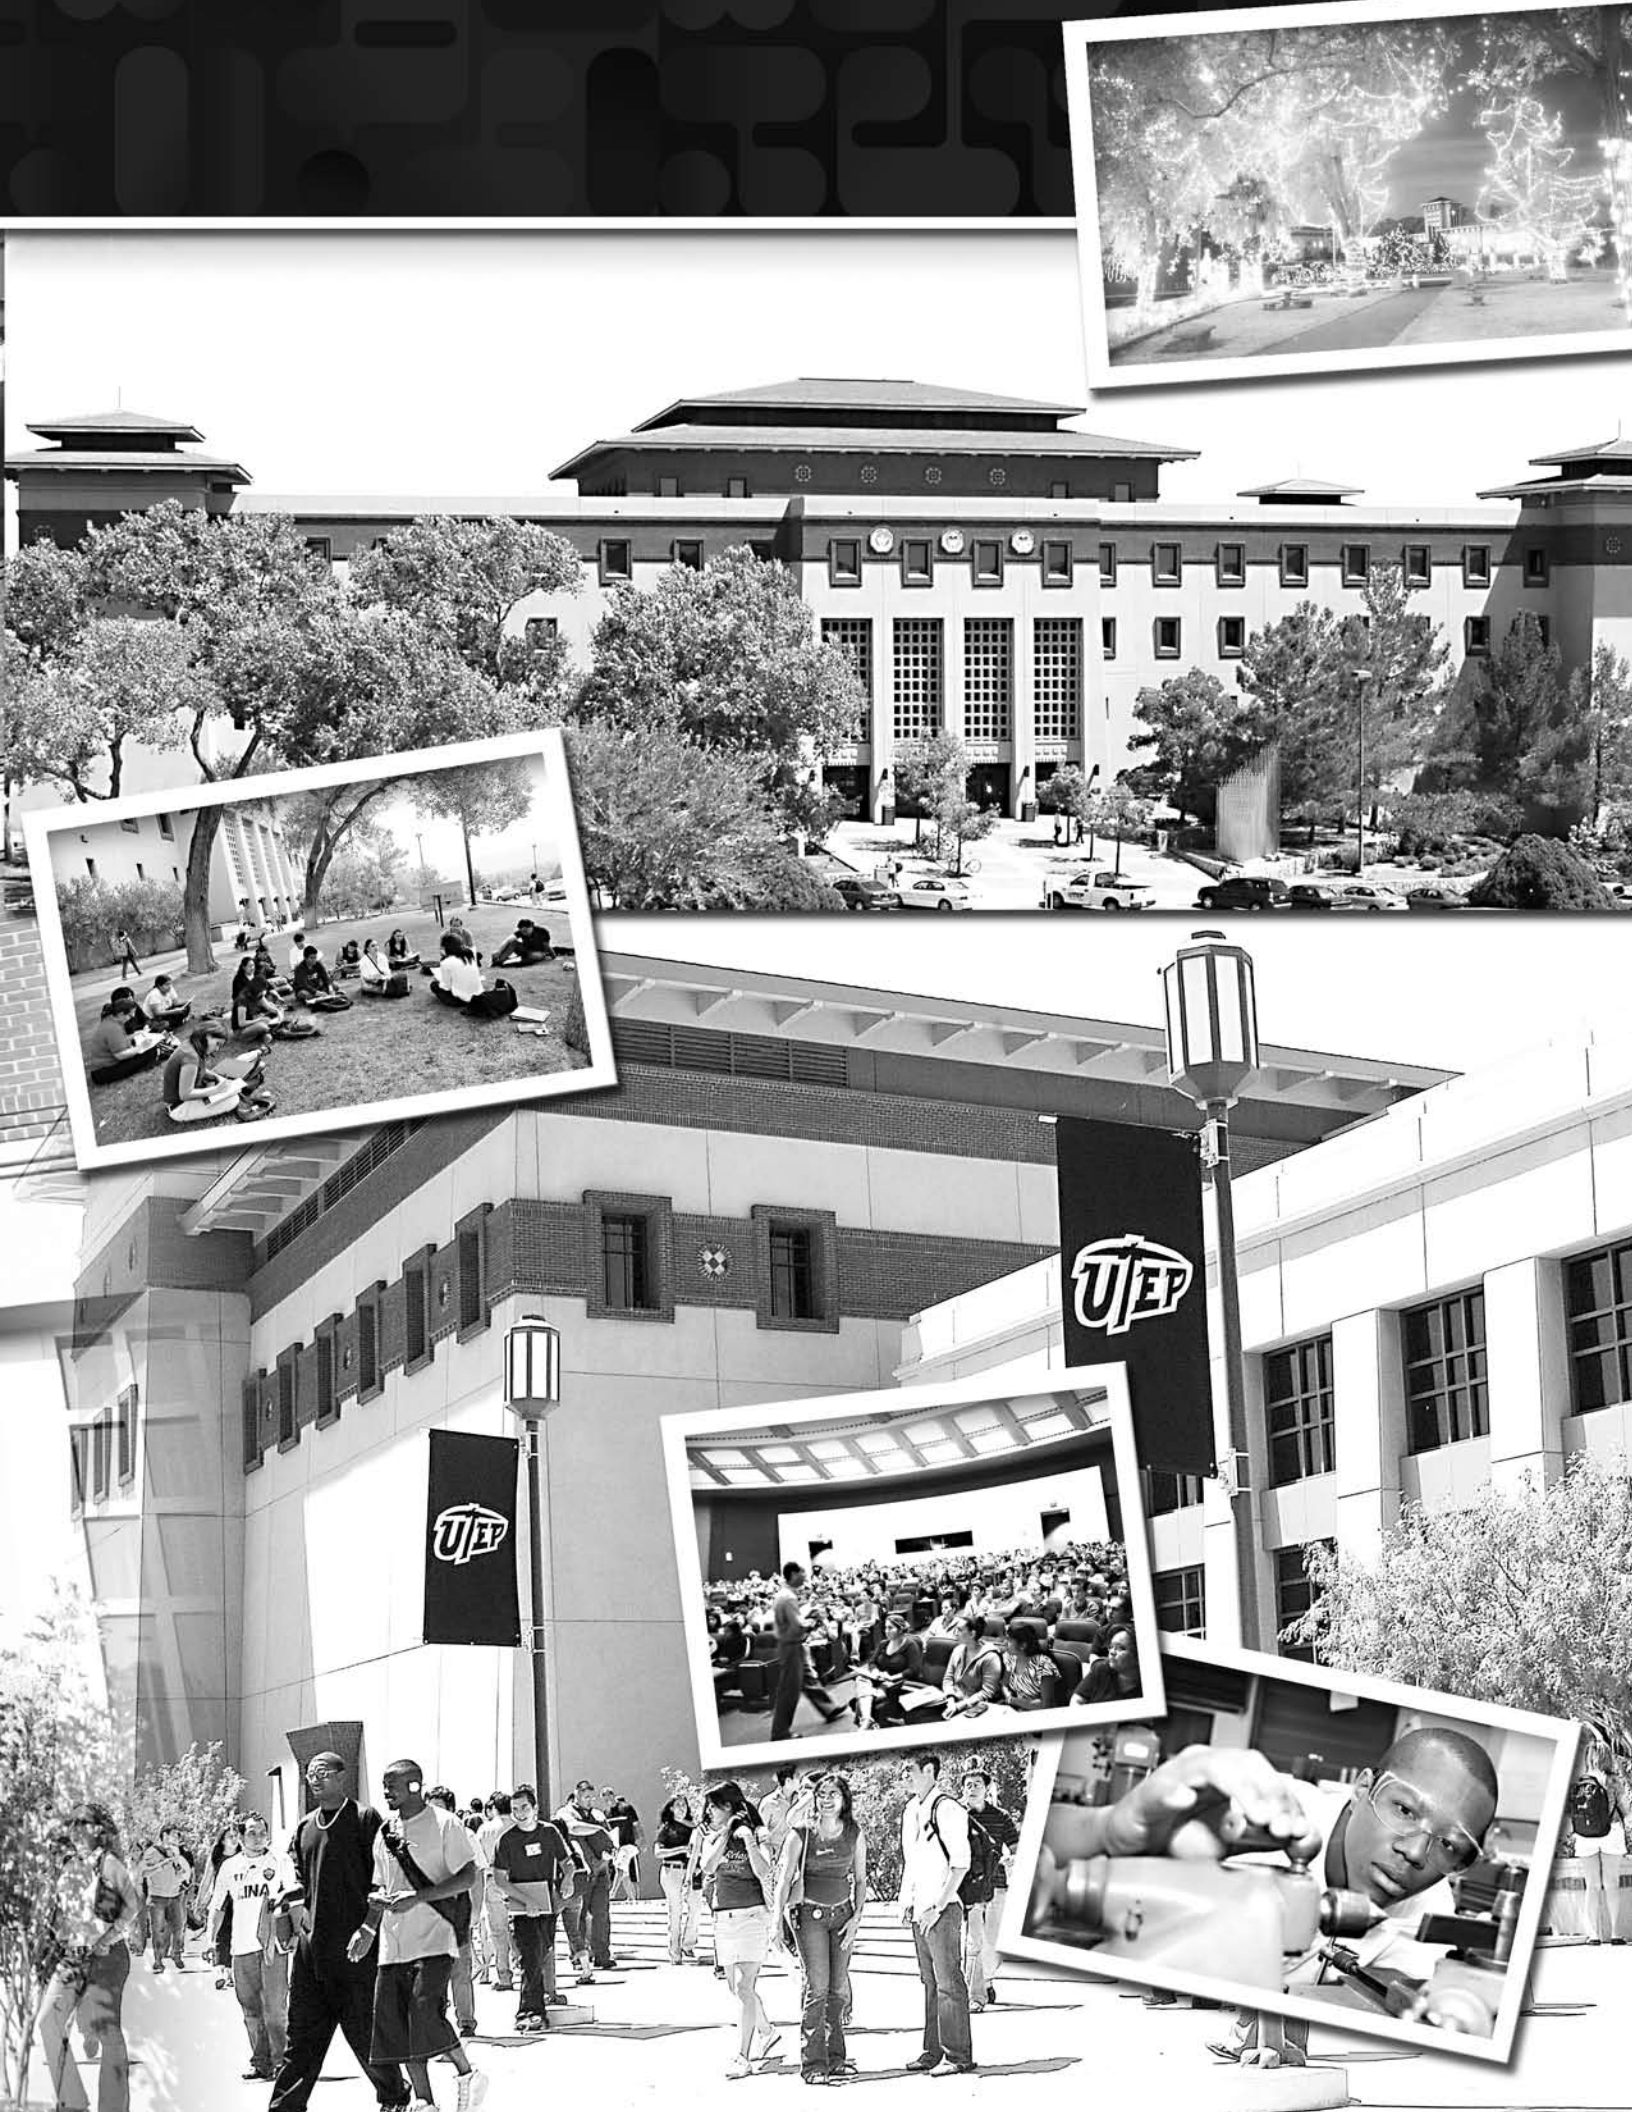

The Hispanic Outlook in Higher Education magazine ranks UTEP among the top three universities in the nation in educating Hispanics based on enrollment, and among the top 10 in awarding undergraduate and graduate degrees to Hispanics. Hispanic Business magazine ranked us as having the No. 1 graduate engineering school for Hispanics.

We offer more than 80 bachelor's degrees, more than 70 master's-level degrees and programs and 14 doctoral degrees – and counting.

With many more programs and degrees in development, we're opening a universe of opportunities for students.

The **MINER ATHLETE ACADEMIC CENTER (MAAC)** was created to provide academic support services to all UTEP student-athletes and is conveniently located in the center of campus. The MAAC is dedicated to promoting the individual and educational goals of each UTEP student-athlete and ensuring compliance with UTEP, Conference USA and NCAA academic eligibility standards. Recognizing that one of student-athletes' greatest challenges is maintaining the balance between academics and athletics, each sport is assigned an athletic academic advisor whose primary responsibility is to serve as an advisor and mentor for student-athletes; to assist with educational goal setting, degree plans, and course selection; and to calculate and certify NCAA academic eligibility. As part of the Three-Part Academic Support Program, the MAAC offers mentoring, one-on-one tutoring, and provides a large study area and computer lab for study hall.

The MAAC is currently undergoing a complete renovation to expand the physical space and the programs offered. The renovation is scheduled to be completed by the end of fall 2006, and will include a computer lab with 50 computers and four laser printers, nine rooms for individual tutoring appointments, a large quiet area for study hall and classrooms for group tutoring sessions, individual team study blocks, and academic and life skills workshops.

The MAAC is open to all student-athletes Monday through Thursday, 7:30 a.m.-9 p.m.; Friday, 7:30 a.m.-5 p.m.; and Sunday, 2-7 p.m.

HOME OF THE MINERS
THE SUN BOWL

EL PASO
TEXAS

There was something special about Sun Bowl Stadium when it opened on Sept. 21, 1963. On the first play from scrimmage at the then-30,000-seat stadium, Miner running back Larry Durham bolted 54 yards for a touchdown against North Texas State University. The Miners went on to score a 34-7 victory over the Eagles.

The Sun Bowl, home of the UTEP Miners, was the result of efforts by officials of the Sun Carnival, the supporting arm of the Sun Bowl game held each December. Officials realized that a 15,000-seat stadium such as Kidd Field, former home of the Miners and the Sun Bowl Game, needed to be replaced in order to meet the needs of network television officials. Also, as the Miner football team became more successful, additional seats were needed to accommodate the growing number of fans.

A second deck on the Sun Bowl Stadium press box was added in 1969 and in 1982 extra seating was added. The present seating capacity is 51,500. The 1969 expansion included "The Captain's Club," a facility for special supporters to the university. In 1998 "The Captain's Club" had another facelift, this time with all the seatback chairs being reupholstered.

Recent additions to the stadium have included a state-of-the-art 20-foot by 26-foot video board, three strategically-placed scoreboards and a grass-like artificial surface, AstroPlay. All three components were installed in 2001.

Since 1968 the Vitalis Sun Bowl game has had a working agreement with CBS television, and the CBS radio network has been broadcasting the contest worldwide on the Armed Forces Network. Last year's Sun Bowl saw UCLA top Northwestern, 50-38.

UTEP set a school record for attendance in 2005, averaging 47,899 fans per game. The mark broke the previous record set in 2000, when UTEP averaged 44,715 fans per contest. The Miners were 5-0 at home in 2000, and were also undefeated (6-0) in the Sun Bowl in 1988. UTEP is 10-2 at home the last two seasons under coach Mike Price.

UTEP has played 243 games in the Sun Bowl, and holds a 102-138-3 record in those contests.

GAMEDAY IN EL PASO

Rich tradition, all-around excitement and tantalizing action fill the air come UTEP football gameday at the historic Sun Bowl.

Miner fans begin tailgating around the stadium several hours before kickoff.

Before each game, Miner fans experience UTEP's one of a kind entrance into the Sun Bowl. The Miners blast out of the "Mine Shaft," with head coach Mike Price leading the team – pick-axe in hand – through the thousands of screaming fans.

The resurgence of UTEP football under Coach Price has quickly propelled the team into the national spotlight. In 2006, Miner fans across the country will have the opportunity to watch at least five of UTEP's games on national television.

UTEP IN THE COMMUNITY

The UTEP Department of Intercollegiate Athletics is operated in harmony with the university's stated mission and is committed to the intellectual, cultural, physical and social development of student-athletes. In particular, the intercollegiate athletics program serves as an educational opportunity for student-athletes and as a focal point to bring the student body, faculty and community together.

Fulfillment of Life Goals

In the process of achieving this mission, UTEP, in conjunction with the NCAA, has developed the **SUCCESS LIFE SKILLS** program. The **SUCCESS LIFE SKILLS** program supports efforts of every student-athlete toward intellectual development and graduation, uses athletics as preparation for success in life, meets the changing needs of student-athletes, promotes respect for diversity among student-athletes, enhances interpersonal relationships in the lives of student-athletes, assists student-athletes in building positive self-esteem, enables student-athletes to make meaningful contributions to their communities, promotes ownership by the student-athletes of their academic, athletic, personal and social responsibilities, enhances partnerships between the NCAA, member institutions and their communities for the purpose of education, and encourages the development of leadership skills.

The above goals are achieved through the five components of the Life Skills program. These include:

Commitment to Academic Excellence

In coordination with the Miner Athlete Academic Center (MAAC), the UTEP athletic department is committed to providing the necessary tools for student-athletes to succeed in the classroom. The MAAC provides academic advising, one-on-one tutoring, regular mentor meetings and structured study hall. Emphasis is placed on the academic success of UTEP student-athletes by the coaches and the administration. Continuous recognition throughout the year of academically successful individual student-athletes and teams is part of the mission of the SUCCESS Life Skills Program. Student-athletes are nominated and receive numerous national, conference and university academic awards including, but not limited to: Verizon Academic All-American, C-USA Commissioner's Honor Roll, Athletic Directors' List, Athletic Directors' Team GPA Award, Stan Bates Award, and UTEP Top Ten Senior.

In addition to recognition, the athletic department strives to implement programs and participate in programs designed to recognize the academic success of our student-athletes, as well as thank those individuals and campus entities that assist in the success of our student-athletes. These programs include: Graduation Breakfast, Letter Award Blanket Recognition, Deans' Luncheon, Student-Athlete Faculty Appreciation Night, Football and basketball halftime recognition, Faculty Coach Program, and Commencement and Convocation.

Commitment to Athletic Excellence

The goal is to build philosophical foundations for the development of athletic programs that are broad-based, equitable and dedicated to the well-being of the student-athletes and the team as a whole. The department is continuously striving to provide all the necessary tools for all sports programs to have athletic success. There are several programs designed to assist individual student-athletes and teams in achieving the highest level of success such as:

- **UTEP Sports Medicine/Athletic Training Program** – An elite educational athletic training program designed to proactively keep UTEP student-athletes healthy and on the field practicing and competing.
- **Larry K. Durham Sports Center** - The 65,000-square foot building features a 11,420-square foot strength and conditioning center, a student-athlete lounge/computer center, a football locker room, first-class coaches' offices, a separate kinesiology laboratory, a multi-purpose meeting center, a "Hall of Champions" recognizing building and campaign donors, and the display of memorabilia illustrating the tremendous tradition of UTEP athletics' past and current accomplishments.

Commitment to Personal Development

The athletic department and the university seek to provide student-athletes with the coping skills necessary to deal with a variety of life's challenges; to support the development of a well-balanced lifestyle for student-athletes; and to encourage emotional well-being, personal growth and decision-making skills. These goals are addressed through Student-Athlete Orientation, the Student-Athlete Handbook, the Student-Athlete Advisory Committee, Drug/Alcohol and other Educational Programs, and the NCAA Speaker's Grant.

Commitment to Service

An important part of college life is selfless service to the university community and the community at large. This commitment provides student-athletes with an opportunity to begin a lifelong habit of volunteerism. Every UTEP student-athlete has numerous opportunities to participate in community service provided by the Department of Intercollegiate Athletics and other campus and community organizations. Each year over 500 appearances are made throughout the community by UTEP student-athletes.

Commitment to Career Development

This component is dedicated to helping student-athletes identify career goals, develop interviewing skills, write resumes and coordinate a successful job search. In coordination with the UTEP Career Center, UTEP student-athletes have several opportunities to enhance their marketability for life after college:

- **Career Services** - The career center provides students with assistance in career planning and advising and employment counseling, in addition to hosting on-campus workshops, career fairs and company interviews.
- **Career Workshops** – In coordination with the UTEP Career Center, student-athletes are offered resume-writing and interviewing workshops specialized for student-athletes.

For More Information . . .

In order to achieve success in the **SUCCESS Life Skills Program**, several campus and community organizations and resources are utilized by athletics. This program takes a comprehensive effort from everyone involved with UTEP student-athletes. To find out more information about the program, please contact Lisa Campos at (915) 747-5347.

UTEP MINERS SPEED, STRENGTH & CONDITIONING

The UTEP strength and conditioning program has taken on a whole new look since the opening of the Vandenburg Strength and Conditioning Center. This glass-walled structure is located atop the new Larry K. Durham Center and the view is incredible, overlooking the Sun Bowl and the Franklin Mountains to the west.

Student-athletes have access to 10,000 square feet of training space. The new weight room contains a full range of state-of-the-art equipment such as power lift multi-racks, hammer strength plate-loaded machines and related conditioning apparatus which make the facility a premier setting for intense training. Because of its size and amenities the strength and conditioning center rivals any in Division I athletics.

Included in the new weight room are:

- 22 Power Lift multi-rack power stations
- Sixty-six Olympic and power barbells
- Over 17,000 lbs. of free weight
- 22 Hammer Strength machines
- Uesaka multi-level plyometric boxes and Dyna-max medicine balls
- Various other Body Master and Power Lift equipment

Compliance

Guide To The NCAA Rules For Alumni, Faculty And Friends

“Institutional control” of athletics is a fundamental requirement of NCAA legislation. As such, the University of Texas at El Paso is responsible for ensuring that members of the faculty and staff, coaches, student-athletes, alumni, donors, boosters and friends of the institution comply with all applicable NCAA rules. The information below is intended to provide a basic overview of NCAA rules governing UTEP alumni, faculty and friends. Because of the complexity of the rules, the following does not include all applicable situations and should not be relied upon exclusively. UTEP appreciates your interest and support but reminds you that an inappropriate contact or an inadvertent action on your part can jeopardize the eligibility of a prospective or enrolled student-athlete and the university. If you have specific questions, please contact the Athletics Department’s Compliance Office at (915) 747-8607.

You Are Considered A “Representative Of UTEP’s Athletics Interests” (i.e., a booster) If You:

- Have ever made any type of financial or in-kind contribution to the athletics department, to a specific sport program, or to an athletics booster organization, including purchasing season tickets to athletics events.
- Are or have been a member of any organization or agency promoting UTEP athletics.
- Have ever helped to arrange or have provided employment for an enrolled student-athlete, a prospective student-athlete, or their parents or relatives.
- Have ever assisted in any manner in the recruitment of prospective student-athletes.
- Have ever provided benefits to enrolled student-athletes or their families.
- Have otherwise promoted the institution’s athletics program in any manner.

Once you become a booster, you retain that status FOREVER!

A prospective student-athlete (a prospect) is any person who has begun classes for the ninth grade. A prospective student-athlete remains a prospect even after he or she has signed a National Letter of Intent or accepts an offer of financial aid to attend UTEP. The prospect remains a prospect until they report for the first day of classes for a regular term (fall or spring), they participate in a regular squad practice or competition, or they officially register and enroll and attend classes during the summer prior to initial enrollment and receive institutional athletics aid.

Boosters Are Prohibited From:

- Contacting a prospect in person on or off our campus.
- Writing or telephoning a prospect or a member of the prospect’s family.
- Making arrangements for a prospect or the prospect’s relatives or friends, to receive money or financial aid of any kind.
- Providing transportation for a prospect or the prospect’s relatives or friends to visit our campus.
- Providing free tickets or tickets at a reduced cost for prospects or the prospect’s relatives or friends to attend an athletic event.
- Entertaining high school, preparatory school or community college coaches.

Boosters Are Permitted To:

- Notify our coaches about prospects that may be strong additions to our teams.
- Attend high school or two-year college athletic contests or other events where prospects compete, however, boosters may not contact the prospect or the prospect’s relatives.
- Continue existing friendships with families of prospects, but boosters may not attempt to recruit the prospect.
- Employ a prospect after they have graduated from high school or a two-year college.

Rules Governing Contacts With And Benefits For Student-Athletes

NCAA legislation expressly prohibits University supporters from providing “extra benefits” to enrolled student-athletes or their families. An extra benefit is any special arrangement to provide a student-athlete or his/her family a benefit not authorized by NCAA legislation. In general, boosters may not provide anything or make special arrangements for student-athletes or their families that are not available to the general student population.

Examples Of Prohibited “Extra Benefits” Include, But Are Not Limited To:

- Providing cash or loans in any amount.
- Signing or co-signing for a loan or guarantee of bond.
- Use of an automobile or other personal property (e.g., boats, summer homes, stereos).
- Gifts of any kind, including birthday cards, flowers, holiday gifts and gifts of clothing or equipment.
- Any tangible items, including merchandise.
- Free or reduced-cost services, rentals, or purchases (e.g., car repairs, legal services, haircuts, meals at local restaurants).
- Purchasing complimentary admissions from a student-athlete.
- Providing an honorarium to a student-athlete for a speaking engagement.
- Providing typing services or other costs associated with school projects or reports.

Boosters MAY provide enrolled student-athletes with an occasional home meal, provided the meal takes place at the booster’s home and NOT at a local restaurant establishment. The meal may be catered and must be limited to infrequent or special occasions. The Compliance Office must approve all such meals.

Compliance with NCAA rules is of the highest priority for our athletics program and institution. Even the best-intentioned action on your part may be a violation of NCAA rules. Please **remember to ASK before you ACT.**

UTEP

CUSA

2006 Preview

2006 Outlook

Coming off consecutive eight-win seasons and back-to-back bowl bids for the first time in 50 years, UTEP looks to continue its football resurgence in 2006.

With 46 letterwinners returning – including 23 who have started games – the Miners are pursuing a Conference USA championship that eluded them a year ago.

UTEP was 8-1 and ranked 24th in the Associated Press top-25 poll following a 45-0 blanking of Texas Southern on Nov. 12. But the Miners, victimized by injuries to several key players, lost their last three games, including a 45-13 setback to Mid-American Conference West Division co-champion Toledo in the GMAC Bowl.

UTEP hopes to match the 2005 team by getting off to a fast start. It won't be easy against a non-conference schedule that is far more demanding than last year. The Miners will open the 2006 campaign on Thursday, Aug. 31 at San Diego State in a nationally televised (CSTV) game. The Aztecs are coming off a five-win season but will have the element of surprise in their favor with a new head coach, former Oklahoma offensive coordinator Chuck Long.

The Miners will host perennial Big 12 power Texas Tech on Sept. 9 in an intriguing matchup of teams that can light up the scoreboard. UTEP will play consecutive rivalry games on Sept. 23 and Sept. 30 versus New Mexico and New Mexico State. The Miners will make their first trip to Albuquerque since 2001 before welcoming their I-10 neighbors, the Aggies, to El Paso once again.

UTEP's first two Conference USA games are at home against SMU and Tulane. The Miners will also face Rice and Memphis in the Sun Bowl, where they have posted a 10-2 record under coach **Mike Price**. Last year UTEP set school records for total home attendance (287,394) and average home attendance (47,899).

UTEP's C-USA road schedule includes dates with 2005 bowl teams Houston and Tulsa, as well as UAB and Marshall. UTEP and defending league champion Tulsa will square off on Friday, Oct. 27 before a national television (ESPN2) audience at Skelly Stadium. The Miners beat the Golden Hurricane 41-38 in El Paso last season.

Taking care of the football and causing turnovers were the areas of focus during spring drills. Last year the Miners recorded 34 giveaways and 24 takeaways for a turnover margin of -10. In 2004, UTEP's turnover margin was +2.

With several key players missing portions of spring ball due to injury, UTEP was able to build valuable depth across the board. The Miner spring game was as competitive as any in recent years, perhaps a reflection of the improving strength in numbers.

Twenty-nine seniors will lead the Miners into uncharted territory in 2006, as UTEP is shooting for a school-record third straight bowl bid.

Running Backs

UTEP lost a pair of productive backs in **Matt Austin** and **Tyler Ebell**. Austin was a 1,000-yard rusher despite never starting a game for the Miners. Ebell earned third team All-Conference USA honors last season, his only one at UTEP after transferring from UCLA.

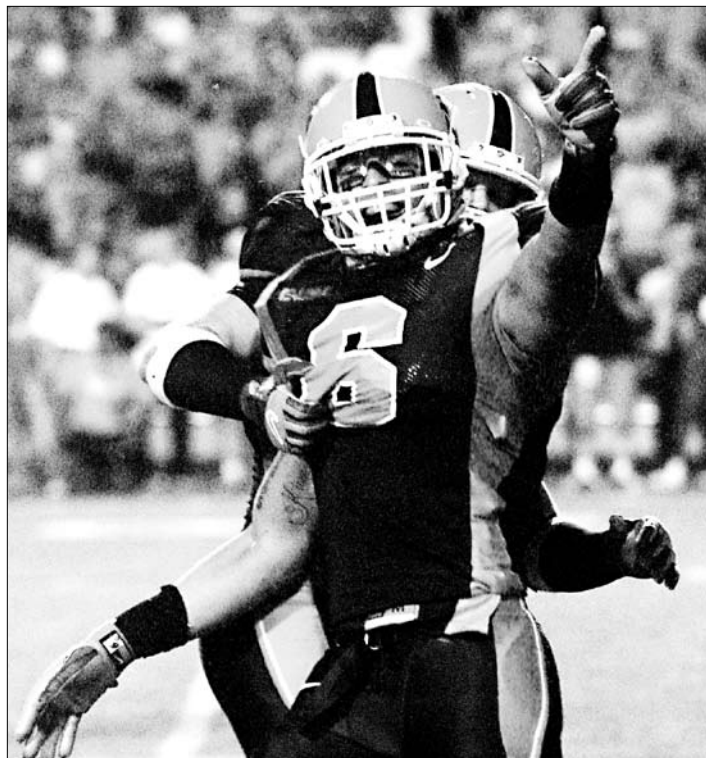

Austin and Ebell both missed time late in the year due to injuries, allowing **Marcus Thomas** an opportunity to shine. Thomas set a school record by rushing for 100 yards in four consecutive games versus Tulsa, Texas Southern, UAB and SMU. He ran for a team-high 791 yards and five touchdowns on the season. The former Parade prep All-American gained 20 solid pounds during the offseason, and lowered his 40-yard dash time from 4.65 to 4.30. He opened the Miner spring game with a 61-yard run, and finished with 78 yards on only seven attempts.

Depth is a question mark heading into the fall. Returnees **Johan Givens** and **Jon Lane** will be in the mix for playing time, along with highly-decorated freshmen **Donald Buckram** and **Jason Williams**. Lane ran for 27 yards in the spring game, and Givens 24.

Quarterbacks

Jordan Palmer owns numerous UTEP career passing records and will look to pad his numbers as a senior. Palmer ranks first in school history in total offense (7,532 yards), touchdowns responsible for (68), passing yards (7,489) and touchdown passes (62).

Last season Palmer threw for 3,503 yards and 29 touchdowns while compiling 3,453 yards of offense – all school standards. He rated 16th in the country in total offense (287.8 ypg) and 25th in passing efficiency (140.54).

With 29 seniors on the roster – including linebacker Jeremy Jones – UTEP has its most experienced team under third-year head coach Mike Price.

Palmer can take another step forward in his progression by lowering his interception count. He threw 19 picks last season including eight in the final three games, all losses. Palmer was sharp in the spring, completing 16 of 20 attempts in the Blue and White Game.

Price is excited about his team's improved depth at quarterback. Last year 434 of UTEP's 458 passes were thrown by Palmer.

Redshirt freshman **Brandis Dew** and junior transfer **Lorne Sam** will battle this fall to supplant **Orlando Cruz** as Palmer's top backup. Both were PrepStar high school All-American quarterbacks.

The 6-5, 265-pound Dew has lost over 25 pounds since first setting foot in El Paso. He threw for 2,909 yards and 42 TDs as a senior at Hemet (Calif.) High School, and possesses a rifle arm.

Sam played wide receiver at Florida State for two years before transferring to UTEP and sitting out last season. A special athlete, he may see some time at his old position as well as at signal-caller with the Miners.

Junior **Joe Castro** and redshirt freshman **Kyle Wright** both made strides last season, and Price is looking forward to overseeing their continued development.

Wide Receivers/Tight Ends

The Miners will miss **Chris Francies**, a reliable target who caught a pass in his last 43 collegiate games. Francies concluded his productive career with 128 receptions for 2,022 yards. **Jayson Boyd** (12-222-0 in '05) and **Aaron Givens** (22-188-1) have also exhausted their eligibility.

UTEP once again has a lot of talent in its receiving corps, and it starts with senior **Johnnie Lee Higgins, Jr.** The speedy Higgins owns 108 career catches for 1,899 yards and 19 touchdowns. He is tied for second in TDs on the school charts, nine behind the record-holder **Lee Mays** (28). Higgins posted 49 receptions for 837 yards and nine scores a year ago. Eight of his nine touchdowns came in the first six games of the season.

Junior **Joe West** really came on late last season. He had 15 of his 19 catches in the final seven games, and was UTEP's leading receiver in the GMAC Bowl with six receptions for 88 yards.

Senior **Chris Marrow** has battled injuries over the last two years. Still, he has compiled 87 career catches for 976 yards. Marrow missed spring drills while recovering from a knee injury, but plans to be back at full strength for two-a-days.

2006 Outlook

Seniors **Daniel Robinson** and **David Sutton** stand 6-4 and 6-5, respectively. Robinson tallied two catches for 32 yards in 2004 before redshirting last season. Robinson, in particular, is a candidate for a breakout year after looking impressive in the spring. Sutton spent 2005 adjusting to the Division I game, collecting two receptions and a touchdown against Texas Southern. Sophomore **Chris Day** has caught everything thrown at him in practice and should make a nice addition, along with freshman **Jeff Moruri**.

UTEP's tight end unit returns intact. The Miners have three good ones in senior **Casey Mauch**, junior **Jake Sears** and sophomore **Jamar Hunt**. They teamed to make 40 catches for 406 yards last season. The massive 6-7, 260-pound Hunt led the way with 27 receptions for 258 yards. He caught 24 passes over the last seven games, including 10 for 88 yards against UAB. With Hunt and Sears both out due to injuries, Mauch stepped up late in spring workouts and tallied five receptions for 55 yards in the Blue and White Game.

Offensive Line

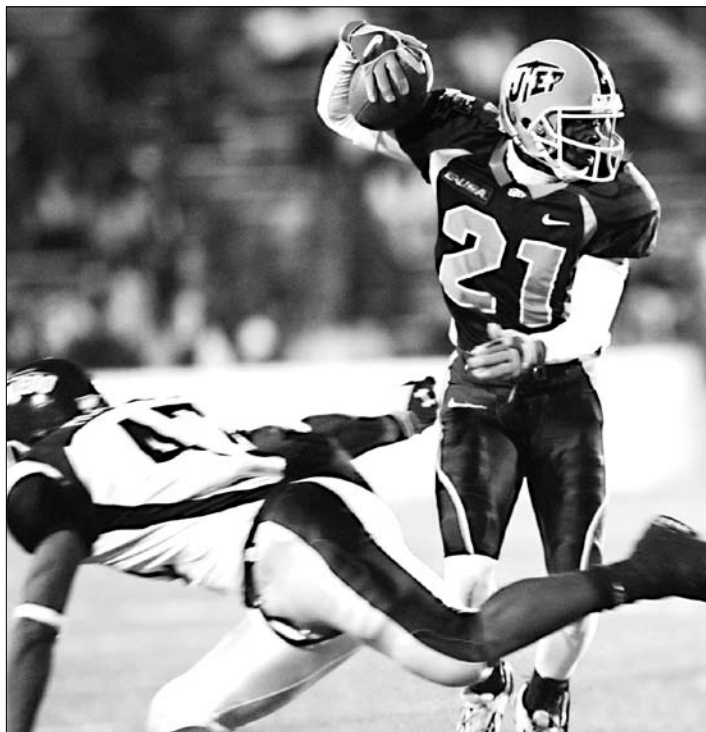

Last year the Miners averaged 31.8 points and 422.8 yards of offense per game. Once again, UTEP's degree of offensive success will hinge on the productivity of its line.

Left tackle **Josh House** and left guard **Jose Garcia** will need to be replaced. They combined to make 58 starts over the last three seasons.

Returning starters include center **Robby Felix**, right guard **James Riley** and right tackle **Tyler Ribitzki**. Felix was the most decorated of the group in 2005, earning honorable mention freshman All-America honors by The Sporting News. Ribitzki also made an impact as a redshirt freshman, stepping into the starting lineup for the final six games. Riley, a junior, missed a portion of spring workouts while coming off a knee injury.

Price is excited about the potential of junior **Oniel Cousins**, who is in the mix at left tackle. Cousins was recently timed at 4.9 in the 40 despite carrying 300 pounds on his 6-4 frame.

Senior **Andy Smith** will get first crack at the starting left guard slot this fall after working hard in the weight room during the offseason. The future is now as redshirt freshmen **Colby Meek**, **Cameron Raschke** and **Ty Stout** will get long looks from the coaching staff this season. Other projected O-line reserves include seniors **Jake Belshe** and **Humberto Padilla**, and junior **Tim Ford**. Padilla was moved from the defensive line, where he contributed five tackles in 2005.

Johnnie Lee Higgins, Jr. is tied for second place on UTEP's career touchdown receptions list with 19, nine behind the record-holder Lee Mays.

This was the strength of the Miner stop troops in 2005 as starters **Jeremy Jones**, **Troy Collavo** and **Thomas Howard** ranked 1-2-3 on the team in tackles. Jones and Collavo are back, while Howard was selected by Oakland in the second round of the NFL Draft.

Jones rated third in Conference USA and 14th nationally with 130 tackles, an average of 10.8 per game. He tied Collavo for the team lead with 14.5 stops for losses while starting all 12 games at WILL linebacker. Jones, who was undersized for his position in 2005, gained 15 pounds during the offseason. Collavo, the incumbent starter at MIKE linebacker, is coming off a 112-tackle season. He missed all of spring practice while recovering from shoulder surgery.

Junior **Emeri Spence** is the most likely candidate to take over for Howard as the starting SAM linebacker. He saw extensive action a year ago and contributed 16 takedowns. Adding support at linebacker will be seniors **Josh Chamois** and **Jason McQuay**. Chamois will be playing his third position for the Miners after toiling at running back and tight end earlier in his career. McQuay appeared in all 12 games last season and was productive in a reserve role. He could fill in at both the MIKE and SAM spots.

Landon Goodwell, **Alan Kirkland** and **Brian Wilkins** are promising redshirt freshmen. Goodwell was an All-CIF player as a senior at Rio Hondo Prep School in Arcadia, Calif. Kirkland is one of three Miners who can squat over 600 pounds. Wilkins garnered All-League honors following a 100-tackle campaign as a senior at Tustin (Calif.) High School.

Defensive Line

Nine of the 11 players listed in the depth chart for the GMAC Bowl are back, including regular starters **Alex Obomese** (left end), **Joe Ward** (right end) and **Zach West** (right tackle). Another returnee is **Justin Hanel**, who started seven games at left tackle in place of the injured **Chris Mineo** last season.

Mineo is the biggest loss – he had 30.5 tackles for losses and 16.5 sacks while appearing in 42 games for the Miners. But a high ankle sprain limited him to only a half-season's worth of games a year ago, enabling the Miners to bolster their depth for 2006 in his absence.

Hanel, Obomese, Ward and West are all seniors. Obomese really emerged as a junior, increasing his tackles from 36 to 56 and tackles for losses from 7.0 to 10.5. He earned second team All-Conference USA recognition. Obomese was sidelined all spring due to knee surgery.

Hanel led the tackles with 46 stops in '05. Ward has been on the field for 30 games at UTEP. West battled injuries last season and is hoping to return to the form of his sophomore year, when he piled up 12 tackles for losses.

Three other seniors – **Reggie Miles, Jr.**, **Ricky Van** and **Justin Watson** – will add support. Van was limited to no-contact drills in the spring after undergoing shoulder surgery. **James Olalekan** was one of two true freshmen to hit the field for the Miners last season. Redshirt freshmen **Mike Aguayo**, **Chris Moore**, **Dane O'Neill** and **Matt Williams** figure to make contributions this fall as well. Williams missed part of spring drills while coming off knee surgery. Senior **Alfonso Auelua**, recently shifted from linebacker, is also in the picture at end.

Defensive Backs

The only significant loss is **Sir James Delgado**, who started the last 10 games at right corner last season.

Senior **Joe Fleskoski** and junior **Quintin Demps** are entrenched at strong safety and free safety, respectively. They tied for the team lead with three interceptions each a year ago. Demps led all defensive backs with 78 tackles, and Fleskoski was second with 75.

The cornerback situation is still up in the air heading into the fall. Senior **Nate Draughon** and junior **Josh Ferguson** both started seven games last season. Draughon registered a team-leading 10 pass break-ups, and Ferguson came up with a pair of picks, including one for a touchdown versus Tulsa.

Pushing Draughon and Ferguson will be seniors **Tim McCullough** and **Bryant Tisdale**. Tisdale was in a cast during the spring while recovering from a fractured hand.

2006 Outlook

Veteran **Phillip Moss** adds depth at strong safety, and redshirt freshman **Braxton Amy** will push Demps. Amy, a highly sought after recruit from Richmond (Texas) Foster High School, was chosen the Houston Area MVP as a senior. He showcased his athletic ability by winning the team slam dunk competition last season.

Newcomers **Lance Castleberry** and **Da'Mon Cromartie** will contend for playing time in the secondary. Castleberry was district defensive MVP as a senior at South Oak Cliff High School in Dallas, and Cromartie was credited with 106 tackles as a senior at Rancho Verde High School in Riverside, Calif.

Special Teams

UTEP's kicking game is in good hands with seniors **Reagan Schneider** and **Ryan Hotchkiss**.

Schneider will once again handle field goals, PATs and kickoffs. He is first in school annals in PATs (103), second in kicking points (205), third in overall points (205) and fifth in field goals (34). Schneider has missed only one of 104 PAT attempts at UTEP, and has connected on 15 field goals of 40 yards or greater.

With a year of Division I experience under his belt, Hotchkiss is expected to improve on the 38.6 punting average he recorded in 2005. UTEP ranked 24th nationally in net punting (36.1 avg.) last season.

Johnnie Lee Higgins, Jr. rated 43rd nationally in punt returns (9.4 avg.) and tied for 60th in kickoff returns (22.4 avg.) last season. **Quintin Demps** is another likely kickoff return option. Price and his staff will be auditioning

Reagan Schneider has been nearly automatic on PAT attempts (103 for 104), and has made over 70 percent of his field goal tries for the Miners.

**Mike
PRICE**

**Head Coach
Puget Sound '69
Third Season at UTEP**

When Mike Price took over as UTEP's head football coach on Dec. 21, 2003, few doubted his ability to reverse the fortunes of a program coming off three straight two-win seasons. The question mark, however, was how quickly Price could work his magic.

Two years into his tenure with the Miners, the answer is a resounding **IMMEDIATELY.**

Consider that in 2005 UTEP achieved a pair of feats for the first time in over 50 years – winning eight games and earning bowl bids in back-to-back seasons.

UTEP has racked up 16 wins under Price, the second-most victories in a two-year stretch in school history. The Miners are gunning for an unprecedented third straight bowl invitation this fall.

The 2005 Miners rated ninth nationally in passing offense (300.6 ypg), 31st in total offense (422.8 ypg), and 33rd in passing efficiency (136.82) and scoring offense (31.8 ppg). In its first year as a member of Conference USA, UTEP led the league in passing offense and ranked second in scoring offense.

Ten Miners earned all-conference accolades in both 2004 and 2005. In 2004, linebacker Robert Rodriguez was chosen the Western Athletic Conference Defensive Player of the Year.

Highlights from the 2005 season included UTEP setting a school record for consecutive home wins with nine. The Miners shattered school records for total home attendance (287,394) and average home attendance (47,899). UTEP has been a dominant force in the friendly confines of the Sun Bowl under Price, posting a 10-2 record. Among UTEP's 2005 home victims was eventual Conference USA champion Tulsa.

For the second consecutive year, UTEP earned top-25 national rankings in both polls in the month of November after starting the season 8-1. Nine of the Miners' 12 games were carried on national television, including four on ESPN networks.

The Miners set school season records for total offense (5,073 yards), passing yards (3,607), passing touchdowns (29) and first downs (270) last season. Leading the aerial assault was quarterback Jordan Palmer, who has rewritten the school's passing and total offense career records in just three years. Palmer was 16th in the country in total offense (287.8 ypg) and 25th in passing efficiency (140.54) in 2005.

Several other Miners rated among the nation's best at their respective positions a year ago. Senior linebacker Thomas Howard was appointed the preseason defensive player of the year in the state of Texas by Dave Campbell's Texas Football magazine. He was chosen

Miner Coaching Staff

in the second round of the NFL Draft by Oakland – the earliest Miner to be selected since 1969. Senior wideout Chris Francies was 46th in the NCAA in receiving yards per game (77.4). Junior linebacker Jeremy Jones was 14th in tackles (10.8 per game), and tied for 15th in forced fumbles (0.3 per game). Junior kicker Reagan Schneider was 21st in field goals per game (1.5) and tied for 36th in scoring (7.9 ppg), and junior receiver Johnnie Lee Higgins, Jr. was 43rd in punt returns (9.4 avg.).

In his first season with the Miners Price, the 1997 National Coach of the Year, engineered the nation's most amazing turnaround, as UTEP posted an 8-4 record and ended its season matching up with Big 12 North Division champion Colorado in the EV1.net Houston Bowl.

Price was a finalist for numerous national coach of the year awards in 2004, including the Eddie Robinson Award and Paul "Bear" Bryant Award. He was tabbed the Region 4 Coach of the Year by the American Football Coaches Association (AFCA), and was named the first-year coach of the year by Scripps and the Football Writers Association of America (FWAA).

Not only did Price enjoy a great deal of success in his initial year at UTEP, but he also put the Miner football program on the national map. Writers from the Albuquerque Journal, Arizona Republic, Dallas Morning News, Denver Post, ESPN The Magazine, Fort Worth Star-Telegram, Los Angeles Times, New York Daily News and USA Today paid visits to the UTEP campus during the season. ESPN analyst Kirk Herbstreit and a GameDay crew led by Tom Rinaldi also checked in with the Miners.

The achievements on the field were extraordinary. UTEP earned rankings in both national polls (Associated Press, ESPN/USA Today) for the first time in school history. UTEP's highest ranking was 23rd by the Associated Press on Nov. 14. The Miners were also listed in the Bowl Championship Series (BCS) standings for the first time in 87 years of football. UTEP won seven straight games late in the season, tying the longest streak in school annals. The Miners also tied the school record for Western Athletic Conference road wins with three, including a 24-21 triumph at Fresno State on Oct. 9. It was the only home defeat of the season for Fresno State, a nine-game winner that beat Virginia in the MPC Computers Bowl. The Miners also routed Hawaii, another 2004 bowl participant, 51-20 in the Sun

Bowl.

The Miners ranked 11th in the country in scoring offense (35.8 points per game), 14th in net punting (38.6 average), 20th in punt returns (13.4 average), 22nd in passing efficiency defense (108.7 rating), 26th in passing efficiency (138.0 rating) and 29th in passing (251.3 yards per game) in 2004.

Individually, Bryce Benekos was seventh nationally in punting (44.1 average), DB Jahmal Fenner was 10th in punt returns (15.4 average), DB Adrian Ward was 16th in interceptions (0.4 average), RB Howard Jackson was 14th in all-purpose yardage (149.3 average) and 25th in rushing (98.9 yards per game), Schneider was 24th in scoring (8.1 points per game) and Palmer was 28th in passing efficiency (136.5 rating).

First-team All-WAC selections included Benekos, Jackson, Ward, DL Chris Mineo and LB Robert Rodriguez. Second-team honorees were Schneider, TE Jonas Crafts, WR Jayson Boyd, Higgins and Howard.

Rodriguez was tabbed the league defensive player of the year after leading the WAC in tackles for the third time in four seasons. Safety Quintin Demps was named to the Scripps/FWAA Freshman All-America Team, and was a third team freshman All-American by The Sporting News.

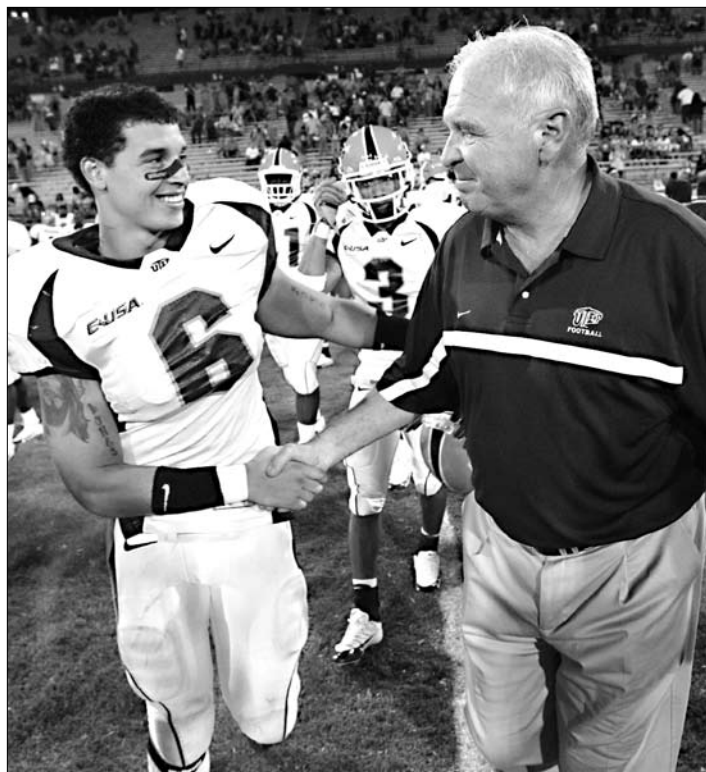

The Miners also tied the school record with seven WAC Players of the Week during the season (four defense, two special teams, one offense).

UTEP fans immediately embraced Price and his high-flying Miners. UTEP's average home attendance more than doubled from 20,009 in 2003 to 41,209 in 2004.

Price was the head coach at Washington State University from 1989-2002. During his stint with the Cougars he compiled an 83-78 record, with three 10-win seasons and five bowl appearances. His last two teams at Washington State combined for a 20-5 record (13-3 in the Pac-10 Conference). Price's 2002 unit was the Pac-10 co-champion with a 7-1 mark, and met Oklahoma in the Rose Bowl.

Price was the head coach at Weber State from 1981-88, registering a 46-44 record. His career record is 145-130 in 24 years of coaching, with three conference titles.

The 2002 Cougars finished 10-3 under Price, including a 30-27 overtime victory over USC. Washington State ranked eighth nationally in rushing defense (87.2 ypg), 13th in passing offense (292.7

Miner Coaching Staff

ypg), 16th in total offense (421.9 ypg) and 17th in scoring offense (33.2 ppg) at year's end. The Cougars were second in the Pac-10 in total offense, third in total defense (342.5 ypg), and rated among the national leaders in sacks with 55.

Quarterback Jason Gesser tallied a 146.44 passing efficiency rating, seventh-best in the country. He completed 236 of 402 passes for 3,408 yards with 28 touchdowns and 13 interceptions.

The Cougar defense was anchored by defensive tackle Rien Long, winner of the Outland Trophy and a first team All-American by the Football Writers Association of America. Long totaled 21.5 tackles for losses and 13 sacks in 2002.

Another standout for the Cougars was defensive back Jason David, who was second in the nation with 0.7 interceptions per game.

Washington State was 10-2 in 2001, tying for second place in the Pac-10. The Cougars beat Purdue 33-27 in the Sun Bowl in El Paso. Price was named the Pac-10 Coach of the Year for the third time, and was one of three finalists for the Eddie Robinson Coach of the Year Award. Nineteen Cougars earned All-Pac 10 recognition, and 14 were selected Academic All-Pac 10. Senior free safety Lamont Thompson was chosen a first team All-American by the Associated Press after rating second nationally in interceptions (0.73 per game).

Price's 2001 squad ranked 10th in the country in passing offense (300.9 ypg), 13th in scoring offense (35.2 ppg) and 17th in total offense (438.6 ypg).

The 1997 Cougars posted a 10-2 mark, the first 10-win season for Washington State in 68 years. Washington State tied for first place in the Pac-10 with a 7-1 record. Price was tabbed the Bobby Dodd Coach of the Year, Eddie Robinson Coach of the Year and The Sporting News Coach of the Year. The Cougars dropped a narrow 21-16 decision to eventual national champion Michigan in the Rose Bowl.

Price guided Washington State to a 6-5 record in 1989, his first season at the helm of the program after taking over for Dennis Erickson. He was appointed the Pac-10 Coach of the Year by The Sporting News that year.

During his 14 years at Washington State, Price coached five players who were selected in the first round of the NFL Draft – running back Steve Broussard (20th pick by Atlanta in 1990), quarterback Drew

Bledsoe (first pick by New England in 1993), linebacker Mark Fields (15th pick by New Orleans in 1995), quarterback Ryan Leaf (second pick by San Diego in 1998) and defensive back Marcus Trufant (11th pick by Seattle in 2003).

Price orchestrated four winning seasons at Weber State, including a 10-3 campaign in 1987. The Wildcats were Big Sky Conference co-champions that year, and reached the quarterfinals of the I-AA playoffs.

Weber State fashioned a 7-4 ledger in 1981, Price's first year as a collegiate head coach. The Wildcats lost to eventual I-AA champion Idaho State in triple overtime.

Price has had extensive experience coaching in postseason All-Star games. He was the head coach of the West team in the 2003 East-West Shrine Game. He was also the West head coach in the 1998 Hula Bowl. He was the associate head coach for the West team in the 1995 East-West Shrine Game, and the offensive head coach for the North team in the 1993 Kelly Tires Blue-Gray All-Star Football Classic.

He previously was an assistant coach at Washington State (graduate assistant, 1969-70 and running backs, 1974-77), Missouri (quarterbacks and receivers, 1978-80) and Puget Sound (offensive coordinator, 1971-73). He coached in three bowl games as an assistant (1978 Liberty, 1979 Hall of Fame, 1980 Liberty).

Price played collegiately at Washington State (1965-66) and Puget Sound (1967-68), seeing time at quarterback and defensive back. He earned his bachelor's degree in physical education from the Puget Sound in 1969. He added a master's degree in physical education from Washington State in 1970.

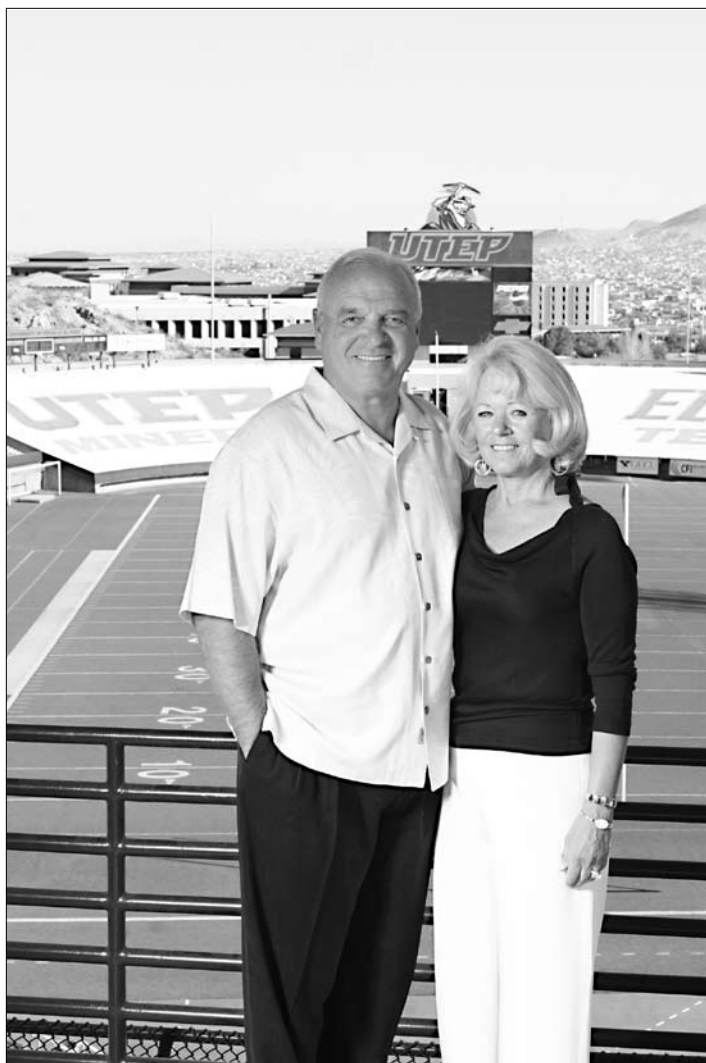

A native of Everett, Wash., Price was an all-conference quarterback and three-year varsity letterwinner at Everett High School.

Price is married to the former Joyce Taylor. They have three children – Eric, Aaron and Angie. Eric played football at Weber State and coached under his father at Washington State. Aaron played at Washington State for two years, and also assisted his father as the Cougars' quarterbacks and kickers coach. Both Eric and Aaron are on Price's staff at UTEP. Angie graduated from Washington State in 1997, and recently moved to El Paso. Mike and Joyce Price also have five grandchildren.

Q&A With Mike Price

Both of your sons are on your staff at UTEP, and your daughter recently moved from Spokane to El Paso. It seems like you are planning to make this your home for a while.

My wife Joyce and I love it here, and we plan on staying for as long as El Paso wants us.

What makes UTEP and El Paso such a special place both for yourself and your student-athletes?

Like I've said all along, the people here are great. They're warm, appreciative of what we're doing, friendly, polite, family-oriented and spiritually strong. The weather is fantastic here. The size of the community is perfect – not too big and not too small. I love the Spanish culture, and of course the Mexican food is to die for. Combine those things with good football, and you've got paradise for Mike Price or a student-athlete. The other positive for student-athletes is that we're the only game in town. We are the team of everyone in El Paso. We don't have to compete with pro teams or other universities.

It has been a great first two years for you and the Miners – 16 wins and a chance for a third straight bowl bid in 2006, something unprecedented in school history. Is this program just scratching the surface of its potential?

I think it is. The whole community is in a boon, not just the athletic department. It's a secret that's getting out to people in the United States that not only is El Paso a good community to live in and do business, but UTEP is a place where you can have good, winning football. Our next goal is to get into the top 25 and be consistently regarded as one of the top 25 teams in the country. Even though we're taking baby steps, we've taken hard strides. College football is still a competitive environment.

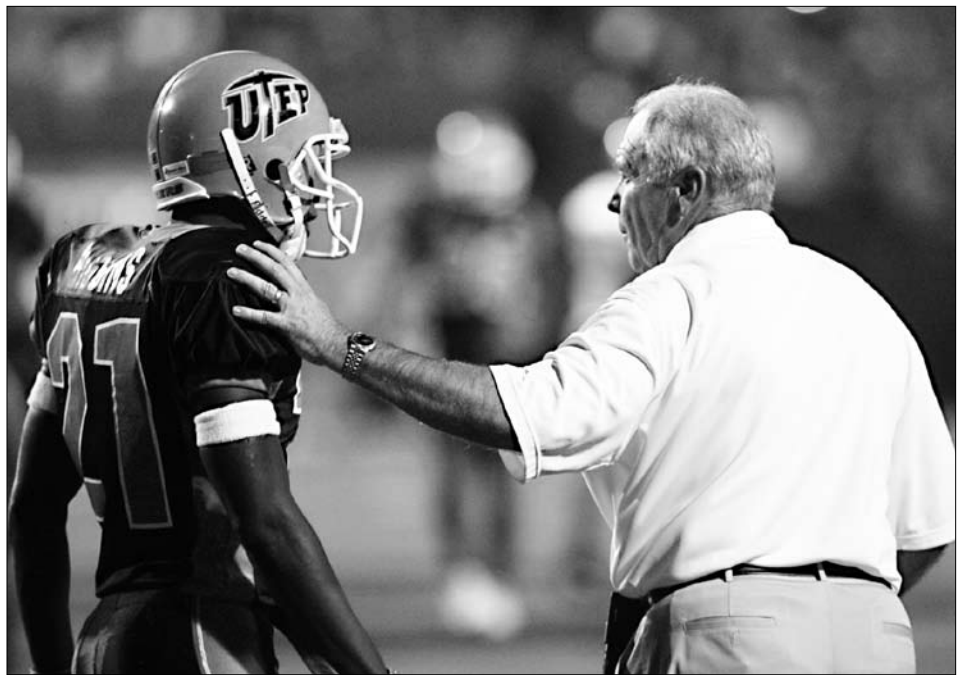

When you first came to UTEP, you installed summer camps all around the state of Texas. Talk about why you did this, and how the camps have impacted your program.

This summer we touched over 1,000 high school kids with our camps. We are thought to be isolated from larger communities in El Paso. It's a little difficult for high school kids to drive in for a one day camp here, so we decided to take our program to the players. We've gone to metropolitan cities where we recruit, just to spread the word about UTEP football. There will be over 1,000 high school players wearing UTEP football camp t-shirts to their schools and underneath their shoulder pads at their games. It's great advertising for our university, and a good opportunity to rate prospects in the cities. We're working really hard at getting the UTEP name out. Obviously the national television games help, and the bowl games help. Our winning has helped put UTEP back on the map in Texas.

Jordan Palmer shattered every UTEP passing and total offense record as a junior. What would you like to see from him this fall?

I'd like to see continued progress and for him to cut his interceptions in half. If he does that, we're going to have a successful season. That's the thing he needs to work on the most, taking care of the football.

What do you perceive to be this team's biggest

strengths entering two-a-days, and what areas are you concerned about?

One strength that we have that people don't pay attention to is our kicking game. We have an outstanding punter, an outstanding kicker, an outstanding long snapper and outstanding returners. I think our secondary could be a strength for us, and our defensive ends could be a strength as well. We have better depth on the offensive and defensive lines and at tight end than we've had before. Our question marks are depth at running back and depth at linebacker. We need to find out who can come in and be a backup for Marcus Thomas. We have three talented freshmen linebackers, but they need to step up.

You've really upgraded the non-conference schedule the last couple of years, including hosting Texas Tech this fall and Texas in 2008. Discuss why you think it's so important to be facing quality opponents.

It's important to improve our schedule if we want to get into the BCS, and it helps you to crack the top 25 when you compete against teams like Texas Tech, New Mexico and San Diego State. The thing is, you'd rather face someone with a big name rather than San Diego State, New Mexico or New Mexico State, because those guys can play just as well as a Big Ten or Pac-10 school. They're just as capable of knocking you off.

What have been your initial impressions of Conference USA?

From top to bottom, it's really good. Everyone thought it was going to be a basketball league, and it's not. Every team has a good quarterback and a good running back. There's skill all over this league. Everywhere you go, there are some fast guys. Football is important to everybody we play against. There are no also-rans. It's a very competitive situation.

UTEP set records for season ticket sales (over

19,000) and average home attendance (47,899) last season. How significant is this in your efforts to take the program where you want it to go?

Before we came here, there were a lot of empty seats in the stadium, which doesn't make it a lot of fun for the players. Football was the one area of untapped revenue this university and athletic department needed. The basketball games were selling out. My goal is to make it where you can't get a ticket for a football game on Saturday night. We will continue to play night games, continue to bring in quality opponents like Texas Tech and fill this stadium with El Paso fans. We didn't schedule Texas Tech so their fans could come in here and wear red and black. We scheduled them so our fans could wear orange and blue and fill the stadium, and Texas Tech fans couldn't get a ticket.

What do you view as some of the issues facing college football in the coming years?

I think one of the main issues is graduation rates – getting players to take the right coursework so that not only are they eligible, but they're taking classes that will get them a degree. All of this will require additional resources. Sending kids to summer school is going to cost the university a lot of money. We're going to improve graduation rates, as mandated by the university presidents. But at the same time, we're going to need tutors, learning counselors and summer tuition to get this done. It's going to cost more. Where is that money going to come from? Ticket revenue, and alumni and fan support.

Miner Coaching Staff

Tim HUNDLEY

**Defensive Coordinator
Western Oregon State '74
Recruits East Houston**

Tim Hundley has developed the UTEP defense into one of the nation's most imposing units.

Hundley also coaches the Miner linebackers. For the third straight season in 2006, a UTEP linebacker (Jeremy Jones) is on the preseason watch list for the Bronko Nagurski Trophy, presented to the nation's top defensive player. Robert Rodriguez and Thomas Howard were candidates for the award in 2004 and 2005 respectively.

The 2005 Miners tied for 23rd nationally in tackles for losses per game (7.3), and tied for 40th in sacks per game (2.5). UTEP held five opponents to less than 100 yards rushing, and six to fewer than 200 yards passing. UTEP registered its third shutout in Hundley's two years as defensive coordinator on Nov. 12 versus Texas Southern.

Four Miner defenders garnered All-Conference USA honors in a vote by league coaches and media, including linebackers Jones, Troy Collavo and Howard who rated 1-2-3 on the team in tackles. Howard was selected by Oakland in the second round of the NFL Draft, the earliest a Miner player had been chosen in 37 years.

In 2004 the Miners rated 22nd nationally in passing efficiency defense (108.7 rating) and 49th in total defense. UTEP allowed nearly 90 less yards per game than it did in 2003, as well as 13 fewer points per contest.

Four Miners earned All-WAC honors on the defensive side of the ball, including Rodriguez who was tabbed the league's defensive player of the year. Safety Quintin Dumps was appointed the co-WAC Freshman of the Year and a freshman All-America by Scripps and The Sporting News.

Hundley served as the defensive coordinator at Washington from 1999-02, and as co-defensive coordinator for the Huskies in 2003. He tutored the outside linebackers from 1999-02 before overseeing the entire linebacking corps in 2003. He also supervised the punt coverage unit during his final season with the Huskies.

He has coached in 11 bowl games, including two Rose Bowls, and groomed 11 players who moved on to the National Football League, including current pros Marquis Cooper (Tampa Bay), Howard, Michael Lewis (Philadelphia Eagles) and Ryan Neufeld (Buffalo Bills). In addition, Hundley recruited six players who garnered All-America honors at the collegiate level – David Kilson (Nevada), Andre Gurode (Colorado), Micheal Lewis (Colorado), Cade McNown (UCLA), Sam Merriman (Idaho) and Jamir Miller (UCLA).

Hundley's coaching resume includes 15 years as a defensive coordinator – two at Clackamas Community College (1975-76), one at Idaho (1979), six at Oregon State (1984-89), five at Washington (1998-03) and two at UTEP.

He began his coaching career in 1974 as a graduate assistant at Western Oregon State, his alma mater. He went on to stints at Clackamas Community College (1975-76), Idaho (1977-79) and Nevada (1980-81). In 1978 he coached the running backs at Idaho, marking the only time in his coaching career that he has spent time on the offensive side of the ball.

In 1982 he began a long-running association with the Pac-10 Conference. He worked at Oregon State for eight years, then enjoyed six seasons (1990-95) at UCLA.

Following three years at Colorado (1996-98), he returned to the Pac-10 at Washington.

Hundley was inducted into the NAIA Hall of Fame after an All-America football career at Western Oregon State. He was a three-time All-Conference selection in college. He earned his bachelor's degree in education from Western Oregon State in 1974, and added a master's degree in education from Idaho in 1978.

An Oregon native, Hundley lettered in football, baseball and basketball at Forest Grove High School. He and his wife, Pam, have two sons, Jake and Nick. Nick was a catcher on the University of Arizona baseball team that reached the 2004 College World Series. He is currently in the San Diego Padres organization. Jake is a graduate student in engineering at UCLA.

Eric PRICE

**Offensive Coordinator
Weber State '90
Recruits West Houston**

UTEP has been as explosive as any school in the country offensively since Eric Price came on board as coordinator.

Last year's unit rated ninth in the nation in passing offense (300.6 ypg), 31st in total offense (422.8 ypg), and 33rd in passing efficiency (136.82) and scoring offense (31.8 ypg). UTEP scored 30 points or more in seven games, and topped the 40-point barometer on four occasions (eight times in the last two years under Price).

Quarterback Jordan Palmer smashed the school's career passing and total offense records in 2005. Two Miner backs posted 100-yard rushing games (Tyler Ebell and Marcus Thomas), and Thomas set a school record by going over the century mark in four straight games late in the season. Against Memphis on Oct. 1, UTEP had three 100-yard receivers in a game (Jayson Boyd, Chris Francies, Johnnie Lee Higgins, Jr.) for the first time in school history.

The Miners ranked 11th in the country in scoring (35.8 ppg), 26th in passing efficiency (138.0 rating), 29th in passing (251.3 ypg) and 42nd in total offense (393.6 ypg) in 2004. UTEP also had a 2,000-yard passer (Palmer) and a 1,000-yard rusher (Howard Jackson) for only the second time in school history.

The 2006 campaign marks Price's seventh year working alongside his father, Miner head coach Mike Price.

He previously spent time on his father's staff at Washington State. Price was a student assistant for the Cougars in 1991, and quarterbacks coach from 1998-2000. He was instrumental in the development of signal-callers Jason Gesser and Matt Kegel during his stay in Pullman.

He worked with the NFL's New York Jets in 2001 and 2002 as an offensive assistant. He played a major role in the progression of quarterback Chad Pennington, who led the NFL in passing efficiency during the 2002 season.

Price got his start in coaching in 1985 when he worked with two Australian club teams. He landed his first collegiate coaching position in 1990 when he was appointed a student assistant at his alma mater, Weber State.

He progressed to the Division I-A ranks in 1991 when he joined the Washington State staff. Among his proteges that year was future pro standout Drew Bledsoe, who is currently with the Dallas Cowboys.

Why UTEP?

"In choosing to become a Miner, you'll choose to be a part of the exciting Conference USA. The league stretches across nine states, from Florida to North Carolina to Tennessee and back to football-rich Texas. You'll get a chance to experience people and places all over the country, while playing in a league that has generated over 100 bowl teams."

- Eric Price

Price worked with a pair of high-powered offenses as a graduate assistant at Hawaii and Miami (Fla.) over the next three years. The Rainbow Warriors rated fifth nationally in total offense in 1991, as Price coached the wide receivers. In 1992 and 1993 he directed the wide receivers and ran the defensive scout team at Miami. The Hurricanes led the country in passing offense in 1992, and played for the national title in the Sugar Bowl. In two years with Price on the staff, Miami went 20-4 and featured three receivers who went on to starting assignments in the NFL.

Price coached the wide receivers at Cal Poly SLO from 1994-95, and again at Northern Arizona from 1996-97. Cal Poly SLO was second in Division I-AA in passing and total offense in 1995. Price helped Northern Arizona rank first in I-AA in total offense and third in passing in 1996. The Lumberjacks reached the I-AA playoffs for the first time in school history. NAU had a quarterback who threw for 3,000 yards and a running back who ran for 2,000 yards, another first in the history of the program.

A native of Ogden, Utah, Price prepped at Ogden High where he was a standout receiver. He earned USA Today honorable mention All-America honors after reeling in 77 passes for over 1,000 yards his senior year. He led the state in receiving en route to being tabbed an All-State, All-League and All-Area selection.

Price played at the collegiate level for Dixie Junior College (1986-87) and Weber State (1988-91). He was coached by his father at Weber in 1988. He earned his bachelor's degree in physical education in 1990.

Price and his wife, Jody, have a daughter, Emma, and a son, Andrew, who was born on April 15, 2006.

**Jeff
BANKS**

**Running Backs/Punters/
Recruiting Coordinator
Washington State '98
Recruits Arizona, Southern California,
El Paso**

Jeff Banks coached a pair of 500-yard running backs in 2005, while overseeing the development of new punter Ryan Hotchkiss.

Late in the season, sophomore Marcus Thomas set a school record by rushing for 100 yards in four straight games. He ended the year with a team-leading 791 yards on 149 carries. Senior Tyler Ebell, who began the year as the starting tailback before having his season cut short due to injury, still managed to earn third team All-Conference honors. He rushed for 536 yards, moving over the 2,000-yard mark for his career.

Hotchkiss averaged 38.6 yards per punt. Nine of his 45 attempts landed inside the 20-yard line. UTEP rated 24th nationally in net punting with a 36.1 average.

Banks' first season coaching the Miner running backs and punters was quite a success. He mentored Bryce Benekos, who finished seventh in the nation in punting, as well as Howard Jackson, who was 25th in the country in rushing. Both players earned first team All-WAC honors under Banks' tutelage. Jackson ended his career as UTEP's second all-time leading rusher with 3,466 yards. Both Benekos and Jackson signed NFL free agent contracts at season's end.

Banks is also UTEP's recruiting coordinator. He served in a similar capacity from 2001-03 at Idaho State. With Banks on staff, Idaho State won a Big Sky Championship and had back-to-back eight-win seasons for the first time in 77 years. Banks tutored three All-Conference players in 2003 and helped running back Isaac Mitchell become the all-time touchdown leader in Idaho State history. Mitchell rushed for 1,851 yards from 2002-03.

In his three seasons at Idaho State, Banks was part of a Bengal offense that averaged over 400 yards and 28 points per game. Idaho State ranked in the top-16 nationally in total offense each of his three seasons.

Banks also tutored Eddie Johnson, who led Division I-AA in punting in 2001 and was taken in the fifth round of the 2002 NFL draft.

Banks began his coaching career as a graduate assistant under Mike Price at Washington State, mentoring the Cougars' kickers and punters from 1999-00. He supervised the progression of Kareem Anderson and Rian Lindell, who later enjoyed stops in the NFL. Lindell is currently with the Buffalo Bills.

A two-year letterwinner as a punter at Washington State, Banks posted a 42.8-yard average as a junior and 43.4 as a senior. He led the Pac-10 in punting as a senior and registered a 53.0 average versus Boise State, earning him the national AT&T Long Distance Award for the week. He was selected to play in the Senior Bowl in Mobile, Ala.

He started his collegiate career at Citrus College in Glendora, Calif., where he was a first team All-Conference kicker and punter. Banks played his prep ball at Bishop Amat High School in La Puente, Calif. He lettered in soccer as well as football. He was a member of Bishop Amat's state championship team, going 51-for-51 on extra point attempts.

He and his wife, Kori, have a daughter, Sydnei.

Tim DUFFIE

**Defensive Ends
Texas Tech '99
Recruits Arlington, Denton and
Fort Worth**

After building UTEP's linebacking corps into one of the nation's top units over the last two years, Tim Duffie takes over as defensive ends coach in 2006.

Last year Duffie mentored the Miners' top three tacklers – Jeremy Jones, Troy Collavo and Thomas Howard. All three earned All-Conference USA honors, with Jones and Howard tabbed to the second team and Collavo to the third team. Jones was 14th in the nation in tackles (10.8 per game).

Jones, Collavo and Howard combined to make 327 tackles last season, including 36 for losses and 9.5 sacks. Howard was picked by Oakland in the second round of the NFL Draft.

UTEP's linebackers also enjoyed a banner year in 2004 under Duffie's direction. Howard and Robert Rodriguez both earned All-WAC honors, and Godwin Akinduro was an honorable mention All-Conference choice. Rodriguez was tabbed the WAC Defensive Player of the Year after leading the circuit with 10.1 tackles per game.

Between them, UTEP's starting linebackers racked up 280 stops, 35 tackles for losses and 11.5 sacks in 2004. Once again, linebackers held the top three positions on the tackle charts.

A former defensive standout at Texas Tech, Duffie is in his seventh season as a member of the Miner coaching staff including a three-year stint as a graduate assistant (2000-02). He coached the safeties in 2002 and 2003. As a GA in 2000, he helped UTEP win its only Western Athletic Conference championship.

In 2002 Duffie coached rover Tim Woodard, who ranked sixth in the WAC in tackles with 108. Woodard was an honorable mention All-WAC selection.

Duffie coached the whip linebackers in 2000, and the strong safeties and rovers in 2001. His other duties as a GA included breaking down film on opposing offenses, compiling scouting reports, working with the offensive scout team and providing assistance in the special teams area. His game-day responsibilities included logging plays and motions in each series, and charting opposing personnel.

A starter in 16 games during his four years at Texas Tech, Duffie ended his career with 202 tackles, six tackles for losses, one sack, three pass break-ups and two interceptions on his resume. He had 84 stops and four tackles for losses during his senior season, when he started all 11 games. Duffie had a career-best 18 tackles at Missouri in 1999.

Duffie attended Jefferson (Texas) High School, earning Class 3-A second team All-State honors at linebacker. He was also named the Cypress Valley Player of the Year and was a three-time All-District performer.

Duffie received his bachelor's degree in exercise and sports sciences from Texas Tech in 1999. He added a master's degree in education administration from UTEP in 2002.

He and his wife, Autumn, were married in July 2005. Autumn is director of marketing and promotions at UTEP.

Miner Coaching Staff

Lawrence LIVINGSTON, SR.

**Assistant Head Coach/Offensive Line
Weber State '86
Recruits Dallas**

Lawrence Livingston, Sr. is UTEP's assistant head coach, and is also in charge of the offensive line. He has over 20 years of coaching experience on his resume.

Over the last two years, the O-line has paved the way as the Miners have scored over 40 points eight times.

UTEP averaged 31.8 points and 422.8 yards of offense in 2005. The Miners received a total of five 100-yard rushing performances from the dynamic duo of Tyler Ebell and Marcus Thomas. Thomas established a school standard by rushing for over 100 yards in four consecutive games.

Two Miner linemen – seniors Jose Garcia and Josh House – earned second team All-Conference USA recognition. Freshman Robby Felix started all 12 games at center and was a conference All-Freshman choice. An honorable mention freshman All-America by The Sporting News last fall, Felix enters 2006 on the watch list for the Dave Rimington Trophy, presented to the top center in college football.

The Miner O-line was a major question mark heading into the 2004 season, but Livingston quickly turned it into a team strength. UTEP allowed just 20 sacks a year after surrendering 38. The offensive line – with three new starters – paved the way for Howard Jackson to rush for 1,187 yards.

House and center Bo Morris saw limited action prior to the 2004 season. In their first year as starters, both received votes for the All-WAC team.

UTEP averaged 35.8 points per game (11th in the nation) and 393.6 yards in 2004.

Livingston was the head coach and offensive coordinator at Earlham College in Richmond, Ind., in 2003. Before that, he was an assistant at six schools over 17 seasons, including Big 12 power Texas A&M.

His most recent assistant coaching assignment prior to UTEP came at Wyoming, where he was the running game coordinator and offensive line coach from 2001-02.

He spent one year at Arizona in 2000, overseeing the tight ends while assisting with the offensive line.

Livingston enjoyed a two-year stint at A&M from 1998-99, serving as running backs coach. He helped the Aggies to a stellar 11-3 mark in 1998, including the Big 12 title. Texas A&M ended the year with a No. 9 national ranking and an appearance in the Bowl Championship Series – facing Ohio State in the Sugar Bowl. A&M was 8-4 in 1999, and squared off with Penn State in the Alamo Bowl.

From 1989-97, he was associated with Mike Price at Weber State and Washington State, respectively. While at Weber from 1989-94, he coached the offensive line. He was also the O-line coach at Washington State (1995-97). The 1997 Cougars finished 10-2, won the Pac-10 championship and secured their first Rose Bowl bid since 1931. Washington State ended the season ranked No. 9 in the country. The Cougars were second in the nation in total offense (502.2 yards per game) and scoring offense (42.5 points per game), as well as fourth in passing offense (344.5 yards per game).

Livingston coached the offensive line at the United States Military Academy in 1988, helping the Cadets to the Sun Bowl. He began his coaching career as assistant offensive line coach at Weber State from 1986-87.

A 1986 graduate of Weber State, he was a four-year starter and three-time All-Big Sky Conference selection. Livingston and his wife, Michelle, have two sons – Lawrence Jr. and Theodore.

**Ikaika
MALLOE**

**Defensive Tackles
Washington '97
Recruits East Texas**

Over the last two years, UTEP's defense has been hard-hitting and aggressive – characteristics of Ikaika Malloe in his playing days at Washington. Malloe will serve as defensive tackles coach in 2006 after directing the defensive line the last two years.

Malloe and the Miners were dealt a bad break four games into the 2005 season when standout tackle Chris Mineo suffered a serious ankle injury. Even without Mineo's services the remainder of the regular season, the defensive line remained highly productive.

The biggest story of the 2005 campaign was the emergence of junior end Alex Obomese, who piled up 10.5 tackles for losses and 6.5 sacks in his first year as a regular starter. He was a second team All-Conference USA pick.

UTEP ranked third in the conference in sacks with 29. The Miners picked up a WAC-high 47 sacks in 2004, their top total in 13 years.

Mineo generated eight sacks in 2004. He earned first team All-WAC honors after tallying 50 tackles, including 13 for losses.

Malloe also coached sophomore right tackle Zach West, an honorable mention All-WAC pick who had 12 tackles for losses in 2004.

Malloe joined the Miner staff after three years at Western Illinois, where he served as defensive line coach (two years) and special teams coordinator (one year). He also supervised the strength and conditioning program in 2002.

He helped the Leathernecks capture the Gateway Conference championship in 2002. His defensive line registered 33 sacks that year, the second-highest total in the Gateway Conference. The Leathernecks were also second in the league in red zone defense and opponents' third down conversions, and third in rushing defense (153.9 yards per game). Defensive lineman Brian Ceasar earned All-America honors.

Malloe spent five years as a part of the coaching staff at Washington from 1998-02 – two as program coordinator-defense, two as a defensive graduate assistant and one as a student assistant. He worked with the inside linebackers, outside linebackers and defensive line during his stay with the Huskies, with additional responsibilities in the special teams area. From 1999-01 he assisted Tim Hundley, who is currently UTEP's defensive coordinator.

He started at free safety, strong safety and outside linebacker at Washington, while seeing action on special teams. Malloe was recognized as the Huskies' hardest hitter in 1994, 1995 and 1996. He received the Bob Jarvis Award, presented to the team's most inspirational player, in 1993.

Malloe led Washington with six interceptions his sophomore year. He appeared in two Rose Bowls with the Huskies – one as a player, and one as a coach.

He was an All-State player at Kamehameha High School in Hawaii.

Malloe earned his bachelor's degree in sociology from Washington in 1996. He and his wife, Tara, have a daughter, Taylor, and two

**Assistant AD For Football Operations
Rice '78**

Nate Poss joined the UTEP staff in March 1997 as director of football operations. Now the assistant athletic director for football operations, Poss' duties are wide-range, most importantly helping head coach Mike Price in the day-to-day operations of Miner football.

Poss is responsible for organizing and implementing team travel, arranges and coordinates UTEP's preseason camp both in El Paso and Socorro, N.M., and is responsible for the Miner football players' summer job placement around El Paso.

He also helps arrange community service appearances for Miner players and coaches, particularly with local schools and the Children's Hospital. Two of the last three years (2003-04, 2005-06) the football team has had the most community service hours of any of UTEP's sports programs, while finishing second in 2004-05.

A West Texas native, Poss also helps the coaching staff in other areas, including assisting with the training table, compliance, academics and recruiting weekends. He works with assistant head coach Lawrence Livingston in the Miners Across Texas summer camps, helping arrange stadium sites, hotels and other logistics.

Poss graduated from Big Spring High School in Big Spring, Texas, where he was named to the school's "Team of the Century" for football. His performance as a wide receiver and defensive back gained him a scholarship to Rice. At Rice, Poss played defensive back for coordinator Charlie Bailey, former head coach of the Miners. Poss earned four letters (1973-76) and was in the starting lineup two years (1975-76) for the Owls.

Upon receiving his B.A. in commerce and religion from Rice in 1978, Poss spent three years as sports editor of the Big Spring Herald and one year as editor of Big Time Sports magazine that served the Permian Basin. From 1984-88 Poss lived in Miami, Fla., where he was a marketing representative for the Fina Corp. In 1988 Poss returned to school at Sul Ross State University and worked on his master's degree in education, which he received in 1989. During his stay at Sul Ross, Poss served as running backs and defensive backs coach, as well as assistant basketball coach.

Poss also coached in the Texas prep ranks at Kermit High School (1991), Greenwood High in Midland (1992-93) and Coronado High in El Paso (1994-96). He was president of the El Paso Coaches' Association in 1996-97.

Nate's father, Delnor Poss, served as director of athletics at Midland Junior College for 17 years. In 1995 the elder Poss was honored as NJCAA Athletic Director of the Year. He has coached three national championship golf teams at Midland College.

Over the last two years Aaron Price has overseen the development of quarterback Jordan Palmer and kicker Reagan Schneider, who set school career records as juniors in 2005.

Palmer is the new Miner leader for passing yardage, touchdown passes, completions, attempts, efficiency, total offense and touchdowns responsible for. He also owns the school standard for 300-yard passing games. Schneider ranks first in school annals for points after touchdowns and PAT percentage, and is moving up on the lists for kicking points and field goals.

Palmer earned second team All-Conference USA honors last fall after becoming only the third quarterback in school history to throw for 3,000 yards. Schneider again led the Miners with 95 points, and continues to be a deep field goal threat. For his career he has made 15 of 23 attempts from 40 or more yards.

Schneider was a second team All-WAC selection in 2004. He was one of 20 semifinalists for the Lou Groza Award in 2005.

Price spent two seasons at Idaho State University (1999-00), coaching the quarterbacks and kickers. In 1999 quarterback Kevin McCarthy set a school record with 23 touchdown passes and over 3,000 yards through the air. Shane Griggs threw for over 2,800 yards and 18 TDs in 2000.

Earlier in his career Price was the special teams coach at Cal Poly (1994) and the quarterbacks/kickers coach at Missouri Western State (1998).

He was Washington State's regular kicker for two years (1992-93). He also made a 22-yarder to beat Utah in the Copper Bowl, and a career-long 52-yarder versus Temple. He scored 77 points as a senior, the eighth-best seasonal figure in school annals. Price was a perfect 26 for 26 on PATs as a senior and added 17 field goals, the second-best total in Cougar history. He was honorable mention All-Pac 10 and Academic All-Pac 10.

In just three seasons at Washington State he scored 147 points, eighth in school history. He was 57 for 59 on PATs and 30 for 50 on field goal tries.

WOODRUFF**

**Safeties/Special Teams Coordinator
Kent State '79
Recruits Austin, Corpus Christi and
San Antonio**

With over 25 years of coaching experience – including four as the head coach at Eastern Michigan University – Jeff Woodruff is a vital member of the UTEP staff. The Miners' safeties coach and special teams coordinator, Woodruff coached in his 14th bowl game last December.

UTEP's special teams were certainly special in 2005. UTEP ranked 36th nationally in punt returns. The Miners were also outstanding on coverage, yielding 4.2 yards per punt return (third-best in the country) and 19.9 yards per kickoff return (52nd-best).

Safeties Quintin Demps and Joe Fleskoski had a knack for making big plays last season. Demps came up with a huge interception to clinch a 44-41 double overtime win against Houston, and Fleskoski scored six of UTEP's 21 points on a 68-yard pick versus New Mexico.

Demps was chosen the co-WAC Freshman of the Year in 2004. He was also selected a third team freshman All-American by The Sporting News after recording 58 tackles and two interceptions. He was honored as a freshman All-American by Scripps and the Football Writers Association of America. Demps scored two touchdowns as a rookie.

Senior Mark Dowdy and sophomore Fleskoski also put up solid numbers from the safety position in 2004, teaming for 90 tackles.

UTEP ranked 20th nationally in punt returns (13.4 avg.) in 2004 led by senior defensive back Jahmal Fenner, who was 10th with a 15.4 average.

Woodruff was the head coach at Eastern Michigan from 2000-03 before coming to the Sun City.

He was the running backs coach at Arizona from 1998-99 before landing his first collegiate head coaching position. His stint with the Wildcats included a Holiday Bowl appearance in 1998. That year Arizona was 12-1 and ended the year with a No. 4 national ranking following a 23-20 victory over Nebraska.

Woodruff was the head coach at Cholla High School in Tucson, Ariz. from 1996-97.

He spent 13 years on the staff at Washington. He was a graduate assistant from 1980-82, and offensive coordinator/quarterbacks coach as well as wide receiver coach from 1984-94. He was a part of the 1991 Washington squad that finished 12-0 and won the national title.

The Huskies were also selected to play in the 1992 Rose Bowl, marking the fifth time that Woodruff coached in the granddaddy of the bowl games.

In 1983, he was the defensive backs coach at Nevada before returning to Seattle.

A native of Ravenna, Ohio, Woodruff got his start in coaching at Kent State in 1979, where he was a graduate assistant working with the tight ends.

He earned his bachelor's degree from Kent State in 1979. He lettered in football for the Golden Flashes and, as a senior, received the George J. Altman Award, presented to the top student from the school (of H.P.E.R.).

Woodruff and his wife, Jill, have four children – Jared, Jessica,

UTEP And The Miners

UTEP has undergone three name changes since the Texas Legislature awarded El Paso with a four-year institution in 1913 known as the "State School of Mines and Metallurgy." When the school became part of the University of Texas system in 1919, the school's name was changed to "College of Mines and Metallurgy, El Paso." The name changed to Texas Western College in 1949 and to its present title, "The University of Texas at El Paso," in 1967.

The presumption is that the nickname "Miners" came from the fact that the school was founded as the "State School of Mines and Metallurgy." In doing research on the project, early mention of "Ore Diggers" and "Muckers" for the nickname was found, but nothing to determine if the name "Miners" was voted upon by the student body, or if a faculty member, John W. (Cap) Kidd, chose the name. Kidd was a big booster of athletics, especially football, and in 1915, when funds were rather lean at the school, he donated \$800 to equip the football team. He also assisted with coaching, although he was not the head coach. Kidd Field, home of the UTEP track and field team, is named for Cap Kidd.

UTEP 45, Tulane 21 Oct. 14, 2005, Ruston, La.

Marcus Thomas had a big game in his first career start, propelling UTEP to a 45-21 victory over Tulane. The contest, designated as a home game for the Green Wave, was moved from New Orleans to Ruston, La. due to the devastation caused by Hurricane Katrina.

Thomas rushed 12 times for 93 yards and caught five passes totaling 110 yards for the Miners, who played an error-free game two weeks after turning over the ball six times at Memphis.

Jordan Palmer completed 22 of 32 passes for 278 yards with three touchdowns.

Trailing 17-14, Tulane committed a pair of costly turnovers in the final minutes of the first half. First, **Josh Lumar** fumbled a punt return at the 38-yard line - setting up Palmer's 22-yard touchdown pass to **Johnnie Lee Higgins, Jr.**

Later, **Troy Collavo** forced a fumble by **Lester Ricard** and **Josh Ferguson** recovered at the Miner six-yard line to end a Green Wave

scoring threat.

Tulane pulled within a touchdown, 24-21, on a three-yard pass from Ricard to **Preston Brown** early in the third quarter.

The Miners responded by again capitalizing on a Green Wave turnover, as **Jeremy Jones** scored on a 25-yard fumble return for a 31-21 advantage with 8:07 to go in the third period. Ferguson forced the fumble by Tulane wideout **Damarcus Davis**.

UTEP extended its lead to 38-21 early in the fourth quarter on a one-yard pass from Palmer to **Casey Mauch**. The Miners put the game away on a nine-yard touchdown run by Thomas with 10:34 left in the game.

2005 Game Recaps

UTEP 38, Rice 31 Oct. 29, 2005, Houston, Texas

Jordan Palmer passed for 387 yards to become UTEP's all-time total offense leader, triggering the Miners' 38-31 victory at Rice.

Palmer, who threw for three touchdowns, ended the night with 6,137 yards on his resume to eclipse previous record-holder **Sammy Garza** (6,056 yards, 1983-86).

The Miners survived a major scare from the winless Owls, who dropped their 13th consecutive game dating back to 2004. Like 2004's double-overtime thriller in El Paso, the 2005 matchup between the teams went down to the wire.

The Miners were ahead by 18 points (28-10) at the half, but had to snuff out a Rice drive in the final minute to preserve a seven-point lead.

UTEP's **Reggie Miles, Jr.** stopped Rice running back **John Wall** at the four-yard line for a one-yard loss on fourth and one in the final minute to save the victory.

The Miners dented the scoreboard on their first offensive play, as Palmer completed a 54-yard pass to **Chris Francies**. Francies, who returned to the lineup after missing the previous two games with bruised ribs, had four catches for a career-best 126 yards receiving.

Leading 14-10, UTEP ended the opening half with a pair of scoring runs by **Tyler Ebell** for a 28-10 advantage at the intermission.

Palmer threw interceptions on the Miners' first two drives of the second half, and Rice converted both into touchdowns to get back into the game. After UTEP extended its advantage to 38-24, a 31-yard pass from **Chase Clement** to **Jarett Dillard** on fourth and 10 with four minutes left sliced the margin to 38-31.

UTEP 41, Tulsa 38 Nov. 5, 2005, El Paso, Texas

The Miners took a big step forward in the race for the Conference USA Western Division crown with a dramatic 41-38 win over Tulsa in the Sun Bowl.

UTEP took its only lead of the game with two seconds remaining, when **Reagan Schneider** connected on the game-winning 23-yard field goal.

The Miners trailed by as many as 10 points (17-7) earlier in the contest before rallying for the victory.

Brandon Diles' six-yard touchdown run gave the Golden Hurricane a 38-31 advantage with 8:12 to play.

However, **Jordan Palmer** hit **Chris Francies** for a 23-yard touchdown on fourth down with 3:41 remaining to tie the game for the fifth time.

UTEP stopped Tulsa on its next possession and Palmer opened the final drive with a 48-yard pass to Francies, setting up the winning score.

Palmer completed 25 of 34 passes for 340 yards with two touchdowns. He continued his assault on the school record book, moving into the top spot on the career charts for touchdown passes (52) and touchdowns responsible for (57).

Francies reeled in nine catches for a personal best 170 yards and two scores, his third straight 100-yard game.

Marcus Thomas added 117 yards rushing on 23 carries for the Miners.

UTEP linebacker **Thomas Howard** was the primary defender assigned to Golden Hurricane tight end **Garrett Mills**, who came into the game leading all tight ends nationally with 58 receptions for 774 yards. Howard helped limit Mills to 42 yards on four catches.

Marcus Thomas' eight-yard touchdown run early in the third quarter closed the gap to 21-10. UTEP forced UAB to punt on the ensuing possession, and the Miners had momentum. But **Jordan Palmer** was picked off by Blazer defensive back **Will Dunbar** at the UTEP 29-yard line, and on the next play **Darrell Hackney** connected with **Reggie Lindsey** for the 29-yard touchdown and a 28-10 advantage.

A 33-yard touchdown pass from Palmer to **Chris Francies** pulled the Miners to within 28-16, but the two-point conversion attempt was unsuccessful.

Toledo 45, UTEP 13 GMAC Bowl, Dec. 21, 2005, Mobile, Ala.

Bruce Gradkowski threw for 298 yards and five touchdowns, leading Toledo to a 45-13 victory over UTEP in the GMAC Bowl.

Gradkowski, the game's MVP, out-dued UTEP's **Jordan Palmer**, who passed for 160 yards in the first half before suffering a high ankle sprain. Palmer was relieved by **Orlando Cruz** for the first series of the second half. He later returned, but was ineffective. Palmer completed 14 of 33 attempts for 163 yards on the night.

Toledo drove 79 yards for a touchdown on its opening possession, as Gradkowski connected with **John Allen** for a 10-yard score. The Miners dented the scoreboard with 1:52 remaining in the period on a 34-yard field goal by **Reagan Schneider**, capping a 71-yard drive.

Toledo extended its lead to 14-3 on a fourth down, 33-yard touchdown pass from Gradkowski to **David Washington** with 10:41 remaining in the half.

Thirty-six seconds later **David Thomas** picked off Palmer for a 37-yard touchdown, and the Miners found themselves trailing 21-3.

UTEP scored 10 straight points to pull to within 21-13. Palmer found **Johnnie Lee Higgins, Jr.** for an 18-yard score, and Schneider nailed a 23-yard field goal.

But Gradkowski quelled the Miners' momentum by finding **Steve Odom** for a 31-yard touchdown shortly before the half, leaving UTEP in a 28-13 hole at the intermission.

Toledo rushed for 164 yards and had 468 yards of offense. UTEP had 255 yards of offense, with 220 coming in the first half when Palmer was healthy.

2005 Recap and Honors

Chris Mineo

BACK-TO-BACK BOWLS: After playing in the EV1. net Houston Bowl in 2004, UTEP earned a GMAC Bowl bid in 2005. The Miners reached consecutive bowl games for the first time since appearing in the Sun Bowl in 1954 and 1955. The GMAC Bowl was carried on ESPN, giving the Miners nine national telecasts during the 2005 season – four on ESPN networks and five on College Sports Television (CSTV). UTEP posted a 3-1 record on ESPN networks during the 2005 campaign.

EIGHT WINS: UTEP finished the 2005 season with an 8-4 record, giving the Miners 16 wins in two years under the direction of coach **Mike Price**. The 16 victories marked the second-winningest two-year stretch in school annals. UTEP logged 17 wins from 1987-88 when **Bob Stull** was head coach. Stull is currently the Miners' Director of Athletics. UTEP has won eight or more games in consecutive seasons for only the third time in school annals; this feat was also achieved from 1948-49 and again from 1953-54.

BACK IN THE POLLS: For the second season in a row, UTEP earned rankings in both top-25 polls in the month of November. The Miners were rated No. 24 by the Associated Press and No. 25 by USA Today on Nov. 13 after dispatching Texas Southern, 45-0, to move to 8-1. UTEP was ranked as high as 23rd in the country by the Associated Press late in the 2004 campaign.

NATIONAL RANKINGS: The Miners ended the year rated ninth in the country in passing offense (300.6 ypg), 23rd in tackles for losses (7.3 avg.), 24th in net punting (36.1 avg.), 31st in total offense (422.8 ypg), 33rd in passing efficiency (136.82) and scoring offense (31.8 ppg), and 36th in punt returns (10.9 avg.). Individually, linebacker **Troy Collavo** was tied for 46th nationally in tackles for losses (1.3 avg.); wide receiver **Chris Francies** was 46th in receiving yards per game (77.4); wide receiver **Johnnie Lee Higgins, Jr.** was 43rd in punt returns (9.4 avg.) and 50th in all-purpose yardage (122.3 avg.); linebacker **Jeremy Jones** was 17th in tackles (8.3 avg.) and tied for 46th in tackles for losses (1.3 avg.); quarterback **Jordan Palmer** was 16th in total offense (287.8 ypg) and 25th in passing efficiency (140.54); and kicker **Reagan Schneider** was 21st in field goals (1.5 avg.) and tied for 36th in scoring (7.9 ppg).

ALL-CONFERENCE HONORS: Ten Miners were tabbed to the 2005 All-Conference USA Team, as voted on by league head coaches and media. Seven Miners were named second team All-Conference, and three earned third team honors. UTEP tied Tulsa for the conference lead with 10 players recognized. Junior **Johnnie Lee Higgins, Jr.** was a multiple second team selection as a wide receiver and punt returner. Joining Higgins on the second team were quarterback **Jordan Palmer**, offensive linemen **Jose Garcia** and **Josh House**, defensive lineman **Alex Obomese** and linebackers **Thomas Howard** and **Jeremy Jones**. UTEP's third team honorees included running back **Tyler Ebell**, wide receiver **Chris Francies** and linebacker **Troy Collavo**. UTEP has had 10 players earn All-Conference recognition in each of the last two years, one shy of the school-record 11 Miners honored in 2000 by the WAC.

FRESHMAN ALL-AMERICA: Center **Robby Felix** was chosen to the Scripps Freshman All-America team, released by the Football Writers Association of America (FWAA). Felix was one of six offensive linemen recognized, joining Georgia Tech's Andrew Gardner, Arkansas' Jonathan Luigs, Oregon State's Jeremy Perry, Fresno State's Cole Popovich and Oregon's Max Unger. Felix, who started all 12 games for the Miners, was also picked to The Sporting News' Freshman All-America team.

FIRST YEAR IN C-USA A SUCCESS: In their first year as a member of Conference USA, the Miners defeated eventual league champion Tulsa, 41-38. UTEP led the league in total home attendance (287,394) and average (47,899) – both school records. UTEP was the C-USA leader in passing offense (300.6 ypg) for the year. Individually, quarterback **Jordan Palmer** was the C-USA pace setter by averaging 291.9 yards passing per outing, and kicker **Reagan Schneider** was the circuit leader in PAT percentage (100.0).

RECORDBOOK WATCH: UTEP established school season records for total offense (5,073 yards), passing yards (3,607), passing touchdowns (29) and first downs (270) in 2005. Quarterback **Jordan Palmer** broke numerous school passing and total offense career marks. Running back **Marcus Thomas** became the first Miner to rush for 100 yards in four consecutive games late in the year.

A MILESTONE VICTORY: The Miners picked up their 100th victory in the Sun Bowl on Oct. 22, a 31-3 triumph over Marshall. UTEP was 5-1 at home in 2005 and is 10-2 in the Sun Bowl in two seasons under **Mike Price**.

HOWARD GOES HIGH: UTEP linebacker **Thomas Howard** was picked by Oakland in the second round of the 2006 NFL Draft. Howard was the sixth selection of the second round, and the 38th overall selection in the draft. He became the first Miner player to be chosen in the first two rounds of the NFL Draft since 1973, when quarterback **Gary Keithley** was the 19th pick of the second round (45th overall pick) by the St. Louis Cardinals. It also marked the earliest a UTEP player was taken in the draft since 1969, when defensive back **Grady Cavness** was the 36th overall selection (10th in the second round) by the Denver Broncos. Howard was named UTEP's defensive MVP in 2005 after tallying 85 stops, seven tackles for losses and three sacks.

Sun Bowl Highlights

Sept. 21, 1963 – Larry Durham ran 54 yards for a touchdown on the game's first play from scrimmage in the inaugural game in the Sun Bowl. The Miners defeated North Texas State 34-7.

Oct. 15, 1966 – The Miners' 68 points in a 68-21 win over Texas-Arlington marked the most-ever scored in the Sun Bowl.

Nov. 18, 1967 – For the first time in school history the Miners faced a nationally-ranked team, as UTEP hosted sixth-ranked Wyoming. The game featured the first sellout in school history, as 35,023 fans packed a Sun Bowl that seated just 30,000 fans. UTEP took a 13-3 halftime lead before Wyoming stormed back. With seconds remaining, UTEP's Jerry Waddles attempted a 44-yard field goal that went just wide, giving the No. 4 Cowboys a 21-19 win over the Miners.

Sept. 21, 1968 – UTEP played its first game as a member of the Western Athletic Conference and walked off the field with a huge 44-15 triumph over New Mexico. Brooks Dawson led the way with 196 passing yards and two touchdowns, and Jeff White added two rushing scores.

Sept. 21, 1974 – UTEP snapped a 13-game losing streak with a 34-7 win against Utah.

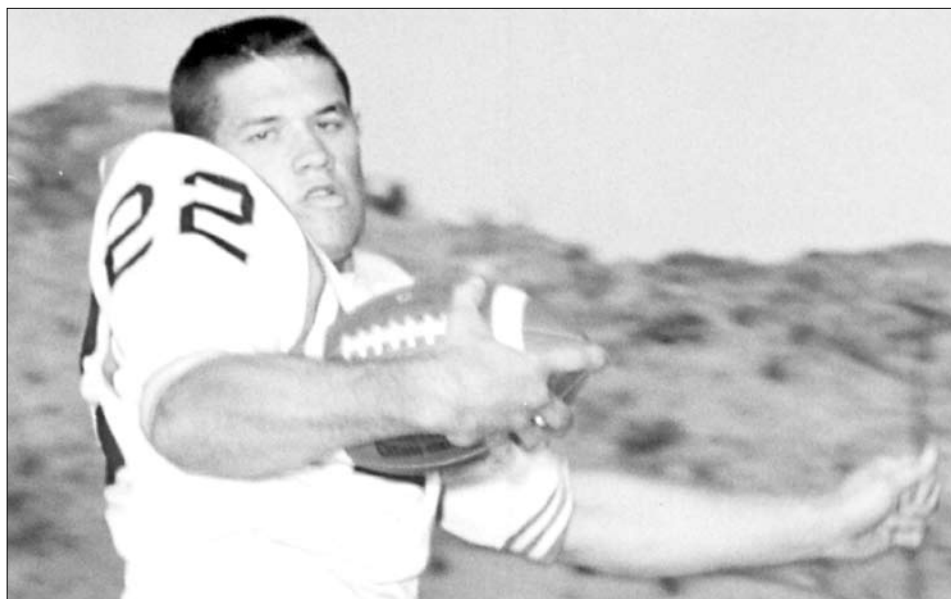

Sept. 20, 1975 – The lowest-scoring game in Sun Bowl history showed UTEP beating East Tennessee State, 6-3.

Oct. 26, 1985 – Defending national champion BYU, with a 24-game WAC winning streak, was derailed by the Miners, 23-16. UTEP defensive back Danny Taylor made the game's big play, a 100-yard interception return for a second quarter score that broke a 10-10 tie. The win was UTEP's lone triumph in a 1-10 season.

Nov. 12, 1988 – UTEP's 51-point margin of victory against San Diego State in a 58-7 contest was the largest-ever for the Miners in the Sun Bowl.

Nov. 19, 1988 – UTEP edged Air Force, 31-24, earning the school its 10th win and a trip to the Independence Bowl in Shreveport, La. UTEP was led by Academic All-American quarterback Pat Hegarty and former Dallas Cowboy Tony Tolbert.

Nov. 12, 1994 – With an overtime tiebreaker now in effect, the Miners played what could very well be the last tie game in school history as UTEP and Fresno State battled to a 30-30 deadlock.

Larry Durham

Nov. 1, 1997 – The Miners upset 25th-ranked BYU, 14-3. Ecstatic Miner fans made ESPN highlights by tearing down the south goal posts, carrying them up through the stands, and depositing them into the base of the mountain. It was the first time in 138 games that BYU was held without a touchdown.

Sept. 25, 1999 – Before a sellout crowd of 52,247 – at the time the largest audience ever to witness a football game at the Sun Bowl – UTEP routed rival New Mexico State 54-23. The Miners scored the last 24 points of the contest after the Aggies closed to within 30-23 with 5:47 to go in the third quarter. Paul Smith rushed for 187 yards for UTEP, which had 505 yards of total offense.

Oct. 21, 2000 – With first place on the line in the WAC, UTEP scored 23 unanswered points to start the game, rolling to a 23-13 win over Fresno State before 52,085 fans. It marked the third sellout in school history and the second in as many years. QB Rocky Perez completed 20 of 29 passes for 212 yards and one touchdown to lead the way.

Nov. 11, 2000 – The largest crowd to ever witness a football game in the Sun Bowl (53,304) saw the Miners clinch a share of the WAC title with a 38-21 win over Rice in the season finale. Fans not only tore down the south goal posts, as they did in 1997 after UTEP upset BYU, but they tore down both sets, depositing the remains over the east stands of the stadium. Pacing UTEP in the win was QB Rocky Perez, who completed 20 of 29 passes for a career-high 320 yards and three touchdowns. TE Brian Natkin and WR Lee Mays each had stellar outings. Natkin hauled in eight passes for a career-best 110 yards, while Mays caught five passes for 111 yards and three touchdowns.

on Homecoming after Keith Robinson boomed a school-record 59-yard field goal to beat Rice, 38-35. UTEP had to erase a 21-7 deficit to nip the Owls. After Rice's Kyle Herm hit Marcus Battle for an 18-yard touchdown to knot the contest at 35 late in the fourth quarter, Robinson split the uprights with 11 seconds remaining. Omar Duarte threw for 128 yards and two touchdowns in a relief role to spark the Miner comeback.

Nov. 13, 2004 – UTEP and Rice provided another thrilling ball game for football fans in El Paso. A loyal crowd of 43,507 braved the cold and hard-driving rain to watch the Miners hang on for a 35-28 double-overtime victory over the Owls. Two safeties for Rice over the final 5:20 of regulation sent the game into the first overtime. After a three-yard TD pass from Jordan Palmer to Casey Mauch tied the game at 28 in the first overtime, Palmer connected with Johnnie Lee Higgins, Jr. on the very next play – the first play of the second overtime – for a 25-yard touchdown. Rice took its turn on offense. A fourth-down pass interference call on UTEP kept the Owls' drive alive. Then a UTEP face mask penalty gave Rice four downs from the Miner one-yard line. However, on first down UTEP's Quintin Demps stripped the ball from Rice running back Ed Bailey. Robert Rodriguez pounced on the ball to secure the win for the Miners.

Game Recap

The Miners' first-ever bowl appearance was a disappointing one, as Hardin-Simmons rolled past Texas College of the Mines (as UTEP was known at the time), 34-6 at Kidd Field in the Second Annual Sun Bowl.

The Cowboys opened the game with Burns McKinney breaking loose on a 54-yard run. But the Muckers held their ground and staved off the HSU attack. The Cowboys were not held scoreless for long, as Si Addington swept around end for a 12-yard score on the first play following a blocked punt in the next series.

The Miners would respond in the second quarter when O.P. May hit Boyd Arnold with a swing pass that Arnold turned into a 45-yard touchdown. The extra point failed and HSU still led 7-6.

From then on it was all Hardin-Simmons, as the Cowboys scored 27 unanswered points, including touchdown runs by HSU All-Americans Ed Cherry and Pete Tyler to run away with the win.

The Miners were able to amass only 146 yards of total offense. Meanwhile the Cowboys rolled up 511 yards of total offense, including 421 on the ground.

HSU's Addington led all rushers with 142 yards on 16 carries, while Cherry ran for 83 yards and Tyler added 62. Brnas McKinney added another 61 yards on four carries, including a 54-yard jaunt in the first quarter. McKinney's efforts were limited by an injury in the first half.

Game Recap

West Virginia scored 21 unanswered points during the second and third quarter, and four Miner fumbles helped the Mountaineers to a 21-12 win over Texas College of the Mines in the 14th Annual Sun Bowl.

Pug Gabrel gave the Miners the lead just five seconds into the second quarter when he bowled over the goal line from a yard out. But the score seemed to energize the Mountaineers, who had been unable to get their offense on track in the first quarter.

West Virginia moved 83 yards in eight plays to take the lead at 7-6. Clarence Cox took in a 25-yard strike from Jimmy Walthall to score the go-ahead touchdown.

After the Miners punted to start the second half, West Virginia took the ball 51 yards for its second score. Jim Devonshire took the ball in from the 14 to make the score 14-6 in favor of the Mountaineers.

West Virginia's defense continued to stymie the Miners and the Mountaineer offense took advantage again, driving 57 yards for their third touchdown. Devonshire again took the ball across, this time from two yards out, making the score 21-6.

A late Fred Wendt 60-yard run closed the gap to 21-12, but fumbles ended a pair of other drives and dashed the Miners' hopes.

Wendt led the NCAA in rushing in 1948, racking up 1,570 yards to become the first 1,500-yard rusher in NCAA history.

Wendt finished the day with a game-high 92 yards on 15 carries. Devonshire led West Virginia with 78 yards on 14 carries to lead the Mountaineers.

Game Recap

The Miners went into the Sun Bowl as overwhelming underdogs to Southern Mississippi. But Texas Western stunned the 14-point favorite Golden Eagles and their fans by jumping out to a 30-0 lead in the first half of the 19th Annual Sun Bowl.

The Miners then held on for a 37-14 triumph to finish the season 8-2.

TWC quarterback Dick Shinaut was named outstanding player of the game. He threw two touchdown passes and kicked four extra points to amass 19 of the Miners' 37 points. He finished the day 11 of 17 passing for 158 yards.

Texas Western got on the board the second play of the game, when Clovis Riley darted 54 yards to the goal line where he was hit and fumbled. The ball was recovered in the end zone by TWC's John Howle for the Miner touchdown. The play was set up on a 48-yard kickoff return by Shinaut to open the game.

In the first period Shinaut executed a screen pass formation, tossing to Jessie Whittenton for 25 yards and a touchdown.

Shinaut threw a long aerial in the second quarter, hurling 44 yards to John Howle for another Texas Western touchdown.

Southern Miss scored a pair of touchdowns to draw within 16 points, but TWC's Riley dashed 43 yards for the final Miner score.

Riley had a big day rushing, which included the 54-yard non-scoring run in the first quarter and a 43-yard touchdown run in the third quarter. He finished the day with 112 yards rushing on just 12 carries.

The Miners overcame Southern Miss with a plan of attack on the ground and in the air. Texas Western amassed 245 rushing yards and 158 passing yards.

Game Recap

The biggest single-half offensive explosion in Sun Bowl history led Texas Western to an easy 47-20 win over Florida State in the 20th edition of the game.

Jesse Whittenton provided most of the fireworks, tossing three touchdown passes and adding another pair of scores on the ground to earn Most Valuable Player honors. Whittenton got things going early, throwing a 56-yard bomb to Rusty Rutledge to tie the game at 7-7 after one quarter.

The second quarter was all Miners, as TWC scored 27 unanswered points in building a 34-7 halftime lead. Whittenton tossed a pair of scores, including Rutledge's second, and ran one in from seven yards out.

The Seminoles would score a pair of second half touchdowns, but couldn't get closer than 20 points.

Whittenton, who also kicked extra points, totaled 17 points. He was seven of 13 for 136 yards passing in the game. Bob Forrest scored a pair of touchdowns on runs of 45 and 11 yards, and had the play of the game when he picked up his own fumble on a kickoff and ran 95 yards to the FSU two-yard line.

Florida State's backfield included (current ESPN analyst) Lee Corso and Buddy Reynolds (a.k.a. actor Burt Reynolds). Corso set up FSU's first score on a 48-yard run to the Miner two-yard line. Corso left the game after just two carries for 50 yards when he collided with Forrest on a fumbled punt return.

Game Recap

George Washington forced five Texas Western turnovers and took advantage of its opportunities in winning 13-0 in the 22nd Annual Sun Bowl.

The game marked the first shutout in a Sun Bowl since Southwestern University blanked the University of Mexico in 1945, 35-0.

The Miner defense was also strong in the game, but miscues by the offense led to both Colonial touchdowns. Twice the defense stopped the Colonials inside the 10-yard line, including a goal line stand at the six-inch line during the first quarter.

The tone of the game was set early when George Washington recovered a fumble on the Texas Western nine-yard line. However, the Miner defense stood its ground, thwarting a Colonial score.

Though the defense would keep the Colonials out of the end zone, George Washington would score soon after. A 30-yard strike from Ray Looney to Paul Thompson would be all the points the Colonials would need.

A Pete Spera three-yard run on the fourth play of the fourth quarter iced the game for George Washington. The shutout was the first against the Miners in 42 games.

Bo Austin, who was named the game's MVP, led all rushers with 98 yards on 18 carries. His biggest run of the day came on a 47-yard non-scoring scamper in the third quarter to set up Spera's touchdown.

Game Recap

TCU ran out to a 10-0 halftime lead but, led by Billy Stevens' arm and Joe Cook's foot, TWC came from behind to win the 31st Annual Sun Bowl.

TCU's Kent Nix got the Horned Frogs going in the second period, leading them to a 35-yard Bruce Alford field goal. TCU then took a 10-0 lead when Nix hooked up with David Smith on an 11-yard scoring pass.

Stevens, the second highest-rated passer in the nation during the 1965 season, threw for 208 yards on 21 completions.

He led off the second half with a 35-yard scoring hook-up to flanker Chuck Hughes, and the comeback was on. Texas Western then drove 70 yards to set up a 21-yard field goal by Cook, tying the game at 10-10.

A fumble late in the fourth quarter by the Frogs at their own 29-yard line gave the Miners good field position for the go-ahead score. Four plays later Cook booted his second field goal to give the Miners their first lead at 13-10.

The Frogs were shut down and nearly out in the second half, with their only score coming on a safety with 43 seconds left in the game. Stevens, who was named the C.M. Hendricks Most Valuable Player, took the snap from center and ran out of the end zone to make the final score 13-12.

Game Recap

UTEP scored 14 fourth quarter points, and a surprisingly strong defense held heavily-favored Mississippi to just a single score as the Miners defeated the Rebels in the 33rd Annual Sun Bowl, 14-7.

Billy Stevens received his second C. M. Hendricks Award as the game's most valuable player after leading the Miners to two touchdowns in a seven-minute span of the fourth quarter.

The Rebels' touchdown was set up by the lone Miner turnover of the game, an interception by Mac McClure that was returned 46 yards to the UTEP one-yard line. Two plays later Bruce Newell scored to give the Rebels a 7-0 lead.

The UTEP offense finally got into gear late in the third quarter, driving 76 yards for the tying score behind the arm of Stevens. He threw for 64 yards on the drive, including the last five yards on a swing pass to David Karns for the tying score.

All-American Fred Carr, who was named the game's Most Valuable Lineman, forced a fumble two possessions later and the Miners took over at the Rebel 22. Four plays later Larry McHenry bowled into the end zone for the winning score, and the defense took over from there.

The UTEP defense held the Rebels to just 109 yards of total offense and six first downs, while forcing four turnovers. The Miners racked up 276 yards of offense.

Gene Epps led the Miner defense with 12 tackles and one interception on the day, while Carr notched five takedowns and George Daney picked up seven.

Game Recap

After a close first half in which Southern Miss had a 10-7 lead, the Golden Eagles scored three third-quarter touchdowns to open up a 24-point lead and roll past UTEP, 38-18, in the 13th Annual Independence Bowl.

The Miners scored first on a 30-yard pass from Pat Hegarty to Reggie Barrett, and controlled the action in the first half. But after a Chris Jacke missed field goal, USM moved 80 yards for the go-ahead score, a three-yard TD pass from Brett Favre to Reginald Warnsley.

Two punt returns for touchdowns by James Henry put the game out of reach. Henry was named Most Valuable Offensive and Defensive Player of the game for his play.

Barrett tied an Independence Bowl record for receptions with nine for 119 yards and a touchdown.

Terry Walker recorded six tackles and a pair of interceptions off Favre, while Ken Sale and Doug Morgan each notched a team-high eight tackles to spark the Miner defense.

Hegarty, a GTE Academic All-American, threw for 203 yards on the day. He teamed with David Flores to set a UTEP bowl game record with 308 yards passing.

Game Recap

Jordan Palmer and Jayson Boyd combined to set five UTEP bowl records, but it wasn't enough as Colorado rallied to edge the Miners, 33-28, in the EV1.net Houston Bowl.

Palmer set marks for passing yardage (328), passing attempts (42), passing completions (22) and total offense (325) and Boyd had a career-high 140 yards receiving. But the Buffaloes (8-5) held UTEP's high-scoring offense in check in the second half to erase a 21-13 deficit.

The Miners ended the year on their first losing streak of the season, closing out a magical year in which they improved from 2-11 to 8-4.

UTEP scored three touchdowns in the first half, but just one following the intermission. The Buffaloes controlled the clock for 21 out of 30 minutes in the second half.

Colorado moved 57 yards on 11 plays in its first offensive possession. Mason Crosby's 26-yard field goal put the Buffaloes ahead 3-0. UTEP answered with touchdowns on consecutive possessions for a 14-3 lead. First, Howard Jackson scored on a seven-yard run, and later Josh Chamois had a one-yard scamper for six points.

The Buffaloes pulled to within a point (14-13) on a one-yard run by Hugh Charles and a 54-yard field goal by Crosby. Palmer's 17-yard pass to Boyd with 3:08 remaining in the second quarter gave the Miners some breathing room at the intermission.

Two more field goals by Crosby cut Colorado's deficit to 21-19 late in the third. UTEP responded with a four-play, 80-yard drive, capped off by Palmer's four-yard pass to Johnnie Lee Higgins, Jr. for a 28-19 lead.

However, the Buffaloes wouldn't go away. Joel Klatt's 78-yard pass to Joe Klopfenstein with 14:02 left in the fourth quarter closed the gap to 28-26. Colorado regained the lead for good at 33-28 on a 39-yard pass from Klatt to Evan Judge with 8:43 remaining in the game.

Toledo - Powell 22-yard pass from Gradkowski (Robbins kick)
Toledo - Hopkins 13-yard pass from Gradkowski (Robbins kick)

Game Recap

Bruce Gradkowski threw for 298 yards and five touchdowns, leading Toledo to a 45-13 victory over UTEP in the seventh annual GMAC Bowl in Mobile, Ala.

Gradkowski, the game's MVP, threw for three touchdowns in the first half as Toledo built a 28-13 lead. He out-duelled Miner quarterback Jordan Palmer, who passed for 160 yards in the first half before suffering a high ankle sprain.

Palmer completed 14 of 33 attempts for 163 yards. Orlando Cruz, who finished the game, was three of seven for 29 yards.

Toledo drove 79 yards for a touchdown on its opening possession, as Gradkowski connected with tight end John Allen for a 10-yard score.

The Miners dented the scoreboard with 1:52 remaining in the period on a 34-yard field goal by Reagan Schneider, capping a 71-yard drive.

Toledo extended its lead to 14-3 on a fourth down, 33-yard touchdown pass from Gradkowski to David Washington – his first career reception for a score – with 10:41 remaining in the half.

Thirty-six seconds later David Thomas picked off Palmer for a 37-yard touchdown, and the Miners found themselves trailing 21-3.

UTEP scored 10 straight points to pull to within 21-13. Palmer found Johnnie Lee Higgins, Jr. for an 18-yard score, and Schneider nailed a 23-yard field goal.

But Gradkowski quelled the Miners' momentum by finding Steve Odom for a 31-yard touchdown shortly before the half, leaving UTEP in a 28-13 hole at the intermission.

Odom opened the second half with a 51-yard kickoff return, setting up a 29-yard field goal by Jason Robbins for a 31-13 advantage.

Toledo's Trinity Dawson, who rushed for 124 yards, was named the game's offensive MVP. Mike Alston was appointed defensive MVP after racking up three sacks, and Odom had three kickoff returns for 112 yards to earn special teams MVP.

Don Maynard

Halfback 6-0 175

1955-57

Colorado City, Texas

Before his professional days, Don Maynard was a All-Border Conference halfback and track star. He was a future draft pick of the New York Giants in 1957, but played only the 1958 season with the team before moving to Hamilton in the Canadian Football League in 1959. A year later, he became the first player to sign with the new American Football League's New York Titans, a team that would later change its name to the Jets. The young New York team struggled for several seasons before they attained any level of respect. Maynard often had to improvise as one of his team's constantly rotating crop of quarterbacks scrambled for his life. In 1965 quarterback Joe Namath

arrived on the scene and the resulting chemistry that developed between the two proved to be the perfect mix. While Maynard was a frequent standout for the Jets, he had his biggest day in the 1968 AFL Championship Game that preceded the Jets' stunning upset of Baltimore in Super Bowl III. In New York's 27-23 victory over Oakland, Maynard caught six passes for 118 yards and two touchdowns. His 14-yard grab in the first period gave the Jets the lead and his six-yard catch in the fourth period proved to be the game winner. Although he never led the league in receiving any one season, at the time of his retirement following the 1973 season, Maynard was one of only five players to record

more than 50 receptions and more than 1,000 receiving yards in five different seasons. A four-time AFL All-Star, his 633 career catches for 11,834 yards were both pro records at the time. Maynard played 12 seasons with the Jets (1960-72), establishing club records for touchdowns (88), receptions (627), receiving yards (11,732), single-season receiving yards (1,434), single-season touchdowns (14) and single-game receiving yards (228). Maynard, whose jersey (No. 13) was retired by the New York Jets, was inducted into the Pro Football Hall of Fame in 1987.

Ed Bunn

Punter 6-2 181

1990-91

West Lake Village, Calif.

Ed Bunn was the first Miner to earn consensus All-America honors, when he led the nation in punting in 1992. That season Bunn averaged 47.7 yards per punt after punting 41 times for 1,955 yards. He missed the last two games of the season with an injury, but still captured All-America honors from Walter Camp, Football News and the Associated Press. He became the third Miner to lead the nation in punting, joining Owen Price (1940) and Fred Wendt (1946). Bunn played just two seasons for the Miners, recording the second-highest career punting average in program history (44.5). He also boomed two of the 10 longest punts in school annals – 83 yards versus New Mexico (1991) and 73 yards versus BYU (1992).

Miner Greats

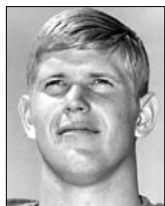

Quarterbacks

Brooks Dawson 1966-68

Still holds the school record for most attempts in one game (65) without an interception. Completed 29 passes against UC-Santa Barbara in 1968 and finished his career (1966-68) with 221 completions for 3,295 yards and 34 touchdowns. Threw six touchdown

passes – including one for 86 yards and one for 83 yards – at New Mexico (1967).

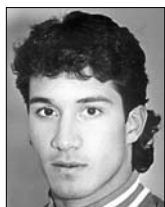

Bill Craigo 1969-71

Owens the school record for most yards passing in one game (507) at Colorado State in 1970. Threw for 3,807 yards during his career (1969-71), including 2,123 in 1970.

John Furman 1958-61

Left-hander who played at Texas Western before the passing game was in style. Still threw for 3,607 yards (1958-61) and 24 TDs. Drafted by the Denver Broncos (AFL) and the Cleveland Browns (NFL) in 1962.

Sammy Garza 1983-86

Was with a run-oriented program before Bob Stull's passing game arrived in 1986 to showcase his talents. Threw for 6,130 yards (1983-86) during his career. Passed for 3,140 yards and 21 touchdowns as a senior.

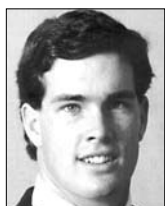

Howard Gasser 1989-90

Another in the long line of rifle-armed QBs to play at UTEP. Played at UTEP two years (1989-90) and completed 273 passes for 3,609 yards and 21 touchdowns.

Pat Hegarty

1987-88

During his two years (1987-88), the Miners put together a 17-7 record, including a 10-3 mark in 1988, best in the school's history. Threw for 4,593 yards – fifth-best in school history. Named to the GTE Academic All-America team, and honored with an NCAA Post Graduate Scholarship.

Ken Heineman

1935-38

He was the school's first All-America selection,

winning the honor in 1937, 1938 and 1939. Became the first player from the school to get drafted. Heineman was a triple threat player, leading the Miners in rushing, passing and punting from 1937-39. He also had nine interceptions in 1939. He still ranks ninth

in career rushing (2,001 yards) and fifth in total offense (4,874 yards).

Rocky Perez 1997-00

He became only the second quarterback in school history to lead his team to a conference championship and a bowl berth, as the Miners claimed a share of the 2000 WAC title and a spot in the Crucial.com Humanitarian Bowl. Perez currently ranks fourth in career passing yards (5,108) and total offense (5,394). Led UTEP to a 14-3 upset of No. 25 BYU in 1997.

John Rayborn 1995,97-98

A shining example of overcoming adversity, Rayborn endured injuries, suspensions and academic problems to become a team leader and model citizen after putting his crazy days behind him. He eventually finished his career as a three-year starter, and his name is etched in the UTEP record books in the top 10 in several passing and offensive categories.

Billy Stevens 1965-67

For over 30 years, he held school records for most passes for a season (432) and career (943), yards passing in a career (6,485) and touchdowns for a career (51). His 92-yard pass to Bob Wallace with no time left against Utah (1965) as a sophomore remains the school's longest completion to this day. Threw for 500 yards in his first college game, an NCAA freshman record.

Jesse Whittenton 1952-55

Considered one of the best all-around athletes ever at UTEP. Rushed for 1,351 yards, passed for 1,381 yards, caught 19 passes, intercepted nine passes, brought back 17 punts for 230 yards and returned 20 kickoffs for 375 yards. He also scored 18 touchdowns and kicked 44 PATs before taking his talents to the Green Bay Packers, where he was an All-Pro defensive back.

Receivers

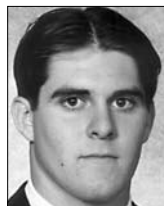

Arnie Adkison 1985-88

Although much of his talents were used as a blocking tight end, this Hobbs, N.M., native caught 86 passes during his career. He had 10 catches for 200 yards against Utah on a rainy afternoon in 1987.

Reggie Barrett 1987-90

Caught 153 passes during his career (1987-90) for 2,558 yards and 19 touchdowns. Best single game was at Hawaii (1988) when he had 177 yards in receptions. Also totaled 165 yards versus BYU in 1990. Had 50 receptions in 1988 and 58 the following year. His 153 career catches rank fourth at the school.

Jimmy Carpenter 1995-98

This sure-handed receiver finished as a two-time second team All-WAC performer. He led the Miners in receiving in both 1997 and 1998, concluding his career with at least one catch in 22 consecutive games and 37 of a possible 45 games in his UTEP career. He finished with 126 catches for 1,836 yards, ranking him in the top 10 in both categories on the all-time Miner charts.

Chris Francies 2002-05

A steady performer, he ended his Miner career by catching a pass in 43 straight games. Ranks sixth in school history in both receptions (128) and yardage (2,022), as well as ninth in touchdown catches (12). Had four 100-yard games as a senior. Signed a free agent contract with the Green Bay Packers in the spring of 2005.

Chuck Hughes 1964-66

One of most prolific overall receivers in school history. Had 80 catches in 1965, 162 in his career and 17 against Arizona State in 1965. His 349 yards against North Texas in 1965 was an NCAA record at the time. His 34.9 yards per reception still stands as an NCAA record. Had 19 career touchdown catches. Returned 12 punts for 272 yards and one score, and brought back 36 kickoffs for another 851 yards. Had six catches for 115 yards and one score in the 1965 Sun Bowl.

Miner Greats

Cedric Johnson 1993-96

One of the most talented all-around offensive threats in Miner history. Johnson totaled 92 career receptions for 1,251 yards and 14 touchdowns, and set school and NCAA records for kickoff returns (116), yards on kickoff returns (2,757) and

single-season kickoff return yards (1,039 in 1995). Set a school record with a 100-yard kickoff return at New Mexico in 1996.

Ron Jones 1967-68

Another tight end who needs to be listed among the all-time UTEP greats. Although his totals aren't as impressive as the wide receivers', his talents did not go unnoticed by the Green Bay Packers. He played in the NFL for a few seasons.

Returned for an alumni game in the mid-1980s and was the best receiver on the field, according to the coaching staff.

Volley Murphy 1967-68

Probably the quickest outside threat in the history of the school. He caught three passes at New Mexico (1967) and turned them into scores. Those four catches totaled 234 yards. While his career reception totals are not listed

among the school leaders, he scored 19 touchdowns during his two years with the program (1967-68), tied for second in school annals.

Lee Mays 1998-01

He left UTEP as the school's all-time receptions leader with 200 career catches. The number also ranked seventh in the WAC and 35th all-time in the NCAA. His 2,908 receiving yards also ranks first at the school, and he ranks sixth all-

time in all-purpose yards with 3,565 yards. Mays' biggest season came as a junior, when he notched 70 receptions for 1,098 yards and an NCAA-best 15 touchdowns. His efforts led UTEP to the 2000 WAC championship and landed Mays honorable mention All-America honors.

Brian Natkin 1997-00

In 2000, Natkin became UTEP's first unanimous All-America selection, landing first team honors on seven squads. He was a semifinalist for the John Mackey Award, given to the nation's top tight end. Natkin closed out his

career with 172 catches for 1,934 yards and 11 touchdowns.

Ed Puishes 1969-71

Inch for inch, pound for pound (5-10, 163), this guy may have been one of the toughest to play here, although he'd probably have great competition from Chuck Hughes who wasn't much larger. Had 1,000 yards in receptions in 1970,

which ranks fourth on the all-time list. Had 12 catches against Trinity on a snowy night in San Antonio (1970). Finished with 138 career catches. Puishes recorded three 170-yard receiving days during his career – Colorado State (198), NMSU (175) and Utah (172).

Bob Wallace 1965-67

While he was a wide receiver at UTEP, and had the speed to play the position well, the Chicago Bears used him as a tight end. At UTEP, he had 123 catches, including 48 in 1965. Was on the receiving end of UTEP's longest pass

play – 92 yards against Utah in 1965 – giving the Miners a thrilling 20-19 win over the Utes on the last play of the game.

Running Backs

Robert Elliott 1974-77

Third-leading career rusher in school history (2,834 yards). Rushed for 1,011 yards in 1977 to become one of only six athletes ever to crack the 1,000-yard mark in a season. Best single game was 202 yards versus BYU in 1977.

Pug Gabrel 1947-50

Rushed for 2,321 yards (1947-50), which ranks sixth in school history. Totaled 881 yards in 1949. Gained 178 yards against Hardin-Simmons (1948). One of nine runners to gain over 2,000 yards during his career, and he did it before

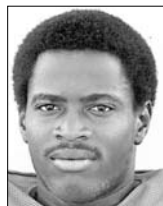

freshmen were eligible. After retirement, Pug returned to the Miner football squad as a volunteer coach for David Lee.

John Harvey 1985-88

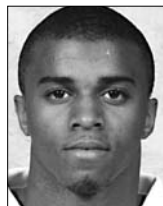

Became the school's record-breaking running back. Holds school marks for most yards in a career (3,576), and his 232 yards at Colorado State in 1985 rates third-best in school history. Excellent receiver with

99 catches for 775 yards and nine scores. All-time scoring leader with 306 points. Played briefly with Tampa Bay.

Ray Holt 1975-78

Rushed for 2,069 yards during his four-year career. Left UTEP as the school's all-time all-purpose yardage leader (4,227) and now rates third. Best rushing performance was 155 yards at Hawaii in 1976.

Howard Jackson 2001-04

Concluded his Miner career as the school's all-time leader with 6,153 all-purpose yards, including 1,947 on kickoff returns. The slight (5-9, 160) but speedy Jackson ran for 3,466 yards at UTEP – second

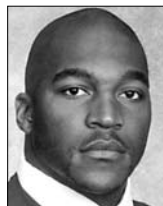

in school annals – despite not seeing much playing time until very late in his freshman year. Two-time first team All-WAC honoree signed an NFL free agent deal with Detroit.

Don Maynard 1954-56

At what position do you list this guy? He caught only 28 passes during his career at UTEP (1955-57), but they averaged 27.6 yards. Yet, he went to the NFL and became one of the greatest receivers ever to put

on a uniform, playing in a Super Bowl with the Jets. He is now a member of the elite NFL Hall of Fame – the only former UTEP player to be so honored. While he caught only 28 passes during his UTEP career, Maynard averaged 5.4 yards each time he carried the ball (154-843) and scored nine rushing TDs, with 10 on receptions. He also returned punts (21-250) and kickoffs (12-275).

Toraino Singleton 1994-95

A local product who broke many of the UTEP rushing records. In two years in a Miner uniform, he recorded 2,635 rushing yards and 19 touchdowns, figures which rank him fourth and tied for sixth, respectively, on the

UTEP records. Holds the UTEP record for rushing attempts in a game with 38.

Paul Smith 1996-99

Elevated himself into an NFL Draft choice (San Francisco 49ers) with a banner senior season. Rushed for 1,258 yards and 12 touchdowns in 1999. El Pasoan had 10 career 100-yard rushing games, including seven as a senior.

A strong, punishing blocker who ended his career with 2,539 yards rushing, fifth in school history. Rushed for over 180 yards three times. He did it twice in 1999 – San Jose State (188), New Mexico State (187) – and once in 1998 at New Mexico State (184).

Miner Greats

1942,46-48

The only player in UTEP history to rush for over 300 yards, burning New Mexico State for 326 in 1948. He still holds the record for most yards (1,546) in a season, a record which has been in the books for over 50 years. His 2,166 yards is

seventh-best on the career charts. Upon graduation he held the NCAA record for single-season rushing yards, single-season scoring (152 points), single-game rushing (326 vs. New Mexico State) and single-game scoring (42 vs. New Mexico State). He still ranks first in single-season scoring and single game scoring. His single-season rushing yards record would stand until 1969, when O.J. Simpson of USC broke the mark. Earned All-America honors in 1947 and 1948.

Offensive Line-men

Kevin Belcher 1980-82

Went high in the NFL draft to the Giants, although he never played on a team that won more games than it lost during his stay at UTEP. His pro career was cut short due to an offseason auto accident.

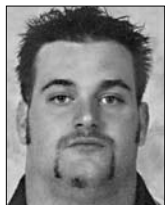

Bill Brown 1965-67

Was a force for the Miners when the three teams he was with fashioned a 21-9-1 record and won two Sun Bowl games, beating TCU in 1965 and Ole Miss in 1967. Turned aside offers to play professionally to become an attorney.

Carey Clayton 1997-00

One of three Clayton brothers to suit up for the Miners. Clayton was a four-year starter for the Miners, making 45 consecutive starts. Clayton was a two-time All-WAC selection and was on the 2000 WAC championship team.

Trey Darilek 2000-03

Would have started every game for UTEP over four years, had he not missed a portion of the 2002 campaign with a torn MCL. Member of the WAC title squad in 2000, when he was a freshman All-American. Chosen by Philadelphia in the fourth round of the 2004 NFL Draft.

Raymond Evans 1942,46-47

Came to the Miners as a promising young halfback in 1942, but after World War II, was moved to tackle. He was one of the key reasons for the post-war success of the Miners.

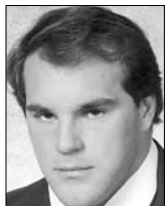

Evans was a two-time All-Border Conference pick (1947-48). He landed first team AP Little All-

America honors in 1948.

Earnest Keily 1946-49

A top-notch pulling guard that was a three-time first team All-Border Conference pick (1947-49), as well as a two-time AP All-American. He led the way for Fred Wendt's NCAA record-setting 1,546 yards rushing in 1948.

Sean Kugler 1985-88

One of the reasons the Miners had such a prolific passing attack during the late 1980s was because of his pass blocking. Also helped the 1988 team post a 10-3 record and play in the Independence Bowl. Offseason accident prevented an NFL career.

Joe MacEsler 1983-86

May be one of the biggest men ever to put on a UTEP uniform (6-7, 307). He also played with the San Diego Chargers.

Darryl Moore 1990-91

Many feel he was one of the best offensive linemen to play at UTEP in recent years. Had the size, quickness and strength needed to play the game. Good pass blocker.

Thurman Randle 1966-67

One of the many reasons the Miners had outstanding teams during the mid-1960s. At 6-6, 266, he was an excellent pass blocker. Played briefly in the NFL with Atlanta.

Rob Sesich 1988-91

Big, intelligent young man who was named to the All-WAC offensive team. Blocked well for both the pass and run. Named to the WAC All-Academic team for four years. Named GTE Academic All-American and was awarded an NCAA Post Graduate Scholarship.

James Spady 1985-88

Four-year starter and two-time All-WAC center, although he wasn't the biggest man on the field at any time. Carried 230 pounds on a 6-2 frame and helped his 1988 team to a 10-3 record, best in the

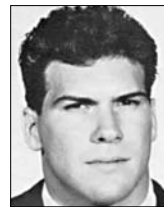

school's history.

Defensive Linemen

Don Croft 1968-71

Developed into an outstanding player during his three years (1969-71). Later picked up his paychecks from the Buffalo Bills of the NFL.

George Daney 1965-67

Although he played on the defensive line at UTEP (1965-67), he was moved to center by the Kansas City Chiefs, where he played for seven years before retiring due to a neck injury. Helped the Chiefs win the Super Bowl in 1970. Came to UTEP when Detroit

dropped its football program. Played in two Sun Bowl games. Daney and Fred Carr are UTEP's only first round draft picks.

Wayne Hansen 1947-49

Played at UTEP for three years in the late 1940s before moving on to the NFL, first with the Bears and later with the Cowboys. Hansen was the center and nose tackle for the Miners from 1947-49, earning All-Border Conference honors

as a senior. Old-time observers still rate him as one of the best in the school's history.

Chris Mineo 2002-05

Was on his way to a block-buster senior year (2005) with eight tackles for losses and six sacks in the first four games, before injuring his ankle and missing most of the remainder of the season. Still deserves a spot among the all-time greats

by ranking second in career sacks (16.5) and ninth in tackles for losses (30.5) at UTEP. Signed a free agent contract with the Washington Redskins in the spring of 2006.

Carlos Scott 1978-81

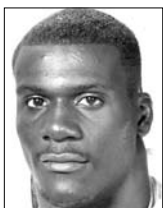

One of the strongest players ever to come out of UTEP, where he was a two-sport letterman. Helped the Miners win track national championships with his shot put and discus skills. Was drafted by St. Louis of the NFL and Arizona of the USFL. Played for a time with the Cardinals.

Joe Terry 1984-87

Quick athlete who played for two different coaching staffs. His last year (1987) produced seven wins, most during his career. Good pass rusher. His hard work paid off, as Terry landed first team All-WAC honors as a senior.

Miner Greats

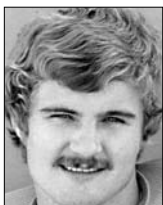

Tony Tolbert 1986-88
Completely lost on the depth chart until Bob Stull arrived and his talents were quickly recognized. By his senior season (1988) he had become a force for the defensive unit. A member of the 1992-93 Super Bowl champion Dallas Cowboys.

Brian Young 1995-99
Chosen the 1999 WAC Defensive Player of the Year, then picked by the St. Louis Rams in the 2000 NFL Draft. Led the Rams to Super Bowl XXXIV in 2001. Had 16 tackles for losses as a senior, tied for fourth in school annals. El

Paso native ended his Miner career with 14.5 sacks and 32 stops for losses, totals which rate fifth respectively in school history.

Linebackers

Hal Barnett 1975-76
He recorded 407 career tackles from 1974-76 from his middle linebacker position. Had 185 tackles in 1975, the second-best seasonal output in school annals. He had 107 solo tackles and another 78 assisted, averaging 16.8 tackles per game. He also had 28 tackles for loss during his career, with 13 coming in 1975.

Fred Carr 1965-67
Would be hard to start this part of the program without this guy, probably the best overall linebacker in the school's history. He was equally tough in the NFL while a member of the Packers. Named All-Pro three times, and the Pro Bowl MVP

in 1975. Carr led the Miners to a pair of Sun Bowl wins in 1965 and 1967. In 1968, he became the highest overall draft pick in school history, when the Green Bay Packers selected him fifth overall in the first round. Carr was inducted into the Green Bay Packer Hall of Fame in 1983.

Micheal Comer 1993-96
Made his collegiate debut as a freshman in 1993 with 15 tackles, 11 of those solos, at North Carolina. By the time he completed his career in 1996, Comer ranked sixth all-time at UTEP with 437 tackles. In 1995, he amassed 152 tack-

les. Comer was a first team All-WAC selection in 1995 and 1996, and second team in 1994. Signed a free agent contract in 1997 with Arizona.

Thomas Howard 2002-05
Quite the success story, he started his Miner career as a 190-pound walk-on defensive back. He metamorphosized into a 240-pound linebacker and was taken by Oakland in the second round of the 2006 NFL Draft – UTEP's highest

selection in 37 years. Chosen the preseason defensive player of the year in the Lone Star State by Dave Campbell's Texas Football magazine heading into his senior year – the first Miner player to be recognized in the 46-year history of the prestigious publication.

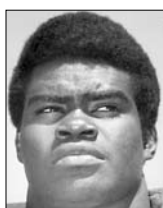

Gene Jackson 1965-66
He is being listed as a linebacker but in those days (1965-66) he probably would have been called a defensive end. Today he'd be listed as an outside linebacker at UTEP. At any rate, he carried his talents to the NFL where he played for

a period with the Browns.

Seth Joyner 1982-85
Another player who should be at the top of the list. Came to UTEP as an undersized walk-on. Hours in the weight room helped him and the team. Had 325 takedowns in his career. Considered to be one of the NFL's top linebackers in the 1990s.

Gene Mack 1968-70
After he left the UTEP program following the 1970 season, he played several years in the Canadian League.

Doug Morgan 1986-89
Another walk-on who made good. Came to UTEP as a defensive back but was moved to linebacker by the Bob Stull staff. Left UTEP as the all-time tackle leader with 523 stops during his career (1986-89), and now ranks second.

Robert Rodriguez 2001-04
One of the more popular players in school history, El Paso native put up monster numbers on the field. Ended his career with a whopping 443 tackles – fifth in school history – and led the WAC in tackles three of his four seasons. Chosen the

WAC Defensive Player of the Year as a senior after logging 121 stops, including 16 for losses. Signed as a free agent with Tennessee in the NFL.

Ken Sale 1988-89
Teamed with Doug Morgan to give the Miners an excellent linebacking corps for two years (1988-89). Good pass defender and intercepted three passes against Dan McGwire and San Diego State in 1989.

Barron Wortham 1990-93
Perhaps one of the best to play at UTEP in many years. Named to various All-America teams as a senior (1993) despite being on a team which won only one game. Established the Miner career record for

tackles (566). Was chosen by the Houston Oilers in the 1994 NFL Draft.

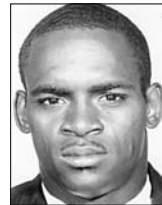

Defensive Backs

Ron Bostwick 1962-65
Played the run very well but he also could sniff out the pass, intercepting seven balls in 1965, the year the Miners beat TCU in the Sun Bowl. Had 13 career interceptions.

Gerald Campbell 1949-51
Played at a time (1949-51) when the passing game hadn't hit its popularity. Still, he made 10 career interceptions, including five in 1950.

Grady Cavness 1966-68
Had 11 career interceptions (1966-68) and played the run extremely well. First team All-WAC selection who played for a time with the Denver Broncos.

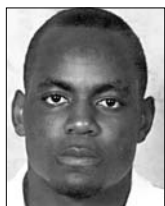

Eddie Forkerway 1976-79
Was never a member of a winning team (1976-79) yet he still managed to intercept 10 career passes, including seven in 1978. He had 111 return yards during his career.

Danny Taylor 1982-85
Had five interceptions in 1985 including two against BYU, the night the Miners upset the defending national champions. Had seven career interceptions.

Miner Greats

D.J. Walker 1999-02
Picked off 16 enemy passes, second in school history, in four seasons with the Miners (1999-02). Credited with 283 tackles during his career. Led the WAC in tackles his senior year with 116. Earned All-Conference recognition for three years and rated sixth in the country in solo stops in 2002.

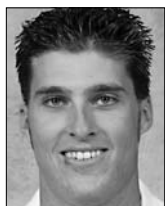

Adrian Ward 2003-04
Junior college transfer made the most of his two years in a Miner uniform, putting up 98 tackles, eight interceptions and 18 pass break-ups. Garnered first team All-WAC honors as a part of UTEP's eight-win squad in 2004, and was selected by Minnesota in the NFL Draft.

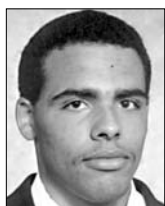

Charlie West 1965-67
Could have played on either side of the ball but the coaching staff (1965-67) used his considerable skills in the secondary, although he often was used in obvious passing situations. Still holds school records for career (19), season (11) and game (four) interceptions. Also returned punts. Taken in the baseball and NFL drafts. Played in the NFL for a dozen years.

Kickers

Bryce Benekos 2001-04
Closed out his career ranked second in school history in punts (254) and punting yardage (10,468). Had a 41.2-yard career punting average, including 44.1 as a junior and senior. Coming off a first team All-WAC senior year, agreed to a free agent deal with the NFL's Green Bay Packers.

Ricky Bishop 1997-00
Born in Germany, Bishop was a soccer player first and took up placekicking in high school. He was a three-time All-WAC performer and a semifinalist for the Lou Groza Award as a sophomore. For his career, Bishop connected on 96 of 103 point-after attempts (.932) and 42 of 58 field goals (.724). He closed out his four-year stay with the school kicking record (222 points).

Ed Bunn 1991-92
First UTEP player ever named to the Walter Camp All-America team (1992). In 1992, he averaged 47.7 yards on his 41 punts to lead all NCAA punters. Won the AT&T Long Distance award for best punting in the nation in 1992. Also was chosen to the All-WAC team.

Hugo Castellanos 1984-87
Left UTEP as the all-time leader in field goals (38 - now ranks second) and ranks second in career field goal percentage, hitting 38 of 51 (.745). He also nailed 11 of 14 (.786) in 1984. Castellanos also converted 75 of 79 career PATs.

Chris Jacke 1984-86,88
Had an All-America season in 1988 when he nailed 25 field goals and 48 PATs. Jacke was near-perfect in 1988, connecting on 48 of 48 point-after attempts and hitting 25 of 27 field goal attempts. He hit four field goals against Colorado

State in 1988, the season he scored 123 points. Finished with 156 points in his career. First kicker taken in the 1989 NFL Draft and was a member of the 1997 Super Bowl champion Green Bay Packers.

Owen Price 1938-41
Another player that was considered the triple threat - rushing, passing and punting. But it was his punting exploits that earned him acclaim. He led the nation in punting in 1940 (48.0) and 1941 (45.3). Against New Mexico State

in 1940, Price rushed for 180 yards and three touchdowns. Price set the NCAA record for passing completions and attempts, when he completed 29 of 55 passes against Loyola-Marymount in 1941. He was Ken Heineman's backup in 1938. Between the two, the Miners earned All-America honors from the quarterback position for five straight years (1937-41).

Jerry Waddles 1966-68
Still ranks as the school's No. 7 PAT scorer, hitting 61 (1966-68). He kicked 30 PATs in 1967 and still holds the record for most PATs in a game (nine).

Scott Wedell 1981-83
Scored 165 points in his career. Kicked 35 field goals at UTEP, the fourth-top total in school history, for teams that won a total of six games. Longest field goal was a 58-yarder at Wyoming (1981), a school record which stood for 21 years. He also nailed a 57-yard field goal against BYU in 1982.

Marshall Young 1992-95
A two-time All-WAC kicker, connecting on 97 of 100 career PATs and 35 of 51 field goals. His 202 points rank third among kickers.

UTEP's Bowl Teams

1936 (5-3-1; Coach Mack Saxon)
Texas College of Mines powered to its first postseason game, a 34-6 Sun Bowl loss to Hardin-Simmons. The Miners, a heavy underdog heading into the matchup with HSU, trailed 13-6 at the half before the Cowboys erupted for 21 unanswered points.

1948 (8-2-1; Coach Jack Curtice)
All-American halfback Fred Wendt put up eye-popping numbers in leading Texas Mines back to the Sun Bowl. Wendt rushed for 1,546 yards on the year and 326 versus New Mexico State - both school records. Texas Mines led the country in rushing offense (378.3 ypg).

1949 (8-2-1; Coach Jack Curtice)
Texas Western opened the 1949 season with six victories and ended it with two wins, including a 33-20 triumph over Georgetown in the Sun Bowl. The Miners were tops in the nation in rushing again (333.2 ypg), as Pug Gabrel ramblod for 881 yards in 10 regular season games.

1953 (8-2; Coach Mike Brumbelow)
The 1953 Miners were a stout defensive unit, yielding 198.6 yards per game to rank seventh nationally in that category. Quarterback Dick Shinaut (720 yards passing) and halfback Clovis Riley (548 rushing) provided the offensive fireworks.

1954 (8-3; Coach Mike Brumbelow)
With Jesse Whittenton at the controls of the offense, Texas Western exploded for 121 points in its final three games of the season - including 47 against Florida State in the Sun Bowl. A triple threat, Whittenton threw for 577 yards, ran for 489 and also kicked extra points.

1956 (9-2; Coach Mike Brumbelow)
The 1956 season brought the Miners' first league title in the now-defunct Border Conference. Texas Western had a rising star in future NFL Hall of Famer Don Maynard, who compiled 387 yards rushing and 275 receiving.

1965 (8-3; Coach Bobby Dobbs)
Texas Western's 8-3 mark included a 20-19 victory at Utah - widely viewed as the greatest game in school history. The Miners scored on the final play of the game, a 92-yard pass from Billy Stevens to Bob Wallace, to eke out the win. Stevens threw for a personal best 3,032 yards in 1965.

1967 (7-2-1; Coach Bobby Dobbs)
Billy Stevens capped a marvelous three-year run as the Miners' starting quarterback - a span which featured 21 victories and two Sun Bowl appearances. The 1967 club was a dominant force, losing two games by a total of three points with an average margin of victory of 27.9 points.

1988 (10-3; Coach Bob Stull)
Still the only team in school history to record 10 wins, the 1988 squad averaged 35.6 points and 420.5 yards of offense per outing. Under the direction of coach Bob Stull - currently the Miners' director of athletics - UTEP reached its first postseason game in 21 years. A thrilling 31-24 victory over Air Force in the Sun Bowl - the Miners' first triumph over the Falcons - catapulted UTEP into the Independence Bowl.

2000 (8-4; Coach Gary Nord)
The Miners captured their first Western Athletic Conference title, finishing 7-1 in league play. A school-record 11 UTEP players claimed All-WAC honors, including tight end Brian Natkin who became the school's first unanimous All-America selection.

2004 (8-4; Coach Mike Price)
UTEP was the nation's biggest surprise team in its first year under coach Mike Price. The Miners, 2-11 in 2003, lost two of their first three games before reeling off seven straight wins and climbing into the national polls. UTEP gave Big 12 North champion Colorado all it could handle in the EV1.net Houston Bowl, leading 28-19 in the fourth quarter before the Buffaloes rallied to score the game's final 14 points.

2005 (8-4; Coach Mike Price)
The Miners made back-to-back bowl appearances for the first time in over 30 years, taking on Mid-American Conference West Division co-champion Toledo in the GMAC Bowl. Behind record-setting signal caller Jordan Palmer, UTEP established school records for total offense (5,073 yards), passing yards (3,607), passing touchdowns (29) and first downs (270).

UTEP Administration

Dr. Diana
NATALICIO

**University President
Saint Louis University '61
35th Year at UTEP**

UTEP President Diana Natalicio says the university's achievements demonstrate that there does not have to be a trade-off between access and excellence.

"We set off on our own path to demonstrate that access and excellence are not only compatible in a setting like UTEP, they are reciprocally beneficial and essential to both our local success and our national reputation," Natalicio says.

"And we achieved this recognition by being true to a mission that has focused on creating top-quality educational opportunities for the residents of the Paso del Norte region."

In fact, Hispanic Outlook in Higher Education magazine recently ranked UTEP among the top three universities in the nation in educating Hispanics, and among the top 10 in awarding undergraduate and graduate degrees to Hispanics.

This success and recognition continues to grow under Natalicio's leadership.

Natalicio first arrived at UTEP as a faculty member in 1971, and was later named chair of the Department of Modern Languages, dean of the College of Liberal Arts and vice president for academic affairs.

She was named the university's first woman president in 1988, and has since embraced the university's mission of providing access and excellence as the driving force behind its achievements.

"We have learned that playing the hand we are dealt, rather than wishing for another set of cards, is the key to our success," she says.

UTEP President Dr. Diana Natalicio with coach Mike Price, who has put the Miner football program on the national map over the last two years.

Through her unwavering passion and dedication, Natalicio has led UTEP through nearly two decades of its most notable growth.

During her distinguished career as president:

- **Enrollment** has grown to nearly 20,000 students, about 90 percent of whom are from this region, and more than 70 percent of them Hispanic
- **Annual budget** has tripled to \$240 million
- **Research expenditures** have grown from less than \$5 million to \$36 million annually, ranking us among the top three academic institutions in the UT System in research spending
- **Doctoral programs** have grown from one to 14, with more in development

Natalicio says the years ahead hold much more success for the university.

"We are creating new trails, rather than walking on well-trodden paths," she says. "To be sure, such trail blazing presents some additional risks, but it is a far more interesting journey, with far greater potential benefits."

Natalicio's role as a leader in higher education goes beyond UTEP, however.

UTEP Administration

She serves on numerous national boards and commissions, including the Rockefeller Foundation Board of Trustees, and the National Science Board (appointment by President Bill Clinton), where she served two six-year terms and three two-year terms as vice chair.

In addition, she serves on the board of governors of the U.S.-Mexico Foundation for Science, the board of trustees of Internet2, the board of directors of the Sandia Corporation, Trinity Industries and the National Action Council for Minorities in Engineering. She has served on the NASA Advisory Committee (NAC), and was appointed by President George H.W. Bush as a member of the Advisory Commission on Educational Excellence for Hispanic Americans.

In recognition of her success in building strong partnerships between UTEP, the El Paso Community College and school districts in the Paso del Norte region, Natalicio received the Harold W. McGraw, Jr. Prize in Education in 1997.

She was inducted into the Texas Women's Hall of Fame in 1999, was honored by the Texas Exes with the Distinguished Alumnus Award at The University of Texas at Austin in 2006 and is the recipient of honorary doctoral degrees from Smith College and the Universidad Autonoma de Nuevo Leon.

A graduate of St. Louis University, Natalicio earned a master's degree in Portuguese and a doctorate in linguistics from the University of Texas at Austin.

UTEP celebrated the 40th anniversary of the 1966 men's basketball team's run to the NCAA title this past year. The team was the subject of a major motion picture, *Glory Road*, and earned a spot on a Wheaties box as well.

UTEP Programs in the National Spotlight

The University of Texas at El Paso has become a national model of excellence in higher education, receiving national and international recognition and support for its academic and research programs.

- **UTEP ranks among the top three** UT System academic institutions in research spending (about \$36 million a year).
- The Texas Legislature recently authorized UTEP to borrow \$76.5 million for **new engineering and physical science facilities**, furthering the research potential at the university by doubling existing outdated labs, accommodating growth and increasing collaborative research in chemistry, physics, biology and engineering.
- **The Biosciences Research Building**, now under construction, will house a Vivarium and a BSL3 Laboratory, enhancing research capabilities in this field and upgrading existing labs, such as the recently created **DNA Sequencing and Analysis Core Facility**.
- **Nanotechnology research**, including upgraded semiconductor clean rooms and wireless communications laboratories, is a new venture at UTEP thanks to a \$1 million gift from the Texas Instruments Foundation.
- **The National Institute of Environmental Health Sciences** this year awarded UTEP \$5 million to study, in partnership with the UNM Health Sciences Center, the relationship between air, soil, and household environments in asthmatic children in El Paso.
- **The W.M. Keck Border Biomedical Manufacturing and Engineering Lab**, established in 2002 with a \$1 million grant from the W.M. Keck Foundation, offers biomedical modeling and tissue engineering, and rapid-prototyping services.
- **UTEP received \$1.9 million federal award to establish a Regional Geospatial Service Center** to provide maps and geographic information system (GIS) databases to assist with emergency planning and response.
- **PACE Partner:** UTEP received a \$169 million in-kind donation of computer-aided engineering software and equipment in spring 2005, joining an elite group of universities under the **Partners for the Advancement of Collaborative Engineering Education** program. PACE members include General Motors, EDS, Sun Microsystems and UGS.
- **Internet2:** UTEP launched a new high-capacity network in spring 2005, opening the door to unprecedented collaboration between numerous universities and research centers across the U.S. and Mexico.
- **The Hispanic Health Disparities Research Center** is an initiative in cooperation with the UT Houston Health Science Center funded through a \$4 million grant from the National Institutes of Health.
- UTEP is one of only 11 universities nationwide to receive a \$5 million **"Teachers for a New Era"** research grant from the Carnegie Corporation of New York. The grant will help UTEP become a national model for teacher education programs.
- **The El Paso Collaborative for Academic Excellence**, a UTEP-based coalition among higher education, public school districts and the community, is committed to increasing the academic achievement of students in this region. The Collaborative is now a national model for such partnerships.
- **The Sam Donaldson Center for Communication Studies**, named after the renowned ABC News journalist and UTEP alumnus, provides academic enrichment programs to print and broadcast journalism students. The **Ruben Salazar Spanish Language Media Program** under the Donaldson Center helps prepare journalism students in bilingual and Spanish-language media fields.
- **The Refinery Science Corporation** based at UTEP has developed a cost-effective method for refining oil using nanotechnology.
- **The Eyewitness Identification Research Laboratory** in the Department of Psychology studies people's memories of a crime and has had its work featured in *The New York Times*.

**Bob
STULL**

**Director of Athletics
Kansas State '68
Ninth Year at UTEP**

UTEP's athletic program has grown by leaps and bounds under the direction of Bob Stull. The Miners' football coach from 1986-88, Stull returned to El Paso in 1998 armed with a strategic plan designed to revitalize UTEP athletics. To say that Stull's strategic plan was comprehensive would be an understatement.

Fulfilling his vision, Stull has taken the Miners to new heights. The football squad is vying for a third straight bowl bid this fall, a feat unprecedented in school history. The men's basketball team has reached the postseason four times in the last six years, earning NCAA Tournament berths in 2004 and 2005. UTEP achieved a rare triple during the 2005-06 athletic year, sweeping men's cross country, indoor and outdoor track and field Conference USA titles. The soccer program set a C-USA record with 20 wins in 2005 and garnered its first NCAA Tournament invitation, winning an opening round game at Texas. The volleyball team enjoyed its winningest campaign since 1989 this past season, racking up 21 victories.

Other highlights from Stull's tenure at UTEP include the football team capturing its first Western Athletic Conference crown in 2000; the women's soccer squad leading the nation in scoring in 2002; and the rifle program registering an eighth-place showing in smallbore at the NCAA Championship in 2005.

Team success, however, doesn't even begin to tell the story of the impact Stull has made at UTEP. Student-athlete graduation rates have soared since his arrival. Existing facilities have been renovated, and sparkling new buildings – once a pipedream – have taken shape. The acquisition of major gifts

- 2006:** Men's Indoor Track and Field, Men's Outdoor Track and Field

has totaled \$20 million over the last three years, an all-time high.

Stull spearheaded UTEP's transition from the Western Athletic Conference – the Miners' home for over 30 years – into Conference USA. As a member of C-USA UTEP has maintained rivalries with state institutions Houston, Rice and SMU, while benefiting from increased regional and national exposure.

Off the playing field, Stull's greatest achievement has been widespread enhancements to UTEP's athletic facilities. The \$11 million, 65,000-square foot Larry K. Durham Sports Center opened in 2002 and features a 10,000-square foot strength and conditioning center; a sports medicine center; a student-athlete lounge and computer center; a football locker room; football coaches' offices; football positional meeting rooms; and a "Hall of Champions" which is utilized for numerous athletic department functions.

In 2005 construction was completed on the state-of-the-art, \$2.2 million Helen of Troy Softball Complex, home to UTEP's newest athletic team.

This summer, Stull announced plans to construct the \$10.5 million, 41,000-square foot Foster and Stevens Basketball Complex. The facility, targeted for completion in 2008, will feature a gymnasium, three practice courts, a strength and conditioning center, a sports medicine center, an academic/film room, men's and women's coaches' offices, locker rooms for coaches and student-athletes, an equipment room, two lounge areas and a Hall of Honor recognizing the rich tradition of Miner basketball.

Renovations have also been performed on all existing facilities. These

renovations include: new artificial turf, new video boards and scoreboards in the Sun Bowl (football); new floor, new video boards and scoreboards, men's and women's player and coaches' locker rooms, training room and coaches' offices in the Don Haskins Center (basketball); men's and women's locker room, lounge, lights and bleachers at Kidd Field (track); scoreboards and locker room in Memorial Gym (volleyball); and a complete new field including irrigation and drainage at University Field (soccer).

Stull pledged to renew El Pasoans' interest in Miner athletics when he returned to the city. His plan to increase attendance at football games included adjusting ticket prices and introducing Miner Town to attract more families to the Sun Bowl. Miner Town was created to enrich the pre-game activity surrounding each football game, with food, games, rides and other entertainment for the entire family.

UTEP set school records for football total home attendance (287,394) and average (47,899) during the 2005 season, while leading Conference USA. The men's basketball team has played before 18 sellout crowds of 12,000 over the last three years.

Under Stull's leadership, a new family of logos was introduced. Fans universally accepted the change, resulting in a 400 percent increase in sales the first year alone.

UTEP's student-athlete graduation rate has risen consistently since Stull took charge. UTEP's 2006 APR (Academic Performance Rate) is 926 with no penalties.

Stull has made the personal development of student-athletes a top priority as well. Over 150 student-athletes participated in community service projects this past year, totaling approximately 450 hours worth of service.

Stull rejoined the UTEP family after a 10-year absence. He came to El Paso from the University of Washington, where he served as associate athletic director for development for two seasons. While at Washington Stull coordinated the development and fund-raising areas for the UW Athletic Department.

Prior to joining the staff at Washington, Stull spent two years as president and CEO of the Boys and Girls Clubs of King County, Wash. The organization consisted of 11 clubs in the Seattle area serving over 20,000 children, with 300 full and part-time employees.

What Stull is best known for is his coaching exploits on the gridiron, especially as a head coach at Massachusetts, UTEP and Missouri.

At Massachusetts Stull went 3-8 in his first year, then improved to 7-4 in 1985, with the nation's second-ranked scoring defense (11.5 points per game).

Stull arrived in El Paso in 1986 and immediately produced dividends. From 1971 to 1985 UTEP football teams went through six head coaches and posted just 26 wins. In just three years with the Miners, Stull's charges won 21 games and saw postseason action for the first time since 1967.

The team was 1-10 the year prior to Stull's arrival, but he was able to forge a 4-8 record in 1986, including conference wins over Colorado State and Utah to end the season.

The next year Stull did what was once thought to be impossible – post a winning season. The 1987 Miners finished 7-4. That season UTEP enjoyed the nation's largest average attendance boost (15,265) to what was then a school-record average of 42,805 fans.

A bowl berth came in 1988, when Stull guided the Miners to a 10-2 regular-season record and a second place finish in the Western Athletic Conference – both school records. UTEP played in the Independence Bowl that year.

Stull took over Missouri's football program in December, 1988. His straightforward, collegiate demeanor resulted in a warm reception at Columbia. Attendance at Faurot Field climbed by an average of 3,000 per game, which was Missouri's first attendance increase in 10 years.

Stull was selected to coach in the 1990 Hula Bowl All-Star Game in Honolulu, Hawaii. He also was selected National Coach of the Week following the Tigers' 30-9 upset of 15th-ranked Arizona State. Probably the most-publicized game of Stull's career was the historic "fifth-down" contest against eventual national champion Colorado.

Stull began his career as the defensive coordinator at Dubuque High School in Dubuque, Iowa. He later started his collegiate coaching career as a graduate assistant at Kansas State, his alma mater.

After Kansas State Stull moved on to Kent State, where he was the offensive line coach and recruiting coordinator from 1971-74.

Next came his long-running association with Washington, as Stull became the Huskies' wide receivers coach under head coach Don James in 1975. After four years of tutoring the wideouts, Stull served as the offensive coordinator and offensive line coach from 1979-84. He was a part of six bowl teams and three Pac-10 championship squads at Washington. The Huskies participated in the Rose Bowl three times (1977, 1980, 1981), and beat Texas, 14-7, in the 1979 Sun Bowl in El Paso.

A native of Davenport, Iowa, Stull holds bachelor's and master's degrees from Kansas State, where he was a three-year letterman and captained the Wildcats in 1967.

Stull and his wife, Kim, have two children – daughter Shannon, a University of Texas graduate, and son Kevin, who recently graduated from Arizona State. Stull is a member of the National Association of College Directors of Athletics.
