

A Message From Coach Price

When I came to UTEP, my objective was to build a perennial top-25 football program that would become the talk of the nation. As I embark on my fourth season with the Miners, I believe that we are well on our way to achieving that goal!

We have played in two bowl games and won 21 games since 2004. Fifteen of our games have been nationally televised. Writers from every major newspaper in the country have come to town to do stories on our team, and an ESPN College GameDay crew visited El Paso as well. The Miners have been nationally ranked in the month of November two of the last three years.

We have had 30 players earn All-Conference honors during my tenure. Johnnie Lee Higgins, Jr. became UTEP's all-time leading receiver, and Jordan Palmer broke all of the school's passing and total offense records. A UTEP player has been chosen on the first day of the NFL Draft each of the last two years.

Most importantly, 60 of our student-athletes have earned degrees since my arrival. My goal is to graduate 100 percent of our players because a degree opens doors down the road!

I am very pleased to announce that our Miner Athlete Academic Center (MAAC) has been expanded from 2,000 square feet to 6,900 square feet in time for the 2007 season. The MAAC is in place to make sure all of our student-athletes reach their full potential academically.

I hope you decide to be a part of a UTEP football program that is on the rise! You will play before over 40,000 enthusiastic fans in the Sun Bowl, which was recently chosen the "Best Stadium in Conference USA" by *The Sporting News*. The local newspapers and TV stations will follow your career on a daily basis. UTEP Football is the only show in town, and you will be a celebrity in the city.

If it's quality of life you're after, you'll certainly enjoy some of the best weather the nation has to offer in El Paso. The sun shines 318 days a year here.

I invite you to read our 2007 media guide. Take a closer look at our school, program and community, and discover why UTEP is the place for you to continue your academic and athletic career!

Warmest Regards,

Mike Price

The University of Texas at El Paso

At the University of Texas at El Paso, the sky is not the limit.

UTEP alumnus and NASA astronaut John "Danny" Olivas is testament to that.

The 1989 mechanical engineering grad made his first flight into space in June 2007, as part of the shuttle mission STS-117 crew, to work on the International Space Station.

In many ways, Olivas embodies UTEP's mission of providing access and excellence in higher education to the region's students.

A major research university at the heart of the U.S.-Mexico border, UTEP is a leader among Hispanic-serving institutions. We're the only doctoral research university in the nation with a student body that is a majority Mexican-American.

We're the No. 1 graduate engineering school for Hispanics in the nation, according to *Hispanic Business* magazine. And we rank among the top four universities in the nation in awarding undergraduate degrees to Hispanics -- and No. 1 in awarding bachelor's in engineering to Hispanics -- as reported by *Hispanic Outlook in Higher Education* magazine.

Our border location in the heart of the Chihuahuan desert allows us to offer vast and unique academic and research opportunities critical to our nation's future. UTEP's growing research portfolio boasts nearly \$46 million in research spending in a variety of areas, including border security, emerging technologies, Hispanic health, environmental and Earth science, borderland arts and humanities, and the education of U.S. Hispanics.

Under the leadership of our top-notch faculty researchers, our students are working on new methods for refining oil using nanotechnology; and creating sustainable water supplies and new desalination technologies. We're laying the foundation to become the leading center of research in immigration and international border studies, and are positioned to be a leader in homeland security and defense research.

We're working with rapid-prototyping technology to create surgical models. We're excavating prehistoric villages for clues about ancient indigenous cultures. We're studying a person's memory of a crime to improve eyewitness identification techniques, and we're using biomechanical engineering to improve footwear design.

And if like Olivas our students dream of traveling the universe, they can start at our aerospace systems center where they're developing methods to help spacecraft fly safer.

UTEP enrolls nearly 20,000 students in 81 bachelor's, more than 70 master's and 14 doctoral degree programs.

With many more programs and degrees in development, we're opening a universe of opportunities for students.

Miner Academic Excellence

*"My goal is to graduate as many players as we can
-- 100 percent is the goal."*

– Head Coach Mike Price

The **MINER ATHLETE ACADEMIC CENTER (MAAC)** was created to provide academic support services to all UTEP student-athletes and is conveniently located in the center of campus. The MAAC is dedicated to promoting the individual and educational goals of each UTEP student-athlete and ensuring compliance with UTEP, Conference USA and NCAA academic eligibility standards. Recognizing that one of student-athletes' greatest challenges is maintaining the balance between academics and athletics, each sport is assigned an athletic academic advisor whose primary responsibilities are to serve as an advisor and mentor for student-athletes; to assist with educational goal setting, degree plans, and course selection; to track academic progress and to calculate and certify NCAA academic eligibility. The MAAC offers a Three-Part Academic Support Program designed to assist student-athletes in developing time management and study skills. The program includes mentoring, one-on-one tutoring, and large areas devoted to focused study time.

In April 2007, UTEP finished a complete renovation to expand the MAAC facility from 2,000 to 6,900 square feet. The new facility includes a computer lab with 50 computers and four laser printers, nine rooms for individual tutoring appointments, a large quiet area for study hall and classrooms for group tutoring sessions, individual team study blocks, and academic and life skills workshops.

The MAAC is open to all student-athletes Monday through Thursday, 7:30 a.m.-9 p.m.; Friday, 7:30 a.m.-5 p.m.; and Sunday, 2-7 p.m.

UTEP Academic Excellence

Our unique programs give students an edge, preparing them to compete in specialized fields. Among them are the Law School Preparation Institute, the Medical Professions Institute and the Ruben Salazar Spanish-Language Media Program.

- The **College of Business Administration** prepares students for careers in accounting, economics and finance, information and decision sciences, and marketing and management. The college offers an online M.B.A and a Ph.D. in international business, and is accredited by AACSB International, a benchmark of excellence awarded to less than 10 percent of the world's business schools.
- The **College of Education** shapes and prepares the community's and nation's teachers, counselors, diagnosticians and school administrators. The college's departments include teacher education, educational leadership and foundations, and educational psychology and special services. The college also offers alternative certification and a variety of outreach and service programs.
- The **College of Engineering** offers six bachelor's degrees, 16 master's-level programs and four doctorate programs, and has been named a Model Institution for Excellence by the National Science Foundation. The college ranks No. 1 in the nation in awarding bachelor's degrees to Hispanics, and has twice been named the No. 1 graduate engineering school for Hispanics.
- The **College of Health Sciences** offers more than a dozen degrees in an assortment of health fields, including clinical laboratory science, health promotion, kinesiology and cooperative pharmacy. Nationwide, the college ranks No. 3 in awarding bachelor's degrees in health sciences fields to Hispanics.
- The **College of Liberal Arts**, the university's largest, provides students with nearly 20 different undergraduate and more than 15 master's degree programs in everything from music theater and psychology to criminal justice and anthropology. The college supports centers in the areas of law and border studies, inter-American and border studies, civic engagement, and law and human behavior.
- The **College of Science** offers degrees in the fields of biology, chemistry, geology, mathematics and physics, including eight master's-level and four doctorate-level programs. The college houses the Border Biomedical Research Center, the Medical Professions Institute and the Minority Access to Research Careers programs, among others.
- The **School of Nursing**, which trains more than 60 percent of El Paso's nurses, offers a bachelor's in nursing and a master's in nursing, with concentrations in family nurse practitioner, nurse clinician, nursing administration, or women's health care nurse practitioner. The school is accredited by the Commission on Collegiate Nursing Education and approved by the State of Texas Board of Nurse Examiners.

The Sun Bowl Home of the Miners

There was something special about Sun Bowl Stadium when it opened on Sept. 21, 1963. On the first play from scrimmage at the then-30,000-seat stadium, Miner running back Larry Durham bolted 54 yards for a touchdown against North Texas State University. The Miners went on to score a 34-7 victory over the Eagles.

The Sun Bowl, home of the UTEP Miners, was the result of efforts by officials of the Sun Carnival, the supporting arm of the Sun Bowl game held each December. Officials realized that a 15,000-seat stadium such as Kidd Field, former home of the Miners and the Sun Bowl Game, needed to be replaced in order to meet the needs of network television officials. Also, as the Miner football team became more successful, additional seats were needed to accommodate the growing number of fans.

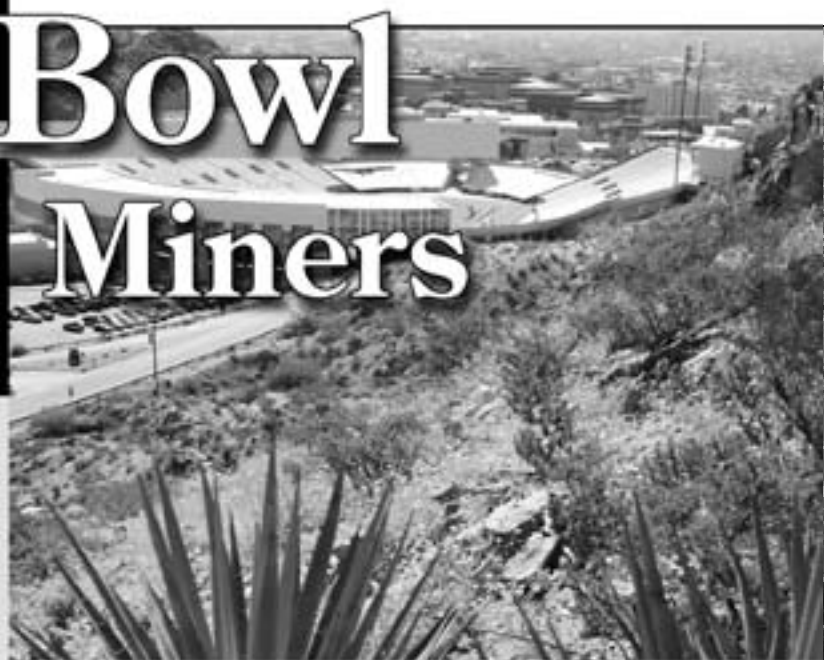

A second deck on the Sun Bowl Stadium press box was added in 1969 and in 1982 extra seating was added. The present seating capacity is 51,500. The 1969 expansion included "The Captain's Club," a facility for special supporters to the university. In 1998 "The Captain's Club" had another facelift, this time with all the seatback chairs being reupholstered.

Recent additions to the stadium have included a state-of-the-art 20-foot by 26-foot video board, three strategically-placed scoreboards and a grass-like artificial surface, AstroPlay. All three components were installed in 2001. In 2006, the press box facade was reconstructed to match the Bhutanese architecture of the UTEP campus.

Since 1968 the Brut Sun Bowl game has had a working agreement with CBS television, and the CBS radio network has been broadcasting the contest worldwide on the Armed Forces Network. Last year's Sun Bowl saw Oregon State top Missouri, 39-38.

UTEP set a school record for attendance in 2005, averaging 47,899 fans per game. The mark broke the previous record set in 2000, when UTEP averaged 44,715 fans per contest. The Miners were 5-0 at home in 2000, and were also undefeated (6-0) in the Sun Bowl in 1988. UTEP is 13-5 at home the last three seasons under coach Mike Price.

UTEP has played 249 games in the Sun Bowl, and holds a 105-141-3 record in those contests.

Gameday in El Paso

Electric crowds of over 40,000 greet the Miners in the picturesque Sun Bowl, which was rated the "Best Stadium in Conference USA" in *The Sporting News*' 2007 College Football Preview magazine.

The roar of the fans caroms off the neighboring Franklin Mountains, making the Sun Bowl one of the loudest stadiums in the country – and one of the most intimidating for visiting teams.

UTEP fans begin tailgating around the stadium several hours prior to kickoff. They are in their seats in time to witness their team's one-of-a-kind entrance into the Sun Bowl. The Miners blast out of the "Mine Shaft" in a cloud of smoke, with head coach Mike Price leading the team – pick-axe in hand – through the thousands of screaming fans.

UTEP has been a dominant force in the Sun Bowl since coach Price's arrival in 2004, posting an average margin of victory of 20 points per game in the stadium.

UTEP in the Community

The UTEP Department of Intercollegiate Athletics is operated in harmony with the university's stated mission and is committed to the intellectual, cultural, physical and social development of student-athletes. In particular, the intercollegiate athletics program serves as an educational opportunity for student-athletes and as a focal point to bring the student body, faculty and community together.

Fulfillment of Life Goals

In the process of achieving this mission, UTEP, in conjunction with the NCAA, has developed the Miner S.U.C.C.E.S.S. LIFE SKILLS program. The Miner S.U.C.C.E.S.S. LIFE SKILLS program supports efforts of every student-athlete toward intellectual development and graduation, uses athletics as preparation for success in life, meets the changing needs of student-athletes, promotes respect for diversity among student-athletes, enhances interpersonal relationships in the lives of student-athletes, assists student-athletes in building positive self-esteem, enables student-athletes to make meaningful contributions to their communities, promotes ownership by the student-athletes of their academic, athletic, personal and social responsibilities, enhances partnerships between the NCAA, member institutions and their communities for the purpose of education, and encourages the development of leadership skills.

The above goals are achieved through the five components of the Life Skills/CHAMPS program. These include:

Commitment to Academic Excellence

In coordination with the Miner Athlete Academic Center (MAAC), the UTEP athletic department is committed to providing the necessary tools for student-athletes to succeed in the classroom. The MAAC provides academic advising, one-on-one tutoring, regular mentor meetings and structured study hall. Emphasis is placed on the academic success of UTEP student-athletes by the coaches and the administration. Continuous recognition throughout the year of academically successful individual student-athletes and teams is part of the mission of the Miner S.U.C.C.E.S.S. LIFE SKILLS program. Student-athletes are nominated and receive numerous national, conference and university academic awards including, but not limited to: Verizon Academic All-American, C-USA Commissioner's Honor Roll, Athletic Directors' List, Athletic Directors' Team GPA Award, C-USA Scholar Athlete Award, and UTEP Top Ten Senior.

In addition to recognition, the athletic department strives to implement programs and participate in programs designed to recognize the academic success of our student-athletes, as well as thank those individuals and campus entities that assist in the success of our student-athletes. These programs include: Graduation Breakfast, Letter Award Blanket Recognition, Deans' Luncheon, Student-Athlete Faculty Appreciation Night, Football and basketball halftime recognition, Faculty Coach Program, and Commencement and Convocation.

Commitment to Athletic Excellence

The goal is to build philosophical foundations for the development of athletic programs that are broad-based, equitable and dedicated to the well-being of the student-athletes and the team as a whole. The department is continuously striving to provide all the necessary tools for all sports programs to have athletic success. There are several programs designed to assist individual student-athletes and teams in achieving the highest level of success such as:

- UTEP Sports Medicine/Athletic Training Program – An elite educational athletic training program designed to proactively keep UTEP student-athletes healthy and on the field practicing and competing.
- Larry K. Durham Sports Center - The 65,000-square foot building features a 11,420-square foot strength and conditioning center, a student-athlete lounge/computer center, a football locker room, first-class coaches' offices, a separate kinesiology laboratory, a multi-purpose meeting center, a "Hall of Champions" recognizing building and campaign donors, and the display of memorabilia illustrating the tremendous tradition of UTEP athletics' past and current accomplishments.

Commitment to Personal Development

The athletic department and the university seek to provide student-athletes with the coping skills necessary to deal with a variety of life's challenges; to support the development of a well-balanced lifestyle for student-athletes; and to encourage emotional well-being, personal growth and decision-making skills. These goals are addressed through Student-Athlete Orientation, the Student-Athlete Handbook, the Student-Athlete Advisory Committee, Drug/Alcohol and other Educational Programs, and the NCAA Speaker's Grant.

Commitment to Service

An important part of college life is selfless service to the university community and the community at large. This commitment provides student-athletes with an opportunity to begin a lifelong habit of volunteerism. Every UTEP student-athlete has numerous opportunities to participate in community service provided by the Department of Intercollegiate Athletics and other campus and community organizations. Each year over 500 appearances are made throughout the community by UTEP student-athletes.

Commitment to Career Development

This component is dedicated to helping student-athletes identify career goals, develop interviewing skills, write resumes and coordinate a successful job search. In coordination with the UTEP Career Center, UTEP student-athletes have several opportunities to enhance their marketability for life after college:

- Career Services - The career center provides students with assistance in career planning and advising and employment counseling, in addition to hosting on-campus workshops, career fairs and company interviews.
- Career Workshops – In coordination with the UTEP Career Center, student-athletes are offered resume-writing and interviewing workshops specialized for student-athletes.

For More Information . . .

In order to achieve success in the SUCCESS Life Skills Program, several campus and community organizations and resources are utilized by athletics. This program takes a comprehensive effort from everyone involved with UTEP student-athletes. To find out more information about the program, please contact Lisa Campos at (915) 747-5347.

UTEP in the National Spotlight

The arrival of head coach Mike Price in 2004 put the UTEP football program on the national map.

Writers from every major newspaper in the country – including the *Arizona Republic*, *Dallas Morning News*, *Denver Post*, *Los Angeles Times*, *New York Daily News* and *USA Today* – have all paid visits to the UTEP campus over the last three years.

An ESPN Game Day crew came to El Paso in 2004. The Miners also received a separate visit from ESPN analyst Kirk Herbstreit at their two-a-day camp in Socorro, N.M., that year.

ESPN returned to the Sun City in April, 2007 to spotlight the Miners and the revolutionary "helmet cam" that they utilized in spring drills.

UTEP has appeared on national television 15 times over the last three seasons, with a minimum of three games to be carried across the country this fall.

The Miners earned national top-25 rankings in the month of November in 2004 and 2005. In 2004, UTEP made an appearance in the Bowl Championship Series (BCS) rankings for the first time in school history.

Speed, Strength & Conditioning

The UTEP strength and conditioning program has taken on a whole new look since the opening of the Vandenburg Strength and Conditioning Center. This glass-walled structure is located atop the new Larry K. Durham Center and the view is incredible, overlooking the Sun Bowl and the Franklin Mountains to the west.

Student-athletes have access to 10,000 square feet of training space. The new weight room contains a full range of state-of-the-art equipment such as power lift multi-racks, hammer strength plate-loaded machines and related conditioning apparatus which make the facility a premier setting for intense training. Because of its size and amenities the strength and conditioning center rivals any in Division I athletics.

Included in the new weight room are:

- 22 Power Lift multi-rack power stations
- Sixty-six Olympic and power barbells
- Over 17,000 lbs. of free weight
- 22 Hammer Strength machines
- Uesaka multi-level plyometric boxes and Dyna-max medicine balls
- Various other Body Master and Power Lift equipment
- A cardio area and nutritional center

NCAA COMPLIANCE

► Guide To The NCAA Rules For Alumni, Faculty And Friends

"Institutional control" of athletics is a fundamental requirement of NCAA legislation. As such, the University of Texas at El Paso is responsible for ensuring that members of the faculty and staff, coaches, student-athletes, alumni, donors, boosters and friends of the institution comply with all applicable NCAA rules. The information below is intended to provide a basic overview of NCAA rules governing UTEP alumni, faculty and friends. Because of the complexity of the rules, the following does not include all applicable situations and should not be relied upon exclusively. UTEP appreciates your interest and support but reminds you that an inappropriate contact or an inadvertent action on your part can jeopardize the eligibility of a prospective or enrolled student-athlete and the university. If you have specific questions, please contact the Athletics Department's Compliance Office at (915) 747-8607.

You Are Considered A "Representative Of UTEP's Athletics Interests" (i.e., a booster) If You:

- Have ever made any type of financial or in-kind contribution to the athletics department, to a specific sport program, or to an athletics booster organization, including purchasing season tickets to athletics events.
- Are or have been a member of any organization or agency promoting UTEP athletics.
- Have ever helped to arrange or have provided employment for an enrolled student-athlete, a prospective student-athlete, or their parents or relatives.
- Have ever assisted in any manner in the recruitment of prospective student-athletes.
- Have ever provided benefits to enrolled student-athletes or their families.
- Have otherwise promoted the institution's athletics program in any manner.

Boosters Are Prohibited From:

- Contacting a prospect in person on or off our campus.
- Writing or telephoning a prospect or a member of the prospect's family.
- Making arrangements for a prospect or the prospect's relatives or friends to receive money or financial aid of any kind.
- Providing transportation for a prospect or the prospect's relatives or friends to visit our campus.
- Providing free tickets or tickets at a reduced cost for prospects or the prospect's relatives or friends to attend an athletic event.
- Entertaining high school, preparatory school or community college coaches.

Once you become a booster, you retain that status FOREVER!

A prospective student-athlete (a prospect) is any person who has begun classes for the ninth grade. A prospective student-athlete remains a prospect even after he or she has signed a National Letter of Intent or accepts an offer of financial aid to attend UTEP. The prospect remains a prospect until they report for the first day of classes for a regular term (fall or spring), they participate in a regular squad practice or competition, or they officially register and enroll and attend classes during the summer prior to initial enrollment and receive institutional athletics aid.

Rules Governing Contacts With And Benefits For Student-Athletes

NCAA legislation expressly prohibits University supporters from providing "extra benefits" to enrolled student-athletes or their families. An extra benefit is any special arrangement to provide a student-athlete or his/her family a benefit not authorized by NCAA legislation. In general, boosters may not provide anything or make special arrangements for student-athletes or their families that are not available to the general student population.

Examples Of Prohibited "Extra Benefits" Include, But Are Not Limited To:

- Providing cash or loans in any amount.
- Signing or co-signing for a loan or guarantee of bond.
- Use of an automobile or other personal property (e.g., boats, summer homes, stereos).
- Gifts of any kind, including birthday cards, flowers, holiday gifts and gifts of clothing or equipment.
- Any tangible items, including merchandise.
- Free or reduced-cost services, rentals, or purchases (e.g., car repairs, legal services, haircuts, meals at local restaurants).
- Purchasing complimentary admissions from a student-athlete.
- Providing an honorarium to a student-athlete for a speaking engagement.
- Providing typing services or other costs associated with school projects or reports.

Boosters MAY provide enrolled student-athletes with an occasional home meal, provided the meal takes place at the booster's home and NOT at a local restaurant establishment. The meal may be catered and must be limited to infrequent or special occasions. The Compliance Office must approve all such meals.

Compliance with NCAA rules is of the highest priority for our athletics program and institution. Even the best-intentioned action on your part may be a violation of NCAA rules. Please **remember to ASK before you ACT.**

Boosters Are Permitted To:

- Notify our coaches about prospects that may be strong additions to our teams.
- Attend high school or two-year college athletic contests or other events where prospects compete, however, boosters may not contact the prospect or the prospect's relatives.
- Continue existing friendships with families of prospects, but boosters may not attempt to recruit the prospect.
- Employ a prospect after they have graduated from high school or a two-year college.

OUTLOOK

2007 OUTLOOK

After opening the last two seasons to great expectations, UTEP enters 2007 as a mystery team.

When the Miners launch their 90th season of football at home against New Mexico on Sept. 1, they will not only have a new quarterback under center, but a quarterback who will be making his first collegiate start as well.

Gone are record-setting signal-caller **Jordan Palmer** and wide receiver **Johnnie Lee Higgins, Jr.**, along with 25 other seniors who were largely responsible for UTEP winning 21 games over the last three years.

Fresh faces will be prevalent on both sides of the ball in 2007. The defense, in particular, will be overhauled with only three starters coming back.

The Miners' offensive line returns virtually intact, and UTEP has a talented nucleus of returning skill players including tight ends **Jamar Hunt** and **Jake Sears**, wide receiver **Joe West** and running backs **Donald Buckram**, **Marcus Thomas** and **Jason Williams**.

The defense is expected to receive a major boost from the return of linebacker **Jeremy Jones**, who missed most of the 2006 season with a broken leg. Jones was a second team All-Conference USA selection in 2005, when he led the Miners with 130 tackles and 14.5 tackles for losses. UTEP also has one of the nation's top free safeties in **Quintin Demps**.

UTEP finished 5-7 last season. If the Miners are to contend for their third bowl bid in four years this fall, they will need to upgrade their ground game. UTEP ranked 116th out of 119 Division I-A schools last season, averaging 57.6 yards rushing per game.

Defensively, UTEP would like to do a better job of pressuring the quarterback. The Miners' sack totals have dropped from 42 in 2004 to 29 in 2005 and 22 last year.

The Miners also need to re-establish their dominance in the Sun Bowl. After posting a 10-2 record in the venue during **Mike Price's** first two seasons as head coach, UTEP was 3-3 in the stadium a year ago.

UTEP will face a demanding 2007 slate that features seven bowl teams. Five of those teams -- New Mexico, Tulsa, East Carolina, Houston and Southern Miss -- will be visiting El Paso.

The Miners answered a lot of questions in spring ball, showing off a much-improved offensive line and, as a result, an improved rushing attack. UTEP also appeared to be solid defensively despite ushering in a host of new players. One mystery that wasn't resolved was who won the team's five-man quarterback derby. That battle will resume in August two-a-day drills.

► Running Backs

Price is excited about UTEP's depth at the running back position. Four players -- senior Thomas, junior **Terrell Jackson** and sophomores **Donald Buckram** and **Williams** -- will challenge for playing time in the backfield.

Thomas has run for 1,304 yards the last two seasons and is the projected starter. The former *Parade* prep All-American led the Miners with 513 yards rushing in 2006, averaging 3.3 yards per carry. With improved offensive line play, Thomas can return to his sophomore form of 2005, when he set a school record by rushing for 100+ yards in four consecutive games. His season-high for rushing in 2006 was 81 yards versus New Mexico State. Thomas was second on the team in receptions with 39 last season.

Originally a candidate for redshirt, Buckram appeared in seven games as a true freshman last season. The lightning-fast Copperas Cove native rushed 21 times for 76 yards. He also averaged 18.2 yards on 12 catches, including an 80-yard touchdown at UAB.

A power back, Williams appeared in all 12 games as a true freshman. He compiled 85 yards on 29 carries.

A University of Oregon transfer, Jackson will have two years of eligibility with the Miners. He was regarded as one of the nation's top recruits at Centennial High School in Moreno Valley, Calif. Jackson ran for 2,664 yards as a prep senior, scoring 43 touchdowns, to earn *PrepStar* and *SuperPrep* All-American honors.

Quintin Demps

► Quarterbacks

Palmer leaves UTEP having set school records for passing attempts (1,427), completions (851), yardage (11,084) and touchdowns (88). The Miners' three returning quarterbacks -- **Lorne Sam**, **James Thomas II** and **Kyle Wright** -- combined to throw only seven passes last season.

Sam and Thomas are fast and shifty, option-style quarterbacks. Wright, sophomore **Brandis Dew** and freshman **Trevor Vittatoe** are more prototypical drop-back signal-callers. Depending on who is in the game, the UTEP offense could present opponents with a myriad of different looks in 2007.

Despite seeing limited action last season, Sam played an integral role for the Miners. UTEP was 4-2 when he went down with a knee injury at midseason; the Miners went 1-3 in his absence and never recovered. Sam had only six pass attempts, but rushed 16 times for 103 yards. He led UTEP with a 5.7 yards per carry average.

Will Sam see action at quarterback, wide receiver or a little of both in 2007? He caught 12 passes for 172 yards a year ago.

Wright has impressed the coaching staff with his moxie and quick mastery of the playbook. The former walk-on played in two games last season.

Thomas was pulled out of redshirt to give the Miner offense some added spice after Sam got hurt. He rushed 10 times for 22 yards, had one reception for 10 yards and was incomplete on his only two pass attempts in 2006.

Dew is hoping to rebound from a shoulder injury and revert to the form that made him a *PrepStar* All-American at Hemet (Calif.) High School. Dew threw for 2,909 yards and 42 touchdowns as a prep senior.

Vittatoe passed for 1,999 yards and 20 scores as a senior at Trinity High School in Bedford, Texas. He possesses a rifle arm and proved to be a quick study of the Miner offense during his redshirt year.

► Wide Receivers/Tight Ends

The loss of Higgins is significant. He ended his career as UTEP's all-time leading receiver with 3,218 yards, and was second nationally in receiving last season. UTEP also lost **Daniel Robinson**, who reeled in 37 catches for 606 yards a year ago. But Price believes the Miners will be in good shape in this area in 2007.

A big reason for his optimism is the introduction of a talented group of redshirt freshmen -- **Kris Adams**, **Evan Davis**, **Pierce Hunter** and **Brandon Jordan**. Hunter is 6-5, Adams is 6-3, Jordan is 6-2 and Davis is 6-1.

Senior **Joe West** headlines the list of returnees. He could be primed for a breakthrough year after totaling 27 receptions for 496 yards in 2006. West has finished strong each of the last two seasons. In 2005, he had 14 receptions for 206 yards over the final six games. In 2006, he posted 12 catches for 245 yards during a three-game stretch in November.

Also back are sophomores **Jeff Moturi** and **Tuffick Shadrawy**. Both possess big play capability. Junior **Chris Day** will also be in the mix for playing time.

Adams was rated a top-100 player in the Dallas/Fort Worth Metroplex as a senior at Everman High School. Davis compiled 1,143 yards receiving as a senior at Oceanside High School in Los Angeles. Hunter earned All-League and All-County honors at Bonita Vista High School in National City, Calif. in 2005. Jordan was regarded as a top-300 player in the Lone Star State at Hightower High School in Missouri City.

UTEP fans are excited about the arrival of **Fred Rouse**. The Florida State transfer will have three years of eligibility with the Miners. The 6-3, 195-pound Rouse left Lincoln High School in Tallahassee, Fla., listed as the top wide receiver in the country by most publications.

The Miners return their top two tight ends from last season, senior Sears and junior Hunt. Sears had 17 catches for 173 yards in 2006, while Hunt snagged 21 balls for 218 yards. Backing them up will be redshirt freshman **Jonny Moore**, a Texas Top-300 player as a senior at John Marshall High School in San Antonio.

► **Offensive Line**

Big improvement is needed from a line that was extremely young in 2006. UTEP did not have a player rush for 100 yards in a game last season for the first time since 1992.

Not only did the O-line make dramatic strides during the spring, it did so with three of last year's starters out due to injury -- left guard **Cameron Raschke**, right guard **James Riley** and right tackle **Tyler Ribitzki**.

Anchoring the line once again will be center **Robby Felix**, one of the nation's best at his position. He was an honorable mention Freshman All-American by *The Sporting News* in 2005, and a third team All-Conference USA selection a year ago. Redshirt freshman **Tanner Cullumber**, an All-State pick at Hamilton High School in Chandler, Ariz., will be Felix's primary backup.

Sophomore **Mike Aguayo** and redshirt freshman **Alex Solot** will man the left tackle slot. Aguayo gained valuable experience as a rookie, starting the last four games. The massive 6-8, 320-pound Solot was listed as one of the top offensive linemen in the West by *PrepStar* while at Rincon High School in Tucson, Ariz.

With Raschke sidelined while recovering from ACL surgery in October, sophomore **Anthony McNac** and freshman **Troy Henckel** received the bulk of the reps at left guard in the spring. McNac started the last four games of the 2006 season. Henckel played his prep ball at Franklin High School in El Paso.

Riley is the veteran of the Miner offensive line, having started 23 games in his career. He missed spring ball after undergoing ankle surgery in November. Sophomore **Colby Meek**, who filled a reserve role for much of 2006, will push Riley to start. Freshman **Rod Huntley** will also be in the mix at right guard. He was rated one of the top offensive linemen in the Midlands region by *PrepStar* as a senior at Sam Houston High School in Arlington, Texas.

Senior **Oniel Cousins** will push Ribitzki for the starting nod at right tackle. Cousins made eight starts at left tackle in 2006. Ribitzki, who started 11 games at right tackle a year ago, was out for spring ball as a result of knee surgery in November. Adding support will be sophomore **Ty Stout**, who is also coming back from a knee injury that sidelined him for all of 2006.

► **Linebackers**

Jones will provide veteran leadership and big-play capability to a new-look UTEP defense in 2007. He recorded 24 tackles in the first two games last season before breaking his leg in practice. He missed spring ball while continuing his rehab, but is pencilled in as the starting WILL linebacker this fall.

Jones' backups -- senior **Torrey Huckaby** and sophomore **Aaron Sims** -- are inexperienced. Huckaby was credited with 97 tackles as a member of Glendale (Ariz.) Community College's national championship team in 2005. Sims played in 11 games as a reserve last year, tallying three tackles.

Adam Vincent, the starter at MIKE linebacker, comes to UTEP after playing in 11 games for Arizona State two years ago. He practiced with the Miners in 2006 while sitting out the season per NCAA transfer rules. A highly-decorated recruit out of Hamilton High School in Chandler, Ariz., Vincent registered seven tackles versus Rutgers in the 2005 Insight Bowl.

Sophomore **Brian Wilkins** and junior **Nuuese Punimata** are listed behind Vincent in the preseason depth chart. Wilkins produced 15 tackles and an interception while coming off the bench for all 12 games last season. Punimata was a first team All-Conference honoree last season at Mount San Antonio College in Walnut, Calif.

Punimata is atop the two-deep at SAM linebacker. Adding support will be senior **T.J. Monroe**, who appeared in five games as a reserve in 2006.

► **Defensive Line**

UTEP's rebuilt defensive line will feature four new starters. Of the 11 players listed in the pre-spring depth chart, only five appeared in games last season. Junior **James Olekan** leads all returning defensive linemen with 13 tackles a year ago.

Olekan is the projected starter at left tackle. Newcomers **Charles Ofili** and **Elijah Goldtrap** will back him up. UTEP's biggest lineman at 6-3, 295 pounds, Ofili is a transfer from New Mexico Military Institute. He anchored an NMMI defense that allowed only four teams to rush for over 100 yards in 2006. Goldtrap has been moved from tight end to defensive line. He did play some defensive end in high school.

The right tackle spot is occupied by returnees **Chris Moore** and **Steve Riddick**, and junior college import **LaBoy Leomiti**. Moore played in 10 games last season, totaling four tackles, and Riddick had five stops in 11 contests. Leomiti led all defensive linemen at Fullerton (Calif.) College with 28 tackles.

Sophomores **Dane O'Neill** and **Landon Goodwell** are listed at left end. Both saw limited action a year ago, with Goodwell appearing in 12 games and O'Neill five.

Right end will be filled by three newcomers -- redshirt freshmen **Will Osolinsky** and **Robert Soleyjacks**, and junior college transfer **Jason Boyce**. Osolinsky earned first team All-State honors at North Canyon High School in Phoenix, Ariz. Soleyjacks was a four-time All-District 7-2A player at Highland Park High School in Amarillo, Texas. Boyce garnered first team All-Conference recognition in 2006 after picking up 17 quarterback pressures, eight sacks, three forced fumbles and five pass break-ups at Mount San Jacinto Community College in San Jacinto, Calif.

► **Defensive Backs**

Price thinks the Miners have the makings of a fine secondary. Two starters return -- Demps and senior right cornerback **Josh Ferguson**.

A starter in 35 games during his Miner career, Demps is entrenched at free safety. He had 67 tackles last season, the top total among 2007 returnees. Demps' 12 career interceptions put him seven behind **Charlie West**, UTEP's all-time leader. Demps will be flanked by junior **Rod-dray Walker** and freshman **Anthony Morrow**. Walker is coming off a 45-tackle season at New Mexico Military

Institute a year ago. Morrow played running back, safety and outside linebacker as a senior at Fallbrook (Calif.) Union High School. He enters fall two-a-day drills listed as a backup at both safety spots.

Sophomore **Braxton Amy** returns to safety, his natural position, after starting five games at WILL linebacker last season. Amy was highly productive in his initial year in a Miner uniform. One of the team's best tacklers, he put up 41 stops in five starts -- including 15 versus Rice. He missed spring drills after undergoing shoulder surgery in December. Sophomore **Da'Mon Cromartie-Smith** will battle Amy for the starting nod at strong safety. He racked up 21 tackles in 12 games last season.

Ferguson will start at right corner after tallying 58 tackles and two interceptions last year. **Melvin Stephenson II**, who appeared in 11 games as a true freshman, will spell Ferguson.

Senior **Tim McCullough** and sophomore **Cornelius Brown** are listed 1-2 at left corner. McCullough, who played in 12 games in 2005, is expected to benefit from a redshirt year in 2006. Brown had a solid freshman season, playing in 12 games and leading the team with three fumble recoveries.

► **Special Teams**

UTEP has some rebuilding to do on special teams, considering that punter **Ryan Hotchkiss**, long snapper **Aaron King** and kicker **Reagan Schneider** have all moved on.

Jose Martinez, who is expected to handle kickoffs and field goals this fall, was out for the spring due to ACL surgery in February. He made 13-of-16 field goals at Bakersfield (Calif.) College in 2005.

Redshirt freshman **Kyle Petersen** is the first-string punter. He averaged 34.3 yards per boot as a senior at South Hills High School in Alta Loma, Calif. His primary backup will be sophomore **Greg Hiett**. He was a second team All-District player as a senior at William Howard Taft High School in San Antonio.

Possible kickoff return candidates include Buckram, Demps and Ferguson. Punt return possibilities are Demps, Ferguson and Rouse. Demps averaged 23.9 yards on kickoff returns last season with a touchdown, and Ferguson compiled a 20.0-yard average.

The UTEP football program has enjoyed a resurgence under head coach Mike Price. The Miners have won 21 games over the last three years after posting three consecutive two-win seasons from 2001-03. The 21 victories ties the second-most in a three-year span in school history.

The 2006 Miners were fifth in the nation in passing offense (312.8 ypg), 18th in passing efficiency (149.25), 38th in scoring offense (27.3 ppg) and 39th in total offense (370.4 ypg). Leading the aerial assault were Jordan Palmer and Johnnie Lee Higgins, Jr., who concluded their careers as UTEP's all-time leading passer and receiver respectively.

Palmer ended his senior year rated sixth in the country in total offense (292.4 ypg) and 15th in passing efficiency (149.60). He compiled 88 touchdown passes and 11,084 yards passing during his Miner career, figures that place him 13th and 19th respectively on the all-time NCAA lists. Palmer joined Higgins in the 2007 Under Armour Senior Bowl, where he was the leading passer for the South team.

Higgins became UTEP's first All-American in six years a year ago, earning distinction by both the American Football Coaches Association (AFCA) and the *Associated Press*. He was second nationally in receiving yards (109.9 avg.) and third in all-purpose yards (156.1 avg.). Higgins is tied for 20th on the all-time NCAA list for touchdown catches (32). He was chosen the 2006 Conference USA Special Teams Player of the Year after leading the circuit in punt returns (23.4 avg.).

With the electric Higgins leading the way, UTEP was second in the country in punt returns (20.0 avg.) in 2006.

UTEP led Conference USA by having five first team all-league selections in both the media and coaches' voting. The media honorees were Higgins (as a wide receiver and punt returner), linebacker Troy Collavo, safety Quintin Demps and placekicker Reagan Schneider. The coaches' picks were Collavo, Demps, Higgins, Schneider and long snapper Aaron King.

In the first two seasons under Price, the Miners racked up 16 wins and appeared in back-to-back bowl games for the first time in 50 years, while earning rankings in both top-25 polls during the month of November.

The 2005 Miners rated ninth nationally in passing offense (300.6 ypg), 31st in total offense (422.8 ypg), and 33rd in passing efficiency (136.82) and scoring offense (31.8 ppg). In its first year as a member of Conference USA, UTEP led the league in passing offense and ranked second in scoring offense.

Ten Miners earned all-conference accolades in both 2004 and 2005. In 2004, linebacker Robert Rodriguez was chosen the Western Athletic Conference Defensive Player of the Year.

Highlights from the 2005 season included UTEP setting a school record for consecutive home wins with nine. The Miners shattered school records for total home attendance (287,394) and average home attendance (47,899).

UTEP has posted 13 victories in the Sun Bowl under Price, while averaging over 40,000 fans three years in a row. Capacity crowds of 51,500 witnessed two Miner home games in 2006 -- against Texas Tech and New Mexico State.

The Miners set school season records for total offense (5,073 yards), passing touchdowns (29) and first downs (270) in 2005. Palmer was 16th in the country in total offense (287.8 ypg) and 25th in passing efficiency (140.54).

Several other Miners rated among the nation's best at their respective positions in 2005. Linebacker Thomas Howard was appointed the preseason defensive player of the year in the state of Texas by *Dave Campbell's Texas Football* magazine. He was chosen in the second round of the 2006 NFL Draft by the Oakland Raiders. Wide receiver Chris Francies was 46th in the NCAA in receiving yards per game (77.4). Linebacker

Jeremy Jones was 14th in tackles (10.8 per game), and tied for 15th in forced fumbles (0.3 per game). Schneider was 21st in field goals per game (1.5) and tied for 36th in scoring (7.9 ppg), and Higgins was 43rd in punt returns (9.4 avg.).

Minimum five years as NCAA Division I coach. Record at four-year colleges only.

In his first season with the Miners Price, the 1997 National Coach of the Year, engineered the nation's most amazing turnaround. UTEP posted an 8-4 record and earned a bid to the EV1.net Houston Bowl following three-consecutive two-win campaigns.

Price was a finalist for numerous national coach of the year awards in 2004, including the Eddie Robinson Award and Paul "Bear" Bryant Award. He was tabbed the Region 4 Coach of the Year by the American Football Coaches Association (AFCA), and was named the first-year coach of the year by Scripps and the Football Writers Association of America (FWAA).

Not only did Price enjoy a great deal of success in his initial year at UTEP, but he also put the Miner football program on the national map. Writers from the *Albuquerque Journal*, *Arizona Republic*, *Dallas Morning News*, *Denver Post*, *ESPN The Magazine*, *Fort Worth Star-Telegram*, *Los Angeles Times*, *New York Daily News* and *USA Today* paid visits to the UTEP campus during the season. ESPN analyst Kirk Herbstreit and a GameDay crew led by Tom Rinaldi also checked in with the Miners.

The achievements on the field were extraordinary. UTEP earned rankings in both national polls (*Associated Press*, *ESPN/USA Today*) for the first time in school history. UTEP's highest ranking was 23rd by the *Associated Press* on Nov. 14. The Miners were also listed in the Bowl Championship Series (BCS) standings for the first time in 87 years of football. UTEP won seven straight games late in the season, tying the longest streak in school annals. The Miners also tied the school record for Western Athletic Conference road wins with three, including a 24-21 triumph at Fresno State on Oct. 9. It was the only home defeat of the season for Fresno State, a nine-game winner that beat Virginia in the MPC Computers Bowl. The Miners also routed Hawaii, another 2004 bowl participant, 51-20 in the Sun Bowl.

The Miners rated 11th in the country in scoring offense (35.8 points per game), 14th in net punting (38.6 average), 20th in punt returns (13.4 average), 22nd in passing efficiency defense (108.7 rating), 26th in passing efficiency (138.0 rating) and 29th in passing (251.3 yards per game) in 2004.

Individually, Bryce Benekos was seventh nationally in punting (44.1 average), DB Jahmal Fenner was 10th in punt returns (15.4 average), DB Adrian Ward was 16th in interceptions (0.4 average), RB Howard Jackson was 14th in all-purpose yardage (149.3 average) and 25th in rushing (98.9 yards per game), Schneider was 24th in scoring (8.1 points per game) and Palmer was 28th in passing efficiency (136.5 rating).

First-team All-WAC selections included Benekos, Jackson, Ward, DL Chris Mineo and LB Robert Rodriguez. Second-team honorees were Schneider, TE Jonas Crafts, WR Jayson Boyd, Higgins and Howard.

Rodriguez was tabbed the league defensive player of the year after leading the WAC in tackles for the third time in four seasons. Demps was named to the *Scripps/FWAA* Freshman All-America Team, and was a third team freshman All-American by *The Sporting News*.

The Miners also tied the school record with seven WAC Players of the Week during the season (four defense, two special teams, one offense).

UTEP fans immediately embraced Price and his high-flying Miners. UTEP's average home attendance more than doubled from 20,009 in 2003 to 41,209 in 2004.

Price was the head coach at Washington State University from 1989-2002. During his stint with the Cougars he compiled an 83-78 record, with three 10-win seasons and five bowl appearances. His last two teams at Washington State combined for a 20-5 record (13-3 in the Pac-10 Conference). Price's 2002 unit was the Pac-10 co-champion with a 7-1 mark, and met Oklahoma in the Rose Bowl.

Price was the head coach at Weber State from 1981-88, registering a 46-44 record. His career record is 150-137 in 25 years of coaching, with three conference titles.

The 2002 Cougars finished 10-3 under Price, including a 30-27 overtime victory over USC. Washington State ranked eighth nationally in rushing defense (87.2 ypg), 13th in passing offense (292.7 ypg), 16th in total offense (421.9 ypg) and 17th in scoring offense (33.2 ppg) at year's end. The Cougars were second in the Pac-10 in total offense, third in total defense (342.5 ypg), and rated among the national leaders in sacks with 55.

Quarterback Jason Gesser tallied a 146.44 passing efficiency rating, seventh-best in the country. He completed 236 of 402 passes for 3,408 yards with 28 touchdowns and 13 interceptions.

The Cougar defense was anchored by defensive tackle Rien Long, winner of the Outland Trophy and a first team All-American by the Football Writers Association of America. Long totaled 21.5 tackles for losses and 13 sacks in 2002.

Another standout for the Cougars was defensive back Jason David, who was second in the nation with 0.7 interceptions per game.

Washington State was 10-2 in 2001, tying for second place in the Pac-10. The Cougars beat Purdue 33-27 in the Sun Bowl in El Paso. Price was named the Pac-10 Coach of the Year for the third time, and was one of three finalists for the Eddie Robinson Coach of the Year Award. Nineteen Cougars earned All-Pac 10 recognition, and 14 were selected Academic All-Pac 10. Senior free safety Lamont Thompson was chosen a first team All-American by the *Associated Press* after rating second nationally in interceptions (0.73 per game).

Price's 2001 squad ranked 10th in the country in passing offense (300.9 ypg), 13th in scoring offense (35.2 ppg) and 17th in total offense (438.6 ypg).

The 1997 Cougars posted a 10-2 mark, the first 10-win season for Washington State in 68 years. Washington State tied for first place in the Pac-10 with a 7-1 record. Price was tabbed the Bobby Dodd Coach of the Year, Eddie Robinson Coach of the Year and *The Sporting News* Coach of the Year. The Cougars dropped a narrow 21-16 decision to eventual national champion Michigan in the Rose Bowl.

Price guided Washington State to a 6-5 record in 1989, his first season at the helm of the program after taking over for Dennis Erickson. He was appointed the Pac-10 Coach of the Year by *The Sporting News* that year.

During his 14 years at Washington State, Price coached five players who were selected in the first round of the NFL Draft – running back Steve Broussard (20th pick by Atlanta in 1990), quarterback Drew Bledsoe (first pick by New England in 1993), linebacker Mark Fields (15th pick by New Orleans in 1995), quarterback Ryan Leaf (second pick by San Diego in 1998) and defensive back Marcus Trufant (11th pick by Seattle in 2003).

Price orchestrated four winning seasons at Weber State, including a 10-3 campaign in 1987. The Wildcats were Big Sky Conference co-champions that year, and reached the quarterfinals of the I-AA playoffs.

Weber State fashioned a 7-4 ledger in 1981, Price's first year as a collegiate head coach. The Wildcats lost to eventual I-AA champion Idaho State in triple overtime.

Price has had extensive experience coaching in postseason All-Star games. He was the head coach of the West team in the 2003 East-West Shrine Game. He was also the West head coach in the 1998 Hula Bowl. He was the associate head coach for the West team in the 1995 East-West Shrine Game, and the offensive head coach for the North team in the 1993 Kelly Tires Blue-Gray All-Star Football Classic.

He previously was an assistant coach at Washington State (graduate assistant, 1969-70 and running backs, 1974-77), Missouri (quarterbacks and receivers, 1978-80) and Puget Sound (offensive coordinator, 1971-73). He coached in three bowl games as an assistant (1978 Liberty, 1979 Hall of Fame, 1980 Liberty).

Price played collegiately at Washington State (1965-66) and Puget Sound (1967-68), seeing time at quarterback and defensive back. He earned his bachelor's degree in physical education from the Puget Sound in 1969. He added a master's degree in physical education from Washington State in 1970.

A native of Everett, Wash., Price was an all-conference quarterback and three-year varsity letterwinner at Everett High School.

Price is married to the former Joyce Taylor. They have three children – Eric, Aaron and Angie – all with football ties. Eric played football at Weber State and coached under his father at Washington State. Aaron played at Washington State for two years, and also assisted his father as the Cougars' quarterbacks and kickers coach. Both Eric and Aaron are on Price's staff at UTEP. Angie graduated from Washington State in 1997, and is married to a high school athletic director.

► What They Are Saying About Coach Price

"First and foremost Mike Price is a good person, and a guy who has had as much positive influence on my life as anybody I have worked with in the football community. He is an innovative and creative football coach, and an outstanding motivator. Anyone should be proud to have Mike Price as their head coach."

— **Drew Bledsoe**
Four-Time Pro Bowl Quarterback

"Mike is a proven winner. It's evident that UTEP loves him, and he loves UTEP. It's a perfect fit. It has been fun watching him build UTEP into a consistent winner like he did at Weber State and Washington State. He's had success wherever he's been, and will continue to do so at UTEP. We're looking forward to our series with them in 2008 and 2009."

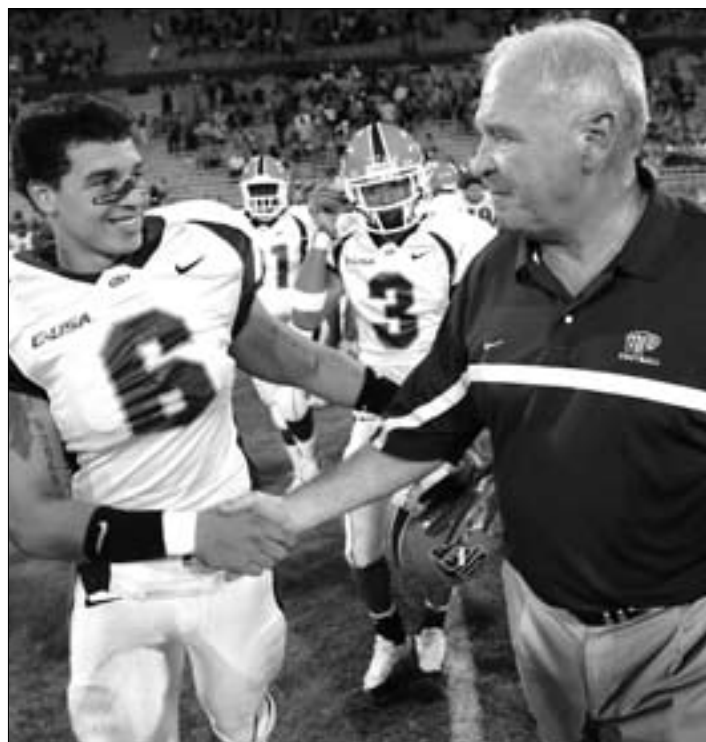

— **Mack Brown**
Head Coach
University of Texas

"Mike Price is a passionate, dedicated and excellent coach. The UTEP family and community has given the freshman class a warm welcome. The program gets better every year with more players going to the NFL and more players graduating. Coach Price is a legendary coach. He is anything and everything you can ask for in a head coach."

— **Russell Carr**
UTEP freshman wide receiver

"Mike Price is one of the good guys in the college football world. From the first time I covered him back in 1997 until today, coach Price is held in such high esteem by people who know him best – family, friends and former players. No matter what circumstances he has faced, he has always maintained his joyful and upbeat outlook on life. It's that contagious attitude that allows him to be one of the best coaches in college football."

— **Kirk Herbstreit**
ESPN analyst

"Coach Price coming to UTEP was a blessing. We were losing before he got here and he gave us the confidence to win. He set our standards high. He is a great guy to play for. He really cares about everybody on the team and he lets you have a voice in the program. I'd like to thank coach Price for not only resurrecting the UTEP program, but helping me get to where I am today. I loved playing for him, and if I could do it all over again I would pick Mike Price as my college coach."

— **Thomas Howard**
UTEP Linebacker (2002-05)
Oakland Raiders

"I've known Mike for nearly four decades, and everywhere he has been he has produced the kind of football that people buy tickets to see. He's enthusiastic and passionate about his profession."

— **Keith Jackson**
ABC Sports commentator

"Mike Price is a great football coach and an even greater person. He has taught all of us how to be men and how to be responsible. He has shown us that no matter what kind of hardships you encounter, tomorrow is always going to be a brighter day. He has rejuvenated the city of El Paso, and we are all truly blessed that he has made his mark here."

— **Jeremy Jones**
UTEP senior linebacker

"All of us in the El Paso region are fortunate that Mike Price and his family chose to become a part of the UTEP family. Mike's extensive knowledge and experience as a football coach have brought us the joy of winning seasons and a surge in university and community pride. Even more importantly perhaps, Mike Price and his family are esteemed and active participants in the life of UTEP and the El Paso community, and we are very proud and pleased to call them our friends."

— **Dr. Diana Natalicio**
UTEP President

"Mike Price has been huge in my development as a player, but even more so as a person. Watching the way he turned around our football program has taught me a lot about how to be a man, and not just a quarterback. The way he coaches and teaches the game is the reason he will continue to have a successful career and be regarded as one of the greatest college football coaches of all time."

— **Jordan Palmer**
UTEP's all-time passing and total offense leader (2003-06)
Quarterback, Washington Redskins

Tim Hundley is in his fourth season as UTEP's defensive coordinator. He also coaches the Miner linebackers.

Hundley had a difficult task in 2006, holding together a Miner defense that lost its leading tackler and inspirational leader (linebacker Jeremy Jones) two games into the season. Safety Quintin Demps and linebacker Troy Collavo stepped up in Jones' absence and enjoyed fine individual seasons, with both players earning first team All-Conference USA honors. Demps compiled 67 tackles and tied for fifth in the nation with 0.6 interceptions per game. He picked off seven enemy passes, tied for the third-top seasonal total in school history. Collavo posted his second straight 100-tackle campaign, registering 124 takedowns.

Two Miner defenders, end Alex Obomese and tackle Zach West, signed NFL free agent contracts with Dallas and New England, respectively, in April. Obomese had 55 tackles in 2006 and West had 30, including seven for losses.

UTEP began the 2006 season with a linebacker (Jones) on the watch list for the Bronko Nagurski Trophy, presented to the nation's top defensive player, for the third straight year. Robert Rodriguez and Thomas Howard were candidates for the award in 2004 and 2005 respectively. Demps and Jones are on the 2007 watch list.

The 2005 Miners tied for 23rd nationally in tackles for losses per game (7.3), and tied for 40th in sacks per game (2.5). UTEP held five opponents to less than 100 yards rushing, and six to fewer than 200 yards passing. UTEP registered its third shutout in Hundley's tenure as defensive coordinator on Nov. 12 versus Texas Southern.

Four Miner defenders garnered All-Conference USA honors in a vote by league coaches and media, including linebackers Jones, Collavo and Howard who rated 1-2-3 on the team in tackles. Howard was selected by Oakland in the second round of the NFL Draft, the earliest a Miner player had been chosen in 37 years.

In 2004 the Miners rated 22nd nationally in passing efficiency defense (108.7 rating) and 49th in total defense. UTEP allowed nearly 90 less yards per game than it did in 2003, as well as 13 fewer points per contest.

Four Miners earned All-WAC honors on the defensive side of the ball, including Rodriguez who was tabbed the league's defensive player of the year. Demps was appointed the co-WAC Freshman of the Year and a freshman All-America by *Scrimps* and *The Sporting News*.

Hundley served as the defensive coordinator at Washington from 1999-02, and as co-defensive coordinator for the Huskies in 2003. He tutored the outside linebackers from 1999-02 before overseeing the entire linebacking corps in 2003. He also supervised the punt coverage unit during his final season with the Huskies.

He has coached in 10 bowl games, including two Rose Bowls, and groomed 14 players who moved on to the National Football League, including current pros Marquis Cooper (Seattle), Howard, Michael Lewis (49ers), Ryan Neufeld (Buffalo

Bills), Obomese and West. In addition, Hundley recruited six players who garnered All-America honors at the collegiate level – David Kilson (Nevada), Andre Gurode (Colorado), Micheal Lewis (Colorado), Cade McNown (UCLA), Sam Merriman (Idaho) and Jamir Miller (UCLA).

Hundley's coaching resume includes 17 years as a defensive coordinator – two at Clackamas Community College (1975-76), one at Idaho (1979), six at Oregon State (1984-89), five at Washington (1998-03) and three at UTEP.

He began his coaching career in 1974 as a graduate assistant at Western Oregon State, his alma mater. He went on to stints at Clackamas Community College (1975-76), Idaho (1977-79) and Nevada (1980-81). In 1978 he coached the running backs at Idaho, marking the only time in his coaching career that he has spent time on the offensive side of the ball.

In 1982 he began a long-running association with the Pac-10 Conference. He worked at Oregon State for eight years, then enjoyed six seasons (1990-95) at UCLA.

(1996-98), he returned to the Pac-10 at Washington.

Hundley was inducted into the NAIA Hall of Fame after an All-America football career at Western Oregon State. He was a three-time All-Conference selection in college. He earned his bachelor's degree in education from Western Oregon State in 1974, and added a master's degree in education from Idaho in 1978.

An Oregon native, Hundley lettered in football, baseball and basketball at Forest Grove High School. He and his wife, Pam, have two sons, Jake and Nick. Nick was a catcher on the University of Arizona baseball team that reached the 2004 College World Series. He is currently in the San Diego Padres organization. Jake is a graduate student in engineering at UCLA.

Eric Price

Offensive Coordinator | Quarterbacks | Fourth Season | Weber State, 1990

- Coached Two Years with the New York Jets Before Coming To UTEP
- Mentored NFL All-Pro Quarterbacks Drew Bledsoe and Vinny Testaverde
- Recruits West Houston

Eric Price begins his fourth year as UTEP's offensive coordinator in 2007. After coaching the wide receivers for the last three seasons, he will be in charge of the quarterbacks this fall.

Since Price joined the UTEP staff the Miners have scored 30 points or more in 22 games, while racking up 400+ yards of offense on 20 occasions.

The 2006 Miners ranked fifth nationally in passing offense (312.8 ypg), 18th in passing efficiency (149.25), 38th in scoring offense (27.3 ppg) and 39th in total offense (370.4 ypg). Quarterback Jordan Palmer threw for a school-record 3,595 yards, helping UTEP establish a school standard with 3,754 yards through the air. Palmer left UTEP holding all of the school's passing and total offense records.

Under Price's direction, Johnnie Lee Higgins Jr. became UTEP's all-time receiving leader last season. He rated second nationally in receiving as a senior, averaging 109.9 yards per game, and was appointed to two All-America teams (AFCA and the Associated Press). Higgins concluded his career with 3,218 yards receiving, 32 touchdown receptions and eleven 100-yard games. He was selected by Oakland in the third round of the 2007 NFL Draft.

Another of Price's proteges, Daniel Robinson, enjoyed a 606-yard receiving season in 2006 while scoring seven touchdowns.

The 2005 Miners rated ninth in the nation in passing offense (300.6 ypg), 31st in total offense (422.8 ypg), and 33rd in passing efficiency (136.82) and scoring offense (31.8 ypg). UTEP scored 30 points or more in seven games, and topped the 40-point barometer on four occasions.

Two Miner backs posted 100-yard rushing games in 2005 (Tyler Ebell and Marcus Thomas), and Thomas set a school record by going over the century mark in four straight games late in the season. Against Memphis on Oct. 1, UTEP had three 100-yard receivers in a game (Jayson Boyd, Chris Francies, Higgins, Jr.) for the first time in school history.

The Miners ranked 11th in the country in scoring (35.8 ppg), 26th in passing efficiency (138.0 rating), 29th in passing (251.3 ypg) and 42nd in total offense (393.6 ypg) in 2004. UTEP also had a 2,000-yard passer (Palmer) and a 1,000-yard rusher (Howard Jackson) for only the second time in school history.

The 2007 campaign marks Price's eighth year working alongside his father, Miner head coach Mike Price.

He previously spent time on his father's staff at Washington State. Price was a student assistant for the Cougars in 1991, and quarterbacks coach from 1998-2000. He was instrumental in the development of signal-callers Jason Gesser and Matt Kegel during his stay in Pullman.

He worked with the NFL's New York Jets in 2001 and 2002 as an offensive assistant. He played a major role in the progression of quarterback Chad Pennington, who led the NFL in passing efficiency during the 2002 season.

Price got his start in coaching in 1985 when he worked with two Australian club teams. He landed his first collegiate coaching position in 1990 when he was appointed a student assistant at his alma mater, Weber State.

Price worked with a pair of high-powered offenses as a graduate assistant at Hawaii and Miami (Fla.) over the next three years. The Rainbow Warriors rated fifth nationally in total offense in 1991, as Price coached the wide receivers. In 1992 and 1993 he directed the wide receivers and ran the defensive scout team at Miami. The Hurricanes led the country in passing offense in 1992, and played for the national title in the Sugar Bowl. In two years with Price on the staff, Miami went 20-4 and featured three receivers who went on to starting assignments in the NFL.

Price coached the wide receivers at Cal Poly SLO from 1994-95, and again at Northern Arizona from 1996-97. Cal Poly SLO was second in Division I-AA in passing and total offense in 1995. Price helped Northern Arizona rank first in I-AA in total offense and third in passing in 1996. The Lumberjacks reached the I-AA playoffs for the first time in school history. NAU had a quarterback who threw for 3,000 yards and a running back who ran for 2,000 yards, another first in the history of the program.

A native of Ogden, Utah, Price prepped at Ogden High where he was a standout receiver. He earned USA Today honorable mention All-America honors after reeling in 77 passes for over 1,000 yards his senior year. He led the state in receiving en route to being tabbed an All-State, All-League and All-Area selection.

Price played at the collegiate level for Dixie Junior College (1986-87) and Weber State (1988-91). He was coached by his father at Weber in 1988. He earned his bachelor's degree in physical education in 1990.

Price and his wife, Jody, have a daughter, Emma, and a son, Andrew.

Jeff Banks wears three hats as a member of the UTEP staff. He coaches the running backs and punters, and also serves as the team's recruiting coordinator.

Operating behind an inexperienced offensive line, Marcus Thomas rushed for 513 yards and five touchdowns to lead the 2006 Miners. Ryan Hotchkiss served as the team's punter for the second consecutive season. Ten of his 50 punts landed inside the 20-yard line and 15 were fair caught.

Banks coached a pair of 500-yard running backs in 2005. Late in the season, Thomas set a school record by rushing for 100 yards in four straight games. He ended the year with a team-leading 791 yards on 149 carries. Tyler Ebell, who began the year as the starting tailback before having his season cut short due to injury, still managed to earn third team All-Conference honors. He rushed for 536 yards, moving over the 2,000-yard mark for his career. Ebell is currently with Edmonton in the CFL.

Banks' first season coaching the Miner running backs and punters was quite a success. He mentored Bryce Benekos, who finished seventh in the nation in punting, as well as Howard Jackson, who was 25th in the country in rushing. Both players earned first team All-WAC honors under Banks' tutelage. Jackson ended his career as UTEP's second all-time leading rusher with 3,466 yards. Both Benekos and Jackson signed NFL free agent contracts at season's end.

Banks had similar coaching assignments at Idaho State from 2001-03. With Banks on staff, Idaho State won a Big Sky Championship and had back-to-back eight-win seasons for the first time in 77 years. Banks tutored three All-Conference players in 2003 and helped running back Isaac Mitchell become the all-time touchdown leader in Idaho State history. Mitchell rushed for 1,851 yards from 2002-03.

In his three seasons at Idaho State, Banks was part of a Bengal offense that averaged over 400 yards and 28 points per game. Idaho State ranked in the top-16 nationally in total offense each of his three seasons.

Banks also tutored Eddie Johnson, who led Division I-AA in punting in 2001 and was taken in the fifth round of the 2002 NFL draft.

Banks began his coaching career as a graduate assistant under Mike Price at Washington State, mentoring the Cougars'

kickers and punters from 1999-00. He supervised the progression of Kareem Anderson and Rian Lindell, who later enjoyed stops in the NFL. Lindell is currently with the Buffalo Bills.

A two-year letterwinner as a punter at Washington State, Banks posted a 42.8-yard average as a junior and 43.4 as a senior. He led the Pac-10 in punting as a senior and registered a 53.0 average versus Boise State, earning him the national AT&T Long Distance Award for the week. He was selected to play in the Senior Bowl in Mobile, Ala.

He started his collegiate career at Citrus College in Glendora, Calif., where he was a first team All-Conference kicker and punter. Banks played his prep ball at Bishop Amat High School in La Puente, Calif. He lettered in soccer as well as football. He was a

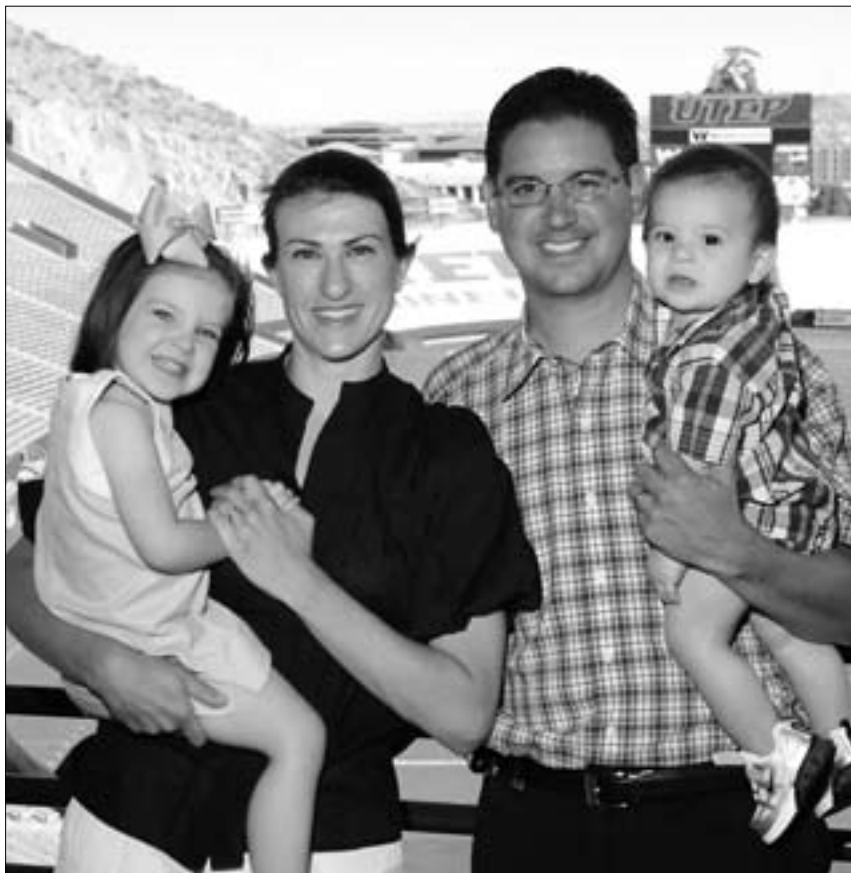

member of Bishop Amat's state championship team, going 51-for-51 on extra point attempts.

He and his wife, Kori, have a daughter, Sydnei and a son, Tanner.

- Had a First-Round Draft Pick in 2003 with Marcus Trufant
- Recruits Central and West Texas

Jim Clark embarks on his fourth season as UTEP's cornerbacks coach in 2007.

Last year Clark was instrumental in the development of Bryant Tisdale and Josh Ferguson, who combined for 118 tackles, 13 pass break-ups and four interceptions.

Clark's youthful cornerbacks made steady progress in 2005. Sir James Delgado, Nate Draughon and Josh Ferguson were inserted into the starting lineup for the first time and made the most of their opportunity, teaming to make 96 tackles with 22 pass breakups. Ferguson recorded two interceptions for 81 yards, scoring on a 62-yard pick versus Tulsa.

Clark coached two of the best corners in the Western Athletic Conference during his first year in the Sun City. Senior Adrian Ward earned first team All-Conference honors after totaling 59 tackles and 12 pass break-ups. Senior Jahmal Fenner was an honorable mention All-WAC selection after amassing 47 stops and eight deflections. Ward and Fenner combined to pick off nine passes as UTEP rated 22nd in the nation in passing

efficiency defense (108.7 rating). Ward was selected in the seventh round of the 2005 NFL Draft by Minnesota.

The Miners held five opponents to single-digit completions in 2004.

Clark is in his second tour of duty with head coach Mike Price at UTEP. He was a member of Price's staff at Washington State in 2001 and 2002. He stayed with the Cougars in 2003 after Price accepted the head coaching position at Alabama.

During his three years as a graduate assistant, Clark helped the Cougars to 30 victories and three bowl bids, including two bowl victories. He worked with the defensive backs.

He was the quarterbacks coach and offensive coordinator at West Valley High School in Hemet, Calif., from 1993-95. He tutored a quarterback who led the state in pass attempts, completions, yards and touchdown passes in 1995.

He also coached the quarterbacks at Mt. San Jacinto College in San Jacinto, Calif. from 1989-92, and Hamilton High School in Anza, Calif. from 1992-93.

He received his first coaching assignment at his alma mater, Hemet (Calif.) High School, from 1985-89. He was in charge of the quarterbacks and defensive backs.

Clark was a two-year starting quarterback at Mt. San Jacinto College. He received his bachelor's degree in social studies from Washington State in 2000. He earned a secondary education certificate a year later.

He was a second team all-league quarterback and punter at Hemet High School. A two-year varsity letterwinner on the gridiron, he participated in golf and baseball as well.

Clark has a daughter, Alexis, and a son, Mitchell.

Tim Duffie

Safeties | Eighth Season | Texas Tech, 1999

- Coached 2006 NFL Draft Second Rounder Thomas Howard
- Part of Three Bowl Game Coaching Staffs at UTEP
- Recruits Arlington, Denton & Fort Worth

Tim Duffie is in his eighth year as a member of the UTEP coaching staff, and his third year coaching the safeties.

He worked with the defensive ends in 2006 following two years as linebackers coach. Duffie oversaw the development of Alex Obomese, who collected 55 tackles last season before signing a free agent contract with the Dallas Cowboys.

Duffie mentored the Miners' top three tacklers -- Jeremy Jones, Troy Collavo and Thomas Howard -- in 2005. All three earned All-Conference USA honors, with Jones and Howard tabbed to the second team and Collavo to the third team. Jones was 14th in the nation in tackles (10.8 per game).

Jones, Collavo and Howard combined to make 327 tackles in 2005, including 36 for losses and 9.5 sacks. Howard was picked by Oakland in the second round of the NFL Draft.

UTEP's linebackers also enjoyed a banner year in 2004 under Duffie's direction. Howard and Robert Rodriguez both earned All-WAC honors, and Godwin Akinduro was an honorable mention All-Conference choice. Rodriguez was tabbed the WAC Defensive Player of the Year after leading the circuit with 10.1 tackles per game.

Between them, UTEP's starting linebackers racked up 280 stops, 35 tackles for losses and 11.5 sacks in 2004. Once again, linebackers held the top three positions on the tackle charts.

A former defensive standout at Texas Tech, Duffie began his stint with the Miners as a graduate assistant (2000-02). He

coached the safeties in 2002 and 2003. As a GA in 2000, he helped UTEP win its only Western Athletic Conference championship.

In 2002 Duffie coached rover Tim Woodard, who ranked sixth in the WAC in tackles with 108. Woodard was an honorable mention All-WAC selection.

Duffie coached the whip linebackers in 2000, and the strong safeties and rovers in

2001. His other duties as a GA included breaking down film on opposing offenses, compiling scouting reports, working with the offensive scout team and providing assistance in the special teams area. His game-day responsibilities included logging plays and motions in each series, and charting opposing personnel.

A starter in 16 games during his four years at Texas Tech, Duffie ended his career with 202 tackles, six tackles for losses, one sack, three pass break-ups and two interceptions on his resume. He had 84 stops and four tackles for losses during

his senior season, when he started all 11 games. Duffie had a career-best 18 tackles at Missouri in 1999.

Duffie attended Jefferson (Texas) High School, earning Class 3-A second team All-State honors at linebacker. He was also named the Cypress Valley Player of the Year and was a three-time All-District performer.

Duffie received his bachelor's degree in exercise and sports sciences from Texas Tech in 1999. He added a master's degree in education administration from UTEP in 2002.

His wife, Autumn, is director of marketing and promotions at UTEP.

Lawrence Livingston, Sr. has over 20 years of coaching experience on his resume. He will direct the Miner centers and guards in 2007.

Livingston coached the offensive line from 2004-06. During that stretch the Miners scored more than 40 points nine times.

UTEP was fifth in the country in passing offense (312.8 ypg), 38th in scoring offense (27.3 ppg) and 39th in total offense (370.4 ypg) a year ago led by the school's all-time leading passer (Jordan

Palmer) and receiver (Johnnie Lee Higgins, Jr.). Anchoring the offensive line was center Robby Felix, who was on the watch list for the Rimington Trophy. He earned third team All-Conference USA honors by league media.

Nine different players started games in a youthful Miner offensive line in 2006, including freshmen Mike Aguayo, Anthony McNac, Colby Meek and Cameron Raschke.

UTEP averaged 31.8 points and 422.8 yards of offense in 2005. The Miners received a total of five 100-yard rushing performances from the dynamic duo of Tyler Ebell and Marcus Thomas. Thomas established a school standard by rushing for over 100 yards in four consecutive games.

Two Miner linemen -- seniors Jose Garcia and Josh House -- earned second team All-Conference USA recognition. Felix started all 12 games at center and was a conference All-Freshman choice. He was also an honorable mention freshman All-America by *The Sporting News*.

The Miner O-line was a major question mark heading into the 2004 season, but Livingston quickly turned it into a team strength. UTEP allowed just 20 sacks a year after surrendering 38. The offensive line - with three new starters -- paved the way for Howard Jackson to rush for 1,187 yards.

House and center Bo Morris saw limited action prior to the 2004 season. In their first year as starters, both received votes for the All-WAC team.

UTEP averaged 35.8 points per game (11th in the nation) and 393.6 yards in 2004.

Livingston was the head coach and offensive coordinator at Earlham College in Richmond, Ind., in 2003. Before that, he was an assistant at six schools over 17 seasons, including Big 12 power Texas A&M.

His most recent assistant coaching assignment prior to UTEP came at Wyoming, where he was the running game coordinator and offensive line coach from 2001-02.

He spent one year at Arizona in 2000, overseeing the tight ends while assisting with the offensive line.

Livingston enjoyed a two-year stint at A&M from 1998-99, serving as running backs coach. He helped the Aggies to a stellar 11-3 mark in 1998, including the Big 12 title. Texas A&M ended the year with a No. 9 national ranking and an appearance in the Bowl Championship Series -- facing Ohio State in the Sugar Bowl. A&M was 8-4 in 1999, and squared off with Penn State in the Alamo Bowl.

From 1989-97, he was associated with Mike Price at Weber

State and Washington State, respectively. While at Weber from 1989-94, he coached the offensive line. He was also the O-line coach at Washington State (1995-97). The 1997 Cougars finished 10-2, won the Pac-10 championship and secured their first Rose Bowl bid since 1931. Washington State ended the season ranked No. 9 in the country. The Cougars were second in the nation in total offense (502.2 yards per game) and scoring offense (42.5 points per game), as well as fourth in

passing offense (344.5 yards per game).

Livingston coached the offensive line at the United States Military Academy in 1988, helping the Cadets to the Sun Bowl. He began his coaching career as assistant offensive line coach at Weber State from 1986-87.

A 1986 graduate of Weber State, he was a four-year starter and three-time All-Big Sky Conference selection. Livingston and his wife, Michelle, have two sons -- Lawrence Jr. and Theodore.

► Why UTEP?

If you're looking for a reason to attend UTEP, the reason is Mike Price. I have known him for 25 years. I played for him, and I've known him as a young assistant coach and as a head coach. Mike Price is your number one reason for choosing UTEP.

Ikaika Malloe

Defensive Line | Fourth Season | Washington, 1997

- ▶ Three of His Defensive Linemen in the Past Two Years have Signed Free Agent Contracts in the NFL
- ▶ Part of Six Bowl Game Coaching Staffs During his Career
- ▶ Recruits East Texas

Ikaika Malloe will serve as UTEP's defensive line coach in 2007 -- an assignment he held in 2004 and 2005 before working with the defensive tackles last season.

Among Malloe's understudies in 2006 were seniors Justin Hanel and Zach West, who combined to make 77 stops and 13 tackles for losses. West signed a free agent contract with the New England Patriots this spring.

Malloe and the Miners were dealt a bad break four games into the 2005 season when standout tackle Chris Mineo suffered a serious ankle injury. Even without Mineo's services the remainder of the regular season, the defensive line remained highly productive.

The biggest story of the 2005 campaign was the emergence of junior end Alex Obomese, who piled up 10.5 tackles for losses and 6.5 sacks in his first year as a regular starter. He was a second team All-Conference USA pick.

UTEP ranked third in the conference in sacks with 29. The Miners picked up a WAC-high 47 sacks in 2004, their top total in 13 years.

Mineo generated eight sacks in 2004. He earned first team All-WAC honors after tallying 50 tackles, including 13 for losses. West contributed 12 tackles for losses in 2004, when he was an honorable mention All-WAC player.

Malloe joined the Miner staff after three years at Western Illinois, where he served as defensive line coach (two years) and special teams coordinator (one year). He also supervised the strength and conditioning program in 2002.

He helped the Leathernecks capture the Gateway Conference championship in 2002. His defensive line

registered 33 sacks that year, the second-highest total in the Gateway Conference. The Leathernecks were also second in the league in red zone defense and opponents' third down conversions, and third in rushing defense (153.9 yards per game). Defensive lineman Brian Ceasar earned All-America honors.

Malloe spent five years as a part of the coaching staff at

Washington from 1998-02 -- two as program coordinator-defense, two as a defensive graduate assistant and one as a student assistant. He worked with the inside linebackers, outside linebackers and defensive line during his stay with the Huskies, with additional responsibilities in the special teams area. From 1999-01 he assisted Tim Hundley, who is currently UTEP's defensive coordinator.

He started at free safety, strong safety and outside linebacker at Washington, while seeing action on special teams. Malloe was recognized as the Huskies' hardest

hitter in 1994, 1995 and 1996. He received the Bob Jarvis Award, presented to the team's most inspirational player, in 1993.

Malloe led Washington with six interceptions his sophomore year. He appeared in two Rose Bowls with the Huskies -- one as a player, and one as a coach.

He was an All-State player at Kamehameha High School in Hawaii.

Malloe earned his bachelor's degree in sociology from Washington in 1996. He and his wife, Tara, have a daughter, Taylor, and two sons, Jordan and Isaiah.

▶ Why UTEP?

UTEP's facilities are second-to-none. The Sun Bowl is one of the most beautiful stadiums in the country, nestled in the Franklin mountains. Our state-of-the-art Larry K. Durham Center features an 11,420-square foot weight room, as well as an expansive locker room and training room. There's no doubt that you will be getting the royal treatment as a Miner!

Nate Poss joined the UTEP staff in March 1997 as director of football operations. Now the assistant athletic director for football operations, Poss' duties are wide-range, most importantly helping head coach Mike Price in the day-to-day operations of Miner football.

Poss is responsible for organizing and implementing team travel, arranges and coordinates UTEP's preseason camp both in El Paso and Socorro, N.M., and is responsible for the Miner football players' summer job placement around El Paso.

He also helps arrange community service appearances for Miner players and coaches, particularly with local schools and the Children's Hospital. The football team has had the most community service hours of any of UTEP's sports programs during the 2003-04 and 2005-06 athletic years, while finishing second in 2004-05.

A West Texas native, Poss also helps the coaching staff in other areas, including assisting with the training table, compliance, academics and recruiting weekends. He works with assistant coach Lawrence Livingston in the Miners Across Texas summer camps, helping arrange stadium sites, hotels and other logistics.

Poss graduated from Big Spring High School in Big Spring, Texas, where he was named to the school's "Team of the Century" for football. His performance as a wide receiver and defensive back gained him a scholarship to Rice. At Rice, Poss played defensive back for coordinator Charlie Bailey, former head coach of the Miners. Poss earned four letters (1973-76) and was in the starting lineup two years (1975-76) for the Owls.

Upon receiving his B.A. in commerce and religion from Rice in 1978, Poss spent three years as sports

editor of the *Big Spring Herald* and one year as editor of *Big Time Sports* magazine that served the Permian Basin. From 1984-88 Poss lived in Miami, Fla., where he was a marketing representative for the Fina Corp. In 1988 Poss returned to school at Sul Ross State University and worked on his master's degree in education, which he received in 1989. During his stay at Sul Ross, Poss served as running backs and defensive backs coach, as well as assistant basketball coach.

Poss also coached in the Texas prep ranks at Kermit High School (1991), Greenwood High in Midland (1992-93) and Coronado High in El Paso (1994-96). He was president of the El

Beginning his fourth season as a member of the UTEP staff, Jeff Woodruff has been elevated to assistant head coach for 2007. He also serves as the Miners' tight ends and tackles coach -- marking the first time he has had coaching responsibilities on the offensive side of the ball since coming to El Paso.

Woodruff has more than 25 years of coaching experience, including four as the head coach at Eastern Michigan University. He has coached in 14 bowl games.

Woodruff doubled as UTEP's safeties coach and special teams coordinator for the last three years. During that span he oversaw the development of free safety Quintin Demps, who is projected to be a first day pick in the 2008 NFL Draft.

Demps earned first team All-Conference USA honors in 2006 after being credited with 67 tackles and seven interceptions. He tied for fifth nationally in interceptions with 0.6 per game.

Demps' running mate in the secondary, Joe Fleskoski, ranked second on the team in tackles with 75 a year ago.

UTEP was second in the country in punt returns in 2006 (20.0 avg.) led by Johnnie Lee Higgins Jr., who averaged 23.4 yards per return. Higgins was selected the C-USA Special Teams Player of the Year.

The Miners were also fourth in the NCAA in punt return coverage (3.5 avg.).

UTEP's special teams were also special in 2005. UTEP ranked 36th nationally in punt returns. The Miners were also outstanding on coverage, yielding 4.2 yards per punt return (third-best in the country) and 19.9 yards per kickoff return (52nd-best).

Demps and Fleskoski had a knack for making big plays in 2005. Demps came up with a huge interception to clinch a 44-41 double overtime win against Houston, and Fleskoski scored six of UTEP's 21 points on a 68-yard pick versus New Mexico.

Demps was chosen the co-WAC Freshman of the Year in 2004. He was also selected a third team freshman All-American by *The Sporting News* after recording 58 tackles and two interceptions. He was honored as a freshman All-American by Scripps and the Football Writers Association of America. Demps scored two touchdowns as a rookie.

Senior Mark Dowdy and sophomore Fleskoski also put up solid numbers from the safety position in 2004, teaming for 90 tackles.

UTEP ranked 20th nationally in punt returns (13.4 avg.) in 2004 led by senior defensive back Jahmal Fenner, who was 10th with a 15.4 average.

Woodruff was the head coach at Eastern Michigan from 2000-03 before coming to the Sun City.

He was the running backs coach at Arizona from 1998-99 before landing his first collegiate head coaching position. His stint with the Wildcats included a Holiday Bowl appearance in 1998. That year Arizona was 12-1 and ended the year with a No. 4 national ranking following a 23-20 victory over Nebraska.

Woodruff was the head coach at Cholla High School in Tucson, Ariz. from 1996-97.

He spent 13 years on the staff at Washington. He was a graduate assistant from 1980-82, and offensive coordinator/quarterbacks coach as well as wide receiver coach from 1984-94. He was a part of the 1991 Washington squad that finished 12-0 and won the national title.

The Huskies were also selected to play in the 1992 Rose Bowl, marking the fifth time that Woodruff coached in the granddaddy of the bowl games.

backs coach at Nevada before

returning to Seattle.

A native of Ravenna, Ohio, Woodruff got his start in coaching at Kent State in 1979, where he was a graduate assistant working with the tight ends.

He earned his bachelor's degree from Kent State in 1979. He lettered in football for the Golden Flashes and, as a senior, received the George J. Altman Award, presented to the top student from the school (of H.P.E.R.).

Woodruff and his wife, Jill, have four children -- Jared, Jessica, Jordan and Janessa.

"UTEP offers student-athletes a first-class, culturally diverse education. From an athletic standpoint, UTEP gives student-athletes the opportunity to be a part of a budding top-25 program for years to come."

2006 GAME RECAPS

GAME 1 - SDSU

Aug. 31, 2006
San Diego, Calif.
Qualcomm Stadium (34,723)

UTEP 34
SAN DIEGO STATE 27

UTEP vaulted to a 27-3 lead early in the third quarter before holding off a late San Diego State charge to defeat the Aztecs, 34-27, in the season opener at Qualcomm Stadium.

Jordan Palmer led the offensive onslaught, connecting on 20 of 29 passes for 213 yards and three touchdowns. Johnnie Lee Higgins, Jr. was Palmer's favorite target, reeling in seven passes for 90 yards. It was Jake Sears, though, whose touchdown reception late in the fourth quarter sealed the win for the Miners.

SDSU had climbed to within three (27-24) after Lynell Hamilton punched it in from one yard out to cap a 21-0 spurt. The Aztecs were given new life courtesy of Palmer, who was picked off on two consecutive possessions to set up SDSU scoring drives.

The momentum appeared to be entirely with the home team after Palmer was intercepted on a third straight series. The Miners turned the tables on the Aztecs, however, as Quintin Demps got the ball back for UTEP by picking off Darren Mougey. Demps, who intercepted a pass earlier in the game to set up a Higgins touchdown, returned it 24 yards to bestow the Miners' offense with tremendous field position.

Given a second chance to put away the Aztecs Palmer delivered. Joe West's 27-yard reception gave the Miners' first and goal before Palmer found Sears for the decisive tally.

Defense dominated early in the contest, with SDSU's Garret Palmer's 46-yard field goal accounting for the only points in the first quarter. UTEP's defense blanked the Aztecs in the second quarter, while the Miner offense began to get untracked.

Jamar Hunt snagged a 13-yard pass from Palmer to afford UTEP a 7-3 edge. Marcus Thomas then scampered in from five yards out, giving the Miners a 14-3 advantage at the half.

GAME 2 - TEXAS TECH

Sept. 9, 2006
El Paso, Texas
Sun Bowl (51,827)

[25] TEXAS TECH 38
UTEP 35 (OT)

Alex Trlica drilled a 49-yard field goal in overtime to send No. 25 Texas Tech past an upstart UTEP squad, 38-35, in front of a capacity Sun Bowl crowd.

In a game in which defense was almost an afterthought -- the two squads combined for 974 total yards of offense -- it was ironic that a Jordan Palmer interception off a tipped pass during the first overtime set the stage for Trlica's heroics.

It was a rare miscue for Palmer, who connected on 34 of 51 attempts for 334 yards and three touchdowns. Included was a 39-yard strike to Johnnie Lee Higgins, Jr. late in the fourth quarter to cap an eight-play, 80-yard drive and force overtime.

Palmer's counterpart, Graham Harrell, was equally impressive. He completed 40 of 52 passes for 376 yards and two scores.

After a scoreless first quarter, TTU struck first when Harrell scored on a quarterback sneak from one-yard out. UTEP turned to some trickery to even the contest, with Lorne Sam hooking up with Joe West on a 41-yard touchdown pass.

TTU rattled off 10 unanswered points, but the Miners cut the deficit at the half to five (17-12) after Palmer's 13-yard connection to Higgins. TTU marched down the field and scored on the opening drive of the third quarter, giving the Red Raiders their largest lead of the game, 24-12.

The Miners roared back with 16 straight points, affording them a 28-24 edge early in the fourth quarter.

The Red Raiders responded, however, climbing within one courtesy of a chip-shot field goal by Trlica. Following a three and out by UTEP, Shannon Woods put TTU back on top with a nine-yard run. Harrell converted the two-point conversion with a toss to Robert Johnson to make the score 35-28.

GAME 3 - NEW MEXICO

Sept. 23
Albuquerque, N.M.
University Stadium (34,069)

NEW MEXICO 26
UTEP 13

UTEP dug itself a 19-0 hole before finally getting on track, but it was too little too late as the Miners fell at rival New Mexico, 26-13.

A swarming Lobo defense confused and rattled the UTEP offense, limiting the Miners to just four first downs and 83 yards in the first half.

UNM took advantage of the sluggish start with Chris Nelson tossing both of his touchdown passes in the opening quarter. The Lobos then tacked on five more points, courtesy of a safety and a field goal, before Reagan Schneider connected on a 36-yard field goal to make the score 19-3 at the half.

It was an ominous start to the third quarter, with UNM marching down the field on its opening drive. Nelson scored on a plunge from one-yard out, affording the Lobos a commanding 26-3 advantage.

The Miners responded with an 80-yard scoring drive on the ensuing possession, concluding with a 25-yard touchdown pass from Jordan Palmer to Daniel Robinson. After UTEP forced UNM to go three and out, Palmer drove the Miners down to the Lobos' 12 yard line. Three straight sacks kept UTEP out of the end zone, but Schneider drilled a 49-yard field goal to bring the Miners within 13 (26-13) with almost the whole fourth quarter left to play.

UTEP's defense did its job in the final period, keeping the Lobos off the scoreboard. Palmer and the Miners moved the ball effectively by driving deep into UNM territory, but UTEP was unable to put any more points on the board. Rodney Ferguson, who wore down the Miners' defense with 162 yards on 34 carries, helped the Lobos run out the clock.

GAME 4 - NEW MEXICO STATE

Sept. 30, 2007
El Paso, Texas
Sun Bowl (51,500)

UTEP 44
NEW MEXICO STATE 38

Jordan Palmer passed for 414 yards and Emeri Spence picked off a pass in the final minute of the game to help UTEP outlast 1-10 rival New Mexico State, 44-38, in the second-highest combined scoring contest in the history of the series.

Johnnie Lee Higgins, Jr. torched the Aggies for 223 yards and three touchdowns on just seven receptions, while Marcus Thomas rambled for 81 yards and a score on 18 carries.

NMSU had plenty of offensive firepower, as well, with quarterback Chase Holbrook establishing Sun Bowl records by an opposing player for completions (48) and attempts (73) on the way to throwing for 506 yards and four touchdowns.

Overall, the two squads combined for 1,110 yards of total offense, including 920 via the air, in a game which lived up to its billing of a showdown of top-notch signal callers.

UTEP raced to a 17-0 lead after the first quarter. A 21-yard touchdown run by Marcus Thomas and a 71-yard bomb from Palmer to Higgins highlighted the action.

NMSU's offense emerged in the second quarter, as the Aggies punched it in three times. The Miners countered with another Higgins touchdown grab and a highlight-reel 91-yard kickoff return for a touchdown by Quintin Demps.

UTEP's offense went stagnant during the third quarter, which allowed NMSU to erase the Miners' 11-point halftime lead (31-20).

UTEP responded with 10 unanswered points to open the fourth quarter, building a lead that it would not relinquish. Reagan Schneider converted a short field goal to get things started. Higgins then reeled in a six-yard strike from Palmer.

After an Aggie touchdown, UTEP went back up by six thanks to a 28-yard Schneider field goal. NMSU had one final chance, driving close to midfield before Spence ended the threat.

GAME 5 - SMU

Oct. 7, 2006
El Paso, Texas
Sun Bowl (41,258)

UTEP 24
SMU 21

After watching a 17-0 halftime advantage turn into a 21-17 deficit, UTEP caught the SMU defense sleeping with a halfback pass to pull out a 24-21 victory against the Mustangs at the Sun Bowl.

Running back Marcus Thomas hooked up with Daniel Robinson on the 27-yard touchdown pass. The Miners' defense then stepped up, intercepting Corey Slater on back-to-back possessions to snuff out any chance of a comeback by SMU.

It did not appear that the game would be a nail biter early on, with UTEP methodically marching down the field on the opening drive en route to taking a 7-0 lead courtesy of a 12-yard laser beam from Jordan Palmer to Joe West.

Johnnie Lee Higgins, Jr. made it 14-0 for the home team following a dazzling 63-yard punt return for a touchdown.

UTEP's defense was also doing its job, limiting SMU to just 38 yards in the opening period. A Reagan Schneider 28-yard field goal afforded the Miners the 17-0 edge at the break.

UTEP was a bit sluggish to christen the third quarter and SMU took advantage with two touchdown passes by Slater. Slater, who was playing for suspended starter Justin Willis, found Bobby Chase and Emmanuel Sanders for throws of 19 and 18 yards, respectively, to close the gap.

The Mustangs then moved ahead for the first time of the night after a Thomas fumble at the SMU 20-yard line was returned 80 yards for a score.

The Miners kept their composure with Jordan Palmer engineering the eventual game-winning drive. Palmer, who threw for 271 yards on the night, picked up 51 of them during the series to set the stage for Thomas.

GAME 6 - TULANE

Oct. 14, 2006

UTEP 34
TULANE 20

Spurred on by Jordan Palmer's three touchdown passes and a Johnnie Lee Higgins, Jr. 88-yard punt return for a score, UTEP cruised past Tulane, 34-20, at the Sun Bowl to complete its first three-game homestand sweep since 1965.

Higgins became the first Miner to score a touchdown off a return in back-to-back games in 40 years.

The Miners dominated time of possession, controlling the clock for 36:27 to the Green Wave's 23:33. And while UTEP's defense allowed 481 yards of offense, it countered by forcing five turnovers. Three of them ended Tulane drives in UTEP territory.

After a quiet first quarter in which Reagan Schneider's 30 yard field goal accounted for the only points, the Miners exploded for 21 points in the second period. Joe West grabbed a 19-yard pass from Palmer to start things off.

Tulane got on the board thanks to a 37-yard field goal by Ross Thevenot, but UTEP answered with a pair of touchdowns in the final four minutes to take a commanding 24-3 lead into halftime.

First it was Palmer finding Jamar Hunt from three yards. On the ensuing possession, Tulane's drive was halted at its own 39-yard line. Chris Beckman unleashed a booming punt that sent Higgins back to the UTEP 12. After catching it, Higgins brought the crowd to its feet with an electric return for the score.

After the two teams traded field goals to open the quarter, the Miners seized their largest lead of the game, 34-6, thanks to Higgins reeling in a 39-yard strike from Palmer.

Tulane scored twice in the final quarter to make it more respectable. Both touchdowns came on runs by Matt Forte, whose efforts of 147 yards on just 17 carries were wasted.

HOUSTON 34
UTEP 17

A promising first half of football was followed by a challenging second half as UTEP fell at Houston, 34-17. The Miners led at the break, 17-10, before the Cougars came alive to secure the win.

UTEP was limited to 33 yards of offense in the second half, allowing UH the opportunity to rally. The Cougars did just that, scoring three touchdowns and a field goal in the final 21 minutes. Kevin Kolb passed for 208 yards and two touchdowns to become Conference USA's all-time total offense leader and key the comeback.

The Miners, who registered 203 yards in the opening period, were limited to 236 for the game. Jordan Palmer accounted for 206 of the yards on 19-of-31 passing, with Johnnie Lee Higgins, Jr. racking up 122 yards receiving.

Houston started the scoring with a 35-yard field goal by Ben Bell. The Miners responded with 14 straight points, courtesy of a pair of Marcus Thomas touchdown runs. The first capped an eight-play, 80-yard drive.

Kolb found Roy Otis on a 13-yard pass to slice into the lead. Schneider then drilled a 41-yard field goal in the final minute of the half to afford the Miners the 17-10 edge entering the locker room.

Midway through the third quarter, Houston evened the score after Kolb connected with Donnie Avery for a 37-yard touchdown toss. Palmer was picked off on the ensuing possession, which gave the Cougars the ball at the UTEP 25. UH took advantage of the field position, with Anthony Alridge scoring on a 14-yard scamper four plays later.

Bell nailed a 42-yard field goal with 12:49 left to increase the lead to 10, before an Alridge 15-yard touchdown run late in the quarter sealed the game.

TULSA 30
UTEP 20

A 20-6 lead vanished in the second half as Tulsa roared back to knock off UTEP, 30-20, at Skelly Stadium.

The Miners took their largest lead of the game early in the third quarter after Jordan Palmer found Johnnie Lee Higgins, Jr. for a 69-yard touchdown pass. From that point on it was all Golden Hurricane as they scored the next 24 points.

Tulsa sliced the deficit to 20-13 following a Paul Smith four-yard toss to Dan Johnson. After UTEP went three and out, Jared Tracy drilled a 39-yard field goal to bring the Golden Hurricane within four heading into the final quarter.

On the ensuing possession, Chris Chamberlain intercepted Palmer on first down and took it to the house to bestow Tulsa its first advantage, 23-20. The Miners' offense, which was clicking on all cylinders in the opening period, continued to stall down the stretch.

Following another three and out, the Golden Hurricane put away UTEP courtesy of a one-yard touchdown plunge by Courtney Tennial.

UTEP did have its moments, particularly in the first half. The Miners' defense dominated in the opening 30 minutes, limiting Tulsa to a pair of field goals and 117 yards. Additionally, UTEP forced a pair of turnovers.

Palmer completed 21 of 37 passes for 253 yards, including 12 of 16 in the first. Higgins was his favorite target, reeling in 10 passes for 153 yards.

Marcus Thomas accounted for the lone touchdown in the initial half, scampering in from 15 yards to cap a six-play, 83-yard drive. His effort put UTEP up 10-3.

UTEP 31

Jordan Palmer passed for 313 yards and four touchdowns, but it wasn't enough as Rice spoiled UTEP's 75th-homecoming, 37-31.

The Miners trailed 30-10 at the half, before mounting a furious rally which fell just short. UTEP trimmed the deficit to six (37-31) halfway through the fourth quarter, but Quinton Smith helped the Owls run out the clock. Smith, who rushed for a game-high 171 yards, picked up 36 on the final drive to end the Miners' chances for a comeback.

UTEP scored the first points of the game early in first quarter after Reagan Schneider drilled a 49-yard field goal. The Owls responded with 14-straight points, courtesy of a pair of touchdown tosses by Chase Clement. Palmer brought the Miners back within four (14-10) after connecting with Marcus Thomas on a 25-yard scoring strike.

Rice did not flinch, countering with two more touchdowns and a safety to assume the commanding 20-point lead at the break. Smith was a thorn in the Miners' side on both scoring drives. He plunged in from one yard out to cap an 80-yard drive. That was followed by a 64-yard touchdown reception off a screen play.

The Owls tacked on two more points after Ryan Hotchkiss' punt was blocked and the ball went out of the back of the end zone.

An inspired Miners squad came out of the locker room to start the second half. Emeri Spence partially blocked a punt to give UTEP great field position, and two plays later Palmer hooked up with Daniel Robinson on a 28-yard touchdown pass.

Smith put the Owls back up by 20 after a 14-yard touchdown run, but the Miners were not done. Palmer directed a pair of long scoring drives, punctuating each with a touchdown pass.

2006 GAME RECAPS

GAME 10 - UAB

Nov. 10, 2006
Birmingham, Ala.
Legion Field (13,809)

UTEP 36
UAB 17

An aerial assault sparked UTEP's offense and lifted the Miners to a 36-17 romp at UAB in front of a national television audience (ESPN).

UTEP racked up 456 yards of total offense, with Jordan Palmer accounting for all but nine of them on 24-of-38 passing with four touchdowns. Johnnie Lee Higgins, Jr. terrorized the Blazers, catching nine balls for 173 yards and two touchdowns. Higgins, who became the all-time leading receiver in school history with the effort, also scored on an eight-yard run.

Mike Price earned his 150th career win in the process, and it was only fitting that it came on a night in which the Miners' offense was on.

It did not appear that UTEP would cruise to the win, as UAB staked a 7-0 lead following a Chris Williams eight-yard touchdown toss to Corey White.

The Miners made it 7-3 after a 44-yard field goal by Reagan Schneider before moving ahead on a 33-yard strike from Palmer to Daniel Robinson.

Swayze Waters connected on a 19-yard field goal to vault the Blazers ahead by one (10-9). It would be the last lead of the contest for UAB, though, as UTEP countered with an eight play, 80-yard drive culminating with Higgins' TD run to secure a 16-10 edge at the half.

UTEP pushed its advantage to 22-10 after Donald Buckram took a swing pass from Palmer and outran everyone on the field for an 80-yard touchdown. The score remained the same until White brought the Blazers within five (22-17) after a nine-yard touchdown run early in the fourth quarter.

That was as close as UAB could get as the Miners had an answer. Palmer capped back-to-back drives with touchdown passes to Higgins to put away the Blazers.

GAME 11 - MARSHALL

Nov. 18, 2006
Huntington, W. Va.
Joan C. Edwards Stadium (20,783)

MARSHALL 49
UTEP 21

UTEP rolled to more than 400 yards of offense but had no answer to Marshall's ground attack, falling 49-21 at Joan C. Edwards Stadium in Huntington.

Ahmad Bradshaw rushed for 261 yards and five touchdowns, including three in the opening half, to lead the Thundering Herd.

UTEP signal caller Jordan Palmer was harassed throughout the game, being sacked six times and throwing three interceptions. He did pass for 386 yards, but only found the end zone on one occasion.

It was a promising start to the contest for the Miners, as James Thomas II put them up 7-0 late in the first quarter with a 13-yard run. Things went downhill from there, though, with the Thundering Herd scoring 35 of the next 42 points to take a commanding 35-14 lead at the break.

Bradshaw scored on runs of six, 25 and seven yards to do most of the damage for Marshall.

The Thundering Herd extended their lead to 42-14 with a time-consuming 79 yard drive punctuated by Bradshaw's fourth tally of the tilt. It took UTEP just one play to answer. Palmer found Johnnie Lee Higgins, Jr. on a swing pass, and the speedy receiver took it 65 yards to the house.

Marshall did not flinch though, marching down the field and pushing its lead back to 28 courtesy of Bradshaw's final touchdown of the contest. The Miners tried to counter in the fourth quarter, but they were unable to put any more points on the board.

For the game, Higgins led UTEP with 119 yards receiving on eight catches. Chris Marrow had nine catches for 79 yards.

GAME 12 - MEMPHIS

Nov. 25, 2006
El Paso, Texas
Sun Bowl (31,462)

MEMPHIS 38
UTEP 19

Despite tallying more total yards of offense, the Miners came up short against Memphis, falling 38-19 at the Sun Bowl to conclude the 2006 season.

Memphis' running attack did in the Miners, with the Tigers rushing for five scores. Joseph Doss carried the load, accounting for three of the touchdowns.

Daniel Robinson was the standout for UTEP, catching touchdown passes from both Jordan Palmer and Kyle Wright. He finished with six grabs totaling 112 yards.

Things started well enough for the Miners, as they vaulted out 3-0 courtesy of Reagan Schneider's career-long 56-yard field goal. Memphis moved ahead after Doss capped a long drive with a two-yard plunge, and the Tigers would lead from that point on.

The two teams traded field goals late in the quarter, and Memphis entered the break with a precocious 10-6 advantage.

The Tigers pushed their lead to 24-6 early in the fourth quarter thanks to touchdown runs by Earnest Williams and Doss. UTEP did not quit, countering with a five-play, 69-yard drive on the ensuing possession which was capped by a Palmer to Robinson scoring strike. The Miners went for two, but were unable to convert.

Any glimmer of hope was erased after Michael Grandberry took Schneider's kickoff 60 yards, giving Memphis prime field position. The Tigers capitalized, with Doss bursting in from eight yards out to put away the game.

Palmer, in his last game as a Miner, finished with 307 passing yards after completing 22 of 37 attempts. He then gave way to Wright, who came off the pine to go four of six for 91 yards and a score.

SUN BOWL HIGHLIGHTS

Larry Durham

► Sun Bowl Highlights

Sept. 21, 1963

Larry Durham ran 54 yards for a touchdown on the game's first play from scrimmage in the inaugural game in the Sun Bowl. The Miners defeated North Texas State 34-7.

Oct. 15, 1966

The Miners' 68 points in a 68-21 win over Texas-Arlington marked the most-ever scored in the Sun Bowl.

Nov. 18, 1967

For the first time in school history the Miners faced a nationally-ranked team, as UTEP hosted sixth-ranked Wyoming. The game featured the first sellout in school history, as 35,023 fans packed a Sun Bowl that seated just 30,000 fans. UTEP took a 13-3 halftime lead before Wyoming stormed back. With seconds remaining, UTEP's Jerry Waddles attempted a 44-yard field goal that went just wide, giving the No. 4 Cowboys a 21-19 win over the Miners.

Sept. 21, 1968

UTEP played its first game as a member of the Western Athletic Conference and walked off the field with a huge 44-15 triumph over New Mexico. Brooks Dawson led the way with 196 passing yards and two touchdowns, and Jeff White added two rushing scores.

Sept. 21, 1974

UTEP snapped a 13-game losing streak with a 34-7 win against Utah.

Sept. 20, 1975

The lowest-scoring game in Sun Bowl history showed UTEP beating East Tennessee State, 6-3.

Oct. 26, 1985

Defending national champion BYU, with a 24-game WAC winning streak, was derailed by the Miners, 23-16. UTEP defensive back Danny Taylor made the game's big play, a 100-yard interception return for a second quarter score that broke a 10-10 tie. The win was UTEP's lone triumph in a 1-10 season.

Nov. 12, 1988

UTEP's 51-point margin of victory against San Diego State in a 58-7 contest was the largest-ever for the Miners in the Sun Bowl.

Nov. 19, 1988

UTEP edged Air Force, 31-24, earning the school its 10th win and a trip to the Independence Bowl in Shreveport, La. UTEP was led by Academic All-American quarterback Pat Hegarty and former Dallas Cowboy Tony Tolbert.

Nov. 12, 1994

With an overtime tiebreaker now in effect, the Miners played what could very well be the last tie game in school history as UTEP and Fresno State battled to a 30-30 deadlock.

Nov. 1, 1997

The Miners upset 25th-ranked BYU, 14-3. Ecstatic Miner fans made ESPN highlights by tearing down the south goal posts, carrying them up through the stands, and depositing them into the base of the mountain. It was the first time in 138 games that BYU was held without a touchdown.

Sept. 25, 1999

Before a sellout crowd of 52,247 – at the time the largest audience ever to witness a football game at the Sun Bowl – UTEP routed rival New Mexico State 54-23. The Miners scored the last 24 points of the contest after the Aggies closed to within 30-23 with 5:47 to go in the third quarter. Paul Smith rushed for 187 yards for UTEP, which had 505 yards of total offense.

Oct. 21, 2000

With first place on the line in the WAC, UTEP scored 23 unanswered points to start the game, rolling to a 23-13 win over Fresno State before 52,085 fans. It marked the third sellout in school history and the second in as many years. QB Rocky Perez completed 20 of 29 passes for 212 yards and one touchdown to lead the way.

Nov. 11, 2000

The largest crowd to ever witness a football game in the Sun Bowl (53,304) saw the Miners clinch a share of the WAC title with a 38-21 win over Rice in the season finale. Fans not only tore down the south goal posts, as they did in 1997 after UTEP upset BYU, but they tore down both sets, depositing the remains over the east stands of the stadium. Pacing UTEP in the win was QB Rocky Perez, who completed 20 of 29 passes for a career-high 320 yards and three touchdowns. TE Brian Natkin and WR Lee Mays each had stellar outings. Natkin hauled in eight passes for a career-best 110 yards, while Mays caught five passes for 111 yards and three touchdowns.

Oct. 19, 2002

Miner fans went home happy on Homecoming after Keith Robinson boomed a school-record 59-yard field goal to beat Rice, 38-35. UTEP had to erase a 21-7 deficit to nip the Owls. After Rice's Kyle Herm hit Marcus Battle for an 18-yard touchdown to knot the contest at 35 late in the fourth quarter, Robinson split the uprights with 11 seconds remaining. Omar Duarte threw for 128 yards and two touchdowns in a relief role to spark the Miner comeback.

Nov. 13, 2004

UTEP and Rice provided another thrilling ball game for football fans in El Paso. A loyal crowd of 43,507 braved the cold and hard-driving rain to watch the Miners hang on for a 35-28 double-overtime victory over the Owls. Two safeties for Rice over the final 5:20 of regulation sent the game into the first overtime. After a three-yard TD pass from Jordan Palmer to Casey Mauch tied the game at 28 in the first overtime, Palmer connected with Johnnie Lee Higgins, Jr. on the very next play – the first play of the second overtime – for a 25-yard touchdown. Rice took its turn on offense. A fourth-down pass interference call on UTEP kept the Owls' drive alive. Then a UTEP face mask penalty gave Rice four downs from the Miner one-yard line. However, on first down UTEP's Quintin Demps stripped the ball from Rice running back Ed Bailey. Robert Rodriguez pounced on the ball to secure the win for the Miners.

► Sun Bowl Facts

The Sun Bowl was completed for the start of the 1963 season and on the opening play from scrimmage, UTEP back Larry Durham broke away for a 54-yard touchdown against North Texas State. The facility was originally designed to hold 30,000 spectators. The second deck on the press box was completed in 1969, and in 1982 extra seating was added. The present seating capacity is 51,500. The new scoreboard was installed in 1983, and new artificial turf was added for the 1994 season. New turf (AstroPlay), scoreboards and a video board were added in 2001.

HARDIN-SIMMONS 34
TEXAS COLLEGE OF MINES 6

The Miners' first-ever bowl appearance was a disappointing one, as Hardin-Simmons rolled past Texas College of the Mines (as UTEP was known at the time), 34-6 at Kidd Field in the Second Annual Sun Bowl.

The Cowboys opened the game with Burns McKinney breaking loose on a 54-yard run. But the Muckers held their ground and staved off the HSU attack. The Cowboys were not held scoreless for long, as Si Addington swept around end for a 12-yard score on the first play following a blocked punt in the next series.

The Miners would respond in the second quarter when O.P. May hit Boyd Arnold with a swing pass that Arnold turned into a 45-yard touchdown. The extra point failed and HSU still led 7-6.

From then on it was all Hardin-Simmons, as the Cowboys scored 27 unanswered points, including touchdown runs by HSU All-Americans Ed Cherry and Pete Tyler to run away with the win.

The Miners were able to amass only 146 yards of total offense. Meanwhile the Cowboys rolled up 511 yards of total offense, including 421 on the ground.

HSU's Addington led all rushers with 142 yards on 16 carries, while Cherry ran for 83 yards and Tyler added 62. Burns McKinney added another 61 yards on four carries, including a 54-yard jaunt in the first quarter. McKinney's efforts were limited by an injury in the first half.

VIRGINIA 21
TEXAS COLLEGE OF MINES 12

West Virginia scored 21 unanswered points during the second and third quarter, and four Miner fumbles helped the Mountaineers to a 21-12 win over Texas College of the Mines in the 14th Annual Sun Bowl.

Pug Gabrel gave the Miners the lead just five seconds into the second quarter when he bowled over the goal line from a yard out. But the score seemed to energize the Mountaineers, who had been unable to get their offense on track in the first quarter.

West Virginia moved 83 yards in eight plays to take the lead at 7-6. Clarence Cox took in a 25-yard strike from Jimmy Walthall to score the go-ahead touchdown.

After the Miners punted to start the second half, West Virginia took the ball 51 yards for its second score. Jim Devonshire took the ball in from the 14 to make the score 14-6 in favor of the Mountaineers.

West Virginia's defense continued to stymie the Miners and the Mountaineer offense took advantage again, driving 57 yards for their third touchdown. Devonshire again took the ball across, this time from two yards out, making the score 21-6.

A late Fred Wendt 60-yard run closed the gap to 21-12, but fumbles ended a pair of other drives and dashed the Miners' hopes.

Wendt led the NCAA in rushing in 1948, racking up 1,570 yards to become the first 1,500-yard rusher in NCAA history.

Wendt finished the day with a game-high 92 yards on 15 carries. Devonshire led West Virginia with 78 yards on 14 carries to lead the Mountaineers.

TEXAS WESTERN 33
GEORGETOWN 20

Texas Western, the national leader in rushing yards per game, ran for 348 yards on its way to a 33-20 win over Georgetown in the 15th Annual Sun Bowl.

The Miners shut down the Hoyas in the first half, taking a 13-0 lead into the locker room. They would extend that lead to 20-0 before Georgetown finally got on the board late in the third quarter.

Pug Gabrel raised the lead to 26-7 with his second touchdown of the day, a 19-yard jaunt.

The Hoyas came back when Harry Schmit hit Bob Deacon with a 14-yard strike early in the fourth quarter to cut the lead to 26-13. But Texas Western put the game away with a 51-yard touchdown run by Wayne Hansen.

Each team racked up over 300 yards of offense, as the Miners recorded 372 total yards and Georgetown amassed 308 yards. Most of the Miner yards came on the ground -- 348 yards on 59 carries -- while the Hoyas picked up 226 yards through the air.

Texas Western's Lee Cargile led all backs with 96 yards rushing, while Gabrel added 85. James Hammond and Button Fraser both topped 50 yards on the ground for the Miners.

Georgetown's Gus Fornaciari caught four passes on the day for 114 yards. He had one catch for 41 yards and a 54-yard touchdown reception in the final moments of the contest.

TEXAS WESTERN 37
SOUTHERN MISS 14

The Miners went into the Sun Bowl as overwhelming underdogs to Southern Mississippi. But Texas Western stunned the 14-point favorite Golden Eagles and their fans by jumping out to a 30-0 lead in the first half of the 19th Annual

Sun Bowl.

The Miners then held on for a 37-14 triumph to finish the season 8-2.

TWC quarterback Dick Shinaut was named outstanding player of the game. He threw two touchdown passes and kicked four extra points to amass 19 of the Miners' 37 points. He finished the day 11 of 17 passing for 158 yards.

Texas Western got on the board the second play of the game, when Clovis Riley darted 54 yards to the goal line where he was hit and fumbled. The ball was recovered in the end zone by TWC's John Howle for the Miner touchdown. The play was set up on a 48-yard kickoff return by Shinaut to open the game.

In the first period Shinaut executed a screen pass formation, tossing to Jessie Whittenton for 25 yards and a touchdown.

Shinaut threw a long aerial in the second quarter, hurling 44 yards to John Howle for another Texas Western touchdown.

Southern Miss scored a pair of touchdowns to draw within 16 points, but TWC's Riley dashed 43 yards for the final Miner score.

Riley had a big day rushing, which included the 54-yard non-scoring run in the first quarter and a 43-yard touchdown run in the third quarter. He finished the day with 112 yards rushing on just 12 carries.

The Miners overcame Southern Miss with a plan of attack on the ground and in the air. Texas Western amassed 245 rushing yards and 158 passing yards.

TEXAS WESTERN 47
FLORIDA STATE 20

The biggest single-half offensive explosion in Sun Bowl history led Texas Western to an easy 47-20 win over Florida State in the 20th edition of the game.

Jesse Whittenton provided most of the fireworks, tossing three

touchdown passes and adding another pair of scores on the ground to earn Most Valuable Player honors. Whittenton got things going early, throwing a 56-yard bomb to Rusty Rutledge to tie the game at 7-7 after one quarter.

The second quarter was all Miners, as TWC scored 27 unanswered points in building a 34-7 halftime lead. Whittenton tossed a pair of scores, including Rutledge's second, and ran one in from seven yards out.

The Seminoles would score a pair of second half touchdowns, but couldn't get closer than 20 points.

Whittenton, who also kicked extra points, totaled 17 points. He was seven of 13 for 136 yards passing in the game. Bob Forrest scored a pair of touchdowns on runs of 45 and 11 yards, and had the play of the game when he picked up his own fumble on a kickoff and ran 95 yards to the FSU two-yard line.

Florida State's backfield included (current ESPN analyst) Lee Corso and Buddy Reynolds (a.k.a. actor Burt Reynolds). Corso set up FSU's first score on a 48-yard run to the Miner two-yard line. Corso left the game after just two carries for 50 yards when he collided with Forrest on a fumbled punt return.

GEORGE WASHINGTON 13
TEXAS WESTERN 0

George Washington forced five Texas Western turnovers and took advantage of its opportunities in winning 13-0 in the 22nd Annual Sun Bowl.

The game marked the first shutout in a Sun Bowl since Southwest-

ern University blanked the University of Mexico in 1945, 35-0.

The Miner defense was also strong in the game, but miscues by the offense led to both Colonial touchdowns. Twice the defense stopped the Colonials inside the 10-yard line, including a goal line stand at the six-inch line during the first quarter.

The tone of the game was set early when George Washington recovered a fumble on the Texas Western nine-yard line. However, the Miner defense stood its ground, thwarting a Colonial score.

Though the defense would keep the Colonials out of the end zone, George Washington would score soon after. A 30-yard strike from Ray Looney to Paul Thompson would be all the points the Colonials would need.

A Pete Spera three-yard run on the fourth play of the fourth quarter iced the game for George Washington. The shutout was the first against the Miners in 42 games.

Bo Austin, who was named the game's MVP, led all rushers with 98 yards on 18 carries. His biggest run of the day came on a 47-yard non-scoring scamper in the third quarter to set up Spera's touchdown.

TEXAS WESTERN 13
TCU 12

TCU ran out to a 10-0 halftime lead but, led by Billy Stevens' arm and Joe Cook's foot, TWC came from behind to win the 31st Annual Sun Bowl.

TCU's Kent Nix got the Horned Frogs going in the second period,

leading them to a 35-yard Bruce Alford field goal. TCU then took a 10-0 lead when Nix hooked up with David Smith on an 11-yard scoring pass.

Stevens, the second highest-rated passer in the nation during the 1965 season, threw for 208 yards on 21 completions.

He led off the second half with a 35-yard scoring hook-up to flanker Chuck Hughes, and the comeback was on. Texas Western then drove 70 yards to set up a 21-yard field goal by Cook, tying the game at 10-10.

A fumble late in the fourth quarter by the Frogs at their own 29-yard line gave the Miners good field position for the go-ahead score. Four plays later Cook booted his second field goal to give the Miners their first lead at 13-10.

The Frogs were shut down and nearly out in the second half, with their only score coming on a safety with 43 seconds left in the game. Stevens, who was named the C.M. Hendricks Most Valuable Player, took the snap from center and ran out of the end zone to make the final score 13-12.

UTEP 14
MISSISSIPPI 7

UTEP scored 14 fourth quarter points, and a surprisingly strong defense held heavily-favored Mississippi to just a single score as the Miners defeated the Rebels in the 33rd Annual Sun Bowl, 14-7.

Billy Stevens received his second C. M. Hendricks Award as the game's most valuable player after leading the Miners to two touchdowns in a seven-minute span of the fourth quarter.

The Rebels' touchdown was set up by the lone Miner turnover of the game, an interception by Mac McClure that was returned 46 yards to the UTEP one-yard line. Two plays later Bruce Newell scored to give the Rebels a 7-0 lead.

The UTEP offense finally got into gear late in the third quarter, driving 76 yards for the tying score behind the arm of Stevens. He threw for 64 yards on the drive, including the last five yards on a swing pass to David Karns for the tying score.

All-American Fred Carr, who was named the game's Most Valuable Lineman, forced a fumble two possessions later and the Miners took over at the Rebel 22. Four plays later Larry McHenry bowled into the end zone for the winning score, and the defense took over from there.

The UTEP defense held the Rebels to just 109 yards of total offense and six first downs, while forcing four turnovers. The Miners racked up 276 yards of offense.

Gene Epps led the Miner defense with 12 tackles and one interception on the day, while Carr notched five takedowns and George Daney picked up seven.

SOUTHERN MISS 38
UTEP 18

After a close first half in which Southern Miss had a 10-7 lead, the Golden Eagles scored three third-quarter touchdowns to open up a 24-point lead and roll past UTEP, 38-18, in the 13th Annual Independence Bowl.

The Miners scored first on a 30-yard pass from Pat Hegarty to Reggie Barrett, and controlled the action in the first half. But after a Chris Jacke missed field goal, USM moved 80 yards for the go-ahead score, a three-yard TD pass from Brett Favre to Reginald Warnsley.

Two punt returns for touchdowns by James Henry put the game out of reach. Henry was named Most Valuable Offensive and Defensive Player of the game for his play.

Barrett tied an Independence Bowl record for receptions with nine for 119 yards and a touchdown.

Terry Walker recorded six tackles and a pair of interceptions off Favre, while Ken Sale and Doug Morgan each notched a team-high eight tackles to spark the Miner defense.

Hegarty, a GTE Academic All-American, threw for 203 yards on the day. He teamed with David Flores to set a UTEP bowl game record with 308 yards passing.

COLORADO 33
UTEP 28

Jordan Palmer and Jayson Boyd combined to set five UTEP bowl records, but it wasn't enough as Colorado rallied to edge the Miners, 33-28, in the EV1.net Houston Bowl.

Palmer set marks for passing yardage (328), passing attempts (42), passing completions (22) and

total offense (325) and Boyd had a career-high 140 yards receiving. But the Buffaloes (8-5) held UTEP's high-scoring offense in check in the second half to erase a 21-13 deficit.

The Miners ended the year on their first losing streak of the season, closing out a magical year in which they improved from 2-11 to 8-4.

UTEP scored three touchdowns in the first half, but just one following the intermission. The Buffaloes controlled the clock for 21 out of 30 minutes in the second half.

Colorado moved 57 yards on 11 plays in its first offensive possession. Mason Crosby's 26-yard field goal put the Buffaloes ahead 3-0. UTEP answered with touchdowns on consecutive possessions for a 14-3 lead. First, Howard Jackson scored on a seven-yard run, and later Josh Chamois had a one-yard scamper for six points.

The Buffaloes pulled to within a point (14-13) on a one-yard run by Hugh Charles and a 54-yard field goal by Crosby. Palmer's 17-yard pass to Boyd with 3:08 remaining in the second quarter gave the Miners some breathing room at the intermission.

Two more field goals by Crosby cut Colorado's deficit to 21-19 late in the third. UTEP responded with a four-play, 80-yard drive, capped off by Palmer's four-yard pass to Johnnie Lee Higgins, Jr. for a 28-19 lead.

However, the Buffaloes wouldn't go away. Joel Klatt's 78-yard pass to Joe Klopfenstein with 14:02 left in the fourth quarter closed the gap to 28-26. Colorado regained the lead for good at 33-28 on a 39-yard pass from Klatt to Evan Judge with 8:43 remaining in the game.

TOLEDO 45
UTEP 13

Bruce Gradkowski threw for 298 yards and five touchdowns, leading Toledo to a 45-13 victory over UTEP in the seventh annual GMAC Bowl in Mobile, Ala.

Gradkowski, the game's MVP, threw for three touchdowns in the first half as Toledo built a 28-13 lead. He

out-dued Miner quarterback Jordan Palmer, who passed for 160 yards in the first half before suffering a high ankle sprain.

Palmer completed 14 of 33 attempts for 163 yards. Orlando Cruz, who finished the game, was three of seven for 29 yards.

Toledo drove 79 yards for a touchdown on its opening possession, as Gradkowski connected with tight end John Allen for a 10-yard score.

The Miners dented the scoreboard with 1:52 remaining in the period on a 34-yard field goal by Reagan Schneider, capping a 71-yard drive.

Toledo extended its lead to 14-3 on a fourth down, 33-yard touchdown pass from Gradkowski to David Washington - his first career reception for a score - with 10:41 remaining in the half.

Thirty-six seconds later David Thomas picked off Palmer for a 37-yard touchdown, and the Miners found themselves trailing 21-3.

UTEP scored 10 straight points to pull to within 21-13. Palmer found Johnnie Lee Higgins, Jr. for an 18-yard score, and Schneider nailed a 23-yard field goal.

But Gradkowski quelled the Miners' momentum by finding Steve Odom for a 31-yard touchdown shortly before the half, leaving UTEP in a 28-13 hole at the intermission.

Odom opened the second half with a 51-yard kickoff return, setting up a 29-yard field goal by Jason Robbins for a 31-13 advantage.

Toledo's Trinity Dawson, who rushed for 124 yards, was named the game's offensive MVP. Mike Alston was appointed defensive MVP after racking up three sacks, and Odom had three kickoff returns for 112 yards to earn special teams MVP.

► NFL HALL OF FAME

Don Maynard

Halfback | 6-0 | 175

1955-57

Colorado City, Texas

Before his professional days, Don Maynard was a All-Border Conference halfback and track star. He was a future draft pick of the New York Giants in 1957, but played only the 1958 season with the team before moving to Hamilton in the Canadian Football League in 1959. A year later, he became the first player to sign with the new American Football League's New York Titans, a team that would later change its name to the Jets. The young New York team struggled for several seasons before they attained any level of respect. Maynard often had to improvise as one of his team's constantly rotating crop of quarterbacks scrambled for his life. In 1965 quarterback Joe Namath arrived on the scene and the resulting chemistry that developed between the two proved to be the perfect mix. While Maynard was a frequent standout for the Jets, he had his biggest day in the 1968 AFL Championship Game that preceded the Jets' stunning upset of Baltimore in Super Bowl III. In New York's 27-23 victory over Oakland, Maynard caught six passes for 118 yards and two touchdowns. His 14-yard grab in the first period gave the Jets the lead and his six-yard catch in the fourth period proved to be the game winner. Although he never led the league in receiving any one season, at the time of his retirement following the 1973 season, Maynard was one of only five players to record more than 50 receptions and more than 1,000 receiving yards in five different seasons. A four-time AFL All-Star, his 633 career catches for 11,834 yards were both pro records at the time. Maynard played 12 seasons with the Jets (1960-72), establishing club records for touchdowns (88), receptions (627), receiving yards (11,732), single-season receiving yards (1,434), single-season touchdowns (14) and single-game receiving yards (228). Maynard, whose jersey (No. 13) was retired by the New York Jets, was inducted into the Pro Football Hall of Fame in 1987.

Ed Bunn

Punter | 6-2 | 181

1990-91

West Lake Village, Calif.

Ed Bunn was the first Miner to earn consensus All-America honors, when he led the nation in punting in 1992. That season Bunn averaged 47.7 yards per punt after punting 41 times for 1,955 yards. He missed the last two games of the season with an injury, but still captured All-America honors from Walter Camp, *Football News* and the *Associated Press*. He became the third Miner to lead the nation in punting, joining Owen Price (1940) and Fred Wendt (1946). Bunn played just two seasons for the Miners, recording the second-highest career punting average in program history (44.5). He also boomed two of the 10 longest punts in school annals – 83 yards versus New Mexico (1991) and 73 yards versus BYU (1992).

Another in the long line of rifle-armed QBs to play at UTEP. Played at UTEP two years (1989-90) and completed 273 passes for 3,609 yards and 21 touchdowns.

Pat Hegarty 1987-88

During his two years (1987-88), the Miners put together a 17-7 record, including a 10-3 mark in 1988, best in the school's history. Threw for 4,593 yards -- fifth-best in school history. Named to the GTE Academic All-America team, and honored with an NCAA Post Graduate Scholarship.

Ken Heineman 1935-38

He was the school's first All-America selection, winning the honor in 1937, 1938 and 1939. Became the first player from the school to get drafted. Heineman was a triple threat player, leading the Miners in rushing, passing and punting from 1937-39. He also had nine interceptions in 1939. He still ranks ninth in career rushing (2,001 yards) and fifth in total offense (4,874 yards).

Jordan Palmer 2003-06

The most prolific passer in school history, Palmer obliterated UTEP records for passing attempts (1,427), completions (851), passing yardage (11,084), passing touchdowns (88), passing efficiency (136.26), 300-yard passing games (16), total offense (11,041 yards), total offensive yards per game (240.0) and touchdowns responsible for (95). Ranks 13th in the history of the NCAA for touchdown passes, 19th for passing yardage and 23rd for total offense. His 3,595 yards passing in 2006 were another school record. The brother of former Heisman Trophy winner Carson Palmer, he was selected by Washington in the 2007 NFL Draft.

Rocky Perez 1997-00

He became only the second quarterback in school history to lead his team to a conference championship and a bowl berth, as the Miners claimed a share of the 2000 WAC title and a spot in the Crucial.com Humanitarian Bowl. Perez currently ranks fourth in career passing yards (5,108) and total offense (5,394). Led UTEP to a 14-3 upset of No. 25 BYU in 1997.

John Rayborn 1995, 97-98

A shining example of overcoming adversity, Rayborn endured injuries, suspensions and academic problems to become a team leader and model citizen after putting his crazy days behind him. He eventually finished his career as a three-year starter, and his name is etched in the UTEP record books in the top 10 in several passing and offensive categories.

Billy Stevens 1965-67

For over 30 years, he held school records for most passes for a season (432) and career (943), yards passing in a career (6,485) and touchdowns for a career (51). His 92-yard pass to Bob Wallace with no time left against Utah (1965) as a sophomore remains the school's longest completion to this day. Threw for 500 yards in his first college game, an NCAA freshman record.

Jesse Whittenton 1952-55

Considered one of the best all-around athletes ever at UTEP. Rushed for 1,351 yards, passed for 1,381 yards, caught 19 passes, intercepted nine passes, brought back 17 punts for 230 yards and returned 20 kickoffs for 375 yards. He also scored 18 touchdowns and kicked 44 PATs before taking his talents to the Green Bay Packers, where he was an All-Pro defensive back.

► Receivers

Arnie Adkison 1985-88

Although much of his talents were used as a blocking tight end, this Hobbs, N.M., native caught 86 passes during his career. He had 10 catches for 200 yards against Utah on a rainy afternoon in 1987.

Reggie Barrett 1987-90

Caught 153 passes during his career (1987-90) for 2,558 yards and 19 touchdowns. Best single game was at Hawaii (1988) when he had 177 yards in receptions. Also totaled 165 yards versus BYU in 1990. Had 50 receptions in 1988 and 58 the following year. His 153 career catches rank fourth at the school.

Jimmy Carpenter 1995-98

This sure-handed receiver finished as a two-time second team All-WAC performer. He led the Miners in receiving in both 1997 and 1998, concluding his career with at least one catch in 22 consecutive games and 37 of a possible 45 games in his UTEP career. He finished with 126 catches for 1,836 yards, ranking him in the top 10 in both categories on the all-time Miner charts.

1998-01**Chris Francies****2002-05**

A steady performer, he ended his Miner career by catching a pass in 43 straight games. Ranks seventh in school history in both receptions (128) and yardage (2,022), as well as ninth in touchdown catches (12). Had four 100-yard games as a senior. Signed a free agent contract with the Green Bay Packers in the spring of 2005.

Johnnie Lee Higgins, Jr.**2003-06**

Capped a spectacular career in 2006 by making two All-America teams (AFCA, *Associated Press*). Ranked second nationally in receiving as a senior, averaging 109.9 yards per game. Also chosen the Conference USA Special Teams Player of the Year by setting a league record for punt return average (23.4). Established school records for receiving yards (3,218) and touchdown catches (32). He enters the 2007 season tied for 20th on the all-time NCAA list for touchdown receptions. Chosen by Oakland in the third round of the '07 NFL Draft.

Chuck Hughes**1964-66**

One of most prolific overall receivers in school history. Had 80 catches in 1965, 162 in his career and 17 against Arizona State in 1965. His 349 yards against North Texas in 1965 was an NCAA record at the time. His 34.9 yards per reception still stands as an NCAA record. Had 19 career touchdown catches. Returned 12 punts for 272 yards and one score, and brought back 36 kickoffs for another 851 yards. Had six catches for 115 yards and one score in the 1965 Sun Bowl.

Cedric Johnson**1993-96**

One of the most talented all-around offensive threats in Miner history. Johnson totaled 92 career receptions for 1,251 yards and 14 touchdowns, and set school and NCAA records for kickoff returns (116), yards on kickoff returns (2,757) and single-season kickoff return yards (1,039 in 1995). Set a school record with a 100-yard kickoff return at New Mexico in 1996.

Ron Jones**1967-68**

Another tight end who needs to be listed among the all-time UTEP greats. Although his totals aren't as impressive as the wide receivers', his talents did not go unnoticed by the Green Bay Packers. He played in the NFL for a few seasons. Returned for an alumni game in the mid-1980s and was the best receiver on the field, according to the coaching staff.

Volley Murphy**1967-68**

Probably the quickest outside threat in the history of the school. He caught three passes at New Mexico (1967) and turned them into scores. Those four catches totaled 234 yards. While his career reception totals are not listed among the school leaders, he scored 19 touchdowns during his two years with the program (1967-68), tied for second in school annals.

Lee Mays**1998-01**

He left UTEP as the school's all-time receptions leader with 200 career catches. The number also ranked seventh in the WAC and 35th all-time in the NCAA. His 2,908 receiving yards ranks second at the school, and he ranks seventh all-time in all-purpose yards with 3,565 yards. Mays' biggest season came as a junior, when he notched 70 receptions for 1,098 yards and an NCAA-best 15 touchdowns. His efforts led UTEP to the 2000 WAC championship and landed Mays honorable mention All-America honors.

Brian Natkin**1997-00**

In 2000, Natkin became UTEP's first unanimous All-America selection, landing first team honors on seven squads. He was a semifinalist for the John Mackey Award, given to the nation's top tight end. Natkin closed out his career with 172 catches for 1,934 yards and 11 touchdowns.

Ed Puishes**1969-71**

Inch for inch, pound for pound (5-10, 163), this guy may have been one of the toughest to play here, although he'd probably have great competition from Chuck Hughes who wasn't much larger. Had 1,000 yards in receptions in 1970, which ranks fifth on the all-time list. Had 12 catches against Trinity on a snowy night in San Antonio (1970). Finished with 138 career catches. Puishes recorded three 170-yard receiving days during his career – Colorado State (198), NMSU (175) and Utah (172).

Bob Wallace**1965-67**

While he was a wide receiver at UTEP, and had the speed to play the position well, the Chicago Bears used him as a tight end. At UTEP, he had 123 catches, including 48 in 1965. Was on the receiving end of UTEP's longest pass play -- 92 yards against Utah in 1965 -- giving the Miners a thrilling 20-19 win over the Utes on the last play of the game.

► **Running Backs****Robert Elliott****1974-77**

Third-leading career rusher in school history (2,834 yards). Rushed for 1,011 yards in 1977 to become one of only six athletes ever to crack the 1,000-yard mark in a season. Best single game was 202 yards versus BYU in 1977.

Pug Gabrel**1947-50**

Rushed for 2,321 yards (1947-50), which ranks sixth in school history. Totaled 881 yards in 1949. Gained 178 yards against Hardin-Simmons (1948). One of nine runners to gain over 2,000 yards during his career, and he did it before freshmen were eligible. After retirement, Pug returned to the Miner football squad as a volunteer coach for David Lee.

John Harvey**1985-88**

Became the school's record-breaking running back. Holds school marks for most yards in a career (3,576), and his 232 yards at Colorado State in 1985 rates third-best in school history. Excellent receiver with 99 catches for 775 yards and nine scores. All-time scoring leader with 306 points. Played briefly with Tampa Bay.

Ray Holt**1975-78**

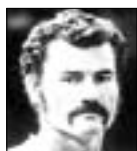

Rushed for 2,069 yards during his four-year career. Left UTEP as the school's all-time all-purpose yardage leader (4,227) and now rates fourth. Best rushing performance was 155 yards at Hawaii in 1976.

Howard Jackson**2001-04**

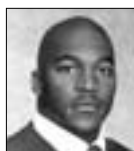

Concluded his Miner career as the school's all-time leader with 6,153 all-purpose yards, including 1,947 on kickoff returns. The slight (5-9, 160) but speedy Jackson ran for 3,466 yards at UTEP -- second in school annals -- despite not seeing much playing time until very late in his freshman year. Two-time first team All-WAC honoree signed an NFL free agent deal with Detroit.

At what position do you list this guy? He caught only 28 passes during his career at UTEP (1955-57), but they averaged 27.6 yards. Yet, he went to the NFL and became one of the greatest receivers ever to put on a uniform, playing in a Super Bowl with the Jets. He is now a member of the elite NFL Hall of Fame – the only former UTEP player to be so honored. While he caught only 28 passes during his UTEP career, Maynard averaged 5.4 yards each time he carried the ball (154-843) and scored nine rushing TDs, with 10 on receptions. He also returned punts (21-250) and kickoffs (12-275).

Toraino Singleton**1994-95**

A local product who broke many of the UTEP rushing records. In two years in a Miner uniform, he recorded 2,635 rushing yards and 19 touchdowns, figures which rank him fourth and tied for sixth, respectively, on the UTEP records. Holds the UTEP record for rushing attempts in a game with 38.

Paul Smith**1996-99**

Elevated himself into an NFL Draft choice (San Francisco 49ers) with a banner senior season. Rushed for 1,258 yards and 12 touchdowns in 1999. El Pasoan had 10 career 100-yard rushing games, including seven as a senior. A strong, punishing blocker who ended his career with 2,539 yards rushing, fifth in school history. Rushed for over 180 yards three times. He did it twice in 1999– San Jose State (188), New Mexico State (187) – and once in 1998 at New Mexico State (184).

Fred Wendt**1942,46-48**

The only player in UTEP history to rush for over 300 yards, burning New Mexico State for 326 in 1948. He still holds the record for most yards (1,546) in a season, a record which has been in the books for over 50 years. His 2,166 yards is seventh-best on the career charts. Upon graduation he held the NCAA record for single-season rushing yards, single-season scoring (152 points), single-game rushing (326 vs. New Mexico State) and single-game scoring (42 vs. New Mexico State). He still ranks first in single-season scoring and single game scoring. His single-season rushing yards record would stand until 1969, when O.J. Simpson of USC broke the mark. Earned All-America honors in 1947 and 1948.

► **Offensive Linemen****Kevin Belcher****1980-82**

Went high in the NFL draft to the Giants, although he never played on a team that won more games than it lost during his stay at UTEP. His pro career was cut short due to an offseason auto accident.

Bill Brown**1965-67**

Was a force for the Miners when the three teams he was with fashioned a 21-9-1 record and won two Sun Bowl games, beating TCU in 1965 and Ole Miss in 1967. Turned aside offers to play professionally to become an attorney.

Carey Clayton**1997-00**

One of three Clayton brothers to suit up for the Miners. Clayton was a four-year starter for the Miners, making 45 consecutive starts. Clayton was a two-time All-WAC selection and was on the 2000 WAC championship team.

Trey Darilek**2000-03**

Would have started every game for UTEP over four years, had he not missed a portion of the 2002 campaign with a torn MCL. Member of the WAC title squad in 2000, when he was a freshman All-American. Chosen by Philadelphia in the fourth round of the 2004 NFL Draft.

Raymond Evans**1942,46-47**

Came to the Miners as a promising young halfback in 1942, but after World War II, was moved to tackle. He was one of the key reasons for the post-war success of the Miners. Evans was a two-time All-Border Conference pick (1947-48). He landed first team AP Little All-America honors in 1948.

Earnest Keily**1946-49**

A top-notch pulling guard that was a three-time first team All-Border Conference pick (1947-49), as well as a two-time AP All-American. He led the way for Fred Wendt's NCAA record-setting 1,546 yards rushing in 1948.

Sean Kugler**1985-88**

One of the reasons the Miners had such a prolific passing attack during the late 1980s was because of his pass blocking. Also helped the 1988 team post a 10-3 record and play in the Independence Bowl. Offseason accident prevented an NFL career.

Joe MacEsler**1983-86**

May be one of the biggest men ever to put on a UTEP uniform (6-7, 307). He also played with the San Diego Chargers.

Darryl Moore**1990-91**

Many feel he was one of the best offensive linemen to play at UTEP in recent years. Had the size, quickness and strength needed to play the game. Good pass blocker.

Thurman Randle**1966-67**

One of the many reasons the Miners had outstanding teams during the mid-1960s. At 6-6, 266, he was an excellent pass blocker. Played briefly in the NFL with Atlanta.

Rob Sesich**1988-91**

Big, intelligent young man who was named to the All-WAC offensive team. Blocked well for both the pass and run. Named to the WAC All-Academic team for four years. Named GTE Academic All-American and was awarded an NCAA Post Graduate Scholarship.

James Spady**1985-88**

Four-year starter and two-time All-WAC center, although he wasn't the biggest man on the field at any time. Carried 230 pounds on a 6-2 frame and helped his 1988 team to a 10-3 record, best in the school's history.

► **Defensive Linemen****Don Croft****1968-71**

Developed into an outstanding player during his three years (1969-71). Later picked up his paychecks from the Buffalo Bills of the NFL.

George Daney**1965-67**

Although he played on the defensive line at UTEP (1965-67), he was moved to center by the Kansas City Chiefs, where he played for seven years before retiring due to a neck injury. Helped the Chiefs win the Super Bowl in 1970. Came to UTEP when Detroit dropped its football program. Played in two Sun Bowl games. Daney and Fred Carr are UTEP's only first round draft picks.

Wayne Hansen 1947-49
Played at UTEP for three years in the late 1940s before moving on to the NFL, first with the Bears and later with the Cowboys. Hansen was the center and nose tackle for the Miners from 1947-49, earning All-Border Conference honors as a senior. Old-time observers still rate him as one of the best in the school's history.

Chris Mineo 2002-05
Was on his way to a blockbuster senior year (2005) with eight tackles for losses and six sacks in the first four games, before injuring his ankle and missing most of the remainder of the season. Still deserves a spot among the all-time greats by ranking second in career sacks (16.5) and ninth in tackles for losses (30.5) at UTEP. Signed a free agent contract with the Washington Redskins in the spring of 2006.

Carlos Scott 1978-81
One of the strongest players ever to come out of UTEP, where he was a two-sport letterman. Helped the Miners win track national championships with his shot put and discus skills. Was drafted by St. Louis of the NFL and Arizona of the USFL. Played for a time with the Cardinals.

Joe Terry 1984-87
Quick athlete who played for two different coaching staffs. His last year (1987) produced seven wins, most during his career. Good pass rusher. His hard work paid off, as Terry landed first team All-WAC honors as a senior.

Tony Tolbert 1986-88
Completely lost on the depth chart until Bob Stull arrived and his talents were quickly recognized. By his senior season (1988) he had become a force for the defensive unit. A member of the 1992-93 Super Bowl champion Dallas Cowboys.

Brian Young 1995-99
Chosen the 1999 WAC Defensive Player of the Year, then picked by the St. Louis Rams in the 2000 NFL Draft. Led the Rams to Super Bowl XXXIV in 2001. Had 16 tackles for losses as a senior, tied for fourth in school annals. El Paso native ended his Miner career with 14.5 sacks and 32 stops for losses, totals which rate fifth respectively in school history.

► Linebackers

Hal Barnett 1975-76
He recorded 407 career tackles from 1974-76 from his middle linebacker position. Had 185 tackles in 1975, the second-best seasonal output in school annals. He had 107 solo tackles and another 78 assisted, averaging 16.8 tackles per game. He also had 28 tackles for loss during his career, with 13 coming in 1975.

Fred Carr 1965-67
Would be hard to start this part of the program without this guy, probably the best overall linebacker in the school's history. He was equally tough in the NFL while a member of the Packers. Named All-Pro three times, and the Pro Bowl MVP in 1975. Carr led the Miners to a pair of Sun Bowl wins in 1965 and 1967. In 1968, he became the highest overall draft pick in school history, when the Green Bay Packers selected him fifth overall in the first round. Carr was inducted into the Green Bay Packer Hall of Fame in 1983.

Micheal Comer 1993-96
Made his collegiate debut as a freshman in 1993 with 15 tackles, 11 of those solos, at North Carolina. By the time he completed his career in 1996, Comer ranked sixth all-time at UTEP with 437 tackles. In 1995, he amassed 152 tackles. Comer was a first team All-WAC selection in 1995 and 1996, and second team in 1994. Signed a free agent contract in 1997 with Arizona.

Thomas Howard 2002-05
Quite the success story, he started his Miner career as a 190-pound walk-on defensive back. He metamorphosized into a 240-pound linebacker and was taken by Oakland in the second round of the 2006 NFL Draft -- UTEP's highest selection in 37 years. Chosen the preseason defensive player of the year in the Lone Star State by *Dave Campbell's Texas Football* magazine heading into his senior year -- the first Miner player to be recognized in the 46-year history of the prestigious publication.

Gene Jackson 1965-66
He is being listed as a linebacker but in those days (1965-66) he probably would have been called a defensive end. Today he'd be listed as an outside linebacker at UTEP. At any rate, he carried his talents to the NFL where he played for a period with the Browns.

Seth Joyner 1982-85
Another player who should be at the top of the list. Came to UTEP as an undersized walk-on. Hours in the weight room helped him and the team. Had 325 takedowns in his career. Considered to be one of the NFL's top linebackers in the 1990s.

Gene Mack 1968-70
After he left the UTEP program following the 1970 season, he played several years in the Canadian League.

Doug Morgan 1986-89
Another walk-on who made good. Came to UTEP as a defensive back but was moved to linebacker by the Bob Stull staff. Left UTEP as the all-time tackle leader with 523 stops during his career (1986-89), and now ranks second.

Robert Rodriguez 2001-04
One of the more popular players in school history, El Paso native put up monster numbers on the field. Ended his career with a whopping 443 tackles -- fifth in school history -- and led the WAC in tackles three of his four seasons. Chosen the WAC Defensive Player of the Year as a senior after logging 121 stops, including 16 for losses. Signed as a free agent with Tennessee in the NFL.

Ken Sale 1988-89
Teamed with Doug Morgan to give the Miners an excellent linebacking corps for two years (1988-89). Good pass defender and intercepted three passes against Dan McGwire and San Diego State in 1989.

Barron Wortham 1990-93
Perhaps one of the best to play at UTEP in many years. Named to various All-America teams as a senior (1993) despite being on a team which won only one game. Established the Miner career record for tackles (566). Was chosen by the Houston Oilers in the 1994 NFL Draft.

► Defensive Backs

Ron Bostwick **1962-65**
Played the run very well but he also could sniff out the pass, intercepting seven balls in 1965, the year the Miners beat TCU in the Sun Bowl. Had 13 career interceptions.

Gerald Campbell **1949-51**
Played at a time (1949-51) when the passing game hadn't hit its popularity. Still, he made 10 career interceptions, including five in 1950.

Grady Cavness **1966-68**
Had 11 career interceptions (1966-68) and played the run extremely well. First team All-WAC selection who played for a time with the Denver Broncos.

Eddie Forkerway **1976-79**
Was never a member of a winning team (1976-79) yet he still managed to intercept 10 career passes, including seven in 1978. He had 111 return yards during his career.

Danny Taylor **1982-85**
Had five interceptions in 1985 including two against BYU, the night the Miners upset the defending national champions. Had seven career interceptions.

D.J. Walker **1999-02**
Picked off 16 enemy passes, second in school history, in four seasons with the Miners (1999-02). Credited with 283 tackles during his career. Led the WAC in tackles his senior year with 116. Earned All-Conference recognition for three years and rated sixth in the country in solo stops in 2002.

Adrian Ward **2003-04**
Junior college transfer made the most of his two years in a Miner uniform, putting up 98 tackles, eight interceptions and 18 pass break-ups. Garnered first team All-WAC honors as a part of UTEP's eight-win squad in 2004, and was selected by Minnesota in the NFL Draft.

Charlie West **1965-67**
Could have played on either side of the ball but the coaching staff (1965-67) used his considerable skills in the secondary, although he often was used in obvious passing situations. Still holds school records for career (19), season (11) and game (four) interceptions. Also returned punts. Taken in the baseball and NFL drafts. Played in the NFL for a dozen years.

► Kickers

Bryce Benekos **2001-04**
Closed out his career ranked second in school history in punts (254) and punting yardage (10,468). Had a 41.2-yard career punting average, including 44.1 as a junior and senior. Coming off a first team All-WAC senior year, agreed to a free agent deal with the NFL's Green Bay Packers.

Ricky Bishop **1997-00**
Born in Germany, Bishop was a soccer player first and took up placekicking in high school. He was a three-time All-WAC performer and a semifinalist for the Lou Groza Award as a sophomore. For his career, Bishop connected on 96 of 103 point-after attempts (.932) and 42 of 58 field goals (.724). He closed out his four-year stay with the school kicking record (222 points), and now ranks second in that category.

Ed Bunn **1991-92**
First UTEP player ever named to the Walter Camp All-America team (1992). In 1992, he averaged 47.7 yards on his 41 punts to lead all NCAA punters. Won the AT&T Long Distance award for best punting in the nation in 1992. Also was chosen to the All-WAC team.

Hugo Castellanos **1984-87**
Left UTEP as the all-time leader in field goals (38 - now ranks third) and ranks third in career field goal percentage, hitting 38 of 51 (.745). He also nailed 11 of 14 (.786) in 1984. Castellanos also converted 75 of 79 career PATs.

Chris Jacke **1984-86, 88**
Had an All-America season in 1988 when he nailed 25 field goals and 48 PATs. Jacke was near-perfect in 1988, connecting on 48 of 48 point-after attempts and hitting 25 of 27 field goal attempts. He hit four field goals against Colorado State in 1988, the

season he scored 123 points. Finished with 156 points in his career. First kicker taken in the 1989 NFL Draft and was a member of the 1997 Super Bowl champion Green Bay Packers.

Owen Price **1938-41**
Another player that was considered the triple threat - rushing, passing and punting. But it was his punting exploits that earned him acclaim. He led the nation in punting in 1940 (48.0) and 1941 (45.3). Against New Mexico State in 1940, Price rushed for 180 yards and three touchdowns. Price set the NCAA record for passing completions and attempts, when he completed 29 of 55 passes against Loyola-Marymount in 1941. He was Ken Heineman's backup in 1938. Between the two, the Miners earned All-America honors from the quarterback position for five straight years (1937-41).

Reagan Schneider **2003-06**
UTEP's all-time leader for kicking scoring (287 points), field goals (50) and PATs (137). Ranks second in field goal percentage (.746), PAT percentage (.972) and overall scoring on the school charts. Earned first team All-Conference USA honors in 2006, when he was 16-for-20 on field goals and 34-for-37 on PATs. A standout in the classroom as well, he was appointed to the inaugural National Football Foundation and College Hall of Fame National Honor Society.

Jerry Waddles **1966-68**
Still ranks as the school's No. 7 PAT scorer, hitting 61 (1966-68). He kicked 30 PATs in 1967 and still holds the record for most PATs in a game (nine).

Scott Wedell **1981-83**
Scored 165 points in his career. Kicked 35 field goals at UTEP, the fourth-top total in school history, for teams that won a total of six games. Longest field goal was a 58-yarder at Wyoming (1981), a school record which stood for 21 years. He also nailed a 57-yard field goal against BYU in 1982.

Marshall Young **1992-95**
A two-time All-WAC kicker, connecting on 97 of 100 career PATs and 35 of 51 field goals. His 202 points rank third among kickers.

UTEP ADMINISTRATION

UTEP'S PRESIDENT

Dr. Diana Natalicio

University President | 36th Year At UTEP | Saint Louis University, 1961

► UTEP in the National Spotlight

The University of Texas at El Paso has become a national model of excellence in higher education, receiving national and international recognition and support for its academic and research programs.

Among our rankings and awards:

- UTEP ranks **fourth in the nation** in awarding bachelor's degrees to Hispanics; and No. 1 in the nation in awarding bachelor's in engineering to Hispanics -- *Hispanic Outlook in Higher Education*
- UTEP's College of Engineering is ranked the nation's **No. 1 graduate engineering program** for Hispanics -- *Hispanic Business*
- UTEP received both the **Rising Star Award** from the National Action Council for Minorities in Engineering and the **ABET Award for Diversity** in 2006.
- UTEP is featured in **Student Success in College: Creating Solutions that Matter**, by George D. Kuh. The book looks at universities that "create a campus culture that fosters success" and identifies "diverse institutions that do an especially good job of educating students."
- UTEP is **one of only 20 schools in the nation** recognized for creating "a campus culture that fosters success" -- *National Survey of Student Engagement*

Among our research grants, awards and programs:

- UTEP ranks among the top UT System and Texas academic institutions in **research spending**, with about \$46 million in fiscal year 2006
- UTEP is among a consortium of research groups and universities that has been awarded a **\$215 million contract by the U.S. Army Research Laboratory** to manage the Army's High Performance Computing Research Center.

Diana Natalicio was named president of UTEP in 1988.

During her long and distinguished career with the university, Dr. Natalicio has served as vice president for academic affairs, dean of liberal arts, chair of the modern languages department, and professor of linguistics.

Her sustained commitment to provide all residents of the Paso del Norte region access to outstanding higher education opportunities has made UTEP a national success story.

During Dr. Natalicio's tenure as president, UTEP's enrollment has grown to nearly 20,000 students, who reflect the demographics of the Paso del Norte region from which 90 percent of them come:

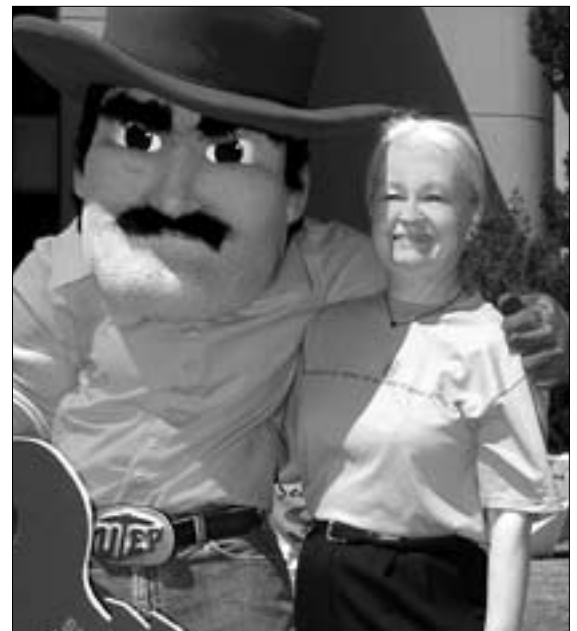

More than 70 percent are Mexican-American, and another 10 percent commute to the campus from Ciudad Juarez, Mexico.

UTEP's annual budget has tripled, from \$80 million to more than \$250 million, since 1988. Recently, UTEP was designated as a research/doctoral-intensive university, recognized nationally for both the excellence and breadth of its academic and research programs.

UTEP's externally funded research expenditures have grown from less than \$5 million to more than \$46 million per year, and doctoral programs from one to 14 during

this same period. To accommodate steady growth in enrollment, academic programs, and research, the university recently completed a \$50 million facilities

UTEP'S PRESIDENT

expansion program and has embarked on a \$124 million upgrade of core science and engineering facilities.

Dr. Natalicio serves on the board of trustees of the Rockefeller Foundation and the board of governors of the U.S.-Mexico Foundation for Science. She has served on the NASA Advisory Committee (NAC), and was appointed by President George H. W. Bush as a member of the Advisory Commission on Educational Excellence for Hispanic Americans. Initially appointed to the National Science Board by President Bill Clinton in 1994, she served two six-year terms as a board member and three two-year terms as the NSB's vice-chair.

She also served on the board of trustees of Internet2. In addition, she is a member of the boards of directors of the Sandia Corporation, Trinity Industries and the National Action Council for Minorities in Engineering.

In recognition of her success in building strong partnerships between UTEP, the El Paso Commu-

nity College, and school districts in the Paso del Norte region, Dr. Natalicio received the Harold W. McGraw, Jr. Prize in Education in 1997.

She was inducted into the Texas Women's Hall of Fame in 1999, was honored with the Distinguished Alumnus Award at The University of Texas at Austin in 2006, and is the recipient of honorary doctoral degrees from Smith College and the Universidad Autonoma de Nuevo Leon.

The American Council on Education awarded Dr. Natalicio the Reginald Wilson Diversity Leadership Award in February 2007 for her contributions

to the advancement of diversity in higher education.

A graduate of St. Louis University, Dr. Natalicio earned a master's degree in Portuguese and a doctorate in linguistics from The University of Texas at Austin.

► UTEP in the National Spotlight (Continued)

- UTEP has been selected to house top security and defense related academic and research centers, including a **Regional Geospatial Service Center**, a **Center for Defense Systems Research**, and an **Intelligence Community Center for Academic Excellence**.

DIRECTOR OF ATHLETICS

Bob Stull

Director of Athletics | 10th Year At UTEP | Kansas State, 1968

►UTEP Athletics 2006-07 Accomplishments

Foster and Stevens Basketball Complex Announced

The state-of-the-art \$13.3 million facility will feature a practice court, strength and conditioning center, sports medicine center, academic/film room, coaches' offices, locker rooms, equipment room and lounge for the UTEP men's and women's basketball programs. Groundbreaking is scheduled for August, 2007 with an anticipated completion date of October, 2008.

Mendoza Wins C-USA Title

Senior Gerina Mendoza shot a career-low 207 (68-68-71) to win the Conference USA individual championship by five strokes. Mendoza became the first player in UTEP women's golf history to capture a conference title, and only the second golfer in school annals to achieve this feat. The 2007 Conference USA Player of the Year, Mendoza posted a 73.1 stroke average in 11 tournaments. She finished first at four events and qualified individually for the NCAA Central Regional Championship.

Women's Basketball Enjoys Record-Setting Season

Led by Conference USA Freshman and Newcomer of the Year Jareica Hughes, the Miners established school records for most wins (22), fewest losses (eight), home victories (16), single-game attendance (7,212 versus Memphis), points (2,063), assists (510) and steals (343). Hughes paced the squad in assists (137), free throws made (88), free throws attempted (113), scoring (12.9 ppg), steals (78) and three-pointers made (34). Joining Hughes on the C-USA All-Freshman Team was Timika Williams, who was first on the club in rebounding (7.0 avg.) and third in scoring (9.2 ppg). The Miners opened the season 11-1, earning votes in the *Associated Press* top-25 poll for the first time in school history.

Cross Country Repeats as Champs

The Miner harriers scored a meet-record 21 points to claim the C-USA title. Sophomore Patrick Mutai captured his second straight individual championship by running the 8k race in 24:31.96. Junior Stephen Samoei was second, freshman Nicodemus Ng'etich fourth, sophomore Japheth Ng'ojoy sixth and sophomore Dominic Kiprono Tanui eighth. Samoei, the C-USA Athlete of the Year, earned All-American honors by placing 13th at the NCAA Championship.

Bob Stull's initial strategic plan resulted in unprecedented growth and achievement for UTEP Athletics. Phase two of his strategic plan -- which is currently being implemented -- is designed to take the Miners to even greater levels of excellence.

UTEP's football coach from 1986-88, Stull took over as the school's Director of Athletics in 1998. His return has produced a myriad of accomplishments, most notably:

- The football team making three bowl appearances, including two in the last three years under the direction of former National Coach of the Year Mike Price
- The men's basketball program reaching postseason play in three of the last four seasons, including the NCAA Tournament in 2004 and 2005
- The women's basketball team enjoying a record-setting 2006-07 campaign, notching 22 victories and garnering votes in the *Associated Press* top-25 poll for the first time in school history
- The women's soccer team earning its first-ever NCAA Tournament bid in 2005 and scoring a first round upset of Texas in Austin
- The cross country and track and field squads capturing seven conference titles over the last three years
- The rifle program finishing eighth in the nation in smallbore in 2005

Team success, however, doesn't even begin to tell the story of the impact Stull has made at UTEP. Student-athlete graduation rates have soared since his arrival. Existing facilities have been renovated, and sparking new buildings -- once a pipe dream -- have taken shape. The acquisition of major gifts has totaled \$30 million over the last four years, an all-time high.

Stull spearheaded UTEP's transition from the Western Athletic Conference -- the Miners' home for over 30 years -- into Conference USA. As a member of C-USA UTEP has maintained rivalries with state institutions Houston, Rice and SMU, while benefiting from increased regional and national exposure.

Stull's greatest achievement off the playing field has been widespread enhancements to UTEP's athletic facilities. The \$11 million, 65,000-square foot Larry K. Durham Sports Center opened in 2002 and features a 10,000-square foot strength and conditioning center; a sports medicine center; a student-athlete lounge and computer center; a football locker room; football coaches' offices; football positional meeting rooms; and a "Hall of Champions" which is utilized for numerous athletic department functions.

In 2005 construction was completed on the state-of-the-art, \$2.2 million Helen of Troy Softball Complex. Not only does the breathtaking facility serve as a home to UTEP's newest athletic team, but it also houses coaches' offices and locker rooms for softball and soccer.

Groundbreaking for the \$13.3 million, 43,000-square foot Foster and Stevens Basketball Complex is slated for the summer of 2007. The facility will feature a practice court, strength and conditioning center, sports medicine center, academic/film room, coaches' offices, locker rooms, equipment room and lounge for the UTEP men's and women's basketball programs. The building is scheduled to open in October, 2008.

Renovations have also been performed on all existing facilities. These renovations include: new artificial turf, new video boards and scoreboards in the Sun Bowl (football);

new floor, new video boards and scoreboards, men's and women's player and coaches' locker rooms, training room and coaches' offices in the Don Haskins Center (basketball); men's and women's locker room, lounge, lights and bleachers at Kidd Field (track); scoreboards and locker room in Memorial Gym (volleyball); and a complete new field including irrigation and drainage at University Field (soccer).

Stull pledged to renew El Pasoans' interest in Miner athletics when he returned to the city. His plan to increase attendance at football games included adjusting ticket prices and introducing Miner Town to attract more families to the Sun Bowl. Miner Town was created to enrich the pre-game activity surrounding each football game, with food, games, rides and other entertainment for the entire family.

UTEP set school records for football total home attendance (287,394) and average (47,899) during the 2005 season. The Miners again led Conference USA in attendance average in 2006 (42,444). The men's basketball team has played before 18 sellout crowds of 12,000 since 2004, and women's basketball set a school record with an audience of 7,212 for the Memphis game in 2007.

Under Stull's leadership, a new family of logos was introduced. The new logos were designed to produce consistent brand identity and increase product sales. Fans universally accepted the change, resulting in a 400 percent increase in sales the first year alone.

UTEP's current multi-year APR (Academic Progress Rate) is 930 and none of UTEP sports teams have been assessed penalties.

Stull has made the personal development of student-athletes a top priority as well. More than 150 student-athletes participated in community service projects this past year, totaling over 800 hours worth of service.

Stull rejoined the UTEP family after a 10-year absence. He came to El Paso from the University of Washington, where he served as associate athletic director for development for two seasons. While at Washington Stull coordinated the development and fund-raising areas for the UW Athletic Department.

Prior to joining the staff at Washington, Stull spent two years as president and CEO of the Boys and Girls Clubs of King County, Wash. The organization consisted of 11 clubs in the Seattle area serving over 20,000 children, with 300 full and part-time employees.

What Stull is best known for is his coaching exploits on the gridiron, especially as a head coach at Massachusetts, UTEP and Missouri.

At Massachusetts Stull went 3-8 in his first year, then improved to 7-4 in 1985, with the nation's second-ranked scoring defense (11.5 points per game).

Stull arrived in El Paso in 1986 and immediately

produced dividends. From 1971 to 1985 UTEP football teams went through six head coaches and posted just 26 wins. In just three years with the Miners, Stull's charges won 21 games and saw postseason action for the first time since 1967.

The team was 1-10 the year prior to Stull's arrival, but he was able to forge a 4-8 record in 1986, including conference wins over Colorado State and Utah to end the season.

The next year Stull did what was once thought to be impossible -- post a winning season. The 1987 Miners finished 7-4. That season UTEP enjoyed the nation's largest average attendance boost (15,265) to what was then a school-record average of 42,805 fans.

A bowl berth came in 1988, when Stull guided the Miners to a 10-2 regular-season record and a second place finish in the Western

Athletic Conference -- both school records. UTEP played in the Independence Bowl that year.

Stull took over Missouri's football program in December, 1988. His straight-forward, collegiate demeanor resulted in a warm reception at Columbia. Attendance at Faurer Field climbed by an average of 3,000 per game, which was Missouri's first attendance increase in 10 years.

Stull was selected to coach in the 1990 Hula Bowl All-Star Game in Honolulu, Hawaii. He also was selected National Coach of the Week following the Tigers' 30-9 upset of 15th-ranked Arizona State. Probably the most-publicized game of Stull's career was the historic "fifth-down" contest against eventual national champion Colorado.

Stull began his career as the defensive coordinator at Dubuque High School in Dubuque, Iowa. He later started his collegiate coaching career as a graduate assistant at Kansas State, his alma mater.

After Kansas State Stull moved on to Kent State, where he was the offensive line coach and recruiting coordinator from 1971-74.

Next came his long-running association with Washington, as Stull became the Huskies' wide receivers coach under head coach Don James in 1975. After four years of tutoring the wideouts, Stull served as the offensive coordinator and offensive line coach from 1979-84. He was a part of six bowl teams and three Pac-10 championship squads at Washington. The Huskies participated in the Rose Bowl three times (1977, 1980, 1981), and beat Texas, 14-7, in the 1979 Sun Bowl in El Paso.

A native of Davenport, Iowa, Stull holds bachelor's and master's degrees from Kansas State, where he was a three-year letterman and captained the Wildcats in 1967.

Stull and his wife, Kim, have two children -- daughter Shannon, a University of Texas graduate, and son Kevin, who recently graduated from Arizona State. Stull is a member of the National Association of College Directors of Athletics.

► UTEP Athletics 2006-07 Accomplishments (Continued)

Higgins and Palmer Shatter Records, Move on to NFL

UTEP wide receiver Johnnie Lee Higgins, Jr. and quarterback Jordan Palmer were chosen by Oakland and Washington, respectively, in the 2007 NFL Draft. The Miners' all-time leading receiver, Higgins averaged 109.9 yards per game in 2006 to rate second nationally. He was named to the AFCA and Associated Press All-America Teams, and was appointed the C-USA Special Teams Player of the Year. Palmer left El Paso as the school record-holder in every passing and total offense statistical category.

Track and Field Teams Have National Presence Again

The UTEP women's track and field squad took 17th place at the NCAA Outdoor Championship, while the men tied for 27th place. The Miners produced a total of four All-Americans outdoors -- Elias Koech and Stephen Samoei on the men's side, and Erma Gene Evans and Fatimoh Muhammed on the women's side.

Miner Athlete Academic Center (MAAC) Expanded

To better accommodate the needs of all UTEP student-athletes -- and give them the greatest opportunity to enjoy academic success -- the Miner Athlete Academic Center (MAAC) was expanded from 2,000 to 6,900 square feet. The new facility includes a computer lab with 50 computers and four laser printers, nine rooms for individual tutoring appointments, a large quiet area for study hall and classrooms for group tutoring sessions, individual team study blocks, and academic and life skills workshops.

► UTEP's Conference Coaches of the Year Under Bob Stull

Since Bob Stull took over as athletic director, UTEP coaches have earned a total of 15 conference coach of the year honors, and three (Billy Gillispie, Gary Nord, Mike Price) were finalists for national coach of the year.

Requests may be sent by fax (915-747-5444) or e-mail (jdarby@utep.edu), but all requests should be received at least one week prior to the game.

Due to the demand for credentials, media agencies which cover UTEP and the visiting school on a regular basis will receive top priority. Other credentials will be issued according to availability of space. Credentials will be mailed if possible. Otherwise, they can be picked up in the UTEP athletic media relations office or, on gameday, will be available from the parking attendant at the press box lot of the Sun Bowl. Will call opens two hours prior to kickoff.

► Press Box Services

Wireless internet access is available in the Sun Bowl press box. Programs, flip cards, statistics and notes for both teams will be provided prior to each game. Last-minute lineup changes, weather conditions and other information will be relayed through the internal public address system. Play-by-play and statistics are distributed at the conclusion of each quarter. Complete team and individual statistics, a scoring summary, post-game notes and UTEP quotes are available after each game. For fax service, please contact a UTEP athletic media relations staff member. A meal is served in the press box one hour prior to kickoff. Soft drinks and coffee are served throughout the duration of the game.

► Sideline Policy

All photographers and cameramen are granted access to the sidelines with the appropriate credentials. Sideline access generally is limited to newspapers or publications staffing the two teams, national publications, wire services, and local and national television outlets.

Sideline photographers must follow NCAA guidelines, which prohibit access to the bench areas and the stands.

► Gameday Parking

Press parking at the Sun Bowl is available on a limited basis. Requests for parking passes should be made at least a week in advance of the game to Jeff Darby. Media parking is located along Sun Bowl Drive.

► Postgame Interviews

Following a brief cooling-off period, UTEP coach Mike Price and selected players will be available for interviews in the upstairs meeting area of the Miner locker room. The locker room itself is closed.

Jeff Darby will escort members of the media from the press box to the field with five minutes remaining in the fourth quarter.

For visiting team player and coaches' interviews, please consult the visiting team's sports information director.

► Phones

When ordering lines, please contact Jeff Darby at (915) 747-6652 to ensure proper placement along press row.

► Radio

► Practice Coverage/Interviews

Members of the media are permitted to attend practices. Please contact the UTEP athletic media relations office in advance for the status of practice and for clearance into practice. Media members (including photographers) are required to observe practice from the side of the field opposite to the team. Coach and player interviews are permitted before and after practice on Tuesday, Wednesday and Thursday of game week. Player interviews are not permitted on Friday of game week.

The best time to reach coach Mike Price for phone interviews is Tuesday mornings.

All interviews with UTEP players and coaches should be arranged through the media relations office. Media members are asked not to call players at home, unless previously arranged by the media relations office.

MEDIA INFORMATION

► English Language Radio and Television

UTEP Football and Men's Basketball continues on the FM dial for a second consecutive season in 2007! All games -- home and away -- can be heard in El Paso and throughout the Southwest on The FOX, KOFX 92.3 FM. In addition, Miner fans in the Abilene area can tune in for the excitement on KFGL 100.7 FM.

Selected road games will be seen on Time Warner Cable MetroSports Southwest Channel 24.

Those outside of the El Paso area can enjoy an audio stream of all games, an accompanying video stream of all home games, plus Conference USA road games via subscription at the Miners' official athletic department website, www.utepathletics.com.

The veteran tandem of Jon Teicher and Bernie Ricono celebrates its 16th year together calling the Miners' football action.

Jon Teicher
Play-By-Play

Teicher is in his 27th season as the "Voice of the Miners" this fall. A native of Detroit, Mich. and a UCLA graduate, Teicher serves as UTEP's Assistant Athletic Director for Broadcasting. He first arrived in El Paso to call play-by-play for the Diablos minor league baseball team from 1980-84 and again from 1988-92. Teicher has also broadcast professional baseball in Portland, Ore. and in Wichita,

Kan. Additionally he spent a season as the voice of New Mexico State, five years as the host of the popular local afternoon show "Sportstalk" and three years as a sports anchor for CBS-4 Television.

During the season, Teicher hosts the Mike Price and Tony Barbee radio and television shows on The FOX and Time Warner Cable MetroSports Southwest plus Miner Sports Weekly, a half-hour look at UTEP Athletics, also on Time Warner Cable MetroSports Southwest. In the spring and summer months, he is involved in sales and promotions with ISP Sports. Teicher was inducted into the El Paso Athletic Hall of Fame in the spring of 2001.

A former collegiate coach, Ricono spent four seasons as the Miners' defensive coordinator in the mid-to-late '70s. He also coached at Eastern Illinois (with Denver Broncos Head Coach Mike Shanahan) and at the University of Wisconsin-Whitewater.

Since leaving the coaching profession, Ricono spent time as the General Manager of the Southwestern International Livestock Show and Rodeo and currently is the Director of Sponsorships for the El Paso Diablos.

UTEP Football coverage on The FOX starts one hour prior to kickoff with the Countdown to Kickoff Show. The 90-minute postgame show features the Locker Room Report and the popular Miner Talk program, an opportunity for fans to call in and discuss the game.

► Spanish Language Radio

ESPN Deportes 1150 AM will carry all UTEP football and men's basketball games in Spanish for a second straight season in 2007. Omar Ropele (play-by-play) and former Miner Mike Perez (color) are the commentators for football.

Omar Ropele
Play-By-Play

Ropele is in his second tour of duty as a sports anchor for Univision affiliate KINT-TV Channel 26. He returned to El Paso following a one-year stint as sports anchor for KXTX Telemundo in Dallas.

Ropele graduated from the University of Chihuahua with a degree in mass communication.

Before initially joining the staff at KINT-TV, the El Paso native spent four years with XHJUB-TV,

working as a news editor, news writer, news reporter and sports reporter. He also created the sports segment on the morning news show, and was the host of a weekend sports radio program.

Perez played for the Miners from 2002-04, seeing time at defensive back and linebacker. The San Elizario native appeared in 37 games for UTEP, including eight starting assignments.

Perez had a career-high 64 tackles as a junior in 2003, and was credited with 123 takedowns in his Miner career. He also had 11.5 tackles for losses and three sacks. He was on the field for all 12 games in 2004, UTEP's first season under the direction of coach Mike Price. The 2004 Miners finished 8-4 and faced Big 12 North Division champion Colorado in the EV1.net Houston Bowl.

A UTEP graduate, Perez works as an accountant in El Paso. His wife, Daniela, is account executive for Miner-ISP Sports.
