UTEP ATHLETICS**MISSION STATEMENT**

The University of Texas at El Paso is committed to providing a nationally competitive athletics program as an integral component of the educational mission of the university. Athletic programs sponsored shall be in compliance with the highest recognized standards of the institution and its athletics governing bodies. Intercollegiate Athletics will operate in harmony with the university's stated mission and be committed to the intellectual, cultural, physical and social development of student-athletes. In particular, the Intercollegiate Athletics program shall serve as an educational opportunity for student-athletes and as a focal point to bring the student body, faculty and community together. Intercollegiate Athletics will actively support diversity in participation in all athletic programs and operations.

Built in the early 1930s, Kidd Field has been home to several All-Americans, national champions, national record-holders and Olympians.

Named after UTEP (then Texas College of Mines and Metallurgy) professor and athletic booster John W. Kidd, the facility was shared with the UTEP football team until 1962, when the facility became sole home to the track and field team.

The track features an eight-lane Mondo Track, the same surface used for the 2004 Athens Olympic Games. The track was made possible by generous donations from Wayne and Russ Vandenberg of EPT Management and Mark Fry.

In 2003, UTEP renovated its offices and locker room and also added a student-athlete lounge.

The lit facility also houses throws and jumps arenas, making Kidd Field one of the top track-only complexes in the country. Improvements continue to reshape the complex, as new aluminum bleachers were added in 2002. During the summer of 2004, the track was repainted.

Kidd Field will be the site of two home meets this season. The Miners will open the outdoor campaign with the Springtime Invitational on March 31. Then UTEP will host the highly-regarded UTEP Invitational on April 14.

Record times have always been synonymous with Kidd Field. At the 1994 UTEP Invitational, former Miner Olapade Adeniken set the Kidd Field 100-meter record, a blazing 9.95 seconds. Obadele Thompson, then just a freshman, set the world junior 100 record in the same race with a time of 10.08.

In 1996, Thompson topped his mark in the 100 with a wind-aided 9.69, the fastest performance under any conditions in history.

Last season, Churandy Martina won the C-USA title with a wind-aided time of 9.76 in the 100.

BOB KITCHENS

HEAD COACH, 19TH SEASON

In 18 seasons at the helm of the UTEP track and field program, head coach Bob Kitchens has continuously led the Miners to the forefront of the national picture while mentoring gold medalists both on the track and in the classroom.

He has been the architect behind UTEP regaining name recognition as a dominant track and field program throughout the world.

Since being hired as the UTEP head coach in August of 1988, he has accumulated a spectacular coaching resume. Kitchens has produced 118 outdoor All-Americans, 65 indoor All-Americans, 11 cross country All-Americans and his athletes hold 18 of the school's indoor records and 26 of the outdoor records. He has led the Miners to six top-five NCAA finishes (four indoor, two outdoor) and 12 conference titles (five outdoors, four indoors, three cross country). Kitchens was honored seven times by the Western Athletic Conference as the Coach of the Year and was named the Conference USA Coach of the Year at both championships in 2006. He has overseen the training of 18 NCAA champions, 194 NCAA All-Americans and 292 conference champions. He has also sent 22 Miners to compete in the Olympics, including silver medalist Olapade Adeniken (1992, 400 relay) and bronze medalists Obadele Thompson (2000, 100) and Aaron Egbele (2004, 400 relay).

Kitchens has made a career out of molding champions and has become one of the most highly-regarded track and field coaches in the country. In 37 years as a head coach his expertise has produced 228 NCAA All-Americans, 21 NCAA champions, 25 Olympians and 385 conference champions. His teams have finished in the top 20 at the NCAA championships 31 times, and he has overseen the development of 14 teams which have gone on to win conference titles.

Over the years, Kitchens has had the knack for turning the raw talented into the world's elite. He coached the world junior record-holder in the outdoor 100-meter (10.08 by Obadele Thompson) and 200-meter (20.07 by Lorenzo Daniel) dashes and produced the world record-holders in the indoor 55-meter (5.99 by Thompson) and 100-meter dashes. His athletes set NCAA indoor and outdoor championship records in the 200 with Thompson running 20.36 indoors in 1996 (since been broken) and Daniel running 19.87 outdoors in 1988.

Kitchens has made the sprinting events his expertise. At UTEP he has coached eight NCAA champions and had 83 athletes gain NCAA All-America honors -- an average of 4.6 per year -- in sprinting events.

Last year he was named the Mountain Region's Indoor and Outdoor Coach of the Year by the United States Track and Field and Cross Country Coaches Association (USTFCCCA). He was also named the Midwest Region's Outdoor Coach of the Year by the USTFCCCA after leading the Miners to a seventh-place finish at the NCAA Outdoor Championships. His men's team won both the indoor and outdoor C-USA titles and his women's team had its best-ever finish (second) at the outdoor meet.

Kitchens coached 17 All-Americans in 2006 including Mircea Bogdan, Mickael Hanany, Churandy Martina and Jenny Holmroos. Bogdan was the national runner-up in the 3,000-meter steeplechase and was the C-USA Outdoor Athlete of the Year. Hanany was the C-USA Indoor Athlete of the Year and gained three All-America honors during the indoor and outdoor seasons. Martina set the school record in the 100 (9.95), gained three All-American honors and was named the Mountain Region's Outdoor Track Athlete of the Year by the USTFCCCA. Holmroos picked up All-American honors indoors and was named the C-USA Indoor Athlete of the Year.

In 2005, Kitchens helped the Miners close out their Western Athletic Conference tenure in style. UTEP swept the men's indoor and outdoor titles. The Miner men finished 12th at the NCAA Outdoor Championships behind Bogdan's gold medal in the steeplechase and Hanany's silver medal in the high jump. During the indoor season, Adriana Pirtea captured the silver medal in the 3,000-meter run at the NCAA Championships.

Since the inception of the regional meet concept in 2003, Kitchens has had 60 point winners and eight NCAA Midwest Regional champions. His men's squad recorded a second-place finish in 2006.

The Miners were the national runner-up in 1992 with Adeniken winning the 100 and 200 titles and current assistant coach Mika Laaksonen taking the gold in the hammer. Adeniken set the NCAA 100 meet record in 9.97 and was also the world indoor record-holder in the 100 under Kitchens.

Aaron Egbele	2004 bronze, 400 Relay
Obadele Thompson	2000 bronze, 100

at Mississippi State (3)

Falilat Ogunkoya	1996 silver, 1,600 Relay
Falilat Ogunkoya	1996 bronze, 400

Adeniken was not the only Miner to win both the 100 and 200 at the NCAA Championships in the same year under Kitchens' guidance. Thompson pulled off the impressive double during the 1997 season.

Kitchens has also had a fair share of success stories. In 2003, he trained former walk-on Aaron Egbele to All-America honors in the indoor 200 and in both the 100 and 200 outdoors. Egbele, who continues to run professionally, later earned the Olympic bronze medal at the 2004 Athens Olympic Games as part of Nigeria's 400 relay.

Building successful track and field programs has become second nature to Kitchens. He came to UTEP following a nine-year tenure at Mississippi State, where he produced some of the most talented sprinters in the country. Among his various feats at Mississippi State, Kitchens coached 28 NCAA All-Americans including three national champions. His athletes set 34 school records (18 outdoors, 16 indoors) and two NCAA records. One of the highlights of his coaching career came when his 1,600 relay won the 1982 NCAA outdoor gold, the first national title of his career.

In 1988 Lorenzo Daniel set the collegiate record of 19.87, winning the 200 at the NCAA Championships. The record still stands today. Daniels also broke the world junior record in the 200 and established the NCAA record in the 300 under Kitchens.

At Mississippi State Kitchens also started the women's program in 1986 and immediately produced three All-Americans and one Olympian.

Kitchens began his head coaching career at West Texas A&M, serving in that capacity from 1968-79. Kitchens transformed a program which at first consisted of mostly walk-on athletes into a winner. He quickly developed the program and produced six NCAA All-Americans and 70 Missouri Valley Conference champions. He was named the MVC Coach of the Year after leading the Buffaloes to the 1977 MVC cross country and the 1979 MVC indoor titles. Both teams dethroned national-power Southern Illinois, which had won each previous MVC title in the 1970s.

In addition to his coaching duties at West Texas A&M, Kitchens taught bowling, tennis, racquetball and weight training as an instructor in the department of physical education. He earned his master's degree in education from West Texas A&M in 1970.

A four-year member of the track and field team at Texas Tech, Kitchens gained a scholarship after first coming to the program as a walk on. He earned three letters, running the 100 and 200 as well as the sprint relays for the Red Raiders. After exhausting his eligibility he continued to work with the track and field program as a student assistant coach while he finished his degree in education.

Kitchens was born in Plainview, Texas, a small community located on the high Texas plains. He was raised on a ranch outside Silverton, Texas, and lettered in both track and football at Silverton High School.

Kitchens is a member of the prestigious Drake Relays Hall of Fame and the West Texas A&M Athletic Hall of Champions. In addition he was named a top-100 sports legend of the 20th century by the Panhandle Hall of Fame in 2000. Four of his former athletes, including 2006 inductee Andrew Tynes, have been enshrined in the UTEP Track and Field Hall of Fame.

Kitchens has four daughters (Kristy Racz, Janet Pezirtzoglou, Candice Uribarri, Morgandy Barnett) and resides in El Paso.

MIKA LAAKSONEN

ASSISTANT COACH, NINTH SEASON

In his ninth season as an assistant coach at UTEP, Mika Laaksonen has coached two NCAA champions in the javelin and 14 All-Americans in the shot put, hammer and javelin.

In addition, Laaksonen has coached 18 conference champions since 1999.

He also serves as meet director for each UTEP home track and field and cross country competition.

Laaksonen coached Matti Närhi to the javelin national title in 1999, and Angeliki Tsiolakoudi to the 2000 title. Along the way, Laaksonen helped both throwers attain school records and the all-time conference marks in the javelin. Tsiolakoudi also established a then-collegiate record in the event with a toss of 197-8 (60.26).

Last season, he coached five Conference USA champions and one NCAA All-American. Laaksonen had Nina Schvedoff break the school record in the 20-pound weight throw (18.37; 60-3 1/4) and Erma Gene Evans break the Saint Lucia national record in the javelin (55.00; 180-5). His conference champions included Schvedoff (weight and hammer), Correy Harrison (discus), Alex van der Merwe (javelin) and Evans (javelin).

In 2005, Laaksonen guided Harrison -- a walk-on -- to qualification for the NCAA Championships in the discus. Harrison was the 2005 WAC champion in the event and placed fourth at the 2005 NCAA Mountain Regional. He also worked with Schvedoff, who broke the school record in the 20-pound weight throw and won the conference title and Kaisa Kiintonen, who was the conference champion in the hammer. Both Schvedoff and Kiintonen were national qualifiers in the hammer as well.

In recent years he coached All-Americans Janne Vartia in the hammer and Janne Sakko in the javelin. Vartia additionally took weight and hammer WAC titles during the 2003 season.

In 2001, Laaksonen trained three more All-Americans during the outdoor season in Vesa Jäppinen (second, javelin), Vartia (fourth, hammer) and Anne-Laure Gremillet (eighth, hammer). Vartia and Jäppinen won Western Athletic Conference titles during the outdoor season.

Vartia (third, hammer) and Mats Nilsson (fourth, javelin) gained All-America honors in 2000.

In his first season as a coach, he worked with All-Americans Ilmari Verho (sixth, hammer) and Tepa Reinikainen (seventh, shot put).

A former UTEP student-athlete and 1992 NCAA hammer champion, Laaksonen primary works with the throwers and assists with recruiting.

Laaksonen grew up in Finland and spent two years at the University of Technology in Lappeenranta, Finland, where he majored in industrial economics before transferring to UTEP. He was an instant factor as a Miner, winning the 1992 NCAA Championship in both the 35-pound weight throw indoors and the hammer throw outdoors.

Laaksonen repeated his All-American performance in 1993, placing second in the hammer at NCAA's. His throw of 244-3 (74.44) still ranks second all-time among Miner athletes. Following the completion of his eligibility at UTEP, Laaksonen competed in several competitions abroad, including the 1994 European Championships and the 1995 World Championships. While coach Laaksonen no longer throws the hammer competitively, he did finish in the top 50 in the world in 1996 and 1997, including recording a career best of 250-1 (76.22) in 1996.

For his efforts as a Miner, he was enshrined in the UTEP Track and Field Hall of Fame in April of 2005.

Laaksonen received his undergraduate degree in finance from UTEP in 1995 and his masters of economics in July 1998.

PAUL ERENG

ASSISTANT COACH/HEAD CROSS COUNTRY COACH, FOURTH SEASON

The 1988 Olympic gold medalist, Paul Ereng became the first Kenyan to take a collegiate coaching job in the United States when he was named UTEP's cross country and distance coach on Aug. 8, 2003. Now in his fourth season at UTEP, Ereng has already elevated the Miner distance runners to a new level of excellence.

In three and a half years, Ereng has trained an NCAA champion, 13 NCAA All-Americans, 33 conference champions (three cross country, 15 outdoor, 15 indoor) and three NCAA Midwest Regional champions. He has had five athletes named conference Athlete of the Year and six gain conference Freshman of the Year honors. He has also had one runner earn conference Newcomer of the Year honors. In addition, Ereng has had 21 individuals qualify for the NCAA track and field championships and five individuals qualify for the NCAA cross country championships. Following the 2006 season, Ereng was named the national Assistant Coach of the Year for distance by the United States Track and Field and Cross Country Coaches Association.

Ereng has led the Miners to back-to-back Conference USA titles in cross country and has been on staff for four conference track and field titles.

Last fall, Ereng was named the C-USA Coach of the Year leading UTEP to its second-consecutive cross country title. The Miners scored a meet-record 21 points in winning the championship. Patrick Mutai defended his conference title, while Stephen Samoei (second), Nicodemus Ng'etich (fourth), Japheth Ng'ojoy (sixth) and Dominic Kiprono Tanui (eighth) earned All-Conference honors. Samoei was the C-USA Athlete of the Year and Ng'etich was the C-USA Freshman of the Year and the C-USA Newcomer of the Year.

UTEP won five meets during the season, achieving perfect scores twice and defeating second-ranked Arkansas at the Chile Pepper Invitational on Oct. 14. Samoei earned All-America honors by taking 13th at the NCAA Championships.

Ereng had three All-Americans during the 2006 outdoor season, with C-USA Outdoor Athlete of the Year Mircea Bogdan taking second in the 3,000 steeplechase, Mutai finishing eighth in the steeplechase and Fatimoh Muhammed placing fourth in the 800. Ereng's distance runners scored 87 out of 222 points, helping the Miners win the C-USA Outdoor title. Indoors he trained three All-Americans with Tanui finishing third in the 800, Koech taking seventh in the 800 and C-USA Indoor Athlete of the Year and Freshman of the Year Jenny Holmroos placing fifth in the 800. His distance runners chalked up 52.7 percent (88 of 167) of UTEP's points in winning the C-USA Indoor Championships.

In the fall of 2005, Ereng brought the UTEP men's cross country team back to the NCAA Championships for the first time in 13 years. The Miners finished 14th behind All-Americans Samoei (20th) and Ng'ojoy (22nd). Samoei was named C-USA's Runner of the Year.

UTEP advanced to the NCAA championships with a second-place finish at the NCAA Mountain Regional with Samoei (fourth), Ng'ojoy (fifth), Bogdan (ninth) and Mutai (14th) landing in the top 15.

Ereng led the Miners to their first-ever Conference USA title, scoring 23 points behind Mutai (first), Ng'ojoy (third), Samoei (fourth), Bogdan (fifth) and Joe Muñoz (10th). He was named the C-USA Coach of the Year.

In the spring of 2005, Ereng trained Bogdan to the NCAA title and Mutai to a fifth-place finish in the 3,000-meter steeplechase. His distance runners also played a major role in UTEP winning its final WAC title at the outdoor championships, scoring 93 of the Miners' 208.5 points. During the indoor season he had Adriana Pirtea win the silver in the 3,000-meter run at the NCAA Championships.

Ereng came to UTEP after working for the International Association of Athletics Federations (IAAF) as the technical director for the development of

the youth of Africa from 2001-03. While working at the IAAF High Performance Training Center in Eldoret, Kenya, he trained young men and women middle to long distance runners from various African countries.

Ereng's runners won medals in the 800, 1,500, steeplechase, 5,000 and the 10,000 at the 2001 African Junior Championships in Mauritius.

Ereng coached Janeth Jepkosgei, who won the 2002 IAAF World Junior Championship title in the 800, and also had a fifth-place finisher on the men's side.

He molded current Olympic steeplechase champion Ezekiel Kemboi, who ranked third in the world in 2003 in the steeplechase (8:02.49). Kemboi was second in the steeplechase at the 2002 Commonwealth Games in Manchester and was runner-up at the 2003 IAAF World Championships in Paris.

In cross country he trained Simrate Sultan, a top-15 female for the 2003 World Junior Cross Country Championships, and Ali Abdalla, who finished 25th at the World Cross Country Championships on a men's 4K course.

In 2002, Ereng was appointed to head the Kenya World Junior Championships team, which finished second overall.

Along with his IAAF duties, Ereng started and coached the Eldoret Track and Field club.

He is certified by the IAAF with a level two standing for coaching middle and long distance events. He has been the President of the Africa Region V Track and Field Coaches Association, founder and executive member of the Kenya Coaches Commission, president of the National Association of Kenya Olympians and secretary general of the Rift Valley Province Track and Field Association.

Over the years, Ereng has been the recipient of many awards, honors and titles. In 2004 he was inducted into the Drake Relays' Hall of Fame. In 2003 he was given the all-time top-10 achievers medal in track and field by the Atlantic Coast Conference. He received the IAAF's lifetime athletics award in 2002. He was granted Kenya's highest title of the Order of the Grand Warrior (OGW) in 1990. He received the Jumbo Elliott Award for demonstrating quality and leadership off and on the track in 1989. He picked up the Henry Cummings Award as Virginia's top male athlete in 1989 as well.

As an athlete, Ereng was a three-time NCAA champion, a four-time NCAA All-American, the 1988 Olympic gold medalist in Seoul, twice the World Indoor Champion and a former world record holder.

As a freshman at the University of Virginia, Ereng won the 1988 NCAA Outdoor 800 title.

He emerged on the world scene by defeating Joaquim Cruz and Moroccan Said Aouita in the 800 at the 1988 Seoul Olympic Games to take Kenya's first-ever gold medal in the event.

At the 1989 IAAF World Indoor Championships in Budapest, Hungary, he established the world record in 1:44.84. A few days later he claimed his second NCAA indoor title in the 800 and then the NCAA outdoor crown in the spring.

Ereng lost only one 800 race during the 1989 outdoor season in 15 tries. He also had the world's fastest time of 1:43.16 during the season.

He also was fourth at the 1991 IAAF World Championships in Tokyo and was a member of the Kenya Olympic team at the 1992 Barcelona Olympic Games.

Ereng graduated from Virginia in 1993 with a bachelor's degree in religious studies with a minor in sociology.

A native of Eldoret, Kenya, he attended the Starehe Boys Center as a prep.

He and his wife, Fatuma, have two daughters (Jasmine & Victoria) and one son (Paul, Jr.).

CALVIN ROBINSON

ASSISTANT COACH, THIRD SEASON

Now in his third season as UTEP's jumps and multi-events coach, Calvin Robinson looks to carry on the school's grand tradition of All-Americans and national champions. Robinson also overlooks UTEP's domestic recruiting.

Robinson has gained much success since joining the Miners staff. He has trained five NCAA All-Americans, had six athletes qualify for the NCAA Midwest Regional, produced 12 conference titles and had an athlete compete at the 2005 IAAF World Championships in Helsinki, Finland.

Last year, Robinson's athletes helped the Miners win Conference USA titles both indoor and outdoor on the men's side and take second on the women's side outdoors. The UTEP men were the runner-up at the NCAA Midwest Regional and took seventh outdoors and 15th indoors.

Jumper Mickael Hanany gained two All-America honors outdoors and one indoors. He was the C-USA High Point Award Winner and had the Performance of the Meet both indoor and outdoor. He was the C-USA Indoor Athlete of the Year and was honored by the United States Track and Field and Cross Country Coaches Association as the indoor and outdoor Mountain Region Field Event Athlete of the Year.

Hanany took fourth in the long jump and sixth in the high jump at the NCAA Outdoor Championships. He won the long jump, triple jump and high jump at the C-USA Outdoor Championships. Hanany took fourth in the high jump at the indoor national meet and captured the gold in the high jump, long jump and triple jump at the C-USA Indoor Championships.

Hanany had the school's second-best high jump (2.30; 7-6 3/4), third-best long jump (7.89; 25-10 3/4) and fifth-best triple jump (16.39; 53-9 1/4) during the 2006 outdoor season. He also jumped 7-4 1/4 (2.24) in the indoor high jump, which ranks as the third-best jump in school history.

Robinson also worked with two-sport star Johnnie Lee Higgins, Jr., who scored in both the high jump and long jump at the C-USA Outdoor Championships and Daniel Lujan, who scored in the decathlon and heptathlon. Desiree Crichlow finished her career taking third in the high jump and triple jump at the C-USA Outdoor Championships and sixth in the high jump at the conference indoor championships.

In 2005, Robinson trained Hanany who went on to gain NCAA All-America honors in the high jump at both the indoor and outdoor championships. Hanany was the national runner-up outdoors and fifth indoors.

Under Robinson, Hanany was the Western Athletic Conference Male Performer of the Year and the Male High Point Award Winner at both the indoor and outdoor championships in 2005. He became the first-ever conference athlete to win the long jump, triple jump and high jump at both the indoor and outdoor championships. He posted provisional marks indoors and regional qualifying standards with each of his conference-winning jumps.

Hanany went on to compete at the European Championships, the European Junior Championships and the World Championships for France.

Hanany was not the only Miner to have success under Robinson. Higgins scored 19 points at the indoor conference meet and was an NCAA provisional qualifier in the long jump – his first-ever year competing in the event. Higgins was an NCAA regional qualifier in the long jump outdoors and scored 12.5 points at the conference meet. Crichlow additionally competed at the NCAA regional in the high jump.

UTEP won both men's WAC indoor and outdoor titles, largely due to Robinson's jumpers. His unit scored 59 out of 184 (32.1 percent) of UTEP's points indoors and 48.5 out of the team's 208.5 points (23.3 percent) outdoors.

Prior to arriving on campus at UTEP, Robinson spent the previous four years as the jumps coach at Sam Houston State. He also assisted with the sprints, hurdles and relays as well as served as recruiting coordinator in 2003.

During the 2004 season, he coached the Southland Conference champions in the men's 400-meter relay, the women's high jump and the women's 400-meter dash.

He tutored Precious Madison, Sam Houston State's first NCAA Division I All-American, in the long jump in 2001. She was also an NCAA qualifier in the long jump and the 100-meter dash in 2002. He trained Alisha Fowler, the 2003 Southland Conference champion in the high jump. Fowler was also an NCAA Midwest Regional Qualifier.

During his SHSU coaching career, Robinson produced the school record holders in the women's indoor long jump and the outdoor long jump.

He also was the meet director for the UIL Region III-4A Track Championships, the UIL Region III Cross Country Championships and the York Relays.

Robinson holds Level I and Level II (sprints/hurdles) certification from the United States of American Track and Field Association.

In addition to his coaching responsibilities, Robinson was an instructor in the Sam Houston State kinesiology department.

A 2000 graduate of Sam Houston State, he completed his master's degree in kinesiology in 2004.

While a student-athlete, he was an NCAA qualifier in the long jump in 1998 and All-Southland Conference in both the long and triple jumps in 1998 and 1999. He holds the SHSU school record in the long jump with a best of 25-5 1/2 (7.76) and ranks in the school's top 10 in the triple jump (50-8/15.44). He was also a three-year starter on the football team.

Robinson is the father of twin sons Kendall and Kamron, who were born in June of 2001.

AMY HENRY

ASSISTANT COACH, FIRST SEASON

Amy Henry is in her first year as a member of the UTEP coaching staff. She coaches the Miners' hurdlers, multi-event athletes and works with the sprinters.

Henry, a native of Newport News, Va., and a graduate of Hampton University, joined the UTEP staff following a one-year stint as assistant women's track and field coach at Hampton.

At Hampton, she worked with the sprinters, hurdlers, middle distance and distance runners, while monitoring academic progress and assisting with recruiting efforts. She additionally taught physical education and athletic training classes in the Health Physical Education and Recreation Department.

In 2005, Henry aided the Pirates to the Mid-Eastern Athletic Conference (MEAC) titles both indoor and outdoor. She also helped coach two hurdlers and one relay which qualified for the NCAA Championships.

Prior to joining the coaching ranks, Henry worked on her master's degree in developmental kinesiology with a specialization in sports psychology at Bowling Green State University. While at the school she was the coordinator of the GradSTEP program, helping students make the transition into graduate school. Henry also served as an editorial assistant for *The Sport Psychologist* and a research assistant.

In addition, she served as the sports consultant for the Bowling Green softball team which won the 2004 Mid-American Conference (MAC) title.

She has made several academic presentations including at the Women and Sport: Before, During and After Title IX, the Midwest Sport and Exercise Psychology Symposium and the International Society for Sports Psychology.

Her article "Running and Hurdling" has been published in the *Berkshire Encyclopedia of World Sport*.

She had an outstanding collegiate career on the track as well, competing at Bowling Green and Hampton.

She lettered for the Falcons, gaining All-Conference honors in the 100 hurdles and 400 relay at the 2002 MAC Outdoor Championships.

Henry competed as a sprinter and hurdler in track and field, as well as ran for the cross country squad at Hampton during the 1999, 2000 and 2001 seasons. She was Hampton's Most Outstanding Athlete in 1999 and 2000 while earning All-MEAC honors in the 60 hurdles, 100 hurdles, 200, 400, 400 relay and 1,600 relay.

A standout at Menchville H.S. in Newport News, Va., she was an All-American in the 400 relay, 800 relay and 1,600 relay. She still holds the Virginia state record as part of the 1,600 relay.

Henry resides in El Paso.

MARICARMEN VIZCAINO

GRADUATE ASSISTANT COACH, FIRST SEASON

Maricarmen Vizcaino enters her first season as graduate assistant for the UTEP track and field program. She assists all Miner coaches, as well as handles several of the administrative duties.

Vizcaino graduated from UTEP with a degree in kinesiology and a minor in health sciences in December of 2005. She competed for the UTEP track and field team during the 2004 season, running the 400 and 800.

She was also a member of the National Honor Society and Honor's House while an undergraduate at UTEP.

Prior to coming to UTEP, Vizcaino was the Mexican Junior National champion in figure skating in 1998.

Vizcaino graduated from Colegio Latino Americano in Juarez, Mexico, in 2001 with a grade point average of 9.8 (10-point scale).

OLAPADE ADENIKEN

- 1992 NCAA Outdoor Champion - 100
- 1993 NCAA Outdoor Champion - 200
- Fourteen-time NCAA All-American

TED BANKS

- 6 NCAA Indoor Team Titles
- 6 NCAA Cross Country Team Titles
- 5 NCAA Outdoor Team Titles

ZAKARIAH BARIE

- 1983 NCAA Cross Country Champion
- Five-time NCAA All-American

BOB BEAMON

- 1968 NCAA Indoor Champion - Long Jump
- 1968 NCAA Indoor Champion - Triple Jump
- 1968 Olympic Gold Medalist & 23-year world record

EMMITT BERRY

- 1976 NCAA Indoor Champion - Weight Throw
- Five-time NCAA All-American

BERT CAMERON

- 1980 & 1981 NCAA Indoor Champion - 440y
- 1980, 1981 & 1983 NCAA Outdoor Champion - 400
- 1983 IAAF World Champion - 400

CHARMAINE CROOKS

- Six-time All-American
- Four-time Olympian for Canada
- Member of the International Olympic Committee Athletes' Commission.

JEROME DEAL

- Four-time NCAA All-American
- 1979 NCAA Outdoor Champion - 100

FRED DeBERNARDI

- 1972 NCAA Outdoor Champion - Discus and Shot Put

FERNIE DeLaCERDA

- 1971 NCAA Indoor Champion - 2 Mile Relay
- First UTEP relay unit to win NCAA title.

KERRY ELLISON

- 1971 NCAA Indoor Champion - 2 Mile Relay
- First UTEP relay unit to win NCAA title.

PETER FARMER

- 1974 NCAA Outdoor Champion - Hammer
- 1975 NCAA Indoor Champion - 35lb Weight
- Two-time Commonwealth Games Gold Medalist

PAUL GIBSON

- 1970 NCAA Outdoor Champion - 120y hurdles

JOE GICHONGI

- 1976 NCAA Indoor Champion - DMR

ARNOLD GRIMES
 • 1975 & 1976 NCAA Indoor Champion - Triple Jump
 • NCAA record holder in 1975

STEVE HANNA
 • 1980 NCAA Outdoor Champion - Triple Jump
 • 1981 NCAA Outdoor Champion - Triple Jump
 • Two-time Olympian

CYNTHIA HENRY
 • 1986 NCAA Indoor Champion - Long Jump
 • 1986 NCAA Outdoor Champion - Long Jump

ROD HILL
 • 1971 NCAA Indoor Champion - 2 Mile Relay
 • First UTEP relay unit to win NCAA title.

HANS HØGLUND
 • 1973 & 1975 NCAA Indoor Champion - Shot Put
 • 1973 & 1975 NCAA Outdoor Champion - Shot Put
 • NCAA record holder in 1975

HARRINGTON JACKSON
 • 1971 NCAA Outdoor Champion - 100y dash

LARRY JESSEE
 • 1974 NCAA Indoor Champion - pole vault
 • Held the NCAA record in the pole vault during the 1975 season

TØRE JOHNSEN
 • 1982, 1984 & 1985 NCAA Indoor Champion - 35lb Weight
 • Held the world record in the weight throw

GREG JOY
 • 1975 & 1977 NCAA Indoor Champion - high jump
 • 1976 Olympic Silver Medalist
 • Held the indoor world record in 1977

MIKA LAAKSONEN
 • 1992 NCAA Indoor Champion - 35lb Weight
 • 1992 NCAA Outdoor Champion - Hammer

PETER LEMASHON
 • 1981 NCAA Indoor Champion - 1,000
 • 1978 NCAA Outdoor Champion - 800 run

JAVIER MONTES
 • El Paso native, who competed in the 1,500 at the 1952 Olympics

MATHEWS MOTSHWARATEU
 • 1981 NCAA Cross Country Champion
 • Three-time NCAA All-American

JAMES MUNYALA
 • 1978 NCAA Indoor Champion - mile run
 • 1976-77 NCAA Indoor Champion - DMR
 • 1975-77 NCAA Outdoor Champion - Steeplechase

MICHAEL MUSYOKI
 • 1978 & 1981 NCAA Indoor Champion - 3 mile run
 • 1978 NCAA Outdoor Champion - 10,000
 • 1984 Olympic Bronze Medalist

PAUL NJOROGE
 • 1976 NCAA Indoor Champion - DMR

SULEIMAN NYAMBUI
 • 1980 NCAA Cross Country Champion
 • Seven time NCAA Indoor Champion from 1979-82
 • Seven time NCAA Outdoor Champion
 • 1980 Olympic Silver Medalist

ESTHER OTIENO
 • 1979 NCAA Indoor Champion - long jump

MILT OTTEY
 • 1982 NCAA Outdoor Champion - high jump
 • 1982 Commonwealth Gold Medalist

KERRY PEARCE
 • 1968 NCAA Outdoor Champion - Steeplechase
 • 1968 indoor world record holder in the two mile run

PETER ROMERO
 • 1971 NCAA Indoor Champion - 2 Mile Relay
 • First relay unit to win NCAA title

GIDAMIS SHAHANGA
 • 1983 NCAA Outdoor Champion - 5,000
 • 1983 NCAA Outdoor Champion - 10,000

DEBBIE SJOHOLM
 • 1979 NCAA Indoor Champion - mile run
 • 1980 NCAA Indoor Champion - 2000

THOMMIE SJOHOLM
 • 1980 NCAA Outdoor Champion - hammer
 • Seven-time All-American from 1978-80

JENNIFER SMIT
 • 1978 AIAW Indoor Champion - shot put
 • 1978 AIAW Outdoor Champion - shot put

JIM SVENOY
 • 1994 NCAA Outdoor Champion - Steeplechase
 • 1995 NCAA Outdoor Champion - Steeplechase

KIM TURNER
 • 1984 NCAA Outdoor Champion - 100 Hurdles
 • 1984 Olympic Bronze Medalist

ANDREW TYNES
 • 1994 NCAA Outdoor Champion - 200
 • Six-time NCAA All-American

WAYNE VANDENBURG
 • 1969 NCAA Cross Country Team Champions
 • 6 Western Athletic Conference titles (2 cross country, 2 indoor, 2 outdoor)

WILSON WAIGWA
 • 1976 NCAA Indoor Champion - DMR
 • 1977 NCAA Indoor Champion - mile run
 • 1977 NCAA Outdoor Champion - 1,500

SVEIN VALVIK
 • 1977 NCAA Outdoor Champion - Discus

JOHN WEDEL
 • Led UTEP to the 1982 NCAA Indoor and Outdoor national titles

1969 NCAA CROSS COUNTRY CHAMPIONS
 • John Bednarski, Ken Breen, Robert Doyle, Gary Mazziotti, Danny McKillip, Kerry Pearce, Robert Walczak.

THE SUN CITY
EL PASO, TEXAS

El Paso is steeped in more than four centuries of history and culture — a unique blend of 21st century cosmopolitan living, Old West pioneer spirit, and the rich Hispanic culture native to the region.

The average year-round temperature in the “Sun City” is 77 degrees, with 318 days of sunshine.

A wide variety of activities and events await residents and visitors, including the Amigo Airshow, the International Balloon Festival and the Southwestern International Livestock Show and Rodeo. Hiking, marathons and bicycle races are just a few examples of the outdoor activities waiting to be enjoyed in El Paso.

El Paso hosts the oldest independent bowl game in the country, The Vitalis Sun Bowl, which matches powers from the Pac-10 versus either the Big East or the Big 12. El Paso is also the professional home of the El Paso Diablos (baseball) and El Paso Patriots (soccer).

El Paso Facts

Area _____ 239 square miles
Population _____ 700,000
Climate _____ Sunny and dry
Days of yearly sunshine _____ 318
Days of precipitation _____ 47
Average yearly temperature _____ 77 degrees
Temperature by months
December-February _____ High 60/low 31
March-May _____ High 79/low 49
June-August _____ High 95/low 68
September-November _____ High 78/low 49
Yearly amount of rainfall _____ 7.82 inches
Mountains _____ Franklin Mountains, elevation 7,167
Rivers _____ Rio Grande
Parks _____ 166

THIS IS THE UNIVERSITY OF TEXAS AT EL PASO

More than 90 years ago, TNT blasts in the surrounding hills were part of everyday studies at the Texas State School of Mines and Metallurgy.

At the University of Texas at El Paso, as we are known today, it's the range of academic and research opportunities that's exploding like a supernova.

We're putting the stars within our students' reach.

Just ask UTEP alumnus John "Danny" Olivas.

Olivas, a 1989 mechanical engineering grad, is now a NASA astronaut who is scheduled to make his first-ever flight into space in February 2007. He will be part of the shuttle mission STS-117 crew and will work on the International Space Station.

In many ways, Olivas embodies UTEP's mission of providing access and excellence in higher education. He's among the 76,500 students who have graduated from UTEP over the past 92 years.

And like many of our students today, Olivas was a first-generation Hispanic college student, an underrepresented minority pursuing a dream.

UTEP was the launching pad for his successful career.

"I got to explore a lot of job opportunities at UTEP and my professors encouraged me to take on big responsibilities," Olivas says. "They helped me realize that I had control over my own destiny."

Today, UTEP is helping shape the destinies of nearly 20,000 students – the majority of them Mexican-Americans from the El Paso region. But our reach extends beyond this metropolis.

Our location on the U.S.-Mexico border in the heart of the Chihuahuan desert makes UTEP an attractive choice for students and faculty from across the world looking for unique academic and research opportunities.

These opportunities have sent students on journeys they never imagined.

Under the leadership of our top-notch faculty researchers, our students are working on new methods for refining oil using nanotechnology; creating sustainable water supplies and new desalination technologies; and studying air quality along the border.

We're working with rapid-prototyping technology to create surgical models. We're excavating prehistoric villages for clues about ancient indigenous cultures. We're studying a person's memory of a crime to improve eyewitness identification techniques, and we're using biomechanical engineering to improve footwear design.

And if like Olivas our students dream of traveling the universe, they can start at our aerospace systems center where they're developing methods to help spacecraft fly safer.

With these and hundreds of other projects, studies and programs under our wing, we're making significant strides toward becoming the next top-tier research institution in Texas.

We rank third in federal research spending among all UT System academic institutions, with about \$36 million a year. And we are the country's only doctoral research-intensive university with a student body that's predominantly Mexican-American.

For these accomplishments, UTEP is nationally recognized as a model institution of higher learning. Our reputation for achieving excellence is skyrocketing.

The Hispanic Outlook in Higher Education magazine ranks UTEP among the top three universities in the nation in educating Hispanics based on enrollment, and among the top 10 in awarding undergraduate and graduate degrees to Hispanics. *Hispanic Business* magazine ranked us as having the No. 1 graduate engineering school for Hispanics.

We offer more than 80 bachelor's degrees, more than 70 master's-level degrees and programs and 14 doctoral degrees – and counting.

With many more programs and degrees in development, we're opening a universe of opportunities for students.

THIS IS
**THE UNIVERSITY OF
TEXAS AT EL PASO**

UTEP ACADEMIC EXCELLENCE

Dr. Diana Natalicio
President, University of Texas at El Paso

UTEP Quick Facts

- **UTEP is a major urban research** institution located in the heart of the U.S.-Mexico border.
- **UTEP is the only doctoral research intensive** university in the United States with a student body that's predominantly Mexican-American.
- **UTEP's student population** of nearly 20,000 students is 72 percent Hispanic. Approximately 82 percent of its students are from the El Paso region and 9 percent are from Mexico.
- **UTEP offers** 81 bachelor's degrees, more than 70 master's-level degrees and programs, and 14 doctorates – with more on the way. UTEP also offers cooperative Ph.D. programs in nursing and pharmacy with U.T. Austin and the U.T. Health Sciences Center at Houston.
- **UTEP ranks among the top three universities in the nation** in educating Hispanics; and has been ranked as having the **No. 1 graduate engineering program in the nation** for Hispanics.
- **UTEP ranks among the top three** in federal research spending among all U.T. System academic institutions with \$36 million in annual expenditures.
- **UTEP is among a few education institutions** across the nation to receive several top-name prestigious grants, including the Teachers for the New Era from the Carnegie Corporation; the Partners for the Advancement of Collaborative Engineering Education; and the Mathematics and Science Partnership from the National Science Foundation.

"My goal is to graduate as many student-athletes as we can -- 100 percent is the goal."

Head Coach Bob Kitchens

The **MINER ATHLETE ACADEMIC CENTER (MAAC)** was created to provide academic support services to all UTEP student-athletes and is conveniently located in the center of campus. The MAAC is dedicated to promoting the individual and educational goals of each UTEP student-athlete and ensuring compliance with UTEP, Conference USA and NCAA academic eligibility standards. Recognizing that one of student-athletes' greatest challenges is maintaining the balance between academics and athletics, each sport is assigned an athletic academic advisor whose primary responsibility is to serve as an advisor and mentor for student-athletes; to assist with educational goal setting, degree plans, and course selection; and to calculate and certify NCAA academic eligibility. As part of the Three-Part Academic Support Program, the MAAC offers mentoring, one-on-one tutoring, and provides a large study area and computer lab for study hall.

The MAAC is currently undergoing a complete renovation to expand the physical space and the programs offered. The renovation is scheduled to be completed by the end of fall 2006, and will include a computer lab with 50 computers and four laser printers, nine rooms for individual tutoring appointments, a large quiet area for study hall and classrooms for group tutoring sessions, individual team study blocks, and academic and life skills workshops.

The MAAC is open to all student-athletes Monday through Thursday, 7:30 a.m.-9 p.m.; Friday, 7:30 a.m.-5 p.m.; and Sunday, 2-7 p.m.

UTEP ACADEMIC EXCELLENCE

UTEP's Colleges

The **College of Business Administration** aims to contribute to the personal and professional betterment of its students by giving them the background necessary for entry into, and advancement in professional and managerial positions. Nearly 3,000 students enroll in the college, which is accredited by the Association to Advance Collegiate Schools of Business.

The **College of Education** is dedicated to preparing effective teachers, counselors, diagnosticians and school administrators, who will successfully address the problems of schools and other youth-serving agencies. More than 3,000 students enroll in the college each fall. UTEP is accredited by the Southern Association of Colleges and Schools.

The **College of Engineering** is dedicated to preparing students in the fields of civil electrical and computer engineering, as well as computer science, with the best set of skills and knowledge that is vital to succeed in their perspective fields. The college is accredited by the Accreditation Board for Engineering and Technology. The college enrolls nearly 2,500 students.

The **College of Health Sciences** aims to prepare students to assume professional roles and responsibilities as practitioners, educators, administrators, and researchers in a variety of health fields. More than 2,000 students enroll in the college each fall.

The **College of Liberal Arts** seeks to provide student access to intellectually stimulating instruction and creative activities in the humanities, social and behavioral sciences and the arts. The largest college at UTEP, Liberal Arts enrolls some 6,000 students each year.

The **College of Science** strives to inspire and develop a new generation of geologists, biologists and mathematicians, and is dedicated to the highest principles of science. More than 1,500 students enroll in the college and are given the opportunity to do extensive research and analysis to educate fellow students and the community about scientific issues.

UTEP HOUSING
MINER VILLAGE

UTEP has added apartment-style living, the first of its kind on campus, to its community. The new UTEP housing, known as Miner Village, features one-bedroom, two-bedroom and four-bedroom units.

Miner Village's 12 apartment-style residence halls offer several floor plans, from cozy efficiencies to two- and four-bedroom units. Miner Village also features a community building which houses study rooms, a recreation area, private mailboxes and administrative offices.

The units are within walking distance to lectures, labs and other activities, as well as a short distance from the Sun Bowl and the Don Haskins Center.

There are no extended monthly fees in Miner Village – all utilities are included. The units also feature basic cable, laundry facilities, independently controlled refrigerated air, local telephone service and voice messaging.

All residents of Miner Village also have access to free on-campus parking at Miner Village, as well as direct access to the internet from their rooms.

The units have campus security, as well as a housing administrative staff that is available Monday through Friday.

Miner Village

- Local telephone service
- Basic cable
- Internet access
- Laundry facilities
- Free campus parking
- 24-hour campus security
- Recreational areas
- Full kitchens
- All utilities included

FIRST-CLASS FACILITIES
**LARRY K. DURHAM
SPORTS CENTER**

The Larry K. Durham Sports Center opened its doors in August, 2002. Named for successful businessman and former Miner football standout Larry Durham, the 65,000-square foot building, situated adjacent to the Sun Bowl, features:

Hall of Champions

Honoring UTEP's athletic heritage...the room is utilized for university and Department of Intercollegiate Athletics receptions and functions...features include: 11 flat screen TVs (three hanging, eight set into wall); seven swivel banners, showcasing sports currently sponsored by UTEP; and photos of football great Ken Heineman, track and field standout Suleiman Nyambui and the 1966 national champion Miner men's basketball team.

Strength and Conditioning Center

Boasts 11,420 square feet of space (old weight room was less than 5,000 square feet), and is utilized by all UTEP student-athletes...features include: open space with 22 stations for all Olympic lifting; all-new equipment; two office areas, one storage area and a juice bar.

Football Complex

Features include: 12 coaches' offices and one conference room; business center; video equipment room; kitchenette and storage area.

Football Locker Room

First-class and luxurious with 120 individually milled wooden lockers...also features an open meeting area, showers and bathroom facilities.

Sports Medicine Center

Encompasses 4,798 square feet of space (old training room was 2,064 square feet), and is utilized by all UTEP student-athletes...features include: taping and treatment areas; one hot and one cold whirlpool in the Hydro Therapy Center; X-ray and exam rooms.

Athlete Equipment Center

Features include: six dryers and three washers; upper space for storage, sewing machine, etc.; 160 small lockers for student-athletes to store uniforms and practice gear.

Student-Athlete Lounge and Computer Center

Features 14 computers which are utilized by student-athletes between classes and prior to practice...student-athlete lounge has three TVs, vending machines, etc.

Human Performance and Bio Mechanics Laboratory

A Kinesiology lab for students.

Other Durham Center Features

Six football positional meeting rooms; one large football meeting room; separate locker rooms for male and female students and coaches.

CONFERENCE USA

Team C-USA: Dedicated to Excellence

Excellence every day. For Conference USA, dedication to excellence is a common thread in athletics, academics and in the community, and the guiding initiative for the league's promising future. Conference USA features 12 nationally prominent, tradition-rich members in East Carolina, Houston, Marshall, Memphis, Rice, SMU, Southern Miss, Tulane, Tulsa, UAB, UCF and UTEP. This combination enhances men's and women's programs that are steeped in athletic success and academic prowess. Together, we are dedicated to excellence, integrity and leadership in athletics, academics and in our communities.

All C-USA institutions sponsor Division I-A football, along with several other men's and women's athletic programs, many of which compete regularly for NCAA Championships. C-USA sponsors competition in 19 sports - nine for men (baseball, basketball, cross country, football, golf, soccer, tennis and indoor and outdoor track and field) and 10 for women (basketball, cross country, golf, softball, soccer, swimming and diving, tennis, indoor and outdoor track and field and volleyball).

The league sponsors numerous academic awards, including the Commissioner's Honor Roll and the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom. C-USA annually awards six postgraduate scholarships, along with the Sport Academic Award, Scholar Athletes of the Year and the Institutional Academic Excellence Award.
