FLORIDA ATLANTIC SCOUTING REPORT

FAU is coming into the weekend with a 3-2 record in conference play, and is 7-1 at home this season. It is coming off of a victory over Charlotte (3-0) on Sunday. Sydney Nemtuda leads the offense for the Owls with 154 kills. Nikki Lakman is the main setter for the offense with 344 assists, and Kori Varney has 174 digs.

JUST CANT MISS

The Miners have posted a .380 hitting % or higher on two different occasions this year. The first was against Montana (.393), and the most recent coming versus LA Tech (.381). Prior to these two matches, the last time this happened for UTEP was on August 26, 2011 against Southern (.412).

ON FIRE

Cheyenne Jones and Serena Patterson were nearly unstoppable in the sweep against LA Tech this past Sunday. Jones had 14 kills on a .545 hitting clip, and Patterson posted 13 kills and a .550 hitting percentage. This efficiency helped propel the Miners to a .381 hitting percentage as a team, and their first conference victory of the year.

TORRES AND YOST

Alex Torres is ninth in Conference USA in digs per set (3.75) and has totaled 259 digs this season. Mallory Yost is also eighth in the league in hitting percentage (.327), with 122 kills on 272 swings.

YOST AT THE NET

Mallory Yost is leading the squad with 60 blocks. Her current career high for blocks in a season is 64, which was set last year. At the middle blocker's pace of .86 blocks per set, she is set to shatter that previous career best with 90 blocks on the year.

DIGS, DIGS AND MORE DIGS

Libero Alex Torres made history against the Houston Cougars this year. Torres notched 31 digs to become just the 15th player in program history to record 30+ digs in a match.

EFFICIENCY FROM YOST

Mallory Yost had a historic outing against UIW at the Red Raider Classic. The middle blocker recorded 18 kills on just 28 swings, which produced a .593 hitting percentage. This scorching hot hitting clip now sits in record books at third all-time in a five-set match for UTEP.

PATTERSON AT THE PIN

Sophomore Serena Patterson paces the team in kills with 173. This is a new career high for the outside hitter, who posted 165 last season. She is also up to a .178 hitting percentage, which is .070 points higher than her 2018 mark.

ALRIGHT CHEYENNE, GO OFF THEN

Cheyenne Jones is second on the team with 171 kills this season. She produced a career-high 24 kills versus UTW earlier in the year. Against Houston at the Red Raider Classic she locked in 17 kills on a .429 hitting clip, helping boost the Miners to a comeback victory. This season she has improved on her hitting percentage from last year (.186), posting a .222 hitting clip.

NON-CONFERENCE SUCCESS

The Miners are boasting a record above .500 after non-conference play for the first time since 2011. UTEP in the past two seasons combined has only won six out of conference matches. It has already surpassed that mark with seven this year.

C-USA WOES

In 2018 UTEP was only able to win two matches in conference play, and in 2017 the Miners won three. The Orange and Blue last qualified for the conference tournament in 2016 as the eight seed with a 5-9 Conference USA record.

ACE OF SERVES

The Miners have been dominating the serve game in the early part of the season. UTEP has 105 service aces to its opponent's 85. **Syenna Masaki** (19), **Serena Patterson** (18), **Alex Torres** (16) and **Irbe Lazda** (15) have already surpassed double-digit aces on the year.

SETTING THE TABLE

Kristen Fritsche and **Syenna Masaki** have been splitting time on the court at the setter position for UTEP. Masaki currently leads the squad with 348 assists, and Fritsche is right behind her with 297.

IMPROVING THE STANDARD

The Orange and Blue won five matches all of last season. They have already surpassed that mark with eight victories in the first 18 matches this year. During 2018 the Miners were victorious in only one match in Memorial Gym, and in 2019 they have three.

LAZDA MAKING HISTORY

Freshman **Irbe Lazda** has already made her mark in the UTEP record books. She became the first player in program history to be awarded C-USA Player of the Week. The Latvian native garnered the honor after her performance at the Borderland Invitational. During an epic five-set victory over Texas A&M-CC she posted the second-highest hitting percentage (.700) in a five-set match in UTEP history, and recorded 16 kills.

THE WALLIS ERA

Head Coach **Ben Wallis** is entering his first season leading the UTEP volleyball team. He has brought in 10 new faces (five freshmen and five transfers) to round out his inaugural roster. Wallis brings 12 years coaching division I volleyball, and was a staple on the NM State coaching staff for the past six. He helped lead the Aggies to three NCAA tournament berths and three WAC championships.

EL PASO ROOTS

The Miners have a roster filled out with local talent. Seniors, **Erika Sianez**, **Priscilla Sanchez** and **Briana Arellano**, are entering their final seasons playing for their home town. **Emily Perez**, an El Paso High graduate, played her first year of collegiate volleyball at UIW before transferring back to the Sun City. **Sophia Chacon** (Franklin HS), **Jessica Landeros** (Chapin HS), **Sofia Sifuentes** (Coronado HS) and **Abigail Padilla** (Coronado HS) are all freshmen on the squad, representing El Paso on the collegiate level for the first time.

FOREIGN INFLUENCE

UTEP is boasting three players from outside of the U.S.A., on the roster this season. **Martine Kragholm** is entering her sophomore year, and hails from Kristiansand, Norway. Kragholm led the team in solo blocks last season (15) and shared the squad lead in total blocks (64). The sophomore was able to represent her country this past season, and looks to bring that experience to the states. **Irbe Lazda** is the latest foreign athlete to join the Miner family. Lazda is coming all the way from Riga, Latvia, and will be a force in the middle of the court. **Anamarija Mikovic** is a serbian native who played her first two year-sof college volleyball at Lamar University.
