

MEDIA ACTIVITIES

During the Playing Season

During the playing season, a student-athlete may appear on radio and television programs (e.g., coaches' shows) or engage in writing projects when the student-athlete's appearance or participation is related in any way to athletics ability or prestige, provided the student-athlete does not receive any remuneration for the appearance or participation in the activity. The student-athlete shall not make any endorsement, expressed or implied, of any commercial product or service. The student athlete may, however, receive actual and necessary expenses directly related to the appearance or participation in the activity. A student-athlete participating in media activities during the playing season may not miss class, except for class time missed in conjunction with away-from-home competition or to participate in a conference sponsored media day.

Outside the Playing Season

Outside the playing season, a student-athlete may participate in media activities (e.g., appearance on radio, television, in films or stage productions or participation in writing projects) when such appearance or participation is related in any way to athletics ability or prestige, provided the student-athlete is eligible academically to represent the institution and does not receive any remuneration for such appearance or participation. The student-athlete may not make any endorsement, expressed or implied, of any commercial product or service. The student-athlete may, however, receive legitimate and normal expenses directly related to such appearance or participation, provided the source of the expenses is the entity sponsoring the activity.

REDUCTION OR CANCELLATION OF FINANCIAL AID

Institutional financial aid based in any degree on athletics ability may be reduced or canceled during the period of the award if the recipient:

(a) Renders himself or herself ineligible for intercollegiate competition; (b) Fraudulently misrepresents any information on an application, letter of intent or financial aid agreement (see Bylaw 15.3.4.2.3); (c) Engages in serious misconduct warranting substantial disciplinary penalty (see Bylaw 15.3.4.2.4); or (d) Voluntarily (on his or her own initiative) withdraws from a sport at any time for personal reasons; however, the recipient's financial aid may not be awarded to another student-athlete in the academic term in which the aid was reduced or canceled. A student-athlete's request for written permission to contact another four-year collegiate institution regarding a possible transfer does not constitute a voluntary withdrawal.

Institutional financial aid based in any degree on athletics ability may not be reduced or canceled during the period of its award:

(1) On the basis of a student-athlete's athletics ability, performance or contribution to a team's success; (2) Because of an injury, illness, or physical or mental medical condition (except as permitted pursuant to Bylaw 15.3.4.2); or (3) For any other athletics reason

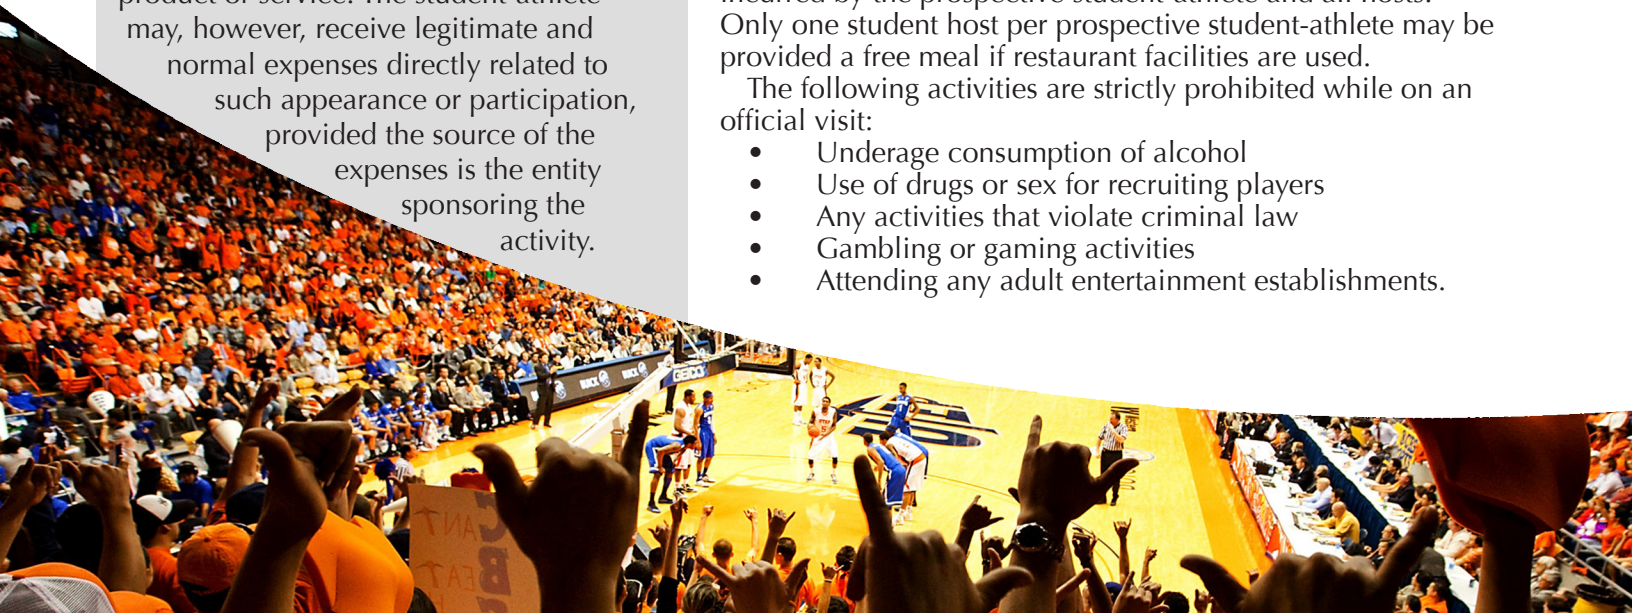

STUDENT HOSTS ON OFFICIAL VISITS

13.6.7.5. A maximum of \$40 for each day of the visit to cover all actual costs of entertaining the student host(s) and the prospective student-athlete (and the prospective student-athlete's parents, legal guardians or spouse), excluding the cost of meals and admission to campus athletics events. The cost of entertainment of the institution's athletics department staff members who accompany the prospective student-athlete is also excluded. The entertainment allowance may not be used for the purchase of souvenirs, such as T-shirts or other institutional mementos. It is permissible to provide the student host with an additional \$20 per day for each additional prospective student-athlete the host entertains.

13.6.7.5.1 Multiple Hosts. If several students host a prospective student-athlete, the \$40-per-day entertainment money may be used to cover the actual and necessary expenses incurred by the prospective student-athlete and all hosts. Only one student host per prospective student-athlete may be provided a free meal if restaurant facilities are used.

The following activities are strictly prohibited while on an official visit:

- Underage consumption of alcohol
- Use of drugs or sex for recruiting players
- Any activities that violate criminal law
- Gambling or gaming activities
- Attending any adult entertainment establishments.

DO YOU COACH A LOCAL CLUB TEAM?

13.11.2.4 In sports other than basketball, an institution's coach may be involved in any capacity (e.g., as a participant, administrator or in instructional or coaching activities) in the same sport for a local sports club or organization located in the institution's home community, provided all prospective student athletes participating in said activities are legal residents of the area (within a 50-mile radius of the institution). A coach also may be involved in activities with individuals who are not of a prospective student-athlete age, regardless of where such individuals reside.

13.11.2.4.4 Women's Volleyball—Additional Restrictions. In women's volleyball, during a dead or quiet period, institutional coaching staff members may not coach a local sports club team at an off-campus competition where prospective student-athletes are present. However, it is permissible for an institution's coach to coach his or her own local sports club team in practice activities
