INSIDE THE SERIES

- This is the 25th meeting between Rice and UTEP with Rice holding a 15-9 lead (6-6 in El Paso, 9-3 in Houston, 11-5 as members of C-USA).
- The 11 wins vs. UTEP and the six wins at Rice Stadium since 2005 are the Owls best vs. C-USA opponents.
- UTEP won last year in El Paso, 38-28, outscoring Rice 24-7 in the second half.
- The last time Rice lost in consecutive years to UTEP was in 2004 & 2005.
- Rice's last win in the series came in El Paso in 2019 as the Owls outscored the Miners 16-0 to close the season on a three-game winning streak.
- Jeremy Eddington's 97-yard kickoff return at the Sun Bowl in the final regular season game of 2012 sealed a 33-24 win for the Owls. The win also capped a streak of five wins over the last six games to clinch a berth in the Armed Forces Bowl.
- Chase Clement was responsible for 8 touchdowns and earned a helmet sticker from ESPN after engineering an improbable 56-48 win over the Miners in 2007, leading the Owls to 28 points in the 4th quarter to overcome a 20-point deficit.

A FAMILIAR LOOK

2022 marks the 50th anniversary of Rice's Class of 1972, which included the first four Black student-athletes to compete for the Owls -- Rodrigo Barnes '73, LeRoy Marion '72, Mike Tyler '72 and Stahlé Vincent '72 -- and also the 50th anniversary of Title IX, which created the opportunity for Denise Bostick '80 and Leila Freeman '79 to become the first Black female student-athletes at Rice. Rice honored the six at an event the night before the Owls hosted Louisiana and the Owls further honored Barnes, Tyler and Vincent by wearing throwback helmets duplicating the design they wore in their final seasons at Rice.

THURSDAY NIGHT LIGHTS

Rice will be playing a Thursday night regular season game for the fifth time since joining Conference USA. The Owls last played on Thursday night to open the 2016 season at WKU and had been scheduled to open the 2020 campaign at Houston before the game was canceled during the pandemic. This will be their first in-season Thursday assignment since the Owls split a pair of Thursday night contests in 2013. In each of the previous three in-season Thursday assignments, they were coming back on a short week having played the previous Saturday. Rice dropped a 28-16 decision at North Texas on Halloween (the only conference loss for the Owls that season) then came back to defeat UAB in overtime two weeks later. Rice and Houston played on a Thursday in 2011 (10/27) with the Cougars re-taking the Bayou Bucket. The Owls have also played one C-USA game on a Wednesday, but were coming off an open week and won at Southern Miss, 31-29 on 10/3/07 to present David Bailiff with his first win at Rice. Dunlevie Family Head Football Coach Mike Bloomgren's last Thursday night coaching assignment came while on the staff at Stanford in 2015, when the Cardinal blasted UCLA 56-35 on 10/15/15..

PRESSURIZED

Ikenna Enechukwu, Josh Percy and Trey Schuman have combined for 56 quarterback pressures this year according to PFF. Enechukwu leads the team with 23 on 194 pass rushes, Schuman has 17 on 94 rushes and Percy 16 on 161 plays. FAU. Percy and Schuman have recorded career highs in sacks, with Percy leading the team with 5.5 sacks and Schuman second with four while Enechukwu is one shy of his career-best of 4.5.

TWO IF BY AIR

- Luke McCaffrey and Bradley Rozner have combined for seven 100-receiving efforts through eight games. The last time Rice had at least seven individual 100-yard receiving games was in 2008 when James Casey (7), Jarett Dillard (4), Toren Dixon and Corbin Smiter (2 each) combined for 15, 100-yard receiving days.
- McCaffrey has done it three times in eight career games as a wide receiver while Rozner has a total of eight in 21 career games, the most since Jordan Taylor had eight in 41 games from 2011-14... The last Owls with more than eight career games over 100 yards were Dillard (12 from 2005-08) and Casey (10 from 2007-08).
- Rozner has seven touchdown receptions this year to move into a tie for ninth on the Rice single-season list and McCaffrey needs two to join him and if he does, they will become the first teammates at Rice to do so since Mario Hull had eight and Jordan Taylor had seven in 2014
- McCaffrey (613 yards) needs 183 yards this season to enter the season top ten at Rice, Rozner (579) is right behind with 217 yards to go... The only teammates to enter the Owls' single-season top 10 in receiving yards were Casey (1,329) and Dillard (1,310) who rang up the top two seasons in school history in 2008.
- Rozner has scored on plays of 78 and 75 yards this year and is the first Owl with two scoring receptions of at least 70 yards since Taylor in 2013.
- Rozner ranks seventh nationally with an average of 21.4 yards per catch (27/579), average is the best by an Owl with at least 30 receptions since Bill Howton averaged 22.6 (33/747) in 1951.

WORKING THE NUMBERS

- TJ McMahon is averaging a touchdown pass every 8.2 completions (16 in 131), the best mark by a Rice QB since Driphus Jackson tossed a scoring pass every 7.9 completions in 2014 (24 TDs in 191 completions).
- Christian VanSickle has moved into ninth on the Rice career list with 57 career PATs and needs two to move past Wes Hansen (1976-79) for eighth.
- Rice rushed for 279 yards vs. LA Tech, the most since they ran for 304 at UTEP in 2017 and the 11th-best rushing total for the Owls in C-USA competition.
- The Owls' win at LA Tech was the first for Rice in a game the Owls were -3 in fumbles since at least 2000 and the first with three fumbles in a game since the 2012 Armed Forces Bowl.

COMFORTABLE SURROUNDINGS

TJ McMahon is 4-1 in his last five games at Rice Stadium, leading a second-half comeback to defeat LA Tech in the 2021 finale and to wins in starts this season over McNeese, Louisiana and UAB... In his last 18 quarters of action at Rice Stadium, McMahon has completed 87-135 passes for 1,090 yards and 13 touchdowns.

FIRST STARTS

TJ McMahon became the first Rice quarterback to throw four touchdown passes in his first career start (four-year college) since Vernon Glass became the first Owl to throw four TD passes in a game vs. Santa Clara on September 30, 1950 in his first start--which was also the first game played at Rice Stadium. Mike Collins threw four in his first career start at Rice (MTSU in 2020), but he had previous starts at TCU. McMahon is the ninth Owl to throw four or more TD passes in a game.

LAST LAP

Rice is 58-80(.420) in Conference USA since joining the league in 2005. Rice has an overall mark of 35-33 in Conference USA at Rice Stadium, 0-1 at NRG Stadium, and 23-46 on the road. The Owls have defeated each C-USA team at home that they have played at least three times. Rice has at least one road win against every current C-USA team other than WKU, which defeated Rice 49-10 in the only previous meeting in Bowling Green (2016). DOUBLE DIGIT STOPS

Chris Conti joined seven returning defenders who have at least one game with 10 or more tackles in a game with his 11-tackle effort at Houston. Treshawn Chamberlain recorded a team season and a personal career-high 11 stops in the opener at Arkansas, his second double-digit tackle game and second against an SEC school. He was credited with 10 as a freshman at LSU. Kirk Lockhart was credited with 10 stops vs. WKU to join Chamberlain as the team leader with two career double-digit games. Josh Percy matched Chamberlain for the season-high with 11 tackles vs. Southern Miss, one more than Trey Schuman in the same game. Gabe Taylor recorded 10 tackles as part of his C-USA Defensive Player of the Week effort vs. UAB. They are joined by Kenneth Orji who was credited with 10 tackles vs. Southern Miss in 2019 and George Nyakwol who was credited with 11 vs. UTEP in 2018.

DEGREES IN HAND

Rice opened the year with 23 players on the roster with undergraduate degrees which tied with Liberty for second nationally behind Nebraska (26). The list includes 14 who earned their degrees at Rice (Ari Broussard, Shea Baker, Treshawn Chamberlain, kenna Enechukwu, Wiley Green, Miles McCord, TJ McMahon, Cam Montgomery, George Nyakwol, Juma Otoviano, Kenneth Orji, Bradley Rozner, Trey Schuman and Clay Servin) while nine current Owls joined the team as graduate transfers: Litchfield Ajavon, Sam Crawford, Isaiah Esdale, John

Hughes, Gavin Reinwald, Quent Titre, Christian VanSickle, Uriah West and Jacob Wilson.

THREE-PEAT

Trey Schuman, who is currently enrolled in the MBA program, was Rice's 2021 Campbell Trophy nominee and a two-time CoSIDA Academic All-District 7 selection. He is looking to become the fourth Owl to be named to the all-district team three times and the first since Tanner Leland (2011-14).

ADDING NFL EXPERIENCE

Rice's 2022 coaching staff added 19 years of NFL experience since the start of the year. Former Pro Bowl running back CJ Anderson was named the Owls new running back coach in March of 2022 and Rice also added former NFL receiver Samie Parker as a quality control coach working with the Owls' wide receivers. The duo played for 11 seasons in the NFL and Anderson played in three Super Bowls, winning a ring with Denver in Super Bowl 50. Former Owl standout Philip Gaines, who was a third-round pick by Kansas City in 2014 after leading the Owls to the 2013 C-USA title, is completing his degree requirements after eight years in the league and assisting Gerard Wilcher with the Owls' cornerbacks. They join with offensive coordinator Marques Tuiasosopo (six NFL seasons) to give the Owls 25 seasons of NFL playing experience on the staff.

2ND GEN TEAMMATES

The fathers of Luke McCaffrey and Jerry Johnson III were teammates on the 2001 Denver Broncos. Ed McCaffrey was in his 11th season that year and Johnson was a rookie and saw action in nine games.

STADIUM WORK

Work on the first phase of the modernization of Rice Stadium was completed in time for the start of the 2022 season. The Rice Board of Trustees approved the project which addressed the field-level chairback seating areas and fan feedback regarding the concourses and made several notable changes to the visual presentation inside the stadium. The chairback sections on the east side were replaced by eight Flight Deck loge boxes. The Flight Decks are outfitted to fit 8 – 12 fans comfortably and feature two premium 4Topps patented units, each consisting of four 360° swivel mesh seats and a semi-circle table. Energy-efficient LED lighting now brightens Rice Stadium's concourses, while the floors of the concourse feature a flake-based system to provide a smooth, uniform, and aesthetically pleasing surface. One restroom on the east side was fully renovated while those on the west side were enhanced. The stadium bowl was transformed with the walls surrounding the playing field resurfaced with brick, adding Rice's signature campus aesthetic to the football home of the Owls. A new Daktronics scoreboard replaced the board in the south end zone. The first phase of stadium renovations is a key component of this season's "For The Owls" campaign to salute the Owls' loyal fan base as Rice approaches full membership in the American Athletic Conference.

IN THE LEAGUE

Rice had a record 11 players active in the league in 2021 and had seven on 53-man rosters through the first five weeks (Myles Adams, Calvin Anderson, Bryce Callahan, Christian Covington, Jack Fox and Nick Leverett) and another three on practice squads (Elijah Garcia, Austin Trammell and Austin Walter). Covington (6th round Houston 2015) is the only one of them to enter the league via the draft. The Owls have seen at least one former player make his debut as a non-drafted free agent in each of the last four years and in six of the last seven years:

OVERDUE RETURN

Rice has not returned an unblocked punt for a touchdown in over 24 years. LaDouphyous McCalla took one 84 yards for a score against TCU on Nov. 8, 1997 (290 games). Sam McGuffie scooped up a Tulsa punt he had blocked and returned it 12 yards for a score on October 20, 2012, for the last official punt return TD for the Owls.

NOT HOW YOU START...

Each year, Dave Campbell's Texas Football takes a look back at the recently graduated recruiting classes of all the FBS programs in Texas to evaluate the actual impact of a class. While none of the Owls last 14 recruiting classes were ranked higher than eighth in Texas in the initial rankings, 13 of them improved their ranking in the final evaluation while the 14th held its position. Rice is the only state school to have none of its classes drop in the re-rankings over the last 14 years.

MIKE BLOOMGREN

DUNLEVIE FAMILY HEAD FOOTBALL COACH

5TH SEASON

Dunlevie Family Head Football Coach Mike Bloomgren enters his fifth season at Rice looking to carry forward the signs of progress that his Owls have flashed over the last two seasons.

A pair of overtime losses after a signature win at UAB in 2021 were all that stood between the Owls and a bowl berth, but the squad vaulted into the offseason on the strength of a stirring comeback win over Louisiana Tech on Senior Day.

In the new era of open transfers, Bloomgren and staff have added 40 new faces to the returning core group of players who return 355 combined starts. Seven of the newcomers join Rice from FBS programs and add another 172 games of experience.

The wealth of returning talent stands in marked contrast to Bloomgren's first campaign in 2018, which was one of transition as 21 true freshmen from his initial national recruiting class saw action, eight of which (in addition to one JUCO transfer) found their way into the starting lineup. The youthful Owls learned their lessons quickly and closed with a resounding 27-13 win over Old Dominion, which had defeated 13th-ranked Virginia Tech earlier in the season.

His second season was highlighted by a closing rush as the Owls won their last three games, their first three-game winning streak to end a season since 2012 and setting the stage for optimism heading into 2020 before a pandemic entered the picture.

Year Three was marked by uncertainty as the COVID-19 pandemic left the 2020 season in question until Rice finally took the field in October. The Owls saw a dramatic rally snuffed out by the most improbable of football bounces in their opener followed by an emphatic win on the road at Southern Miss. Any momentum was muted by a pair of games canceled due to COVID-19 issues and a loss on the road at North Texas. After a third COVID cancellation, the Owls headed to Marshall to face the 15th-ranked Thundering Herd, where the Owls dispatched generations of frustration against ranked foes, stunning the home crowd with a 20-0 win. The win was the Owls' first shutout of a ranked opponent since 1960 and was the first time in history Marshall had been shut out at home since it opened its new stadium in 1986.

Off the field, Bloomgren's Owls have excelled in the classroom as well, ranking in the top 10% of all FBS programs in the latest NCAA tracking of graduation success.

Bloomgren was named the 19th head football coach at Rice University on December 6, 2017 and immediately turned his focus on instilling the culture of "Intellectual Brutality" that he first conceived while on the staff at Stanford. Part of that effort involved broadening the Owls' search for talent to a national scale and his 2022 team features players from 22 states, compared with just six on the roster he inherited.

Bloomgren came to Rice after seven seasons with the Cardinal, first as the offensive line coach (2011-12) and then assuming the reigns of Stanford's pro-style offensive attack in 2013, setting the stage for one of the most successful decades in the program's rich history. Stanford won eight or more games in each of his seasons and reached the Pac-12 Football Championship four times, winning three titles.

Prior to 2017, Bloomgren had coached 12 NFL Draft selections and 11 All-America selections at Stanford, including 2015 Outland Trophy winner Joshua Garnett and NCAA all-purpose yardage record holder Christian McCaffrey.

The 2017 campaign saw running back Bryce Love nearly match McCaffrey's production on his way to being named a finalist for both the Heisman Trophy and Doak Walker Award. Love burst out of the gate with 180 yards on 13 carries against Rice in the season opener in Sydney, Australia and completed the regular season with 1,973 yards on the ground, second only to McCaffrey's school-record 2,019 in 2015.

Bloomgren's 2016 unit ended the season on a six-game winning streak in which the offense produced 290.5 rushing yards/game, the most by any Power 5 program over that stretch. McCaffrey, the eighth overall pick in the NFL Draft by the Carolina Panthers, earned All-America honors for the second straight season and was an All-Pac-12 first-team running back. His 183.87 career all-purpose yards/game were the most of any active FBS player at season's end, and his 6,987 career all-purpose yards were the second-most of any active FBS player.

Bloomgren was instrumental in the breakout season posted in 2015 by McCaffrey, that season's Associated Press Player of the Year and Heisman Trophy finalist. McCaffrey, the program's single-season rushing leader, led the nation in all-purpose yards while breaking Barry Sanders' NCAA record.

Stanford amassed a school-record 3,131 rushing yards on 610 attempts that season, the most by the program. The offensive unit's 529 points ranked second-most in a season, and its

33 rushing touchdowns, 223.7 rushing yards/game, 30 passing touchdowns, 37.8 points/game and 6,097 total yards of offense ranked third.

Stanford scored at least 30 points in a national-best 13 consecutive games and led the nation in time of possession (34:48), the seventh-best by any team in the past 20 years.

Four Cardinal heard their names called at the NFL Draft following the 2015 season, including first-round selection Garnett, Stanford's unanimous first-team All-America -- the ninth in school history. Garnett was the program's first Outland Trophy winner as the nation's top interior lineman, and won the Morris Trophy, presented to the Pac-12 Lineman of the Year.

Bloomgren's linemen were named a finalist for the inaugural Joe Moore Award in 2015, given to the nation's top offensive line.

While facing six nationally-ranked opponents in 2014, including four on the road, Bloomgren helped Stanford win eight games. The Cardinal scored at least 30 points in seven of 13 games on the season and increased its nation-best streak of scoring at least 10 points to 95 games. Stanford also set a record for the most points in a bowl game in program history with 45 in the Foster Farms Bowl win against Maryland.

Stanford amassed a program-best 2,904 rushing yards during the 2013 season, Bloomgren's first year at the offensive helm.

Individual honors are closely tied to Bloomgren. He has earned recognition for both his coaching and recruiting prowess. Rivals.com named Bloomgren one of its 2014 National Recruiters of the Year -- the latest such honor that began in 2012 when ESPN recognized him as its Pac-12 Recruiter of the Year. Rivals.com tabbed Bloomgren as one of the nation's top-25 recruiters in 2016. FootballScoop.com named Bloomgren its 2013 Offensive Line Coach of the Year following two years of eye-opening accomplishments.

Bloomgren joined the Cardinal staff as offensive line coach and run game coordinator in 2011 after spending four seasons with the New York Jets, where he served as assistant offensive coordinator (2010), offensive assistant (2009) and offensive quality control coach (2007-08).

In 2013, all five offensive linemen received All-Pac-12 honors, including first-team selection David Yankey, Stanford's first two-time first-team All-American selection since Bob Whitfield (1990-91) who was also selected as a semifinalist for the Outland Trophy and Lombardi Award.

Four of Bloomgren's five starting offensive linemen earned All-Pac-12 honors in 2012, including Yankey who earned consensus All-American honors while becoming the first Stanford player to win the Morris Trophy since 2002.

The Cardinal offensive line afforded 200-plus yards rushing in six games during the 2012 season, paving the way for record-breaking running back Stepfan Taylor. The Doak Walker Award semifinalist produced the best season of his career (109.29 yards/game).

Bloomgren's work with the offensive line in 2011, which included three first-year starters, played a pivotal role in providing protection for Heisman finalist Andrew Luck to complete over 70 percent of his passes and throw a school-record 37 touchdowns, in addition to compiling the third-highest rushing total in school annals. Stanford's ground game keyed an offense that ranked seventh nationally in scoring average at 43.2 points/game and eighth in total offense at 489.3 yards/game.

Bloomgren launched his coaching career as an undergraduate assistant for Bobby Bowden at Florida State, where the Seminoles captured a pair of Atlantic Coast Conference titles (1997-98) during his tenure. He served as co-offensive coordinator at Catawba College from 2002-04 and offensive coordinator at Delta State from 2005-06. A 1999 graduate of Florida State with a bachelor's degree in sports management, Bloomgren earned his master's degree in higher education from Alabama in 2001.

A native of Tallahassee, Florida, Mike and his wife, Lara, have two sons, Tyler and Parker.

INTELLECTUAL BRUTALITY

Mike Bloomgren created the phrase "Intellectual Brutality" in 2013 while at Stanford which he trademarked and brought it with him to Rice to set the standard for the program. Bloomgren on the meaning of the branding: "It is our brand: a physical, smart way to play football. We're going to give them different plays at the line of scrimmage and have them do some things mentally, because if we didn't, we wouldn't be using the resources that we have. These guys are brilliant and you better take advantage of that first. We are going to be smart and we are going to be the physical team that nobody wants to play. I want our guys to walk around knowing they're incredibly smart and that we are going to take advantage of that."
