UNBREAKABLE RECORD?

Extra bleachers were brought into the north end zone of the Glass Bowl on a regular basis to accommodate overflow crowds in 2001, including a then MAC-record 36,852 vs. Navy in 2001. Since that season, however, fire regulations have been imposed that prevent bleachers from being brought onto the field, making it impossible for UT to ever break its home attendance record in the current configuration of the Glass Bowl.
