ROCKETS IN THE COMMUNITY

Coach Candle and his staff believe it is important for young men to give something back to their community. That's why members of the football team go into the Toledo community and volunteer their time. Here are some of the volunteer projects in which the Rockets have participated in recent years:

- Toledo Children's Hospital
- Toledo Girls and Boys Club
- Ronald McDonald House
- Glass City Marathon Kids Run
- "Victory Day" at the Glass Bowl
- International Boxing Club of Toledo
- Lincoln Academy After School Program
- Trilby Elementary School

- "Give a Kid a Smile Day" at the UT Medical Center

VICTORY DAY

Since 2014, the Rockets have hosted their annual “Victory Day” for cognitively and physically impaired students from Toledo area schools. Students meet Toledo football players, run drills and hear their names announced over the public address system as they score a touchdown.

Victory Day is an opportunity for special needs students to have their “moment in the sun” on the football field. Each student was partnered with a Toledo football player who served as his or her mentor for the day. Victory Day athletes wear Rocket team jerseys and are presented with medals at the end of the day to commemorate their victory. Toledo football players, cheerleaders, Rocky the Rocket and marching band members are on hand to cheer on the participants.

“This is what it’s all about—a chance to give back and be a part of something bigger than us,” said Toledo head coach Jason Candle. “It’s just a tremendous day for our guys and for the kids. Sometimes I think our guys get more out of this day than the kids do.”

Victory Day was started in 2010 by Aaron Segedi, a teacher and football coach from Trenton, Mich., a cancer survivor whose life was saved thanks to a liver donation from his sister, Rhonda. Since then, the Victory Day program has been adopted by high schools and universities in Michigan, Ohio, Kentucky and Indiana.

ROCKET ACADEMICS

Incoming student-athletes learn quickly that academics are a priority at the University of Toledo. Head Coach Jason Candle and his staff demand maximum effort from all the young men in their program. Football players are required to sit in the first two rows of all their classes, and must introduce themselves to all their instructors within the first two weeks of the semester. Missing class or being late for class is not tolerated. Volunteer “encouragers” are on call to monitor compliance to all academic rules of the football program.

THE GLASS BOWL

"Best Football Stadium in the MAC."
- The Bleacher Report

The Glass Bowl is truly one of America's great college football stadiums.

Originally built in 1937, the Glass Bowl was renovated in 1990. As a result of those changes, the Glass Bowl became a graceful synthesis of modern technology and old-time charm and craftsmanship.

Recent improvements to the Glass Bowl include a 180-foot LED message board (2019), a complete renovation of the east side of the stadium (2016), new turf (2016) and the addition of the installation of a new videoboard as part of the Larimer Athletic Complex renovation (2014).

The Glass Bowl features a three-level press tower that houses 45 private suites, a 300-seat Stadium Club and the Gerber Media Center. The Gerber Media Center can accommodate 80 media members. A television crew provides closed-circuit coverage of every Rocket home game. A five-camera production is fed to videoscreens on the scoreboards and to more than 70 television monitors in the press tower.

THE GLASS BOWL

A 180-foot LED message board was added to the Glass Bowl in 2019.

LARIMER ATHLETIC COMPLEX

The Larimer Athletic Complex is where champions are built, both on the field and in the classroom.

Larimer is the home of Rocket football and the Marcia and Roy Arnes Academic Center. Following the completion of its renovation in 2014, Larimer stands as one of the premier football facilities in the Mid-American Conference.

THE MID-AMERICAN CONFERENCE

Providing leadership in education and diversity, the Mid-American Conference moves into its 78th year of service to our students.

Since its inception in 1946, the Mid-American Conference has progressively grown and developed into one of the most aggressive Division I conferences in the country. One of only 10 football Bowl Subdivision (FBS) conferences, the MAC named Dr. Jon A. Steinbrecher as its eighth commissioner in March of 2009.

The league hosts championships in 23 sports, including at some of the finest facilities in the nation. The MAC Football Championship Game is played at Ford Field in Detroit, while Rocket Mortgage Fieldhouse in Cleveland hosts the men's and women's basketball championship tournaments.

The MAC and ESPN have a partnership that goes through the 2026-27 season and includes expanded national television and digital distribution.

ESPN has exclusive television and digital distribution rights for all MAC sporting events, and guarantees coverage of every football game, men's and women's basketball games and select Olympic sporting events. The MAC and ESPN have

established on-campus production capabilities that provide a significant increase in the national coverage of baseball, softball, soccer, volleyball, wrestling and Olympic sports on ESPN platforms. This has opened up nearly 100 million households from ESPN platforms for exposure to MAC sports for the first time in Conference history. Through this ESPN partnership, the MAC and CBS Sports Network have a sublicensing agreement to expand its national coverage of football and basketball through the 2023-24 season.

During the 2022 season, the MAC sent six schools to bowl games. That marked the 14th time in MAC history to have five or more programs receive a bowl invitation in a single-season.

2023

SEASON OUTLOOK

TOLEDO, Ohio - Toledo's 2023 football season will begin with the Rockets carrying a pair of trophies in their arms and a hefty chip on their shoulder.

Toledo went 9-5 in 2022 and won the MAC Championship and the Roofclaim.com Boca Raton Bowl, the first time a Rocket team has won a league title and a bowl game in the same season in 21 years. However, four of Toledo's five losses in 2022 were by a touchdown or less, leaving the Rockets feeling as though they did not reach their full potential.

"We're a long way away from a finished product," said Head Coach Jason Candle, who enters his eighth season as head coach with a 54-32 record. "Everybody starts the season 0-0. We've got to turn the page away from 2022 and continue to create the identity of team 2023. We've got a lot of work to be done between now and when camp opens up on August 2. But we're excited where we're at right now."

Toledo returns 16 starters this fall, including seven All-

MAC selections. Leading the offense is junior quarterback Dequan Finn, who threw for 23 touchdowns and ran for 631 yards on his way to second-team All-MAC honors. Other All-MAC returners on offense include junior offensive lineman Nick Rosi (first-team) and junior wide receiver Jerjuan Newton (second team).

The defense is keyed by a strong secondary that includes junior cornerback Quinyon Mitchell, a first-team All-MAC selection who also was a second-team All-America pick by Walter Camp in 2022. Senior linebacker Dallas Gant and junior safety Maxen Hook were first-team All-MAC selections in 2022, while senior safety Nate Bauer made the second team.

"We have some guys who received some accolades last year, and rightfully so," said Candle. "We had great players on a great team. We'll certainly be leaning on those guys this year. But we've also got some guys we have to replace, like Desjuan Johnson, Dyontae Johnson, Jamal Hines, Jamal Turner. Somebody's got to step

up and fill those voids.”

The Rockets open their 2023 season with a non-conference game at Illinois on Sept. 2, one of seven opponents who played in bowl games in 2022. Toledo returns to the Glass Bowl to play Texas Southern in its home opener on Sept. 9. The MAC season opens on Sept. 23 vs. Western Michigan and finishes on the road at Central Michigan on Nov. 24. Candle expects his team to be challenged each and every week.

“Our league has been ultra-competitive for decades,” said Candle. “So we know what lies ahead. We’re looking forward to the challenges that are coming our way.”

The following is a brief overview of the 2023 Rockets:

Offense

Toledo returns the bulk of the offense that finished second in the MAC in scoring (31.3), as well as third in rushing yards (177.1) and fourth in passing efficiency (132.97).

Leading the way is junior quarterback **Dequan Finn**, who completed 59.7 percent of his passes for 2,260 yards and 23 touchdowns in 2022. He was just as dangerous with his legs, rushing for 631 yards and nine scores. Candle thinks that the best is yet to come for Finn.

“I think Dequan’s development over the last 24 to 30 months here has been really impressive to see,” said Candle. “He’s always been a guy that his teammates gravitate toward. He has the consistency piece of handling adversity and dealing with some of the issues that come up throughout the season.”

Behind Finn is sophomore **Tucker Gleason**, who proved his mettle when Finn was injured. Gleason started in two games, leading the Rockets to a key 27-24 victory over Eastern Michigan by completing 15-of-27 passes for 238 yards and three TDs vs. the Eagles. Redshirt freshman **John Alan Richter** made major strides in his first season in Midnight Blue and Gold. Freshman **RJ Johnson** joined the quarterback room this spring, giving the Rockets four solid arms in four different classes.

Protecting the quarterbacks is an offensive line that came into its own toward the end of the 2022 season despite a number of early-season injuries. **Nick Rosi**, a junior

and a two-time All-MAC pick who is in his sixth season in the program, is the veteran of a line that includes four other returning starters: senior center **Devan Rogers**, a converted defensive lineman; junior **Vinny Scurry**, who started every game at left guard last season; senior **Kendall Major**, a junior college transfer who saw starting action at center and right guard in 2022; and junior **Tyler Long**, a starter at center in 2021 who missed all of last season due to injury.

Other returnees include junior **Justin Stephens**, and sophomores **Garrett Schwiebert** and **Tanner Wigand**. Transfers **Rod Orr** (Florida State) and **David Nwaogwugu** (Rutgers) are looking to make an immediate impact in 2023. Candle feels like the flexibility of the offensive line could help the Rockets survive any possible injury bug.

“The best combination of the best five will ultimately be who we settle in on at the end of preseason camp,”

said Candle. “I think we will try to cross-train some guys at both guard and tackle to develop as many skills as we can on the offensive front. We want to create depth and have options if adversity does strike again.”

The receiving corps is deep and talented, led by junior **Jerjuan Newton**, a second-team All-MAC selection who led the team with 53 receptions, 830 yards receiving and nine TD catches. Another talented target is senior **Devin Maddox**, who has 108 receptions in his career, including 39 last season.

Sophomore **Thomas Zsiros** (10 receptions) was a part of the regular rotation in 2022 and will battle for a larger role this year. Other returning veterans are senior **Adam Beale** and sophomore **Junior Vandeross**. Looking to make an impact after at least a full year in the system are sophomores **Dalen Stovall** and **Elijah Wesley**, and redshirt freshman **Eric Holley**. Sophomore **Don Munnerlyn**, a 6-5, 220-pound transfer from Rutgers, could be a big factor this fall.

Toledo returns two experienced tight ends, junior **Anthony Torres** and sophomore **Lenny Kuhl**. Junior **Dalton Andrews** and freshman **CC Ezirim** are also in the battle for playing time.

At running back, the Rockets return three significant contributors from 2022, as well as some up-and-coming youngsters.

Junior **Jacquez Stuart**, a starter in nine games in 2022, led the team with 770 rushing yards in 2022 and was fourth in the MAC in yards per carry (5.7). Another junior, **Peny Boone**, was a tough runner in short-yardage situations, gaining 443 yards. Junior **Micah Kelly** added 398 yards, starting in five games.

"Jacquez Stuart played his best football in the last couple of games last season," said Candle. "Peny Boone did a really good job in the spots that we used him in. He has to find ways to continue to be consistent in his play. Micah Kelly has played a lot of football for us. Those are three guys who should be very confident in their ability to go out and play well."

Other running backs in the mix are sophomore **Willie Shaw** and freshman **Connor Walendzak**, who joined the team in the spring.

Defense

For the second straight year, the Rockets had one of the best defenses in the Mid-American Conference. Toledo led the league in total defense (326.1), passing yards allowed (183.0) and defensive passing efficiency (112.19). The Rockets have four All-MAC honorees among their seven returning starters on defense from last year.

"Last year, we did a really good job of shutting down the other teams' passing attacks," said Candle. "Part of that is a good solid pass rush but, for the most part, a great pass defense doesn't make mistakes and doesn't have communication errors."

The deepest area on the Rockets' defense is the

secondary. Junior cornerback **Quinyon Mitchell** had a breakout season in 2022, leading the nation with 25 passes defended (five interceptions, 20 pass breakups) and making the Walter Camp (second team) and Associated Press (third team) All-America teams. Mitchell gained national prominence when he intercepted four passes, including two pick-sixes, against Northern Illinois on Oct. 8.

Joining Mitchell at cornerback is senior **Chris McDonald**, a two-year starter who has three interceptions and 24 pass breakups in his career. Juniors **RJ Delancy** (23 tackles, three breakups) and **Andre Fuller** (18 tackles, three breakups), as well as sophomore **Nasir Bowers** (10 tackles), all saw regular action at the corner in 2022.

Toledo is blessed with three veteran safeties, including two who have earned All-MAC honors twice in their careers, senior **Nate Bauer** and junior **Maxen Hook**. Hook, a first-team all-league pick in 2022, totaled 81 tackles and four pass breakups in 2022, while Bauer had 61 tackles and broke up four passes on his way to second-team accolades. Senior **Zachary Ford** (58 tackles, six breakups) has been a regular in the secondary for the past three seasons.

Backing up this trio is talented sophomore **Emmanuel McNeil-Warren**, who saw significant action on special teams as a freshman in 2022.

At linebacker, the Rockets return first-team All-MAC honoree **Dallas Gant**, who led UT with 116 tackles in 2022. Gant, a senior, will be counted on to fill some of the leadership role vacated

by Dyontae Johnson, who completed his distinguished college career last fall. Another experienced returnee is junior **Jackson Barrow**, who had two starts and 31 tackles last year. Sophomores **Sawiaha Ellis**, **Connor Jones** and **Damon Ollison** also figure to be battling for playing time.

The biggest transition on defense will be on the front line where the Rockets lose three starters from 2022, including four-time All-MAC defensive end Jamal Hines and three-time All-MAC defensive tackle Desjuan Johnson, an NFL Draft pick by the LA Rams last spring. However, Toledo returns a solid lineup of veterans as well as some newcomers who could make an impact in 2023.

Senior tackle **Judge Culpepper** has been a constant on the interior line over the past two seasons, racking up 87 tackles in 27 starts. Junior **Cavon Butler**, who began the 2022 season as a starter at defensive tackle, is back after missing most of last year due to injury. Another junior, **Darius Alexander**, played a key role at tackle last year, picking up 21 tackles and 7.0 tackles for loss. Sophomore **Martez Poynter** also figures to be in the mix next fall.

At the defensive end/edge rusher position, the Rockets look forward to the return of senior **Terrance Taylor**, who missed most of last season due to injury. Taylor has started 17 games in his career, totaling 86

tackles and 21.5 tackles for loss. Another senior, **Adrian Woliver**, is back after picking up a career-high 24 tackles and 4.5 sacks in 2022. Junior **Deshawn Holt** (15 tackles in 2022) and sophomore **Jeremiah Peters** figure to be in the mix for playing time in 2023, as well as Missouri transfer **Travion Ford**.

Special Teams

New special team coordinator Stanton Weber looks to make an impact after spending the last two seasons as the special teams analyst at South Carolina.

"I think we needed a shot in the arm of overall approach and time and energy spent on the development of the special teams," said Candle "Stanton has a tremendous background coming from South Carolina. I think he will do a great job for us."

Junior **Luke Pawlak** is the leading candidate at placekicker after making two field goals in a reserve role in 2022. Four newcomers are vying for roles at either placekicker or punter: junior Michael Denning, a transfer from Dayton; redshirt freshman Kaden Claassen, a junior college transfer from Butler (Kan.) CC; and freshmen Emilio Duran and Liam Quigley.

Junior **Jacquez Stuart** returns as Toledo's kickoff returner, while senior **Adam Beale** is back to return punts.

Toledo's defense ranked No. 1 in the MAC in total defense in 2022.

CANDLE SIGNS CONTRACT EXTENSION THROUGH 2026

This past off-season, Toledo head coach Jason Candle signed a contract extension through the 2026 season.

Candle's 54 career wins ranks third in program history behind Gary Pinkel

(73 from 1991-2000) and Tom Amstutz (58 from 2001-08).

Candle guided the Rockets to a 9-5 record in 2022, including a 17-7 victory over Ohio in the MAC Championship Game, the second conference title in his seven-year tenure as head coach. Candle went on to lead Toledo to a 21-19 win over Liberty in the Roofclaim.com Boca Raton Bowl, marking the first time the Rockets have won a MAC Championship and a bowl game in the same season since 2001.

Candle is the only current MAC head football coach with multiple conference championship titles and only the third Toledo head coach to claim multiple outright MAC titles.

ROCKETS ADD THREE ASSISTANTS TO STAFF

Stanton Weber, RJ Fleming and Frank Okam were added to the Toledo coaching staff in the off-season. Weber will serve as the special teams coordinator, Fleming will coach the wide receivers and Okam will coach the defensive line.

Weber previously served as the

special teams analyst at South Carolina for the past two years, where he worked alongside special teams coordinator Pete Lembo and Head Coach Shane Beamer. A former wide receiver at Kansas State, Weber served as a graduate assistant and special teams quality control coach with the Wildcats from 2017-20.

Fleming has 10 years of experience in the college coaching ranks. Most recently, he served as an offensive analyst at Auburn. For the 2022 season, he coached the running backs at Texas State. He also has had stints at TCU (2016-18), Liberty (2019-20) and Eastern Michigan (2021).

Okam most recently served as the defensive line coach for the Las Vegas Raiders in 2022 and for the Carolina Panthers in 2020-21. A former NFL defensive lineman who was an All-American at the University of Texas, Okam also has college coaching experience at Rice and Baylor.

ROCKETS WIN 12TH MAC CHAMPIONSHIP IN 2022

A smothering defense and a gutty performance by sophomore quarterback Dequan Finn launched the Toledo Rockets to a 17-7 victory over Ohio in the 2022 MAC Championship Game at Ford Field in Detroit.

Finn was named the game's Offensive Player of the Game. He completed 16-of-25 passes for 154 yards and one TD. He also ran for 86 yards on 18 attempts.

Senior linebacker Dyontae Johnson was named Defensive Player of the Game and had eight tackles, 0.5 tackles for loss and a QB hurry. Redshirt freshman punter Johnathon Batzke averaged 46.5 yards per punt and was named Special Teams MVP.

The victory was Toledo's 12th MAC Championship and second title under Head Coach Jason Candle, who also led the Rockets to victory in 2017.

Prior to 1997, the MAC champion was determined by league record. The

league was divided into East and West divisions in 1997, the year of the first MAC title game.

DESJUAN JOHNSON DRAFTED IN SEVENTH ROUND BY LA RAMS

Defensive tackle Desjuan Johnson was selected in the seventh round of the 2023 NFL Draft by the LA Rams. Johnson was the 259th and final player drafted overall, thus becoming the draft's "Mr. Irrelevant."

Johnson is the ninth Rocket to be drafted during Head Coach Jason Candle's tenure as head coach, going back to the 2017 draft.

Johnson earned honorable mention All-America honors from Pro Football Focus as a senior in 2022. He led the Rockets with 16.5 tackles for loss, which also ranked fourth in Mid-American Conference. He had 65 tackles overall and was second on the team behind Jamal Hines with 5.5 sacks. Johnson is tied with Hines and DeJuan Goulde for third in Toledo history in career TFL (47.0). HEAD COACH JASON CANDLE

For the past 14 years, no one has embodied the success of Toledo Football more than Head Coach Jason Candle.

Candle has played a major role in the consistent excellence of the Rockets, first as an assistant coach from 2009-15, and then as head coach for the past seven seasons. He assumed the head coaching role in December of 2015 following a highly successful seven-year stint as a position coach and offensive coordinator. Since then, Candle has taken an already outstanding program to even greater heights.

In seven seasons as Toledo's head coach, Candle's record is 54-32 with two MAC Championship titles and six bowl appearances. No team in the Mid-American Conference has won more games than Toledo during Candle's tenure.

In 2017, the Rockets achieved an 11-3 record and won the Mid-American Conference Championship with a 45-28 victory over Akron in the MAC title game. Candle was named MAC Coach of the Year, leading the Rockets to their first outright MAC West Division crown since 1998 and first league championship since 2004.

In 2022, Candle's Rockets compiled a 9-5 record and won another league title, defeating East Division champion Ohio, 17-7, in the MAC Championship Game. Toledo went on to defeat Liberty in the Roofclaim.com Boca Raton Bowl, becoming the first Rocket team since 2001 to win a MAC Championship title and bowl game in the same season.

Candle has a tremendous record of developing players, as eight Rockets have been selected in the NFL Draft since 2017. In addition, Toledo has had the No. 1 recruiting class in the MAC five times during Candle's tenure.

Prior to assuming the helm of the Midnight Blue and Gold, Candle had been serving as the program's associate head coach/offensive coordinator. In that time, Toledo went 56-31, won three MAC West Division co-championships and appeared in four bowl games.

Candle moved into the corner office on Dec. 2, 2015, becoming the 27th head football coach in the storied history of Toledo football. Twenty days later, Candle and the Rockets celebrated a 32-17 victory over No. 24 Temple in the Marmot Boca Raton Bowl. The triumph capped a 10-2 season for the Rockets and gave Candle a head coaching debut to remember.

MAC Championship, Bowl Victory in 2022

Candle guided the Rockets to a share of the MAC West Division title and the second MAC Championship during his reign in 2022. Toledo defeated East Division champion Ohio, 17-7, at Detroit's Ford Field. The victory tied Candle with Frank Lauterbur (1969, 1970) and Tom Amstutz (2001, 2004) for the most outright titles in Toledo history.

Toledo then went on to defeat Liberty, 21-19, in the 2022 Roofclaim.com Boca Raton Bowl on Dec. 20, marking the first time since 2001 that a Rocket squad won a MAC Championship title and bowl game in the same season.

Candle and his Rockets earned their trip to the 2022 Roofclaim.com Boca Raton with a MAC Championship run that was not without its challenges. But the Midnight Blue and Gold triumphed when it mattered most, winning four of five MAC West Division games and then handling a very tough Ohio team in the MAC Championship Game.

A smothering defense and a gutsy performance by sophomore quarterback Dequan Finn launched the Toledo Rockets to a 17-7 victory over the Bobcats. Finn threw for 154 yards and ran for 86 more on his way to being named the game's Offensive MVP.

Less than three weeks later, Finn threw for one touchdown and ran for another in the second half to rally Toledo to victory over Liberty at the Roofclaim.com Boca Raton Bowl. Finn was named the Offensive Player of the Game. On the season, Finn threw for 2,260 yards and 23 touchdowns, and rushed for 631 yards and nine scores.

The 2022 Rockets featured arguably the best defense in the Mid-American Conference. The Rockets ranked No. 1 in the MAC in total defense (326.2), defensive passing efficiency (112.2) and passing yards allowed (183.0).

The defense was led by four first-team All-MAC players: senior defensive tackle Desjuan Johnson, junior linebacker Dallas Gant, sophomore cornerback Quinyon Mitchell and sophomore safety Maxen Hook. Mitchell, who led

the nation with 25 passes defended, was named second-team All-America by Walter Camp and third-team All-America by the Associated Press. Mitchell gained national attention when he had four interceptions and two pick-sixes vs. Northern Illinois on Oct. 8.

Making second-team All-MAC for the defense were senior defensive end Jamal Hines, senior linebacker Dyontae Johnson and junior safety Nate Bauer.

The Rockets were second in the MAC in scoring offense (31.3) thanks to an offense line led by first-team All-MAC offensive lineman Nick Rosi. Finn and wide receiver Jerjuan Newton earned second-team All-MAC honors.

After a 2-2 start in non-conference play, Toledo won its first three MAC games by 20 or more points to establish itself as the team to beat in the league. But the Rockets' next five games were close battles, with all of them determined by one score. Toledo captured the two they needed to win, a 27-24 comeback victory at Eastern Michigan on Oct. 29 and a home triumph vs. Ball State on Nov. 8, setting up its MAC Championship showdown with Ohio.

Candle's debut as a head coach came in the 2015 Marmot Boca Raton Bowl, a 32-17 triumph over No. 24 Temple.

A Victorious Debut as Head Coach in 2015

Candle's debut as head coach was a memorable one. Despite having only a partial coaching staff and less than three weeks to prepare for No. 24 Temple, the Rockets pulled off a 32-17 victory in the Marmot Boca Raton Bowl. Toledo held the Owls to just three points and 67 yards of offense in the first half and dominated the fourth quarter, too, outscoring Temple, 20-8, in the final 15 minutes.

Next on Candle's agenda was completing his coaching staff and signing the next generation of Rockets. Candle added eight assistants to the staff, as well as a strength and conditioning coach, a director of high school relations and a director of football operations. The newcomers helped Candle put the finishing touches on a recruiting class that was ranked second in the MAC by ESPN.com.

Gaining National Attention in 2016

In Candle's first full season as head coach, Toledo won nine games and earned a berth into the Raycom Media Camellia Bowl, its sixth bowl berth in the previous seven years. The Rockets also gained national attention with a record-setting offense and three players selected in the NFL Draft following the conclusion of the season.

The 2016 Rockets featured one of the top offenses in the country, ranking in the top 10 in five offensive categories, including passing efficiency (second), third-down conversions (fifth), total offense (seventh) and passing offense (10th). Toledo set the school record with an average of 517.8 yards per game.

The Rockets' 2016 roster housed a record nine players who were on the official watch lists for national awards. Twelve Rockets made All-MAC, including a league-high seven first-team selections. Junior quarterback Logan Woodside led the nation with 45 touchdown passes and was named a contender for the Heisman Trophy by the Heisman Trophy Trust. Senior tight end Michael Roberts led the nation's tight ends with 16 TD catches and was named first-team All-America by the Football Writers Association of America. Senior running back Kareem Hunt finished his career as Toledo's all-time leading rusher with 4,945 yards. Roberts and Hunt were chosen to play in the 2017 Senior Bowl, while offensive lineman Storm Norton and defensive tackle Treyvon Hester joined Roberts as selections for the East-West Shrine Game.

Following the 2016 season, a record eight Rocket seniors were either selected in the 2017 NFL Draft, signed as free agents or invited to mini-camps. Three Rockets — Kareem Hunt, Michael Roberts and Treyvon Hester — were drafted, the most since the NFL went to its current seven-round format in 1994. Hunt was a third-round pick of the Kansas City Chiefs. Roberts (tight end) was taken in the fourth round by Detroit, while Hester (defensive tackle) was chosen by the Oakland Raiders in the seventh round. Hunt went on to lead the NFL in rushing as a rookie.

2017: MAC Champions!

Candle took the Rockets to even greater heights in his second season as head coach. Toledo went 11-3 and won its first MAC Championship in 13 years. The Rockets earned a trip to the MAC Championship Game by winning the MAC West Division with a 7-1 mark.

Toledo's offense dominated once again, leading the MAC in total offense (483.9) and finishing second in scoring (36.4). Candle was honored as the MAC Coach of the Year.

Six Rockets earned a total of seven first-team All-MAC honors, including senior quarterback Logan Woodside, who also was honored with the Vern Smith Award (league MVP) and was named the MAC's Offensive Player of the Year. He was also named a contender for the Heisman Trophy by the Heisman Trophy Trust for the second consecutive season. Along the way, Woodside set the school record for career passing yards and touchdown passes.

Toledo also earned an invitation to

the Dollar General Bowl, its seventh bowl appearance in the previous eight years.

After the season, Woodside was chosen to play in the NFLPA Collegiate Bowl and the State Farm All-Star Football Challenge. He was drafted in the seventh round by the Cincinnati Bengals, becoming the fourth Rocket in two years to be selected in the draft. Five other Rockets signed free-agent contracts immediately following the draft, the most in school history.

Bahamas Bowl Berth in 2018

In 2018, Candle led the Rockets to their eighth bowl berth in nine years, four with Candle as the head coach, when Toledo was invited to play FIU in the Makers Wanted Bahamas Bowl.

Toledo won four of its last five games to finish the regular season with seven wins, making the Rockets one of only nine FBS schools to have had a winning record in each of the previous nine seasons.

Toledo relied on its high-powered offense, cracking the 50-point barrier a school-record six times. The Rockets ranked first in the MAC in scoring offense (40.4) and second in total offense (443.8). UT featured a balanced attack, with three running backs gaining over 500 yards rushing and three receivers surpassing 500 yards receiving. Junior Diontae Johnson, who earned first-team All-MAC at wide receiver and punt returner, and second-team at kickoff returner, was named the MAC Special Teams Player of the Year. Senior wide receiver Cody Thompson also was a first-team All-MAC pick for the second time.

Following the season, a pair of Rockets were chosen in the 2019 NFL Draft. Diontae Johnson (Pittsburgh-third round) and cornerback Ka'dar Hollman (Green Bay - sixth round) became the fifth and sixth Toledo players to be selected over the previous three drafts. Four other Rockets signed free-agent contracts immediately following the draft, bringing the total number of Toledo players who were drafted or signed as free agents to 15 over the previous three years.

In 2019, the Rockets earned bowl eligibility for the 10th consecutive season. Highlights included a pair of thrilling non-conference victories over Colorado State and BYU.

Toledo had four players make All-MAC in 2019. Juniors Bryant Koback and Bryce Mitchell made second team, while redshirt freshman Nick Rosi and sophomore Jamal Hines earned third-team honors. Koback's 1,187 yards

rushing was the 13th-highest season total by a Rocket.

As a team, the Rockets finished second in the MAC in rushing (224.5) and fourth in total offense (434.1).

Big Changes Pay Off in 2020

Prior to the start of the COVID-abbreviated 2020 season, Candle added four new coaches to his staff.

Craig Kuligowski (co-defensive coordinator/outside linebackers) and Vince Kehres (defensive coordinator/linebackers) were added to the defensive side of the ball, while Robert Weiner (co-offensive coordinator/quarterbacks) and Mark Staten (tight ends/offensive tackles) joined the offensive staff.

The Rockets finished the 2020 season with a 4-2 mark, the program's 11th consecutive season without a losing record. Their only losses were by three points each to Western Michigan and eventual MAC champion Ball State.

A positive trend for the Rockets in 2020 was their improved defense. Toledo ranked first in the MAC in total defense (362.2) and opponent third-down conversions

(27.4%), and second in rushing defense (129.2). On offense, the Rockets ranked third in the MAC in total offense (494.0) and first in passing offense (325.8).

Six Rockets earned All-MAC selections in 2020. Senior center Bryce Harris earned first-team honors. Senior safety Tylen Anderson, sophomore safety Nate Bauer, junior outside linebacker Jamal Hines and junior defensive tackle Desjuan Johnson took second team honors, while junior wide receiver Isaiah Winstead made the third team.

Another Bahamas Bowl Appearance in 2021

The 2021 season began with a near-upset of Notre Dame on Sept. and culminated with an appearance in the Bahamas Bowl, the fifth bowl trip for Candle as head coach.

The Rockets took a 29-24 lead over Notre Dame with just 1:35 to play but eventually fell to the No. 7 Fighting Irish, 32-29. Toledo went on to finish with a 7-6 record, with four of those losses coming by three points or less.

The Rockets finished the season strong, winning their final three regular-season games, averaging 44.3 points per game in those three contests. Their strong finish clinched the program's 12th straight season without a losing record and 11th straight season reaching bowl eligibility. The 2021 Bahamas Bowl was Candle's 10th bowl game since joining Toledo's coaching staff in 2009.

The Rockets were the top team statistically in the MAC on both sides of the ball in 2021, ranking first in the MAC in both scoring offense (33.4) and scoring defense (21.8).

Those figures ranked 26th and 27th in the country, respectively.

Eleven Rockets earned All-MAC honors in 2021, the most for Toledo since placing 12 players on All-MAC teams in 2016.

Leading the way were five first-team selections, the most since 2017. Senior offensive lineman Bryce Harris, senior defensive backs Tylen Anderson and Samuel Womack, junior running back Bryant Koback, and junior outside linebacker Jamal Hines were all placed on the first team.

Senior linebacker Jonathan Jones and junior defensive end Desjuan Johnson were placed on the second team, as was sophomore wide receiver Devin Maddox, who was named All-MAC as a return specialist.

Representing the Rockets on the third team were senior offensive lineman Vitaliy Gurman, junior linebacker Dyontae Johnson, and freshman safety Maxen Hook.

Following the season, Anderson (Cincinnati) and Womack (San Francisco) were both selected in the fifth round of the 2022 NFL Draft. Bryant signed as an undrafted free agent with Minnesota.

Candle Made his Mark as Receivers Coach

Candle began his career at Toledo in 2009, coaching the slot receivers and tight ends. Among the players in his meeting room was one of the most decorated receivers in Rocket history, freshman Eric Page. Page would go on to catch 306 passes in his career, the most ever by a Division I-BCS receiver in three seasons. A three-time All-MAC player, Page broke virtually every UT receiving record and

tied the MAC record for career receptions. Candle helped guide Page to an outstanding freshman season. Page led all freshmen in the nation in receptions (82) and yardage (1,159) and was named first-team Freshman All-America by Phil Steele Magazine and the College Football News.

In 2010, Candle became the receivers coach, helping the Rockets go 8-5 and gain their first bowl appearance in five seasons. Page caught 99 passes and was a first-team All-MAC honoree at wide receiver, earning All-America honors as a kickoff returner as well.

In 2011, the Rockets went 9-4 and won their first bowl

game in six years, a 42-41 victory over Air Force in the Military Bowl. Sophomore wide receiver Bernard Reedy caught three touchdown passes and was named the game's MVP. Page caught a school-record 125 passes for the season and earned first-team All-MAC honors.

Guiding the Rocket Offense as Coordinator

Candle became the offensive coordinator in 2012, ushering in a record-breaking era for the Rocket offense. In his debut season as the OC, Candle helped Toledo rank No. 3 on offense in the MAC with an average of 445.2 yards per game. The Rockets had five offensive players make the All-MAC team, propelling them to a 9-4 mark and a trip to the Famous Idaho Potato Bowl.

In 2013, the Rockets averaged 33.0 points and 447.3 yards of total offense per game. Toledo's running game was especially effective, ranking second in the Mid-American Conference with 240.6 yards per contest. In addition, seven players on the offensive side of the ball earned All-MAC honors, including two-time first-team running back David Fluellen.

In 2014, UT led the MAC in just about every major offensive category, including scoring offense (36.6), total offense (490.5) and rushing offense (256.4). The 2014 season culminated with a nine-touchdown outburst in a 63-44 victory over Arkansas State in the GoDaddy Bowl for the 9-4 Rockets.

Six Rockets earned All-MAC recognition on offense in 2014, with senior center Greg Mancz snagging second-team All-America honors and the Vern Smith Leadership Award, given annually to the top player in the MAC. Sophomore running back Kareem Hunt ranked 10th in the nation in rushing (1,631 yards) and second in yards per carry (7.96). Candle also skillfully guided the Rocket quarterbacks through a challenging season in which the top three signal-callers were all injured at the same time late in the season.

Candle's final season as the offensive coordinator in 2015 may have been his best. The Rockets were 10-2 that year, and ranked third in the Mid-American Conference in scoring offense (35.0) and total offense (460.9 yards per game). Four Rockets earned All-MAC honors on offense, including first-team honoree Storm Norton (OL). Junior

running back Kareem Hunt came back from injuries to lead the MAC in rushing with 108.1 yards per game. Toledo led the MAC in rushing, averaging nearly 208 yards per contest, and ranked No. 2 in the nation in fewest sacks allowed (five). Toledo went on to beat No. 24 Temple in the Marmot Boca Raton Bowl.

Guiding Players to the Next Level

Going back to his days at Mount Union, Candle has had a tremendous track record of mentoring players who have gone on to play in the NFL. A total of 31 players who Candle coached as either an assistant or head coach have made it to the professional ranks.

Candle has coached 29 Rockets who have made it to the NFL, including nine who were selected in the NFL Draft between 2017-23. Most recently, defensive lineman Desjuan Johnson (LA Rams) was selected in the seventh round of 2023 draft, while safety Tycen Anderson (Cincinnati) and cornerback Samuel Womack (San Francisco) were chosen in the fifth round of the 2022 draft.

In previous drafts, Kareem Hunt (Kansas City-third round), Michael Roberts (Detroit-fourth round) and Treyvon Hester (Oakland-seventh round) were

all selected in 2017; Logan Woodside (Cincinnati-seventh round) was taken in 2018, while Diontae Johnson (Pittsburgh-third round) and Ka'dar Hollman (Green Bay-sixth round) were selected in the 2019 draft.

Hunt led the NFL in rushing with 1,327 yards as a rookie in 2017 and has rushed for 3,557 career yards in five seasons with the Chiefs and Browns. Johnson caught 59 passes as a rookie for the Steelers in 2019 and was named All-Pro second-team as a punt returner. In 2020, Johnson caught 88 passes with seven TD receptions, and topped that with 107 catches and eight scores in 2021. He was named to the 2021 Pro Bowl.

As an assistant coach at Mount Union, Candle coached a pair of receivers Pierre Garcon and Cecil Shorts, who had outstanding NFL careers. Garcon played 11 seasons in the NFL with Indianapolis, Washington and San Francisco. He caught 628 passes, including an NFL-best 113 for the Redskins in 2013. Shorts had 229 receptions in six NFL seasons.

In Candle's 14 years at Toledo as both an assistant coach and head coach, the Rockets have compiled a 110-63 record. In 21 years of coaching at the college level, Candle has been part of only one team with a losing record.

Emphasis on Academic Excellence

Academic excellence will always be a top priority for Candle and his staff.

The Rockets have surpassed the 3.0 GPA mark five times since Candle became the head coach, including a program-record 3.202 in the spring of 2023. A total of 35 players have earned Academic All-MAC honors in the past two seasons, while 22 players are entering the 2023 season having already earned their bachelor's degree.

The Rockets also have led the Mid-American Conference in the NCAA's Academic Progress Rate (APR) in seven of the past nine years in which the data was released to the public, with an average score of 978.6 over the past seven years.

Toledo was one of only seven schools in the nation to earn the 2022 American Football Coaches Association's Academic Achievement Award.

The Rockets also earned a 93 Graduation Success Rate (GSR) in 2022, the highest score in school history and the best mark among Mid-American Conference schools. Thirteen Rockets earned Academic All-MAC honors in 2022, a year after a record 22 players earned Academic All-MAC honors in 2021.

Recruiting the Best in the MAC

Candle and the Rockets have been consistently excellent in adding talent to the program as five of Candle's recruiting classes have been ranked No. 1 in the Mid-American Conference by 247 Sports.

Recruiting excellence is nothing new for Candle, who has a long history of recruiting success. As an assistant coach, Candle was regularly mentioned among the nation's top recruiters, including being nationally recognized by Rivals in 2010. He was one of only nine coaches in the country from Group of Five conferences to be named to the list and the only coach from the MAC. Candle also was named the Mid-American Conference "Recruiter of the Year" by Scout.com in both 2011 and 2012. Toledo's 2011 recruiting class was ranked No. 1 in the MAC by both Scout and Rivals. In 2014, Candle was named one of only two MAC assistants to be named among the top recruiters in the Group of Five conferences by Rivals.

Candle's first recruiting class as Toledo's head coach in 2016 was rated No. 2 in the MAC by ESPN.com despite the fact that he assumed the head coaching job just two months before Signing Day. Even more impressive is the fact

that all but two of Candle's assistant coaches were new to the program during the critical final two months of the recruiting season. Candle and his staff went on to recruit the top class in the MAC for five consecutive seasons from 2017-21.

Coaching Origins at Mount Union

Candle joined the Rockets' staff in 2009 after spending both his playing and coaching career under head coach Larry Kehres at Mount Union. In Candle's six years as an assistant at Mount Union, the Purple Raiders went 83-4 and won NCAA Division III national championships in 2005, 2006 and 2008. The 2003 and 2007 teams lost in the national championship game.

A 2003 Mount Union graduate, Candle was an All-Ohio Athletic Conference first-team selection in 2001 as he led the team in receptions (41), yards receiving (778) and touchdowns (9). He was a key member of the 2000 and 2001 national championship teams and finished his career with 57 grabs for 1,037 yards and 11 scores.

Candle, a native of Salem, Ohio, began his coaching career at Mount Union in 2003 as the receivers coach. In the 2004 and 2005 seasons, he worked with Matt Campbell, who was the Purple Raiders' offensive coordinator at the time. Candle took over the post of offensive coordinator in 2007, and also assumed the duties as the program's recruiting coordinator.

In Candle's two seasons as offensive coordinator, the Purple Raiders went 29-1, winning the national championship in 2008 and finishing as runners-up in 2007. Mount Union offensive players earned nine All-American honors in Candle's two seasons running the offense. QB Greg Micheli was honored in 2008 with the Gagliardi Trophy, given annually to the best NCAA Division III player in the nation. Candle also helped guide two Purple Raider receivers to All-American status during his time as the receivers coach from 2003-08. One of those All-American receivers, Pierre Garcon, is a starting wide receiver for the San Francisco 49ers. The other was Cecil Shorts, a fourth-round draft pick of the Jacksonville Jaguars in 2011.

Candle and his wife Nicole have a daughter, Avery, and two sons, Cameron and Colton.

Vince Kehres

Defensive Coordinator/ Linebackers

Alma Mater: Mount Union '98

Hometown: Alliance, Ohio

Vince Kehres is in his fourth season as Toledo's defensive coordinator and linebackers coach. Under Kehres' guidance, Toledo's defense has become one of the very best in the Mid-American Conference.

In 2022, the Toledo defense ranked first in the MAC in total defense (326.1), passing yards allowed (183.0) and defensive passing efficiency (112.19). The MAC Champion Rockets were 10th in the nation in defensive passing efficiency, 12th in passing yards allowed and 18th in total defense. The Rockets held nine opponents to less than 200 yards passing. In six of those games, opponents were held to less than 100 yards passing.

Four Rocket defenders — senior defensive tackle Desjuan Johnson, junior linebacker Dallas Gant, sophomore cornerback Quinyon Mitchell, and sophomore safety Maxen Hook — were named First-Team All-MAC. It was the first time four UT defenders received first-team honors since 1985. Senior linebackers Jamal Hines and Dyontae Johnson and junior safety Nate Bauer were named to the All-MAC second team.

In 2020, Kehres spearheaded a complete turnaround of the Toledo defense. Toledo was second in the MAC in total defense (362.2) after ranking last in the league in total defense (475.7) in 2019. The Rockets, who allowed just 24.3 points per game in 2020, also led the MAC in opponent third-down conversions (27.4%) and were second in rushing defense (129.2).

The Rocket defense was represented with four players on the 2020 All-MAC team — senior safety Tycen Anderson, sophomore safety Nate Bauer, junior outside linebacker Jamal Hines and junior defensive tackle Desjuan Johnson.

The Rocket defense took an ever bigger step in 2021, leading the league in scoring defense (21.8) and defensive pass efficiency (118.8), and ranking second in the MAC in total defense (349.7) and third in passing defense (198.2). Three Toledo defenders made First-Team All-MAC: senior defensive backs Tycen Anderson and Samuel Womack, and junior outside linebacker Jamal Hines made up the first Toledo trio of MAC defensive first-teamers since 1997. Senior linebacker Jonathan Jones and junior defensive end Desjuan Johnson were placed on the second team, while junior linebacker

Dyontae Johnson and freshman safety Maxen Hook made third team.

Kehres arrived at Toledo after 21 years at Mount Union, the last seven of which he served as head coach. His career record as a head coach of 95-6 (.941) gave him more victories than any college coach at any level during that period. Kehres led his team to NCAA Division III national championships in 2015 and 2017.

Kehres also has seven NCAA playoff appearances, six Ohio Athletic Conference titles and five national championship game appearances on his resume. He is a three-time OAC Coach of the Year, three-time Lee Tressel Ohio College Coach of the Year and three-time the Columbus Dispatch Ohio College Coach of the Year.

A winner in every sense, Kehres has been a part of 12 of Mount Union's 13 national championships in some capacity. Prior to his time as head coach, Kehres served 13 seasons as an assistant under his father and then-head coach Larry Kehres. During his time as defensive coordinator from 2005-12, the Purple Raiders' defense was ranked in the Top 10 nationally in all but one season. Kehres coached the top-ranked defense in all of Division III in 2007, 2008, and 2012. He also served as Mount Union's strength and conditioning coordinator from 2005-13 as well as the recruiting coordinator from 2009-13.

A 1998 graduate of Mount Union with a degree in political science, Kehres was a four-year letterwinner (1994-97) at defensive end for the Purple Raiders, a member of two National Championship teams (1996 & 1997) and earned All-OAC honors during his senior year 1997. During his playing career, Kehres totaled 62 hits and 12 tackles for loss, and he was a key member of the special teams unit. He was part of a 1997 defense that led all of Division III in fewest points allowed (5.6 ppg) and rushing defense (48.6 ypg) while posting five shutouts and setting a Raider single-season mark for sacks in a season (53 in 10 regular season games).

Kehres spent a year coaching at Austintown Fitch High School, earned his master's degree from Ashland University then returned to Mount Union in 2000. He and his wife, Lindsay, have three sons, Evan, Bo and Jackson.

Mike Hallett

Co-Offensive Coordinator/ Offensive Line

Alma Mater: Mount Union '94

Hometown: Orrville, Ohio

Co-offensive coordinator/offensive line coach Mike Hallett is in his eighth season on Toledo's coaching staff. He has been a driving force in making Toledo's offense one of the best in the Mid-American Conference over the past seven years.

In 2022, Toledo's offense ranked second in the MAC in scoring (31.3), third in total offense (401.7) and rushing (177.1), and fourth in passing efficiency (132.97), propelling the Rockets to a MAC Championship title. Sophomore offensive lineman Nick Rosi earned first-team All-MAC honors while sophomore quarterback Dequan Finn and sophomore wide receiver Jerjuan Newton were named to the second team. Finn completed 59.7 percent of his passes for 2,269 yards and 23 TDs in 2022, throwing for a school record-tying six touchdowns and rushing for another against Kent State. His seven TDs against the Golden Flashes set a new program record.

In 2021, the Rockets led the MAC in scoring offense (33.4), paced by junior running back Bryant Koback's 1,400 rushing yards and 15 rushing TDs. Two Rocket offensive linemen earned All-MAC honors: senior center Bryce Harris (first team) and senior guard Vitaliy Gurmen (third team).

In Hallett's first season as co-offensive coordinator in 2020, the Rockets ranked third in the MAC in total offense (494.0) and first in passing offense (325.8), averaging 35.0 points per game. Harris earned first-team All-MAC honors and was named a candidate for the Rimington Trophy as the nation's top center.

In 2019, Toledo's running game ranked second in the MAC and 14th in the country, producing 224.5 yards per game. The offense as a whole ranked fourth in the MAC with 434.1 yards per contest. Redshirt freshman Nick Rosi earned PFF All-America and All-MAC honors in his first season as a starter, while sophomore Bryant Koback (1,187) and junior Shakif Seymour (741) combined for over 1,900 yards on the ground. Koback earned second-team All-MAC honors.

Hallett helped the Rockets rank first in the MAC in scoring offense (40.4) as well as No. 2 in total offense (443.8) and rushing (215.9) in 2018. Under Hallett's guidance, Harris earned second-team All-MAC honors, while Koback rushed for 917 yards as a redshirt freshman.

In 2017, Hallett helped guide a Toledo running attack that spearheaded the Rockets' MAC Championship run. UT averaged 204.0 rushing yards per game, third-best in the MAC. The Rockets also ranked first in the MAC in total offense and passing efficiency, and second in scoring offense and passing offense. Senior Terry Swanson led the MAC with 1,363 yards rushing. Swanson earned first-team All-MAC honors, as did senior offensive linemen Elijah Nkansah and Brant Weiss.

In 2016, Hallett played a major role in guiding Toledo's offense to the highest single-season yards per game total in

program history — 517.8 yards per game. The Rockets also set the passing yardage record with 322.8 yards per contest. Toledo ranked in the top 10 in the nation in five offensive categories: passing efficiency (second), third-down conversions (fifth), total offense (seventh), red-zone offense (ninth) and passing offense (10th). The Rockets also led the MAC in total offense, passing offense, and passing efficiency.

Toledo's offensive line allowed just 14 sacks in 2016, which was tied for the 11th-fewest in the nation. Two senior offensive linemen, Storm Norton and Mike Ebert, earned first-team All-MAC recognition in 2017. Norton signed as a free agent with the Detroit Lions and is currently on the LA Chargers' roster. Hallett's unit helped pave the way to a record-breaking season for senior running back Kareem Hunt. He rushed for 1,475 yards, giving him a school-record 4,945 for his career. Hunt was drafted in the third round of the 2017 NFL Draft by the Kansas City Chiefs and went on to lead the NFL in rushing as a rookie.

Prior to becoming a Rocket, Hallett served as head coach at Heidelberg from 2007-15. He ranks third in all-time victories at Heidelberg with a 55-36 record, 46-35 in the Ohio Athletic Conference. Hallett turned a program that had lost 36 consecutive games prior to his arrival into a contender in a very competitive NCAA Division III conference. In 2012, Heidelberg went 9-2 record (8-1 OAC) and earned its first-ever berth into the NCAA Playoffs.

Hallett was named the OAC Coach of the Year and D3Football.com North Region Coach of the Year in both 2007 and 2011. During his tenure, 10 of his players earned All-America honors a total of 12 times, and 60 of his players received All-OAC accolades 96 times.

A 1994 graduate of Mount Union, Hallett was a two-time All-American for the Purple Raiders in 1992 and 1993, and was named the Division III Lineman of the Year in 1993. He was part of head coach Larry Kehres' first national championship team in 1993 when he racked up 111 tackles and 8.5 sacks. A two-time All-OAC first-team selection as well as a three-time Academic all-league pick, Hallett was enshrined in the Mount Union Athletic Hall of Fame in 2009.

After graduation, Hallett coached high school football in Ohio at Orrville, Akron Coventry and Wooster. He then moved to the college ranks, working at Thomas More as the offensive coordinator and head coach before accepting the head coaching position at Heidelberg in 2007.

Hallett grew up in Orrville, Ohio and graduated from Orrville High School, where he played football and ran track. He originally enrolled at Kent State in 1987 to play football for the Golden Flashes before transferring to Mount Union. He has two sons, T.C. and Ryan. He and his wife Brooke Shannon were married in 2022.

Ross Watson

Co-Defensive Coordinator/Safeties

Alma Mater: Mount Union '05

Hometown: Youngstown, Ohio

Ross Watson is in his eighth season as a defensive coach for the Rockets, and fourth year as co-defensive coordinator. During his term at Toledo, Watson has groomed safeties that have played an indispensable role in the team's success.

The Rockets ranked first in the MAC in total defense (326.1), passing yards allowed (183.0) and defensive passing efficiency (112.19) in 2022. Additionally Toledo was 10th in the nation in defensive passing efficiency, 12th in passing yards allowed and 18th in total defense. The MAC champion Rockets held nine opponents to less than 200 yards passing. In six of those games, opponents were held to less than 100 yards passing. Two safeties, sophomore Maxen Hook and junior Nate Bauer, were named first-team and second-team All-MAC, respectively.

Toledo topped the league in scoring defense (21.8) and defensive pass efficiency (118.8) in 2021, and ranked second in the MAC in total defense (349.7) and third in passing defense (198.2).

Watson was instrumental in the development of Tycen Anderson, a two-time All-MAC safety who was selected in the fifth round of the 2022 NFL Draft by the Cincinnati Bengals. Anderson earned first-team All-MAC recognition in 2021, the first Rocket safety to make first-team all-league since 2012. In addition, freshman safety Maxen Hook earned third-team All-MAC honors in 2021.

Watson's safeties group for 2020 included a pair of second-team All-MAC honorees, Anderson and sophomore Nate Bauer. Toledo was second in the MAC in total defense (362.2) in 2020, allowing just 24.3 points per game, also leading the MAC in opponent third-down conversions (27.4%) and ranking second in rushing defense (129.2).

Watson guided safeties that played a major role in Toledo's 2017 MAC Championship season. Sophomore Kahlil Robinson registered 67 tackles and led the team with four interceptions. Toledo's defense held MAC opponents to 21 points or fewer in six of their seven league victories, and shut out Akron through most of three quarters in the MAC Championship Game.

In 2016, Watson helped mentor senior strong safety DeJuan Rogers to second-

team All-MAC honors on his way to an invitation to the Chicago Bears' 2017 rookie mini-camp. Rogers led the Rockets with 94 tackles and broke up six passes. Fellow senior Conner Swift also had an outstanding season, with 61 tackles, two interceptions and seven pass breakups. Toledo finished fourth in the MAC in scoring defense (25.7) en route to a 9-4 record and a berth in the Raycom Media Camellia Bowl.

A native of Youngstown, Ohio, Watson played cornerback at Mount Union from 2002-05, where he was a freshman during Jason Candle's senior season with the Purple Raiders. He stayed at his alma mater to begin his coaching career, spending two seasons as a defensive backs coach under legendary head coach Larry Kehres. The Purple Raiders posted a 29-1 record in Watson's two seasons at Mount Union, winning the 2006 Division III national championship and finishing as runner-up in 2007.

During a 15-0 season in 2006, the Raider defense allowed just 186 yards per game, posted four shutouts and intercepted 22 passes. In 2007, Mount Union's defense shut out seven opponents, intercepted 17 passes and held opponents to 173.7 total yards per game.

Watson then went to Nebraska, where he served as a graduate assistant for head coach Bo Pelini from 2008-11, working primarily with the defensive backs. In 2009, the Cornhuskers led the nation in scoring defense, holding opponents to just 10.4 points per game.

In 2012 and 2013, Watson coached defensive backs at Florida Atlantic. In his final season at FAU, the Owls ranked second in the FBS in passing yards allowed (161.5 yards per game), were third in team passing efficiency defense (97.41) and ranked 11th in total defense. FAU ranked 27th nationally in passing defense in 2012.

In 2014, Watson joined the staff at Youngstown State, assuming the position of director of football operations under head coach Eric Wolford. Watson then moved on to Northern Illinois in 2015, where he helped lead the Huskies to a share of the MAC West Division title.

Watson and his wife Sydney have four children, Tripp (9), Wyatt (7) and twins Colbi and Lexi (5).

Robert Weiner

Co-Offensive Coordinator/ Quarterbacks

Alma Mater: Boston College '87

Hometown: Tampa, Fla.

Robert Weiner is in his fourth season as the Rockets' co-offensive coordinator and quarterbacks coach.

Over the past two seasons, Weiner helped guide Dequan Finn into becoming one of the most dynamic quarterbacks in the Mid-American Conference. Finn took over as Toledo's starting signal-caller midway through the 2021 season and established himself as an effective threat in the air and on the ground, earning second-team All-MAC honors in 2022. Finn went on to lead Toledo to a 17-7 victory in the MAC Championship Game, earning Offensive MVP honors. He also led UT to a 21-19 victory over Liberty in the Roofclaim.com Boca Raton Bowl and was named Offensive MVP of that contest as well.

Finn completed a career-best 59.7 percent of his passes in 2022, throwing for 2,660 yards and 23 touchdowns. He ranked second in the MAC in passing touchdowns (23), third in passing efficiency (136.5), third in yards per pass attempt (7.17), and fourth in completion percentage (59.7%). On the ground, Finn set a single-season UT quarterback record with 631 rushing yards and tied his own single-season record for most rushing TDs by a QB with nine. Both numbers ranked first in the MAC among quarterbacks. Finn became the first Toledo quarterback to account for seven touchdowns in a game, tying a school record with six passing TDs and rushing for one in a comeback win vs. Kent State.

In 2021, Finn completed 57.6 percent of his passes and threw for 2,071 yards and 18 touchdowns with only two interceptions to rank fourth in the MAC in passing efficiency (149.3). Against Eastern Michigan, Finn completed 30-of-45 passes for a career-high 461 yards and three touchdowns. The 461-yard total is tied for second on Toledo's all-time list. Finn also ran for 505 yards and nine TDs.

In 2020, Weiner mentored a pair of quarterbacks—Eli Peters and Carter Bradley—who showed tremendous improvement from their previous seasons. Peters completed 68.2 percent of his passes, nearly a 10-point jump from 2019. He had games of 339 yards passing (Western Michigan) and four touchdown passes (Bowling Green).

Bradley stepped in when Peters went down with an injury, and finished third in the MAC in passing efficiency. He threw for a career-high 432 yards and three TDs in a win over Northern Illinois. The 432-yard total was the seventh-most in Toledo history and the most by a MAC quarterback in 2020.

Weiner is also considered one of the top recruiters in the nation, ranking as the No. 4 recruiter in the Mid-American Conference for the Class of 2022 by 247 Sports.

Weiner came to Toledo after 16 seasons as the head coach at Plant High School in Tampa, Fla. where he won four state championships, had two runner-up finishes, and earned 14 consecutive district titles (2005-2018). Weiner and former Rocket quarterback Phillip Ely teamed up to win two of those state titles in 2008 and 2009. Plant also won state championships in 2006 and 2011.

Other notable quarterbacks Weiner coached during his tenure include Aaron Murray (Georgia, 2010-13), Robert Marve (Miami (Fla.) 2008/Purdue 2010-12), Jordan McCloud (USF 2018-20/Arizona 2021) and Tucker Gleason, a current member of the Rockets.

Plant's record during Weiner's tenure was 172-37-1 with a 42-10 record in playoff games. He was twice named the Florida Dairy Farmer's All-Classifications High School Football Coach of the Year, winning the award in 2006 and 2008. Weiner is one of only two high school coaches ever in the state of Florida to win that award twice.

Weiner began his coaching career at his high school alma mater, Tampa Jesuit High School, where he served as an assistant coach in football, basketball and baseball from 1989-2003. He moved on to Crystal River (Fla.) High School, where he was the head baseball coach from 2003-04, before accepting the head football position at Tampa Plant in 2004.

Weiner graduated from Boston College in 1987 with a bachelor's degree in English and secondary education. He and his longtime girlfriend Tonya Thomas have homes in Toledo and Tampa.

Nate Cole

Running Backs

Alma Mater: Toledo '11

Hometown: Dayton, Ohio

Nate Cole has deep roots with the Toledo football program. A former Rocket offensive lineman and graduate assistant, Cole is in his eighth year on the coaching staff and fifth as the running backs coach.

In 2022, Cole led a running back room that featured sophomores Jacquez Stuart, Peny Boone, and Micah Kelly. Stuart led the MAC Champion Rockets with 770 rushing yards and four touchdowns, Boone added 443 yards and three touchdowns, and Kelly rushed for 398 yards and one TD. Toledo ranked third in the MAC in rushing offense (177.6) and fourth in yards per carry (4.3) that season.

Under Cole's tutelage, Bryant Koback developed into one of the best running backs in the Mid-American Conference. Corey Parker

Cornerbacks

Alma Mater: Eastern Michigan '05

Hometown: Detroit, Mich.

Corey Parker is in his second season as the Rockets' cornerbacks coach.

In his first season at Toledo, Parker mentored sophomore Quinyon Mitchell to multiple All-America honors and a first-team All-MAC selection. Mitchell led the country in passes defended (25) with five interceptions and a school-record 20 pass breakups in 2022. He set Toledo single-game records with four interceptions and two pick sixes against Northern Illinois, as well as five pass breakups at Buffalo. Mitchell was named second-team All America by Walter Camp, Phil Steele, and Pro Football Focus and third-team All-America by the Associated Press.

Parker's cornerback room in 2022 also featured junior Chris McDonald and sophomores RJ Delancy and Andre Fuller. McDonald broke up seven passes and grabbed an interception while Delancy and Fuller each had three pass breakups. Toledo's defense intercepted 12 passes in 2022, which ranked third in the Mid-American Conference.

A key component for Toledo's defensive success to win the MAC Championship and Boca Raton Bowl Championship in 2022 was the success of the cornerbacks in containing the explosive plays, as the Rockets held nine opponents to less than 200 yards passing. In six of those games, the opponent was held to less than 100 yards passing. In addition, Toledo cornerbacks were penalized just seven times (five pass interference, two holding) out of 517 passing attempts in 2022.

Prior to joining the Toledo coaching staff, Parker served as the head coach at River Rouge (Mich.) High

School for 13 seasons where he compiled a 113-34 record. He also served as the school's dean of students from 2009-21 and athletic director from 2016-21.

Parker was a three-time regional coach of the year and earned state coach of the year honors in 2015 and 2019. He led River Rouge to a state title in 2019.

Parker inherited a River Rouge High School program that won just eight games in the four years prior to his arrival in 2009 and turned it into a state power. The Panthers qualified for the state playoffs in 12 consecutive seasons under his guidance, earning seven district titles, five regional crowns, five state semifinal appearances and three appearances in the state championship game. River Rouge won the Division 3 state title in 2019. During his tenure, more than 100 of his players went on to play college football.

Parker graduated from St. Martin De Porres High School in Detroit. He was a three-time letterwinner as a defensive back at Eastern Michigan, where he earned a bachelor's degree in communications in 2005.

Parker began his coaching career as a defensive backs coach at the University of Detroit Jesuit High School in 2006. He went on to coach defensive backs and wide receivers at Ann Arbor Huron High School in 2007 before accepting the position of co-defensive coordinator at Inkster High School in 2008. In 2009 he became the head coach at River Rouge.

Mark Staten

Tight Ends/Offensive Tackles

Alma Mater: Miami (Ohio) '01

Hometown: Dowagiac, Mich.

Mark Staten is in his fourth season coaching the tight ends and offensive tackles for the Rockets.

In 2022, Staten helped guide a Rocket offense that ranked second in the MAC in scoring (31.3) and third in rushing offense (177.6) and passing efficiency (133.0) on its way to a MAC Championship. Senior tight end Jamal Turner was second on the team with eight touchdown catches, recording 378 yards on 29 receptions.

In 2021, Staten played a big role in helping guide a Rocket offense that led the MAC in scoring (33.4), and ranked fourth in total offense (435.5) and rushing offense (196.2). Tight ends Drew Rosi and Turner combined for 16 receptions and were versatile blockers for Toledo's intricate offense.

In his first season at Toledo, Staten made a positive impact on the offense. Despite losing both starting tackles—Mitchell Berg and Lavel Dumont—to season-ending injuries, the Rockets' offensive line helped UT rank third in the MAC in total offense (494.0) and first in passing offense (325.8). Staten guided a converted guard, Nick Rosi, and transfer Vitaliy Gurmen into anchor positions at tackle. Tight ends Rosi and Jamal Turner combined for 13 receptions.

Staten came to Toledo in 2020 after spending 13 seasons at Michigan State as an assistant coach. His duties with the Spartans included serving as their tight ends coach from 2007-10 and offensive line coach from 2011-18. Staten coached the tight ends for MSU in 2019.

Prior to his career at Michigan State, Staten was an assistant at Cincinnati (2004-06) and a graduate assistant coach at Ohio State (2002-03).

While at Michigan State, Staten coached three All-Americans, five NFL Draft picks, and 12 All-Big Ten players. His work with the offensive line helped lead the Spartans to three Big Ten Championships in 2010, 2013 and 2015, and

a three-year record of 36-5 from 2013-15, the winningest stretch in school history. Overall, he logged 114 career wins as an assistant coach under Mark Dantonio and was a part of the winningest Michigan State coaching staff in program history.

Staten has a reputation for mentoring linemen and tight ends. The Spartans' 2015 offensive line was a finalist for the Joe Moore Award for the most outstanding offensive line in college football. That MSU line featured two All-Americans, center Jack Allen

and left tackle Jack Conklin. The offensive line helped pave the way for Michigan State's first-ever College Football Playoff berth. Conklin, a one-time walk-on, went on to be the No. 8 overall selection in the 2016 NFL Draft by the Tennessee Titans.

At Cincinnati, Staten mentored All-BIG EAST tight end Brent Celek, who would go on to play 11 seasons in the NFL and win a Super Bowl with the Philadelphia Eagles. Under Staten's tutelage, Celek broke several program records for tight ends during his career as a Bearcat, including the career records for receptions, receiving yards, and touchdowns by a tight end.

Prior to joining the Cincinnati coaching staff, Staten was an offensive graduate assistant coach at Ohio State (2002-03), helping the Buckeyes to a national championship in 2002. He worked with the offensive linemen, tight ends, and long snappers at OSU.

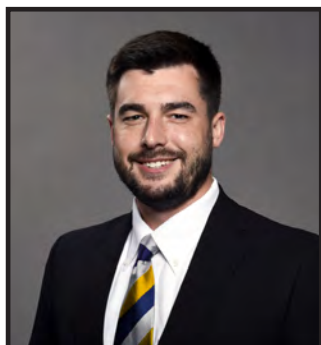

Staten played college football at Miami (Ohio), where he was an All-MAC defensive tackle. Professionally, he was a member of the Cincinnati Bengals and New England Patriots organizations from 1993-94 and he was drafted by the World Football League's Barcelona Dragons in 1995 before his football career came to an end due to injury.

Staten graduated cum laude from Miami in 2001 with a bachelor's degree in elementary education. He and his wife Dana have two sons, Quinn and Maximus.

• Finn's six TD passes tied a school record that is shared by Bruce Gradkowski (twice, 2003 and 2004) and Logan Woodside (2017). Finn also rushed for a score, which set a Toledo record for seven touchdowns accounted for in one game.

• Toledo's 21-point comeback tied for the third-largest comeback in school history. The largest was a 24-point turnaround in a 32-31 win over Western Carolina in 1975.

• Toledo trailed 21-0 barely five minutes into the game before Finn and the Rockets began their rally. Finn ran for a 27-yard TD in the first quarter, then threw for touchdown passes of 27, 36 and 39 yards in the second quarter to tie the score at 28-28. In the second half, Finn threw for scores of seven, 41 and eight yards. He also ran for 87 yards on 14 attempts.

Attendance: 15,550

• Holding a 10-7 lead in the fourth quarter, Dequan Finn hit DeMeer Blankumsee for a 16-yard touchdown pass with 10:36 left in the game. Toledo's defense then did its job, holding the Bobcats scoreless on their final three drives.

• Toledo's defense, ranked No. 1 in the MAC much of the season, dominated the Bobcats for most of the game, holding Ohio to the fewest points by any team in MAC Championship Game history. Ohio gained 262 yards of total offense, including just 69 yards in the second half. Dallas Gant led Toledo with 10 tackles and Nate Bauer had an interception.

• Finn was named the game's Offensive MVP, Dyontae Johnson (eight tackles, 0.5 TFL) was Defensive MVP, and Jonathon Batzke (46.5 punting average) was the Special Teams MVP.

• It was Toledo's 12th MAC Championship title overall, and fourth triumph in the MAC Championship Game. It was also Head Coach Jason Candle's second MAC title. His Rockets won the title in 2017, his second year as Toledo's head coach.

Toledo Football History

Over a Century of Excellence

Steeped in tradition, the University of Toledo football program has produced countless memorable players and great moments in its 106-year history.

From Mel Triplett in the 50's, to Chuck Ealey and Mel Long in the 70's, to Chester Taylor, Kareem Hunt and Diontae Johnson in the 21st century, Rocket stars have put their unique stamp on the college football landscape. From the legendary 35-game winning streak from 1969-71 to all the championship seasons that followed, Toledo football has a rich legacy of success.

Rocket football dates back to 1917, when a group of Toledo University (as it was known then) students put together a football team with the help of a young professor, John Brandeberry. Toledo lost its first game to the University of Detroit by the incredible score of 145-0, but the foundation of the program had been established.

Prospects for Toledo gradually improved after that first season. Coach James Dwyer led Toledo to its first winning record and its first Northwest Ohio league championship in 1923. Eventually Toledo became a reliable football power,

with just one losing season from 1933 to 1948.

Toledo joined the Mid-American Conference in football in 1952 and won its first MAC championship in 1967, but the Rockets really burst onto the national scene two years after that. From 1969-71, Toledo captured the country's attention by winning 35 consecutive games, three straight MAC championships and three straight Tangerine Bowl titles. In each of the three undefeated seasons, Toledo was ranked in the top 20.

The 35-game winning streak ended as the second-longest in major college football history, bettered only by a 47-game string put together by the great Oklahoma teams of 1953-57.

The most famous star of the 1969-71 teams was the legendary quarterback Chuck Ealey. Ealey earned MAC "Back of the Year" honors for an unprecedented three consecutive years and numerous All-America honors from AP, UPI and Football News magazine. Ealey also became the first player in MAC history to receive votes for the Heisman Trophy, receiving 168 points for an eighth-place finish in 1971.

Toledo won its fifth and sixth MAC championships in

TOLEDO FOOTBALL HISTORY

1981 and 1984, but it was in the 1990's and 2000's that the Rockets really took off as a national presence. Toledo was-coached in the 90's by Gary Pinkel, who amassed a 73-37-3 record before departing for Missouri following the 2000 season. Pinkel's teams won or shared four titles and cracked the top 25 three times in his final six seasons.

Taking the Rockets to even greater heights was Tom Amstutz, a Toledo native and UT graduate who had spent 21 years as an assistant coach. Amstutz led the Rockets to two MAC titles, four division crowns and four bowl games in eight years at the helm from 2001-08. Running back Chester Taylor (4,849 career yards) dominated from 1998-2001. Quarterback Bruce Gradkowski took over as the star of the Midnight Blue and Gold, setting 21 school passing records from 2003-05.

Tim Beckman came aboard as head coach in 2009 and won 17 games in his final two seasons. A big part of Toledo's resurgence came from wide receiver Eric Page, who caught a MAC-record 306 passes from 2009-11 and earned All-America honors as a kick returner in 2010.

In 2011, the Rockets went 9-4 and won their first bowl game in six years, a 42-41 triumph over Air Force in the Military Bowl. The victory marked the head coaching debut of Matt Campbell, who took over at the end of the regular season when Beckman departed for Illinois. Campbell's Rockets followed that up with 9-4 seasons in 2012 and 2014, including a 63-44 victory over Arkansas State in the 2015 GoDaddy Bowl behind 271 yards rushing and five touchdowns by sophomore Kareem Hunt.

In 2015, the Rockets zoomed up the national polls, checking in at No. 19 in the nation, thanks to big wins over No. 18 Arkansas and Iowa State in successive weeks. Campbell left to take the head coaching position at Iowa State at the conclusion of the 2015 regular season. Offensive coordinator

Jason Candle stepped in and led Toledo to a 32-17 victory over No. 24 Temple in the Marmot Boca Raton Bowl, giving the Rockets their first 10-win season in 15 years. Hunt led the Rockets in rushing for three straight years from 2014-16, twice earning First-Team All-MAC honors.

In 2017, Candle and the Rockets went 11-3 and won the school's first MAC Championship since 2004. Five years later, the Rockets won the 2022 MAC title and went on to win the Roofclaim.com Boca Raton Bowl, becoming the first Toledo team since 2001 to win a league championship and a bowl game in the same season.

Toledo Football Timeline

1917

- John Brandeberry, an engineering professor, is “selected” coach when he begins conversing with some students on the gravel field near the 11th Street UT campus. Team member Charles Morgan later says, “Nobody else wanted the job.” Each of the team’s 13 members purchases his own uniform. The team has no practice scrimmages prior to playing the first game in school history, a contest at powerful Detroit. UT not only loses the game, 145-0, it loses four players to injury. But the program is sustained by the whopping \$150 guarantee it receives for playing the game. Toledo finishes the season 0-3, outscored 262-0 by its opponents.

1918

- The first win in school history comes over Defiance, 19-12. UT finishes the season with a 1-1 record.

1920s

- The Blade newspaper refers to the team as “Munies,” short for Municipal University, and also as the “Fighters.”

1922

- The first football field, usually referred to as University Stadium, is built at Scott Park. Seating, consisting of seven rows of wooden bleachers, is added in 1923. Games are also played at Armory Park,

Toledo's very first football team was organized in 1917, led by Coach John Brandeberry (upper right corner).

and Waite, Scott, Libbey and St. John's high schools from 1918-1936.

1923

- Toledo acquires its current nickname following a game with powerful Carnegie Tech. Surprised to learn that Toledo has no nickname, Pittsburgh sports writers pressure James Neal, a UT student manager working in the press box, to come up with one. Neal,

impressed with his team's flashy performance against a superior Carnegie Tech team, labels UT the “Skyrockets,” which the writers shorten to “Rockets.”

- Toledo wins its first football championship (Northwest Ohio Conference), also the school's first in any sport.

Toledo Football Timeline: The Streak

The famous Toledo 35-consecutive game winning streak, the second-longest in modern major college football history to Oklahoma's 47 (1953-57), began on Sept. 20, 1969 and didn't end until Sept. 9, 1972.

During that streak, the Rockets won three Mid-American Conference championships and three Tangerine Bowl titles. They outscored opponents, 1,152-344 and led the nation in total defense all three seasons, on their way to three undefeated seasons: 11-0 (1969), 12-0 (1970) and 12-0 (1971).

In all three seasons, UT was ranked in the Top 20, as high as No. 12 by the Associated Press in 1970, becoming the first MAC team to be ranked in three straight seasons. Legendary quarterback Chuck Ealey earned MAC "Offensive Player of the Year" honors for an unprecedented three seasons, while defensive tackle Mel Long became the first consensus All-American (AP and UPI polls) in MAC history in 1971.

Nationwide attention came to the UT campus, as curious football fans from all over the country awaited anxiously each week to see if the Rockets could keep their streak intact. Media such as ABC, CBS, NBC, Sports Illustrated and Newsweek made trips to the Glass Bowl to report on the unfolding drama.

There were certainly several big wins during the streak, including the Rockets' 56-33 demolition of Davidson in the first Tangerine Bowl, and UT's 45-18 drubbing of Villanova on Sept.

20, 1969, the one that started it all. In addition, the Rockets posted seven shutouts, and their largest margin of victory was a 52-3 thrashing of Marshall on Sept. 26, 1970.

But not all of the wins were that easy. Four of the games were decided by four points or less, including two contests

1969-71: 35 Wins in a row!

that UT squeezed out by a point.

One of those tight games, possibly the greatest in MAC history, was played in Bowling Green, Ohio, on Oct. 11, 1969. Toledo and Bowling Green battled in a hard-fought war in front of a then-record 20,820 fans at Doyt Perry Field. UT led most of the way but the

behind win, extending the string to a mere four games at that time.

The next year, in perhaps one of the most famous of the victories, Toledo again faced certain defeat until the magic of its incredible quarterback came to the forefront. Ealey reached down into his bag of tricks and rallied the Rockets late in the final quarter, overtaking Miami, 14-13, to keep the streak going at 19.

And who could ever forget what happened on Oct. 16, 1971? The Western Michigan Broncos had Toledo on the ropes, leading by 14 points in the third quarter and carrying a 10-point lead into the fourth. But the steel-armed Ealey, who set five MAC records in the game, again took control. He guided the Rockets on numerous drives, putting 21 points on the scoreboard in the final quarter to give UT an unbelievable 35-24 come-from-behind victory in the Glass Bowl that pushed the string to 29 straight.

Frank Lauterbur was at the Rocket helm for 23 of the victories, while Jack Murphy took over the reins in 1971, guiding UT to 12 straight wins. The fun finally came to an end in the first game of the 1972 season when Tampa shut out UT, 21-0.

Ealey, however, wasn't around to experience the loss. In fact, he was up in

Canada leading the Hamilton Ti-Cat to the Grey Cup championship. A winner through and through, Ealey never lost a game at the amateur level, posting a 65-0 record during his combined high school and college career.

Awards ceremonies were commonplace at Toledo during "The Streak."

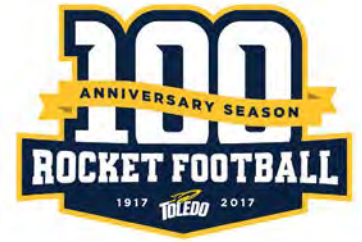

Falcons rallied to take the lead late in the contest, 26-24. With two seconds remaining in the contest, UT placekicker Ken Crots booted a 37-yard field goal into the teeth of a strong wind to give the Blue and Gold a 27-26 come-from-

Toledo All-Century Team

College Football Hall of Fame

In 2022, two Rockets, Chuck Ealey and Gary Pinkel, joined Mel Long in the College Football Hall of Fame. Their induction gives Toledo three College Football Hall of Famers.

CHUCK EALEY

The signal caller for the best run in Toledo football history, Chuck Ealey never lost a game in his three seasons as the Rockets' starting quarterback.

Named a 1971 First Team All-American, Ealey went a remarkable 35-0 as Toledo's starting quarterback. The three-time MAC Back of the Year became the first player in conference history to receive votes for the Heisman Trophy, tallying 168 points for an eighth-place finish in 1971. A three-time First Team All-MAC selection, Ealey led the Rockets to three consecutive conference titles. While guiding the team to three-straight Tangerine Bowl victories, he earned MVP honors following standout performances in the 1969 and 1971 editions.

A 1971 team captain, Ealey finished his career as Toledo's all-time leader with 5,275 passing yards and 45 touchdown passes, both marks that still rank in the top 10. In both 1970 and 1971, he received the team's Jim Nicholson Award as the team's most valuable player. Voted No. 1 on Toledo's All-Century Football Team in 2017. The Portsmouth, Ohio, native is one of just four players to have his number retired by the Rockets. He was inducted into the University of Toledo Varsity T Hall of Fame in 1978.

After going undrafted by the NFL, Ealey signed with the Hamilton Tiger-Cats of the Canadian Football League. Taking over as the starting quarterback in 1972, he would go on to win the CFL's Most Outstanding Rookie Award and lead the Tiger-Cats to a victory in the Grey Cup, where he earned MVP honors. In total, Ealey played seven seasons in the CFL with the Tiger-Cats (1972-74), Winnipeg Blue Bombers (1974-75) and Toronto Argonauts (1975-78).

Following his professional football career, Ealey served as a financial advisor in the Toronto area. He founded the Chuck Ealey Foundation, which annually awards academic scholarships to college and high school recipients of The Chuck Ealey Undefeated Spirit Award.

Toledo's all-time leader in victories with 73 from 1991-2000, Gary Pinkel, is being inducted as the winningest head coach at both the University of Toledo and the University of Missouri. He is the first coach from Toledo and the sixth coach from Missouri to be inducted into the College Football Hall of Fame.

Pinkel began his head coaching career at Toledo in 1991 and during the next 10 years he would take the Rockets to new heights, winning 65.9 percent of his games and amassing a 73-37-3 record. His nine winning seasons at Toledo included the 1995 MAC championship, with the Rockets going 11-0-1 and finishing at No. 24 in the final polls. Pinkel would lead Toledo to three other MAC West Division titles. In 1997, the Rockets finished 9-3, climbing as high as No. 18 in the national rankings. They repeated as division champions again in 1998 with a 7-5 record. In his final season with the Rockets in 2000, the team went 10-1, including a 24-6 win at Penn State. The team finished the regular season with the MAC West Division title and ranked No. 25 in the AP Poll. He was named the MAC Coach of the Year in 1995 and 1997.

Before announcing his retirement in 2015 due to a diagnosis of non-Hodgkin's lymphoma, Pinkel ranked as the third-winningest active coach behind future College Football Hall of Fame inductees Frank Beamer of Virginia Tech and Bill Snyder of Kansas State. Pinkel also is one of only three coaches in history to be the winningest coach of two college football programs, joining College Football Hall of Fame inductees Bear Bryant (Kentucky, Alabama) and Steve Spurrier (Florida, South Carolina). Pinkel coached 10 First Team All-Americans, three Academic All-Americans, three NFF National Scholar-Athletes and 79 first team all-conference players.

Pinkel was inducted into the University of Toledo Varsity T Hall of Fame in 2009.

Glass Bowl History

Kickoff from the very first game in the Glass Bowl, Sept. 27, 1937 vs. Bluffton.

The Glass Bowl, today one of the premier college football facilities in the country, had a humble beginning. Built by the Works Progress Administration, it was one of 65 projects undertaken by the WPA in Ohio in 1936 during the heart of the Great Depression. The first game was played in the new stadium in 1937.

Workers used picks, shovels and wheelbarrows to carve out a site for the structure south of campus, removing more than 13,000 square yards of earth from a natural ravine. The work was done entirely by manual labor, as bulldozers and other machinery were not available.

The project was paid for with \$272,000 from the federal government and \$41,558 from the city of Toledo and the university. The 300-man crew needed over one year to complete the work.

The new stadium had many modern features, including a press box, a one-story wooden structure with five windows located on the east side. Two stone towers, which still are in use today, were built on the north side and were used as locker rooms and at one point served as living accommodations for 12

players.

Originally known as University Stadium, it initially had a seating capacity of 8,000, which was increased to 11,500 in 1940. The largest pre-war crowd was 9,500 for a 13-7 Rocket victory over 12th-ranked Marshall in 1938.

The stadium fell into disrepair following nearly four years of vacancy during World War II (1942-45), when football was discontinued at UT. In 1946, Wayne Kohn, a Libbey-Owens Ford engineer, conceived of the idea of using glass to rebuild the stadium. Glass blocks were installed throughout the stadium

and a glass electric scoreboard was built in the south end zone. A new two-tier press box of blue vitrolite and glass blocks was also constructed. Lights were installed, beginning the tradition of night football at UT.

The newly renovated stadium was officially named the Glass Bowl in honor of Toledo's primary industry. The Glass Bowl Dedication Game was played on Dec. 7, 1946 as a post-season game vs. previously undefeated Bates College. Toledo won the game, 21-12. Three more post-season "Glass Bowl Games" followed in 1947-49.

Seating capacity was in-

The Glass Bowl was dug out by hand by WPA workers in 1936.

Glass Bowl History

Until construction of bleachers was completed in 1966, the south end of the Glass Bowl was a sloping, grass-covered hill.

creased to 12,800 in 1949, and to 15,900 in 1966. Further stadium improvements were sparked by the outrageous success of the famous 35-0 Rockets of 1969-71. A second deck on the east side brought official seating capacity to 18,500. A major improvement followed in 1974 when AstroTurf was installed for the first time at a cost of \$404,000. Another \$525,000 was spent to upgrade the seats and locker rooms, and to install permanent fencing that enclosed the entire stadium. A new \$120,000 electronic message board followed in 1975. In 1978, a new lighting system was installed. In 1979, an extensive concrete replacement, in addition to new restrooms and concession stands, was built on the west side.

Improvements to the stadium and the increase in seating capacity could not keep pace with demand, however. Jammed with standing-room-only crowds, spectators headed for higher ground and at many games ended up sitting on the stone wall surrounding the field. In fact, UT led the nation in percentage of attendance from 1982-84 and had an incredible rating of 135.1 percent in 1982. One of the most memorable games was the Bowling Green contest on Oct. 23, 1982, when 31,369 people jammed into the Glass Bowl to see the Rockets' 24-10 victory.

By the 1980's, the Glass Bowl's age, combined with its frequent overflow crowds, necessitated change. That change began on May 25, 1989, when the first shovels of dirt were turned at a festive ground-breaking ceremony, signaling the beginning of the \$18.5-million renovation of the Glass Bowl.

The old wooden pressbox, which had a capacity of 53, was replaced by a new three-level press tower that seats 1,070. The tower houses a modern media communication center

that seats over 100 media personnel, 45 private suites and a 300-seat stadium club.

The second part of the renovation project was the construction of the Larimer Athletic Complex. The headquarters for the Rocket football team, the Larimer Athletic Complex is located at the north end of the stadium. The structure contains a state-of-the-art strength and conditioning facility, locker room, sports medicine center, equipment room, academic resource center, offices and meeting rooms.

One of the most appealing aspects of the Glass Bowl renovation was the way in which the architects introduced a modern look while keeping the flavor and atmosphere of the old stadium intact. The two towers and the stone outer wall remain, giving the Glass Bowl a look and feel unlike any other football stadium in America.

Within the community, financial support for the project has been tremendous. Over 90 percent of the renovation cost has come through donations from the private sector, and through the leasing of the suites and seats in the stadium club.

In recent years, new additions have helped keep the Glass Bowl one of the nation's sporting jewels. In 1999, the Glass Bowl became the first football stadium in the MAC to install a videoboard (later updated in 2010). A renovation of the Larimer Athletic Center was completed in 2014. Updates to the east side of the stadium, as well as a new FieldTurf playing surface were added in 2016.

With all the changes to the Glass Bowl over the years, one thing has remained consistent—UT's winning tradition. The Rockets have won more than 69 percent of their games in the Glass Bowl since it opened in 1937, and nearly 75 percent since 2000.

The old press box, which could barely seat 50 members of the media, was dwarfed by construction of the new press tower in 1989.

Glass Bowl History

The Larimer Athletic Complex, located in the south end of the Glass Bowl, debuted in 1990. A \$5.5 million renovation in 2014 included a new locker room, team meeting rooms, weight room and offices. New facades were built on the exterior, and a portion of the original stone wall was removed (above right) to allow the team to enter directly on the field from the locker room.

Joe Schwartz was a three-time Academic All-MAC honoree from 1970-72.

Beginning in 2014, Academic All-MAC honors were awarded to any player with a 3.20 GPA or higher who was in his second year of athletic eligibility and had played in at least 50 percent of his team's games. From 2014-18, Distinguished Scholar-Athlete awards were voted on by the league's faculty athletic representatives, similar to the previous selection process for Academic All-MAC. Beginning in 2019, any Academic All-MAC player who earned first-team All-MAC honors and held at least a 3.50 cumulative GPA was automatically named a Distinguished Scholar Athlete.

% From 1999-2001, the Mid-American Conference did not name Academic All-MAC teams. Instead, any student-athlete with a cumulative GPA of 3.0 or higher was named to the "Academic Honor Roll."

Team Awards

JIM NICHOLSON AWARD

Jim Nicholson became UT's first full-time football coach in April of 1930, at a time when the current Bancroft campus was still under construction. He upgraded the schedule and instituted organized recruiting, eventually building UT into a powerful and respected football program. In 1935, his final season, the Rockets finished 6-2-1, including a 63-0 win over Bowling Green that led to a 13-year cessation of the rivalry between the two schools.

Nicholson helped design the Glass Bowl, and after his retirement as coach participated in reorganizing the Varsity 'T' Club. Nicholson later became an industrialist and civic leader in the City of Toledo. Established in 1963, the Nicholson Trophy honors the player contributing the most toward the success of the team. The selection is made by the players.

He also served as an assistant under Walt Hobt in 1919-20. Brandeberry was a member of the UT faculty for 38 years, from 1915 until he died of a heart attack at age 59 in 1953. Brandeberry was a long-time member and one-time chairman of the UT Board in Control of Athletics. He was posthumously inducted into the Varsity T Hall of Fame in 2005.

JAMES BAXTER

1918

Record: 1-1 (.500)

James Baxter became UT's head coach in 1918. He spent one season at the helm, leading Toledo to a 1-1 record. Baxter also claimed Toledo's first ever victory, a 19-12 win over Defiance.

WALT HOBT

1919-20

Record: 2-7 (.222)

Best year: 2-4 (1919)

Walt Hobt led UT for two seasons from 19-19 to 1920. He finished his career with a 2-7 record and was the first Toledo head coach to win multiple games in a season in 1919.

JOSEPH DWYER

1921-22

Record: 5-7-3 (.433)

Best year: 2-2-3 (1922)

Record: 12-15 (.444)

Best year: 6-4 (1923)

James "Pat" Dwyer became head coach in 1923 and led the Rockets to their first winning season, posting a 6-4 record and winning a Northwest Ohio Conference championship. Dwyer coached for three seasons and finished his UT career with a record of 12-15.

BONI PETCOFF

1926-29

Record: 13-15-1 (.466)

Best year: 5-2 (1927)

Boni Petcoff led the Rockets for four seasons. Under his guidance, UT won a Northwest Ohio Conference championship in 1927 and shared in the NWO title in 1929, his final season as head coach. An immigrant from Bulgaria, Petcoff had a record of 13-15-1 in his time with UT. After retiring from coaching he became a physician in the Toledo area.

JIM NICHOLSON

1930-35

Record: 20-16-4 (.550)

Best year: 6-2-1 (1935)

Jim Nicholson became UT's first full-time football coach in April of 1930, when the current campus was under construction. He upgraded the schedule and instituted organized recruiting, eventually building UT into a powerful and respected football program. In 1935, his final season, the Rockets finished 6-2-1, including a 63-0 win over Bowling Green that led to a 13-year cessation of the rivalry between the two schools.

Nicholson helped design the Glass Bowl, and after his retirement as coach participated in reorganizing the Varsity 'T' Club. He later became an industrialist and civic leader in the City of Toledo.

CLARENCE "DOC" SPEARS

1936-42

Record: 38-26-2 (.591)

Best year: 7-3 (1939)

Clarence "Doc" Spears' 38 career victories stood as a UT record for 30 years before being surpassed by Frank Lauterbur's mark of 48 wins. When football was suspended at UT because of WWII, he left to take the head coaching job at Maryland. Following the war, he left coaching to engage in a private practice of medicine, mostly in Ypsilanti, Mich.

Prior to coming to Toledo, Spears had head coaching stops at Dartmouth, West Virginia, Minnesota (where he coached Bronko Nagurski), Oregon and Wisconsin.

BILL ORWIG

1946-47

Record: 15-4-2 (.762)

Best year: 9-2 (1947)

Bill Orwig coached the Rockets for just two seasons, but in that time established one of the best winning percentages in school history.

Orwig is one of the few coaches in UT history to oversee two sports at once, also taking the reins of the basketball team during the 1946-47 season. He returned to Michigan, his alma mater, in 1948 as a member of the athletic administration, and became athletics director at Nebraska in 1954. He took the AD job at Indiana in 1961, hiring Bob Knight as basketball coach in 1971.

Bill Orwig (right) accepts the Glass Bowl Trophy in 1947.

Past Toledo Coaches

FRANK LAUTERBUR

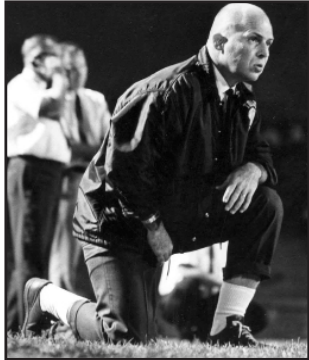

1963-70

Record: 48-32-2 (.598)

Best year: 12-0 (1970)

Frank Lauterbur presided over the most glorious era of UT football. Lauterbur coached the Rockets to the first MAC title in school history in 1967, followed by league championships and perfect seasons in 1969 and 1970. Lauterbur's Rockets could score readily, but won by stopping their opponents, twice leading the nation in total defense.

In 1970, Toledo finished 12th in the AP poll and 17th in the UPI poll. After capping that season with a second straight Tangerine Bowl victory, Lauterbur took the head coaching job at Iowa.

Frank Lauterbur's teams won MAC titles in 1967, 1969 and 1970.

DAN SIMRELL

1982-89

Record: 50-37-2 (.567)

Best year: 9-2 (1983)

Dan Simrell recorded 50 victories in his eight seasons at Toledo, the third-most wins of any coach in school history.

He led UT to a Mid-American Conference title in 1984 and a berth in the California Bowl, as the Rockets posted a 9-2-1 record. In 1983, Toledo raced to a 9-0 start before dropping its final two games of the season.

In addition to the league title, Simrell's teams finished second in conference play three times (1983, 1986, 1989).

Dan Simrell won 50 games at Toledo and a MAC title in 1984.

JACK MURPHY

1971-76

Record: 35-32 (.522)

Best year: 12-0 (1971)

Jack Murphy, an assistant under Frank Lauterbur, took over the coaching reins in 1971, promptly leading the Rockets to another MAC title and a 12-0 record. That was also the year Toledo's famed winning streak reached 35 games, as the Rockets' finished 13th in the UPI poll and 14th in the AP poll.

Murphy's perfect campaign came during his first season as a Division I-A head coach, a feat not equaled until Auburn's Terry Bowden turned the trick in 1993.

CHUCK STOBART

1977-81

Record: 24-31-1 (.438)

Best year: 9-3 (1981)

Chuck Stobart was the head football coach for five seasons from 1977-81, rebuilding the Rocket program into one of the premier programs in the Mid-American Conference. He earned MAC "Coach of the Year" honors in 1979 and 1981. In 1981, Stobart led UT to a 9-3 record, a MAC Championship title and a memorable 27-25 victory over San Jose State in the California Bowl that was decided on a last-second field goal by Tony Lee. Stobart left UT to become the head coach at Utah from 1982-84. He later served as the head coach at Memphis from 1989-94, and also spent time as the offensive coordinator at Pittsburgh, Arizona, USC and Ohio State.

NICK SABAN

1990

Record: 9-2 (.818)

Nick Saban was head coach for one season, leading Toledo to a 9-2 record and a MAC co-championship in 1990.

Saban left Toledo after the 1991 season to become the Cleveland Browns defensive coordinator. Saban has since been the head coach at Michigan State (1995-99), LSU (2000-04), the NFL's Miami Dolphins (2005-06) and Alabama (2007-present). He has won seven national titles, at LSU in 2003, and at Alabama in 2009, 2011, 2012, 2015, 2017 and 2020.

Nick Saban spent one season as Toledo's head coach before winning seven national titles at LSU and Alabama

Past Toledo Coaches

GARY PINKEL

1991-2000

Record: 73-37-3 (.659)

Best year: 11-0-1 (1995)

Gary Pinkel has the most wins (73) and the second-best winning percentage (.659) among UT coaches who led the program for at least four years.

In 1995, Pinkel led the Rockets to an 11-0-1 record, a victory in the Las Vegas Bowl and a top 25 ranking in both the AP and coaches' polls.

In 1997, Pinkel led the Rockets to the first-ever MAC West title and a trip to the MAC Championship Game. The Rockets finished the season 9-3 and were ranked as high as No. 18 at one point in the season.

Pinkel's Rockets repeated as MAC West champions in 1998, earning UT's third post-season appearance in four seasons.

In Pinkel's final season in 2000, the Rockets went 10-1, including a 24-6 victory at Penn State, and were ranked No. 25 in the nation in both final regular-season polls. Following the 2000 season, Pinkel took the head coaching position at Missouri. He has the rare distinction of being inducted into four college hall of fames: Toledo; his alma mater, Kent State; Mid-American Conference; and the College Football Hall of Fame.

Gary Pinkel's Rockets knocked off Penn State on national TV in 2000.

TIM BECKMAN

2009-11

Record: 21-16 (.568)

Best year: 8-4 (2011)

Tim Beckman revived the Toledo football program, racking up consecutive winning seasons and bowl appearances in his final two seasons with the Rockets. After a 5-7 mark in 2009, Beckman's Rockets won eight games in both 2010 and 2011. Following the conclusion of the 2011 regular season, Beckman resigned to accept the head coaching position at the University of Illinois.

Tim Beckman led the Rockets to two bowl games in his three years as head coach.

TOM AMSTUTZ

Record: 58-41 (.586)

During his eight seasons as head coach, Amstutz led his team to victories over Michigan, No. 9 Pittsburgh, Minnesota, Kansas and Iowa State, as well as dramatic comeback wins over Marshall in the 2001 MAC Championship Game and Bowling Green in the 2004 season finale that clinched the MAC West title. The Rockets won the 2001 Motor City Bowl and 2005 GMAC Bowl under Amstutz.

Dan Williams was selected by Denver as the 11th overall pick of the 1993 NFL Draft.

Bowl History

1969 TANGERINE BOWL TOLEDO 56, DAVIDSON 33

The Rockets headed to Orlando with much at stake: the first undefeated season in the history of the football program. The Rocket offense racked up 324 yards in total offense and put 42 points on the board in the first half. It all led to a 56-33 victory over Southern Conference champion Davidson in the 24th annual Tangerine Bowl.

Quarterback Chuck Ealey, voted the game's most valuable back, ran nine times for 83 yards and a touchdown and threw for 147 yards and three scores on 10-of-13 passing. Don Fair caught four passes for 78 yards and Charles Cole carried 22 times for 152 yards.

The Rockets were later rewarded with a No. 20 national ranking in the final Associated Press poll.

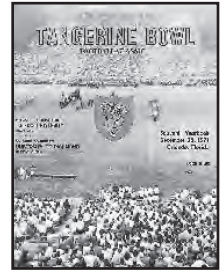

1971 TANGERINE BOWL TOLEDO 28, RICHMOND 3

For the first 15 minutes of the game, Richmond looked as if it had the ability to end Toledo's winning streak at 34 games, taking a 3-0 lead. But then quarterback Chuck Ealey and the No. 1 defense in the nation went to work.

The Rocket defense limited the Spiders to just 51 total yards of total offense in the second half, including none through the air. Richmond punted on five of its seven possessions in the second half, was stopped on fourth down on one and intercepted on the other.

Ealey completed 14-of-23 passes for 176 yards and scored from one yard out. With the victory, the Rockets ran their winning streak to 35 games, to this day the second-longest in major college football.

1970 TANGERINE BOWL TOLEDO 40, WILLIAM & MARY 12

The Rockets looking to repeat as Tangerine Bowl champs and post a second consecutive undefeated season, but Lou Holtz's William & Mary team had other ideas and looked primed for an upset when it jumped out to a 6-0 lead and trailed by one point, 7-6, at halftime.

But it was all Rockets in the second half as they scored on their first four possessions.

The Rockets churned out 326 yards rushing, paced by Charles Cole (132 yards) and Tony Harris (101 yards). Toledo finished 12th in the nation in the final A.P. poll, 14th in the Football News and 17th by UPI.

1981 CALIFORNIA BOWL TOLEDO 27, SAN JOSE ST. 25

They said it couldn't be done. There was no way that Toledo could beat a San Jose State team ranked 20th in the final UPI coaches poll. Yet when the first-ever California Bowl game was over, it was Toledo who left the field victorious, 27-25. Tony Lee's 41-yard field goal with just seconds left gave Toledo the victory.

Toledo had led in the game, 21-3, in the third quarter, but let that slip away. The Spartans took a 25-24 lead with just 52 seconds remaining, on a 35-yard touchdown pass and a two-point conversion.

The Rockets were faced with 80 yards of field ahead of them and no time outs remaining. Quarterback Maurice Hall coolly marched his offense down to the Spartan 24-yard line to set the stage for Lee's winning field goal.

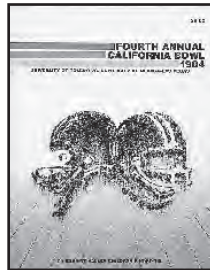

Bowl History

1984 CALIFORNIA BOWL UNLV 30, TOLEDO 13*

The Rockets came up short, 30-13, against Randall Cunningham, Ickey Woods and the rest of the Runnin' Rebels. Cunningham had a stellar game, completing 18-of-28 passes for 270 yards. Woods, just a freshman at the time, led UNLV with 53 yards and a TD.

Rocket running back Steve Morgan was named Toledo's outstanding offensive player after totaling 154 yards on 31 carries, while quarterback A.J. Sager was 12-of-31 for 137 yards with one TD.

**NOTE: The contest was later forfeited to Toledo by the PCAA due to use of ineligible players by UNLV earlier that season. UNLV has never accepted the ruling.*

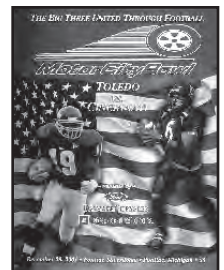

2001 MOTOR CITY BOWL TOLEDO 23, CINCINNATI 16

Chester Taylor ran for a Motor City Bowl-record 190 yards and scored the go-ahead touchdown on a 24-yard run with 3:23 left as Toledo defeated Cincinnati, 23-16. But it was a big play by the defense that clinched the victory for Toledo.

Cincinnati drove to the UT five-yard line, but couldn't convert on fourth-and-4 with 50 seconds left. Cincinnati's Ray Jackson bobbled a deflected pass in a crowded end zone, and senior free safety Andy Boyd then wrestled Jackson—and the ball—to the ground to seal the victory for Toledo.

Quarterback Tavares Bolden was 14-of-28 for 135 yards, but it was his legs that helped Toledo the most. He ran for 41 yards on a draw on the first play of the second half that led to a UT field goal. He tied the game late in the third quarter when he sprinted 28 yards untouched for a touchdown. For the game, Bolden ran for 99 yards, which helped the Rockets set a Motor City Bowl record with 322 yards rushing.

1995 LAS VEGAS BOWL TOLEDO 40, NEVADA 37 (OT)

In a game that featured the first overtime in Division I-A football history, Toledo prevailed over Nevada, 40-37, electrifying a national TV audience on ESPN. After a field goal gave the Wolf Pack a 37-34 lead, its first of the game, the Rockets' Wasean Tait, who set four bowl records and was named co-MVP, scored the winning points on a two-yard run.

Tait set Las Vegas Bowl standards for rushing yards (185), all-purpose yards (238) and TDs (four).

The two teams battled to stand-still through regulation, with Nevada tying the game with a late field goal. Toledo won the overtime coin toss and elected to go on defense first. Nevada settled for a field goal, setting up Tait, who got the call on three of UT's four plays, the last one the game-winner. He was buried under a sea of Rockets in the victory celebration and passed out cold.

2002 MOTOR CITY BOWL BOSTON COLLEGE 51, TOLEDO 25

Boston College scored on its first six possessions on its way to a 42-18 halftime lead, effectively putting the game away and preventing the Rockets from defending their Motor City Bowl title. Toledo cut the Eagles' advantage to 21-10 when Trinity Dawson scored on a two-yard run with 10:47 remaining in the first half but UT never got any closer.

Down 28-10 with less than six minutes to go in the first half, Toledo gambled, going for it on a fourth-and-1 from its own 40, but Brian Jones' pass fell incomplete. Boston College took possession, and on the next play, Grant Adams caught Brian St. Pierre's pass across the middle, eluded a defender and raced into the end zone for a 35-10 lead. A one-yard TD run by Brandon Brokaw with 1:31 to go in the half made it 42-10.

Jones, the nation's percentage completion leader, connected on 27-41 passes for 331 yards with two touchdowns and two interceptions.

Wide receiver Carl Ford had a career-high 10 receptions for 112 yards, including a nine-yard touchdown pass with 24 seconds to go in the second quarter. Fellow senior Donta' Greene added four catches for 63 yards.

Bowl History

2004 MOTOR CITY BOWL UCONN 39, TOLEDO 10

Quarterback Bruce Gradkowski was game. Unfortunately, his broken right hand was not. Gradkowski, who broke his throwing hand in the MAC Championship Game, tried to play in the Motor City Bowl but was ineffective and clearly in pain. As a result, the Rockets' offense stalled, and Connecticut had its way with Toledo, 39-10. Gradkowski finished 6-of-12 for 43 yards before being replaced by Marques Council. By the time Council got in the game to start the second half, UConn was up, 30-7. Council set career highs in attempts (28), completions (16) and passing yards (160).

Toledo entered the game as the favorites, but without a healthy Gradkowski it was no contest. UConn scored on six of its first seven possessions as the Rockets were held to a season-low 10 points.

Gradkowski wasn't the only Rocket to go down, as the UT training staff was kept busy throughout the entire game. Senior All-MAC free safety Patrick Body broke his right arm in the second half. Lance Moore, Toledo's all-time leading receiver, left the game in the second half with a dislocated shoulder. Senior center David Odenthal suffered a sprained left ankle in the first half, returned briefly, then sat out most of the second half.

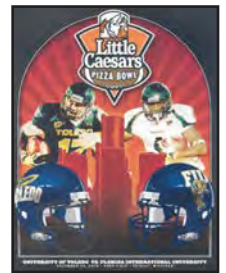

2010 LITTLE CAESARS PIZZA BOWL FIU 34, TOLEDO 32

Florida International capped a second-half comeback with a 34-yard field goal as time expired to give the Panthers a dramatic 34-32 victory over Toledo at the Little Caesars Pizza Bowl at Ford Field in Detroit.

FIU's game-winning field goal overshadowed Toledo's own comeback that gave the Rockets a 32-31 lead with 1:14 to play. Redshirt freshman quarterback Terrance Owens scrambled in for a 14-yard TD and then completed a pass to sophomore wide receiver Eric Page for the two-point conversion. But on its final possession FIU converted a fourth-and-17 from its own 41-yard line to keep its drive alive and set up the eventual game-winning field goal by Jack Griffin.

Toledo held a 24-7 lead early in the second half but FIU scored 24 unanswered points to take a 31-24 lead with 3:18 to play. Junior Adonis Thomas led the Rockets with a career-high 193 yards rushing and two touchdowns. Thomas' second TD run was an 87-yard bolt in the second quarter, the longest run of his career, the fourth-longest rush in Toledo history and tied for the longest run in Little Caesars Bowl history. He finished the season with 1,098 yards, the 13th-highest total in school history.

2005 GMAC BOWL TOLEDO 45, UTEP 13

Quarterback Bruce Gradkowski ended his storied collegiate career with an exclamation point, throwing five touchdown passes to lead Toledo to a convincing 45-13 win over UTEP. Fellow senior and roommate Trinity Dawson ran for 132 yards.

Toledo's defense shut down UTEP's offense at almost every turn. Linebacker Mike Alston contributed two big tackles for the Rockets to end the first half, when UTEP was threatening to cut into a 28-13 deficit. It was the last time the Miners appeared set to mount a rally.

Gradkowski, who completed 18-of-32 passes for 298 yards, was chosen as the game's MVP while Dawson (offense), Alston (defensive) and Steve Odom (special teams) also won game honors. After the game, Gradkowski summed up the sentiment of the team.

"It's been an honor to be here this week," said Gradkowski. "We were treated unbelievably by the city of Mobile. The southern hospitality has been awesome. We've never experienced anything like this. We wanted to give back to Mobile by performing the way we did. I hope we satisfied the fans out there.

"It's been a pleasure. What a way to go out. This is our championship. We are GMAC Bowl Champions."

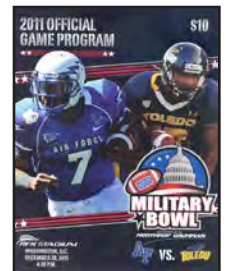

2011 MILITARY BOWL TOLEDO 42, AIR FORCE 41

Toledo used its powerful offense and the defense came up with a big play in an exciting 42-41 victory over Air Force in the Military Bowl. The Rockets never trailed in a see-saw affair in which there were three ties and UT's largest lead was 14 points.

With 52 seconds left in the game, Air Force scored what appeared to be the game-tying touchdown when Falcons receiver Jonathan Warzeka caught a wide open 33-yard pass from quarterback Tim Jefferson.

Air Force lined up for the extra-point but opted to go for two points on a trick play. Holder David Baska took the snap and headed for the end zone, but sophomore defensive end Jayrone Elliott stripped the ball loose from Baska. The ball bounced in the direction of Parker Herrington, who tried to scoop up the loose ball but ending up kicking it out of the end zone leaving the Rockets with a 42-41 advantage and their first bowl victory since 2005.

The victory was a great vindication for a Rocket team that had survived numerous injuries—including three key injuries to its defense in this game. It was also a dramatic debut for head coach Matt Campbell, the Rockets' offensive coordinator who was named head coach just 16 days prior to the game.

Bowl History

2012 IDAHO POTATO BOWL UTAH STATE 41, TOLEDO 15

Despite the loss of two stars, Toledo gave No. 18 Utah State all it could handle before losing, 41-15, at the Famous Idaho Potato Bowl in Boise, Idaho.

Senior linebacker Dan Molls, the nation's leading tackler, was knocked out of the game with a concussion on the game's opening kickoff. A short while later, junior running back David Fluellen reinjured his sore left ankle and never returned.

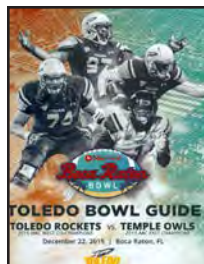

Despite those losses, Toledo was in the game well into the fourth quarter, trailing just 13-9 before a 63-yard touchdown run by USU's Kerwyn Williams put the game on ice just under the seven-minute mark. Williams then followed with two more scoring runs of five and 25 yards to finish the game with 18 carries for 235 yards.

Senior QB Austin Dantin, who played the first three quarters, completed 12-of-21 attempts for 132 yards with two interceptions for the Rockets. Junior QB Terrance Owens, hobbled by an ankle injury, played most of the fourth quarter and was 5-of-16 for 26 yards. Utah State's Chuckie Keeton threw for 229 yards and completed 21-of-31 pass attempts.

Junior WR Bernard Reedy led the Rockets in both rushing and receiving, finishing with a career-high 10 carries for 50 yards on the ground and six catches for 62 yards through the air. He was honored following the game as Toledo's Most Valuable Player.

2015 MARMOT BOCA RATON BOWL TOLEDO 32, TEMPLE 17

Phillip Ely threw for 285 yards and two touchdowns and Toledo used a smothering defense to knock off No. 24 Temple, 32-17, at the Marmot Boca Raton Bowl at FAU Stadium. Ely, playing in his final game as a Rocket, returned to his native Florida to lead the Rockets to victory in Jason Candle's first game as head coach.

Ely, a transfer from Alabama, was named the game's Offensive MVP. He completed 20-of-28 passes despite throwing in driving rain most of the night. Kareem Hunt led the running attack

with 79 yards and two TDs. Cody Thompson had four receptions for a career-high 119 yards, including a big 80-yard score in the fourth quarter.

While Ely provided the Rockets (10-2) with leadership on offense, the Toledo defense set the tone of the game, holding the Owls to just 17 points and a mere 67 yards of total offense in the first half. Ja'Wuan Woodley, who had a key safety in the first half, was named the game's Defensive MVP. Chase Murdock and Trent Voss paced the front seven with 11 and 10 tackles, respectively.

Toledo's defense controlled the action in the first half, holding Temple (10-4) to just 67 yards of total offense.

2016 RAYCOM MEDIA CAMELLIA BOWL APPALACHIAN STATE 31, TOLEDO 28

Senior Kareem Hunt rushed for 120 yards and two touchdowns to become Toledo's all-time leading rusher, but it wasn't enough as Toledo fell to Appalachian State, 31-28, in the 2016 Raycom Media Camellia Bowl in Montgomery, Ala.

App State scored on a 39-yard field goal with 5:14 left in the fourth quarter to give the Mountaineers a 31-28 lead. Toledo

had its chance to tie the score but Jameson Vest's 30-yard field-goal attempt with 1:48 remaining was wide right.

Hunt led the rushing attack with 120 yards, giving him 4,945 career rushing yards, which breaks the all-time record at Toledo previously held by Chester Taylor (4,849 from 1998-2001). It was also the 28th 100-yard game in his career, breaking the school mark of 27 held by Taylor.

Senior Logan Woodside connected 18-of-26 passes and added to his nation-leading total by throwing two touchdown passes to give him 45. Junior Cody Thompson led the team with 99 yards on five receptions, giving him 1,269 on the season and surpassing the Toledo record of 1,194 set by Lance Moore in 2003.

The contest was a close battle throughout the night with neither team leading by more than seven points. The score was tied at 7, 14, 21 and 28.

2015 GO DADDY BOWL TOLEDO 63, ARKANSAS STATE 44

Sophomore running back Kareem Hunt rushed for a career-high 271 yards and a bowl-record five touchdowns to propel the Toledo Rockets to a 63-44 victory over Arkansas State at the GoDaddy Bowl in Mobile on Jan. 4.

Hunt, who was named the game's Most Valuable Player, set the bowl record for rushing yards, as well. His five TDs ties the Toledo record for touchdowns, and ties the all-time bowl record for rushing touchdowns held by two others, most recently Oklahoma State's Barry Sanders at the

1988 Holiday Bowl.

In a game that featured 107 total points and 1,009 yards of total offense, Toledo's defense played a big role in the victory, scoring two touchdowns in the first half and stopping Arkansas State's potent offense in several key situations. Junior defensive end Trent Voss, who recovered a fumble in the end zone on the game's first play, had a career-high four tackles for loss among his game-high 10 tackles. He was named Defensive Player of the Game.

Sophomore quarterback Logan Woodside completed 21-of-27 passes for 176 yards and a touchdown. Sophomore Damion Jones-Moore added 103 yards and two touchdowns on 15 carries.

Bowl History

2017 DOLLAR GENERAL BOWL APPALACHIAN STATE 34, TOLEDO 0

Toledo fell behind early and could never get back in the game in a 34-0 loss to Appalachian State in the Dollar General Bowl in Mobile, Ala.

The Rockets (11-3) trailed 20-0 at halftime and App State outgained Toledo in total offense for the game, 458-146.

Senior quarterback Logan Woodside, playing in his final game as a Rocket, completed 16-of-29 passes for 124 yards. Senior

Terry Swanson led the running attack with 44 yards. Sophomore Diontae Johnson caught two passes for 21 yards, finishing his season with a school-record 1,278 receiving yards.

Appalachian State controlled the first half, taking a 20-0 halftime lead and outgaining the Rockets in total offense, 267-85, in the first 30 minutes. The Mountaineers got on the board on their third possession of the game on a seven-yard TD run by Jalin Moore with 4:06 to play in the first quarter. The 36-yard drive was set up by an ASU interception of Woodside near midfield that was returned 19 yards by Anthony Flory.

ASU scored again on its next possession, a nine-play, 64-yard drive capped off by another seven-yard run by Moore. After the Mountaineers forced Toledo to punt, they drove 57 yards before settling for a 29-yard field goal by Chandler Staton to increase their lead to 17-0 with 8:09 left in the first half.

2018 MAKERS WANTED BAHAMAS BOWL FIU 35, TOLEDO 32

Toledo scored the game's first points in the first 29 seconds of the Makers Wanted Bahamas Bowl, but couldn't hold off Florida International, falling to the Golden Panthers.

Eli Peters threw for 264 yards and tied a career high with three TD passes. Diontae Johnson caught six passes for 98 yards and a score, while Jon'Vea Johnson added two touchdown catches. Bryant Koback scored the game's first touchdown with a three-yard rush in the first quarter, and both Richard Olekanma and Tuzar Skipper

led the Rockets with eight tackles.

Toledo took the lead early on with 10 points in the first quarter, but FIU's strong rushing attack put the Panthers ahead by 10, 35-25, late in the game. However, Peters found Johnson for the second time in the corner of the end zone for a 43-yard touchdown with two seconds left to keep the Rockets' hopes alive. UT's chances came down to an onside kick, which was recovered by FIU to seal the Panthers' victory.

2021 BAHAMAS BOWL MIDDLE TENNESSEE 31, TOLEDO 24

Toledo came up on the short end of a 31-24 decision to Middle Tennessee State in the Bahamas Bowl in Nassau, Bahamas.

Toledo (7-6) led at halftime, 17-14, but the Blue Raiders (7-6) outscored the Rockets 17-7 in the fourth quarter to claim the win.

Redshirt freshman quarterback Dequan Finn completed 18-of-39 passes for 212 yards and two touchdowns. He also rushed for 83 yards and one touchdown. Junior running back Bryant Koback led the ground attack with 126 yards on

18 carries, while junior Matt Landers caught four passes for a team-high 137 yards and one score.

Defensively, junior Nate Givhan had a pair of sacks and seven tackles, while classmate Dyontae Johnson tallied a team-best 10 tackles. Junior Samuel Womack also notched his fifth career interception.

Middle Tennessee scored on the first play of the fourth quarter to make it 21-17 on quarterback Mike Diliello's 14-yard rush. The Blue Raiders extended their lead to 28-17 on Jarrin Pierce's touchdown reception with 6:24 remaining. Middle Tennessee added a field goal before the Rockets closed out the game's scoring when Finn found DeMeer Blankumsee in the end zone from 13 yards out with 1:08 to play.

2022 ROOFCLAIM.COM BOCA RATON BOWL TOLEDO 21, LIBERTY 19

Sophomore quarterback Dequan Finn threw for one touchdown and ran for another in the second half to rally Toledo to a 21-19 victory over Liberty at the Roofclaim.com Boca Raton Bowl in Boca Raton, Fla.

Finn, who was briefly knocked out of the game after being sacked in the first quarter, hit tight end Lenny Kühl for a four-yard touchdown in the third quarter, then ran it in himself in the fourth quarter to put the Rockets up 21-7 with 10:35 to play. For his efforts, Finn was named Of-

fensive MVP.

UT withstood two fourth-quarter touchdowns from the Flames and stopped a two-point conversion attempt with 3:40 to play to hang on and win. Sophomore running back Jacquez Stuart ran the ball six straight times on Toledo's final possession for 53 yards to run out the clock. Stuart rushed for 111 yards on 23 carries for the game.

Toledo's stout defense once again turned in a solid performance, holding Liberty to a season-low 253 yards of total offense, including just 91 yards in the first half. Senior Nate Givhan was named Defensive MVP after contributing perhaps the biggest defensive play of the game, a third-quarter strip sack that set up the Rockets inside the Liberty 10-yard line on the ensuing drive. Junior kicker Thomas Cluckey was named Special Teams MVP after going 2-for-2 on field goal attempts.

The Rockets controlled the pace in their victory, possessing the ball twice as long as Liberty (40:03 to 19:57).

Kareem Hunt is Toledo's all-time leading rusher with 4,945 yards.

UNBREAKABLE RECORD?

Extra bleachers were brought into the north end zone of the Glass Bowl on a regular basis to accommodate overflow crowds in 2001, including a then MAC-record 36,852 vs. Navy in 2001. Since that season, however, stricter fire regulations have been imposed that prevent bleachers from being brought onto the field, making it impossible for UT to ever break its home attendance record in the current configuration of the Glass Bowl.

The University of Toledo

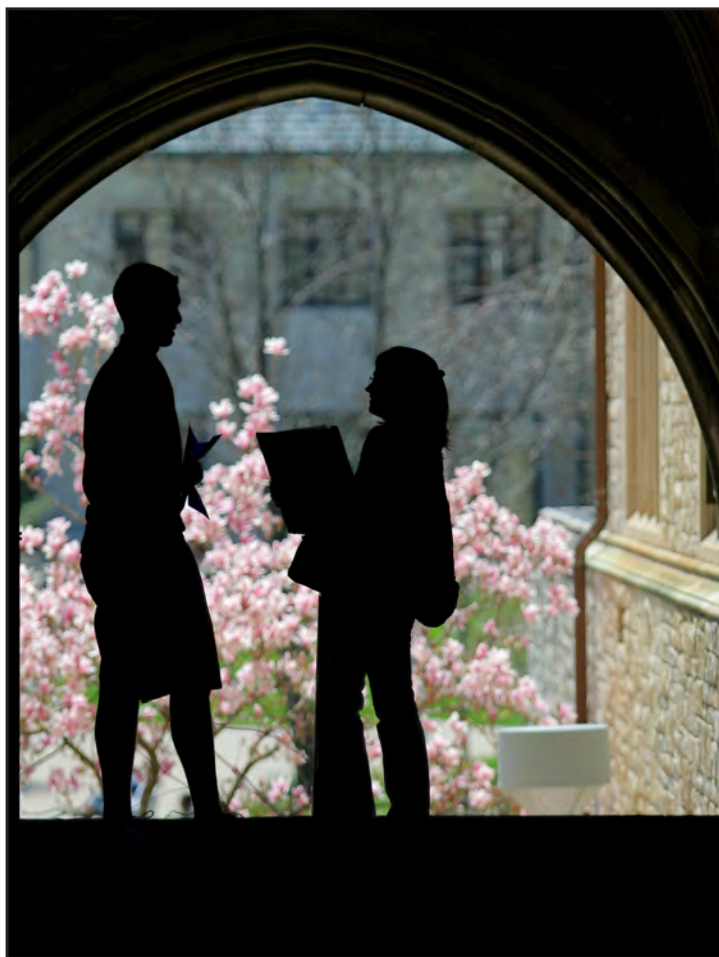

University History & Traditions

UNIVERSITY ORIGINS

The University of Toledo was founded by Jesup Wake-man Scott on October 12, 1872 as a private arts and trades school, known as Toledo University of Arts and Trades, offering painting and architectural drawing as its only subjects. Scott, the editor for the Toledo Blade newspaper from 1844 to 1847, was a public-spirited Toledoan who felt the city should have a university to train young people for responsible positions in the growing community. Scott's dream led him to endow 160 acres of land which later became the Scott Park Campus. Scott died in 1874 and the school was forced to close in 1878 due to a lack of funds. On January 8, 1884, the assets of the university were turned over to the city of Toledo and the school reopened that year as the Manual Training School, later changing its name to Toledo University.

In 1922, the university moved into an automobile mechanics training facility on Scott's land that had been constructed during World War I. After the Toledo voters passed a bond levy in 1928, the main campus was moved north to the land located on Bancroft Street, with University Hall being the first building constructed in 1931.

On July 1, 1967, the University was given the status of a state-funded university by the Ohio General Assembly and became known as The University of Toledo. On July 1, 2006 the University merged with the Medical University of Ohio, making The University of Toledo one of only four institutions in the state with a medical school and a law school.

University History & Traditions

THE BELL TOWER AND UNIVERSITY HALL

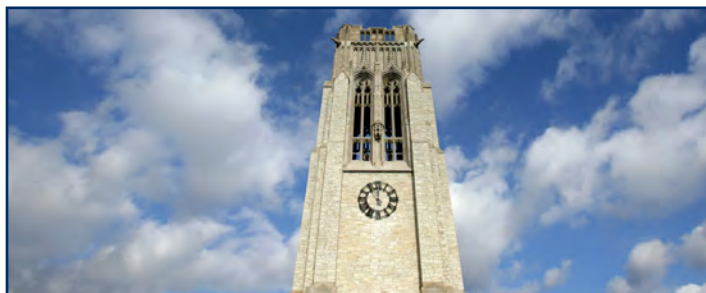

President Henry J. Doermann, the father of the Bell Tower and the university's structural design, wanted all of the buildings on Bancroft Campus to be of a Collegiate Gothic architectural design to reflect the best design elements of the universities of Europe. President Doermann felt such architecture would provide an atmosphere to inspire students. He also dreamed of a central tower that could be spotted from anywhere on campus. President Doermann went against the objections of many Toledoans who felt the design was too extravagant and a waste of money. He knew how much this Tower would mean to the UToledo community; therefore, he set out and accomplished his lofty goal of building the beautiful high structure that resides at the north center part of Bancroft Campus. Residing on the top four corners of this architectural gem are four gargoyles which overlook and guard the University of Toledo.

The 156-step, 206-foot Bell Tower sits atop of University Hall. Completed in 1931, University Hall was the first building built on Bancroft Campus. It took 400 men nearly one full year to complete University Hall and the second building built on campus, the Field House. The Collegiate Gothic structural design for University Hall set the standard for all other buildings to be constructed on The University of Toledo's Bancroft Campus.

CENTENNIAL MALL

During the Blizzard of 1978, the land in mid-campus, which used to be a faculty parking lot and Army barracks, was completely covered by snow. Graduate students in the university's geography department conducted a study and photographed the paths on the snow made by students walking to class. The design of the sidewalks in Centennial Mall was then constructed using the layout of those paths.

There are 290 trees located in the 9.7 acres of Mall area. This shrine of trees is known as the Circle of Champions. Centennial Mall was completed in 1980 and provides the campus with an environmentally friendly look, which contributes to UToledo's ranking as one of the "100 most beautifully landscaped places in the country," according to the American Society of Landscape Architects.

University History & Traditions

THE UNIVERSITY SEAL

The University of Toledo's Seal was placed in the middle of Centennial Mall and dedicated on October 23, 1995 by the Student Alumni Council, with the support of various campus and community organizations. A tradition that was formally started by Omicron Delta Kappa, as part of their ritual, is that no Rockets past, present, or future who cross this path on their educational journey shall ever step on the seal. This is every Rocket's sign of respect and gratitude for our great university. It is a UToledo myth, and believed to be true, that if you step on the seal in Centennial Mall you will fail your next exam.

TOLEDO EDISON MEMORIAL FOUNTAIN

The Toledo Edison Memorial Fountain, a gift to The University of Toledo by the Toledo Edison Co. for the Centennial of Light (1879-1979), is located on the north side of the Student Union and was built when Centennial Mall was constructed in 1980. The fountain, designed by Toledoan Phyllis Nordin, was turned into a flowerbed for four years because the rusted pipes of the fountain would have cost \$50,000 to repair. After a fundraising effort by Student Government President Kevin Hopkins, Toledo Edison, and many others, the flowerbed was restored back into a fountain in 1997.

Athletic Traditions

NICKNAME ORIGIN

When The University of Toledo played then-powerful Carnegie Tech in football in 1923, Pittsburgh sports writers were surprised to learn that Toledo did not have a nickname. Pittsburgh writers pressed James Neal, a UToledo student working in the press box, to come up with a nickname.

Despite UT's 32-12 loss, the student labeled the team "Skyrockets," obviously impressed by his alma mater's flashy performance against a superior team. The sportswriters shortened the name to "Rockets," which has been used since.

Many other suggestions for Toledo's nickname have been considered through the years, including a Spanish theme of Toreadors or Bulls, in honor of Toledo's sister relationship with the city's namesake in Spain. Others included Commodores, Turtles, Bancroft Highwaymen and Jeeps.

Toledo teams were referred to as the Blue and Gold, Munies (for municipal university) and Dwyer's Boys (after head football coach James Dwyer) in sports stories prior to 1923.

SCHOOL COLORS

Midnight Blue and Gold were selected as the school's official colors by the Varsity 'T' club, at its organizational meeting on December 1, 1919. Ten of the 14 football lettermen met to form the club, and also chose Ed Stader as their first president.

FIGHT SONG "U OF TOLEDO"

Chorus

U of Toledo, we'll fight for you
(Fight! Fight! Fight!)

U of Toledo, we love the Gold and Blue
(Let's go Blue!)

Men of the Varsity, the enemy must yield,
We'll fight just like our ancestors
and march right down the field!
T-O-L-E-D-O, Toledo!

ALMA MATER "FAIR TOLEDO"

In tower shadows voices now raising,
To alma mater Golden and Blue,
Fair Toledo praise to thee,
Portal of learning ever be,
Hallowed halls we shall revere,
Vow to keep thy memory dear.

THE FIGHT SONG

"U of Toledo" was written in 1932 by Dave Connelly, Toledo athletic director and baseball coach through much of the 1930s and 1940s. Connelly loved to sing, but had never studied music. He wrote the words for "U of Toledo" and sang the melody to a family friend, Bernie Jones. Jones played it on the piano and put it to music.

The tune remained largely unchanged until 1975, when UToledo associate professor of music David Jex arranged the current version.

THE ALMA MATER

"Fair Toledo" was selected from eight entries which were submitted in the UT Alma Mater Song Contest, sponsored jointly by the Student Senate and the Alumni Association in 1959. The competition was held to replace "Golden and Blue," set to "Amici," a tune used by various universities.

While driving to work, Gilbert Mohr heard Jim Uebelhart announce the contest on the radio in January of that year. An amateur songwriter, Mohr began humming different tunes, and later with his wife, Jean Strout, wrote the lyrics. Their alma mater entry won the contest and the couple received a \$100 government bond. "Fair Toledo" debuted at halftime of the Marshall-Toledo basketball game on March 2, 1959.

Athletic Traditions

THE CANNON

Everyone who attends a Rocket football game is familiar with the “boom” of the cannon when the Rockets score. The tradition of the cannon originates from 1966 when Pi Kappa Phi member Walt “Swift” Piotrowski saw a canon being shot off at a University of Texas game. Another fraternity brother, John “Tank” Drake, was able to obtain a Civil War era canon. That canon was in use until it was replaced by a brand-new cannon in 2010.

The cannon was first fired at the football game vs. Xavier on Sept. 17, 1966 from the top east stone tower in the Glass Bowl. The cannon continued to be fired from this position until 1989, when it had to be moved to the field because of structural concerns with the stone towers. From 1990 to 2008 the cannon was fired from field level until it was moved to the east balcony of the Larimer Building for safety reasons. In 2009 the cannon returned to its original position on the east tower.

Blasts are fired at the beginning of each home game, at the end of each half, and after every Rocket score.

THE ROCKET

In 1961, the University of Toledo procured a genuine Nike-Ajax missile from the U.S. Army missile program. Simply known as “The Rocket,” it was placed behind the crossbar of the north end goalpost, where the Larimer Athletic Complex resides today. During the renovation in 1989-90, the Rocket was moved to its present day position on the northeast corner of the Glass Bowl, just outside of the wall. The one-ton Rocket carries two sets of fins and a propellant boost capable of guiding the missile to supersonic velocity. In 2004, the rocket was refurbished and painted midnight blue and gold.

Legend has it that the rocket’s trajectory is pointed toward Bowling Green State University, 25 miles south. If the Rocket were to be lit, it is said, it would blast off and land directly on the 50-yard line of the Falcons’ Doyt Perry football stadium.

Athletic Traditions

THE SPIRIT ROCK

In 1968, Nicholson Concrete and Supply Co. donated an eight-ton rock to the University of Toledo as a symbol of the spirit of its student body. The Spirit Rock was originally located on the grass between the William S. Carlson Library and the Student Union. The large rock marked the final resting place of the old Bancroft High image of The University of Toledo. The original Spirit Rock was moved by the university in order to make room for the Student Union expansion, and now resides by the pond at Scott Park Campus.

The current Spirit Rock on main campus was donated to the university in 1997 and placed in the Flatlands. Over the years, the rock has been a site for many Rocket pep rallies. The Spirit Rock has been tarred and feathered, burnt, and painted hundreds of times, but it is tradition to paint it only during twilight hours.

THE BATTLE OF I-75

Just 20 miles of highway on I-75 separate the University of Toledo and Bowling Green State University, considered by many observers to be the greatest rivalry in the Mid-American Conference. These two universities first met on the gridiron in 1919, playing 12 times before the series was discontinued following the 1935 game (a 63-0 Toledo triumph).

The rivalry resumed in 1948 and has been stirring up emotions on both sides ever since. Toledo leads the all-time series, 41-40-4. The Rockets have won 10 of the last 11 games in the series and are 19-7 vs. the Falcons over the last 26 seasons.

From 1980-2010, the trophy that traded hands between Toledo and Bowling Green was referred to as "The Peace Pipe Trophy." Beginning in 2011, the schools retired the trophy out of respect to Native American culture, and began using the "Battle of I-75" trophy, a dense bronze and granite sculpture weighing nearly 40 pounds when including its base.

Athletic Traditions

THE ROCKET CHEERLEADERS

Providing the spirit at all home and road football games are the cheerleaders. The cheerleaders are also at every home men's and women's basketball game, and numerous public appearances on behalf of the Toledo Athletic Department.

The UToledo cheerleading squad consists of a varsity and a junior varsity squad. There is a total of 34 members—16 varsity, 16 junior varsity and two mascots.

The varsity squad practices throughout the summer in preparation for the coming season. The varsity squad travels to all the away football games, and cheers on the men's basketball team. For football games, the varsity squad is stationed primarily in the southeast corner of the stadium.

The JV squad cheers at every home football game and the women's basketball games. For football games, the JV squad is stationed primarily in the southwest corner of the stadium.

THE ROCKET MARCHING BAND

The Rocket Marching Band is dedicated to excellence in performance, as well as the musical and social enrichment of its members. The Rocket Marching Band provides quality entertainment and spirit promotion at school functions and athletic events. In addition, the band has appeared at professional football games, college bowl games and many high school marching band festivals.

The band consists of students from large cities, small towns and rural areas, pursuing a myriad of careers and majoring in everything from architecture to zoology. The Rocket Marching Band has proudly represented UToledo with professionalism, dignity, spirit and excellence.

Auxiliaries to the Rocket Marching Band include the Dancing Rockettes and the Flag Line. The Rockettes constitute a dance line of approximately 14 women who are chosen each spring by a special audition. The Flag Line is comprised of approximately 28 women who primarily twirl flags during Rocket Marching Band pre-game and half-time shows.

Athletic Traditions

ROCKY THE ROCKET (AND ROCKSY)

Rocky the Rocket, The University of Toledo's mascot, began in the 1966-67 academic year by the Spirit and Traditions committee, an appendage of Student Government, with various students being chosen to dress up for a couple different games. Then in the fall of 1968, Rocky was taken under the wing of Dan Seemann, Director of Student Activities at the time, and the first official Rocky the Rocket, Bill Navarre, emerged. Navarre displayed his super spirit at both home and away football and basketball games in the Rocky the Rocket costume, which was made by the theater department seamstress. The costume was essentially a wastepaper basket with a pointed rocket top made of papier-mâché.

Over the years Rocky's costume has changed many times. In the early 70s, Rocky wore a tall metal rocket helmet with many different jumpsuit type outfits, including such items as bellbottom pants. Then, in 1977, an authentic spacesuit, helmet, and boots were donated to the university by the NASA Space Center in Houston, Texas with the help of former Ohio astronaut and senator, John Glenn. The space suit was used for football games, but because of its mass, a lightweight replica was used for the basketball season. Both suits were used until 1980 when Rocky took on a more futuristic look in a costume that was designed to present more of a space rocket image.

Another Rocky costume, which was plush with huge feet, was introduced in 1983, but was only used until 1986 when a big blue plush Rocky with smaller feet was unveiled. Throughout the late 1980s and most of the 1990s only minor changes were made to Rocky's costume.

In 1998, at the Bowling Green football game, a new Rocky arrived at midfield via helicopter. The new Rocky had a blue and gold rocket-man costume, complete with jetpack and astronaut helmet.

The latest Rocky, which was unveiled in fall of 2008, maintains the futuristic space concept but is depicted more as a cartoon super hero. He was joined by a female companion, Rocksy, in 2010.

Athletic Traditions

ROCKET FANATICS

The Rocket Fanatics were organized in 1995 in an effort to increase student spirit, pride, attendance and participation. Today, every Toledo student is considered a Rocket Fanatic the minute they enroll at The University of Toledo. The group exploded in popularity in 2000, when the Fanatics adopted the Athletic Department slogan, "See You at the Game," and began distributing thousands of Rocket Fanatic t-shirts to UT students. Waves of Rocket Fanatic t-shirts can now be seen in the student sections of the Glass Bowl and Savage Arena.

THE BLUE CREW

"The Blue Crew" is a secret societies of spirited individuals who represent the pride inside of every Rocket. The organization consist of UT students who are fully dedicated to instituting, reviving, and maintaining The University of Toledo's traditions. Each member is hidden under an assumed identity and name.

Members of the Blue Crew attend all home University of Toledo sporting events, and as many away games as possible.

Athletic Traditions

THEY SUPPORT THE ROCKETS

THE ROCKET FUND

The Rocket Fund is The University of Toledo's Athletic Department's official annual giving program. Over 1,100 Rocket fans are donors to the Rocket Fund at the \$100 gift level and up. Gifts may be designated for operations for a particular sport, for scholarship aid, or for unrestricted use. Benefits are provided at all gift levels of \$100 or more. For more information on the Rocket Fund, call the Athletic Development Office at 419-530-4183.

THE 1923 SOCIETY

- Providing championship-caliber services to our student-athletes in their pursuits academically, athletically, and personally.
- Delivering the best student-athlete experience in the MAC.
- Representing the University of Toledo with integrity, class and distinction.

The name of 1923 Society was chosen to commemorate the first year the "Rockets" nickname was used to describe University of Toledo athletes.

DOWNTOWN COACHES ASSOCIATION

The Downtown Coaches Association is a support group whose purpose is to promote, encourage and stimulate interest in intercollegiate athletics at the University of Toledo. It was founded in 1937 by athletic director and head football coach Doc Spears. For 80 years, the DCA has sponsored Monday luncheons and assisted in the department's fundraising efforts, such as the 50/50 raffle at football and basketball games.

In 2008, the DCA made a major commitment to the Building Champions Campaign to name the "Wall of Champions" in the Sullivan Athletic Complex. The wall features photos of every Rocket MAC Championship team. In 2015, the DCA converted the traditional 50/50 system to an electronic version, increasing the fan experience, overall 50/50 sales and support of Rocket Student-Athletes.

THE VARSITY 'T' CLUB

The Varsity T Club is a support group of former varsity letter-winners whose purpose is to support Rocket Athletic programs through service projects and special events. The Varsity T Club provides financial assistance to the athletic department on an annual basis.

Over the years, the club has provided over \$100,000 to fund the purchase of weight equipment in the Larimer and Savage Hall weight rooms. The club has also supported the replacement of the Glass Bowl turf, the student-athlete handbook, senior scholar-athlete receptions and made a major commitment to the Building Champions Campaign to name the Hall of Fame area in the Sullivan Athletic Complex at Savage Arena. Each fall, the club hosts the annual Varsity T Hall of Fame banquet and induction ceremony.

The Varsity T Club also funded the construction of the Varsity T All-Sports Pavilion, located just south of the Glass Bowl. The club sponsors pregame tailgate receptions prior to all home football games for club members and guests.

Vice President and Director of Athletics

Bryan B. Blair

Since his arrival as vice president and director of athletics at The University of Toledo, Bryan B. Blair has begun a process of engaging the University and the Toledo community with the goal of positioning the Rockets as one of the premier Group of Five programs in the country.

Blair, who became the 14th athletic director in the history of the University of Toledo, is the first African-American to hold the post. When he arrived at Toledo in May of 2022, he was just 37 years old, the youngest FBS athletic director in the nation at the time. He joined the Rockets after serving as the deputy athletic director and chief operating officer at Washington State University from 2018-22.

Among the initiatives that have begun under Blair's leadership is the founding of the 1923 Society, a philanthropic initiative designed for the purpose of generating new revenues to support Rocket student-athletes in their academic, athletic and personal pursuits. Blair also created "Dining With the Deans," an ongoing series of dinners that give Rocket student-athletes an opportunity to meet and share ideas with University leaders in an informal setting. The Athletic Department also entered into a partnership with RealResponse, which is providing Rocket student-athletes the opportunity to communicate with the administration in real-time, and houses regular surveys regard-

ing the student-athlete experience.

Blair has put his mark on the Rockets with several high-profile hires, tapping former Duke assistant Jessica Bramonte to become head coach of the softball program and longtime Ohio Northern Head Coach Mark Batman to lead the women's soccer program. In addition, Blair hired former University of Texas Associate Athletic Director for Development Al Tomlinson to serve as deputy athletic director, and brought in Nicole Alderson, a former associate athletic director at Grand Canyon, to assume the role of executive associate athletic director and chief operating officer.

The Rockets have enjoyed unprecedented athletic and academic success in Blair's first season on the job. Toledo won MAC Championships in football, men's basketball, women's basketball, women's cross country, men's tennis and women's tennis, the first school in the history of the NCAA-FBS to win league titles in those six sports in a single season. The football team went on to win the Roofclaim.com Boca Raton Bowl, becoming the first Rocket team to win a MAC title and a bowl game in 21 years. Women's Basketball defeated No. 5 seed and Big 12 champion Iowa State in the first round of the NCAA Tournament, the Rockets first win in the NAAs in 27 years.

Toledo was awarded the Reese Trophy as the top men's athletic program in the Mid-American Conference for the second consecutive year, and set a school record with 166 points in the Learfield Directors' Cup Division I standings.

Rocket fans supported their teams in droves, as Toledo led the MAC in home attendance in football, men's basketball and women's basketball, the first school in league history to achieve this feat.

In the classroom, the Rockets had the best academic year in school history, setting a record with a 3.401 grade point average in the fall semester, then topping that with 3.472 GPA in the spring.

At Washington State, Blair led a team of sport administrators responsible for day-to-day oversight of 17 varsity sports programs and oversaw several departmental units focused on student-athlete success. Among his responsibilities was managing the university's Nike contract, serving as the chief diversity officer in athletics, and overseeing the development and execution of WSU's athletic strategic plan. During Blair's tenure, the Cougars excelled on and off the court, competing for NCAA championships, setting cumulative GPA records, doubling yearly fundraising to more than \$30 million, and securing 50 of the top 70 largest gifts in WSU athletic history.

Prior to his term at WSU, Blair was the senior associate athletic director at Rice University from 2014-18, which was his second stint at that school. He also served at Rice for the first time as a compliance coordinator from 2011-12. While serving as senior associate AD at Rice, he served as a member of the athletics department's senior leadership team, while overseeing sports medicine, strength and conditioning, sports nutrition, compliance, and seven of the department's 16 NCAA Division I sports programs. In addition, Blair served as the advisor for the Student-Athlete Advisory Committee (SAAC), and helped secure a multimil-

lion-dollar partnership, one of the largest in Rice Athletics history.

In between his stints at Rice, Blair worked at the University of South Carolina as the assistant director of compliance services from 2012-14. He also worked at the NCAA Offices in Indianapolis as an academic and membership affairs postgraduate intern from 2010-11.

A rising star in intercollegiate athletics, Blair was selected to serve on the National Sports Forum's Steering Committee and the Board of Directors for the Minority Opportunities Athletic Association.

In 2016, Blair was chosen for the nationally acclaimed D1A Institute (now "LEAD1"). The goal of the institute is to help the participants, nominated by their universities' athletics directors, be better prepared to move into the role of athletics director. After the Institute, Blair was recognized by LEAD1 President and CEO, Tom McMillen, as a "Future Leader of College Sports."

Blair was selected among 25 senior-level administrators from across the country to participate in the prestigious 2017 NCAA Pathway Program. The program is designed to elevate those currently in senior-level positions within athletics administration to the next step in reaching their goal of becoming directors of athletics. The year-long program is an intensive, experiential learning opportunity for selected participants representing NCAA Divisions I, II and III.

Blair holds a law degree from the University of South Carolina and earned his undergraduate degree in history at Wofford College. He played four seasons as a nose tackle for the Wofford football team from 2003-06. He was a team captain as a senior in 2006 and was named the team's Defensive Lineman of the Year.

Blair and his wife, Jenna, have two children, Brielle (5) and Beau (2).

Student-Athlete Academic Support Services

STUDENT-ATHLETE ACADEMIC SERVICES (SAAS)

The Department of Intercollegiate Athletics recognizes the unique needs of student-athletes in regards to academic support and is committed to their overall success at the University of Toledo. The Rocket Academic Center is located in the Larimer Athletic Complex and is open to all student-athletes. This facility is wireless and includes academic staff offices and a full-service computer lab. Student-Athlete Academic Services (SAAS) staff provides a variety of services to assist student-athletes that includes course scheduling, monitoring eligibility, academic coach program, study hall, individualized and group tutoring, career preparation and community service engagement.

ACADEMIC ADVISING

Student-athletes are assigned two academic coordinators (major advisor and athletic coordinator) during their time at Toledo. Both advisors work together to assist the student-athlete with creating balanced course schedules that meet degree requirements and will not interfere with athletic commitments. SAAS monitors academic performance, NCAA eligibility and progress towards graduation.

TUTORING

Tutorial assistance is available to all student-athletes through the Rocket Academic Center.

ACADEMIC COACH PROGRAM

The Academic Coach Program assists student-athletes with organizational skills, time management and study skills. Academic coaches work one-on-one with freshmen, new transfer students and returning students to assist with study skills and their transition to UToledo. Student-athletes will meet weekly or bi-weekly with their academic coach to discuss their academic progress, upcoming assignments and weekly academic plan.

The goal of this program is to model

time management skills and develop a comprehensive plan to assist the student-athlete in the transition from high school to college.

STUDENT-ATHLETE DEVELOPMENT PROGRAM

Student-Athlete academic services (SAAS) is committed to providing a comprehensive program to support all UT student-athletes. UT's Student-Athlete Development program (also known as Life Skills program) focuses on four areas of development: academic, personal, community service and career/professional development.

SAAS STAFF

Tony Belt begins his fourth year as the associate athletic director for student-athlete academic services in 2022-23. Belt comes to Toledo after serving as the Director of Student-Athlete Support Services at the College of William & Mary. A former All-American in the long jump at Louisville, Belt oversees the department's academic efforts, and is directly responsible for working with the men's basketball and women's

basketball programs.

Assistant Director for Student-Athlete Academic Services **Jillian Lehman** is entering her eighth academic year with SAAS. She oversees the football program in addition to women's tennis and soccer.

Stacy Bowers is in her 29th year with Student-Athlete Academic Services as an academic coordinator. She works with football, men's golf, women's golf, men's tennis, women's volleyball, women's swimming and softball.

Ryan Moody joined the SAAS staff as athletic academic coordinator and tutor coordinator in January of 2021. His duties include overseeing the academic progress for the baseball, men's and women's cross country and women's track & field programs, as well as for several of the football student-athletes. Moody will also manage the SAAS Rocket Tutorial program.

Regulations for Boosters

ARE YOU A UT "ATHLETICS REPRESENTATIVE" (BOOSTER)?

The NCAA definition of a booster is very broad. Simply put, you are a booster if you have:

- Graduated from The University of Toledo.
- Purchased season tickets.
- Become a member of an organization that supports Toledo Athletics (Downtown Coaches, Varsity 'T', etc.).
- Made a donation to the Rocket Fund.
- Assisted a Toledo student-athlete in securing employment.

Once you become an athletic representative, you maintain that relationship forever, regardless of whether or not you remain in contact with the program.

PERMISSIBLE ACTIVITIES FOR BOOSTERS

- Occasional meals provided to a student-athlete or team at the home of a booster or at an on-campus facility are permitted. The meal may be catered, and the booster hosting the meal may provide reasonable local transportation to the student-athlete(s) attending the meal (this event must be documented with the Compliance Office).
- Provide information to student-athletes on employment opportunities and internships.
- Please remember that student-athletes retain their status forever, just as boosters do. It is not permissible to provide benefits to a student-athlete simply because they have exhausted their athletics eligibility.

PROSPECTIVE STUDENT-ATHLETES (PROSPECT)

In general, a prospective student-athlete (e.g., prospect or recruit) is an individual who has begun classes for the ninth grade. In basketball and softball, prospects are individuals who have begun classes for the seventh grade. This includes prep school and two-year college student-athletes as well.

It is important to remember that athletes are considered to be prospective student-athletes even after they have signed a National Letter of Intent and/or financial aid agreement. Prospects retain this status until they have attended classes or have attended practice.

It is not permissible for boosters to make in-person, on- or off-campus recruiting contacts and written, telephonic, or electronic communications with the prospect, the prospect's relatives or legal guardians, or the prospect's coaches.

ENROLLED STUDENT-ATHLETES

A student-athlete, their relatives, or friends are not permitted to receive any special arrangement by an institutional employee or booster ("extra benefit") that is not authorized under NCAA legislation. Examples of extra benefits include:

- Free or reduced cost services.
- Free or reduced cost entertainment services (free movie tickets, dinners, or professional sports tickets).
- A loan of money or guarantee of a bond.
- An automobile or the use of an automobile.
- Transportation.
- The signing or co-signing of a note with an outside agency to arrange a loan.

Student-athletes must ask themselves two questions when trying to determine if they are being offered an extra benefit:

- "Is this benefit available to any student at the University of

Toledo?"

- "Am I receiving this benefit because I am a student-athlete?"

If a student-athlete can honestly answer "Yes" to the first question, and "No" to the second question, the benefit in many cases would not be an extra benefit.

NAME, IMAGE AND LIKENESS (NIL)

Effective July 1, 2021, Ohio Executive Order 2021-10D now permits student-athletes enrolled in colleges and universities within the state of Ohio to be compensated for the commercial use of their name, image, and likeness (NIL). We ask for your assistance in making sure our student-athletes comply with the following regulations:

- Student-athletes must file a NIL Disclosure form with the Athletics Compliance Office prior to engaging in any NIL activity.
- Student-athletes are prohibited from participating in any NIL activity in conjunction with official team activities (e.g., practice, workouts, competition, pre/post-game in the locker room).
- Student-athletes are prohibited from using the name, trademark, service marks, logos, symbols, or any other intellectual property that belongs to the University of Toledo, Mid-American Conference or NCAA, without the express written consent of these entities in NIL activities.
- Student-athletes may not use their NIL to advertise, promote, or recommend any of the following categories: controlled substances, marijuana, medical marijuana products (including retail dispensaries), alcoholic products, tobacco products, electronic smoking devices, vapor products, adult entertainment business/products, casinos or entities that sponsor/promote gambling activities, or any other company or contract that conflicts with an existing contract to which the University of Toledo is a party.

CONSEQUENCES OF NCAA VIOLATIONS

Booster participation in non-permissible activities may result in any of the following:

- A prospect may be declared ineligible to represent The University of Toledo.
- A student-athlete may be declared ineligible to compete for The University of Toledo.
- An entire athletic team may be declared ineligible to compete in MAC or NCAA competition.
- The institution may be placed on MAC/NCAA probation.
- MAC/NCAA championships may be vacated.
- Disassociation of booster from the institution and loss of season ticket privileges.

Please make a concerted effort to understand the rules. Should you have any questions regarding NCAA legislation, please contact:

Sports Medicine

Associate Athletic Director for Sports Medicine
Brian Jones

The primary goal of the Rocket Sports Medicine Department is to provide the best quality care to each and every student-athlete. The staff is trained to provide quick, accurate evaluations and expertise with the aid of excellent facilities and resources.

Injured student-athletes return to participation only when they are able to function on the field of play. The ability to function on the court, field or in the pool comes after thorough treatment and rehabilitation. With the help of recent improvements in both the Savage and

Larimer Athletic Training rooms, the Sports Medicine staff utilizes a variety of equipment and resources to hand-tailor a plan of care for each unique injury and student-athlete. The equipment attempts to simulate the same type of stress that is encountered while participating in a sport. Athletic trainers work to create an environment which is safe and yet conducive to the return of student-athletes to competition.

The athletic training staff consists of ten full-time certified athletic trainers and three certified graduate assistant athletic trainers: Senior Associate Athletic Director for Health and Wellness Brian Jones; Assistant Athletic Director of Sports Medicine Brad Pierson; Associate Athletic Trainer/Head Football Athletic Trainer Adam Barta; Associate Athletic Trainers Mackenzie Haines and Emily Loew; Assistant Athletic Trainers/Assistant Football Athletic Trainers Zach Vigliotti and Aaron Wass; Assistant Athletic Trainers Devin Cassity, Joshua McKinney, and Kiana Young; and Michelle Harris, the Athletic Department's insurance resources specialist. Graduate assistant athletic trainers are Emily Crutchfield (track/cross country), Sophie Xu (track/cross country) and Alyssa Volz (football). The athletic training staff is also privileged to work with Athletic Trainer/Physical Therapist Angel Ceballos, who handles several of the long term rehabilitation plans for Rocket Student Athletes.

Dr. Roger Kruse, a physician with ProMedica Physician Group who has served as head team physician for

UToledo athletic programs for 30 years, has a new title in the Athletics Department: director of medical services. Dr. Kruse reports to Dr. Michael Ellis, chief medical officer of The University of Toledo Medical Center, and will continue to appoint physicians and athletic trainers from ProMedica and UToledo to work in the UToledo Athletics sports medicine program. Dr. Kruse has served on the NCAA Compleitive Safeguards Committee and served on the medical team at the 1994 Winter Olympics in Lillhammer, Norway, and the 1996 Summer Olympics in Atlanta. Dr. Kruse is aided by a team of three Sports Medicine Fellows and several other Primary Care Sports Medicine Physicians that help to cover the wide-range of student-athletes. The University of Toledo is also very fortunate to have Dr. Jake Miller and Dr. Anil Gupta as its orthopedic consultants.

As a result of the merger of the University of Toledo and the Medical College of Ohio in 2006, the University Medical Center has become very involved in providing health care services to all University of Toledo student-athletes. Experts from all areas of medicine are readily available to provide University quality health care to all of our student-athletes.

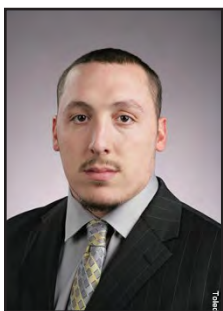

Strength and Conditioning

TOLEDO FOOTBALL STRENGTH AND CONDITIONING

At the University of Toledo, strength and conditioning is viewed as an important variable for our football players to increase their genetic potential and athletic performance. Under the supervision of Director of Football Strength and Conditioning Brad Bichey, the Rocket Strength program covers all components of physical, mental, and work toughness. The program will also work on key components such as strength, power, explosiveness, speed, agility, quickness, conditioning, balance, mobility and flexibility. The more abilities an athlete can develop will ultimately increase their athletic performance and self-confidence. Most importantly, strength training will help minimize injury, decrease rehabilitation time and give purpose to the entire program... that is the "TOLEDO TOUGH" culture!

TOLEDO FOOTBALL STRENGTH AND CONDITIONING PHILOSOPHY

The Toledo Strength and Conditioning program is based on a precise, periodic year round plan of training. The ultimate goal is to safely and effectively train hard in order to become the best football player possible. All training phases will be based on the progressive overload principle. Our program will challenge the student-athletes both physically and mentally, and allow them to grow not only as student-athletes, but as young men. The strength staff is dedicated to giving each student-athlete the best "hands-on" training possible, building team cohesiveness and mental toughness through a disciplined, intense and energetic approach. All student-athletes are educated on hydration, nutrition, and recovery to help enhance performance to their maximum capabilities.

Football strength coach Brad Bichey

The Max E. Gerber Media Center ranks as one of the finest college football media facilities in the country. The Gerber Media Center, named for longtime Toledo sports information director Max Gerber, features modern accommodations for more than 80 writers and broadcasters. A three-tiered central area features seating for 55 reporters and staff, along with a sizeable standing area. The center also has three radio booths, a large television production area and a control center for the PA and videoboard. Additional space for TV cameras can be found on the press tower roof. UNIVERSITY OF TOLEDO ROCKET FOOTBALL NETWORK

Presented by the University of Toledo Medical Center

The 2023 football season marks the 15th season of the Rocket Sports Radio Network. The rights holder for Rocket sports, Rocket Sports Properties (a property of LEARFIELD), secured the University of Toledo Medical Center (UTMC) as the naming sponsor beginning in 2009. The partnership provides UTMC rights to the radio network for football, men's basketball, women's basketball and coaches shows.

In 2009, Rocket Sports Properties created a regional network that carries University of Toledo football and basketball games throughout northern Ohio. The network includes flagship station WSPD (AM 1370) in Toledo; WMTR (FM 96.1) in Archbold; WJMO (AM 1300) in Cleveland; and WBVI (FM 96.7) in Fostoria. WCWA (AM 1230) in Toledo also carries UT women's

basketball games.

The 2023 season will mark the 57th year that Rocket football games will be broadcast on WSPD. WSPD, which has a continuous 5,000-watt signal, has broadcast UT football and basketball games for all but one year since 1965. For every Rocket football game, WSPD will carry a 90-minute pregame show and a 30-minute post-game show.

Mark Beier returns to the booth for his 22nd season as play-by-play announcer for the Rockets. Beier previously called the action for the Rockets from 1995-2015. Entering his first full season as color commentator is former Indianapolis Colt offensive lineman Jack Mewhort. Mike Robinson is back for his seventh season as the sideline reporter.
