SOUTH CAROLINA vs. TENNESSEE
POSTGAME QUOTES
Nov. 1, 1997

TENNESSEE LOCKER ROOM

HEAD COACH PHILLIP FULMER: "I'm really proud of this win today. Our defense really played great. We had a great two weeks of practice.

"I was frustrated with our offense because of the penalties and dropped balls. We just weren't very sharp offensively as we have been. We were on the wrong page a couple of times. We didn't help ourselves with the penalties.

"Jamal (Lewis) had a really good day running the ball. Our linemen gave him some room and he took advantage. I was glad to get some breathing room on that long run.

"Carolina came in with the No. 2 defense against the run in the league, so we knew it wouldn't be easy.

"I think down and distance hurt Peyton (Manning) the most today. We ran well, our receivers just weren't getting open like they need to be. We also dropped too many passes. We just didn't play well around him. Peyton played well.

"Our running game and defense really stepped up today with a school record eight sacks. Our kids felt a challenge to get at their quarterback. We found out early they had a hard time protecting them. We played Leonard (Little) more at end and had a lot more nickel packages in the game.

"We've been improving all year defensively. They have been challenged all year and still face some tough challenges.

"We got things started early with Jeremaine Copeland's pass.

PEYTON MANNING, QB: "Our defense played great the whole game. Our passing game was a little off. Obviously, our rushing game was good. They committed to stop the pass. We didn't give them anything easy. We knew they had a good defensive pass rush. They had a good pass rush all afternoon. We hope we can get back and find a rhythm.

AL WILSON, LB: about Wright "I feel bad for him. I hope he'll be okay. The open date gave us an opportunity to heal up nicks and bruises. When I'm in the middle, I'm determined to go out and make plays. We were determined to go out and stop them every play."

JAMAL LEWIS, RB: "The hole was there; all I had to do was run. I just have to take it game by game and see what happens. I feel safe behind our offensive line. I feel comfortable running. Defenses are confused about us. They don't know whether we are going to run or pass the ball."

JONATHAN BROWN, DE: "We just tried to follow our basic skills. I just want to go out there and try to get better. The game changed when Wright hurt his ankle. After that, he couldn't move around in the pocket as well. You hate to see another player go down. I'm glad to have this five game stretch. We're going to go out there in these next four games and play as hard as we can.

TENNESSEE INJURIES:
DB Deon Grant (leg strain)
RB Mark Levine (hip pointer)
DT Billy Ratliff (dislocated finger)
WR Andy McCullough (ankle)

SOUTH CAROLINA COACH BRAD SCOTT: "I compliment Tennessee on a great game. They're a very good football team. They were well-prepared and exceptional on defense. I was proud of our effort. Two years ago we had a team alomst quit on this field. Today, our defense competed. They played with heart and detemrination. The injuries were unfortunate. It's a matter of concern and disappointment. Tennessee will make a strong bid to be an Alliance team.

"Losing Anthony is a big blow to our offense. He had been playing great down the stretch. I thought Victor Penn did a fine job. Anthony is out for the year, I'm told. We'll need the week of to prepare Victor. Our players can use the week off, also. Penn's performance was something we can build on. I was pleased with his performance. Tennessee has great speed and closes well. I thought he threw smart. Penn had not played that much early in a game this year.

"I really can't say enough about our effort. They bailed us out on more than one occasion. We were fortunate to be down only 9-0 at halftime. With eight minutes to go in the third quarter, we punted on fourth-and-one because I had that kind of confidence in our defense. We were in the game until the long run. Lewis is an excellent player. I didn't realize how big he was until I saw him on the field. This may have been our best defensive effort against a quality opponent. Tennessee and Florida are the standard in our conference. We need to get our program to the point where we can come in and win a game like this."

SOUTH CAROLINA PLAYER QUOTES:

#52 Senior LB Shane Burnham: "We played well at times, but it's still disappointing for us.

(On Jamal Lewis' 65-yard touchdown run) "I think I got cut. It was my fault. It turned back in and I wasn't there to help. We missed a couple of tackles on the sideline. It was a good run.

"We could have played better on a few plays. There was a busted play up the middle. Besides that, we frustrated Peyton (Manning) and gave him some different looks and made that (fourth down) stand."

#17 Freshman QB Victor Penn: (On Anthony Wright's injury) "At first I was hoping that it wouldn't be too serious for Anthony. He is a good athlete and a great competitor. I wish him the best and he gets back as soon as possible. But I knew I had to come in and do the same things that Anthony would do to try to win this game. It just didn't happen for us.

"I'm ready to lead, and I'm going to step up to the challenge. There's no reason why I should let the other players down. They work hard and I'm going to work just as hard as them to try to beat Florida and Clemson."

#95 Sophomore DE John Abraham: "The scoreboard shows us losing, and we lose as a team and don't win as individuals.

(On quarterback sack) "That was good coaching. Our coaches told me that whenever they got weak that I was supposed to check. I didn't read the run at all, I was just going for the quarterback. I had it read the whole time, so I just went for it."
