Quoting the Pope.....

On the win over Chicago State

"Having military families tonight was awesome. I am proud of our guys. We shot the living daylights out of the ball in the first half. We shot our way to some energy on the floor. We have a big game Saturday and we're looking forward to coming in and playing better. Our goal is to win the rest of our games. We are focusing on getting better. We have to get better. We have to get every rep to get to our goal."

On the home win streak ending

"We are obviously disappointed about our home win streak coming to an end, but that's not our ultimate goal. All we talk about is getting better. I obviously knew there was a chance at some point we were going to lose a home game, but I just hope we don't lose another one. I am not discouraged; I'm really bummed, but not discouraged."

On Winning the MGM Main Event Middleweight Title

"I'm really proud of our guys. We've had some confidence, trust and belief issues. We've had some newness issues with guys trying to figure each other out. For our guys to come into this tournament and figure all those tricky dynamics going on and to gut it out two days ago and then to play just great basketball today where we really shared the ball and make plays for one another. I'm just really proud."

About Signing a six-year deal at UVU

"This is a really special day for me because my whole heart is here at Utah Valley University. I'm thankful to President Holland, Val Peterson, and Vince Otoupal for putting their trust in me and showing our program another level of commitment. I love this place and this is where I want to be. Over the course of the last three years, Lee Anne and I have fallen absolutely in love with this university and its unique mission. We love the students and the administrators and faculty here. We're really proud of what we have accomplished over the last three years but this contract signifies what we really deep down believe that we're barely scratching the surface of what can be accomplished here. I'm also excited to work with our new president, Dr. Astrid Tuminez, who will be taking our university to another level on a worldwide stage."

ABOUT UVU ATHLETICS' NCAA HISTORY

Until 2003, Utah Valley University competed as a NJCAA athletic program. The 2003-04 season was the school's first competing at an NCAA Division I level. In 2004-05, UVU played its first full Division I schedule. As a program transitioning from junior college to DI, UVU was termed "provisional" and remained that way until 2009. UVU's provisional status was lifted and the program became a full member of NCAA Division I on July 8, 2009. Until then, UVU teams and individuals were not eligible to compete in NCAA championship events.

The Wolverines spent six seasons as an independent before the Great West Conference became an all-sports league in 2008 and began its first full season in 2009. UVU also became a university in 2008, changing its name from Utah Valley State College (UVSC) to Utah Valley University (UVU). UVU joined the Western Athletic Conference on July 1, 2013. Joining the WAC gave UVU teams the opportunity to play for NCAA automatic bids for the first time in program history.
