GENERAL TICKET INFORMATION ||

DUPLICATE TICKET POLICY & TICKET SECURITY

Please handle your tickets with care. If tickets are lost, stolen or left at home, replacement tickets will be issued at the discretion of the Wisconsin Athletic Ticket Office. Requests for duplicate tickets may only be made by the season ticket holder of record. It is recommended individuals needing replacement tickets contact the Wisconsin Athletic Ticket Office prior to game day. There will be a \$10 replacement fee assessed for each duplicate ticket that is printed.

Due to potential issues with fraudulent activity, the Athletic Department discourages patrons from posting photos of game tickets with bar codes on secondary market ticket re-sale websites.

ADMISSION/ENTRY

Please enter the gate printed on your ticket to allow for the most efficient entry to the stadium. Gates open 90 minutes prior to kickoff. The University of Wisconsin Athletic Department operates under a no re-entry policy. Once a patron exits the stadium, they may not re-enter the stadium. If an emergency arises, check with gate security or your nearest usher.

The University of Wisconsin Athletic Department requires all patrons, regardless of age, to have a ticket. The Wisconsin Athletic Department will allow one lap child without charge when attending an event with a ticketed adult. To obtain a complimentary lap ticket, a parent or guardian can request a lap ticket at a Camp Randall Stadium entrance gate. The Athletic Department defines a lap child as any child less than 2 years of age. This child must be seated on the lap of the accompanying adult. If you want your infant to have his or her own seat, you must buy a ticket to the event. Car seats, baby carriers, and strollers are not allowed in UW Athletic Facilities.

|| STUDENT TICKET INFORMATION

GAME DAY VOUCHER EXCHANGE

On game day, students will exchange their ticket voucher for admission into Camp Randall Stadium at Gate 5, which is located on the north end of the stadium near Breese Terrace and the practice field. Voucher exchange begins 90 minutes prior to kickoff, when the stadium gates open.

At the perimeter of Gate 5, students will go through security and have their vouchers scanned by ticket-takers. Once inside the Gate 5 perimeter, students will be presented with a series of section chutes, which correspond to different sections of the student section (P, O, N, M, etc.). Students will be able to choose which section they want to sit in, by going through the chute that is labeled with their desired section.

Once students go through a section chute, they will receive a section reserved ticket from a representative of the Athletic Ticket Office. Each student must sit in the section printed on their section reserved ticket. Groups of friends should enter the same section chute at the same time in order to be allocated tickets in the same section.

Once students enter the stadium and receive their section reserved ticket, students may not exit the stadium and re-enter just by showing their ticket. Students who exit the stadium may only re-enter the stadium if they have another valid unused voucher to exchange. Students also must sit in their designated section and must have their ticket in hand at all times or be subject to removal from Camp Randall Stadium.

POLICY ON REVOCATION OF SEASON TICKETS

Season ticket holders to all University of Wisconsin athletic events purchase, hold, and use their tickets subject to strict compliance with the following policy, which was adopted by the UW Athletic Board in 2006.

The University of Wisconsin and the Big Ten Conference promotes good sportsmanship, appropriate fan behavior and a welcoming atmosphere for all fans at all athletic events sponsored by the Division of Intercollegiate Athletics. Fans who engage in unruly or illegal conduct are subject to ejection from athletic events and possible revocation of their season tickets.

In order to keep Wisconsin football games as enjoyable as possible for our spectators and their families, we ask that you respect others around you. If the conduct of a ticket holder or person using the tickets endangers or disrupts players, coaches, officials or other patrons, the University reserves the right to remove the ticket holder or person using the tickets from the premises. No refund will be made in such cases.

LETTERS OF WARNING

A letter of warning will be issued by the Division of Intercollegiate Athletics to any season ticket holder whose ticket is used to gain admission to any athletic event by any individual who is ejected from the event by police or security personnel for any reason. The letters of warning will be maintained and reviewed by Athletics staff and the University of Wisconsin Police Department at the end of every sport season. In the case of severe conduct or repeat ejections, the ticket purchaser's ability to purchase season tickets in the future may be restricted or revoked.
