UW FIELD HOUSE

It's a landmark building in a number of ways. From being listed on the National Register of Historic Places to the record-setting attendances and the momentous wins, the Wisconsin Field House is a memorable place steeped in a rich history.

Since it was built, the Field House has been the site of numerous sporting events including basketball, boxing, track and field, and wrestling. It also hosted UW commencement exercises, carnivals and speakers, including John F. Kennedy.

The Badger volleyball team first competed in the Field House in 1977 when it hosted the Big Ten Tournament. UW didn't return to the building until 1980, hosting two tournaments. Wisconsin's play in the Field House was sporadic until 1986 when it became the permanent home of volleyball. With the construction of the Kohl Center in 1998, volleyball took over possession of the Field House for practice and competition. The building is also used as the competition site for the wrestling team.

As the sole occupant of the UW Field House, UW has made the building one of the finest volleyball facilities in the country. A new wood floor was installed in 2013, making the volleyball court the center of attention. In 2020, the building was renovated with new windows installed, marking the first time since the late 1960s that the windows have been uncovered during a match.

Volleyball facilities include a team room for relaxing, studying, as well as a video room separate from the locker room. The team room features a large-screen television, leather sofas, pub tables and chairs, and a kitchenette.

The renovation of Camp Randall Stadium in 2005 included improvements to the north end of the Field House including updated restrooms as well as a new media room and opponent locker rooms on the lower level. In 2021, the entire upper deck was opened for the first time since the 2007 season while in 2022, chair-back seats on the east side and Bucky's Balcony on the north end were added.
