UW Athletic Hall of Fame

The University of Wisconsin Athletic Hall of Fame was established in 1991 by the Division of Intercollegiate Athletics. The Hall of Fame inductees are recognized and honored for their exemplary athletic achievement and contributions made to UW.

The first induction ceremony for the 35 charter members of the Hall of Fame was held in the spring of 1991. Classes of

men and women honorees have been inducted each year since, with the Hall of Fame numbering over 180 members.

The Hall of Fame serves as an incentive to all of the men and women who compete at the University of Wisconsin. The prestige bestowed upon the university by these heritage and contemporary-era athletes, coaches and administrators has fostered a legacy of excellence that affects every individual associated with the UW.
